**THIS INTERNATIONAL PRIME BROKERAGE AGREEMENT is made on
between:**

- (1) Morgan Stanley & Co. International plc (“**MSI plc**”) for itself and as agent and trustee for and on behalf of the other Morgan Stanley Companies (as defined herein); and
- (2) *[Insert name of client]* (the “**Client**”)

IT IS AGREED AS FOLLOWS:

REGULATORY INFORMATION

REGULATORY STATUS

MSI plc (FCA registration number 165935) is regulated by the FCA and regulated and authorized by the PRA. Its principal address in the U.K. is 25 Cabot Square, Canary Wharf, London E14 4QA.

None of the other Morgan Stanley Companies party to this Agreement are regulated in the U.K. by the FCA but may be regulated by other bodies or in their home jurisdiction. Accordingly, the designated investment business (as defined in the FCA Rules and PRA Rules) conducted with or provided to the Client, or on its behalf, by such Morgan Stanley Companies is not covered by the rules and regulations made for the protection of investors in the U.K.. MSI plc will provide the Client on request with details of the regulatory status of such companies.

CLIENT CATEGORISATION

MSI plc will treat the Client’s Agent as their *client* for UK regulatory purposes in accordance with the FCA Conduct of Business Sourcebook and will treat the Agent as a *per se professional client*. If the Client does not appoint an Agent MSI plc will treat the Client as its *client* for UK regulatory purposes and will treat the Client as a *per se professional client*. The Client or the Agent may also request in writing that MSI plc categorise the Agent or the Client, as applicable, as a client benefiting from a higher degree of protection. The Client agrees that it is responsible for updating Morgan Stanley about any change in circumstances that could affect the aforementioned categorisation.

A. PRIME BROKERAGE TERMS

A.1. Custody and Settlement

A.1.1. Custody: The Client appoints MSI plc as custodian and MSI plc accepts such appointment pursuant to the terms of this Agreement. Where MSI plc holds the Client’s Investments in custody in the Prime Brokerage Account it shall hold such investments as trustee. MSI plc’s duties as trustee shall be subject to the terms of this Agreement. MSI plc is not acting as trustee in relation to any other service or activity relating to this Agreement.

A.1.2. Settlement

- (i) MSI plc will settle Transactions involving the purchase of securities executed through the Client’s Executing Broker and will provide custody of Investments, each in accordance with this Agreement. MSI plc reserves the right to refuse to settle any Transaction, and will notify the Client promptly of any such refusal. MSI plc will use reasonable endeavours to notify the Client promptly in advance where reasonably practical. MSI plc shall be deemed to have agreed to settle a Transaction only upon actual settlement by it of the Transaction.
- (ii) MSI plc shall effect settlement of and payment for securities in accordance with the laws, regulations and market practices in the jurisdiction in which the Transaction occurs. In some securities markets deliveries of securities and related payments are not customarily made simultaneously, and may be made through different mechanisms or systems. The Client agrees that in such circumstances unless, after consultation with MSI plc, the Client or the Client’s investment manager expressly instructs MSI plc only to make delivery against payment, MSI plc may make and accept payments on the settlement of securities in accordance with such market practices. MSI plc shall not be obliged to settle a Transaction if the Client or the Client’s investment manager instructs that it be settled on a delivery versus payment basis and MSI plc considers that such method of settlement is not practicable. The Client shall bear the risk that (a) the recipient of such securities may fail to make payment, or return such securities, or hold them on trust for the Client, and (b) the recipient of payment may fail to deliver the securities (or may deliver invalid, fraudulent, forged or stolen certificates) or to return such payment.
- (iii) MSI plc has no control over the execution of Transactions executed with an Executing Broker (other than itself or a Morgan Stanley Company) or introduced to it by another broker (other than a Morgan Stanley Company) for clearing (each a “**Broker**”) and, save for its obligations in relation to clearing and settlement set out herein, it is not responsible for any matter arising from, nor does it owe any duties to the Client in respect of, the execution of those Transactions. The Client’s broker is not the agent of Morgan Stanley for

any purpose. Where the Broker is an overseas entity then the services of such Broker may not be regulated under the FSMA.

A.2. Sub-custodians and Registration

A.2.1. Sub-custodians: The Client authorises MSI plc to appoint any persons (including any Associated Firm) to act as sub-custodians of the Client's Investments, including documents of title or certificates evidencing title to such Investments. Commensurate with the requirements of the FCA Rules MSI plc will exercise reasonable skill, care and diligence in the selection and monitoring of sub-custodians, shall be responsible to the Client for the duration of the sub-custody agreement for satisfying itself as to the ongoing suitability of the sub-custodian to provide custodial services to the Client, shall maintain an appropriate level of supervision over the sub-custodian and make appropriate enquiries periodically to confirm that the obligations of the sub-custodian continue to be competently discharged. The level of assessment conducted with regard to the selection and monitoring of an Affiliate appointed as sub-custodian will be at least as rigorous as that performed on any non-affiliated company. MSI plc will be responsible for the acts of any sub-custodian which is an Affiliate (and therefore for losses to the Client arising as a result of such acts) to the same extent (and subject to the limitations contained in paragraph L.1) as it is liable under this Agreement for its own acts including any act or omission, fraud, negligence or wilful default.

Where MSI plc has appointed a sub-custodian which is not an Affiliate, it will not be liable for any act or omission, or for the insolvency, of such sub-custodian or for any loss arising therefrom unless, and except to the extent that, any loss suffered by the Client is directly caused by a breach of MSI plc's obligations in relation to the selection and monitoring of sub-custodians set out in this paragraph A.2.1. but subject at all times to the limitation on liability for consequential loss set out in paragraph L.1.2.

Following written request by the Client to MSI plc, MSI plc will provide the Client with information detailing the identity of sub-custodians appointed by Morgan Stanley to hold Investments in the relevant jurisdictions at the time of the request.

A.2.2. Registration of Investments:

(i) MSI plc will arrange for any Investments that are in registered form to be registered in accordance with the FCA Rules. This may mean they are registered (i) in the name of a nominee company controlled by MSI plc, (ii) in the Client's name, (iii) in the name of a sub-custodian or its nominee, (iv) in the name of a

nominee controlled by an Exchange or Clearing House, (v) with MSI plc's consent, in such other name as the Client may direct in writing (in which event, the Client accepts that the consequences of so doing will be entirely at the Client's own risk), or (vi) in the name of an Associated Firm or its nominee.

(ii) The Client agrees that MSI plc may register or record the Client's Investments in the name of a third party or in MSI plc's name where the Investment is subject to the law or market practice of a jurisdiction outside the UK and MSI plc has reasonably determined that it is in the Client's best interests, or it is not feasible to do otherwise and i) if registering in the name of a third party, MSI plc is prevented from registering the Investment in the Client's name or the name of a nominee company, and ii) if registering in MSI plc's name, MSI plc is prevented from registering the Investments in the Client's name, the name of a nominee company or in the name of the third party. As a consequence, in the case of registration in the name of MSI plc or a third party, the Client's Investments may not be segregated from MSI plc's or the third party's Investments and in the event of their default the Client's Investments may not be as well protected.

