About Aspermont

Aspermont is ASX listed with offices in Australia, UK, Brazil, North America and the Philippines. The Company's focus is on global media leadership in the Mining, Agriculture, Energy and Technology sectors.

The company has invested 20 years in building a commercial model for B2B digital media distribution that is founded on providing high value content to a global subscriber base. The B2B model is scalable as to new countries, new commodity sectors and in new languages.

Aspermont is now the dominant player in B2B media for the resources sector.
