12 March 2019

IPH submits proposal to acquire Xenith IP

IPH Limited (**IPH**) announces it has submitted a proposal to acquire Xenith IP Group Limited (**Xenith**) for a combination of cash and IPH shares valued at \$1.97 per Xenith share¹ (**IPH Proposal**).

The proposal represents a binding offer to effect the acquisition by way of a scheme of arrangement, that is capable of acceptance and attaches a scheme implementation deed on substantially similar terms to the proposed merger (**QANTM Merger**) between Xenith and QANTM Intellectual Property Limited (**QANTM**).

IPH believes the IPH Proposal provides compelling benefits for Xenith's shareholders, its leading IP attorneys and other stakeholders, and is superior to the QANTM Merger proposal. To ensure shareholders are fully informed, a copy of the IPH Proposal is attached.

"We believe our proposal to Xenith provides a great opportunity to bring together two high quality IP businesses and to draw on the strengths, skills and advantages of each member firm to realise opportunities for our people, our clients and our shareholders," said Dr Andrew Blattman, Managing Director & CEO, IPH Limited.

Key highlights of the proposal include:

- Under the IPH Proposal Xenith shareholders will receive \$1.28 cash and 0.1056 IPH shares for every Xenith share, representing a total value of \$1.97 per Xenith share based on IPH's closing price on 11 March 2019, which is 23.3% in excess of the implied QANTM Merger consideration²
- The IPH Proposal provides significantly greater certainty of value than the QANTM Merger by means of the substantial cash component
- The equity component of the IPH Proposal enables Xenith shareholders to participate in the growth, development and potential upside for the combined group and as part of an ASX 200 company provides significantly enhanced liquidity relative to the QANTM Merger
- The IPH Proposal is subject to minimal conditions which are similar in substance to those of the QANTM Merger, including no objection from the ACCC

¹ Based on the IPH closing price as at 11 March 2019

² The implied Xenith price under the QIP Merger of \$1.598 on the QIP Merger's announcement on 27 November 2018, based on 1.22 QANTM shares per Xenith share and the closing price of QANTM shares on 26 November 2018.

- The IPH Proposal provides Xenith shareholders, staff and other stakeholders the opportunity to participate in a combined group that is a leading IP provider in secondary markets across the Asia Pacific. The proposal will also help to accelerate Xenith's Asian growth objectives and access to career opportunities for their people, by leveraging IPH's existing platform in the region including more than 20 years' experience and substantial established presence in Singapore and South East Asia, and its growing businesses in Greater China and other countries in the region
- IPH and Xenith are complementary in terms of their member firms' key service offerings as full-service patent and trade mark attorney and IP lawyers, the heritage of those firms' and their client focused cultures. Together IPH and Xenith can focus on innovation, growth opportunities and evolving to meet challenges to be faced in the future
- IPH has a successful track record of seven acquisitions since its ASX listing, with a culture of engaging and empowering our people evidenced by a high rate of retention of ex-vendor Principals. The combined group will have significant capital strength for future growth opportunities

The proposed transaction is consistent with IPH's strategy of pursuing domestic transactions with strong strategic and financial merit and will be immediately accretive to the earnings of IPH.

IPH reiterates that it intends to vote against the merger of Xenith and QANTM at the upcoming scheme meeting, should it proceed.

IPH looks forward to Xenith's response to the IPH Proposal and will update the market accordingly.

Dear Ms Krieger and Mr Dower,

BINDING OFFER TO ACQUIRE XENITH IP GROUP LIMITED

IPH Limited (**IPH**) is pleased to submit this binding offer to acquire Xenith IP Group Limited (**Xenith**) for cash and scrip consideration with an equivalent value of \$1.97 per Xenith share¹ on the terms and conditions set out in the attached scheme implementation deed (**IPH Scheme Implementation Deed**) as summarised in this letter (**IPH Proposal**). The IPH Proposal provides for Xenith shareholders a superior outcome to the current Xenith scheme of arrangement (the **QIP Merger**) proposed with QANTM Intellectual Property Group Limited (**QANTM**).

We consider it is important to be able to provide Xenith shareholders with an alternative to the current QIP Merger proposal and we are keen to engage with the Xenith Board in order to best allow Xenith shareholders to make an election regarding their investment in Xenith understanding there is an alternative proposal.

1. KEY POINTS OF THE IPH PROPOSAL

- Under the IPH Proposal, Xenith shareholders will receive for each Xenith share:
 - \$1.28 cash; and
 - 0.1056 IPH shares.

The IPH Proposal represents a total value of \$1.97 per Xenith share based on IPH's closing price on 11 March 2019, a premium of 23.3% relative to the implied QIP Merger consideration of \$1.598² and a 58.2% premium to the undisturbed Xenith share price on 26 November 2018 (the trading day prior to the announcement of the QIP Merger). The IPH proposal provides significant certainty of value by means of the immediate cash component.

- The IPH Proposal provides Xenith shareholders, staff and other stakeholders the opportunity to participate in a combined group that is realising the vision of becoming a leading IP provider throughout secondary markets in the Asia Pacific, drawing on the strengths and advantages of each of its member firms and the skills, connections and

¹ Based on the IPH closing share price as at 11 March 2019

² The implied Xenith price under the QIP Merger of \$1.598 on the QIP Merger's announcement on 27 November 2018, based on 1.22 QANTM shares per Xenith share and the closing price of QANTM shares on 26 November 2018.

experience of their leading IP attorneys.

- IPH is prepared and able to move quickly to finalise a transaction with Xenith and has structured the IPH Proposal to provide sufficient certainty of completion to enable the participation of Xenith on a timeline acceptable to Xenith.
- The IPH Proposal is subject to minimal conditions, including no objection by the ACCC, which are similar in substance to those of the QIP Merger proposal. To facilitate consideration of the IPH Proposal by Xenith, the IPH Scheme Implementation Deed has been drafted using as a base the scheme implementation deed for the QIP Merger (which has previously been accepted by Xenith), and an additional 'marked-up' copy of the IPH Scheme Implementation Deed is attached identifying the minimal differences between it and the QIP Merger scheme implementation deed.³
- The equity component of the IPH Proposal enables Xenith shareholders to participate in the growth, development and potential upside for the combined group and provides significantly enhanced liquidity relative to the QIP Merger.

2. DETAILS OF THE IPH PROPOSAL

2.1 Vision for the combined group

IPH has developed and grown its businesses in the Australian, New Zealand and Asia Pacific markets to position itself as a leading IP provider to secondary markets, consistent with Xenith's stated strategic priorities.

IPH seeks to provide Xenith shareholders, staff and other stakeholders the opportunity to participate in and contribute to this vision as a combined group. The IPH Proposal will enable the combined group to build upon further and leverage its existing successful position and geographic reach. The combined group will draw on the strengths and advantages of each of the group's member firms and the skills, connections and experience of our highly regarded and experienced IP attorneys.

2.2 Strategic fit

IPH and Xenith are complementary in terms of their member firms' key service offerings as full-service patent and trade mark attorney and IP lawyers, the heritage of those firms' and their client focussed cultures. Together IPH and Xenith can focus on innovation, growth opportunities and evolving to meet challenges to be faced in the future.

The participation of Xenith in the IPH Group will enable the combined group to broaden its Australian domestic base, presence and service offerings, provide the opportunity to accelerate growth in the Asia Pacific, leverage its geographic spread and facilitate its attorneys in best servicing their clients throughout the entire region.

Both Xenith and IPH have recognised that the IP industry will continue to require innovation in technology, professional development and education, service delivery and service offerings.

³ The base document was obtained by converting a PDF version of the QIP Merger scheme implementation deed included in Xenith's ASX announcement of 27 February 2018 into Word. Accordingly, although it is believed to be the same as the document entered into by XIP and QIP, we cannot guarantee this or the integrity of the mark-up. We suggest that Xenith produce its own comparison using its source document to review. We would be happy to provide, at your request, Word versions to facilitate this.

Together a combined group will also be best positioned to exploit future corporate opportunities and respond to changing market, regulatory, client and employee needs.

As a part of the IPH Group we see the opportunity to create a leading Australian business in the Asia Pacific by enhancing and leveraging the businesses and service offerings of Xenith across the Group and region, and by utilising the benefits of scale in corporate, back office and innovation.

We would be pleased to arrange meetings with the professional staff of Xenith's businesses to outline IPH's vision for the combined group and benefits for employees and shareholders.

