Dear Cromwell securityholder,

Cromwell Property Group (ASX:CMW) (Cromwell) is pleased to advise that its security purchase plan (SPP) opens today, Wednesday 3 July 2019. The SPP offers Cromwell securityholders with a registered address in Australia or New Zealand (Eligible Securityholders) the opportunity to purchase up to \$15,000 worth of stapled securities in Cromwell (New Securities) at a price of \$1.15 per New Security, without paying any brokerage or transaction costs.

Cromwell has identified a number of strategic growth opportunities across both its Indirect and Direct Property Investment segments. Cromwell will fund these opportunities with proceeds from the SPP and recent successful \$375m institutional placement (Placement and, together with the SPP, the Equity Raising), recycling of existing capital and introduction of new capital partners.

The strategic growth opportunities include over \$1.0 billion of acquisition opportunities in Australia and Europe as part of its 'Invest to Manage' strategy that were, at the date of the announcement of the SPP, either in exclusive due diligence or advanced negotiations³. The proceeds of the Equity Raising, along with recycled capital from asset sales, will also provide certainty of funding for over \$1.0 billion of value-add development opportunities across Cromwell's existing Australian Core+ and Active real estate portfolio.

Cromwell CEO Paul Weightman said: "Cromwell continues to identify value enhancing investment opportunities across both its Indirect and Direct Property Investments that will deliver significant medium-term growth in enterprise value for Cromwell and realise significant capital returns for securityholders. The Equity Raising will provide certainty of funding to pursue these opportunities, strengthen the balance sheet and allow for growth in distributions."

Financial Impact

Cromwell continues to successfully execute on its 'Invest to Manage' strategy and will use the Equity Raising proceeds to accelerate this growth.

¹ For more information please refer to our investor presentation released to the ASX on 26 June 2019 entitled 'Equity Raising for Strategic Growth Opportunities', which can be accessed on our website at <https://www.cromwellpropertygroup.com/securityholder-centre/asx-announcements> or from the ASX at <https://www.asx.com.au/>.

² cps refers to cents per security.

³ There is no certainty that any of these opportunities will complete.

- Cromwell reaffirms its FY19 guidance of operating profit of not less than 8.00 cps and distributions of 7.25 cps;
- Cromwell also provides preliminary guidance for FY20 operating profit of 8.1 – 8.3 cps and distributions of not less than 7.5 cps; and
- Cromwell also announces that, post-reinvestment of the proceeds of the Equity Raising, it expects gearing to move to within its revised target gearing range of 30-40% through the cycle.

Chairman's letter

3 July 2019

Dear Securityholder,

On behalf of the Boards of Cromwell Corporation Limited and Cromwell Property Securities Limited as the responsible entity of the Cromwell Diversified Property Trust (the **Board**), I am pleased to offer Eligible Securityholders the opportunity to participate in the Cromwell Property Group (**Cromwell**) security purchase plan (**SPP**) allowing you to purchase up to A\$15,000 worth of Cromwell Securities without paying any brokerage or transaction costs (**New Securities**).

On 27 June 2019, Cromwell announced that it had successfully completed an institutional placement, which raised A\$375 million (**Placement**). Cromwell also announced the SPP on 26 June 2019. Cromwell has identified a number of strategic growth opportunities across both its Indirect and Direct Property Investment segments that will be funded with proceeds from the Placement and SPP, recycling of existing capital and introduction of new capital partners. This includes over \$1.0 billion of acquisition opportunities as part of its 'Invest to Manage' strategy that were, at the date of the announcement of the SPP, either in exclusive due diligence or advanced negotiations¹. The proceeds, along with recycled capital from asset sales, will also provide certainty of funding for over \$1.0 billion of value-add development opportunities across Cromwell's existing Australian Core+ and Active real estate portfolio. Prior to funding the identified opportunities, proceeds will be used to repay bank debt.

The SPP is being offered to Eligible Securityholders to provide them with the opportunity to increase their holding in Cromwell on terms similar to those of the Placement, namely at an Offer Price of A\$1.15 per New Security. Cromwell reaffirms the preliminary guidance for FY20, provided in Cromwell's ASX announcement and investor presentation for the Placement which were released on ASX on 26 June 2019, of operating profit of 8.1-8.3 cps and distributions of not less than 7.5 cps².

Cromwell expects to raise A\$30 million³ from the SPP.

