**About Johns Lyng Group Limited**

Johns Lyng Group Limited (JLG) is an integrated building services group delivering building and restoration services across Australia. JLG's core business is built on its ability to rebuild and restore a variety of properties and contents after damage by insured events (e.g. impact, weather and fire events). Beginning in 1953, JLG has grown into a national business with over 550 employees servicing a diversified client base comprising major insurance companies, commercial enterprises, local and state governments and retail customers. JLG defines itself by delivering exceptional customer service outcomes every time.
