APPENDIX 1

Corporate Governance Statement

The Board of Directors of Stanmore Coal Limited is responsible for the corporate governance of the Consolidated Entity. The Board guides and monitors the business and affairs of Stanmore Coal Limited on behalf of the shareholders by whom they are elected and to whom they are accountable.

Stanmore Coal Limited's Corporate Governance Statement is structured with reference to the Australian Securities Exchange (ASX) Corporate Governance Council's (the Council) "Corporate Governance Principles and Recommendations, 3rd Edition". A copy of the Company's Corporate Governance Charter can be downloaded from the Company's website at www.stanmorecoal.com.au.

Structure of the Board and Director Independence

The skills, experience and expertise relevant to the position of Director held by each Director in office at the date of the Annual Report is included in the Director's Report. The Corporate Governance Council defines an independent Director as a Non-Executive Director who is not a member of management and who is free of any business or other relationship that could materially interfere with – or could reasonably be perceived to materially interfere with – the independent exercise of their judgement.

In the context of Director Independence, "materiality" is considered from both the Company and the individual Director perspective. The determination of materiality requires consideration of both quantitative and qualitative elements. An item is presumed to be quantitatively immaterial if it is equal to or less than 5% of the appropriate base amount. It is presumed to be material (unless there is qualitative evidence to the contrary) if it is greater than 5% of the appropriate base amount. Qualitative factors considered included whether a relationship is strategically important, the competitive landscape, the nature of the relationship and the contractual or other arrangements governing it and other factors which point to the actual ability of the Director in question to shape the direction of the Company's loyalty. Factors that may impact on a Director's independence are considered each time the Board meets.

Stanmore Coal Limited considers industry experience and specific expertise, as well as general corporate experience, to be important attributes of its Board members. The Directors noted above have been appointed to the Board of Stanmore Coal Limited due to their considerable industry and corporate experience. The Company conducts comprehensive background checks prior to the appointment of any new Director. Formal letters of appointment are in place for all Directors.

There are procedures in place, agreed by the Board, to enable Directors, in furtherance of their duties, to seek independent professional advice at the Consolidated Entity's expense. Based on the size and complexity of the Company, the Company Secretary has close working relationships with the Board of Directors and the Senior Management Group. In respect of matters relating to the proper functioning of the Board and Corporate Governance, the Company Secretary has direct access to the Chairman.

Mr Chris McAuliffe is a Non-Executive Director. The Consolidated Entity does not consider Mr McAuliffe to be an independent Director as defined in the ASX Guidelines on the basis that he is the Managing Director of Sprint Capital, the investment management group responsible for Greatgroup Investments Limited, who is a substantial shareholder (greater than 5%) in the Consolidated Entity.

Mr Patrick O'Connor is a Non-Executive Director. The Consolidated Entity does not consider Mr Patrick O'Connor to be an independent Director as defined in the ASX Guidelines on the basis that he is considered to represent 3rd Wave Investors Limited, who is a substantial shareholder (greater than 5%) in the Consolidated Entity.

Based on the above, for the purposes of the ASX Corporate Governance Principles and Recommendations, Mr Chris McAuliffe and Mr Patrick O'Connor are not considered independent Directors.

The term of office held by each Director in the office at the date of this report is as follows:

Name	Term in office
Stewart Butel	11 months
Dan Clifford	1 year 9 months
Stephen Bizzell	8 years 11 months
Chris McAuliffe	6 years 2 months
Patrick O'Connor	3 years 11 months
Neal O'Connor	11 months

ASX Principals and Recommendations

The Board is of the view that except for the departures from the ASX Corporate Governance Council Principles and Recommendations (3rd edition) as set out in the table below, it otherwise complies with all the ASX Guidelines.

ASX Principals and recommendations	“Why not” explanations
---	-------------------------------

Principal 7 – Recognise and Manage Risk

Recommendation 7.3 – A listed entity should disclose if it has an internal audit function, how the function is structured and what role it performs

The Company has not established an internal audit function as it does not believe it is of the size or complexity to justify this function. The Board undertook a baseline survey of its performance against an agreed set of performance criteria. The Board uses a personal evaluation review to review the performance of Directors. Individual Directors are asked to communicate to the Chairman on a confidential basis to comment on their own performance, and the performance of the Board and its Committees. Key executives are reviewed periodically against the business objectives and their own contractual obligations, including their personal KPIs.

Appropriate background checks are conducted on proposed new Directors and material information about a Director being re-elected is provided to security holders.

Principle 2

The Board is comprised of six Directors from a range of backgrounds with significant experience, skills and attributes. The following table demonstrates the skills and experience of the Directors across many areas that are relevant to the Company's business.

The Board is of the view that its current Directors hold an appropriate mix of skills, experience and diversity to enable the Board to discharge its responsibilities and deliver on the corporate objectives.

The Board will actively seek appropriately skilled board members to complement the existing board members where it is identified there is a requirement for additional members from time to time.

Principle 3

The Company has a published corporate code of conduct to guide executives, management and employees in carrying out their duties and responsibilities. The code of conduct covers such matters as:

The Board has received written assurances from the Managing Director and Chief Financial Officer that to the best of their knowledge and belief, the declaration provided by them in accordance with section 295A of the Corporations Act is founded on a sound system of risk management and internal control and that the system is operating effectively in all material respects in relation to financial reporting risks.

The Company's website has a dedicated investor relations section for the purpose of publishing all important company information and relevant announcements made to the market.

Principle 7

The Company's Risk Management Policy is detailed in Section B of the Corporate Governance Charter located at (www.stanmorecoal.com.au/corporate). Management has evaluated the various risks and disclosed in the Directors' Report.

In respect of the Company's financial statements and systems of accounting control, the Company's external auditor attends the Company's Annual General Meeting to address questions from shareholders. The remuneration of the Board's non-executive and executive Directors is set out in the relevant section of the Annual Report. Details of the nature and amount of each element of the remuneration of each Director of the Company and the KMP of the Company are disclosed in the relevant section of the Annual Report. There is no retirement benefit scheme for Directors other than payment of statutory superannuation.

The Company has adopted a Trading Policy that includes a prohibition on hedging, aimed at ensuring participants do not enter in to arrangements which would have the effect of limited their exposure to risk relating to an element of their remuneration.

Principle 9

- Stewart Butel (Chairman)
- Patrick O'Connor
