28 August 2018

Dear Shareholder

Declaration of dividend and adoption of Dividend Reinvestment Plan

Further to the ASX announcement on 28 August 2018 Acrow Formwork and Construction Services Limited (**ACF or Company**) is pleased to declare a maiden unfranked dividend of 0.5 cents per share for the year ended 30 June 2018 (**Dividend**). The Company is also pleased to announce the adoption by the Board of a Dividend Reinvestment Plan (DRP).

If they elect to do so, Shareholders will be able to participate in the DRP in respect of the Dividend.

2018 Dividend

- As previously announced, the record date for the Dividend will be Friday, 28 September 2018 (**Record Date**).
- The payment date for the Dividend will be Monday, 22 October 2018 (**Payment Date**).
- You may reinvest the Dividend in the Company's shares at a discount of 2.5% to the Market Value of the Company's shares. The Market Value is calculated as the arithmetic average of the daily volume weighted average sale price for a Share (rounded to four decimal places) sold through a Normal Trade on ASX on the ten trading days commencing on the second trading day following the Record Date. The Company anticipates that allotment will occur on or about 22 October 2018.

Dividend Reinvestment Plan

Shareholders with a registered address in Australia or New Zealand are eligible to participate in the DRP. Participation is voluntary and all ACF shares issued under the DRP will rank equally with existing ACF shares.

Shareholders will be able to participate in the DRP either in full or in part, at their election. The dividend entitlement on ACF shares which you have decided to not participate in the DRP will be paid by direct credit to your nominated financial institution account.

The DRP Rules are enclosed and are also available on the ACF website: www.acrow.com.au

Some of the benefits of the DRP are:

- Shares allotted in respect of the Dividend will be issued at a discount of 2.5% to the Market Value of the Company's shares.
- You can conveniently reinvest your Dividend (or future dividends) to increase your holding of shares in the Company without paying brokerage, commission or other costs.
- The new shares rank equally with existing shares from the date of issue or transfer.

Payment via direct credit

Dividend payments to ACF shareholders will be made via direct credit into a nominated financial institution account for all Australian shareholders. ACF will not be paying any dividends by cheque to any shareholders with a registered address in Australia.

Direct Crediting is a more secure and convenient way for you to receive your dividend payment. The benefits include dividends credited to your account on the payment date as cleared funds, removal of risk associated with loss, fraud and theft of cheques, and cost of savings for ACF, which benefits all shareholders. This payment methodology is consistent with the approach that other ASX-listed companies have taken.

If you are an overseas shareholder you also can provide your EFT details if you have an Australian bank account, otherwise you will be paid by an \$AUD cheque.

If you do not provide your Australian financial institution account details and you are not a full DRP participant, your dividend payment will be set aside and retained on your behalf¹ in a non-interest bearing account. To avoid your dividend payment being delayed, your instructions must be received before the dividend record date.

We encourage all shareholders to receive their dividend statement electronically and request you register your email address with our Share Registry.

Tax File Number (TFN), Australian Business Number (ABN) or Exemption Code

You are not required to quote your TFN, ABN or exemption code; however, if you choose not to provide this information we may be required to deduct withholding tax at the applicable rate of the gross unfranked portion of any dividend paid.

Shareholders can update their DRP election, Bank details and/or TFN/ABN or Exemption Code online by:

- visiting www.linkmarketservices.com.au and selecting "Investor Login";
- enter either your Portfolio or Single Holding Login details (your holder number can be found at the top of the forms accompanying this letter);
- selecting "Payments and Tax" then the appropriate drop down and then following the prompts.

Alternatively, you can complete the forms enclosed, sign and return to the Company's Share Registry.

¹ In Australia, this will be subject to the obligations in respect of unclaimed money.

Eligible Shares means Shares other than Excluded Shares.

Excluded Shares has the meaning given in clause 9.

Market Value of a Share for a Dividend means:

- (a) the amount which is the arithmetic average of the daily volume weighted average sale price for a Share (rounded to four decimal places) sold through a Normal Trade on ASX on the ten trading days commencing on the second trading day following the Record Date for that Dividend or such other commencement date or pricing period as the Directors determine and announce to ASX; or

Normal Trade means a trade in the ordinary course of trading on ASX (or such alternative or additional trading platforms as the Directors may determine from time to time) excluding any sales that the Directors determine in their absolute discretion should be excluded on the basis that they are not fairly reflective of genuine supply or demand.

- 1.2 A reference to a person includes a corporation and the singular includes the plural and vice versa.