A.2.3. Identification of Investments:

(i) MSI plc will (subject to paragraph A.2.2.(ii)) identify, record and hold all the Client's Investments held with MSI plc in such a manner that (a) the identity and location of those Investments can be ascertained at any time, and (b) those Investments are readily identifiable as Investments belonging to a customer of MSI plc and are separately identifiable from any Investments of MSI plc. Nothing in the preceding sentence shall prevent all or any part of the Client's Investments being co-mingled with Investments of the same description of other customers of MSI plc and MSI plc will not be obliged to ensure that the Client's Investments will be separately distinguishable from Investments belonging to other customers of MSI plc.

(ii) MSI plc will require that where a Financial Instrument is recorded in an account with a sub-custodian, that sub-custodian will make it clear in the title of the account that the Investment belongs to one or more customers of MSI plc.

A.2.4. Holding of Investments Overseas: MSI plc may, where it considers it appropriate, arrange for the Client's Investments, including Financial Instruments, to be held overseas. There may be different settlement, legal and regulatory requirements in overseas jurisdictions from those applying in the U.K., together with different practices for the separate identification of the Client's Investments. Where the nature of the Investments or services requires MSI plc to do so it may hold Investments with a third party in a country outside the EEA which does not regulate the holding and safekeeping of Investments. Where this is necessary to provide the services the Client has requested under this Agreement, the Client requests MSI plc to deposit its Investments with such third parties. Where the Client's Investments are held in a jurisdiction outside the UK by a third party on MSI plc's behalf, the Client's Investments may be held in an omnibus account by the third party and there is a risk that the Client's Investments could be withdrawn or used to meet obligations of other persons, or that the balance of assets held by the third party does not reconcile with the quantity which the third party is required to hold, and the Client may not in such circumstances receive its full entitlement of Investments. In some jurisdictions it may not be possible to identify separately the Investments which a third party holds for clients from those which it holds for itself or for MSI plc, and there is a risk that your Investments could be withdrawn or used to meet the obligations of the third party, or lost altogether if the third party becomes insolvent.

A.2.5. Pooling of Investments: Where the Client's Investments are pooled with those of one or more customers, individual customer entitlements may not be identifiable by separate certificates, other physical documents of title or equivalent electronic record and in the event of an unreconcilable shortfall after the default of a custodian, customers may share in that shortfall pro-rata. It also means that where corporate events (such as partial redemptions) affect some but not all of the Investments held in a pooled account MSI plc shall allocate the Investments so affected to particular customers in such fair and equitable manner as MSI plc considers appropriate (including without limitation pro rata allocation or an impartial lottery).

A.2.6. Custody Statements in Electronic Form: MSI plc will provide the Client with information relating to the Client's Investments held by MSI plc or an Associated Firm by sending the Client periodic statements which may be sent in electronic form. These will be sent no less often than every 6 months and assets will be valued in accordance with general market practice or, by agreement, in accordance with the Client's instructions.

A.2.7 The Client's Investments may be subject to a lien or right of set-off in favour of any sub-custodian, depositary, nominee or agent in respect of charges relating to their administration and safekeeping.

A.2.8 The Client agrees that MSI plc may, in its sole discretion, decide to (i) liquidate any unclaimed Investments at market value, and pay away the proceeds, or (ii) pay away any such unclaimed Investments, in either case to a registered charity of our choice if MSI plc has held the relevant Investment for at least twelve years; in the twelve years preceding the divestment of that Investment MSI plc has not received instructions relating to any Investment from the Client or on its behalf; and MSI plc has been unable to contact the Client having taken reasonable steps in accordance with the FCA Rules to trace the Client and return the Investment, in which case MSI plc shall cease to treat such assets as custody assets. In such circumstances, MSI plc (or a member of its group) will unconditionally undertake to pay the Client a sum equal to the value of the Investment at the time it was liquidated or paid away in the event that the Client seeks to claim the Investment in future.

A.3. Rights and Obligations in Respect of Investments

A.3.1. Corporate Actions:

(i) Where MSI plc is notified that a Corporate Action may be exercised in relation to an Investment credited to a Prime Brokerage Account and registered in the name of an Associated Firm, a sub-custodian appointed by MSI plc or its or such sub-custodian's nominee, it will use reasonable efforts to notify the Client as soon as practicable of such Corporate Action.

(ii) If the Client wishes to exercise a right relating to a Corporate Action in relation to an Investment credited to a Prime Brokerage Account, it must notify MSI plc in writing or electronically of its election as soon as possible, but in any event no later than the expiry of Morgan Stanley's deadline for submissions of elections relating to that Corporate Action as advised to the Client by MSI plc or, where no deadline is advised, no later than 10 Notice Business Days prior to the final date for submission by MSI plc of such elections (or such shorter period as may be agreed in writing). MSI plc will use reasonable efforts to exercise such right, but only (a) on such terms as the Client has notified to MSI plc in writing and as are acceptable to MSI plc, and (b) where the Client has provided MSI plc or any other person (as the case may be) with any funds required to exercise such right.

(iii) MSI plc will use reasonable efforts to send the

Client Corporate Action Information. This will have been sent to MSI plc from a sub-custodian or agent bank for forwarding to shareholders whose shares are held in custody by MSI plc. No representation or warranty, express or implied, is or will be made by MSI plc in relation to the accuracy or completeness of the Corporate Action Information or any other written or oral information made available to the Client or its advisers in connection with the proposed Corporate Action and no responsibility or liability is or will be accepted by Morgan Stanley in relation to it. The Client should make its own investigation of the proposed Corporate Action and all information provided.

- (iv) The distribution of the Corporate Action Information in certain jurisdictions and/or the Client's ability to participate in a Corporate Action may be restricted by law or regulation in the jurisdiction in which the Client resides or conducts business or by the issuer of the relevant Investment. Any request for MSI plc to exercise or participate on behalf of the Client in the proposed Corporate Action shall be a representation to Morgan Stanley that the Client is entitled to so exercise or participate and that any and all restrictions or qualifications (including but not limited to any restrictions relating to the receipt of Corporate Action Information) have been complied with. By accepting and executing such request on behalf of the Client, MSI plc is not making any representation or warranty about the Client's eligibility to so exercise or participate in any such action.

A.3.2. Calls on Partly Paid Investments: Where Morgan Stanley or any third party holding Investments on behalf of Morgan Stanley is legally liable to meet any payment due or to become due in respect of those Investments, the Client will provide Morgan Stanley or such other person (as the case may be) with funds to meet such payments on the due date therefor, or Morgan Stanley or such person may make such payment and the Client will reimburse Morgan Stanley or such person forthwith upon demand. Where the Client provides the necessary funds in time to do so, MSI plc shall use reasonable endeavours to satisfy the call.

A.3.3. Collection of Income: Where Investments credited to a Prime Brokerage Account are registered in the name of an Associated Firm, a sub-custodian appointed by MSI plc or that of its or such sub-custodian's nominee, MSI plc will credit to that Prime Brokerage Account any Income actually received by it to which the Client is entitled as soon as reasonably practicable (after deduction of any taxes or duties payable).

A.3.4. Reversal of Account Entries: In some jurisdictions the delivery of Investments or crediting of cash to an account may be reversed

in certain circumstances. Accordingly, any delivery of Investments or crediting of cash to an Account will be subject to reversal if, in accordance with local laws and practice, the delivery of Investments or cash giving rise to the credit is reversed. Account entries may also be reversed to reflect any failed or delayed (or partially failed or delayed) settlements to or from the Client's Account. MSI plc will use reasonable endeavours to notify the Client in advance if it becomes aware that any Account entry may be reversed and will notify the Client promptly if any Account entry is reversed.