Participation in the SPP is entirely optional and is open to Eligible Securityholders, being holders of Cromwell Securities at 7.00pm AEST Tuesday 25 June 2019 with a registered address in Australia or New Zealand. If the total

value of applications for New Securities exceeds A\$30 million, Cromwell has the absolute discretion to either accept all or part of the oversubscription or to scale back applications. If applications are scaled back, you will not receive the full number of New Securities you have applied for and the balance of your application monies not applied to purchase New Securities under the SPP will, if equal to A\$2.00 or more, be refunded to you⁴.

Cromwell will make an announcement to the ASX on or about Friday 26 July 2019 on the outcome of the SPP and number of New Securities issued.

What to do next

The SPP opens at 9.00am AEST Wednesday 3 July 2019. To participate in the SPP, you can choose to apply to purchase A\$5,000 of New Securities (4,347 New Securities), A\$7,500 of New Securities (6,521 New Securities), A\$10,000 of New Securities (8,695 New Securities), A\$12,500 of New Securities (10,869 New Securities) or A\$15,000 of New Securities (13,043 New Securities), in each case at the Offer Price of A\$1.15.

You may apply for New Securities by either:

- completing and returning the enclosed Application Form together with your payment via cheque. **Your Application Form and payment must be received before 5.00pm AEST Wednesday 24 July 2019;** or
- making a BPAY® payment in accordance with the instructions on your personalised Application Form. **Your payment must be received before 5.00pm AEST Wednesday 24 July 2019.** If you make your payment by BPAY®, you do not have to return the enclosed Application Form.

Important information

The offer of New Securities under the SPP is made in accordance with ASIC Class Order [CO 09/425] which grants relief from the requirement to issue a disclosure document for the SPP. This booklet is not a prospectus or product disclosure statement regulated under the Corporations Act.

The Board recommends that you read the attached SPP Terms and Conditions carefully and in their entirety before

(1) There is no certainty that any of these opportunities will complete.

(2) Guidance includes the impact of the Placement and assumes partial reinvestment of the Placement proceeds.

(3) If Cromwell receives applications in excess of A\$30 million, Cromwell reserves the right to either increase the amount raised by accepting all or part of the oversubscription amount or to scale back applications, to the extent and in the manner it sees fit.

(4) Given the cost of processing and mailing cheques, Cromwell has decided that amounts under A\$2.00 will be aggregated and donated to charity.

deciding whether to participate in the SPP. In particular, you should note the future market price of Cromwell Securities is uncertain and may rise or fall. This means the price you pay for New Securities may be either higher or lower than the price at which Cromwell Securities are trading on the ASX at the time the New Securities are issued to you under the SPP.

This letter does not provide financial advice and has been prepared without taking account of any person's investment objectives, financial situation or particular needs. This booklet does not include all available information on Cromwell and should not be used in isolation as a basis to invest in Cromwell. Any potential investors should refer to Cromwell's other public releases and statutory reports before considering investing in Cromwell. If you are in any doubt about the course of action you should follow, you should consult your financial, taxation or other professional adviser before participating in the SPP.

What if I have more questions?

If you have any questions about the SPP, please contact Link Market Services Limited (Cromwell's registry provider) on +61 1300 550 841. If you have any questions about whether an investment in Cromwell through the SPP is appropriate for you, please contact your financial, taxation or other professional adviser.

Yours sincerely

SPP Terms and Conditions

Important notices

This booklet has been prepared by Cromwell Property Group, comprising Cromwell Corporation Limited ABN 44 001 056 980 (**CCL**) and Cromwell Diversified Property Trust ARSN 102 982 598 (**CDPT**) (the responsible entity of which is Cromwell Property Securities Limited ABN 11 079 147 809, AFSL 238052) (together, **Cromwell**).

The offer to purchase New Securities under the Cromwell security purchase plan (**SPP**) is not a recommendation to purchase Cromwell Securities. Nothing in the booklet, these terms and conditions (**SPP Terms and Conditions**), the SPP application form (**Application Form**) or any other accompanying documentation constitutes investment or financial product advice or is intended to influence your decision whether or not to participate in the SPP. The SPP documentation does not constitute a prospectus or a product disclosure statement nor is such disclosure required under the Corporations Act. You must rely on your own knowledge of Cromwell, previous disclosures made by Cromwell to the ASX and, if necessary, consult with your professional adviser when making your decision whether or not to apply for New Securities under the SPP.

