Philip Trueman
Company Secretary

ASX RELEASE

5 October 2018

MONADELPHOUS APPOINTED TO HUNTER WATER CORPORATION COMPLEX CAPITAL WORKS DESIGN AND CONSTRUCT PANEL

Engineering company Monadelphous Group Limited (ASX:MND) (“Monadelphous” or “the Company”) today announced that it has been appointed to the Hunter Water Corporation Complex Capital Works Design and Construct Panel, in the Hunter Region of New South Wales, for an initial term of four years (with an additional two one-year extension options). The panel is comprised of three independent contractors.

The capital works program includes the upgrade and renewal of water, waste water and recycled water systems, and is valued at approximately \$450 million in total across the four years.

Monadelphous has also secured its first contract under the program at the Dungog Water Treatment Plant. The work includes the provision of a filter to waste system, a chemical systems upgrade and replacement of existing electrical switchboards, and is expected to be completed by the end of the 2019 calendar year.

Monadelphous Managing Director, Rob Velletri, said the appointment to the panel was a testament to the Company’s proven track record in the water sector.

“Monadelphous has developed an excellent reputation for the delivery of high quality, safe and reliable services in the water infrastructure market, positioning us well for continued growth in the sector. We are looking forward to working closely with the Hunter Water Corporation and developing a strong, long term relationship.”