2.3 Compelling value for Xenith shareholders

The IPH Proposal values Xenith shares at a significant premium to the recent trading price of Xenith shares and the QIP Merger consideration.

The IPH Proposal represents a value of \$1.97 per share⁴ which is 23.3% in excess of the implied QIP Merger consideration of \$1.598⁵. This value represents a:

- 30.0% premium to the mid-point of the Xenith valuation of \$1.515 determined by the Independent Expert Report⁶;
- 58.2% premium to the Xenith closing price of \$1.245 on 26 November 2018, being the trading day prior to the announcement of the QIP Merger;
- 56.7% to the Xenith twelve-month volume weighted average share price of \$1.257 to 26 November 2018; and
- 22.7% premium to the last Xenith closing price of \$1.61 prior to the date of this IPH Proposal.

2.4 Certainty of value and improved liquidity for Xenith shareholders

The IPH Proposal comprises significant cash consideration (\$1.28 per Xenith share or 65% of total consideration) providing certainty of value for XIP shareholders compared to the scrip only consideration of the QIP Merger and the uncertainty in the value of the QIP Merger created by the extended timeframe for realising the estimated cost synergies and savings.

The IPH Proposal allows for sharing in the financial benefits through ownership of IPH shares and participation in a combined group with market capitalisation in excess of \$1.3 billion. The IPH shares will provide enhanced stock liquidity, and inclusion in the ASX 200 index.

2.5 Opportunities for Xenith's IP Practices and Attorneys

The IPH Group operates a true multi-national business with significant contributions at the management and professional level from its leading attorneys in Australia, New Zealand, Singapore, Hong Kong, China and other Asian offices. These contributions provide access to a deeper and broader scope of experience and skills, and supports the evolution of our service offerings.

⁴ Based on the IPH closing share price as at 11 March 2019

⁵ The implied Xenith price under the QIP Merger of \$1.598 on the QIP Merger's announcement on 27 November 2018, based on 1.22 QANTM shares per Xenith share and the closing price of QANTM shares on 26 November 2018

⁶ Mid-point of the valuation range of \$1.40 to \$1.63 of a minority interest in Xenith

Each business within the IPH Group has its own distinct culture aligned to the Group's vision. The strengths and advantages of the individual member firms has greatly contributed to the success of the overall group. IPH is proud of its client and performance focused culture across its patent, trade mark and IP law businesses. We look forward to welcoming Xenith's IP attorneys who will further contribute to and enhance our overall group pursuing the common purpose of servicing our clients.

The IPH Group has an established and substantial Asian geographic platform in which it has invested for over 20 years. This leading IP platform offers Xenith's IP practices, their attorneys and clients the ability to expand and leverage the IPH Group's strengths across the region, including by providing significant and immediate opportunities in Asia, as has been demonstrated with our existing businesses.

The IPH Proposal will also provide the opportunity for eligible employees to align their interests and be rewarded on a range of measures relevant to them by participation in the IPH Group employee incentive plan. This plan has now been offered to or rolled out across all IPH attorney businesses in the Group providing significant potential financial benefits for eligible staff in the form of both immediate cash payments and IPH shares (without reduction in base pay). Approximately 138 staff are participating in the FY2019 staff incentive plan.

The IPH Proposal also provides significant promotion and development opportunities. IPH has promoted 28 Principals in the period since listing, has a high rate of retention of ex-vendor Principals in acquisitions, a low level of staff turnover and has continued to attract lateral appointments at both the Principal and professional staff levels.

2.6 Track record of performance and shareholder returns⁷

The IPH Proposal enables Xenith shareholders to participate in the potential upside for the combined group. IPH has delivered shareholders significant returns since IPO including for ex-vendors in its subsequent acquisitions and is committed to being accountable to capital markets.

IPH has a strong track record of successfully completing acquisitions. Since listing it has acquired Fisher Adams Kelly in May 2015, Pizzeyes in September 2015, Callinans in November 2015, Cullens in June 2016, Ella Cheong (Hong Kong) in October 2016 and AJ Park in October 2017.

⁷ Source: CapitalIQ as at 11 March 2019. Pricing has been rebased to movements from the IPO price (past performance is not an indication of future performance).

2.7 Transaction implementation

The IPH Board has approved the provision of this binding offer and the attached Scheme Implementation Deed. We seek a recommendation from the Xenith Board in support of the proposal.

IPH's preference is to effect the proposal by way of a scheme of arrangement by Xenith as outlined in the enclosed IPH Scheme Implementation Deed, however we would be prepared to consider alternative structures. We consider it is important to be able to provide Xenith shareholders with an alternative to the current QIP Merger proposal and we are keen to engage with the Xenith Board in order to best allow Xenith shareholders to make an election regarding their investment in Xenith understanding there is an alternative proposal.

2.8 Due diligence

IPH has undertaken the necessary work to assess Xenith based on publicly available information. However, should Xenith consider confirmatory due diligence on IPH is necessary we would be happy to facilitate a brief period of mutual due diligence.

2.9 Conditions

Completion of the transaction would be subject to the conditions precedent included in the enclosed IPH Scheme Implementation Deed, including:

- termination of the QIP Merger;
- no objection by the ACCC; and
- other conditions precedent usual for a scheme of arrangement including no regulatory intervention, Xenith shareholder approval and other customary conditions.

With the exception of the termination of the QIP Merger, these conditions precedent are similar in substance to the conditions included in the QIP Merger scheme implementation deed, as can be seen from the 'marked-up' copy enclosed.

In relation to the termination of the QIP Merger, we understand from previous discussions and correspondence with both QANTM and Xenith and public statements made by them that Xenith is able to terminate the scheme implementation deed for the QIP Merger in order to pursue a competing transaction which is considered superior by the Xenith board, and in such cases Xenith's only liability to QANTM would be the payment of a \$1.6 million break fee. Consistent with this, the IPH Proposal is subject to a condition that the QIP Merger scheme implementation deed is validly terminated.

In relation to ACCC, at IPH's request the ACCC commenced a public review of a potential combination of Xenith and IPH on 22 February 2019, following a submission made to the ACCC by IPH in December 2018. Accordingly, the IPH Proposal is subject to the same informal clearance review process as that requested for the QIP Merger proposal. It is IPH's expectation that the ACCC's assessment will involve consideration of the same or very similar issues as the QIP Merger. We would be happy to discuss this aspect with you and your advisers.

2.10 Sources of finance

The proposal would be funded from IPH's existing debt facilities and issuance of IPH shares.

3. A COMPELLING OPPORTUNITY

We believe that a combination of IPH and Xenith represents a compelling proposition including benefits for each company's:

- shareholders through the potential for enhanced earnings and a significant premium;
- staff in the form of growth opportunities, incentive payments and career progression; and
- customers in an enhanced offering of services, including across the Asia Pacific region to assist them to protect their valuable intellectual property assets and grow through innovation.

As you are aware the terms of the QIP Merger have prevented IPH engaging in a dialogue with Xenith prior to submitting this proposal. We would welcome the opportunity to discuss our proposal further at your earliest convenience. We have attached a summary presentation outlining the IPH Proposal.

We consider this offer to be market sensitive and therefore intend to release it to the ASX.