If you apply to participate in the SPP, by making a BPAY® payment or completing and returning the Application Form with a cheque, you are accepting the risk that the market price of Cromwell Securities may change. This means it is possible that, up to or after the date you receive New Securities under the SPP, you may be able to buy Cromwell Securities on the ASX at a lower price than under the SPP.

Set out below are the SPP Terms and Conditions that are binding on any Eligible Securityholder completing an Application Form or applying via BPAY®. The Application Form forms part of these SPP Terms and Conditions.

Capitalised terms used in these SPP Terms and Conditions are both defined in the body of these SPP Terms and Conditions as well as in Section 12.

1. The SPP

The SPP is an invitation to all Eligible Securityholders to apply under the SPP to acquire New Securities at an Offer Price of A\$1.15 per New Security, up to a maximum of 13,043 New Securities equivalent to A\$15,000. You cannot apply for more than A\$15,000 worth of New Securities, even if you receive more than one Application Form.

The SPP opens on Wednesday 3 July 2019 and closes at 5.00pm AEST on Wednesday 24 July 2019 and is being made to each Eligible Securityholder on the SPP Terms

and Conditions. The SPP is non-renounceable and non-transferable so that Eligible Securityholders cannot transfer their right to acquire New Securities under the SPP to a third party.

The number of New Securities you receive will depend on both the amount that you apply for and the total amount applied for by all Eligible Securityholders. Cromwell reserves the right to scale back Applications, or accept all or part of the oversubscriptions, where the total value of New Securities applied for by all Eligible Securityholders exceeds A\$30 million.

You are under no obligation to apply for New Securities under the SPP. The number of existing Cromwell Securities that you hold as at the Record Date and the rights attached to those existing Cromwell Securities will not be affected if you choose not to participate in this SPP.

Participation in the SPP is optional.

If you choose not to participate in the SPP, your right to apply to participate will end at 5.00pm AEST on Wednesday 24 July 2019, the Closing Date of this SPP.

2. Eligible Securityholders

2.1 ELIGIBILITY

You are eligible to participate in the SPP if:

- you have a registered address in either Australia or New Zealand; and
- you were registered as a Securityholder as at 7.00pm AEST on Tuesday 25 June 2019 (**Record Date**).

Cromwell has determined that it is not practical for Securityholders with registered addresses in other jurisdictions to participate in the SPP. The offer under this SPP is only made to Eligible Securityholders and not to any other Securityholders.

2.2 INDIVIDUAL SECURITYHOLDERS

If you are the only registered holder of Cromwell Securities but you receive multiple offers under this SPP (for example, because you have multiple holdings under different capacities) you may only apply for New Securities up to a maximum value of A\$15,000 in aggregate.

2.3 JOINT SECURITYHOLDERS

If you are recorded with one or more persons as the joint holders of Cromwell Securities, that joint holding is considered to be a single registered holding for the

purposes of this SPP. If the same joint Securityholders receive multiple offers under this SPP (for example, due to multiple registered Securityholdings) the joint Securityholders may only apply for New Securities up to a maximum value of A\$15,000 in aggregate. The certification under Section 10 by one joint holder will be effective in respect of the other joint Securityholder(s).

2.4 CUSTODIANS

If you are a Custodian, you may apply for up to A\$15,000 worth of New Securities for each beneficiary resident in Australia or New Zealand subject to you annexing to your Application Form a certificate addressed to Cromwell with the information prescribed in ASIC Class Order [CO 09/425] (as amended) (**Custodian Certificate**). Applications by Custodians that are not accompanied by a duly completed Custodian Certificate will be rejected.

If you are a Custodian and would like a Custodian Certificate or further information on how to apply, you should contact Link Market Services Limited (Cromwell Property Group's registry provider) on +61 1300 550 841.

The SPP is being offered to Custodians because they are the registered holder of Cromwell Securities on behalf of their clients (who are the beneficial owners). Whether or not a Custodian participates in the SPP on behalf of its client(s) is subject to the particular arrangements in place between the Custodian and its client(s).

However, a Custodian must not participate in the SPP on behalf of, nor distribute this booklet or any other document relating to the SPP, to any person in the United States or elsewhere outside Australia and New Zealand.

