Capricorn Metals Ltd (ASX:CMM) (**Capricorn** or the **Company**) is pleased to advise that subsequent to the announcement on 13 August 2019, the Company has now issued a total of 125,426,127 fully paid ordinary shares (**Placement**) at an issue price of 16.0 cents per share to raise \$20.1 million before costs.

A total of 31,772,793 shares were issued under the Company's 15% placement capacity under ASX Listing Rule 7.1 and a total of 93,653,334 shares were issued under the Company's additional 10% placement capacity pursuant to ASX Listing Rule 7.1A.

Proceeds of the Placement, together with Capricorn's existing cash resources will be utilised to:

- Optimise the previously announced development plans for Karlawinda;
- Completion of other pre-development and infrastructure activities;
- Pre-production mining works and deposits for long lead capital items;
- Construction of processing plant and associated infrastructure, targeted for commencement in the March 2020 quarter; and
- Ongoing exploration and working capital requirements.

Notice pursuant to s708a(5)(e) of the *Corporations Act 2001* and an Appendix 3B, are attached in respect of the Placement.

Additional disclosure under ASX listing Rule 3.10.5A

Capricorn provides the following information pursuant to ASX Listing Rule 3.10.5A in respect of the shares issued under the Company's 10% placement capacity pursuant to Listing Rule 7.1A:

1. 93,653,334 of the shares issued under the Placement are being issued pursuant to the Company's ASX Listing Rule 7.1A placement capacity (**7.1A Placement**). The shares issued represent 8% of the capital in the Company immediately after the first tranche of the Placement. Pre-placement shareholders' overall interests will therefore be diluted by 8% following the 7.1A Placement (however some existing shareholders are participating in the placement so their particular interests may have increased or been diluted to a lesser extent).
2. The following table provides details of participation by existing shareholders and new investors who are participating in the component of the placement issued under the Company's ASX Listing Rule 7.1A capacity:

Shares held by pre-placement shareholders who are not participating in the ASX Listing Rule 7.1A component of the placement	64%
Shares held by pre-placement shareholders who are participating in the ASX Listing Rule 7.1A component of the placement	31%
Shares held by new shareholders who are participating in the ASX Listing Rule 7.1A component of the placement	5%
Shares held by new shareholders who are participating in the ASX Listing Rule 7.1 component of the placement but are not participating in the ASX Listing Rule 7.1A component of the placement	-
Total	100%

3. The Company has issued the 93,653,334 shares under ASX Listing Rule 7.1A as it considers this to be the quickest, most efficient and most certain method for raising funds in the circumstances.
4. The placement was not underwritten.
5. The Company will pay to Argonaut Securities Pty Ltd a 3% capital raising fee and a 1% management fee on the funds raised pursuant to both tranches of the Placement (excluding the amount of the Hawke's Point Top Up Right). The Company has also incurred miscellaneous expenses including legal and listing fees in connection with the Placement.
