

500,000 patients treated worldwide

8th July 2019, SomnoMed Limited (ASX:SOM) announced today that during the month of June 2019, the total number of patients treated worldwide with the SomnoDent® oral appliance therapy, exceeded 500,000.

“This is an important milestone for our company,” said Mr Neil Verdal-Austin, Global CEO of SomnoMed. “We are very proud of this achievement, as it confirms our position as the global leader in oral appliance therapy for the treatment of obstructive sleep apnea. More importantly, we are very satisfied having been able to assist a significant number of patients in being effectively and appropriately treated for their obstructive sleep apnea condition. Most of the patients treated tell us of their ongoing success with the therapy and how this has changed their lives. The high compliance rates, shown in internal patient surveys, confirm that these patients are achieving a very effective medical outcome and experience an improvement in their quality of life with the SomnoDent® therapy option,” continued Mr Verdal-Austin.

SomnoMed Limited designs, manufactures, sells and distributes the clinically approved and validated SomnoDent® oral appliance under the banner COAT™ (Continuous Open Airway Therapy) in 28 countries with all USA (FDA) and other regulatory approvals necessary to treat this serious medical condition.
