Energy One Limited (ASX : EOL)

Update on eZ-Nergy Acquisition – French Government approval granted

Energy One Limited is pleased to announce that the French Government has granted approval for the proposed acquisition of eZ-Nergy, by EOL.

This was one of the conditions precedent to completion of the Share Purchase Agreement announced on 24th December 2019.

More information on the acquisition can be found in our presentation (lodged with ASX) on 6th January 2020.
