

Data#3 expects to report strong 1H earnings growth

Estimated first half pre-tax profit range of \$8.5M to \$9.0M, up from \$4.0M in the PCP

BRISBANE, Wednesday 16 January 2019: Australian business technology solutions leader Data#3 Limited (ASX: DTL) has advised that the consolidated net profit before tax (NPBT) for the first half of the 2019 financial year is expected to be ahead of the guidance provided at the AGM in November 2018.

Subject to finalizing the interim accounts and the audit, the first half NPBT is likely to be in the \$8.5 to \$9.0 million range, compared to the previous guidance of \$7.0 to \$8.5 million.

The board intends to announce the audited interim results and interim dividend on 20 February 2019.