A.3.5. Voting Rights: In its capacity as custodian and prime broker for the Client, MSI plc may receive notification of voting rights to be exercised with respect to certain of the Client's Investments. For those Investments where MSI plc expressly agrees with the Client that it will do so, MSI plc will use reasonable efforts to notify the Client as soon as reasonably practicable following receipt of notification of such voting rights. MSI plc will only exercise voting rights in respect of the Client's Investments where expressly agreed with the Client. Any request for Morgan Stanley to exercise voting rights shall be a continuing representation that the Client is entitled to exercise such voting rights and that any and all restrictions specified by the issuer or which exist under applicable law or regulation have been duly complied with.

A.3.6. Reporting Obligations: The Client shall be solely responsible for compliance with any notification or other requirements of any jurisdiction relating to or affecting the Client's ownership of the Investments and Morgan Stanley assumes no liability for non-compliance with such requirements.

A.3.7. Proceedings: Morgan Stanley shall not be obliged to institute legal proceedings, file a claim or proof of claim in any insolvency proceedings or take any action with respect to collection of Income or to recover any cash or Investments.

A.4. Client money

A.4.1 When the Client transfers money to MSI plc, the money will not be client money for the purposes of the FCA Rules as title to such money will pass to MSI plc.

A.4.2 Without prejudice to the foregoing, in relation to Exchange-Traded Derivatives Transactions entered into by the Client, MSI plc may transfer cash from the Client's Prime Brokerage Account to the Client's Account for Exchange-Traded Derivatives Transactions as may be required to meet any Margin payment due from the Client in relation to the Exchange-Traded Derivatives Transactions. While such cash is credited to the Client's

Exchange-Traded Derivatives Account MSI plc will treat it as client money and hold it subject to the FCA Rules relating to client money. However, when cash is transferred or retransferred to the Client's Prime Brokerage Account it will be held as collateral and full title to such cash will be transferred to MSI plc, and as a result such cash will not be client money for the purposes of the FCA Rules relating to client money.

A.4.4. [Where the Client holds money with Morgan Stanley Bank International Limited (“**MSBIL**”), the money will be held by MSBIL as banker and not trustee. As a result, the money will not be held in accordance with the client money rules. In particular, MSBIL shall not segregate the Client's money from MSI plc's money or its own money and will not be liable to account to the Client for any profits made by its use as banker of such funds. If MSBIL fails, the Client Money Rules regarding distributions will not apply to the money MSBIL holds for the Client and so the Client will not be entitled to share in any distribution under the Client Money Rules.][*To be included unless Compliance confirm it can be removed*]

A.5. The Loan

A.5.1. Extension of the Loan: MSI plc may, in its sole discretion, be prepared to lend the Client money on the terms set out in this Agreement.

A.5.2. Terms of the Loan:

- (i) **Limit on Loan Available:** The aggregate amount of the Loan available from time to time will not exceed such amount as MSI plc may in its sole discretion determine from time to time.
- (ii) **Purpose of the Loan:** The proceeds of the Loan will not be used in any way, directly or indirectly, for any purpose which is unlawful under any applicable law nor for the making, instigation or conducting of a takeover of, or tender offer for, any person or any other action which, when completed, will have the effect of acquiring control of any such person, or for the purchase of shares in the Client, whether such transaction is effected by the Client, any subsidiary of it, or any entity or individual that controls or is under common control with it.

A.5.3. Interest: Interest will accrue daily on the Loan at the rate and on the basis set out in the Fee Schedule.

A.5.4. Repayment of the Loan: The Loan, or any part thereof, is repayable by the Client on demand by MSI plc (which may mean the Client repaying the Loan the same day). When making such demand, MSI plc will notify the Client of the total amount due and the date for payment. The Client will pay such amount to

MSI plc (or on its instructions) on or before that date.

B. SETTLEMENT FACILITY

B.1. Settlement Facility

B.1.1. Availability: Normally, any securities to be transferred by the Client must be available for transfer in a Prime Brokerage Account or be provided by the Client to MSI plc in good time to enable MSI plc to settle the relevant transfer. However, MSI plc may make a Settlement Facility available to the Client by utilising either (i) securities MSI plc has in inventory or (ii) securities MSI plc has borrowed from a lender. The Client will, at the time it requests that MSI plc make a Settlement Facility available to it, inform MSI plc of the type and amount of securities it wishes MSI plc to source and/or make available on its behalf. If MSI plc is able to make a Settlement Facility available to the Client, MSI plc will inform the Client of the amount of those securities that MSI plc is able to borrow from a lender and/or make available from its inventory in accordance with this paragraph B.1.1. (the “**Settlement Securities**”). Except to the extent that there is sufficient available Margin, the Settlement Facility will only be made available to the Client on the transfer to MSI plc of such additional Margin as MSI plc requires in connection with the Client's Liabilities under the Settlement Facility.

Any Settlement Facility for Hong Kong Settlement Securities will be made available to the Client by MSI plc by lending the securities to the Client under the OSLA. The Client shall not be required to issue a Borrowing Request (as defined in the OSLA) in respect of such loan.

Upon the Client's request, MSI plc may agree to transfer Hong Kong securities to the Client (or to its order) in respect of an actual or possible future settlement obligation of the Client's and such transfer shall be regarded as a Settlement Facility for the purposes of this paragraph. If MSI plc agrees so to transfer Hong Kong securities, MSI plc shall remain the legal and beneficial owner of such securities and MSI plc shall hold the securities in an account in its name until such transfer.

B.2. Terms of Settlement Facility:

- (i) **Availability:** Where MSI plc has informed the Client that it is able to make a Settlement Facility available for particular Settlement Securities, it will use reasonable endeavours to ensure that the Settlement Securities will be available for Settlement. The Client acknowledges that in certain circumstances, for example where the lender from whom MSI plc

has sourced the securities fails to deliver such securities, MSI plc may not be able to make the securities available for Settlement. The provisions of this paragraph B.2(i) shall not apply in relation to Australian Settlement Securities.