Yours sincerely

 - (iii) provide all assistance and information reasonably requested by the other party in connection with any application or material communication to be made by that other party to a Regulatory Authority in relation to a Regulatory Approval;

 - (v) promptly provide to the other party all material communications with Regulatory Authorities in relation to Regulatory Approvals;
 - (vi) promptly notify the other if it becomes aware that any condition precedent has been satisfied; and

- (h) Without in any way limiting the obligations of the parties under this clause, in relation to the ACCC Approval referred to in clause 3.1(a) and subject to clause 3.2(i):
- (i) both parties will dedicate the resources necessary to secure ACCC approval (acting reasonably) and work co-operatively and together to secure that approval;
 - (ii) IPH must promptly apply for ACCC approval, and promptly respond to requests for information from the ACCC in relation to the ACCC Approval;
 - (iii) XIP must provide IPH with all information reasonably requested in connection with the application for ACCC Approval, any information request from the ACCC and any material communication with the ACCC in relation to ACCC approval; and
 - (iv) each party will:
 - (A) allow the other party and its representatives a reasonable opportunity to review and comment on the content of any application and related material correspondence with the ACCC in relation to the ACCC Approval made after the date of this deed;
 - (B) invite and allow the other party and its representatives the opportunity to be present at any meetings with the ACCC (whether held in person, by telephone or any other audio or visual link) in relation to the ACCC Approval held after the date of this deed;
 - (C) promptly provide the other party and its representatives with an accurate summary of any oral communication with the ACCC after the date of this deed in relation to the ACCC Approval to which a representative of that other party is, for any reason, not present; and
 - (D) promptly provide the other party with a copy of any communications or requests from the ACCC after the date of this deed in relation to the ACCC Approval.
- (i) Before providing any document or other information to the other party (in this clause 3.2(i), the Recipient) pursuant to clause 3.2(h), a party (in this clause 3.2(i), the **Discloser**) may redact any part of that document, or not disclose any part of that information, which contains or is confidential, non-public information (**Sensitive Confidential Information**) if the Discloser reasonably believes that:

- (i) the Sensitive Confidential Information is of a commercially sensitive nature; or
- (ii) the disclosure of the Sensitive Confidential Information to the Recipient would be damaging to the commercial or legal interest of the Discloser or any of its related bodies corporate,

and may provide the document or disclose the information to the Recipient with any Sensitive Confidential Information redacted or excluded, provided that, where Sensitive Confidential Information is so redacted or excluded, the Discloser must provide:

- (iii) the Recipient with as much details about the relevant communication, submission or correspondence (and any other relevant circumstances) as is reasonably possible without disclosing Sensitive Confidential Information; and
 - (iv) a complete version of the document or other information, without any redaction or exclusion of information, to the Recipient's external lawyers on the basis that the Recipient's external lawyers will not disclose the Sensitive Confidential Information to the Recipient or any other third party including the ACCC without the Discloser's prior written consent and will only use the information for the purpose of satisfying the Condition in clause 3.1(a).
- (j) Without in any way limiting the obligations of the parties under this clause, in relation to the termination of the QIP Transaction referred to in clause 3.1(h):
- (i) XIP must take all action necessary to validly terminate the QIP Scheme Implementation Deed in a manner in which XIP does not incur any Liability to QIP as a result of, or in connection with, that termination other than in respect of payment of the 'XIP Break Fee' (as defined in the QIP Scheme Implementation Deed) on the date of this deed and provide a copy of all associated correspondence to IPH;
 - (ii) XIP must consult with IPH in advance in relation to all material written communications (whether direct or via a Representative) with QIP and its representatives relating to the termination of the QIP Transaction and, without limitation:
 - (A) provide IPH with draft of any material written communications to be sent to QIP or its representatives and take any reasonable comments made by IPH into account in good faith when making any amendments; and
 - (B) provide copies of any material written communications sent to or received from QIP or its representatives to IPH promptly upon despatch or receipt (as the case may be).
- (k) On the Second Court Date:
- (i) IPH and XIP must give the Court a joint certificate (or such other evidence as the Court requires) confirming whether or not the Joint Conditions (other than the condition precedent at clause 3.1(f)) have been satisfied or waived;

 - (B) give XIP a draft of its certificate by 5.00pm on the Business Day before the Second Court Date; and
 - (iv) XIP must:
 - (A) give the Court a certificate (or such other evidence as the Court requires) confirming (in respect of matters within its knowledge) whether or not the IPH Conditions have been satisfied or waived; and
 - (B) give IPH a draft of its certificate by 5.00pm on the Business Day before the Second Court Date.

3.3 Waiver of conditions precedent

- (a) The conditions precedent in clauses 3.1(a), 3.1(c), 3.1(e) and 3.1(f) cannot be waived.
- (b) The remaining Joint Conditions are for the benefit of IPH and XIP and may only be waived by both of them in writing.
- (c) The IPH Conditions are for the sole benefit of IPH and may only be waived by IPH in writing.
- (d) The XIP Conditions are for the sole benefit of XIP and may only be waived by XIP in writing.
- (e) A party entitled to waive a condition precedent may do so conditionally or unconditionally in its absolute discretion provided that any waiver must take place on or prior to the 8.00am on the Second Court Date.
- (f) If a party waives the breach or non-fulfilment of a condition precedent, that waiver will not preclude it from suing the other party for any breach of this deed that resulted from the breach or non-fulfilment of the condition precedent that was waived or arising from the same event which gave rise to the breach or non-fulfilment of the condition precedent.
- (g) Waiver of a breach or non-fulfilment in respect of a condition precedent does not constitute:
 - (i) a waiver of the breach or non-fulfilment of any other condition precedent resulting from the same event; or
 - (ii) a waiver of the breach or non-fulfilment of that condition precedent resulting from any other event.

3.4 If a condition precedent is not fulfilled or waived

If a condition precedent cannot be fulfilled (or has not been fulfilled or waived) by the Relevant Date, or the Scheme has not become Effective by the End Date, XIP and IPH must, prior to any termination under clause 3.7, consult in good faith and act reasonably (and obtain appropriate advice) for a period of at least 10 Business Days to develop potential structures and approaches and to determine whether:

- (a) the Scheme may proceed by way of alternative means or methods and, if so, agree on the terms of such alternative means or methods (to avoid doubt, any such alternative means or methods must not involve any material additional economic cost (including increasing the amount of any Tax payable or reducing any Tax Relief available) to IPH or to XIP or any XIP Shareholder or be materially less advantageous to IPH or XIP Shareholders);
- (b) to extend the Relevant Date;
- (c) to adjourn or change the date of the Scheme Meeting; and/or
- (d) to extend the End Date.

Without limiting the above, if a condition precedent is not satisfied by the date contemplated in the Timetable as the Second Court Date, XIP and IPH agree (unless there is no reasonable prospect that the condition precedent will be satisfied) that the Second Court Date be deferred until such date (not later than the Business Day before the End Date) as reasonably required to enable more time to satisfy the condition precedent.

3.5 Appeal process

- (a) Without limiting clause 3.4, if the Court refuses to make any orders convening the Scheme Meeting or approving the Scheme, XIP must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent barrister who is a Queens Counsel or Senior Counsel with at least 15 years' experience advises in writing, a copy of which is provided to IPH, that in their view an appeal would have no reasonable prospect of success).
- (b) Any costs incurred as a result of the operation of clause 3.5(a) are to be borne equally by XIP and IPH.

3.6 Scheme voted down

Without limiting clause 3.4 or clause 3.5, if the Scheme is not approved by a majority in number of the XIP Shareholders (other than Excluded Shareholders) present and voting (in person or by proxy) at the Scheme Meeting (headcount test), that fact will not of itself be treated as preventing the condition

precedent in clause 3.1(e) from being satisfied, and XIP must, if counsel for IPH has certified that there are reasonable prospects of success on such an application, do everything it reasonably can to obtain Court approval of the Scheme in accordance with section 411(4)(b) of the Corporations Act, and an order of the Court in accordance with section 411(4)(a)(ii)(A) of the Corporations Act that the headcount test need not be satisfied, and must consult and co-operate fully with IPH in that regard.

3.7 Termination on failure of condition precedent

- (a) Subject to clause 3.4, if:
- (i) the Scheme has not become Effective by the End Date; or
 - (ii) any event occurs which would, or in fact does, prevent a condition precedent being satisfied and that condition precedent is not waived by XIP or IPH or both (as applicable) in accordance with clause 3.3,
- then, subject to clause 3.7(b):
- (iii) where the condition precedent is a Joint Condition either party may terminate this deed by giving notice to the other party;
 - (iv) where the condition precedent is an IPH Condition, IPH may terminate this deed by giving notice to XIP; and
 - (v) where the condition precedent is a XIP Condition, XIP may terminate this deed by giving notice to IPH.
- (b) A party will not be entitled to terminate this deed under clause 3.7(a) if the relevant occurrence, or the failure of the satisfaction of a condition precedent, or of the Scheme becoming Effective, arises out of, or is substantially contributed to by:
- (i) a breach of this deed by that party; or
 - (ii) a deliberate act or omission of that party.
- (c) Subject to any rights or obligations arising under or under clauses that are expressed to survive termination of this deed, on termination of this deed no party will have any rights against or obligations to any other party under this deed except for those rights and obligations which accrued before termination.

4. Transaction Steps

4.1 Scheme

XIP must propose the Scheme under which:

- (a) all of the Scheme Shares will be transferred to IPH; and
- (b) the Scheme Shareholders will be entitled to receive the Scheme Consideration.

