

NEARMAP THE FUTURE OF LOCATION INTELLIGENCE

NEARMAP LTD
INVESTOR PRESENTATION
FY20 RESULTS

IMPORTANT NOTICE AND DISCLAIMER

This presentation includes the following measures used by the Directors and management in assessing the on-going performance and position of the Group: EBITDA, EBIT, ACV, ARPS, Churn, LTV and STCR. These measures are non-IFRS under Regulatory Guide 230 (Disclosing non-IFRS financial information) published by the Australian Securities and Investments Commission and have not been audited or reviewed. A reconciliation of Statutory Net profit/(loss) after tax to EBITDA is included in the Appendices of this presentation.

The material in this presentation has been prepared by Nearmap Ltd ACN 083 702 907 (Nearmap) and is general background information about Nearmap's activities, current as at the date of this presentation and is provided for information purposes only. It should be read in conjunction with Nearmap's periodic and continuous disclosure announcements filed with the Australian Securities Exchange, available at www.asx.com.au. This presentation provides information in summary form only and is not intended to be complete. Nearmap makes no representation or warranty, express or implied, as to the accuracy, completeness, fairness or reliability of any of the information, opinions, forecasts, reports, estimates and conclusions contained in this presentation. It is not intended to be relied upon as advice or a recommendation to investors or potential investors and does not take into account the investment objectives, financial situation, taxation situation or needs of any particular investor. Due care and consideration should be undertaken when considering and analysing Nearmap's financial performance. An investor must not act on any matter contained in this document but must make its own assessment of Nearmap and conduct its own investigations and analysis. Investors should assess their own individual financial circumstances and consider talking to a financial adviser, professional adviser or consultant before making any investment decision. This document does not constitute an offer, invitation, solicitation or recommendation with respect to the purchase or sale of any security in Nearmap nor does it constitute financial product advice. This document is not a prospectus, product disclosure statement or other offer document under Australian law or under any other law. This document has not been filed, registered or approved by regulatory authorities in any jurisdiction.

This presentation may contain forward-looking statements, including statements regarding Nearmap's current intentions, plans, expectations, assumptions and beliefs about future events. The words "anticipate", "believe", "expect", "project", "forecast", "estimate", "likely", "intend", "outlook", "should", "could", "may", "target", "plan" and other similar expressions are intended to identify forward-looking statements. Investors and potential investors are cautioned not to place undue reliance on these forward-looking statements and should note that they are provided as a general guide only. Subject to any continuing obligations under applicable law, Nearmap does not undertake any obligation to publicly release the result of any revisions to these forward-looking statements to reflect events or circumstances after the date of this presentation, to reflect any change in expectations in relation to any forward looking statements or any change in events, conditions or circumstances on which any such statements are based. While due care has been used in the preparation of forecast information, actual results may vary in a materially positive or negative manner. Forecasts and hypothetical examples are subject to known and unknown risks, uncertainty, assumptions and contingencies, many of which are outside Nearmap's control, and are based on estimates and assumptions that are subject to change and may cause actual results, performance or achievements to differ materially from those expressed or implied by such statements.

By reading this document you agree to be bound by the limitations set out in this document. To the maximum extent permitted by law, each of Nearmap, its related bodies corporate, or their respective directors, officers, employees, agents, contractors, advisers and any other person associated with the preparation of this presentation disclaims any liability, including without limitation any liability arising from fault or negligence, for any errors or misstatements in, or omissions from, this presentation or any direct, indirect or consequential loss howsoever arising from the use or reliance upon the whole or any part of this presentation or otherwise arising in connection with it.

All currency amounts are in Australian Dollars unless otherwise noted.

Tables may not add due to rounding.

