

SomnoMed appoints new CFO

8th April 2019, SomnoMed Limited (ASX:SOM) is pleased to announce Mr Hervé Fiévet has been appointed as Chief Financial Officer, with effect from today.

Mr Fiévet, is an Australian citizen with French heritage, having started his career in France in the automotive industry. He was the business unit finance leader for Sogefi Group's aftermarket division and led a global team across 8 countries until 2012. Mr Fiévet moved to Australia in 2013 and since that time he has worked at Baxter IP (business innovation group that commercializes product concepts and technologies) and more recently at Pierre Fabre (French pharmaceutical business, with dermatological and cosmetic brands). Hervé has had extensive experience in managing all aspects of finance, IT, supply chains, global purchasing, legal and HR.

"We are extremely pleased to have found Hervé given his level of experience and his strong commercial acumen," said Mr Neil Verdal-Austin, Global CEO of SomnoMed. "Hervé has an entrepreneurial background driven by a continuous improvement mindset with a successful management career spanning some 14 years and I look forward to working with him to drive the company strategy and achieve a stronger acceptance and penetration of the SomnoDent[®] oral appliance treatment for patients in all markets that we currently operate in," added Mr Verdal-Austin.

Hervé takes over the role from Neil Verdal-Austin who after 10 years as SomnoMed's CFO, was appointed as CEO in November 2018.