4.2 No amendment to the Scheme without consent

XIP must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of IPH.

4.3 IPH Sub

- (a) IPH may notify XIP in writing no later than 3 Business Days prior to the Implementation Date that IPH nominates the IPH Sub as the party to whom all of the Scheme Shares are to be transferred under the Scheme.
- (b) If IPH gives XIP a notice under clause 4.3(a):
 - (i) references in this deed to IPH as the transferee of the Scheme Shares are references to the IPH Sub;
 - (ii) IPH must procure that the IPH Sub accepts the transfer of the Scheme Shares and otherwise takes whatever actions are required of the IPH Sub to facilitate the implementation of the Scheme; and

- (iii) IPH remains liable to XIP for the due performance of the actions attributed to the IPH Sub under clause 4.3(b).

4.4 Scheme Consideration

- (a) Each Scheme Shareholder is entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder in accordance with the terms of this deed and the Scheme.
- (b) IPH undertakes to XIP (in its own right and as trustee on behalf of the Scheme Shareholders) that, in consideration of the transfer to IPH of each Scheme Share under the terms of the Scheme, on the Implementation Date it will accept that transfer and IPH will provide each Scheme Shareholder the Scheme Consideration in accordance with the terms of the Scheme.

4.5 Allotment and issue of New IPH Shares

- (a) Subject to the Scheme becoming Effective, IPH must:
 - (i) allot and issue the New IPH Shares to Scheme Shareholders in accordance with the Scheme on terms such that each New IPH Share will rank equally in all respects with each existing IPH Share;
 - (ii) do everything reasonably necessary to ensure that the New IPH Shares are approved for official quotation on ASX and that trading in the New IPH Shares commences as soon as practicable after the Effective Date, initially on a deferred settlement basis and thereafter on an ordinary (T+2) settlement basis by the first Business Day after the Implementation Date; and
 - (iii) ensure that on issue, each New IPH Share will be fully paid and free from any mortgage, charge, lien, encumbrance or other security interest.
- (b) To facilitate the issue of the New IPH Shares to Scheme Shareholders, XIP must provide to IPH, or procure the provision to IPH of, a complete copy of the XIP Share Register as at the Scheme Record Date (which must include the name, address and registered holding of each Scheme Shareholder as at the Scheme Record Date), within 1 Business Day after the Scheme Record Date. The details and information to be provided under this clause must be provided in such form as IPH, its Representatives or share registry may reasonably require.
- (c) IPH will not issue any New IPH Shares to Ineligible Foreign Scheme Shareholders, and instead will issue the New IPH Shares that would otherwise have been issued to the Ineligible Foreign Scheme Shareholders to a nominee appointed by IPH. IPH will procure that the nominee sells those New IPH Shares on-market at such price and on such other terms as the nominee determines in good faith and, promptly after the last sale of those New IPH Shares, remits the proceeds from that sale (after deducting any brokerage and other selling costs and taxes) to IPH. subject to, and in accordance with, this clause 5.

5.3 Payment of Cash Scheme Consideration

- (a) The obligation of XIP to procure payment of the Cash Scheme Consideration pursuant to clause 5.2 will be satisfied by XIP procuring IPH no later than the Business Day before the Implementation Date to deposit (or procure the deposit) in cleared funds the aggregate amount of the Cash Scheme Consideration payable to all Scheme Shareholders into the Trust Account (except that the amount of any interest on the amount deposited will be to IPH's account).
- (b) On the Implementation Date, subject to the receipt of the Cash Scheme Consideration from IPH in accordance with clause 5.3(a), XIP must pay from the Trust Account to each Scheme Shareholder an amount equal to the Cash Scheme Consideration for each Scheme Share transferred to IPH on the Implementation Date by that Scheme Shareholder.
- (c) The amount referred to in clause 5.3(b) must be paid by XIP doing any of the following at its election:

- (b) Instead, IPH must procure that:
 - (i) the Sale Shares are issued by IPH to the Sale Agent on the Implementation Date (rounded down, if necessary, to the nearest whole number);
 - (ii) as soon as practicable and, in any event, not more than 15 Business Days after the Implementation Date, the Sale Agent sells the Sale Shares in such manner, at such price or prices and on such other terms as the Sale Agent determines in good faith; and
 - (iii) promptly after the last sale of Sale Shares in accordance with clause 5.4(b)(ii), the Sale Agent pays the Sale Proceeds into the Trust Account (for payment by XIP to the Foreign Scheme Shareholders in accordance with clauses 5.5(c) to 5.5(f) (inclusive) of this Scheme).
- (c) None of IPH, XIP or the Sale Agent gives any assurance as to the price that will be achieved for the sale of Sale Shares by the Sale Agent. The sale of Sale Share by the Sale Agent will be at the risk of the Foreign Scheme Shareholders.
- (d) Each Foreign Scheme Shareholder appoints XIP as its agent to receive on its behalf any financial services guide or other notices (including any updates of those documents) that the Sale Agent is required to provide to Foreign Scheme Shareholders under the Corporations Act.

5.5 Provision of Scrip Scheme Consideration

- (a) Subject to clause 5.8, the obligation of XIP to procure payment of the Scrip Scheme Consideration pursuant to clause 5.2 will be satisfied by XIP procuring IPH before 5.00pm on the Implementation Date to:

 - (ii) procure that the name of the Sale Agent is entered in IPH's register of members as the holder of the Sale Shares (with such holding details as the Sale Agent notifies).

- (b) On or before the date that is 5 Business Days after the Implementation Date, IPH must send or procure the sending of an allotment advice or holding statement (or equivalent document) to each Scheme Shareholder entitled to receive IPH Shares under this Scheme, reflecting the issue of such IPH Shares in accordance with clause 5.5(a)
- (c) As soon as practicable following payment into the Trust Account of the Sale Proceeds, XIP must pay from the Trust Account to each Foreign Scheme Shareholder such amount of cash as is due to that Scheme Shareholder as Scheme Consideration in respect of their Scheme Shares, being in the case of each such person the amount they would have received had they:
 - (i) received the IPH Shares to which they would have been entitled under this Scheme but for the operation of clause 5.4; and
 - (ii) sold them for an amount per IPH Share equal to that part of the Sale Proceeds which is attributable to the sale of IPH Shares divided by the total number of IPH Shares included in the Sale Shares, provided that for the purposes of the foregoing the total cash amount payable to a Foreign Scheme Shareholder in respect of its parcel of Scheme Shares shall be rounded down to the nearest whole cent.
- (d) The amount referred to in clause 5.5(c) must be paid by XIP doing any of the following at its election:
 - (i) sending (or procuring the XIP Registry to send) it to the Scheme Shareholder's Registered Address by cheque in Australian currency drawn out of the Trust Account; or
 - (ii) depositing (or procuring the XIP Registry to deposit) it into an account with any Australian ADI (as defined in the Corporations Act) notified to XIP (or the XIP Registry) by an appropriate authority by the Scheme Shareholder.
- (e) If there is any surplus in the amount held by XIP in the Trust Account following the satisfaction of XIP's obligations under this clause and clause 5.3(b), that surplus must be paid by XIP to IPH. Any interest on the amounts deposited in the Trust Account (less bank fees and other charges) will be to IPH's account.
- (f) If any amount is required under any Australian law or by any Australian Regulatory Authority to be:
 - (i) withheld from an amount payable under clauses 5.3(b), 5.5(c) or 5.5(e) and paid to that entity or authority; or
 - (ii) retained by XIP out of an amount payable under clauses 5.3(b), 5.5(c) or 5.5(e),
 its payment or retention by XIP (or the XIP Registry) will constitute the full discharge of XIP's obligations under this clause with respect to the amount so paid or retained until, in the case of clause 5.5(f)(ii), it is no longer required to be retained.

5.6 Foreign resident capital gains withholding

- (a) If IPH determines that it must pay an amount to the Commissioner of Taxation (**Commissioner**) under Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953* (Cth) (**TAA**) with respect to the acquisition of the Scheme Shares from a Scheme Shareholder, IPH will, for any such Scheme Shareholder:
 - (i) determine the amount to be paid to the Commissioner (**Payment Amount**);
 - (ii) remit the Payment Amount to the Commissioner within the time required under the TAA; and
 - (iii) reduce the amount of Scheme Consideration payable to that Scheme Shareholder by the Payment Amount for the purposes of the Deed Poll, this Scheme and the Scheme Implementation Deed.
- (b) IPH will, for the purposes of the Deed Poll, this Scheme and the Scheme Implementation Deed, be deemed to have satisfied its obligations to pay the Scheme Consideration to a Scheme Shareholder if the amount paid to the Scheme Shareholder is the amount of the Scheme Consideration that would have otherwise been payable to the Scheme Shareholder pursuant to the Scheme, less the Payment Amount for that Scheme Shareholder.

