

Viva Energy REIT

Security Purchase Plan Booklet

Tuesday, 5 March 2019

Dear Securityholder,

Letter from Chair

Viva Energy REIT (**VVR**) is pleased to offer eligible securityholders an opportunity to participate in the Security Purchase Plan (**SPP**).

On 21 February 2019, VVR launched a fully underwritten placement of new ordinary stapled securities in VVR (**New Securities**) to raise approximately \$100 million (**Institutional Placement**) and announced the SPP.

The SPP allows each eligible securityholder in Australia and New Zealand to apply for up to \$15,000 worth of New Securities, comprising shares in Viva Energy REIT Limited (ACN 612 986 517) stapled with units in the Viva Energy REIT Trust (ARSN 613 146 464), (subject to scale-back at VVR's absolute discretion) without brokerage or transaction costs.

The SPP provides eligible securityholders the opportunity to increase their VVR holding at a price of \$2.32 per New Security (**SPP Price**), being the same price paid by institutional investors in the Institutional Placement. The SPP Price represents a discount of 3.5% to the five day volume weighted average price of VVR stapled securities (**Securities**) traded on the Australian Securities Exchange (**ASX**) over the five consecutive trading days ending on 20 February 2019, being the trading day immediately preceding the date the SPP was announced. New Securities issued under the SPP will rank equally with existing Securities from issue. New Securities issued under the SPP will be entitled to any distribution for the six months ending 30 June 2019.

VVR raised approximately \$100 million under the Institutional Placement, and these proceeds will be used to partly finance 8 acquisitions totalling approximately \$47 million¹ completed in 2H FY2018 (in addition to the \$8 million in committed expenditure) and to provide headroom for future growth (**Purpose**).

The SPP will be capped at \$10 million and is not underwritten. Any proceeds raised under the SPP will be used for the Purpose outlined above. Participation in the SPP is optional and is open to eligible securityholders with a registered address in Australia or New Zealand who were holders of Securities at 7.00pm (AEDT) on 20 February 2019 (**Record Date**).

Certain eligible securityholders who are custodians holding Securities on behalf of certain beneficiaries are also invited to participate in the SPP on the terms and conditions set out in this Booklet.

Important information regarding potential scale-back in the SPP

- If the total value of applications for New Securities under the SPP exceeds \$10 million, VVR reserves the right to scale back the maximum number of New Securities issued to each eligible securityholder at its absolute discretion (**Scale-back**).
- In the event of a Scale-back, you may be allocated New Securities to a value that is significantly less than the parcel you applied for and the difference will be refunded to you without any

¹ Pre transaction costs. Excludes \$8.0 million of committed expenditures (pre transaction costs) in 1H FY2019 in relation to fixed-price development fund-through agreements. Refer to the presentation lodged with the ASX on 21 February 2019 for further information.

The securities referred to in this Booklet have not and will not be registered under the U.S. Securities Act of 1933 and may not be offered or sold in the United States or to or for the account or benefit of U.S. persons (as defined in Regulation S under the U.S. Securities Act), in the absence of registration or an available exemption from registration. This Booklet contains further information about the SPP.

The Board recommends you read this Booklet carefully and in its entirety before deciding whether to participate in the SPP. In particular, you should note that the future market price of Securities is uncertain and may rise or fall. This means that the price you pay for New Securities may be either higher or lower than the price at which Securities are trading on the ASX at the time the New Securities are issued to you under the SPP. For further information, see clause 5 in the 'SPP Terms and Conditions' section of this Booklet.

For further information about the SPP or how to apply, please call the VVR SPP Information Line on 1800 677 648 (within Australia) or +61 1800 677 648 (from outside Australia) between 8.30am to 5.30pm (AEDT time) on Monday to Friday.

On behalf of the Board, I thank you for your continued support of VVR.

Yours faithfully,

Important Notice

This Booklet has been prepared by Viva Energy REIT (**VVR**) which is a stapled entity comprising shares in Viva Energy REIT Limited (ACN 612 986 517) stapled together with units in the Viva Energy REIT Trust (ARSN 613 146 464).

If you apply to participate in the SPP, you should be aware, and accept the risk, that the market price of Securities may change between the date of the SPP offer and the date when New Securities are issued to you under the SPP. As such, it is possible that, up to or after the date you receive New Securities under the SPP, you may be able to buy Securities on the ASX at a lower price than under the SPP. We encourage you to seek your own professional advice regarding your participation in the SPP.

Nothing in this Booklet or the application form (**Application Form**) or any other document accompanying this Booklet constitutes investment or financial product advice (nor taxation, accounting or legal advice) and is not a recommendation to acquire New Securities under the SPP or otherwise. The information in this Booklet has been prepared without taking account of any person's investment objectives, financial situation or particular needs. You must rely on your own knowledge and assessment of VVR, previous disclosures made by VVR to the ASX (including disclosure regarding the risks of making an investment in VVR). If you are in any doubt about the course of action you should follow, you should consult your financial, taxation or other professional adviser before participating in the SPP.

