About Adherium

Adherium is a provider of digital health solutions and a global leader in connected respiratory medical devices, with over 130,000 sold globally. The Company develops, manufactures and supplies patients, pharmaceutical companies, healthcare providers and contract research organizations with the broadest range of connected medical devices for respiratory medications. The devices and accompanying technology address sub-optimal medication use and strive to improve health outcomes in chronic disease. Adherium is headquartered in the USA, and operates globally from bases in the USA, Europe and Australasia. Learn more at www.adherium.com
