CREDIBLE LABS INC.

(ASX: CRD)

ASX ANNOUNCEMENT

26 February 2018

Appointment of General Counsel & Corporate Secretary

Credible Labs Inc. ("**Credible**" or "**the Company**") advises that it has appointed Mr. Jobe Danganan as General Counsel & Corporate Secretary, effective 5 March 2018.

Mr. Danganan has extensive experience in financial technology, financial service regulation, litigation, and corporate governance. He joins Credible from Sindeo, a modern mortgage marketplace, where he served as General Counsel, Chief Compliance Officer, and Corporate Secretary. Jobe was also the US General Counsel of a multinational publicly traded corporation, where he led, among other legal matters, mergers & acquisitions, intellectual property, and securities compliance.

Prior to joining Sindeo, Jobe served as an enforcement attorney at the Consumer Financial Protection Bureau (CFPB), the US regulator for consumer financial products such as student loans, personal loans, credit cards, and mortgages. He was also a senior investigator for the US Financial Crisis Inquiry Commission. Jobe began his legal career as a judicial clerk at a prominent US court and worked as an attorney at top US law firms. An industry thought leader, Jobe has received industry awards, been quoted in numerous publications, and is a sought-after speaker on regulatory compliance, legal trends, and FinTech disruption. Jobe holds degrees from Harvard University, Princeton University, and UC Berkeley.

"Jobe brings to Credible a strong combination of extensive legal experience and considerable domain expertise that will be invaluable as we continue to execute on our growth strategy," said Stephen Dash, founder and CEO of Credible. Mr. Danganan will replace Ms. Jessica Rossman as General Counsel. Ms. Rossman leaves with the Company's best wishes and thanks for her contributions to Credible. Mr. Danganan will report to Credible's Chief Financial Officer, Mr. Chris Bishko.

ABOUT CREDIBLE

Credible is a U.S. company based in San Francisco which operates a consumer finance Marketplace that helps consumers save money and make better financial decisions. Credible has developed a proprietary technology platform that is integrated with credit bureaus and financial institutions. Credible has developed a differentiated, and personalised user experience that enables consumers to compare instant, accurate pre-qualified rates from multiple financial institutions, select a product and financial institution of choice, and then receive a binding offer for the selected student loan product. Credible also offers consumers the ability to access instant, accurate pre-qualified rates for personal loans and compare credit card products.
