

ENGINEERING THE UNFAIR ADVANTAGE

ASX Announcement | ASX: PWH

4 June 2018

PWR Holdings Limited (ASX: PWH) understands that one of its competitors has made the decision to cease supplying cooling products to the motorsport industry effective 31 December 2018.

Although PWH has not been advised directly of this development, it appears to be known in the motorsport industry and has resulted in PWH receiving questions from investors on the opportunities this may present to PWH.

PWH advises that the sales profile and profitability of the cooling components the competitor provides to the motorsports industry is not known to PWH and any potential opportunity this may present to PWH is not able to be quantified and is speculative at this stage.
