Directors' Report

The Directors present their report together with the interim financial report of Monash Absolute Investment Company Limited ("the Company") for the half-year ended 31 December 2019.

Directors

The following persons held office as Directors during the half-year and up to the date of this report:

Paul Clitheroe AM (Independent Chairman)
 Suvan de Soysa (Independent Director)
 Simon Shields (Non-Independent Director)

Principal activities

The investment strategy is to invest in a portfolio of Australian and international listed equity securities, pre-IPO securities, exchange traded and over-the-counter derivatives and cash.

There was no significant change in the nature of the activity of the Company during the half-year period.

Dividends

Dividend information	Cents per share	Franked amount per share	Tax rate for franking
2019 Final dividend	2.0 cent	2.0 cent	30.0%

Final dividend dates

Ex-dividend date	20 September 2019
Record date	23 September 2019
Payment date	30 October 2019

On 26 August 2019, the Directors declared a final full franked dividend of 2 cents per ordinary share franked at 30.0% (2018: 1 cent per ordinary share franked at 27.5%), which was paid on 30 October 2019. There were no dividends declared or proposed for the half-year ended 31 December 2019.

The Company's dividend objective is to pay dividends provided the Company has sufficient profit reserves and franking credits available and it is within prudent business practice to do so.

The amount of any dividend will be at the discretion of the Board. Currently, it is the Board's intention that all dividends paid to shareholders will be franked to 100% or to the maximum extent possible.

Review of operations

The operating profit before tax was \$4,178,956 for the half-year ended 31 December 2019 (31 December 2018: loss before tax of \$5,047,410). The net result after tax was a profit of \$2,974,779 (31 December 2018: loss after tax of \$3,477,496).

The net tangible asset backing before tax as at 31 December 2019 was \$1.1331 per share (31 December 2018: \$0.8597).

Significant changes in the state of affairs

On 8 August 2019, the Company announced its intention to restructure the Company into an Exchange Traded Managed Fund (ETMF). This proposed restructure will be subject to a number of conditions precedent and if these conditions are not satisfied, the proposed restructure will not proceed. The Company will keep shareholders up to date on the progress of this proposal.

There were no other significant changes in the state of affairs of the Company during the half-year ended 31 December 2019.

Matters subsequent to the end of the financial period

No matter or circumstance has occurred subsequent to half-year end that has significantly affected, or may significantly affect, the operations of the Company, the results of operations or the state of affairs of the Company in subsequent financial periods.

Rounding of amounts

In accordance with *ASIC Corporations (Rounding in Financial/Directors' Reports) Instruments 2016/191*, the amounts in the Directors' Report and in the financial report have been rounded to the nearest dollar, unless otherwise specified.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out on page 4.

This report is made in accordance with a resolution of Directors.

1 General information

Monash Absolute Investment Company Limited (the "Company") is a listed public company domiciled in Australia. The address of Monash Absolute Investment Company Limited's registered office is Level 12, 225 George Street, Sydney, NSW 2000. The Company's investment strategy is to invest in a portfolio of Australian and international listed equity securities, pre-IPO securities, exchange traded and over-the counter derivatives and cash.

On 8 August 2019, the Company announced its intention to restructure the Company into an Exchange Traded Managed Fund (ETMF). This proposed restructure will be subject to a number of conditions precedent and if these conditions are not satisfied, the proposed restructure will not proceed. The Company will keep shareholders up to date on the progress of this proposal.

The interim financial statements were authorised for issue by the Board of Directors on 13 February 2020.

2 Summary of significant accounting policies

(a) Basis of preparation

These interim financial statements for the half-year reporting period ended 31 December 2019 have been prepared in accordance with Australian Accounting Standards AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 *Interim Financial Reporting*.

The Company is a for-profit entity for the purpose of preparing the interim financial statements.

These interim financial statements do not include all the notes of the type normally included in an annual financial report. Accordingly, these interim financial statements are to be read in conjunction with the annual report for the year ended 30 June 2019 and any public announcements made by Monash Absolute Investment Company Limited during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

(b) Significant accounting policies

The accounting policies applied in these interim financial statements are the same as those applied in the Company's financial statements for the year ended 30 June 2019.

