### iCollege in China – completion of company incorporation

#### Key points:

- iCollege has completed the process of incorporation of a company in the People's Republic of China – iCollege (China); and
- iCollege (China) is to be the vehicle through which iCollege conducts its operations in China.

#### Establishment of iCollege (China)

The board of iCollege is pleased to provide an update to its announcement dated 30 July 2018.

iCollege has received notice that the registration process of iCollege (China) has been completed and a certificate of incorporation issued.

iCollege (China) will now commence the process of obtaining all necessary approvals to enable it to conduct its business within the People's Republic of China, including:

- the delivery of English training and testing centres within China;
- partnering with Chinese education, training and corporate groups; and
- facilitation of student and training visa process, designed to enable Chinese students and employees to undertake study and structured workplace-based occupational training in Australia.
- iCollege (China) is now undertaking the process of registering two wholly owned subsidiaries being iStudy Australia (China) – student recruitment and iStudy English – focussed of the delivery of English Language training and assessment. We will notify the market when these incorporations are finalised.

**Ends –**
