ABOUT CREDIBLE

Credible is a U.S. company based in San Francisco which operates a consumer finance Marketplace that helps consumers save money and make better financial decisions. Credible has developed a proprietary technology platform that is integrated with credit bureaus and financial institutions. Credible has developed a differentiated, and personalised user experience that enables consumers to compare instant, accurate pre-qualified rates from multiple financial institutions, select a product and financial institution of choice, and then receive a binding offer for the selected student loan product. Credible also offers consumers the ability to access instant, accurate pre-qualified rates for personal loans and compare credit card products.