- (ii) **Purpose:** Where MSI plc makes available to the Client a Settlement Facility, the Settlement Securities will be used for the sole purpose of effecting a Settlement and may be delivered by MSI plc either (i) directly to the third party purchaser; or (ii) to the Client prior to onward delivery to the third party purchaser. Where the Settlement relates to Hong Kong Settlement Securities MSI plc may deliver the securities directly to the Client (or to its order) in accordance with the OSLA and such delivery shall constitute performance by MSI plc of a Settlement. Where MSI plc effects any Settlement, the Client undertakes to deliver Equivalent Securities to MSI plc in accordance with paragraph B.2.(v).
- (iii) **Cancellation:** MSI plc may cease to make available to the Client the Settlement Facility in whole or in part at any time and will notify the Client as soon as reasonably practicable of any such cancellation. Notwithstanding the foregoing (but subject to the other terms of this Agreement), MSI plc will not cease to make available to the Client the Settlement Facility in relation to any Australian Settlement Securities where MSI plc has already confirmed to the Client that it will make such Australian Settlement Securities available to the Client for settlement.
- (iv) **Fees and other Payments:** In respect of any Settlement Facility, the Client will pay MSI plc such fee, based on the outstanding amount of Settlement Securities from time to time made available under that facility, being an amount, or a rate, or otherwise, as MSI plc determines and calculates and notifies to the Client. In addition, the Client will indemnify MSI plc on demand in respect of any payments or liabilities incurred by MSI plc, including any tax (other than tax on Morgan Stanley's net income) or duty for which MSI plc is liable to account, in connection with any borrowing of securities entered into by it to enable it to effect such Settlement Facility or otherwise making the Settlement Facility available to the Client.
- (v) **Delivery of Equivalent Securities:** The Client will be required to deliver to MSI plc Equivalent Securities to those used for Settlement on the Client's behalf and MSI plc may, at any time, require the Client to deliver any such Equivalent Securities by giving it Notice of not less than the standard settlement time for such securities on the exchange or in the clearing or settlement organisation through which such securities were originally delivered. The Client must deliver, or procure the delivery of, Equivalent Securities or make any relevant

payment to MSI plc in accordance with this paragraph (or as MSI plc may instruct). Where the Client is required to deliver securities equivalent to Hong Kong Settlement Securities, it shall effect that delivery by delivering Equivalent Securities (as defined in the OSLA) in accordance with the OSLA and such delivery shall constitute performance of its obligations under this paragraph. If the Client fails to deliver Equivalent Securities to MSI plc in accordance with this paragraph B.2.(v), in addition to MSI plc's rights under the general law and this Agreement and, in the case of Hong Kong Settlement Securities, the OSLA, where MSI plc incurs, or is required to account to or reimburse any third party for interest, overdraft or similar costs and expenses or for losses, damages, expenses or costs suffered by such third party the Client agrees to pay on demand and indemnify MSI plc with respect to all such losses, damages, costs and expenses which arise from such failure. In addition, MSI plc may without prejudice to its other rights exercise a "buy-in" against the Client. In the event of a "buy-in" being exercised against the Client, the Client will account to MSI plc for the total costs and expenses reasonably incurred by MSI plc as a result of such "buy-in".

- (vi) **Manufactured Payments:** Where any Income is paid on any Settlement Securities which are the subject of a Settlement Facility, the Client will pay to MSI plc, on the payment date of any such Income, an amount of money equal to the same, together with an amount equal to any deduction, withholding or payment for or on account of any tax together with an amount equal to any tax credit associated with any such Income, unless MSI plc has agreed that an appropriate tax voucher may be provided in lieu of any such amount.
- (vii) **Corporate Actions:** Where, prior to delivery of any Equivalent Securities to MSI plc any rights relating to a Corporate Action, including those requiring election, arise in respect of any Settlement Securities the subject of a Settlement Facility, then the Client will deliver to MSI plc Equivalent Securities in such form as MSI plc has notified to the Client in relation to the exercise of any such right.

(viii) **Representations:**

On each occasion that the Client requests a Settlement Facility, the Client represents, warrants and acknowledges that:

- (a) it is solely responsible for ensuring that any short sale effected, or to be effected, by it that may give rise to a Settlement will be one that it is legally entitled to effect under the laws and regulations of the relevant market. In particular, MSI plc will have no responsibility or liability for ensuring, or advising the Client, whether any such short sale complies with any

laws or regulations to which the Client, or any such sale, may be subject;

(b) the purpose for which it requires the Settlement Facility will be a lawful purpose under the laws and regulations of the relevant market; and

(c) the purpose of requesting a Settlement Facility in respect of securities issued and traded in the United States ("US Equity Securities") will be to settle a short sale, to cover a failure to receive securities required to be delivered to the Client or any similar situation otherwise permitted under Regulation T as promulgated by the Board of Governors of the Federal Reserve System of the U.S.. To the extent that the Client is authorised under applicable law to re-lend the US Equity Securities it will obtain an undertaking from its borrower in form and substance equivalent to the representations and warranties given by it herein.

B.3. [This paragraph is deleted.]

B.4. South African Securities: Where, in relation to the Settlement Facility, MSI plc lends to the Client any South African Securities, the Client agrees to deliver Equivalent Securities within a period of twelve months from the date on which MSI plc settled the relevant transfer. Where a Morgan Stanley Company makes use of the Client's Investments, pursuant to paragraph I.1, and where such investments are South African Securities, MSI plc will deliver or procure the delivery by the relevant Morgan Stanley Company of Equivalent Investments, in accordance with paragraph I.2, within a period of twelve months from the date on which such South African Securities became the property of the relevant Morgan Stanley Company.

B.5 Australian Settlement Securities: Where MSI plc has informed the Client that it is able to make a Settlement Facility available for particular Australian Settlement Securities, MSI plc commits to procure the delivery of such Settlement Securities for Settlement, subject to the terms of this Agreement.

B.6. Confirmations: The Client elects to receive notification or confirmation with respect to the Settlement Facility by electronic means rather than by post or by facsimile.

C. FOREIGN EXCHANGE TRANSACTIONS

The provisions of this Section C will apply to FX Transactions entered into with Morgan Stanley under the terms of this Agreement.

C.1. Payments

All payments to be made upon the maturity of a FX Transaction will be made on the maturity date of such contract or, if such date is not a Currency Business Day, on the next Currency Business Day (the "**Currency Settlement Date**").

C.2. Payment Netting

If on any Currency Settlement Date more than one delivery of a particular currency is to be made between the Client and the same Morgan Stanley Company in respect of a FX Transaction, then each such party will aggregate the amounts of such currency deliverable by it and only the difference between those aggregate amounts will be delivered, by the party owing the larger aggregate amount to the other party, and, if the aggregate amounts are equal, no delivery of that currency will be made.

C.3. Pre-advice

The party making any payment on the maturity of a FX Transaction will advise the party receiving payment of the bank from which such payment is to be made.

D. EXECUTION TERMS

The provisions of this Section D will only apply to (i) cash settled trades in Investments, (ii) Exchange-Traded Derivative Transactions and (iii) FX Transactions entered into under the terms of this Agreement.

D.1. Dealing Rules and Regulations

(i) Morgan Stanley shall be entitled to carry out all Transactions pursuant to this Agreement in accordance with the constitution, by-laws, rules, regulations orders, directives, announcements and/or customs of the relevant market, self-regulating organisation, Exchange and/or Clearing House and applicable laws whether imposed on Morgan Stanley or the Client and shall be entitled to take or refrain from taking any reasonable action it considers fit in order to ensure compliance with the same. All such actions will be binding upon the Client.

(ii) If there is a conflict between (a) this Agreement and (b) any by-law, rule, regulation and/or law, the latter will prevail.

D.2. No Obligation to Deal

Morgan Stanley will be under no obligation to execute or otherwise enter into any particular Transaction, or to accept any order. Morgan Stanley need not give any reasons for declining to do so. If Morgan Stanley declines an order for execution it will make reasonable efforts to notify the Client promptly, but will not be liable for any failure to notify.

D.3. Best Execution

Morgan Stanley has developed the Order Execution Policy with respect to the execution of client orders. The Client consents to the execution of its orders in accordance with such Order Execution Policy. The Client consents to receiving future information with respect to the Order Execution Policy and related documentation via electronic communication or the Morgan Stanley website.

