About Identitii

Identitii Limited (ASX:ID8) enables financial institutions and corporates to securely verify and share transaction level detail between counterparties. Its flagship platform uses blockchain technology to create an unalterable audit trail of activity simplifying KYC and financial crime compliance, payments, cash management, document management and standards adoption for financial institutions and corporates, and their counterparties. Founded in 2014, Identitii is a publicly traded company, having undertaken an IPO on the ASX in September 2018, raising \$11 million. Identitii is headquartered in Sydney, Australia.