OUR MISSION

We change the way people view the world, so they can profoundly change the way they work

FY20 BUSINESS OVERVIEW

PRODUCT & CONTENT

- Nearmap AI launched, with visualisation and export capabilities available on more than 80 million properties
- Successful early M&A track record with integration and commercialisation of roof geometry technology
- Increased adoption and monetisation of enhanced content with 54% of ACV¹ generated by customers with access to premium content
- Continued investment in a next generation camera system to allow higher, faster capture

CUSTOMERS & PARTNERS

- Accelerated investment in customer success, experience and retention, with normalised churn returning to FY19 levels in 2H20
- SaaS business model enabled customers to transition their businesses to remote working simply and effectively
- Added new partnerships with OpenSolar, Cityworks, Teranet and Eagle Technology in support of focusing on growth from the Company's core verticals

PEOPLE & OPERATIONS

- Focused on the health and well-being of employees and followed Government and CDC guidelines following the outbreak of COVID-19
- Seamlessly transitioned employees to working remotely and productively
- Maintained business continuity with no impact to business operations or survey flight operations

BALANCE SHEET & CASH FLOW

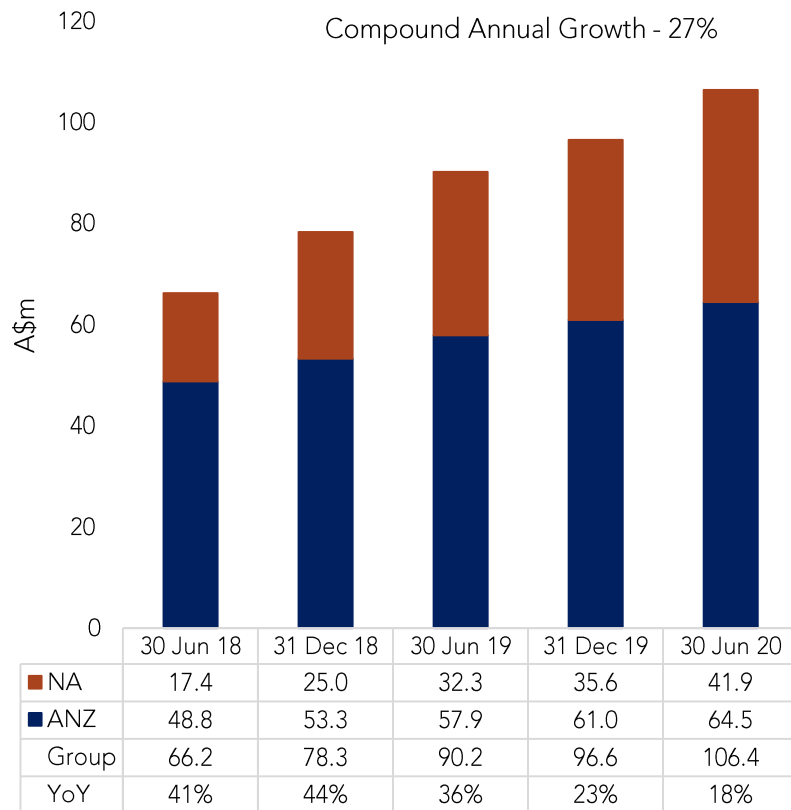

- Delivered ACV of \$106.4m, within the revised guidance range of \$102m-\$110m and with strong momentum into the end of the financial year
- Ensured financial stability in response to uncertainty related to COVID-19 by implementing cash management initiatives to deliver to cash flow break even at 30 June 2020
- Strong Balance Sheet with no debt and \$33.8m² of cash at the end of FY20

¹ Annualised Contract Value

² Excludes bank guarantees of \$2.3m which have been classified as cash on the Balance Sheet

PORTFOLIO GROWTH DELIVERS ACV ABOVE \$100M

GROWTH IN ACV¹

ANNUALISED CONTRACT VALUE

\$106.4m ↑ 18% on pcp^{2,3}

STATUTORY REVENUE

\$96.7m ↑ 25% on pcp

PRE-CAPITALISATION GROSS MARGIN

69% → from 69% on pcp

SALES TEAM CONTRIBUTION RATIO (STCR)

54% ↓ from 106% on pcp

SUBSCRIPTION CHURN

9.9% ↑ from 5.3% on pcp

ACV ON MULTI-YEAR CONTRACTS

43% ↑ from 40% on pcp

Excluding three large churn/downgrade events in 1H20, STCR was 78% and Churn was 5.4%