5.7 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any cheque required to be sent under this Scheme will be made payable to the joint holders; and
- (b) the holding statements for New IPH Shares to be issued to Scheme Shareholders will be issued in the names of the joint holders,

and sent at the sole discretion of XIP, either to the holder whose name appears first in the Share Register as at the Record Date or to the joint holders.

5.8 Fractional entitlements

- (a) If the number of Scheme Shares held by a Scheme Shareholder at the Record Date is such that the aggregate entitlement of the Scheme Shareholder to Scheme Consideration:
 - (i) comprising Scrip Scheme Consideration is such that a fractional entitlement to a New IPH Share arises; or
 - (ii) comprising Cash Scheme Consideration is such that a fractional entitlement to a cent arises,

then the entitlement of that Scheme Shareholder must be rounded up or down, with any such fractional entitlement of less than 0.5 being rounded down to the nearest whole number of New IPH Shares (or cents, as applicable), and any such fractional entitlement of 0.5 or more will be rounded up to the nearest whole number of New IPH Shares (or cents, as applicable).

- (b) If XIP and IPH are each of the opinion (acting reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares which results in rounding in accordance with clause 5.8(a)) have, before the Record Date, been party to shareholding splitting or division in an attempt to obtain unfair advantage by reference to such rounding, IPH may direct XIP to give notice to those Scheme Shareholders:
 - (i) setting out their names and Registered Addresses as shown in the Share Register;
 - (ii) stating that opinion; and
 - (iii) attributing to one of them specifically identified in the notice the Scheme Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares will, for the purposes of the other provisions of the Scheme, be taken to hold all of those Scheme Shares and each of the other Scheme Shareholders whose names and Registered Addresses are set out in the notice will, for the purposes of the other provisions of the Scheme, be taken to hold no Scheme Shares. By complying with the other provisions of the Scheme in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Scheme Shares, IPH will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme.

5.9 Unclaimed monies

- (a) XIP may cancel a cheque sent under this clause 5 if the cheque:
 - (i) is returned to XIP; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of 11 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to XIP (or XIP Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), XIP must reissue a cheque that was previously cancelled under clause 5.9(a).

- (c) The *Unclaimed Moneys Act 1995* (NSW) will apply in relation to any Scheme Consideration which becomes “unclaimed money” (as defined in section 7 of the *Unclaimed Moneys Act 1995* (NSW)).
- (d) Any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of IPH.

5.10 Order of a court or Regulatory Authority

If:

- (a) written notice is given to XIP (or XIP Registry) of an order or direction made by a court of competent jurisdiction or by another Regulatory Authority that requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable to that Scheme Shareholder by XIP in accordance with this clause 5, then XIP may procure that payment is made in accordance with that order or direction; or
- (b) written notice is given to XIP (or XIP Registry) of an order or direction made by a court of competent jurisdiction or by another Regulatory Authority that prevents XIP from making a payment to any particular Scheme Shareholder in accordance with clause 5.3(b) or 5.5(c), or such payment is otherwise prohibited by applicable law, XIP may retain an amount equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration until such time as payment in accordance with this clause 5 is permitted by that order or direction or otherwise by law,

and the payment or retention by XIP (or XIP Registry) will constitute the full discharge of XIP's obligations under clause 5.3(b) or 5.5(c) (as applicable) with respect of the amount so paid or retained until, in the case of clause 5.10(b), it is no longer required to be retained.

5.11 Definition of 'sending'

For the purposes of clause 5, the expression **sending** means, in relation to each Scheme Shareholder:

- (a) sending by ordinary pre-paid post or courier to the Registered Address of that Scheme Shareholder as at the Record Date; or
- (b) delivery to the Registered Address of that Scheme Shareholder as at the Record Date by any other means at no cost to the recipient.

6. Dealings in Shares

6.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Shares or other alterations to the Share Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Share Register as the holder of the relevant Shares on or before 7.00pm on the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in respect of those dealings are received at the place where the Share Register is kept, on or before 5.00pm on the Record Date,

and XIP will not accept for registration, nor recognise for any purpose (except a transfer to IPH under this Scheme and any subsequent transfer by IPH or its successors in title), any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

6.2 Register

- (a) (**Registration of transfers**) XIP must register registrable transmission applications or transfers of the kind referred to in clause 6.1(b) by or as soon as reasonably practicable after the Record Date (provided that for the avoidance of doubt nothing in this clause 6.2 requires

XIP to register a transfer that would result in a XIP Shareholder holding a parcel of Shares that is less than a 'marketable parcel' (as defined in the Settlement Rules).

- (b) **(No registration after Record Date)** XIP will not accept for registration or recognise for any purpose any transmission application or transfer in respect of Shares received after 5.00pm on the day on which the Record Date occurs, other than to IPH in accordance with this Scheme and any subsequent transfer by IPH or its successors in title.
- (c) **(Maintenance of Share Register)** For the purpose of determining entitlements to the Scheme Consideration, XIP must maintain the Share Register in accordance with the provisions of this clause until the Scheme Consideration has been delivered to the Scheme Shareholders. The Share Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) **(No disposal after Record Date)** From the Record Date until registration of IPH in respect of all Scheme Shares under clause 4, no XIP Shareholder may dispose or otherwise deal with Shares (or purport to do so) in any way except as set out in this Scheme and any attempt to do so will have no effect and XIP shall be entitled to disregard any such disposal or dealing.
- (e) **(Statements of holding from Record Date)** All statements of holding for Shares will cease to have effect from the Record Date as documents of title in respect of those shares (other than statements of holding in favour of any Excluded Shareholders). As from the Record Date, each entry current at that date on the Share Register (other than entries in respect of any Excluded Shareholder) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Shares relating to that entry.
- (f) **(Provision of Scheme Shareholder details)** As soon as practicable after the Record Date and in any event within one Business Day after the Record Date, XIP will ensure that details of the names, Registered Addresses and holdings of Shares for each Scheme Shareholder are available to IPH in the form IPH reasonably requires.

 - (ii) to have itself removed from the official list of ASX.

8. General Scheme provisions

The provisions of clauses 1.1 (if not otherwise defined in this deed poll), 1.2 and 1.3 of the Scheme Implementation Deed form part of this deed poll as if set out at length in this deed poll but with 'deed poll' substituted for 'deed' and with any reference to 'party' being taken to include the Scheme Shareholders.

2. Nature of this deed poll

- (e) XIP must ensure that no XIP Prescribed Occurrence occurs, and that no occurrence within the control of a member of the XIP Group takes place which would cause a XIP Material Adverse Change to occur, in each case on or before the End Date.
- (f) QIP|PH must ensure that no QIP|PH Prescribed Occurrence occurs, and that no occurrence within the control of a member of the QIP|PH Group takes place which would cause an QIP|PH Material Adverse Change to occur, in each case on or before the End Date.
- (g) QIP|PH and XIP must, subject to [clause 3.2\(i\)](#):
 - (i) consult and co-operate fully with the other party in relation to the satisfaction of the conditions precedent, including in relation to all material communications with Regulatory Authorities in relation to Regulatory Approvals;
 - (ii) consult with each other in advance in relation to the progress of obtaining, and all material communications with Regulatory Authorities regarding any of, the Regulatory Approvals (provided that a party is not prevented from taking any step (including communicating with a Regulatory Authority) in respect of a Regulatory Approval if the other party has unduly delayed responding under this clause and has been notified of the same);
 - (iii) provide all assistance and information reasonably requested by the other party in connection with any application or material communication to be made by that other party to a Regulatory Authority in relation to a Regulatory Approval;
 - (iv) keep each other informed of progress in relation to each Regulatory Approval (including in relation to any material matters raised by, or conditions or other arrangements proposed by, or to, any Regulatory Authority in relation to a Regulatory Approval);
 - (v) promptly provide to the other party all material communications with Regulatory Authorities in relation to Regulatory Approvals;
 - (vi) promptly notify the other if it becomes aware that any condition precedent has been satisfied; and
 - (vii) promptly notify the other of any failure to satisfy a condition precedent or of any fact or circumstance that may result in a condition precedent becoming incapable of being satisfied or that may result in a condition precedent not being satisfied in accordance with its terms (having regard to the obligations of the parties under this clause).
- (h) Without in any way limiting the obligations of the parties under this clause, in relation to the ACCC Approval referred to in clause 3.1 [\(a\)](#) and subject to ~~3.2~~[\(clause 3.2\(i\)\)](#):
 - (i) both parties will dedicate the resources necessary to secure ACCC approval (acting reasonably) and work co-operatively and together to secure that approval;
 - (ii) QIP|PH must promptly apply for ACCC approval, and promptly respond to requests for information from the ACCC in relation to the ACCC Approval;
 - (iii) XIP must provide QIP|PH with all information reasonably requested in connection with the application for ACCC Approval, any information request from the ACCC and any material communication with the ACCC in relation to ACCC approval; and