D.4. Delegation

Morgan Stanley may delegate to any person (including any member of the Morgan Stanley group of companies) all or any part of a Transaction or service or may introduce the Client's Transaction to another person for execution, in each case subject to such conditions as Morgan Stanley may impose.

D.5. Aggregation and Averaging

D.5.1. Aggregation: Morgan Stanley may, in accordance with the FCA Rules, aggregate the Client's orders with its own (in-house) orders, orders of its Associated Firms and other customer orders. Such aggregation may operate on some occasions to the advantage, and on other occasions to the disadvantage, of the Client.

D.5.2. Averaging: Any order taken from the Client for execution by Morgan Stanley may be executed over a period up to and including five business days unless (i) the order is immediately executed or (ii) the Client agrees otherwise (either generally in writing or specifically when such order is placed). Morgan Stanley may report to the Client an average price for the series of Transactions so executed instead of the actual price of the Transaction. Morgan Stanley and its employees or officers will not be liable for any loss arising from any such order being executed over a shorter period (whether more or less than one Exchange Business Day) as they shall determine in their absolute discretion.

D.6. Principal or Agent

D.6.1. In accepting any order or executing Transactions (including programme trades), Morgan Stanley may act as agent, or principal, or a combination of both agent and principal unless it is unambiguously clear from the terms of the order (and Morgan Stanley accepts those terms) or the rules of an Exchange that Morgan Stanley will act in a specific capacity. If the rules of an Exchange require Morgan Stanley to act as agent on an Exchange where Morgan Stanley cannot deal as principal then, for that transaction the Client undertakes to sign and deliver to Morgan Stanley any further documents as Morgan Stanley may require.

D.6.2. In respect of programme trades, Morgan Stanley and/or an Associated Firm may execute an own account transaction in any Investment included in a programme trade.

D.7. Equity Securities

With respect to Transactions in equity securities:

- (i) The Client's objectives may be achieved by Morgan Stanley acting as agent and having the ability to access its internal sources of liquidity. In such a case the Client's order may not be executed on an Exchange's central trading system. Such trades will be reported as appropriate.
- (ii) Morgan Stanley's internal sources of liquidity include, without limitation, crossing against client order flow, client facilitation, market making or a proprietary trading strategy. In such circumstances Morgan Stanley may be trading as both the Client's agent and as principal on Morgan Stanley's own behalf.

D.8. Non-Readily Realisable Securities

Where Morgan Stanley acts as principal in executing a Transaction in an Investment which is not a packaged product or a readily realisable security (within the meaning of the FCA Rules), the unit price of the Transaction shall be either (a) the market price for the Investment then available on the Exchange on which such Investment is generally traded or (b) if no such price is available, such price as determined by Morgan Stanley on a reasonable efforts basis. Any reference in a contract or confirmation note to a market price shall be construed accordingly.

D.9. Limit Orders

Any limit order taken from the Client in respect of an Investment in which Morgan Stanley acts as market maker or otherwise as principal will be on the basis that:

- (i) such order will not be executed unless and until the Investment concerned reaches the same or a higher price than that specified in the order (in the case of a sell order) or the same or a lower price than that specified in the order (in the case of a buy order) with a view to purchasing or selling (as the case may be) in the Investment concerned in the amount of the order; and
- (ii) until such execution Morgan Stanley may buy the Investment (where the order was to buy) at a price equal to or lower than that stated in the order or sell it (where the order was to sell) at a price equal to or higher than that so stated, such purchase or sale being from or to any third party and for its own account or for that of any Associated Firm.

D.10. Contingent Liability Transactions

The Client may enter into transactions with or through Morgan Stanley that may commit the Client to further payment or liability (“contingent liability transactions”). These may include written options where the Client will be obliged to make payment or delivery if the option is exercised against it, or contracts for differences such as swaps where the Client will be required to make variable payments depending on the performance of an index or other factor specified in the contract.

D.11. Collective Investment Schemes

The services provided hereunder may include execution of transactions in unregulated collective investment schemes.

E. EXCHANGE-TRADED DERIVATIVES TRANSACTIONS

Additional terms applicable to Exchange-Traded Derivatives Transactions are set out in the Schedule entitled Terms Relating to Exchange-Traded Derivatives at the back of this Agreement. These terms are in addition to the other provisions of this Agreement.

Neither the relationship between Morgan Stanley and the Client nor the services Morgan Stanley provides nor any other matter will give rise to any fiduciary or equitable duties on Morgan Stanley's part. Morgan Stanley will not be responsible for determining whether a Transaction or service is suitable or appropriate for the Client; for determining whether a Transaction or service is consistent with the Client's investment objectives or investment restrictions and is appropriate in light of the Client's financial circumstances; for determining the appropriate frequency of Transactions executed on the Client's behalf; for determining whether a Transaction has been authorised by the Client; or for disclosing the risks involved in entering into a Transaction, in each case, even if such matters would have been apparent on analysis of the Client's positions or trading history or if such analysis might have revealed cause for concern;

any service. No such communication will be deemed as any opinion, representation, assurance or guarantee as to the expected results or the tax or other consequences of entering into this Agreement or any Transaction or the receipt of any such service.

F.1.4 MSI plc Representation: By signing this Agreement, MSI plc represents to the Client that it is duly authorised to enter into this Agreement with the Client as agent and trustee for and on behalf of each of the Morgan Stanley Companies.

F.2. Repetition of Representations

The Client shall be deemed to represent and warrant during the continuation of this Agreement, with reference to the facts and circumstances then existing, that each of the representations and warranties set out in paragraph F.1. above remains true, accurate and correct.

F.3. Valuations and Reports

F.3.1 Valuations: Morgan Stanley may provide the Client with various estimated non-actionable valuations of Transactions (including, without limitation, financial markets transactions or transactions involving Investments) or reports containing valuations of the Client's positions or balances. In this connection, the Client acknowledges the following qualifications on valuations provided by Morgan Stanley:

Morgan Stanley will not be liable for any use or disclosure by the Client of, or any reliance by the Client on, any information contained in any valuation. Morgan Stanley makes no representation or warranty in relation to any such information, whether as to the correctness, completeness, sufficiency, or reliability for any purpose of such information, any entitlement of the recipient to receive, use, disclose or rely on such information or otherwise. In particular estimated valuations of Transactions or prices attributed to Investments are provided to the Client for information and internal purposes only, and are not intended for use for any other purpose including, without limitation, financial disclosure purposes, marketing, reporting (whether regulatory or otherwise), the determination of net asset value or for use by any third party. The valuation estimates or prices do not necessarily reflect Morgan Stanley's internal bookkeeping or theoretical model-based valuations of the Transactions or Investments for which a valuation or price is requested or provided and do not necessarily suggest that a market exists for the Transaction or Investments. In particular, certain factors may not have been assessed for purposes of valuations or prices including, for example, market conditions, the notional amount of a Transaction or holding, credit spreads, underlying volatility, costs of carry, use of capital and profit, which may substantially affect the value of any specific Transaction or holding of Investments. The valuation estimates or prices may vary significantly from valuation estimates or prices available from other sources and Morgan Stanley makes no representation or warranty with respect to such valuation estimates or prices shown. It is the Client's responsibility to ensure that it is aware of the basis on

which information provided to it is prepared and whether it is appropriate for use for a particular purpose and the Client must always independently verify any such information and ensure the information is appropriate for any purpose for which it intends to use such information. Unless otherwise expressly stated, such valuation estimates or prices are not an offer to enter into, transfer or assign any Transaction, or terminate any Transaction, or a commitment by Morgan Stanley to make such an offer. An indicative valuation of a Transaction or Investment may differ substantially from an actionable value.

