Omni Bridgeway Investment Settlement

IMF Bentham Limited (**IMF**) announces the completion of an Omni Bridgeway investment in connection with a recovery mandate concerning the enforcement of an arbitral award. The total funding and recovery fee received by Omni Bridgeway from the settlement was €4.75 million of which approximately €3.2 million is retained by Omni Bridgeway and approximately €1.55 million is payable to Omni Bridgeway Capital (Fund 6), from which Omni Bridgeway is entitled to a future distribution which will increase the overall return to Omni Bridgeway from the investment.

The initial return on the investment of approximately €3.2 million represents a small profit on the carrying value of the investment following IMF's acquisition of Omni Bridgeway. IMF paid €31.18 million by way of closing consideration for its share purchase of 100% of Omni Bridgeway Holdings B.V. The initial return from this settlement constitutes a return of 10% of that closing consideration within two weeks of closing.

For further details of IMF's acquisition of Omni Bridgeway see IMF's previous announcements date 15 October 2019 and 8 November 2019.
