## **Acrux announces sales and distribution agreement with Dash Pharmaceuticals**

**Melbourne, Australia; 12 October 2020:** Acrux Limited (ASX:ACR) (“**Acrux**” or the “**Company**”) is pleased to announce that it has entered into an exclusive sales, marketing and distribution agreement with Dash Pharmaceuticals (“**Dash**”) in the United States (“**Agreement**”) for a product in its pipeline.

Subject to approval by the FDA, Dash will be responsible for the commercialisation of the product, including the coordination of commercial manufacturing and management of sales and distribution.

In the United States, sales generated by the product with which Acrux’s generic will compete exceeded USD\$30 million in the 12 months to the end of March 31, 2020, based on IQVIA data.

Acrux and Dash will share the profits generated from the sales of the product.

**Acrux CEO and Managing Director, Michael Kotsanis said:**

“This represents another licensing agreement for Acrux with a highly experienced generic company in the United States. Acrux looks forward to commercialising this product through Dash and bringing affordable products to patients.”

**Dash Pharmaceuticals CEO, David Rosen said:**

“We’re excited to launch our first product with Acrux, a highly capable pharmaceutical development company. This specialty topical product has a number of barriers to entry. DASH will be overseeing the manufacturing of the product, as well as providing sales, marketing, and distribution for it throughout the US.”

Authorised by the Board of Acrux Limited.