There are no other standards, interpretations or amendments to existing standards that are effective for the first time for the half-year beginning 1 July 2019 that have a material impact on the amounts recognised in the prior periods or will affect the current or future periods.

(c) Rounding of amounts

In accordance with ASIC *Corporations (Rounding in Financial/Directors' Reports) Instruments 2016/191*, the amounts in the Directors' Report and in the financial report have been rounded to the nearest dollar, unless otherwise specified.

3 Fair value measurements

The Company measures and recognises the following financial assets and liabilities at fair value on a recurring basis:

- Financial assets and financial liabilities at fair value through profit or loss (FVTPL)

The Company has no assets or liabilities measured at fair value on a non-recurring basis in the current half-year reporting period.

(a) Fair value hierarchy

AASB 13 requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- (a) quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- (b) inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and
- (c) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

(i) Fair value in an active market (level 1)

The fair value of financial assets and liabilities traded in active markets is based on their quoted market prices at the end of the reporting period without any deduction for estimated future selling costs.

The Company values its investments in accordance with the accounting policies set out in Note 2 to the financial statements. For the majority of its investments, the Company relies on information provided by independent pricing services for the valuation of its investments.

The quoted market price used for financial instruments held by the Company is the last sale price.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

(ii) Fair value in an inactive or unquoted market (level 2 and level 3)

The fair value of financial assets and liabilities that are not traded in an active market is determined using valuation techniques. These include the use of recent arm's length market transactions, reference to the current fair value of a substantially similar other instrument, discounted cash flow techniques, option pricing models or any other valuation technique that provides a reliable estimate of prices obtained in actual market transactions.

Where discounted cash flow techniques are used, estimated future cash flows are based on management's best estimates and the discount rate used is a market rate at the end of the reporting period applicable for an instrument with similar terms and conditions.

For other pricing models, inputs are based on market data at the end of the reporting period. Fair values for unquoted equity investments are estimated, if possible, using applicable price/earnings ratios for similar listed companies adjusted to reflect the specific circumstances of the issuer.

Some of the inputs to these models may not be market observable and are therefore estimated based on assumptions. The output of a model is always an estimate or approximation of a value that cannot be determined with certainty, and valuation techniques employed may not fully reflect all factors relevant to the positions the Company holds.

Recognised fair value measurements

The following table presents the Company's financial assets and liabilities measured and recognised at fair value at 31 December 2019 and 30 June 2019 on a recurring basis.

	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
At 31 December 2019

International equity securities	686,727	-	285,002	971,729
Total financial assets	42,763,492	-	1,795,269	44,558,761
Financial liabilities				
Australian equity securities sold short	(2,150,728)	-	-	(2,150,728)
Total financial liabilities	(2,150,728)	-	-	(2,150,728)

Included within Level 1 of the hierarchy are listed investments. The fair values of these financial assets have been based on the last sale prices at the end of the reporting period, excluding transaction costs.

The investments included in Level 3 of the hierarchy include amounts in relation to Initial Public Offerings and Placements in which the Company has subscribed. These investments are not listed on any securities exchange as at half-year end and therefore represent investments not in an active market. In valuing these unlisted investments included in Level 3 of the hierarchy, the fair value has been determined using the valuation technique of the subscription price and the amount of securities subscribed for by the Company under the relevant offers without any deduction for estimated future selling costs, adjusted for subsequent arm's length transaction pricing or other market data where available.

There were no transfers between levels for recurring fair value measurements during the half-year. During the year ended 30 June 2019, investments amounting to \$193,979 were transferred from Level 3 to Level 1 relating to the listing of a prior year unlisted equity security. In addition, during the year ended 30 June 2019, investments amounting to \$109,759 were transferred from Level 1 to Level 3 as a result of suspension of the equity security during the year.

Disclosed fair values

For all financial instruments other than those measured at fair value their carrying value approximates fair value.

The carrying amounts of other receivables and payables are reasonable approximations of their fair values due to their short-term nature.

Independent Auditor's Review Report to the Members of Monash Absolute Investment Company Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of Monash Absolute Investment Company Limited (the Company), which comprises the statement of financial position as at 31 December 2019, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the half-year financial report of the Company is not in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Company's financial position as at 31 December 2019 and of its financial performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the Company's financial position as at 31 December 2019 and its financial performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the Company, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
