The Sponsor Shareholder and the Partner Shareholders (or their respective nominees) are collectively referred to as the “Foundation Shareholders”.

“Shareholders” means the Foundation Shareholders and any other equity/shareholders / unitholders in the Company (as that term is defined below).

2. Execution Date

24 August 2016

3. Background

- The Foundation Shareholders have established the Home Investment Consortium Company Pty Ltd (ACN: 614 090 818) (as trustee for the Home Investment Consortium Trust) (jointly, the “Company”) for the purposes of undertaking the acquisition of all of the equity in Hydrox Holdings Pty Limited (“Hydrox”) pursuant to a share sale agreement to be agreed (“SSA”).
- The Company will develop a plan to repurpose the former Masters operating sites (both leasehold & freehold) into Large Format Retail destination shopping centres.
- The Foundation Shareholders comprise the Sponsor Shareholder and Partner Shareholders who will, in their own right or via nominees, all be the initial members of the Company.
- The Foundation Shareholders wish to enter into: (i) equity / share subscription agreements in respect of their subscription for equity in the capital of the Company (“Equity Subscription Agreement”); and (ii) a unitholders/shareholder’s agreement in order to record their respective rights and obligations as members of the Company and the arrangements for the management, control and funding of the Company (“Shareholders Agreement”). For the avoidance of doubt, the Foundation Shareholders may nominate a different entity to subscribe for the equity/shares in the Company and enter into the Shareholders Agreement.
- This “Shareholder’s Term Sheet” (the “Term Sheet”) summarises the principal terms to be included in the Equity Subscription Agreements and the Shareholders Agreement. It is binding but subject to the terms of the Shareholder’s Agreement when subsequently entered into. The Shareholder’s Term Sheet and subsequently the Shareholder’s Agreement will govern the relationship between the Foundation Shareholders and any future equity/shareholders of the Company.

4. Good faith to enter into Transaction Documents

Each Party agrees to work together co-operatively and in good faith to implement the terms of this Term Sheet in the most expeditious, financially efficient and tax effective manner and in compliance with all laws, including by negotiating and entering into:

- the Equity Subscription Agreements;
- the Shareholders’ Agreement; and
- any other appropriate ancillary documentation,

(the “Transaction Documents”).

The Parties agree to work together co-operatively and in good faith to procure that the Company enters into the SSA on terms to be agreed.

There will be no obligation on the Parties to complete the transactions contemplated by this Term Sheet until legally binding Transaction Documents are agreed and signed by all Parties.

6. The parties to the Equity Subscription Agreements and Shareholders Agreement

The parties to the Equity Subscription Agreements and the Shareholders Agreement are to be:

Completion under the Equity Subscription Agreements (i.e., the financial settlement / payment, and the issue of units and shares to each Foundation Shareholder) is to be interdependent / simultaneous with the effective date of the Shareholders Agreement.

- **Tranche B** - will occur prior to the signing of the SSA to acquire Hydrox and will comprise an equity raising of A\$50,000,000.00 from the Partner Shareholders in the proportions set out in Annexure A.

A third tranche (**Tranche C**) - “The General Offer” - will occur after signing of the SSA to acquire Hydrox and will be for a target amount of \$50,000,000.00 to \$100,000,000.00, with the final amount raised under this Tranche C to be determined by the Foundation Shareholders based on the price achieved for the raising (with a target range of \$2.50 to \$3.00 / share).