F.3.2 Reports: Morgan Stanley may provide the Client with various reports reflecting the Client's positions and balances as well as other information. In this connection the Client acknowledges, in addition to the provisions of paragraph A.3.4, the following qualifications to such reports and information:

- (i) The reports may reflect positions and balances held at various brokers, financial institutions or which may have been supplied by the Client or the Client's agents. Whilst these positions may be reflected in reports provided by Morgan Stanley or recorded in the Client's Account, they will not represent Morgan Stanley's official books and records and will not have been independently verified by Morgan Stanley. Morgan Stanley accepts no responsibility for any such positions and balances or their inclusion in its reports and reserves the right to reverse or correct any such positions or balances if they are incorrect.
- (ii) Morgan Stanley may from time to time provide the Client with information relating to a particular market or jurisdiction received from its global network of sub-custodian banks or other third party sources. Morgan Stanley will not have independently verified such information and will have no liability for any inaccuracies, errors or incomplete information provided by such third parties.

F.4. No Responsibility for Investment Objectives

The Client acknowledges that Morgan Stanley will not be monitoring any of the Accounts for the purposes of evaluating their composition or their or the Client's performance and will not be aware of or monitoring the Client's overall financial position, investment objectives or investment restrictions.

F.5. Research Recommendations

F.5.1 Receipt: Morgan Stanley may from time to time provide research reports and recommendations to the Client, but is under no obligation to do so. Where Morgan Stanley does provide such research reports and recommendations, the Client acknowledges that it may not receive them at the same time as other customers of Morgan Stanley.

F.5.2 Prior Internal Use: The Client acknowledges that employees and officers of Morgan Stanley

may receive, have knowledge of, act upon or use research reports and recommendations (or any conclusions expressed thereon or research or analysis upon which they are based) before they are received by customers of Morgan Stanley. Morgan Stanley is under no obligation to take account of any such reports and recommendations when it deals with or for the Client.

F.6. Conflicts of Interests

F.6.1. Morgan Stanley hereby discloses that the following conflicts of interest may affect the Client:

- (i) Morgan Stanley has acted, is acting or is seeking to act as a financial adviser or lending banker to the issuer (or any of its affiliated companies) or has advised or is advising any person in connection with a merger, acquisition or take over by or for such issuer (or any of its affiliated companies);
- (ii) Morgan Stanley has sponsored or underwritten or otherwise participated in or is sponsoring or underwriting or otherwise is participating in a transaction;
- (iii) Morgan Stanley has a holding, dealing, or market making position or may otherwise be trading or dealing in Investments or assets of any kind underlying, derived from or otherwise directly or indirectly related to such Investments;
- (iv) Morgan Stanley has received or is receiving payments or other benefits for giving business to the firm with which the Client's order is placed;
- (v) Morgan Stanley has been or is an associate of an issuer (or any of its affiliated companies); and
- (vi) Morgan Stanley is matching the Client's transaction with that of any other client (including without limitation Morgan Stanley, any Associated Firm, connected customer or other customer of Morgan Stanley) either on behalf of such person as well as on behalf of the Client ("agency cross") or by executing matching transactions at or about the same time with the Client and such person ("back to back principal trade").

F.6.2. No further disclosure to the Client is required of any relationship, arrangement or interest which falls within the circumstances referred to in F.6.1. above and Morgan Stanley shall be entitled to retain any profit or benefit arising as if no such relationship, arrangement or interest existed.

F.6.3. Morgan Stanley shall not be obliged to disclose to the Client any matter, fact or thing if such disclosure would be a breach of any duty owed

by Morgan Stanley to any other person, or if the employees, officer or director who is dealing for or with the Client does not have actual notice of such matter, fact or thing.

F.7. Third Party Service Providers

From time to time Morgan Stanley may provide or make available to the Client, or to others acting with or on behalf of the Client, information regarding parties, which shall not include the Morgan Stanley Companies, that may provide goods or services to the Client ("**Service Providers**"). The Client acknowledges that Morgan Stanley does not guarantee or warrant the accuracy, reliability or timeliness of such information, or of the goods or services provided by any Service Providers. The Client agrees that Morgan Stanley shall have no liability whatsoever to the Client for any losses, claims, damages and liabilities suffered or incurred by the Client, and the Client shall indemnify and hold Morgan Stanley harmless from and against any and all losses, claims, damages and liabilities suffered by Morgan Stanley, arising out of or relating to, actions or omissions by the Service Providers, Morgan Stanley's provision or making available of such information, or the Client's selection or use of or reliance on such Service Providers.

G. OBLIGATIONS

G.1. Margin

The Client will provide MSI plc with Margin in accordance with the following provisions:

- (i) The Client shall at all times hold in its Account or Accounts Margin with a value at least equal to the Client's Margin Requirement. In determining the value of Margin, MSI plc may apply such haircut to the current market value of the Margin as it may determine in its sole discretion.
- (ii) Where the value of Margin held by MSI plc is less than the Client's Margin Requirement, MSI plc may (but is not obliged to) make a demand for further Margin (which may be oral or in writing and may require the Client to deliver additional Margin on the same day) and the Client will deliver or pay to MSI plc such further Margin within the period so specified for payment or delivery. Failure by MSI plc to make such demand will not in any way affect Morgan Stanley's rights or the Client's obligations under this Agreement.

G.2. Fees

G.2.1. The Client will pay fees to MSI plc for the prime brokerage services in accordance with the Fee Schedule, which may be amended upon reasonable notice. Such fees are in addition to any other fees, charges or costs that may apply, including, in relation to (i) the execution of Transactions, (ii) the failure of Transactions to clear, (iii) any other fees, charges or costs associated with any non-prime brokerage service,

and (iv) the exercise by Morgan Stanley on behalf of the Client of any Corporate Action or voting rights relating to any Investment of the Client. MSI plc is entitled to deduct any fees, charges or costs from any Account.

G.2.2. Morgan Stanley charges comprise commission as notified separately to the Client from time to time and/or mark-up or mark-down. MSI plc's charges vary according to the Transaction or service or client, and therefore the charges notified to the Client in respect of any particular transaction may differ from those incurred by another client in a similar transaction. Where Morgan Stanley uses its own internal sources of liquidity, it may retain a spread and an agreed commission in respect of certain trading strategies.

G.2.3. Morgan Stanley may share charges with Associated Firms or other third parties or receive remuneration from them in respect of Transactions carried out with or for the Client or it may be acting on both sides of a Transaction. Details of any such arrangements will be made available upon written request.