2.5 TRUSTEES AND NOMINEES

If you hold Cromwell Securities as a trustee or nominee for another person but are not a Custodian, you cannot participate for beneficiaries in the manner described in Section 2.4 above. In this case, Section 2.2 and Section 2.3 apply.

2.6 SECURITYHOLDERS OUTSIDE AUSTRALIA AND NEW ZEALAND

This SPP is not being made to any Securityholder who, as at the Record Date, has a registered address outside of Australia or New Zealand. Securityholders who hold Cromwell Securities on behalf of persons who reside outside Australia and New Zealand are not entitled to participate in the SPP.

No action has been taken to register or qualify the New Securities or the SPP or otherwise to permit an offering of the New Securities in any jurisdiction outside Australia and New Zealand.

2.7 NEW ZEALAND

The New Securities are not being offered or sold within New Zealand other than to existing Securityholders with registered addresses in New Zealand to whom the offer of New Securities is being made in reliance on the Financial Markets Conduct (Incidental Offers) Exemption Notice 2016 (New Zealand).

This booklet has been prepared in compliance with Australian law and has not been registered, filed with or approved by any New Zealand regulatory authority under or in connection with the Financial Markets Conduct Act 2013 (New Zealand). This booklet is not a product disclosure statement or other disclosure document under New Zealand law and is not required to, and may not, contain all the information that a product disclosure statement under New Zealand law is required to contain. Participation in New Zealand in the SPP is open only to persons to whom financial products may be offered in New Zealand pursuant to the Financial Markets Conduct (Incidental Offers) Exemption Notice 2016 (or any replacement of that notice).

The taxation treatment of Australian financial products is not the same as for New Zealand financial products. The offer of New Securities may involve a currency exchange risk as they will be quoted on the ASX in Australian dollars.

If you are uncertain about whether this investment is appropriate for you, you should seek the advice of an appropriately qualified financial adviser

2.8 UNITED STATES

These materials do not constitute an offer to sell, or a solicitation of an offer to buy, any New Securities in the United States. The New Securities under the SPP have not been, and will not be, registered under the U.S. Securities Act of 1933 as amended (the "U.S. Securities Act") or the securities laws of any state or other jurisdiction of the United States, and therefore will only be offered and sold to eligible securityholders in Australia and New Zealand in "offshore transactions", as defined and in reliance on Regulation S under the U.S. Securities Act.

2.9 DIRECTORS AND EMPLOYEES

Directors and employees of Cromwell who hold Cromwell Securities may also be Eligible Securityholders.

3. Offer Price

The Offer Price under this SPP is A\$1.15 and is the same as that under the Placement. The current Cromwell Security price can be obtained from the ASX website at www.asx.com.au (ASX:CMW).

Eligible Securityholders who apply for New Securities under the SPP agree to pay the Offer Price per New Security for the number of New Securities allocated under the SPP.

The price at which Cromwell Securities trade on the ASX may vary between the date of this booklet, the date that you apply for New Securities and the date of issue of New Securities to you. Therefore, the Offer Price of New Securities under the SPP may be more than or less than the market price of Cromwell Securities at the time of allotment. The value of your investment in New Securities may therefore rise or fall. There is no certainty that Cromwell Securities will trade at or above the Offer Price following the issue of New Securities under the SPP.

You acknowledge the risk that the market price of New Securities may rise or fall between the date of this booklet and the date the New Securities are allotted to you under the SPP which may mean that the Offer Price you pay for the New Securities may exceed the market price of the Cromwell Securities when allotted.

4. Costs of the SPP

No brokerage, commissions or other transaction costs will apply to the Application for, and allotment of, New Securities under the SPP.

5. Number of New Securities

Cromwell is inviting Eligible Securityholders to apply for a total of approximately 13,043 New Securities each at the Offer Price of A\$1.15 per New Security to raise up to A\$30 million before costs.

Each Eligible Securityholder is entitled to apply for up to 13,043 New Securities (regardless of the number or value of registered holdings in which they have a beneficial interest) for a maximum consideration of A\$15,000. Cromwell reserves the right to issue less New Securities than the number specified in the Application Form for whatever reason including the possible application for over A\$15,000 worth of New Securities by an Eligible Securityholder through multiple Applications.