- (iv) each party will:
 - (A) allow the other party and its representatives a reasonable opportunity to review and comment on the content of any application and related material correspondence with the ACCC in relation to the ACCC Approval made after the date of this deed;

 - (D) promptly provide the other party with a copy of any communications or requests from the ACCC after the date of this deed in relation to the ACCC Approval.
- (i) Before providing any document or other information to the other party (in this clause 3.2(i), the Recipient) pursuant to clause 3.2(h), a party (in this clause 3.2(i), the **Discloser**) may redact any part of that document, or not disclose any part of that information, which contains or is confidential, non-public information (**Sensitive Confidential Information**) if the Discloser reasonably believes that:
 - (i) the Sensitive Confidential Information is of a commercially sensitive nature; or
 - (ii) the disclosure of the Sensitive Confidential Information to the Recipient would be damaging to the commercial or legal interest of the Discloser or any of its related bodies corporate,

and may provide the document or disclose the information to the Recipient with any Sensitive Confidential Information redacted or excluded, provided that, where Sensitive Confidential Information is so redacted or excluded, the Discloser must provide:

 - (iii) the Recipient with as much details about the relevant communication, submission or correspondence (and any other relevant circumstances) as is reasonably possible without disclosing Sensitive Confidential Information; and
 - (iv) a complete version of the document or other information, without any redaction or exclusion of information, to the Recipient's external lawyers on the basis that the Recipient's external lawyers will not disclose the Sensitive Confidential Information to the Recipient or any other third party including the ACCC without the Discloser's prior written consent and will only use the information for the purpose of satisfying the Condition in clause 3.1(a).
- (j) Without in any way limiting the obligations of the parties under this clause, in relation to the termination of the QIP Transaction referred to in clause 3.1(h):
 - (i) XIP must take all action necessary to validly terminate the QIP Scheme Implementation Deed in a manner in which XIP does not incur any Liability to QIP as a result of, or in connection with, that termination other than in respect of payment of the 'XIP Break Fee' (as defined in the QIP Scheme Implementation Deed) on the date of this deed and provide a copy of all associated correspondence to IPH;
 - (ii) XIP must consult with IPH in advance in relation to all material written communications (whether direct or via a Representative) with QIP and its representatives relating to the termination of the QIP Transaction and, without limitation:
 - (A) provide IPH with draft of any material written communications to be sent to QIP or its representatives and take any reasonable comments made by IPH into account in good faith when making any amendments; and

(B) provide copies of any material written communications sent to or received from QIP or its representatives to IPH promptly upon despatch or receipt (as the case may be).

(k) ~~(j)~~ On the Second Court Date:

- (i) QIP/IPH and XIP must give the Court a joint certificate (or such other evidence as the Court requires) confirming whether or not the Joint Conditions (other than the condition precedent at clause 3.1(f)) have been satisfied or waived;
- (ii) QIP/IPH and XIP must give the Court a joint certificate confirming whether the condition in clause 3(a)(ii) of the Scheme has been satisfied;
- (iii) QIP/IPH must:
 - (A) give the Court a certificate (or such other evidence as the Court requires) confirming (in respect of matters within its knowledge) whether or not the XIP Conditions have been satisfied or waived; and
 - (B) give XIP a draft of its certificate by 5.00pm on the Business Day before the Second Court Date; and
- (iv) XIP must:
 - (A) give the Court a certificate (or such other evidence as the Court requires) confirming (in respect of matters within its knowledge) whether or not the QIP/IPH Conditions have been satisfied or waived; and
 - (B) give QIP/IPH a draft of its certificate by 5.00pm on the Business Day before the Second Court Date.

3.3 Waiver of conditions precedent

- (a) The conditions precedent in clauses 3.1(a), 3.1(c), 3.1(e) and 3.1(f) cannot be waived.
- (b) The remaining Joint Conditions are for the benefit of QIP/IPH and XIP and may only be waived by both of them in writing.
- (c) The QIP/IPH Conditions are for the sole benefit of QIP/IPH and may only be waived by QIP/IPH in writing.
- (d) The XIP Conditions are for the sole benefit of XIP and may only be waived by XIP in writing.
- (e) A party entitled to waive a condition precedent may do so conditionally or unconditionally in its absolute discretion provided that any waiver must take place on or prior to the 8.00am on the Second Court Date.
- (f) If a party waives the breach or non-fulfilment of a condition precedent, that waiver will not preclude it from suing the other party for any breach of this deed that resulted from the breach or non-fulfilment of the condition precedent that was waived or arising from the same event which gave rise to the breach or non-fulfilment of the condition precedent.
- (g) Waiver of a breach or non-fulfilment in respect of a condition precedent does not constitute:
 - (i) a waiver of the breach or non-fulfilment of any other condition precedent resulting from the same event; or
 - (ii) a waiver of the breach or non-fulfilment of that condition precedent resulting from any other event.

3.4 If a condition precedent is not fulfilled or waived

If a condition precedent cannot be fulfilled (or has not been fulfilled or waived) by the Relevant Date, or the Scheme has not become Effective by the End Date, XIP and QIP/IPH must, prior to any termination under clause 3.7, consult in good faith and act reasonably (and obtain appropriate advice) for a period of at least 10 Business Days to develop potential structures and approaches and to determine whether:

- (a) the Scheme may proceed by way of alternative means or methods and, if so, agree on the terms of such alternative means or methods (to avoid doubt, any such alternative means or methods must not involve any material additional economic cost (including increasing the

amount of any Tax payable or reducing any Tax Relief available) to QIPIPH or to XIP or any XIP Shareholder or be materially less advantageous to QIPIPH or XIP Shareholders);

- (b) to extend the Relevant Date;
- (c) to adjourn or change the date of the Scheme Meeting; and/or
- (d) to extend the End Date.

Without limiting the above, if a condition precedent is not satisfied by the date contemplated in the Timetable as the Second Court Date, XIP and QIPIPH agree (unless there is no reasonable prospect that the condition precedent will be satisfied) that the Second Court Date be deferred until such date (not later than the Business Day before the End Date) as reasonably required to enable more time to satisfy the condition precedent.

3.5 Appeal process

- (a) Without limiting clause 3.4, if the Court refuses to make any orders convening the Scheme Meeting or approving the Scheme, XIP must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent barrister who is a Queens Counsel or Senior Counsel with at least 15 years' experience advises in writing, a copy of which is provided to QIPIPH, that in their view an appeal would have no reasonable prospect of success).
- (b) Any costs incurred as a result of the operation of clause 3.5(a) are to be borne equally by XIP and QIPIPH.

3.6 Scheme voted down

Without limiting clause 3.4 or clause 3.5, if the Scheme is not approved by a majority in number of the XIP Shareholders (other than Excluded Shareholders) present and voting (in person or by proxy) at the Scheme Meeting (headcount test), that fact will not of itself be treated as preventing the condition precedent in clause 3.1(e) from being satisfied, and XIP must, if counsel for QIPIPH has certified that there are reasonable prospects of success on such an application, do everything it reasonably can to obtain Court approval of the Scheme in accordance with section 411(4)(b) of the Corporations Act, and an order of the Court in accordance with section 411(4)(a)(ii)(A) of the Corporations Act that the headcount test need not be satisfied, and must consult and co-operate fully with QIPIPH in that regard.