G.3. Indemnification

G.3.1. General Indemnity: The Client will fully indemnify each Indemnified Person on demand against any and all Claims which any Indemnified Person may suffer or incur directly or indirectly (including those incurred to a sub-custodian, broker, Executing Broker, Exchange, Clearing House or other regulatory authority) as a result, or in connection with, or arising out of (i) this Agreement and the Customer Documents, (ii) any Transaction effected with the Client or on the Client's instructions, (iii) acting on any other instructions of the Client whatsoever (iv) any services provided to the Client pursuant to this Agreement or the Customer Documents, (v) without limiting the foregoing, any breach by the Client of its obligations under this Agreement or the Customer Documents or any Transaction, (vi) any representation or warranty proving to be incorrect when made or repeated, or deemed to have been made or repeated and (vii) any claims, actions, proceedings or investigations arising out of or in connection with this Agreement or the Customer Documents or any Transaction hereunder. References herein to Transactions, instructions given by the Client, services to be provided to the Client or breaches by the Client of its obligations include Transactions entered into by, instructions given, services to be provided to, and breaches by, an Agent.

This indemnity will not extend to any Indemnified Person in so far as the Claims suffered by the same are a direct result of its fraud, wilful default or negligence or breach of applicable law or regulation by the Indemnified

Person, other than where the breach of law or regulation arises as a result of the Indemnified Person taking any action or inaction on the instructions of the Client or an Agent or as a result of the failure by the Client to take any action required to be taken by it under applicable law or regulation.

G.3.2. Currency Indemnity: If, under any applicable law (whether as a result of a judgment against the Client or its liquidation or for any other reason), any payment in connection with this Agreement is made or recovered in a currency other than that which it is required to be paid, then, to the extent that the payment to Morgan Stanley (when converted in accordance with Morgan Stanley's usual practice on the date of receipt or recovery, or if it is not practicable to make that conversion on that date, on the first date on which it is practicable to do so) falls short of the amount unpaid under this Agreement, the Client will as a separate and independent obligation, fully indemnify Morgan Stanley against the amount of the shortfall, including, without limitation, any premiums and costs of exchange payable in connection with the purchase of the currency and/or conversion. For the purposes of this paragraph, it will be sufficient for Morgan Stanley to demonstrate that it would have suffered a loss had an actual exchange or purchase been made on such date.

G.3.3. Nothing in this Agreement will require the Client to indemnify or compensate MSI plc to any extent prohibited by the FCA Rules.

G.4. Taxes

G.4.1. Withholding: All amounts payable to Morgan Stanley under this Agreement or any Transaction shall be paid in full without set-off or counterclaim and, except to the extent required by law, free and clear of and without any deduction or withholding whatsoever. If the Client is required by law to make any deduction or withholding from any payment, it will pay to Morgan Stanley, simultaneously with making such payment, such additional amount as may be necessary to ensure that the net amount received by Morgan Stanley after all deductions and withholdings is equal to the amount which would have been received by Morgan Stanley had no such deduction or withholding been required.

G.4.2. Taxes Additional: All amounts payable by the Client under this Agreement or any Transaction are exclusive of applicable taxes and duties to which Morgan Stanley may be subject (other than taxes or duties on Morgan Stanley's net income). The Client will pay such taxes and duties to Morgan Stanley at the same time as the amounts to which they relate.

G.4.3. Tax Claims: The Client will be fully responsible for payment of all taxes and duties

and for the making of all claims in relation to any taxes or duties to which Morgan Stanley and/or the Client may be subject (other than taxes and duties on Morgan Stanley's net income), whether for exemption from withholding taxes or otherwise, for filing all tax returns and for providing any relevant tax authorities with all necessary information in relation to any business Morgan Stanley carries on for or with the Client or any cash or Investments which Morgan Stanley holds on its behalf. The Client will indemnify Morgan Stanley on demand against any Claims suffered or incurred by Morgan Stanley as a result of any failure of the Client to comply with this paragraph.

G.4.4. Transfer Taxes: The Client will be responsible for and will pay promptly (and in any event before any interest or penalty becomes payable) any taxes or duties, including without limitation, any stamp, sales, transfer, documentary, withholding and other similar taxes and duties to which Morgan Stanley or the Client may be accountable or liable in relation to this Agreement or any related instruction, order or document (whether as a result of any Investments being registered in Morgan Stanley's name or those of its nominee or otherwise) or which arises in connection with the services provided under or associated with this Agreement or any Transaction. The Client will notify Morgan Stanley where any transfer of Investments to an Account constitutes a transfer where Morgan Stanley may be required to pay or collect any taxes or duties contemplated in the foregoing, or to report the transfer of such Investments.

When requested, the Client will notify Morgan Stanley promptly of any information relating to the Client's tax status or obligations which is required in order for Morgan Stanley to meet its tax or audit obligations. The Client will ensure that any information provided is accurate and will notify Morgan Stanley promptly of any change to such information.

The Client will indemnify Morgan Stanley on demand against any Claims suffered or incurred by Morgan Stanley as a result of the Client's failure to pay any such taxes or duties, or any delay or omission by the Client in paying any such taxes or duties or in the provision of such information, together with any incidental costs associated therewith, including (without limitation) any disbursements, costs, resource costs or the costs of external advisers incurred in response to investigations, enquiries, or other administrative or judicial actions, processes or procedures instigated by any revenue or other governmental authority in any jurisdiction.

G.5. Default Interest

If the Client does not pay any amount when due under the terms of this Agreement, it will be required to pay interest to Morgan Stanley on such amount (before as well as after judgment) in the same currency as such overdue amount for the periods from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

G.6. Investment Adviser/Investment Manager

The Client may appoint an Agent to purchase, sell and trade generally in, exercise, and otherwise enter into, arrange and carry out Transactions and give other instructions relating to Investments, whether electronically or otherwise, and for the Client's account and risk and in the Client's name or number on Morgan Stanley's books, including Transactions which will or may result in the Client having a short position in any such Investment. Morgan Stanley is authorised to accept and act on:

- (a) any and all orders and instructions received in connection with such Transactions whether electronically or otherwise from an Agent; and
- (b) any other instructions of the Agent in any respect concerning the Client's Account(s) (including, without limitation, delivering or otherwise transferring investments and/or paying monies as the Agent may order or direct, and whether or not any such delivery or other transfer is to be made against payment, or any such payment is to be made against delivery or other transfer).

G.7. Payment, Transfer and other Instructions

G.7.1. Instructions: Morgan Stanley shall be entitled without further inquiry to execute or otherwise act upon instructions or purported instructions, whether in electronic form or otherwise, received from persons who reasonably appear to Morgan Stanley to have authority to act on behalf of the Client including, without limitation, an Agent notwithstanding that it may afterwards be discovered that such instructions were not genuine or were not issued by an authorised person. Such execution or action shall, in the absence of negligence, wilful default or fraud of Morgan Stanley, constitute a good discharge by Morgan Stanley of its obligations and it shall not be liable for any actions taken or omitted to be taken in good faith in reliance on such instructions nor shall it be liable for any error, omission or inaccuracy in any transmission as received by Morgan Stanley. Subject to the foregoing, an instruction (sent by any method) will only be effective if actually received by Morgan Stanley.

G.7.2. Cash Payments Instructions and Securities Transfer Instructions: The Client will from time to time notify MSI plc in writing of the

names of the people who are authorised to give Cash Payments Instructions and Securities Transfers Instructions on its behalf by providing MSI plc with a Cash Payments and Securities Transfers Authorisation. Regardless of the method of instruction, until MSI plc receives written notice to the contrary, it is entitled to assume that any of those people have full and unrestricted power to give Cash Payments Instructions and Securities Transfers Instructions on the Client's behalf.

