Profit Guidance – Financial Year ending 30 June 2020

Sydney, July 17, 2020 - Integrated Research (“IR”) is in the early stages of preparing its financial statements for the year ending 30 June 2020. IR is pleased to announce that, based on internal management accounts and subject to audit, the Company anticipates both record revenue and profit after tax for the year. Total revenue is expected to be in the range of \$109.5 to \$111.0 million, representing growth of 9% to 10%. Profit after tax for the year is expected to be in the range of \$23.6 to \$24.2 million compared to \$21.9 million for the prior year, representing growth of 8% to 11%.

Licence sales are expected to be in the range of \$70.8 to \$72.3 million, representing 13% to 15% growth with the strongest performance driven through the Company’s Unified Communications product line.

This statement is made for market guidance, IR does not expect to make any further comment until the accounts have been finalised and approved for release to the ASX (anticipated announcement date: 20 August 2020).