3.7 Termination on failure of condition precedent

- (a) Subject to clause 3.4, if:
 - (i) the Scheme has not become Effective by the End Date; or
 - (ii) any event occurs which would, or in fact does, prevent a condition precedent being satisfied and that condition precedent is not waived by XIP or QIPIPH or both (as applicable) in accordance with clause 3.3,then, subject to clause 3.7(b):
 - (iii) where the condition precedent is a Joint Condition either party may terminate this deed by giving notice to the other party;
 - (iv) where the condition precedent is a QIPan IPH Condition, QIPIPH may terminate this deed by giving notice to XIP; and
 - (v) where the condition precedent is a XIP Condition, XIP may terminate this deed by giving notice to QIPIPH.
- (b) A party will not be entitled to terminate this deed under clause 3.7(a) if the relevant occurrence, or the failure of the satisfaction of a condition precedent, or of the Scheme becoming Effective, arises out of, or is substantially contributed to by:
 - (i) a breach of this deed by that party; or
 - (ii) a deliberate act or omission of that party.
- (c) Subject to any rights or obligations arising under or under clauses that are expressed to survive termination of this deed, on termination of this deed no party will have any rights

against or obligations to any other party under this deed except for those rights and obligations which accrued before termination.

4. Transaction Steps

4.1 Scheme

XIP must propose the Scheme under which:

- (a) all of the Scheme Shares will be transferred to [QIPIPH](#); and
- (b) the Scheme Shareholders will be entitled to receive the Scheme Consideration.

4.2 No amendment to the Scheme without consent

XIP must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of [QIPIPH](#).

4.3 [QIPIPH](#) Sub

- (a) [QIPIPH](#) may notify XIP in writing no later than 3 Business Days prior to the Implementation Date that [QIPIPH](#) nominates the [QIPIPH](#) Sub as the party to whom all of the Scheme Shares are to be transferred under the Scheme.
- (b) If [QIPIPH](#) gives XIP a notice under clause 4.23(a):
 - (i) references in this deed to [QIPIPH](#) as the transferee of the Scheme Shares are references to the [QIPIPH](#) Sub;
 - (ii) [QIPIPH](#) must procure that the [QIPIPH](#) Sub accepts the transfer of the Scheme Shares and otherwise takes whatever actions are required of the [QIPIPH](#) Sub to facilitate the implementation of the Scheme; and
 - (iii) [QIPIPH](#) remains liable to XIP for the due performance of the actions attributed to the [QIPIPH](#) Sub under clause 4.2(4.3(b)).

4.4 Scheme Consideration

- (a) Each Scheme Shareholder is entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder in accordance with the terms of this deed and the Scheme.
- (b) [QIPIPH](#) undertakes to XIP (in its own right and as trustee on behalf of the Scheme Shareholders) that, in consideration of the transfer to [QIPIPH](#) of each Scheme Share under the terms of the Scheme, on the Implementation Date it will accept that transfer and [QIPIPH](#) will provide each Scheme Shareholder the Scheme Consideration in accordance with the terms of the Scheme.

4.5 Allotment and issue of New [QIPIPH](#) Shares

- (a) Subject to the Scheme becoming Effective, [QIPIPH](#) must:
 - (i) allot and issue the New [QIPIPH](#) Shares to Scheme Shareholders in accordance with the Scheme on terms such that each New [QIPIPH](#) Share will rank equally in all respects with each existing [QIPIPH](#) Share;
 - (ii) do everything reasonably necessary to ensure that the New [QIPIPH](#) Shares are approved for official quotation on ASX and that trading in the New [QIPIPH](#) Shares commences as soon as practicable after the Effective Date, initially on a deferred settlement basis and thereafter on an ordinary (T+2) settlement basis by the first Business Day after the Implementation Date; and
 - (iii) ensure that on issue, each New [QIPIPH](#) Share will be fully paid and free from any mortgage, charge, lien, encumbrance or other security interest.
- (b) To facilitate the issue of the New [QIPIPH](#) Shares to Scheme Shareholders, XIP must provide to [QIPIPH](#), or procure the provision to [QIPIPH](#) of, a complete copy of the XIP Share Register as at the Scheme Record Date (which must include the name, address and registered holding of each Scheme Shareholder as at the Scheme Record Date), within 1 Business Day

after the Scheme Record Date. The details and information to be provided under this clause must be provided in such form as [QIP|PH](#), its Representatives or share registry may reasonably require.

- (c) [QIP|PH](#) will not issue any New [QIP|PH](#) Shares to Ineligible Foreign Scheme Shareholders, and instead will issue the New [QIP|PH](#) Shares that would otherwise have been issued to the Ineligible Foreign Scheme Shareholders to a nominee appointed by [QIP|PH](#). [QIP|PH](#) will procure that the nominee sells those New [QIP|PH](#) Shares on-market at such price and on such other terms as the nominee determines in good faith and, promptly after the last sale of those New [QIP|PH](#) Shares, remits the proceeds from that sale (after deducting any brokerage and other selling costs and taxes) to [QIP|PH](#). [QIP|PH](#) will then remit the proceeds it receives to the Ineligible Foreign Scheme Shareholders in accordance with their entitlement.
- (d) Any fractional entitlement of a Scheme Shareholder to Scheme Consideration:
 - (i) which is 0.5 or greater will be rounded up to the nearest whole number of New [QIP|PH](#) Shares; and
 - (ii) which is less than 0.5 will be rounded down to the nearest whole number of New [QIP|PH](#) Shares.

4.6 XIP Performance Rights

XIP must take all steps in accordance with the plan rules governing the XIP Performance Rights to give notice to:

- (a) Craig Dower that 227,440 of the XIP Performance Rights held by or to be granted to him have vested early, with the balance held by or to be granted to him lapsing; and
- (b) Lesley Kennedy that 103,769 of the XIP Performance Rights held by or to be granted to her have vested early, with the balance held by or to be granted to Lesley Kennedy lapsing,

and issue the corresponding number of XIP Shares to those holders by no later than the Scheme Record Date and XIP must otherwise ensure that there are no XIP Performance Rights on issue on the Scheme Record Date.

5. Implementation

5.1 XIP's obligations

XIP must take all necessary steps to propose and (subject to all of the conditions in clause 3.1 being satisfied or waived in accordance with their terms) implement the Scheme as soon as is reasonably practicable and, without limiting the foregoing, must use reasonable endeavours to ensure that each step in the Timetable is met by the date set out beside that step (and must consult with [QIP|PH](#) on a regular basis about its progress in that regard), including by doing any acts it is authorised and able to do on behalf of the XIP Shareholders and each of the matters below.

- (a) **(Preparation of Explanatory Booklet)** Prepare the Explanatory Booklet in accordance with clause 5.3.
- (b) **(Directors' recommendation)** include in the Explanatory Booklet a statement by the XIP Board:

 - (ii) provide to [QIPIPH](#) the changes required to ensure that the Joint Information in the form and context in which it appears in the Explanatory Booklet is not misleading or deceptive in any material respect and does not contain any material omission,
- to the extent that any part of the Joint Information is prepared or contributed solely by XIP.
- (f) **(Regulatory notifications)** In relation to the Regulatory Approvals (other than ACCC Approval), lodge with any Regulatory Authority within the relevant time periods all documentation and filings required by law to be so lodged by XIP in relation to the Scheme.

 - (ii) to the extent that the [QIP|PH](#) Board or the XIP Board, after receiving legal advice from its external legal advisers, determines that complying with such obligation would be likely to involve a breach of the fiduciary or statutory duties owed by any members of the [QIP|PH](#) Board or the XIP Board or other contractual obligation.

- (a) During the Exclusivity Period, each party must not, and must ensure that its Representatives and Related Bodies Corporate and the Representatives of those Related Bodies Corporate do not publicly recommend a Competing Proposal or enter into any legally binding agreement, arrangement or understanding to give effect to or implement a Competing Proposal unless the party (**Notifying Party**) has provided the other party (**Matching Party**) with full details of the Competing Proposal, including, without limitation, the identity of the relevant Third Party, the consideration offered under its Competing Proposal and any conditions to the Competing Proposal, and at least 3 Business Days to match the terms of the Competing Proposal. ~~Schedule 7- Form of Joint Public Announcement~~

QANTM Intellectual Property and Xenith IP Group to merge, creating a leading intellectual property services group

QANTM Intellectual Property Ltd (ASX:QIP) and **Xenith IP Group Ltd** (ASX:XIP) enter into merger of equals, with QANTM shareholders owning 55% and Xenith shareholders 45% of the merged entity.

