Resolution 1 - Non-Binding Resolution to adopt Remuneration Report

To consider and, if thought fit, pass the following resolution as a **non-binding resolution**:

"That for the purposes of section 250R(2) of the Corporations Act and for all other purposes, the Remuneration Report for the year ended 30 June 2018 be adopted."

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company. Shareholders are encouraged to read the Explanatory Memorandum for further details on the consequences of voting on this Resolution 1.

Voting exclusion statement: A vote on Resolution 1 must not be cast (in any capacity) by or on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties.

However, a person described above may cast a vote on Resolution 1 if:

- (a) it is cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the proposed Resolution or the proxy is the Chairman of the Meeting and the appointment of the Chairman as proxy does not specify the way the proxy is to vote on the resolution and expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel; and
- (b) it is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or their Closely Related Parties.

Further, a Restricted Voter who is appointed as a proxy must not vote on Resolution 1 unless:

- (a) the appointment specifies the way the proxy is to vote on Resolution 1; or
- (b) the proxy is the Chairman of the Meeting and the appointment expressly authorises the Chairman to exercise the proxy even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Shareholders should note that the Chairman intends to vote any undirected proxies in favour of Resolution 1. However, in exceptional circumstances, the Chairman of the Meeting may change his voting intention on Resolution 1, in which case an ASX announcement will be made. Shareholders may also choose to direct the Chairman to vote against Resolution 1 or to abstain from voting.

If you purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above) and you may be liable for breaching the voting restrictions that apply to you under the Corporations Act.

Voting exclusion statement: The Company will disregard any votes cast in favour of Resolution 3 by or on behalf of a person who is expected to participate in the proposed issue or who will obtain a material benefit as a result of the proposed issue (except a benefit solely in the capacity of a holder of ordinary securities), if the resolution is passed, and any person who is an Associate of those persons. However, the Company need not disregard a vote if:

- (a) it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- (b) it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

How to vote

Shareholders can vote by either:

- attending the Meeting and voting in person or by attorney or, in the case of corporate Shareholders, by appointing a corporate representative to attend and vote; or
- appointing a proxy to attend and vote on their behalf using the Proxy Form accompanying this Notice and by submitting their Proxy Form online, by mobile, by post or by facsimile.

Voting in person or by attorney

Shareholders, or their attorneys, who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, if possible, so that their holding may be checked against the Company's share register and their attendance recorded. A certified copy of the Power of Attorney, or the original Power of Attorney, must be received by the Company in the same manner, and by the same time as outlined for proxy forms below.

Voting by a corporation

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. Written proof of the representative's appointment (including any authority under which it is signed) must be lodged with, or presented to the Company before the Meeting.

Voting by proxy

- A Shareholder entitled to attend and vote is entitled to appoint not more than two proxies. Each proxy will have the right to vote on a poll and to speak at the Meeting.
- The appointment of the proxy may specify the proportion or the number of votes that the proxy may exercise. Where more than one proxy is appointed and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, the votes will be divided equally among the proxies (i.e. where there are two proxies, each proxy may exercise half of the votes).
- A proxy need not be a Shareholder. The proxy can be either an individual or a body corporate.
- If a proxy is not directed how to vote on an item of business, the proxy may generally vote, or abstain from voting, as they think fit. However, where a Restricted Voter is appointed as a proxy, the proxy may only vote on Resolution 1 if the proxy is the Chairman of the Meeting and the appointment expressly authorises the Chairman to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.
- Should any resolution, other than those specified in this Notice, be proposed at the Meeting, a proxy may vote on that resolution as they think fit.

