2.1 Grant of Call Option

The Share Owner irrevocably grants to the Option Holder an option to require the Share Owner to sell the Option Securities to the Option Holder or its nominee for the Purchase Price on the terms and conditions set out in this deed (**Call Option**).

2.2 Consideration for Call Option

In consideration for the grant of the Call Option, the Option Holder pays to the Share Owner the sum of \$10 (receipt of which the Share Owner acknowledges).

2.3 Exercise Period and Exercise Condition

- (a) Subject to clause 2.3(b), the Option Holder may only exercise the Call Option on a Business Day during the Exercise Period.
- (b) The Option Holder may only exercise the Call Option if, subject to clause 2.3(c):
 - (i) on the date of such exercise, the volume weighted average price of the Option Securities for the 28-day period immediately prior to that date is at least \$0.30 per Option Security; or
 - (ii) in the event that an offer has been made to acquire 100% of the Option Securities, by way of a takeover or a scheme of arrangement (in accordance with the *Corporations Act 2001* (Cth)), the trading price of the Option Securities is at least \$0.28 per Option Security.
- (c) The parties agree and acknowledge that if the Relevant Entity undergoes a share consolidation or a subdivision of its existing share capital which changes the number of ordinary shares on issue in the capital of the Relevant Entity and thereby changes the volume weighted average price of the ordinary shares in the Relevant

Entity (for the avoidance of doubt this does not include an issue of new shares by the Relevant Entity), then:

- (i) the number of ordinary shares referred to in the definition of Option Securities, will be amended in proportion to that change in the total number of shares on issue in the Relevant Entity, so that the Option Holder will still acquire the same percentage holding in the Relevant Entity as it would have if no such restructure or reorganisation took place (and this clause 2.3(c) did not apply);
- (ii) the amount payable in the definition of Purchase Price will be amended in proportion to that change in the total number of shares on issue in the Relevant Entity, so that the Option Holder will still pay the same aggregate amount for the purchase of the Option Securities as it would have if no such restructure or reorganisation took place (and this clause 2.3(c) did not apply); and
- (iii) the amounts referred to in clauses 2.3(b)(i) and 2.3(b)(ii) will be amended in proportion to that change in the total number of shares on issue in the Relevant Entity, so that the Option Holder stands to receive an equivalent financial benefit (excluding all relevant taxes, fees, costs and any other financial impacts that arise in respect of the Option Holder independently of this deed) upon issue of the Option Securities, as it would have received if no such restructure or reorganisation took place (and this clause 2.3(c) did not apply).

2.4 Lapse of Call Option

The Call Option will lapse if the Option Holder does not exercise the Call Option during the Exercise Period.

2.5 Exercise of Call Option

The Option Holder is not obliged to exercise the Call Option. Subject to clause 2.3(b), the Option Holder may exercise the Call Option at any time during the Exercise Period by giving the Share Owner an Exercise Notice. The Exercise Notice:

- (a) must specify a date on which Completion is to take place. This date must be no less than 5 Business Days and no more than 15 Business Days after the date of the Exercise Notice (**Completion Date**);
- (b) if the Option Securities are to be purchased by a nominee of the Option Holder, must specify the name and address of that nominee;
- (c) must be signed by, or on behalf of, the Option Holder; and
- (d) once given may only be revoked with the consent of the Share Owner.

The Option Holder may only exercise the Call Option once in respect of all of the Option Securities.

3. Period before Completion

Until the earlier of Completion and the lapse of the Call Option in accordance with clause 2.4, the Share Owner must not, except with the prior written consent of the Option Holder:

- (a) dispose of or create any Encumbrance over any of the Option Securities (or any interest in any of them);

- (b) dispose or otherwise part with possession of all or substantially all of the business, assets or undertakings of the Relevant Entity; or
- (c) exercise any voting rights attaching to the Option Securities.

4.1 Sale and purchase of Option Securities

On Completion the Share Owner must sell and the Option Holder must buy, or procure that its nominee buys, the Option Securities for the Purchase Price free from all Encumbrances.

4.2 Time and place for Completion

Completion must take place at the registered office of the Option Holder at 2pm on the Completion Date, or at any other place, date or time as the Share Owner and the Option Holder agree in writing.

4.3 Share Owner delivery obligations

At Completion the Share Owner must deliver to the Option Holder:

- (a) completed transfers of the Option Securities in favour of the Option Holder or its nominee as transferee duly executed by the Share Owner as transferor and any original share certificates, or duly executed indemnities for any lost share certificates, in respect of the Option Securities; and
- (b) the written consent and waiver of any person holding any pre-emptive right or similar right in relation to the sale of the Option Securities under this deed.

4.4 Option Holder payment obligations

At Completion the Option Holder must pay, or procure that its nominee pays, the Purchase Price to the Share Owner by:

- (a) electronic funds transfer to the account of an Australian bank specified by the Share Owner at least 5 Business Days before the Completion Date and confirmed by the Option Holder to the Share Owner by notice;
- (b) otherwise, unendorsed bank cheque drawn on an Australian bank or other immediately available funds; or
- (c) in any other manner reasonably required by the Share Owner in writing,

free and clear of any set-off, deduction or withholding, except where that set-off, deduction or withholding is required or compelled by law.