This Booklet does not purport to include or summarise all information that an investor should consider when making an investment decision, nor does it contain all information which would be required in a PDS or other disclosure document prepared in accordance with the Corporations Act. This Booklet should be read in conjunction with VVR's periodic and continuous disclosure announcements lodged with the ASX which are available at www.asx.com.au.

1 Offer

- 1.1 Subject to the terms and conditions set out in this Booklet, Eligible Securityholders (as defined in clause 2 below) may apply to subscribe up to \$15,000 worth of New Securities at the SPP Price of \$2.32 per New Security, free of brokerage or transaction costs. You cannot apply for more than \$15,000 worth of New Securities, even if you receive more than one Application Form. Further information in relation to how to subscribe for New Securities under the SPP is set out in clause 9.
- 1.2 Participation in the SPP is optional. The offer is non-renounceable and non-transferable and, therefore, Eligible Securityholders cannot transfer their right to purchase New Securities to a third party. If you choose not to participate in the SPP, your right to apply to participate will end at 5.00pm (AEDT) on Tuesday, 19 March 2019.
- 1.3 The offer to each Eligible Securityholder (whether as a Custodian or on its own account) is made on the same terms and conditions (see clause 4 for further information).
- 1.4 All references to \$ or dollars in this Booklet are references to Australian dollars unless otherwise indicated.

2 Eligible Securityholders

- 2.1 Subject to clauses 2.3, 2.4 and 3, all persons registered as holders of Securities at 7.00pm (AEDT) on 20 February 2019 (the **Record Date**), whose address in the securityholder register of VVR is in Australia or New Zealand, may participate in the SPP (**Eligible Securityholders**).
- 2.2 VVR has determined that, in its reasonable opinion, it is not practical for VVR securityholders (**Securityholders**) with a registered address in other jurisdictions to participate in the SPP. The offer under this SPP is made to

Eligible Securityholders only (see clause 15 for further information).

- 2.3 Eligible Securityholders who hold Securities as a "custodian" (as defined in ASIC Class Order 09/425) (**Custodian**) may participate in the SPP on behalf of one or more persons for whom the Custodian holds Securities (**Custodian Beneficiaries**), provided the conditions set out in clause 4 are met.
- 2.4 Securityholders who hold Securities on behalf of persons who reside outside Australia or New Zealand including those who are "US persons" (as defined in Regulation S under the US Securities Act of 1933, as amended (**US Securities Act**)) (**US Persons**) or who act for the account or benefit of a US Person are not entitled to participate in the SPP.

3 Joint holders and multiple registered holdings

- 3.1 If you are a joint holder of Securities, you are taken to be a single registered holder of Securities for the purposes of determining whether you are an Eligible Securityholder and joint holders are entitled to participate in the SPP in respect of that single holding only. The certification under clause 11 by one joint holder will be effective in respect of the other joint Securityholder.
- 3.2 If you receive more than one offer under the SPP due to multiple registered holdings, you may apply for New Securities by way of different Application Forms, but you may only apply for New Securities up to a maximum value of \$15,000 in aggregate.

4 Custodians

- 4.1 If you are a Custodian and hold Securities on behalf of one or more persons or a downstream Custodian (each a **Participating Beneficiary**), you

Before you apply for New Securities under the SPP, you should consider obtaining professional financial and/or taxation advice to assist you in determining whether or not, and the extent to which, you wish to participate in the SPP (taking into account your own financial situation, needs and objectives). VVR and its officers make no recommendation about whether or not you should apply for New Securities under the SPP, and nothing in this Booklet, the Application Form or any other accompanying documentation constitutes investment or financial product advice or is intended to influence your decision whether or not to participate in the SPP.

The securities referred to in this Booklet have not and will not be registered under the U.S. Securities Act and may not be offered or sold in the United States or to or for the account or benefit of U.S. persons (as defined in Regulation S under the U.S. Securities Act), in the absence of registration or an available exemption from registration. This document has been prepared for publication in Australia and New Zealand only and may not be released elsewhere.

may subscribe for a maximum of \$15,000 in applying for New Securities for each Participating Beneficiary, subject to providing VVR (via its registry, Link Market Services Limited) with a notice in writing that you certify to VVR the matters required by ASIC Class Order CO 09/425, condition 9 (**Custodian Certificate**). Custodians must also certify that each Participating Beneficiary has a registered address in Australia or New Zealand. Please contact Link Market Services Limited (details below) for a copy of the Custodian Certificate which is required to be attached to the Application Form and lodged with Link Market Services Limited with the applicable payment.

