1. Fully Paid Ordinary Shares
2. Share Appreciation Rights (SARs) are Share Appreciation Rights (SARs) are issued under the terms of the company's existing Employee Performance Share Rights Plan as adopted by shareholders on 9 November 2018 (the Plan) for nil consideration. Share Appreciation Rights issued under the Plan are entitlements to acquire a number of Shares equal to the growth in the value of the underlying Shares (if any) upon satisfaction of the relevant vesting conditions and other terms and conditions determined by the Board under the Plan. Share Appreciation Rights granted under the Plan in relation to FY19 are subject to the following vesting conditions:

The Vesting Dates are as follows:

- Tranche 1 – 50% of SARs will vest one (1) year following the Grant Date (1 October 2020)
- Tranche 2 – 25% of SARs will vest two (2) years following the Grant Date (1 October 2021)

Upon vesting of any Rights, participants will be issued with Shares equal to the value derived by multiplying the number of vested Rights exercised by the relative growth in share price over the deemed exercise price. Relative share price growth is determined by a comparison of the Paladin share price growth with a hurdle share price of 12 cents per share (calculated using Volume weighted average price (VWAP) of a Share for the five trading days before the date of exercise). Vested and exercised Share Appreciation Rights will be converted into Paladin ordinary shares. Unvested Share Appreciation Rights which do not meet the vesting conditions or are not exercised within the exercise period will automatically lapse.
