About Superloop

Superloop is a leading Asia Pacific independent provider of connectivity services designing, constructing and operating networks throughout the Asia Pacific metro region. The company owns and operates over 670kms of carrier-grade metropolitan fibre networks in Australia, Singapore and Hong Kong, connecting more than 310 of the region's key data centres and bandwidth-intensive buildings. With extensive carrier-grade, metro fibre networks in these markets and fixed wireless networks in Australia, Superloop delivers high-performance, connectivity solutions to businesses and homes underpinning the region's digital economy.
