About Acrow

Acrow is a leading hirer of formwork and scaffolding systems to large construction and civil infrastructure providers across Australia, operating a network of formwork and scaffolding branches in six states and employing approximately 150 people. The business services a diversified customer base of approximately 1,100 customers.

Acrow has a high quality and versatile portfolio of assets and has identified a number of near term growth opportunities, most particularly through the investment in capital equipment to take advantage of a range of opportunities in the growing East Coast civil infrastructure market, particularly in New South Wales and Victoria where the business is still underrepresented.