4.5 Interdependence of obligations at Completion

The obligations of the parties under clauses 4.3 and 4.4 are interdependent and must be performed, as nearly as possible, simultaneously. If any obligation specified in clauses 4.3 or 4.4 is not performed on or before Completion then, without limiting any other rights of the parties, Completion is taken not to have occurred and any document delivered under clause 4.3 or payment made under clause 4.4 must be returned to the party that delivered it or paid it.

4.6 Title and risk

Beneficial ownership of and risk in the Option Securities will pass from the Share Owner to the Option Holder or its nominee on Completion.

5. Power of attorney

In consideration of the Option Holder entering into this agreement and for other valuable consideration, the Share Owner irrevocably appoints the Option Holder as its attorney from Completion until the Option Holder becomes registered as the holder of the Option Shares with authority to exercise all powers of a registered holder of the Option Shares and during the term of that appointment:

- (a) the Option Holder may do in the name of the Share Owner and on its behalf everything necessary or expedient in the Option Holder's sole discretion to exercise any rights attaching to the Option Shares, including rights to appoint a proxy or representative and voting rights; however, this excludes any rights to receive any dividend or other entitlement paid or credited to the Share Owner in respect of the Option Shares (including any additional Securities that may be issued);
- (b) unless requested by the Option Holder, the Share Owner must not, whether by corporate representative, proxy or otherwise, attempt to attend or vote at any general meeting of the Company or take any other action as the registered holder of the Option Shares; and
- (c) the Share Owner declares that all acts and things done by the Option Holder in exercising powers under this power of attorney will be as good and valid as if they had been done by the Share Owner and agrees to ratify and confirm whatever the Option Holder does in exercising powers under this power of attorney.

6. Warranties

6.1 Warranties

The Share Owner warrants to the Option Holder that each Warranty is true and correct as at:

- (a) the date of execution of this deed;
- (b) the date of the Exercise Notice; and
- (c) the time immediately before Completion.

6.2 Reliance

The Share Owner acknowledges that the Option Holder has entered into this deed in reliance on the Warranties.

6.3 Adjustment

Any payment made to the Option Holder for a breach of Warranty will be treated as an adjustment to the Purchase Price.

7. Confidentiality

7.1 No announcement or other disclosure of transaction

Except as permitted by clause 7.2 each party must keep confidential the existence of and the terms of this deed and all negotiations between the parties in relation to the subject matter of this deed.

7.2 Permitted disclosure

Nothing in this deed prevents a person from disclosing matters referred to in clause 7.1:

- (a) if disclosure is required to be made by law or the rules of a recognised stock or securities exchange and the party whose obligation it is to keep matters confidential or procure that those matters are kept confidential:
 - (i) has not through any voluntary act or omission (other than execution of this deed) caused the disclosure obligation to arise; and
 - (ii) has before disclosure is made notified the other party of the requirement to disclose and, where the relevant law or rules permit and where practicable to do so, given the other party a reasonable opportunity to comment on the requirement for and proposed contents of the proposed disclosure;
- (b) if disclosure is reasonably required to enable a party to perform its obligations under this deed;
- (c) to any professional adviser of a party who has been retained to advise in relation to the transactions contemplated by this deed or any auditor of a party who reasonably requires to know;
- (d) with the prior written approval of the other party; or
- (e) where the matter has come into the public domain otherwise than as a result of a breach by any party of this deed.

8. GST

8.1 Interpretation

The parties agree that:

- (a) except where the context suggests otherwise, terms used in this clause 8 have the meanings given to those terms by the GST Act (as amended from time to time); and
- (b) any consideration that is specified to be inclusive of GST must not be taken into account in calculating the GST payable in relation to a supply for the purpose of this clause.

8.2 Reimbursements and similar payments

Any payment or reimbursement required to be made under this deed that is calculated by reference to a cost, expense, or other amount paid or incurred will be limited to the total cost, expense or amount less the amount of any input tax credit to which an entity is entitled for the acquisition to which the cost, expense or amount relates.

8.3 GST payable

If GST is payable in relation to a supply made under or in connection with this deed then any party (**Recipient**) that is required to provide consideration to another party (**Supplier**) for that supply must pay an additional amount to the Supplier equal to the amount of that GST at the same time as other consideration is to be provided for that supply or, if later, within 5 Business Days of the Supplier providing a valid tax invoice to the Recipient.

8.4 Variation to GST payable

If the GST payable in relation to a supply made under or in connection with this deed varies from the additional amount paid by the Recipient under clause 8.3 then the Supplier will provide a corresponding refund or credit to, or will be entitled to receive the amount of that variation from, the Recipient. Any payment, credit or refund under this paragraph is deemed to be a payment, credit or refund of the additional amount payable under clause 8.3.