2 THE PLAN

The Plan and these Rules will commence operation on such date as the Directors in their sole discretion determine.

3 INVITATIONS AND APPLICATIONS TO PARTICIPATE IN THE PLAN

- 3.1 The Company may from time to time invite Eligible Members to participate in the Plan.
- 3.2 Participation in the Plan is optional and not transferable.
- 3.3 An Eligible Member who wishes to participate in the Plan may only apply for participation in respect of the Eligible Shares of which the Eligible Member is the registered holder and by lodging a Notice of Dividend Election with the Company (or its share registry).
- 3.4 A Notice of Dividend Election must be properly completed in accordance with the instructions contained therein for it to be valid.
- 3.5 A Notice of Dividend Election must be lodged for each shareholding account which the Eligible Member wishes to participate in the Plan, and each shareholding account of an Eligible Member will be treated separately for all purposes under the Plan.

4 DEGREE OF PARTICIPATION

- 4.1 An Eligible Member must specify on the Notice of Dividend Election the degree to which the Eligible Member wishes to participate in the Plan in respect of the nominated shareholding account. Participation may be:
- (a) full participation for all the Eligible Shares of which the Eligible Member is the registered holder from time to time however acquired (including Shares allotted or transferred under the Plan); or
 - (b) partial participation for a specific number of Shares (being a number less than the total number of Eligible Shares of which the Eligible Member is the registered holder) nominated by the Participant together with the Shares subsequently acquired under the Plan and any bonus shares subsequently allotted in respect of Plan Shares. However, if at the Record Date for a Dividend, the number of the Eligible Shares held by the Participant is fewer than the nominated number, then the Plan will apply only to that lesser number for that Dividend.

- 4.2 Notwithstanding anything else in these Rules, the Directors may at any time with written notice to Eligible Members (or any of them) limit participation in the Plan by limiting the amount of Dividend which may be reinvested under the Plan without giving a reason.
- 4.3 Notices of Dividend Election received by the Company (or its share registry) which do not indicate the degree of participation in the Plan will, without notice to the applicant, be deemed to be an application for full participation in the Plan in respect of the nominated shareholding account, or, in the absence of a nominated shareholding account, all Eligible Shares of which the Eligible Member is the registered holder.
- 4.4 Plan Shares that are sold or otherwise transferred to a new registered holder (including successors, assigns, executors and trustees) will cease to be Plan Shares on registration of the transfer.

5 ACCEPTANCE OF APPLICATIONS

- 5.1 The Directors may in their absolute discretion accept or refuse any Notice of Dividend Election, without being bound to give any reason for doing so.
- 5.2 If the Directors refuse to accept a Notice of Dividend Election pursuant to clause 5.1, the Company must notify the Eligible Member as soon as practicable that the Notice of Dividend Election has been rejected.
- 5.3 If the Directors accept a Notice of Dividend Election pursuant to clause 5.1, the Directors will procure that an appropriate entry is made in the Register of Participants as soon as practicable after acceptance.
- 5.4 Each Notice of Dividend Election accepted by the Directors will be effective in respect of any Dividend payment after receipt of the Notice of Dividend Election, provided it is received by the Company (or its share registry) by the business day following the Record Date for that Dividend.
- 5.5 The Company (or its share registry) will record for each shareholding account of each Participant in a register (Register of Participants) particulars of:
 - (a) the name and address of the Participant; and
 - (b) the number of Plan Shares held by the Participant from time to time, and the Company's (or its share registry's) records will be conclusive evidence of the matters so recorded.

6 REINVESTMENT OF DIVIDENDS

- 6.1 Dividends on Plan Shares will be applied by the Company on the Participant's behalf in acquiring Shares. Any Dividends on Plan Shares which the Company is entitled to retain under its constitution or otherwise (including where the Company is entitled to a charge over the Shares or over any dividend payable in respect thereof) will not be available for acquiring Shares. If withholding or other tax is payable in respect of a Dividend, that tax will be deducted and only the balance will be applied in acquiring Shares.
- 6.2 The Company (or its share registry) will establish and maintain a Plan account for each shareholding account of each Participant. At the time of each Dividend payment, the Company will, in respect of each Plan account:
 - (a) determine the Dividend payable in respect of the Plan Shares as at the Record Date;
 - (b) determine (where applicable) the Australian withholding or other tax deductible by the Company or required to be remitted to the Australian Tax Office in respect of the Dividend, and any other sum the Company is entitled to retain in respect of the Plan Shares;
 - (c) credit the amount in 6.2(a) above and debit any amount in 6.2(b) above to the Participant's Plan account;

