Big River completes the acquisition of Big Hammer Building Supplies, Townsville QLD

Big River Industries Ltd (ASX: BRI) is pleased to announce that it has completed the acquisition of Big Hammer Buildings Supplies (Big Hammer), located in Aitkenvale, a suburb in Townsville Queensland.

Big River already operates a building supplies distribution centre in Townsville but has taken the opportunity to combine the strong operating histories of both businesses to create a larger and more diversified business.

The existing Big River staff remain with the consolidated business and the owner of Big Hammer, John Geaney, remains in a management role.

This continues the expansion of Big River's network into the major population centres of Australia, to directly supply the Trade segment of the building and construction industry.