- 4.2 If you hold Securities as a trustee or nominee for another person, but are not a Custodian, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings apply (in clause 3 above) and you may only contribute a maximum of \$15,000 in applying for New Securities. You are not eligible to participate on behalf of a person who resides outside Australia or New Zealand.
- 4.3 For further information about the custodian application process, a Custodian should contact the VVR SPP Information Line on 1800 677 648 or +61 1800 677 648 if calling from outside Australia (8:30am to 5:30pm (Sydney time) on Monday to Friday).
- 4.4 Applications received from Custodians will not be accepted if they are not accompanied by a duly completed and signed Custodian Certificate.

5 Issue price of New Securities under the SPP

- 5.1 The issue price under the SPP will be \$2.32 per New Security (**SPP Price**),

being the same price paid by institutional investors in the Institutional Placement.

- 5.2 The SPP Price represents a discount of 3.5% to the daily volume weighted average price of Securities sold on the ASX over the five consecutive trading days ending on 20 February 2019, being the trading day immediately preceding the date the SPP was announced. The current Security price can be obtained from the ASX website at www.asx.com.au.
- 5.3 If you apply for New Securities under the terms set out in this Booklet, you agree to pay the SPP Price per New Security for the number of New Securities for which you have applied or, if there is a Scale-back, the number of New Securities calculated under clause 10.
- 5.4 Subscription for New Securities under the SPP is a speculative investment and the market price of the Securities may change between the date of this Booklet, the date you apply for New Securities and the date that New Securities are issued to you. Therefore, the SPP Price of New Securities may be more than or less than the market price of Securities at the time of allotment. The value of your investment in New Securities may therefore rise or fall. There is no certainty that Securities will trade at or above the SPP Price following the issue of New Securities under the SPP.
- 5.5 You acknowledge the risk that the market price of Securities may rise or fall between the date of this Booklet and the date on which the New Securities are issued to you under the SPP.

6 The New Securities

- 6.1 New Securities will be issued on the Issue Date.
- 6.2 New Securities issued under the SPP will rank equally in all respects with existing Securities quoted on the ASX

Before you apply for New Securities under the SPP, you should consider obtaining professional financial and/or taxation advice to assist you in determining whether or not, and the extent to which, you wish to participate in the SPP (taking into account your own financial situation, needs and objectives). VVR and its officers make no recommendation about whether or not you should apply for New Securities under the SPP, and nothing in this Booklet, the Application Form or any other accompanying documentation constitutes investment or financial product advice or is intended to influence your decision whether or not to participate in the SPP.

The securities referred to in this Booklet have not and will not be registered under the U.S. Securities Act and may not be offered or sold in the United States or to or for the account or benefit of U.S. persons (as defined in Regulation S under the U.S. Securities Act), in the absence of registration or an available exemption from registration. - 9.2 If you apply for New Securities under the SPP, you will apply for a certain number and a certain value of New Securities.

- 9.3 Eligible Securityholders who receive more than one offer under the SPP (for example, because they hold Securities in more than one capacity or in different registered holdings) may apply on different Application Forms for New Securities but may not apply for New Securities with an aggregate value of more than \$15,000.

- 9.4 VVR may either accept or reject your application for New Securities at its absolute discretion. VVR may reject your application in the following circumstances (among others):

- (a) your Application Form is incorrectly completed, incomplete, does not comply with the SPP Terms and Conditions set out in this Booklet or is otherwise determined by VVR to be invalid;
- (b) your cheque is dishonoured or has been incorrectly completed;
- (c) the cheque, bank draft or money order that you enclose with your Application Form is not made out for the amount

 - (f) VVR believes that you and one or more other registered holders of the same or similar name or address are applying to buy more than an aggregate of \$15,000 of New Securities;

- 10.2 If a Scale-back occurs, you may receive less than the parcel of New Securities for which you have applied. If a Scale-back produces a fractional number of Securities when applied to your issue of New Securities, the number of New Securities you will be allocated will be rounded down to the nearest whole number of New Securities.
- 10.3 If there is a Scale-back, your application monies may be greater than the value of the New Securities you will be issued. In such event, the excess application monies will be refunded to you without interest, by direct credit (to your nominated account as recorded on VVR's Securities register) as soon as practical following allotment (unless the amount is less than \$2.00, in which case it will be donated to a charity or charities nominated by VVR).
- 10.4 When deciding on the amount to apply for, please consider the impact of the potential Scale-back as it may impact the number of New Securities you receive. Your allocation may be scaled back and you will receive a refund for the balance of your application without interest (unless the amount is less than \$2.00, in which case it will be donated to a charity or charities nominated by VVR).

Before you apply for New Securities under the SPP, you should consider obtaining professional financial and/or taxation advice to assist you in determining whether or not, and the extent to which, you wish to participate in the SPP (taking into account your own financial situation, needs and objectives).
