Letter from the Group CEO of ARA Asset Management

17 August 2020

DEAR FELLOW CROMWELL SECURITYHOLDER

ARA Asset Management Holdings Pte. Ltd. and its related entities (the **ARA Group**), Cromwell's largest Securityholder with 26.68% of all Cromwell Securities on issue, is pleased to make an offer to acquire 29% of your Cromwell Securities (rounded down to the nearest Security) for \$0.92 cash per Sold Security², through its subsidiary ARA BidCo.

ARA BidCo has increased the Offer Price to \$0.92 cash per Sold Security from \$0.88125, as stated in its Original Bidder's Statement. The Offer Price of \$0.92 cash per Sold Security is final and, in the absence of a competing proposal emerging, will not be increased further.

The ARA Group has become increasingly concerned with the poor operational performance, increased complexity, erratic strategy, overall governance and risk management protocols at Cromwell.

For over 12 months now, the ARA Group has been consistently and publicly seeking change at Cromwell, a company in which we share ownership. It now appears that, despite the ARA Group's many efforts to warn fellow Cromwell Securityholders and to secure appropriate representation at Board level, the status quo has continued, contributing to a clear and significant deterioration in the value of all of our Cromwell Securities.

The Cromwell Board has now put Securityholders in a position where the company's balance sheet is exposed to Polish shopping centres, gearing is above their own target, costs continue to rise and earnings per share and distributions are likely to continue to fall. Furthermore, in recent days, Cromwell has announced a foray into investment into European data centres, a sector in which it has no experience and no point of difference. This latest move only serves to confirm the erratic and undisciplined strategy of the current management team and Board.

This ARA Group has been left with no choice other than to make this Offer, to fix Cromwell and transparently return it to future prosperity.

The ARA Group is highly experienced and well credentialed in real estate investment management globally and is willing to commit the necessary time and resources to work with an appropriately representative and qualified Cromwell Board to improve the governance and operations of Cromwell for the benefit of all Cromwell Securityholders.

Accordingly, the ARA Group intends to seek the election of Dr Gary Weiss AM and Mr Joseph Gersh AM to the Cromwell Board. Further details on the ARA Group's intentions are set out in section 3.

The status quo, which we consider has resulted in part, from a lack of appropriate Board oversight, has left Cromwell Securityholders with ownership in a group that has continued to underperform. This is evidenced by:

- **the significant deterioration in Cromwell's operating EPS** which has dropped every year (consecutively) between FY17 and FY19, despite strong rental growth and capital appreciation in the commercial real estate markets during the same period;
- **the material 13.1% reduction in your distributions per Cromwell Security** from 8.34 cents per security in FY17 to 7.25 cents per security in FY19;
- **increased gearing** to 40% on a reported basis as at 30 April 2020, with look-through gearing remaining materially above the upper limit of the Cromwell Board's own target gearing range of 30% – 40%;
- **a poor international track record with continued investment into the European property market**, with management and the Board using Securityholder funds to:
 - acquire Valad Europe for A\$208 million with transaction goodwill of **A\$143 million subsequently written off within 3 years** of the acquisition; and
 - spend almost **A\$1 billion on a portfolio of Polish shopping centres**, a market where many shopping centres have faced forced closures and rent reductions mandated by the Polish government;
- **an erratic investment strategy** involving balance sheet investments into Polish retail assets and a seniors living business in which Cromwell lacks suitable experience; and

2. The consideration under the Offer will be reduced by the amount of any Rights, including distributions, which you (or any previous holder of your Cromwell Securities) become entitled to receive in respect of your Cromwell Securities on or after the date of this Bidder's Statement.

Letter from the Group CEO of ARA Asset Management

- a “strategic review” announced on 4 February 2020 with no discernible outcome to date, overseen by the existing Cromwell Board, comprising non-executive directors who collectively own less than **0.07%** of the Cromwell Securities on issue.

Despite Cromwell's poor operational performance, **corporate costs³ ballooned by 48.3%** from FY18 to FY19 while the CEO's **statutory remuneration increased by 34.1%**. The lack of concern for Securityholder interests has become increasingly evident, following Cromwell hosting 135 people at the 2019 Rugby World Cup in Japan. It is not surprising that we are yet to see any announcement around reductions in compensation of Cromwell's management team or the Board, that have been prevalent amongst many of Cromwell's ASX listed peers during COVID-19.

In addition, Cromwell stated in their 24 June 2020 ASX announcement that there has been a “minimal decrease... of 5.3%” in the preliminary draft valuations of the Cromwell Polish Retail Fund. This is despite significant declines in the security price of REITs with substantial exposure to Polish retail assets⁴ and the significant declines in valuations of retail property assets by institutional REITs across the globe. Given movements in retail property portfolios and security prices, we consider the indicative reduction of just 5.3% in the value of the Cromwell Polish Retail Fund to be materially understated and therefore Cromwell's estimated pro forma NTA to be lacking in credibility.

The actions outlined above have significantly increased the complexity of the business, at a time when simplicity of purpose and clarity of strategy is critical. Our concerns continue to be ignored by the Cromwell Board.

To protect the value of its investment, the ARA Group has continued to publicly raise these concerns and has sought to have its representative, Dr Gary Weiss AM, appointed to the Cromwell Board. In response, Cromwell has continued to discriminate against the ARA Group and display antagonistic behaviour, despite the Cromwell Board's clear fiduciary obligation to represent the best interests of all Securityholders, including those who may be critical of Cromwell's recent performance and strategy. Examples of this behaviour include Cromwell's intentional exclusion of the ARA Group from the \$375 million institutional placement undertaken by Cromwell in June/July 2019 and refusal to allow ARA to participate in Cromwell's Dividend Reinvestment Plan.

The ARA Group is offering to acquire additional Cromwell Securities at a premium to recent Cromwell Security trading prices. This will assist the ARA Group to drive a refresh of the Cromwell Board, provide proprietorial oversight and seek value creation in Cromwell.

Our Offer also provides Cromwell Securityholders with certainty of value for 29% of your Cromwell Securities, providing an opportunity to partially de-risk your investment, in light of the recent performance of Cromwell and the substantial issues it faces during a period of heightened economic uncertainty.

This all-cash offer will remain open until **21 September 2020**, unless extended or withdrawn as permitted by the Corporations Act.

ARA BidCo believes the Offer is attractive and represents a:

- 8.1% premium to the Distribution Adjusted last close price of \$0.85 per Cromwell Security prior to the Announcement Date;⁵
- 14.9% premium to the Distribution Adjusted VWAP of \$0.80 per Cromwell Security for the 30 trading days leading up to the Announcement Date; and
- 18.2% premium to the Distribution Adjusted VWAP of \$0.78 per Cromwell Security for the three months leading up to the Announcement Date.