Implementation through a Scheme of Arrangement, with Xenith shareholders to receive 1.22 QANTM shares for each Xenith share held. Implementation expected in April 2019.

QANTM is a group of intellectual property limited (independent) QANTM and business group Limited (ASX:QIP) in (Xenith) in New Zealand and Asia that they have today entered into the attached Scheme Implementation Deed, under which the two companies will merge through an all scrip scheme of arrangement (**Scheme**) whereby Xenith shareholders will receive 1.22 QANTM shares for each Xenith share they hold (**the Transaction**). The Merged Group 1 Yrs pro forma EBITDA of \$78.2 million, with the merger expected to achieve cost synergies of \$7 million per annum to be fully realised at the end of year three, generating earnings per share accretion for both Xenith and QANTM shareholders.

The Transaction implies a value of \$1.598 per Xenith share, based on the most recent closing price of QANTM shares (\$1.310 per share as at 26 November 2018). This value represents a premium of approximately 28.4% to the most recent closing price of Xenith shares (\$1.245 per share), and approximately 27.0% to the 1-month volume weighted average price (**VWAP**) of Xenith shares (\$1.258 per share).¹

The Transaction will create a market leading group of independent intellectual property services businesses in Australia, New Zealand and Asia with a pro forma market capitalisation of approximately \$285.2 million² (the **Merged Group**). On completion of the Transaction, QANTM and Xenith shareholders will own 55% and 45% respectively of the Merged Group.

The Scheme Implementation Deed and the Scheme are subject to usual conditions precedent for a scrip merger, including:

- no regulatory intervention;
- Xenith shareholder approval; and
- other customary conditions.

Xenith's Board of Directors unanimously recommends that Xenith shareholders vote in favour of the Scheme, in the absence of any superior proposal and subject to the Independent Expert concluding that the Scheme is in the best interests of Xenith shareholders.

Consistent with their recommendation, each member of the Xenith Board intends to vote the Xenith shares in his or her control in favour of the Scheme in the absence of any superior proposal and subject to the Independent Expert concluding that the Scheme is in the best interests of Xenith shareholders.

The obligations of QANTM and Xenith regarding the implementation of the Scheme, the conditions precedent and deal protections are set out in the attached Scheme Implementation Deed.

Merger rationale

With an existing alignment of heritage, culture and strategy, the merger of QANTM and Xenith will create a leading provider of IP origination services in Australia. The Merged Group will offer a broad base of highly complementary patent, trade mark, legal and strategic innovation advisory services.

Leveraging QANTM's existing presence in Asia with Xenith's growing operations and opportunities in the region, the Merged Group will be significantly better placed to develop an expanded presence in

the high-growth region. A strengthened balance sheet will also support the pursuit of acquisitions and other growth opportunities in Asia.

Increased scale will enable the Merged Group to realise benefits of a streamlined corporate management and shared back-office services, and to invest in common, world-class technology platforms. The resulting operational efficiencies will drive margin improvement across the Merged Group of independent businesses with consistent practice management discipline. Furthermore, the increased scale will provide a strong foundation to drive automation and innovation.

Financial highlights

Significant value accretion is expected for both shareholder groups. The merger is expected to deliver pre-tax cost synergies of \$7 million per annum³, on a full run-rate basis and excluding one-off transaction and integration costs. Identified cost synergies primarily reflect benefits of transformation through technology, the elimination of duplication in the Merged Group, and include savings in general expenses, costs relating to back-office systems as well as enhanced productivity across the Merged Group. The full run-rate of these synergies is expected to be achieved by the end of year three from completion of the Transaction, while one-off implementation costs are projected to be approximately \$7 million.

As a result, the Merged Group's FY18 EBITDA on a pro forma basis would have been \$45.2 million, representing significant expansion in an EBITDA margin (relative to service fee revenue) of 27.4%. Furthermore, the scale and operational efficiencies driving this margin improvement will support sustainable dividends into the future.

Experienced Board and management team

The Merged Group will benefit from the experience and expertise from a combined management team and Board. The Merged Group's Board will comprise six Directors, with three each from QANTM's and Xenith's current respective Boards. Richard England will be appointed as the Merged Group's Chair, Sibylle Krieger as Deputy Chair, Craig Dower as Managing Director and CEO, and Leon Allen as Executive Director and Head of Business Integration.

Chair commentary

Richard England, Chair of QANTM said: *"The merger of QANTM and Xenith brings together two outstanding Groups, creating a single leading IP services group in Australia and Asia. It is clear that the businesses within the QANTM and Xenith Groups have great respect for each other, and while each of those businesses will continue to operate independently in supporting their clients, the increased scale will enable the Merged Group to achieve its strategic objectives more quickly and more effectively. With a high degree of strategic alignment already, and the synergies identified, we believe the transaction will generate significant value for shareholders."*

Sibylle Krieger, Chair of Xenith said: *"The portfolio businesses of Xenith and QANTM come from similar long histories and the two Groups have strong alignment on values, vision and strategy for the future. The proposed merger of equals presents a unique opportunity for Xenith as a Group to partner with a like-minded Group, and for its shareholders to benefit from significant value and future earnings accretion through the Transaction."*

Indicative timetable and next steps

~~Xenith shareholders do not need to take any action at the present time.~~

~~Xenith shareholders will be given the opportunity to vote on the Scheme at a meeting expected to be held in late March 2019. Subject to the approval of Xenith shareholders and the other conditions of the Scheme being satisfied, the Scheme is expected to be implemented in April 2019.~~

~~A Scheme Booklet containing information relating to the Scheme, reasons for the Directors' recommendation, an Independent Expert's report and details of the Scheme Meeting is expected to be sent to Xenith shareholders in late February 2019.~~

~~Further information on the Transaction has been provided in the supporting investor presentation also released to the ASX today.~~

1. Defined terms & interpretation

1.1 Defined terms

In this document:

Scheme means the scheme of arrangement which forms [Annexure schedule 8](#) to the Scheme Implementation Deed.

Scheme Implementation Deed means the Scheme Implementation Deed dated ~~26 November 2018~~[\[date\] 2019](#) between [QIP|PH](#) and XIP.

XIP means Xenith IP Group Limited ABN 88 607 873 209.

Trust Account has the meaning given in the Scheme.

1.2 Terms defined in Scheme Implementation Deed

Words and phrases defined in the Scheme Implementation Deed or the Scheme have the same meaning in this deed poll unless the context requires otherwise.

1.3 Incorporation by reference

The provisions of clauses 1.1 (if not otherwise defined in this deed poll), 1.2 and 1.3 of the Scheme Implementation Deed form part of this deed poll as if set out at length in this deed poll but with 'deed poll' substituted for 'deed' and with any reference to 'party' being taken to include the Scheme Shareholders.

2. Nature of this deed poll

3. Conditions

3.1 Conditions

[QIP|PH](#)'s obligations under clause 4 are subject to the Scheme becoming Effective.

3.2 Termination

This deed poll and the obligations of [QIP|PH](#) under this deed poll will automatically terminate and this deed poll will be of no further force or effect if:

- (a) the Scheme Implementation Deed is terminated in accordance with its terms prior to the Scheme becoming Effective; or
- (b) the Scheme is not Effective by the End Date or any later date as the Court, with the consent of [QIP|PH](#) and XIP, may order,

unless XIP and [QIP|PH](#) otherwise agree in writing.

3.3 Consequences of termination

If this deed poll terminates under clause 3.2, in addition and without prejudice to any other rights, powers or remedies available to it:

- (a) [QIP/IPH](#) is released from its obligations to further perform this deed poll; and
- (b) each Scheme Shareholder retains the rights they have against [QIP/IPH](#) in respect of any breach of this deed poll which occurred before it terminated.

- (c) The obligations of [QIP/IPH](#) under clause 4.2(a) will be satisfied if:
 - (i) by no later than the Business Day before the Implementation Date, it deposits (or procures the deposit) in cleared funds the aggregate amount of the Cash Scheme Consideration payable to all Scheme Shareholders into the Trust Account (except that the amount of any interest on the amount deposited will be to IPH's account); and
 - (ii) on or before 5.00pm on the Implementation Date, it issues all of the New [QIP/IPH](#) Shares which it is obliged to issue to Scheme Shareholders and to the Sale Agent under the Scheme and provides XIP with written confirmation that it has done so.
