### About Webcentral Group Ltd

Webcentral Group Ltd is Australia's largest full-service digital services partner for small and medium businesses - fuelling the growth of local businesses from inception to acceleration.

Since its founding in 1996, Webcentral Group Ltd (previously Melbourne IT Group and Arq Group) has helped fuel the digital success of more than one million Australian small to medium businesses. With roots in domain name and hosting, Webcentral Group Ltd are the small and medium business digital growth solution experts helping businesses get online, improve their online performance, and protect their online presence.

Webcentral Group Ltd consists of the brands Netregistry, WME, Melbourne IT, and Domainz. The Webcentral Group Ltd Enterprise division was divested March 2020.

---

<sup>1</sup> EBITDA = earnings before interest, tax, depreciation and amortisation. Underlying EBITDA is derived after adjusting for nonrecurring and unusual items affecting comparability between financial periods, such as costs associated with the sale of business units, restructuring costs etc. The Webcentral Group believes this unaudited non-IFRS information is relevant to the user's understanding of the Webcentral Group's underlying performance.