This will also enable accepting Securityholders to participate in, for the balance of their investment, the potential value creation which may flow from the ARA Group's increased investment and board representation at Cromwell.

It is the ARA Group's hope that a reinvigorated Board with appropriate experience and a **clear proprietorial focus** will provide the much needed oversight of Cromwell management, driving strategy and operational performance of the business. An immediate priority will be to halt Cromwell's current trajectory and ensure accountability to the Cromwell Board.

Securityholders should note that the price of Cromwell Securities may fall once the Offer ends.

3. Growth in corporate overheads from FY18 to FY19 as per Cromwell's 2019 Annual Report.

4. REITs with substantial exposure to Polish retail assets include EPP N.V, NEPI Rockcastle PLC and Atrium European Real Estate Limited who have experienced significant declines in their respective security prices since Cromwell acquired the Cromwell Polish Retail Fund on 6 November 2019.

5. The closing price of a Cromwell Security on 14 August 2020, being the most recent practicable trading day prior to finalisation of this Bidder's Statement, was \$0.895.

There is no minimum acceptance condition or regulatory condition to this Offer however, it is subject to a limited number of Defeating Conditions (which are set out in section 7.10). These conditions can be waived by ARA BidCo in accordance with the Corporations Act.

Detailed information in respect of the Offer is set out in this Bidder's Statement. I encourage you to read this Bidder's Statement in its entirety, and then **accept the Offer as soon as possible**.

Your acceptance must be received by no later than **7:00pm Sydney time on 21 September 2020**, unless the Offer is extended or withdrawn in accordance with the Corporations Act. To accept this Offer, please complete the Acceptance Form in accordance with the instructions and return it in the enclosed envelope to the postal address on the Acceptance Form.

If you have any questions in relation to the Offer, please contact the Offer Information Line, visit www.cromwelloffer.com.au or contact your legal, financial or other professional advisers.

ARA BidCo's Offer Price for 29% of your Cromwell Securities represents an opportunity to realise a certain and attractive value for part of your investment, as well as continued participation in Cromwell's performance.

It is clear to the ARA Group that change is required at Cromwell. We believe that change can only take place with your support of the Offer, and I look forward to a refreshed Board with clear and precise strategy to restore and enhance value for all Securityholders.

We look forward to receiving your acceptance.

Yours sincerely

REASONS WHY YOU SHOULD ACCEPT THE OFFER

Reasons why you should Accept the Offer

1

The Offer Price represents a premium to Cromwell's last close price, 30-day VWAP and the 3-month VWAP leading up to the Announcement Date.

2

The Offer provides certainty of value at a premium for 29% of your Cromwell Securities during this period of heightened economic uncertainty. ARA BidCo has increased the Offer Price to \$0.92 cash per Sold Security from \$0.88125, as stated in its Original Bidder's Statement. The Offer Price is final and, in the absence of a competing proposal emerging, will not be increased further.

3

The Offer allows you to participate in any future improvement in Cromwell's security price performance following a potential refresh of the Board and strategy by continuing to hold the remaining 71% of your Cromwell Securities.

4

As at the date of this Bidder's Statement, the ARA Group has a relevant interest in 26.68% of Cromwell Securities, which the ARA Group believes substantially reduces the likelihood of a competing proposal emerging.

5

The Offer is subject to limited conditionality.

6

Unless a sufficient number of Securityholders accept the Offer, there is a risk that the status quo will continue, and Cromwell may continue to fall short of its potential.

7

If you accept the Offer you will not incur any brokerage (other than as set out in section 7.23).

Reasons why you should Accept the Offer

1

The Offer Price represents a premium to Cromwell's last close price, 30-day VWAP and 3-month VWAP leading up to the Announcement Date.

The Offer Price of \$0.92⁶ cash per Cromwell Security represents a:

- 8.1% premium to the Distribution Adjusted last close price of \$0.85 per Cromwell Security prior to the Announcement Date;
- 14.9% premium to the Distribution Adjusted VWAP of \$0.80 per Cromwell Security for the 30 trading days leading up to the Announcement Date; and
- 18.2% premium to the Distribution Adjusted VWAP of \$0.78 per Cromwell Security for the three months leading up to the Announcement Date.

2

The Offer provides certainty of value for 29% of your Cromwell Securities during this heightened period of economic uncertainty. ARA BidCo has increased the Offer Price to \$0.92 cash per Sold Security from \$0.88125, as stated in its Original Bidder's Statement. The Offer Price is final and, in the absence of a competing proposal emerging, will not be increased further.

ARA BidCo is offering all cash consideration for 29% of your Cromwell Securities (rounded down to the nearest Security), providing you with an opportunity to realise a certain and attractive value.

Given Cromwell's elevated gearing levels in conjunction with the uncertainty surrounding rental collections and asset values as a result of COVID-19, the ARA Group is concerned that Cromwell will seek to undertake a material equity raising at a discount to the Offer Price.

If you accept the Offer and it becomes unconditional, you will:

- be paid \$0.92⁸ cash for each Sold Security;
- receive that value without incurring any brokerage (other than as set out in section 7.23); and
- receive your cash payment by the earlier of:
 - 21 days after the end of the Offer Period; and
 - one month after the later of:
 - receipt of your valid acceptance; and
 - the date on which the Offer becomes unconditional.

The Offer Price is final and, in the absence of a competing proposal emerging, will not be increased further, however ARA BidCo reserves the right to extend the closing date of the Offer in accordance with the Corporations Act. For reasons set out below, the ARA Group believes that the likelihood of a competing proposal emerging is low.

6. The consideration under the Offer will be reduced by the amount of any Rights which you (or any previous holder of your Cromwell Securities) become entitled to receive in respect of your Cromwell Securities on or after the date of this Bidder's Statement.
7. IRESS is not required to consent, and has not consented, to the use of this trading data in this Bidder's Statement.
8. The consideration under the Offer will be reduced by the amount of any Rights which you (or any previous holder of your Cromwell Securities) become entitled to receive in respect of your Cromwell Securities on or after the date of this Bidder's Statement.

3

The Offer allows you to participate in any upside in Cromwell's security price performance following a potential refresh of the Board and strategy by continuing to hold the remaining 71% of your Cromwell Securities.

In addition to realising a premium for 29% of your Cromwell Securities, the Offer enables you to maintain an investment in Cromwell alongside the ARA Group through the remaining 71% of your Cromwell Securities.