- If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy appointment will not be counted in calculating the required majority.
- A Shareholder who returns their Proxy Form with a direction how to vote, but does not nominate the identity of their proxy, will be taken to have appointed the Chairman of the Meeting as their proxy to vote on their behalf. If a Proxy Form is returned with a direction how to vote, but the nominated proxy (who is not Chairman of the Meeting) does not attend the Meeting or does not vote on the relevant Resolution(s), the Chairman of the Meeting will act in place of the nominated proxy and vote on a poll in accordance with any instructions.
- Proxy appointments in favour of the Chairman of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used, where possible, to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as a proxy under the voting exclusion rules which apply to some of the proposed Resolutions. These rules are explained in this Notice. However, in exceptional circumstances, the Chairman of the Meeting may change his voting intention, in which case an ASX announcement will be made.
- Proxies must be received by 10.00am (WST) on 27 November 2018. Proxies received after this time will be invalid.

Explanatory Memorandum

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Annual General Meeting of the Company.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Memorandum.

Financial Reports

The Board is required to lay before the Meeting the consolidated annual financial report of the Company for the financial year ended 30 June 2018, together with the Directors' report (including the Remuneration Report) and the Auditor's Report on the financial report. No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions and to make comments on the reports and on the management of the Company.

The Chairman will also give Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to: the conduct of the audit; the preparation and content of the independent audit report; the accounting policies adopted by the Company in relation to the preparation of the financial statements; and the independence of the Auditor in relation to the conduct of the audit.

The Chairman will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

A copy of the Company's 2018 Annual Report is available on the ASX website or at http://www.roxresources.com.au/investors-2/annual-reports/.

Resolution 1 - Adoption of Remuneration Report

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2018 Annual Report be adopted. The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity based compensation.

The Remuneration Report also details the Company's long term incentive (**LTI**) policy. In accordance with that LTI policy, each year the Board puts to shareholders a proposal to award options to directors. However, this year, the Board has resolved not to make such a proposal and will review the structure of its incentive programs over the next few months.

Shareholders are entitled to vote on the question as to whether the Remuneration Report is to be adopted. However, the vote on Resolution 1 is advisory only and does not bind the Directors or the Company. The Chairman will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report at the Meeting.

Under the Corporations Act, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second annual general meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second annual general meeting. All of the Directors who were in office when the applicable Directors' Report was approved, other than any Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The Remuneration Report for the financial year ended 30 June 2017 did not receive a vote of more than 25% against its adoption at the Company's 2017 annual general meeting held on 23 November 2017. Accordingly, if at least 25% of the votes cast on Resolution 1 are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution to Shareholders.

Resolution 2 - Re-election of Mr Brett Dickson as a Director

Pursuant to Clause 13.2 of the Company's Constitution, Brett Dickson, being a Director, retires by way of rotation and, being eligible, offers himself for re-election as a Director.

Mr Dickson has a successful corporate career focusing on the start-up, restructuring, management, growth and financing of emerging publicly listed exploration and mining companies. This experience ranges through a spectrum of activities; from capital and debt raisings, corporate restructuring and stock exchange listings. He has been a director of, and involved in the executive management of, a number of publicly listed resource companies with operations in Australia, Finland, the Ukraine, Laos, Papua New Guinea, South Africa, Chile and Mexico. Mr Dickson is also a Director (Finance Director) and Company Secretary of ASX listed company, Oro Verde Limited, and Chief Financial Officer and Company Secretary of Azure Minerals Limited.

Mr Dickson has a Bachelor degree in Economics and Finance and is a Fellow of the Australian Society of Certified Practising Accountants.

Mr Dickson was first appointed to the Board as a Director on 31 March 2010. The Board considers that Mr Dickson, if re-elected, will continue to be classified as a non-independent director, due to his executive position with the Company as its Company Secretary.

The members of the Board (other than Mr Dickson) support the re-election of Mr Dickson.

Resolution 3 - Approval of Additional 10% Placement Capacity

Background

In addition to a company's 15% placement capacity under Listing Rule 7.1, an "eligible entity" which has obtained Shareholder approval for the purposes of Listing Rule 7.1A via a special resolution may issue, or agree to issue, Equity Securities up to 10% of its issued share capital over a 12-month period after the annual general meeting at which the approval is sought (**Additional 10% Placement Capacity**).