- (d) determine the maximum whole number of Shares which can be acquired under these Rules using the formula in 6.3 below;
- (e) acquire that number of Shares on behalf of and in the name of the Participant and debit the acquisition price, which is variable 'C' in the formula in 6.3 below, per Share against the amount in the Participant's Plan account;
- (f) issue and allot, or transfer (as the case may be), to the Participant that number of Shares and make an appropriate entry in the register of members of the Company; and
- (g) retain in the Participant's Plan account, without interest, any cash balance remaining after the Plan account has been debited in accordance with paragraph 6.2(e) which cash balance shall be used in the calculation for determining the maximum number of Shares to be acquired under the Plan at the time of payment of the next Dividend.

6.3 The number of Shares issued or transferred to each Participant (in respect of each shareholding account) will be the number calculated by the formula:

$$\frac{D - T + R}{C}$$

which if not a whole number will be rounded down to the nearest whole number,
where:

'D' is the Dividend payable on the Participant's Plan Shares (in the relevant shareholding account) as at the Record Date for that Dividend;

'T' is any withholding or other tax or other sum the Company is entitled to retain or required to remit to the Australian Tax Office in relation to that Dividend or the relevant Participant's Plan Shares;

'R' is the cash balance standing to the credit of the Participant's Plan account; and

'C' is the Market Value of a Share for that Dividend less such discount, if any, not exceeding 5%, as determined by the Directors from time to time.

6.4 The Market Value will be calculated by the Directors or a person nominated by the Directors, by reference to any information the Directors or the person nominated by the Directors approves for that purpose. A determination by the Directors or a person nominated by the Directors of the price binds all Participants.

6.5 In the event that:

- (a) the Participant ceases to participate in the Plan as a result of the Participant disposing of all of his or her Shares;
- (b) the Participant gives a Notice of Variation to terminate his or her participation in the Plan in accordance with clause 7.1 and then disposes of his or her Shares before the next Record Date; or
- (c) the Directors suspend or terminate the Plan in accordance with clause 8.2, and the Participant then disposes of his or her Shares before the next Record Date, and there is a positive cash balance in the Participant's Plan account, then at the time of payment of the next final Dividend:
 - (i) if the cash balance is in excess of \$10, the entire balance will be paid to the Participant in accordance with his or her Direct Credit Instructions or where there are no current Direct Credit Instructions, the entire balance will be withheld along with any withheld dividend payment until a Direct Credit Instruction is received; or

- (ii) if the cash balance is \$10 or less, the entire balance will be donated to charities nominated by the Company.

6.6 If:

- (a) the Directors suspend or terminate the Plan in accordance with clause 8.2; or
- (b) a Participant gives a Notice of Variation to terminate his or her participation in the Plan in accordance with clause 7.1,

but the Participant remains a holder of Shares at the next Record Date, any positive cash balance will be added to the next Dividend and returned to the Participant in accordance with his or her Direct Credit Instructions or where there are no current Direct Credit Instructions, the entire balance will be withheld along with any withheld dividend payment until a Direct Credit Instruction is received.

6.7 Cash balances in a Participant's Plan account are not transferrable.

6.8 Shares will not be acquired under the Plan if the acquisition would breach any provision of any applicable law, regulation or rules of a relevant securities exchange.

6.9 As soon as practicable after each acquisition of Shares under the Plan, the Company will send to each Participant, for each shareholding account for that Participant, a statement setting out:

- (a) the number of the Participant's Plan Shares on the Record Date for the relevant Dividend;
- (b) the Dividend payable in respect of that Participant's Plan Shares;
- (c) the amount of any withholding or other tax or other sum the Company has retained or remitted to the Australian Tax Office in relation to the Dividend or the Plan Shares;
- (d) the number, acquisition price and issue or transfer date of additional Shares allotted or transferred to that Participant under the Plan;
- (e) the cash balance standing to the credit of that Participant's Plan account;
- (f) the extent to which the relevant Dividend is franked for Australian income tax purposes and the franking credit attached to each relevant Dividend.

6.10 All Shares allotted under the Plan will be allotted on the terms disclosed in these Rules, will be subject to the same rights as the Shares issued to all other Shareholders who agree to receive Shares under the Plan and will, from the date of allotment, rank equally in all respects with existing Shares.