The ARA Group has been, and continues to be, concerned with Cromwell's corporate governance, underlying performance, processes and strategy. The ARA Group intends to drive a process of Board change and renewal by the nomination of two new directors. A refreshed Board with a **clear proprietorial focus** will bring necessary experience and provide appropriate oversight of Cromwell management, driving a clear and considered strategy which may improve performance of the business.

4

As at the date of this Bidder's Statement, the ARA Group has a relevant interest in 26.68% of all Cromwell Securities, which the ARA Group believes substantially reduces the likelihood of a competing proposal emerging.

The ARA Group believes that the likelihood of another bidder emerging with a superior proposal is low given:

- the Offer is at a premium to Cromwell's trading prices prior to the Announcement Date; and
- the ARA Group already has a relevant interest in 26.68% of all Cromwell Securities on issue at the date of this Bidder's Statement.

Whilst there are many factors that influence the market price of Cromwell Securities, there is a risk that the trading price of Cromwell Securities on the ASX may fall once the Offer ends and there is no competing proposal. For the three-month period up to the Announcement Date, the Distribution Adjusted VWAP of Cromwell Securities was \$0.78.

5

The Offer is subject to limited conditionality.

The Offer for your Cromwell Securities is subject to a limited number of Defeating Conditions set out in section 7.10 of this Bidder's Statement.

In summary, the conditions of the Offer are:

- no Prescribed Occurrences; and
- the Index Fall Condition.

6

Unless a sufficient number of Securityholders accept the Offer, there is a risk that the status quo will continue, and Cromwell may continue to fall short of its potential.

In order to have new directors appointed to the Board to provide proprietorial oversight and drive a refresh of Cromwell's strategy, the ARA Group will need a sufficient number of Cromwell Securityholders to accept the Offer.

If a sufficient number of Securityholders do not accept the Offer, there is a risk that the Board will remain unchanged, the strategy will not be refreshed, the status quo will continue and Cromwell may continue to fall short of its potential. This is because the votes of the ARA Group, together with the votes of other securityholders who are supportive of change, may be insufficient to ensure that Dr Gary Weiss AM and Mr Joseph Gersh AM are elected to the Cromwell Board.

7

If you accept the Offer you will not incur any brokerage (other than as set out in section 7.23).

In addition to a premium to the last close price and relevant VWAP periods prior to the Announcement Date, you will not incur any brokerage charges on the transfer of 29% of your Cromwell Securities to ARA BidCo pursuant to this Offer (although consider the matter outlined in section 7.23).

20. Why should I accept the Offer?	<p>You should accept the Offer for the following reasons:</p> <ol style="list-style-type: none"> 1. The Offer Price represents a premium to Cromwell's last close price, 30-day VWAP and the 3-month VWAP leading up to the Announcement Date. 2. The Offer provides certainty of value at a premium for 29% of your Cromwell Securities during this period of heightened economic uncertainty. ARA BidCo has increased the Offer Price to \$0.92 cash per Sold Security from \$0.88125, as stated in its Original Bidder's Statement. The Offer Price is final and, in the absence of a competing proposal emerging, will not be increased further. 3. The ARA Group currently has a relevant interest in 26.68% of all Cromwell Securities, which the ARA Group believes substantially reduces the likelihood of a competing proposal emerging. 5. The Offer is subject to limited conditionality. 6. Unless a sufficient number of Securityholders accept the Offer, there is a risk that the status quo will continue, and Cromwell may continue to fall short of its potential. 7. 21. Can I withdraw my acceptance?	<p>Once you accept the Offer, you cannot withdraw your acceptance unless a withdrawal right exists or arises under the Corporations Act.</p> <p>Such a right may arise if, after you have accepted the Offer and the Offer remains conditional, ARA BidCo varies the Offer in a way that postpones, for more than one month, the time by which ARA BidCo has to meet its obligations under the Offer. 2. Information on Cromwell and Cromwell Securities

2.7 MATERIAL CONTRACTS

There is a risk that some material contracts to which Cromwell and its subsidiaries are a party (including co-ownership agreements, leases and financing arrangements) contain change of control or pre-emptive rights provisions that may be triggered if, following completion of the Offer, the ARA Group acquires a large enough stake in Cromwell. The operation of such provisions may have negative consequences for Cromwell. However, as the ARA Group has not been able to conduct any due diligence of non-public information in relation to Cromwell's business at this time, it is unable to provide further details about which consents will be required (if any) or the consequences if such consents are not obtained .

If any change of control provisions within Cromwell's agreements are triggered as a consequence of the Offer, the consent of the relevant counterparty may be required, and/or that counterparty may seek to terminate or renegotiate the agreement on terms less favourable to Cromwell or to exercise rights triggered by the change of control.

2.8 PUBLICLY AVAILABLE INFORMATION

For information concerning the financial position and affairs of Cromwell, you should refer to the information that has been disclosed by Cromwell in accordance with these obligations.

INTENTIONS OF THE ARA GROUP

3

3. Intentions of the ARA Group

3.1 INTRODUCTION

This section sets out the intentions of the ARA Group in relation to:

- (a) the future business of Cromwell; and
- (b) any major changes to be made to the operation of Cromwell, including any redeployment of the property owned by Cromwell.

These intentions are based on facts and information concerning Cromwell, and the general business environment, which are known to the ARA Group at the time of preparing this Bidder's Statement. This information is limited to publicly available information.

As at the date of this Bidder's Statement, the ARA Group had a relevant interest in 26.68% of the Cromwell Securities on issue. If all Cromwell Securityholders accept the Offer the ARA Group's maximum relevant interest in Cromwell Securities would be approximately 47.9%.¹⁸

Given the Offer ratio and ARA Group's current holding, it is not possible for ARA Group's relevant interest in Cromwell to reach or exceed 50% as a consequence of the Offer.¹⁹

In accordance with section 249F of the Corporations Act, as a securityholder with greater than 5% of Cromwell Securities, the ARA Group has called a meeting of Cromwell Corporation Limited shareholders to be held on 18 September 2020 (**EGM**) to consider and vote on the election of two new directors, being Dr Gary Weiss AM and Mr Joseph Gersh AM, to the Cromwell Board. Both Dr Weiss and Mr Gersh are highly regarded in the commercial world and have the necessary skills to help address the concerns the ARA Group has with respect to the manner in which Cromwell is being managed.

As the ARA Group currently has voting power of 26.68%, the ARA Group is already able to materially influence the passing of securityholder resolutions including the resolutions to be considered at the EGM. This influence will increase as Cromwell Securityholders accept the Offer and ARA Group's voting power increases.

