### FIRST MAJOR SHIPMENT OF THURAYA WE TERMINALS DELIVERED

World Reach Limited is pleased to announce that its wholly owned subsidiary, Beam Communications Pty Ltd, has completed and dispatched the first major delivery of Thuraya WE product, with units valued at A\$2,400,000 being invoiced today.

Thuraya's first committed order for 3,000 Thuraya WE terminals will, in accordance with the Company's announcement of 26 September 2018, be shipped and invoiced within this quarter.

CEO Michael Capocchi said:

*"We are very pleased to be in a position to fulfill the entirety of this initial order. The WE product will be launched and promoted this month by Thuraya to its channel partners with new Thuraya WE specific plans. We expect the product to be well received by the market."*

Mr Shawkat Ahmed, Thuraya Chief Commercial Officer said:

*"With WE, Thuraya has achieved two goals - to develop an innovative product and gain a stronger foothold by introducing convergence to bridge the gap between the satellite and GSM worlds. Thuraya WE was born out of our awareness and commitment to stay ahead of transforming market trends. Now, we are pleased with how the final product shaped up to be and are confident that Thuraya WE will generate strong traction across a variety of market segments."*

Further updates will be provided to the market as and when the remainder of the order is delivered.