6.11 Shares to be acquired under the Plan will be issued or transferred within the time required by ASX.

6.12 The Directors in their absolute discretion will determine with respect to the operation of the Plan for any particular Dividend whether to issue new Shares or to arrange for the purchase and transfer of existing Shares to a Participant, or to apply a combination of both options, to satisfy the Company's obligations under the Plan. If the Directors determine to arrange for the purchase and transfer of Shares to a Participant, the Shares may be acquired in such manner as the Directors consider appropriate.

6.13 The Company will make application promptly after each allotment of Shares under the Plan for quotation of those Shares on ASX, if other Shares of the Company are quoted at that time.

7 VARIATION OR TERMINATION OF PARTICIPATION

7.1 A Participant may, by lodging with the Company (or its share registry) a Notice of Variation, convert full participation to partial participation (and vice versa), increase or decrease the number of its

Plan Shares specified in respect of partial participation or terminate participation in the Plan. A Notice of Variation must be lodged for each shareholding account.

- 7.2 The provisions of clause 5 apply to a Notice of Variation, reading each reference in that clause to 'Notice of Dividend Election' as a reference to 'Notice of Variation'.
- 7.3 If a Participant disposes of all of the Participant's Shares without giving the Company (or its share registry) a Notice of Variation and is not registered as a holder of any Shares when the Company's share register is next closed for payment of a Dividend, the Participant will be deemed to have terminated participation on the date when the Company last registered a transfer of the Participant's Shares.
- 7.4 When a Participant disposes of part of the holding of Shares of that Participant, and does not notify the Company (or its share registry) otherwise, the Shares disposed of will, to the extent possible, be taken to be:
 - (a) first, Shares which are not Plan Shares; and
 - (b) secondly, Plan Shares.

8 MODIFICATION, SUSPENSION, RECOMMENCEMENT AND TERMINATION OF THE PLAN

- 8.1 The Plan may be modified by the Directors at any time after giving notice of the change in accordance with clause 13. A Participant's Plan Shares continue to participate in the modified Plan unless the Company (or its share registry) is notified to the contrary by the Participant.
- 8.2 The Plan may be suspended, recommenced or terminated by the Directors at any time after giving notice of the change in accordance with clause 13.
- 8.3 Notice of suspension, recommencement or termination must be given in accordance with clause 13, and the suspension, recommencement or termination will be effective:
 - (a) on the date determined by the Directors and notified in accordance with clause 13; and
 - (b) until such time as the Directors resolve either to recommence or terminate the Plan.
- 8.4 Whilst the Plan is suspended, Dividends on Plan Shares will not be applied by the Directors on the Participant's behalf in acquiring Shares under the Plan.
- 8.5 The accidental omission to give notice of modification, suspension, recommencement or termination to any Participant or the non-receipt of any notice by any Participant will not invalidate the modification, suspension, recommencement or termination of the Plan.

9 EXCLUDED SHARES

Shares issued in accordance with, or held under, any employee share plan or other similar plan established by the Company cannot be Plan Shares (Excluded Shares), unless the relevant plan does not exclude participation in this Plan and the Board resolves to allow participation in this Plan.

10 ADMINISTRATION OF THE PLAN

This Plan will be administered by the Directors who have the power to:

- (a) determine procedures for administration of the Plan consistent with the Rules;
- (b) settle in such manner as they think expedient any difficulties, anomalies or disputes, including, without limitation, all questions of fact or interpretation of these Rules, which may arise in connection with, or by reason of, the operation of the Plan, whether generally or in relation to any Participant or any Shares and the determination of the Directors is to be conclusive and binding on all Participants and other persons to whom the determination relates; and

- (c) delegate to any one or more persons, for such period and on such conditions as they may determine, the exercise of any of their powers or discretions arising under the Plan (including the discretion to determine that a sale should be excluded from being treated as being in the ordinary course of trade on the basis that it is not fairly reflective of genuine supply or demand for the purposes of the definition of Normal Trade).

11 PARTICIPANTS TO BE BOUND

Participants are at all times bound by the Rules of the Plan as modified from time to time.

12 COSTS TO PARTICIPANTS

No brokerage, commission or other transaction costs will be payable by Participants in respect of Shares acquired under the Plan. However the Company does not assume liability for any taxes or other imposts assessed against or imposed on a Participant.

13 NOTICES

Any notice to be given to Participants or persons registered in the register of members of the Company as the holder of Shares by the Company may be given in any manner which the Directors consider appropriate including, but not limited to, by notice on the Company's website, by way of announcement to ASX or, at the Directors' discretion, may be given in accordance with the provisions regarding the giving of notices to members contained in the Company's constitution.