At the upcoming EGM, the ARA Group has not proposed the removal of any directors or election of any directors other than Dr Weiss and Mr Gersh.

The ARA Group will recommend that the reconstituted Cromwell Board conducts a thorough and broad-based strategic and financial review of Cromwell's corporate structure, assets, businesses, personnel and operations to drive a refresh of Cromwell's strategy. This review should consider all actions and strategies which could be undertaken by Cromwell in order to maximise the value of all Cromwell Securities.

Final decisions will only be reached in light of available information and circumstances at the relevant time. Accordingly, the statements set out in this section are statements of current intention only and may vary as new information becomes available to the ARA Group or as circumstances change.

With over A\$750 million invested in Cromwell to date, the ARA Group considers its interests are aligned with other Cromwell Securityholders. It is critical that the Board is refreshed and a strategic review process is overseen by a Board with a proprietorial focus that is representative of Cromwell Securityholders who all have a common goal to maximise the value of their investment. This is in contrast to Cromwell's recent strategic review which was undertaken by external parties and overseen by the current Board comprising non-executive directors who collectively own less than 0.07% of Cromwell's Securities on issue.

As the ARA Group cannot reach a relevant interest of 50% or more of Cromwell as a consequence of the Offer, there is no guarantee that the ARA Group will be in a position to affect the representation on the Cromwell Board that it seeks.

3.2 GENERAL INTENTIONS

Following the conclusion of a broad-based strategic and financial review, if undertaken by the Cromwell Board, the ARA Group intends to assess the outcomes and strategies recommended by the Cromwell Board and support those which the ARA Group believes will maximise the value of its investment.

Potential strategies that the ARA Group would be inclined to support include:

- (a) overall simplification of the activities of Cromwell to focus on those activities in which Cromwell has a competitive advantage;
- (b) repositioning the Cromwell portfolio and sourcing capital partners for suitable assets to enhance return on equity for Cromwell Securityholders;
- (c) operational and structural changes to the Cromwell portfolio, including possible acquisitions, disposals and creation of new funds;
- (d) identifying improved efficiencies to reduce the significant overhead burden of Cromwell without compromising investment performance; and

18. Excluding the potential acquisition of less than Marketable Parcels of Cromwell Securities under section 7.1(d).

19. Excluding the potential acquisition of less than Marketable Parcels of Cromwell Securities under section 7.1(d).

(e) other actions that can maximise the value of the Cromwell portfolio.

Given the limited information available to the ARA Group at this time, it is not in a position to speculate on the specifics of any operational and structural changes that it might support or what features would make it likely to support such strategies.

The ARA Group does not intend to support the continued growth of Cromwell's ballooning corporate overheads, excessive CEO remuneration or investment in assets where Cromwell has no expertise or competitive advantage such as Polish shopping centres or European data centres.

3.3 EMPLOYEES

The ARA Group also intends to propose that the reconstituted Board review remuneration of key management personnel, in particular the CEO, to ensure it is aligned with market peers and accurately reflects the performance of Cromwell. The ARA Group has no other intention to demand or propose changes to the future employment of current employees.

3.4 CAPITAL STRUCTURE

The ARA Group intends to support a comprehensive review of capital management policies including as it relates to gearing, distribution payout ratios and the overall capital structure of Cromwell with a view to improving the capital efficiency. If, having regard to current and future earnings, debt levels, bonding requirements, capital and other commitments, the conclusion is that Cromwell should adopt a more conservative capital management policy and reduce leverage, this may lead to a number of outcomes including the need for Cromwell to raise additional equity, including from its securityholders, or to reduce its distributions and dividends.

3.5 LIMITATIONS OF INTENTIONS

For the avoidance of doubt, the intentions and statements of future conduct set out in this section are subject to:

- (a) the law (including the Corporations Act) and the ASX Listing Rules, including the requirements of the Corporations Act and the ASX Listing Rules in relation to conflicts of interest and 'related party' transactions given that the ARA Group cannot acquire all of the Cromwell Securities, ARA BidCo will be treated as a related party of Cromwell for these purposes; and
- (b) the legal obligation of the directors of the Cromwell Board at the time, including any nominees of the ARA Group, to act in good faith, for proper purposes and to have regard to the interests of all Cromwell Securityholders.

SOURCES OF CASH CONSIDERATION

4

4. Sources of Cash Consideration

ARA BidCo will satisfy its payment obligations under the Offer wholly in cash (in Australian dollars).

4.1 AMOUNT PAYABLE

The maximum amount of cash ARA BidCo would be required to pay under the Offer (excluding the Cromwell Securities already owned by the ARA Group) is approximately \$511,090,546²⁰.

ARA BidCo intends to fund this amount through commitments from the ARA Group and from an affiliate of Warburg Pincus. These commitments continue to be more than sufficient to fund the maximum consideration payable by ARA BidCo under the Offer together with all associated transaction costs.

4.2 FUNDING COMMITMENT BY THE ARA GROUP

On 22 June 2020, ARA BidCo and ARA Investment (Cayman) Limited (**ARA TopCo**) entered into a legally binding Funding Commitment Deed pursuant to which ARA TopCo is obliged to make sufficient funding available to ARA BidCo, to satisfy its payment obligations under the Offer, including any associated transaction costs.

The Funding Commitment Deed contains no conditions, interest or repayment obligations or termination rights.

ARA TopCo and its subsidiaries have and will maintain at all times during the Offer Period and until ARA BidCo has satisfied all of its payment obligations under the Offer:

- (a) cash at bank of at least SGD \$100 million (approximately AUD \$102²¹ million) (see section 4.2(a) below); and
- (b) undrawn funds under ARA TopCo's existing Facility Agreement of at least SGD \$200 million (approximately AUD \$204²² million) (see section 4.2(b) below).

ARA TopCo has given a confirmation and commitment to this effect to ARA BidCo in the Funding Commitment Deed. These amounts are less than the ARA Group's total cash at bank and undrawn funds available under the Facility Agreement.

ARA TopCo may procure the funds provided to ARA BidCo to fund its payment obligations under the Offer from a mix of the cash reserves and the Facility Agreement referred to above or from other sources, in its absolute discretion.

(a) Cash deposits

ARA TopCo and its subsidiaries have and will maintain cash at bank of SGD \$100 million for the duration of the Offer Period in commercial bank accounts with DBS Bank and United Overseas Bank Limited.

KPMG LLP, Singapore has provided ARA BidCo and ARA TopCo a report of factual findings of agreed-upon procedures in accordance with *SSRS 4400 Engagements to Perform Agreed-upon Procedures Regarding Financial Information* agreeing that ARA TopCo and its subsidiaries had at least SGD \$100 million cash at bank as at 31 May 2020.

