Notification of issue, conversion or payment up of equity +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are issuing a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

Summary of key terms of performance rights

The Performance Rights specified in the Appendix 3G to which this Annexure is attached have been issued in accordance with, and subject to the terms of, the Rules of the Retail Food Group Limited Rights Plan (**Plan**). A summary of the key terms of those Performance Rights (and the Plan) is set out below.

Terms & Conditions	The Board of RFG has the discretion to set the terms and conditions on which it will offer Rights under the Plan, including the Vesting Conditions and modification of the terms and conditions as appropriate to ensure the Plan operates as intended. All Rights offered are subject to Vesting Conditions. The terms and conditions set out in the Plan include those aspects legally required as well as a method for calculating the appropriate number of Rights to vest in the circumstances of a change of control, a major return of capital to shareholders and the treatment of Rights in the circumstances of various forms of termination.
Number of Rights	A total of 9,000,000 Rights, which are divided into the following tranches: Tranche 1: 3,000,000 Rights; Tranche 2: 3,000,000 Rights; Tranche 3: 3,000,000 Rights. The number of Rights when added to other remuneration elements will produce a total remuneration package that is, in the Board's view, market competitive and reasonable given the Company's particular circumstances.
Measurement Period	The Measurement Period in respect of each tranche of Rights is as follows: Tranche 1: The 15 months commencing 1 April 2020 and ending 30 June 2021 (Measurement Period 1); Tranche 2: The period commencing 1 July 2021 and ending 30 June 2022 (Measurement Period 2); Tranche 3: The period commencing 1 July 2022 and ending 30 June 2023 (Measurement Period 3).
Amount Payable for Rights	No amount will be payable for the Performance Rights as they are intended to facilitate the participant's incentivisation and retention by the Company through to at least 30 June 2023.
Vesting	Upon satisfaction of the Vesting Conditions for each Measurement Period, the Rights that vest will be settled in fully paid ordinary shares in the Company (Share). No exercise price is required to exercise vested Rights.
Vesting Conditions	Each Right entitles the participant to receive, upon vesting, one Share. The number of Shares (if any) that may vest in respect of a Measurement Period will be determined according to the Board's assessment of achievement against pre-determined criteria. Assessment for each tranche will occur as soon as practical following release of the Company's audited accounts in respect to the financial year in which the relevant Measurement Period falls (or predominantly falls in the case of Tranche 1). The criteria for vesting is structured to reflect both financial outcomes and qualitative indicators which pertain to sustainable improvements in the Company's business. The Board also retains over-arching discretion to modify vesting in the case that the circumstances that prevailed over the relevant Measurement Period materially differed from those expected at the time the Vesting Conditions were determined, which is intended to be used when the application of Vesting Conditions would lead to an outcome that may be viewed by the Board as inappropriate.
Exercise Price	No amount will be payable by the participant to exercise a Right that has vested.
Exercise of vested Rights	Once Rights vest (if at all) they will be automatically exercised. Exercise of Rights will be settled in the form of fully paid ordinary Shares. There will be no ability for settlement to occur as a cash equivalent. Subject to necessary shareholder approvals, the Board may decide to issue the shares to the Participant, or to arrange for shares to be transferred to the Participant and may use an employee share trust for this purpose.
Disposal Restrictions	Rights may not be disposed of at any time, but they will be exercised on vesting. Shares acquired on exercise of vested Rights will be subject to disposal restrictions until all of the following cease to restrict disposals: <ol style="list-style-type: none">The Company's share trading policy (Trading Policy);The insider trading prohibitions contained in the <i>Corporations Act 2001</i> (Cth); andThe Specified Disposal Restrictions.

Specified Disposal Restrictions	<p>The Specified Disposal Restrictions attaching to Shares acquired on exercise of vested Rights are as follows:</p> <ol style="list-style-type: none">Tranche 1 Rights which convert to Shares may not be sold or otherwise disposed of until 30 September 2022, regardless of whether the participant remains an employee of the Company (or its related bodies corporate);Tranche 2 and 3 Rights which convert to Shares may not be sold or otherwise disposed of until 30 September 2023, regardless of whether the participant remains an employee of the Company (or its related bodies corporate).
Termination of Employment	<p>In the case of dismissal for cause, or in other circumstances classified as 'bad leaver' by the Board in its discretion, unvested Rights will be forfeited. In other cases, on termination of employment a portion of Rights whose Measurement Period falls within the financial year in which the termination occurs will be forfeited. The proportion is that which the remainder of the financial year following the termination represents of the full financial year. This provision recognises that grants of Rights are part of the remuneration for the relevant Measurement Period and that if part of that period is not served then some of the Rights will not have been earned.</p> <p>Continued service during the period between 30 June and the assessment of achievement of Vesting Conditions for a particular Measurement Period is not a requirement in order for Rights to vest.</p>
Change of Control of the Company	<p>In the event of a Change of Control:</p> <ol style="list-style-type: none">Specified Disposal Restrictions applying to existing Shares which have been acquired by the participant as a result of vesting and exercise of Rights will lapse, although the Company's Trading Policy and the requirements of the <i>Corporations Act 2001</i> (Cth) will continue to apply;All unvested Rights will vest in full or in part based on the Board's sole discretion, having regard to the Company's then financial and operational performance and other shareholder value creation criteria the Board considers appropriate.
Voting & Dividend Rights	<p>Rights do not carry voting or dividend entitlements. Shares issued when Rights vest and are exercised carry all entitlements of Shares, including voting and dividend entitlements.</p>
Lapse & Forfeiture of Rights	<p>Rights will lapse if the prescribed Vesting Conditions are not satisfied. There will be no entitlement to retesting.</p>
Fraud, Gross Misconduct etc	<p>In the event that the Board forms the opinion that a participant has committed an act of fraud, defalcation or gross misconduct in relation to the Company or its business, the participant will forfeit all unvested Rights.</p>
Competition & Other Actions which may Harm the Company	<p>If a participant engages in any activities or communications that, in the opinion of the Board, may cause harm to the operations or reputation of the Company or the Board, all unvested Rights held by the participant will lapse and be forfeited, unless otherwise determined by the Board.</p> <p>If a participant either directly or indirectly competes with the Company, including becoming an employee of a competitor, supplier or customer, without the prior written consent of the Company, all unvested Rights held by the participant will lapse and be forfeited, unless otherwise determined by the Board.</p>
Issue or Acquisition of Shares	<p>Shares allocated to a participant when Rights vest and are exercised may be issued by the Company or acquired on or off market by the Company or its nominee, subject to shareholder approval. The nominee must be a trust, the purpose of which is to facilitate the operation of the Plan.</p>
Cost and Administration	<p>The Company will pay all costs of issuing and or acquiring Shares for the purposes of satisfying vested Rights, as well as any brokerage on acquisitions of Shares for this purpose, and all costs of administering the Plan.</p>
Other Terms of Plan	<p>The Plan also incorporates customary and usual terms detailed in the Rules, having regard to Australian law, for dealing with winding up, administration, variation, suspension and or termination of the Plan.</p>
No Hedging	<p>The Company prohibits hedging of Rights by participants.</p>
