Correction to NTA cover letter: weighted-average share buyback price

Blue Sky Alternatives Access Fund Limited (ASX: BAF) notes a correction to January's weighted-average share buyback price as disclosed in the cover letter to the monthly Net Tangible Assets report announced earlier today. BAF acquired 335,459 shares at a weighted-average price of \$0.8392 representing a 26% discount to January's pre-tax NTA.