(b) Debt funding

ARA TopCo and certain of its subsidiaries are parties to a Facility Agreement with the ARA Lenders dated 30 December 2019 (**Facility Agreement**). Funds obtained under the Facility Agreement are permitted to be utilised in connection with the Offer.

A summary of the key terms of the Facility Agreement are set out below:

(i) Conditions precedent

The drawdown of funds under the Facility Agreement is conditional on a number of conditions precedent, including that:

- (A) no event of default is continuing or would result from the drawdown; and
- (B) all of the repeating representations made by the obligors under the Facility Agreement are true in all material respects.

All other conditions precedent to drawdown under the Facility Agreement have been satisfied and ARA TopCo has confirmed that it is not aware of any reason why the conditions precedent above would not be satisfied upon delivery of a drawdown request.

(ii) Drawdown timing

In order to drawdown funds under the Facility Agreement, ARA TopCo must deliver a utilisation request to the facility agent. Provided the conditions precedent are satisfied, the ARA Lenders must make the requested funds available within 3 Business Days of receipt of the utilisation request.

20. Excluding the potential acquisition of less than Marketable Parcels of Cromwell Securities under section 7.1(d). The maximum amount of cash ARA BidCo would be required to pay under the Offer including the acquisition of less than Marketable Parcels under section 7.1(d) will vary depending upon the number and size of less than Marketable Parcels at the time of acceptance by the relevant Securityholders. Based on the register of members as at the Register Date and the Offer Price, the maximum amount of cash ARA BidCo would be required to pay under the Offer including less than Marketable Parcels under section 7.1(d) would be \$511,251,342. ARA BidCo believes its funding commitments are sufficient to fund the acquisition of all less than Marketable Parcels that might reasonably be required to be acquired under the Offer.
21. Exchange rates sourced from IRESS at approximately 8:00pm on 14 August 2020. IRESS is not required to consent, and has not consented, to the use of this trading data in this Bidder's Statement.
22. Exchange rates sourced from IRESS at approximately 8:00pm on 14 August 2020. IRESS is not required to consent, and has not consented, to the use of this trading data in this Bidder's Statement.

4. Sources of Cash Consideration

(iii) Events of default

Events of default include the following, in each case subject to such qualifications and exceptions and including appropriate thresholds, materiality carve-outs and reference to material adverse effect as are customary for a transaction of this nature:

- (A) non-payment of principal when due;
- (B) failure to meet certain covenant tests;
- (C) cross-default;
- (D) a material misrepresentation; and
- (E) insolvency and related events.

ARA BidCo has no reason to believe that any of the events of default listed above will occur during the Offer Period.

4.3 FUNDING COMMITMENTS FROM ACHL

ARA BidCo has entered into a legally binding note subscription agreement (**Subscription Agreement**) with Athena Concorde Holding Ltd. (**ACHL**), an entity that is managed and controlled by funds managed by affiliates of Warburg Pincus.

Under the Subscription Agreement, ACHL has committed to subscribe for up to USD \$255 million (approximately AUD \$357²⁴ million) of zero coupon notes issued in tranches by ARA BidCo.

ACHL will fund its commitment under the Subscription Agreement via binding funding commitments from various Warburg Pincus funds, for which the general partner is Warburg Pincus XII, L.P. (**Fund**). As of 11 August 2020, the Fund had approximately USD \$3.0 billion of remaining investment capacity in aggregate, comprising both undrawn capital and recycled cash proceeds from investment disposals available for further investments.

A summary of the key terms of the Subscription Agreement are set out below:

(a) Conditions precedent

Completion of the subscription of the first tranche of notes is conditional on the Offer being declared unconditional.

(b) Drawdown timing

ACHL must meet its subscription obligations within 5 Business Days of the condition precedent being satisfied in respect of the first tranche of notes and receipt of a drawdown notice in respect of any subsequent tranches of notes.

(c) Events of default

The Subscription Agreement shall terminate if the Offer is withdrawn in accordance with the terms of this Bidder's Statement. Otherwise, the Subscription Agreement may only be terminated by either party if the other fails to fulfil its completion obligations under the Subscription Agreement.

4.4 EXCHANGE RATE MOVEMENTS

The funds committed by ARA TopCo and ACHL are denominated in Singaporean dollars and US dollars respectively.

At the indicative exchange rates of SGD \$1.00 = AUD \$1.02 and USD \$1.00 = AUD \$1.40²⁵, the funds available are well in excess of the amount required to complete the Offer. This would remain the case even if there were significant adverse movements in the SGD/AUD and USD/AUD exchange rates during the Offer Period.

4.5 SUFFICIENCY OF FUNDING

In aggregate, the funds committed by ARA TopCo and ACHL are more than sufficient to fund the maximum consideration payable by ARA BidCo pursuant to the Offer and all associated transaction costs.

Accordingly, ARA BidCo is of the opinion that it has a reasonable basis for forming the view, and it holds the view, that it can satisfy its payment obligations under the Offer.

TAXATION CONSIDERATIONS FOR AUSTRALIAN CROMWELL SECURITYHOLDERS

5

5. Taxation Considerations for Australian Cromwell Securityholders

5.1 AUSTRALIAN TAX IMPLICATIONS FOR CROMWELL SECURITYHOLDERS

The following is a general description of the Australian income tax, GST and stamp duty consequences for Cromwell Securityholders on disposing of their Cromwell Securities, in return for cash.

The information is based upon Australian taxation law and established practice and interpretations in effect at the date of this Bidder's Statement. It is not intended to be an authoritative, complete statement or comprehensive analysis of the taxation laws of Australia. The summary does not consider any specific facts or circumstances that may apply to particular Cromwell Securityholders.

The information applies only to Cromwell Securityholders who hold their interest in the Stapled Securities on capital account, such that they will be subject to capital gains tax (CGT) in respect of dealings in their holding of Cromwell Securities. This summary does not address the consequences that arise for Cromwell Securityholders:

- (a) who hold their units on revenue account or as trading stock;
- (b) who hold their Cromwell Securities as assets used in carrying on a business or as part of a profit making undertaking or scheme;
- (c) who acquired their Cromwell Securities through an employee security scheme;
- (d) who are Australian tax residents but who hold their Cromwell Securities as part of an enterprise carried on, at or through a permanent establishment in a foreign country;
- (e) who are financial institutions, insurance companies, partnerships, tax exempt organisations, trusts (except where expressly stated), superannuation funds (except where expressly stated) or temporary residents; or
- (f) who are subject to taxation of financial arrangements rules in relation to gains and losses on their Cromwell Securities.

