

## **ASX Announcement**

### **11 May 2020**

### **Class Action Dismissed**

Elixinol Global Limited (**Elixinol** or the **Company**) (**ASX:EXL; OTC:ELLXF**) wishes to provide a further update to the announcement on 5 December 2019 regarding Elixinol, LLC, a Colorado Limited Liability Company (**EXU**).

The Company is pleased to announce that the plaintiffs in the class-action suit filed against EXU in the United States District Court for the Northern District of California, filed a Notice of Voluntary Dismissal (**Notice**) at approximately 4.00pm on Friday, 8 May 2020 [US Pacific standard time]. The Notice was filed without prejudice and each party is to bear its own costs.

The withdrawal of the class-action suit is vindication of the Company's position that its products are accurately labeled and that the plaintiffs' misleading conduct claims were without merit.

This document was authorised to be given to the ASX by the Board of the Company.
