## Pacific National named as counter party to recently announced manufacturing contract

On Monday 6<sup>th</sup> August 2018, Matrix announced the \$2.4m award of a manufacturing contract from a major bulk freight company to develop and manufacture four prototype composite bulk transport systems. The counter party was not named in the original announcement due to commercial confidentiality requirements.

Pursuant to a request from the ASX, Matrix is pleased to confirm that the counter party to the contract is Pacific National, the largest combined rail freight company in Australia, providing intermodal, break bulk and bulk haulage rail services across the country.