You are advised to seek independent professional advice regarding the Australian tax consequences of disposing of your Cromwell Securities according to your own particular circumstances.

The Australian tax consequences of disposing of your Cromwell Securities will depend on a number of factors including:

- (a) whether you are an Australian resident or non-resident for tax purposes;
- (b) whether you hold your Cromwell Securities on revenue account or as trading stock;
- (c) when you acquired your Cromwell Securities for tax purposes; or
- (d) whether you are an individual, a company or a trustee of a complying superannuation entity.

5.2 CGT CONSEQUENCES – IMPLICATIONS OF CROMWELL'S STAPLED STRUCTURE

Acceptance of the Offer will result in a disposal of the Cromwell Securities by you and should trigger a CGT event. Under the Offer, the Cromwell Securityholders will dispose of their Cromwell Securities in exchange for cash.

For Australian income tax purposes, an interest in each stapled entity that comprises the Cromwell Securities (i.e., shares in the Company and units in the Trust) is a separate CGT asset. As such, a separate CGT calculation will be required to be undertaken in respect of the disposal of the interests in each of the separate stapled entities. In respect of each separate stapled entity, you should:

- make a capital gain if the capital proceeds received on disposal of your interest in the stapled entity is greater than your cost base in that interest in the stapled entity; or
- make a capital loss if the capital proceeds received on disposal of your interest in the stapled entity is less than your reduced cost base interest in the stapled entity.

(a) Capital proceeds

The cash consideration offered by ARA BidCo under the Offer will be the capital proceeds for the purposes of calculating the capital gain or loss. The capital proceeds need to be apportioned between the interest held in each stapled entity on a reasonable basis as at the time the Offer is accepted. Broadly, a reasonable basis may be the net asset value of each respective stapled entity for these purposes. This may be found on the Cromwell website.

(b) Cost base of the Cromwell stapled entities

Broadly, the cost base (or reduced cost base) of each share or unit comprising the Cromwell Securities should be the amount you paid to acquire the respective share or unit (plus any incidental costs you incur on acquisition and disposal of the share or unit). The acquisition price you paid for the Cromwell Securities would need to be apportioned between the interests held in each stapled entity on a reasonable basis (as noted above for capital proceeds). Your cost base in the respective shares and units will be reduced by any returns of capital and/or tax deferred distributions received in respect of that particular share or unit. The tax deferred amounts and/or capital returns should have been disclosed to you in your previous distribution statements from Cromwell. Cromwell Securityholders should seek their own advice on the relevant cost base (or reduced cost base) of their interest in the respective stapled entities.

5. Taxation Considerations for Australian Cromwell Securityholders

5.3 CGT CONSEQUENCES FOR RESIDENT CROMWELL SECURITYHOLDERS

(a) CGT discount

Any net capital gain should be included in your assessable income if you are an Australian resident Cromwell Securityholder and subject to Australian income tax at your applicable tax rate. A CGT discount may be available to reduce your capital gain.

Cromwell Securityholders who are individuals, trusts or complying superannuation funds who have held their Cromwell Securities for at least 12 months before their disposal should be entitled to a CGT discount to the extent there is a net capital gain for the income year.

Broadly, the CGT discount rules provide that Australian resident Cromwell Securityholders may reduce their capital gain (after the application of any current year or prior year capital losses) by 50% for individuals and trusts and by 33 1/3% for complying superannuation funds. Cromwell Securityholders should seek their own specific advice in this respect.

(b) Capital losses

A capital loss will arise where the capital proceeds received by the Cromwell Securityholders on the disposal of their Cromwell Securities are less than the reduced cost base of those Cromwell Securities.

A capital loss may be used to offset any other capital gains made by the Cromwell Securityholders for the relevant year of income or may be carried forward to offset capital gains in future income years. Specific loss recoupment test rules may apply to companies to restrict their ability to utilise capital losses in future years in some circumstances. Cromwell Securityholders should obtain their own tax advice in relation to the operation of these rules.

5.4 CGT CONSEQUENCES FOR FOREIGN RESIDENT CROMWELL SECURITYHOLDERS

Generally, a foreign resident for Australian tax purposes who does not carry on business in Australia at or through a permanent establishment should be exempt from CGT on the disposal of their Cromwell Securities, unless, broadly:

- (a) the foreign resident Cromwell Securityholder (together with its associates) hold 10% or more of the issued securities in the relevant Cromwell entity (as the shares in the Company and the units in the Trust are treated separately for these purposes) at the time of the CGT event resulting from the disposal of the Cromwell Securities or for any continuous twelve month period within two years preceding the time of the CGT event; and
- (b) more than 50% of the market value of the Cromwell entity is derived from real property in Australia (broadly, land (and assets fixed to the land) situated in Australia).

A Securityholding that meets these conditions is referred to as an indirect Australian real property interest. Importantly, foreign resident Cromwell Securityholders must assess whether they are subject to CGT at the time of the CGT event resulting from their disposal of the Cromwell Securities (noting that the shares in the Company and the units in the Trust are treated separately for CGT purposes). ARA BidCo understands that more than 50% of the value of the units in the Trust is derived from real property in Australia. ARA BidCo also understands that not more than 50% of the value of the shares in the Company is derived from real property in Australia.

Foreign resident Cromwell Securityholders who are subject to CGT on the disposal of their Cromwell Securities should not be entitled to the CGT discount.

Cromwell Securityholders who are not resident in Australia for income tax purposes should note that the Australian tax consequences from the disposal of the Cromwell Securities may be affected by any double tax agreement between Australia and their country of residence. Foreign resident Cromwell Securityholders should obtain specific tax advice.

5.5 CGT PAYMENT OBLIGATIONS

A bidder in an off-market takeover has an obligation, subject to certain exceptions, to pay an amount equal to 12.5% of the offer consideration to the ATO if the securities acquired from a target securityholder qualify as indirect Australian real property interests (see section 5.4 above) and the bidder either:

- (a) knows the target securityholder is a foreign resident; or
- (b) reasonably believes that the target securityholder is a foreign resident; or
- (c) does not reasonably believe that the target securityholder is an Australian resident and either:
 - (i) the target securityholder has an address outside Australia; or
 - (ii) the bidder is authorised to make payment of the offer consideration to a place outside Australia (whether to the target securityholder or to anyone else).

If the bidder considers that it has an obligation to make the above payment to the ATO, it may withhold the applicable amount from the offer consideration paid to the relevant target securityholder. Where the bidder pays the withheld amount to the ATO, the bidder will be discharged of any liability to pay that amount of the offer consideration to the target securityholder.