An entity will be an "eligible entity" able to seek approval under Listing Rule 7.1A if:

- (a) the entity has a market capitalisation of \$300 million or less; and
- (b) the entity is not included in the S&P ASX 300 Index.

The Company has a market capitalisation of approximately \$13.8 million as at 8 October 2018 and is an eligible entity for the purposes of Listing Rule 7.1A.

Resolution 3 seeks Shareholders' approval to issue, or agree to issue, additional Equity Securities under the Additional 10% Placement Capacity. The approval of the Additional 10% Placement Capacity provides greater flexibility for the Board to issue, or agree to issue, Shares in the 12-month period following the Meeting. It is anticipated that funds raised by the issue of Equity Securities under the Additional 10% Placement Capacity would be applied towards the Company's exploration activities, the acquisition of new assets (should suitable assets be found), administration costs and general working capital.

If passed, Resolution 3 will allow the Company to issue, or agree to issue, Equity Securities under Listing Rule 7.1A during the Additional Placement Period (as defined below) without using the Company's 15% placement capacity under Listing Rule 7.1.

Listing Rule 7.1A

Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company. As at the date of this Notice, the Company has quoted Shares on issue.

As at the date of this Notice, the Company has 1,258,780,571 Shares on issue. Therefore, based on the number of Shares on issue as at the date of this Notice and subject to Shareholders approving Resolution 3, the Company may issue 125,878,057 Equity Securities in accordance with Listing Rule 7.1A. Shareholders should note that the calculation of the number of Equity Securities that may be issued under the Additional 10% Placement Capacity is a moving calculation and will be based the formula set out in Listing Rule 7.1A.2 at the time of issue, or the agreement to issue, the Equity Securities. That formula is:

- A is the number of Shares on issue 12 months before the date of issue or agreement:
 - (a) plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2;
 - (b) plus the number of partly paid Shares that became fully paid in the 12 months;
 - (c) plus the number of fully paid Shares issued in the 12 months with approval of Shareholders under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid Shares under the Company's 15% placement capacity without Shareholder approval; and
 - (d) less the number of fully paid Shares cancelled in the 12 months.

Note that 'A' is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

- **D** is 10%.
- E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue, that are not issued with the approval of Shareholders under Listing Rules 7.1 or 7.4.

Shareholders will be kept fully informed of any issue of Equity Securities under the Additional 10% Placement Capacity as the Company will disclose to the market at the time of issue the specific information required by Listing Rule 3.10.5A (such as details of dilution of existing Shareholders) in addition to information required by Listing Rule 7.1A.4, Appendix 3B and any other applicable Listing Rules. The table below demonstrates various examples as to the number of Equity Securities that may be issued under the Additional 10% Placement Capacity.

Note: The table above assumes:

- (a) No Options are exercised before the date of the issue of the Equity Securities.
- (b) The issue of Equity Securities under the Additional 10% Placement Capacity consists only of Shares.
- (c) The table does not show an example of dilution that may be caused to a particular Shareholder due to placements under the Additional 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

Specific information required by Listing Rule 7.3A

The following information in relation to the Shares proposed to be issued is provided to Shareholders for the purposes of Listing Rule 7.3A:

The Equity Securities will be issued at an issue price of not less than 75% of the volume weighted average price for the Company's Equity Securities over the 15 Trading Days on which trades in the class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed; or (b) if the Equity Securities are not issued within five Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued. Potential risk of economic and voting dilution If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Capacity, Shareholders who do not participate (either because they are not invited to participate or because they elect not to participate) in any such issue, will have their existing interest and voting power in the Company diluted. There is also a risk that: (a) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities and the Equity Securities on the Equity Securities on the issue date or the Equity Securities or the Equity Securities on the issue date or the Equity Securities or the Equity Securities on the issue of the Equity Securities on the issue of the Equity Securities under the Additional 10% Placement Capacity.