Eligible Securityholders may apply for New Securities by taking up one of the following offers:

Option	Value of New Securities	Number of New Securities
Offer 1	A\$5,000	4,347 New Securities
Offer 2	A\$7,500	6,521 New Securities
Offer 3	A\$10,000	8,695 New Securities
Offer 4	A\$12,500	10,869 New Securities
Offer 5	A\$15,000	13,043 New Securities

No fractions of New Securities will be issued, with any fraction being rounded down to the nearest whole number of New Securities.

Cromwell will apply to the ASX for the quotation of New Securities issued under the SPP. It is anticipated that the New Securities issued under the SPP will be quoted on ASX on or about Wednesday, 31 July 2019. Link Market Services Limited (Cromwell's registry provider) will send a holding statement to participating Eligible Securityholders confirming the allotment of New Securities on or about Thursday 1 August 2019.

6. Scale back and oversubscription

If the total value of Applications under the SPP is in excess of A\$30 million, Cromwell may in its absolute discretion either accept all or part of such oversubscriptions or scale back Applications for New Securities to the extent and in the manner that it sees fit. Decisions made will be final.

If there is a scale back, you may not receive the full number of New Securities applied for under the SPP. If a scale back produces a fractional number when applied to your Application, the number of New Securities you will be allotted will be rounded down to the nearest whole number of New Securities.

In the event of a scale back, the difference between the application monies received and the number of New Securities allocated to you multiplied by the Offer Price, will, if it exceeds A\$2.00, be refunded to you by direct credit (to your nominated account as recorded on the registers of CCL and CDPT) or cheque, without interest, as soon as practicable following allotment. Any individual refund amounts below A\$2.00 will be accumulated and donated to charity.

7. Security rights and allotment

The New Securities issued under the SPP will rank equally in all respects with existing Cromwell Securities quoted on the ASX, with the same voting rights, dividend/distribution rights and other entitlements, from allotment.

8. Application for New Securities

If you are an Eligible Securityholder and wish to participate in the SPP, you must follow the instructions on the Application Form and either:

- a) complete the Application Form and forward it with a cheque made payable to "**Cromwell Property Securities Limited Application Account**" and crossed "**Not Negotiable**" in the enclosed reply envelope. Please ensure that sufficient cleared funds are held in your account, as your cheque will be banked as soon as it is received; or
- b) make a payment by BPAY® equivalent to the dollar amount of the parcel of New Securities you wish to apply for (including providing the unique identifier provided to you on your personalised Application Form for the purposes of the SPP only),

in either case, so that it is received before the Closing Date of 5.00pm AEST on Wednesday 24 July 2019. Payments must be in Australian dollars. Your own financial institution may implement earlier cut off times for electronic payments and you should take this into consideration when paying by BPAY®. Your financial institution may have set a limit on the amount that you can pay by BPAY®.

If you make a payment by BPAY®, in applying for New Securities, you represent to Cromwell that the total of the application price for the following does not exceed A\$15,000:

- a) the New Securities the subject of the Application;
- b) any other New Securities in the class applied for under the SPP or any Cromwell Securities in the class issued under a similar arrangement in the 12 months before the Application;
- c) any other New Securities in the class which you have instructed a custodian to acquire on your behalf under the SPP; and

- d) any other Cromwell Securities in the class issued to a Custodian under an arrangement similar to the SPP in the 12 months before the Application as a result of an instruction given by you to the Custodian or another Custodian and which resulted in the holder holding beneficial interests in the Cromwell Securities,

noting that Cromwell has not conducted a similar arrangement in the preceding 12 months.

If Cromwell receives an amount that is not equal to any of those illustrated in Section 5, Cromwell will round down to the dollar amount of New Securities that you are applying for to the next lowest parcel (see Section 5) or if Cromwell receives less than A\$5,000, reject your Application and refund any monies that are not used to purchase New Securities, without interest, as soon as practical following allotment.

Cromwell may accept or reject your Application for New Securities under the SPP at its sole discretion. Cromwell may reject your Application in the following circumstances including, without limitation, if:

- a) your Application Form is incorrectly completed, incomplete, does not comply with the SPP Terms and Conditions or is otherwise determined by Cromwell to be invalid;
- b) it appears that you are not an Eligible Securityholder;
- c) you have applied for less than A\$5,000 worth of New Securities;
- d) your cheque is dishonoured or has been incorrectly completed;
- e) your BPAY® payment is incomplete or invalid;