Despite any other provisions of this section 5, if ARA BidCo reasonably believes that there is, or is reasonably likely to be, a liability to withhold and pay an amount to the ATO in respect of the disposal of the Cromwell Securities by a Cromwell Securityholder, ARA BidCo will withhold the applicable amount from the payment of Offer consideration to the Cromwell Securityholder and pay the amount withheld to the ATO. The Cromwell Securityholder will then only receive the net proceeds after deduction of this withheld amount and the payment of the net proceeds will be taken to be full payment for the purposes of the Offer.

If ARA BidCo considers that a withholding will be required, ARA BidCo will notify the relevant Cromwell Securityholder at their registered address. A Cromwell Securityholder who believes the disposal of their Cromwell Securities may trigger a foreign resident CGT withholding tax liability should obtain their own independent tax advice and consider contacting ARA.

ARA BidCo may request the Cromwell Securityholder to complete, sign and return a 'Relevant Foreign Resident Declaration Form' in order to ensure that the Cromwell Securities held by the Cromwell Securityholder are not indirect Australian real property and therefore not subject to withholding tax being deducted from the Offer consideration.

5.6 GST

On the basis of current GST law, the disposal of Cromwell Securities pursuant to the Offer would not be subject to GST, with the exception of GST payable on any brokerage charged by your Controlling Participant for carrying out your instructions.

Cromwell Securityholders should obtain independent advice in relation to the impact of GST in their individual circumstances.

5.7 STAMP DUTY

No stamp duty will be payable by a Cromwell Securityholder on a disposal of their Cromwell Securities under the Offer.

6. Other Information

6.6 WITHHOLDING OF CONSIDERATION

Except as outlined in section 5.5, ARA BidCo is not currently aware of any other amounts that are or would be treated as withholding amounts under section 7.17. However, it is possible that ARA BidCo may become aware of an obligation in this regard after the date of this Bidder's Statement.

For example, under section 255 of the *Income Tax Assessment Act 1936* (Cth), the Australian Taxation Office may notify ARA BidCo that all or part of the consideration otherwise payable under the Offer to Cromwell Securityholders who are non-residents of Australia is to be retained by ARA BidCo, or paid to the Australian Taxation Office, instead of being paid to the relevant Cromwell Securityholders to the extent that Australian tax is due and payable by the non-resident. The amount that can be withheld should be equal to the amount of tax due and payable by the non-resident.

Similarly, under section 260-5 of Schedule 1 to the *Taxation Administration Act 1953* (Cth), the Australian Taxation Office may require ARA BidCo to pay to the Australian Taxation Office all or part of the consideration otherwise payable under the Offer to Cromwell Securityholders who owe tax-related debts to the Australian Government to the extent that the relevant Cromwell Securityholder owes tax-related debts to the Australian Government.

6.7 REGULATORY APPROVALS

The ARA Group has obtained all necessary regulatory approvals required in connection with the Offer.

The ARA Group has received a notice of no objection from the Foreign Investment Review Board of Australia permitting it to acquire all Cromwell Securities which may be accepted under the Offer, subject only to common tax disclosure conditions and access conditions which will not adversely affect the Cromwell business. The ARA Group will ensure that it complies with the applicable conditions at all times.

As such, this Offer is not subject to any regulatory conditions.

THE OFFER

7

7. The Offer

7.1 GENERAL TERMS

- (a) ARA BidCo offers to acquire from you, on the terms and conditions of this Offer, 29% of your Cromwell Securities together with all Rights attaching to the Sold Securities. Subject to paragraphs (b),(c),(d),(e) and 7.1(f) of this section 7.1, you may only sell 29% of your Cromwell Securities under this Offer, and not a greater or lesser proportion. For example, if you hold **1,000** Cromwell Securities you can only sell **290** of your Cromwell Securities to ARA BidCo under this Offer.
- (b) This Offer does not extend to Cromwell Securities in respect of which you become registered or become entitled to be registered as the holder prior to the end of the Offer Period as a result of the conversion of, or the exercise of rights attached to, other securities convertible into Cromwell Securities that are on issue at the Register Date (including the Performance Rights).
- (c) This Offer extends to any person who is able during the Offer Period to give good title to a parcel of Cromwell Securities and has not already accepted an Offer for those Cromwell Securities (see section 7.4(a)). If you accept this Offer to sell 29% of your Cromwell Securities, you will be taken to have accepted the Offer for all your Cromwell Securities for the purposes of section 653B of the Corporations Act. You will not be entitled to accept the Offer for the remaining 71% of your Cromwell Securities (**Remaining Securities**). You can sell your Remaining Securities, but a transferee cannot accept the Offer in respect of the Remaining Securities. Your Remaining Securities will effectively be “tagged” to prevent their acceptance into this Offer.
- (d) Subject to paragraph (e) and despite paragraphs (a), (b) and (c) of this section 7.1, if accepting this Offer would leave you with less than a Marketable Parcel of Cromwell Securities, this Offer extends to the whole of that parcel and if you accept the Offer you will be deemed to have accepted for (and will receive consideration for) 100% of your Cromwell Securities. This also applies, subject to paragraph (e), to persons who hold one or more parcels of Cromwell Securities as nominee or trustee for others, provided that the holder provides a notice complying with section 7.4(b) in relation to each parcel.
- (e) Paragraph (d) will not apply to a parcel of Cromwell Securities, whether held beneficially or otherwise, that has come into existence, or increased in size because of a transaction entered into (including the creation of one or more trusts), after this Offer is announced.
- (f) If necessary, if the number of your Cromwell Securities to which this Offer relates is not a whole number, the Offer will be rounded down to the nearest whole number.
- (g) The consideration offered for each of your Sold Securities is \$0.92 cash, which may be reduced, in accordance with section 7.19, by the amount of any Rights which you (or any previous holder of your Sold Securities) become entitled to receive in respect of your Sold Securities on or after the date of this Bidder's Statement.
- (h) The Offer is dated **21 August 2020**.
- (i) The Offer is subject to the Defeating Conditions.

7.2 OFFER PERIOD

Unless withdrawn in accordance with the Corporations Act, the Offer will remain open during the period commencing at 10:00 am (Sydney time) on **21 August 2020** and ending at 7:00 pm (Sydney time):

- (a) on **21 September 2020**; or
- (b) on any date to which the period of this Offer is extended under this section 7.2.

ARA BidCo reserves the right, exercisable in its sole discretion, to extend the Offer Period in accordance with the Corporations Act.