EARNINGS REFLECTIVE OF PLANNED INVESTMENT STRATEGY

SUMMARY FINANCIALS

- 25% growth in statutory revenue, driven by ACV expansion
- Increase to cost of revenue includes expanded capture program and the D&A impact of the January 2019 change to capture cost amortisation period
- 47% increase to operating expenses as investments were targeted across all areas of the business to build foundations for scalable growth. Minimal cost growth in 2H20 with a strong emphasis on cash management as a result of COVID-19
- Closing headcount 284 (FY19: 272) with growth initiatives fully resourced
- EBITDA of \$9.1m (FY19: \$15.5m) and EBITDA margin of 9% (FY19: 20%)
- Statutory loss after tax of (\$36.7m) (FY19: (\$14.9m))

A\$m	FY19	FY20	Growth
Revenue	77.6	96.7	25%
Cost of revenue ¹	(22.2)	(36.1)	(63%)

DISCIPLINED APPROACH TO CASH MANAGEMENT DELIVERING TO CASH FLOW BREAK-EVEN AT 30 JUNE

- FY20 cash balance of \$33.8m¹ (FY19: \$75.9m). \$42.1m of net cash outflows reflecting the stepped investment across all areas of the business to build scalable foundations for future growth
- 2H20 net cash outflow of \$15.8m (1H20: \$26.3m) includes \$3.6m for roof geometry acquisition
- Cash management initiatives implemented in April 2020 included permanent and temporary reductions to employment costs designed to bring the business to a cash flow break even position by the end of FY20
- \$49.5m of cash invested in asset creation (capture \$24.1m, net investing activities \$25.4m) delivering long-term benefits to the business

NET CASH FLOW MOVEMENT FY19 TO FY20

¹ Excludes bank guarantees of \$2.3m which have been classified as cash on the Balance Sheet

ANZ TO NA SUBSCRIPTION REVENUE REBASED TO FIRST YEAR OF CAPTURE

NA revenue in the seventh year of capture equivalent to revenue generated in ANZ in the tenth year

STRONG GROWTH IN CORE INDUSTRY VERTICALS

GROUP ACV PORTFOLIO BY INDUSTRY

- Strong growth in core industry verticals Roofing, Insurance and Government enabled by premium content types and a combination of sales through strategic partnerships and direct to customers
- AEC, Utilities and Solar all grew in absolute terms and remain strong growth areas
- Commercial/Other impacted by the churn/downgrade events in 1H20 relating to the autonomous vehicle industry

CORE GROWTH VERTICAL: ROOFING

A NEW TYPE OF LOCATION INTELLIGENCE

- Successful acquisition and integration of industry leading technology into the product suite, utilising Nearmap 3D content at massive scale
- Opportunity to expand the market and gain share by serving quick, accurate and cost-effective roof geometry to partners in the roofing and insurance industries
- Market opportunity for roof geometry assessed to be US\$100m to US\$200m per year¹, enabled by the capture of over 70m single and multi-family homes in the United States
- Increase in frequency of severe weather drives demand for repair, maintenance and claims processing
- Investment in FY21 focused on further product enhancements and improvements to the efficiency of content generation
- ACV from roofing already 8% in NA

Captured: June 2020
Whitestone, NY, USA

¹ Nearmap company estimates

CORE GROWTH VERTICAL: INSURANCE

 Captured: February 2020
Rockport, TX, USA

COVERAGE OF THE FULL POLICY LIFE CYCLE

- Dedicated insurance sales, marketing and product teams
- Distribution channels direct to insurance carriers and indirect via Nearmap partners
- Historical imagery library provides detailed context for managing underwriting risk
- AI content further enables underwriting risk and claims processing at unprecedented scale
- Leaf-on capture allows actuaries and claims managers to quickly and easily assess the dangers posed to property from proximate threats, the natural environment and storm risk
- Established an operational post catastrophe capture program to increase claims assessment efficiency
- ACV from insurance increased to 19% (FY19: 14%)

CORE GROWTH VERTICAL: GOVERNMENT

TRANSFORMING GOVERNMENT EFFICIENCY

- Dedicated government sales, marketing and product teams
- Historical data set tracks change in property and green space over time, significantly improving urban planning outcomes
- Leaf-off capture provides a clear view of conditions on the ground such as streets, sidewalks, impervious surfaces, water management and other public infrastructure programs
- AI content enables a range of government use cases including property tax assessment and environmental planning and management
- Deeper integration into government workflows with oblique content in ArcGIS and the addition of an enhanced set of APIs
- Nearthmap content integrated with Cityworks, a partner and leading provider of GIS enterprise asset management systems
- Teranet and Eagle Technology partners and exclusive re-sellers to accelerate growth with government and commercial enterprises within Canada and New Zealand
- ACV from government increased to 18% (FY19: 15%)

