Dear Jon

#### **Voluntary Suspension Request**

Costa Group Holdings Ltd (ASX: CGC, "Company") refers to its request for a trading halt dated 21 October 2019 and to the trading halt granted by ASX in response.

CGC requests that its shares be placed in voluntary suspension with immediate effect. For the purposes of ASX Listing Rule 17.2, and in support of its request, the Company:

- requests a voluntary suspension pending an announcement to the market in respect of
  its trading outlook, which it is not in a position to make at this time. The Company
  considers that it is appropriate that it enters into a voluntary suspension so that it can
  manage its continuous disclosure obligations and to avoid the market trading in CGC
  securities on a basis that is not reasonably informed;
- requests that the voluntary suspension remain in place until such time as it makes an announcement to the market regarding the above matter. The Company currently expects that the voluntary suspension would be required for up to 5 trading days; and
- is not aware of any reason why its securities should not be voluntarily suspended or any other information necessary to inform the market about the requested voluntary suspension.

If you require any further information, please do not hesitate to contact me.

Yours faithfully

David Thomas
Company Secretary