In accordance with section 624(2) of the Corporations Act, if, within the last seven days of the Offer Period any of the following events occur, the Offer Period will automatically be extended to end at 7:00pm (Sydney time) 14 days after the relevant event:

- (c) ARA BidCo varies the Offers to improve the consideration offered; or
- (d) ARA BidCo's voting power in Cromwell increases to more than 50%.

7.3 HOW TO ACCEPT THE OFFER

You may accept this offer to sell 29% of your Cromwell Securities to ARA BidCo (no more or less, subject to sections 7.1(b),(c),(d),(e) and 7.1(f)).

Sections 7.3(b) and 7.3(c) refer, among other things, to the different Acceptance Forms for use to accept this Offer depending on the nature of your securityholding in Cromwell. You will only be sent one type of Acceptance Form with this Bidder's Statement.

(a) Accept to sell 29% of your Cromwell Securities

You can only accept this Offer during the Offer Period.

You will be taken to have accepted the Offer to sell 29% your Cromwell Securities (subject to sections 7.1(b),(c),(d),(e) and 7.1(f), despite any difference between that number and the number of Cromwell Securities specified on your personalised Acceptance Form.

(b) CHESS Holdings

If your Cromwell Securities are in a CHESS Holding (in which case your Holder Identification Number will commence with 'X'), you must comply with the ASX Settlement Operating Rules.

- (i) If you are the Controlling Participant, you must yourself initiate acceptance under rule 14.14 of the ASX Settlement Operating Rules before the end of the Offer Period; or
- (ii) if you are not the Controlling Participant, you should either:
 - (A) **instruct** your Controlling Participant (usually your Broker) to initiate acceptance of this Offer under rule 14.14 of the ASX Settlement Operating Rules before the end of the Offer Period; or
 - (B) **complete and sign** the Acceptance Form in accordance with the instructions on it. Once completed and signed, you need to **return** the Acceptance Form together with all other documents required by the instructions on it to one of the addresses specified on the form. This will authorise ARA BidCo to instruct your Controlling Participant (usually your Broker) to initiate acceptance of this Offer on your behalf. For return of the Acceptance Form to be an effective acceptance of the Offer, you must ensure it is received by ARA BidCo in time to give instructions to your Controlling Participant, and for your Controlling Participant to carry out those instructions, before the end of the Offer Period.

(c) Issuer Sponsored Holdings

If your Cromwell Securities are registered in Cromwell's Issuer Sponsored Holding (in which case your Securityholder Reference Number will commence with 'I'), or if at the time of your acceptance you are entitled to be (but are not yet) registered as the holder of, or are otherwise able to give good title to, your Cromwell Securities, to accept this Offer you must:

- (i) **complete and sign** the Acceptance Form in accordance with the instructions on it; and
- (ii) **return** the Acceptance Form together with all other documents required by the instructions on it to one of the addresses specified on the form in the addressed envelope provided so that they are received before the end of the Offer Period.

7.4 ENTITLEMENT TO OFFER

(a) Subject to section 7.1(c), a person who:

- (i) is able during the Offer Period to give good title to a parcel of Cromwell Securities; and
- (ii) has not already accepted an Offer for those Cromwell Securities,

may, in accordance with section 653B(1) of the Corporations Act, accept this Offer as if an offer on terms identical with the Offer had been made to that person in relation to those Cromwell Securities.

(b) If at any time during the Offer Period, and before you accept this Offer, your Cromwell Securities consist of one or more separate parcels for the purpose of section 653B of the Corporations Act (for example, because you hold Cromwell Securities on trust for, as nominee for, or on account of, another person or persons (**Beneficiaries**)), then you may accept as if a separate offer in the form of this Offer had been made to you in relation to each of those parcels (including any parcel you hold in your own right). An acceptance by you of the Offer in respect of any such parcel of Cromwell Securities will be ineffective unless:

- (i) your acceptance specifies the number of Cromwell Securities in the parcel to which the acceptance relates;
- (ii) before or at the same time as the acceptance, you have given ARA BidCo a notice stating that the Cromwell Securities in that parcel consist of a separate parcel (**Parcel Notice**); and
- (iii) the Parcel Notice:
 - (A) is signed by you as the holder of those Cromwell Securities (a person who is, or is entitled to be registered, as the holder of the securities); and
 - (B) in the case of Cromwell Securities not in a CHESS Holding is in writing; and
 - (C) in the case of Cromwell Securities in a CHESS Holding is in a form (which may include an electronic form) approved by the ASX Settlement Operating Rules; and
 - (D) where the parcel of Cromwell Securities is held by you as trustee or nominee for, or otherwise on account of one or more Beneficiaries, the Parcel Notice specifies:
 - the name and address of each Beneficiary;
 - the date you reasonably believe each beneficiary acquired a beneficial interest in the parcel; and
 - where that date is when the Offer opens – the time of day you reasonably believed each Beneficiary acquired a beneficiary interest in the parcel.
 - (E) where the parcel of Cromwell Securities is held by you in your own right – the Parcel Notice specifies:
 - that you hold the parcel in your own right;
 - the date you acquired a legal interest in the parcel; and
 - where that date is when the Offer opens – the time of day you acquired a legal interest in the parcel.

(c) Beneficial owners whose Cromwell Securities are registered in the name of a Broker, investment dealer, bank, trust company or other nominee should contact that nominee for assistance in having this Offer accepted in respect of the Cromwell Securities which they beneficially own.

7. The Offer

 - (ii) filling in any blanks remaining on your personalised Acceptance Form; and

- (d) irrevocably authorised and directed Cromwell to pay to ARA BidCo, or to account to ARA BidCo for, all Rights in respect of your Sold Securities, subject, if this Offer is rescinded or rendered void, to ARA BidCo accounting to you for any such Rights received by ARA BidCo;

 - (A) one month after ARA BidCo is given the documents; and
 - (B) 21 days after the end of the Offer Period; or
- (iv) if the documents are given after the end of the Offer Period, ARA BidCo will pay you the consideration within 21 days after the documents are given. then acceptance of the Offer will not create or transfer to you any right (contractual or contingent) to have the consideration under the Offer provided to you unless and until all requisite consents, authorities or clearances have been obtained.

7.17 WITHHOLDING PAYMENT

If any amount (the withholding amount) is required, under any Australian law or by any Public Authority, to be:

- (a) withheld from any consideration otherwise payable to you under this Offer and paid to a Public Authority; or
- (b) retained by ARA BidCo out of any consideration otherwise payable to you under this Offer,

the payment, provision or retention by ARA BidCo of the withholding amount (as applicable) will constitute full discharge of ARA BidCo's obligation to provide the consideration to you to the extent of the withholding amount.