Captured: February 2020
Sydney, NSW, Australia

FY21 OUTLOOK & PRIORITIES

PRODUCT & CONTENT

- Further enhancement of product capabilities to drive deeper customer solutions and relationships within the Company's core industry segments
- Continued commercialisation of new content types, penetrating deeper into customer workflows and driving returns on investments made
- Ongoing development of next generation camera systems to further accentuate the technology leadership position and competitive advantage

GO-TO-MARKET

- Sales & Marketing verticalisation to target increased penetration of core growth verticals
- Enhanced leadership to build scale
- Focus on enablement tools to optimise Sales & Marketing performance
- Ongoing investment into customer success initiatives to drive deeper engagement and deliver industry leading retention metrics

¹ Excludes bank guarantees of \$2.3m which have been classified as cash on the Balance Sheet

OUTLOOK & GUIDANCE

- Ongoing monitoring of COVID-19 impact on trading conditions; growth continuing into FY21 with trading in the first seven weeks consistent with growth in the same period in FY20
- Closing FY21 Group cash balance expected to be between \$32m-\$35m¹ as sales proceeds are reinvested into growth initiatives
- Continue to target 20-40% ACV growth medium to long term, with underlying churn <10%
- Ongoing evaluation of potential geographic expansion, but driving NA remains primary focus

Albany, NY, USA

UNIQUELY POSITIONED FOR A GLOBAL OPPORTUNITY

A GLOBAL OPPORTUNITY

Large and growing global addressable market opportunity for location intelligence data sets derived from aerial imagery

INDUSTRY LEADING PRODUCT & TECHNOLOGY

Rich library of content, expanding product suite enabled by leading camera and processing technology

SCALABLE SUBSCRIPTION BUSINESS MODEL

Unique, highly scalable subscription business model that delivers high value content and insights to a wide range of use cases

PASSIONATE & SPECIALIST TEAM

Deep industry and technology expertise, with a passion to deliver on the Company's leadership position

APPENDICES

Captured: April 2020
London, Ontario, Canada

A LARGE AND GROWING GLOBAL MARKET OPPORTUNITY

GROWING AERIAL IMAGERY MARKET

Global aerial imagery market estimated at US\$10.1 billion in 2020¹

MARKET EXPANDING BUSINESS MODEL

- World leading technology and product
- Subscription business model opens up aerial imagery to new customers and use cases

TOTAL ADDRESSABLE MARKET²

A\$250-300m

US\$1-2b

NZ\$50m

C\$300-400m

CONTENT OPENS NEW MARKET SEGMENTS

In the US\$439 billion global geospatial industry market (2020)¹:

- 3D scanning services global market US\$2.5 billion
- GIS / Spatial Analytics content global market US\$21.1 billion

NEW GEOGRAPHIC MARKETS

Unique business model has the potential to scale to multiple geographies around the world, particularly developed economies with an advanced level of adoption of geospatial technology, software and services

DEFINITIONS

TERM	DEFINITION
ACV	Annualised Contract Value = annualised value of all active subscription contracts in effect at a particular date
ARPS	Average Revenue Per Subscription = Portfolio ACV divided by total number of subscriptions
Churn	ACV value of subscriptions not renewed at the end of a subscription period, offset by the value of recovered subscriptions previously churned
Existing Portfolio Expansion	Net upsell minus Churn
Gross Margin (pre-capitalisation)	This represents the gross margin of revenue after deducting the cost of capture, processing and storage of the imagery before any such costs have been capitalised
N/A	Not applicable
pcp	Prior comparative period
STCR	Sales Team Contribution Ratio = The ratio of incremental ACV generated by a sales team in a period, compared to the direct costs of obtaining that incremental ACV

AI Derived Data Set
December 2019
Perth, WA, Australia

An aerial photograph of a city waterfront. The central focus is a tall, modern skyscraper with a curved facade and a central vertical section. To the right, a large body of water contains several boats, including a large ferry and smaller vessels. The city buildings and streets are visible on the left and bottom of the frame. A semi-transparent grey box is overlaid on the left side, containing white text.