G.7.3. Online Cash Instructions: MSI plc may agree to accept Cash Payment Instructions from the Client through Morgan Stanley's online cash instruction system which will automatically generate an instruction to the respective agent bank. MSI plc will not check or monitor such instructions before they are issued to the agent bank and accepts no liability for any errors or omissions contained therein. It will be the Client's responsibility when using these systems to ensure that any user identifications and/or passwords used by it and/or any Authorised User are kept secure and the protection of any specific system access password will be the responsibility of the Client. MSI plc will be entitled to assume that instructions received via these systems are instructed by an authorised person.

G.7.4. SWIFT Cash Instructions: MSI plc may agree to accept Cash Payment Instructions from a SWIFT Bank Identifier Code specified by the Client. The Client authorises MSI plc to accept and act on such Cash Payments Instructions and acknowledges that SWIFT messages may not include the name of the person giving the instruction. MSI plc will not check or monitor such instructions before they are issued to the agent bank and accepts no liability for any errors or omissions contained therein. It will be the Client's responsibility when using SWIFT to ensure that any user identifications and/or passwords used by it and/or any authorised person are kept secure and the protection of any specific system access password will be the responsibility of the Client. MSI plc will be entitled to assume that instructions received via SWIFT are instructed by an authorised person.

G.7.5 Other Methods of Instruction: Transfer or Cash Payment Instructions may not be given by any other means, including by way of electronic mail, unless expressly agreed by MSI plc.

G.7.6 Transfer Instructions: In carrying out instructions to make transfers of assets (whether from an Account of the Client's to another prime brokerage account held by a different client or from an Account to an account held by a third party with an external custodian) MSI plc shall be performing a purely administrative function. Subject to G.7.1, MSI plc is entitled to assume that

instructions presented by the transferor in the required form are valid and it may act on such instructions accordingly. MSI plc will not undertake any review of instructions for the purposes of determining their validity including, for example, suitability or appropriateness or compliance with any investment restrictions, or for the purposes of determining that the Client receives fair value for the assets.

G.8. Confidentiality, and Information

G.8.1. Confidentiality: Both Morgan Stanley and the Client will treat as confidential the Confidential Information learned about the other in the course of the relationship governed by this Agreement. Except as otherwise provided in this paragraph, neither the Client nor Morgan Stanley will disclose the Confidential Information to any third party without the other's written consent. The provisions of this paragraph G.8 shall replace and supersede any prior agreement between the parties as to the confidentiality of any Confidential Information.

G.8.2. Permitted Disclosure:

(i) Each of Morgan Stanley and the Client authorises the other to disclose any information or take any act required by law, rule, regulation, order, directive or announcement in any jurisdiction, or that is requested by any self regulating organisation, Exchange, Clearing House or any other body having regulatory or tax or enforcement responsibility in relation to any business conducted by them except where paragraph G.8.2 (iv) applies.

(ii) The Client authorises Morgan Stanley to disclose to the Client's investment manager, investment adviser, auditor, administrator and other advisers or Agents, or to third party services providers (including Service Providers) in connection with the provision of services to the Client or to Morgan Stanley in connection with this Agreement and the services contemplated thereunder, any information relating to the Accounts or otherwise (including but not limited to Confidential Information) as they may from time to time request and Morgan Stanley may disclose any such information to other third parties, including but not limited to investors, at the direction of the Client's investment manager investment adviser, administrator and other advisers or Agents. The Client will indemnify Morgan Stanley against any loss or liability it may suffer or incur as a result of any such disclosure.

(iii) Nothing in paragraph G.8.1. shall prevent one Associated Firm disclosing such information to another Associated Firm.

- (iv) Neither Morgan Stanley nor the Client will disclose information of the kind specified in section 275(1) of the PPSA unless otherwise required by section 275(7) of the PPSA.

G.8.3. Provision of Information: The Client will provide Morgan Stanley on demand with all such information as Morgan Stanley may reasonably request in connection with this Agreement, any Transaction or the Client's ability to perform its obligations hereunder.

H. EVENTS OF DEFAULT

The occurrence at any time of any of the following events will be an "Event of Default" for the purposes of this Agreement:

- (i) **Failure to Pay or Deliver:** The Client fails to make any payment or delivery or meet any Margin call, in each case, upon the due date or within the period specified;
- (ii) **Breach of Agreement:** The Client fails to perform any other material obligation hereunder and, if such failure is capable of remedy, such failure is not remedied on or before the second Notice Business Day after notice of such failure is given to the Client;
- (iii) **Act of Insolvency:** An Act of Insolvency occurs or any enforcement action is taken in respect of any security or arrangement having a similar effect to security with respect to the Client;
- (iv) **Misrepresentation:** Any representation made by the Client proves to have been incorrect or untrue in any material respect when made or repeated, or deemed to have been made or repeated;
- (v) **Admission of Inability or Unwillingness to Perform:** The Client admits to Morgan Stanley or any other person its inability to, or intention not to, perform any of its obligations under the Customer Documents and/or any Transaction;
- (vi) **Regulatory Suspensions:** The Client is suspended from membership of, or participation in, any Exchange, Clearing House or association or self-regulating organisation, or suspended from dealings in Investments by any government agency;

- (a) in relation to the Client or any of its affiliates, a default, event of default, termination event or the like occurs or is declared under any other agreement of whatever nature with Morgan Stanley or any Associated Firm;
- (b) in relation to the Client or any of its affiliates, any indebtedness or other financial obligation in an amount greater than U.S. \$250,000 (or its equivalent in any other currency or currencies) is not paid or met at its stated maturity (or within any applicable grace period) or by reason of any default, event of default, termination event or the like on the Client's part becomes due prior to its stated maturity or, if payable or repayable on demand, when so demanded;

- (xii) **Invalidity of Security:** MSI plc reasonably determines that the Security is or may be invalid, unenforceable, prejudiced or otherwise ineffective in whole or in part for any reason whatsoever; or
- (xiii) **Impossibility/Illegality:** The Client is prevented from making any payment or delivery or it becomes impossible, impracticable or illegal for the Client to make any payment or delivery.

The Client will notify MSI plc immediately of the occurrence of an Event of Default or of an event which with the passing of time, giving of notice, expiry of any applicable grace period or the making of any determination by MSI plc may constitute an Event of Default.

I. USE OF INVESTMENTS

I.1. Use of Investments

- (i) The Client hereby authorises any Morgan Stanley Company at any time or times to borrow, lend, charge, rehypothecate, dispose of or otherwise use for its own purposes any Investments which are for the time being subject to the Security in an amount up to but no greater than the Adjusted Value without giving notice of such borrowing, lending, charge, rehypothecation, disposal or other use to the Client. Such Morgan Stanley Company may retain for its own account all fees, profits and other benefits received in connection with any such borrowing, loan or use. Upon (i) a

borrowing, lending or other use, such Investments will become the absolute property of that Morgan Stanley Company (or that of its transferee) free from the Security and from any equity, right, title or interest of the Client's and (ii) a charge or rehypothecation of any of the Client's Investments, all of those Investments, including the Client's interest in those Investments, will be subject to the charge or other security interest created by such charge or rehypothecation. Upon any such use, the Client will have a right against the Morgan Stanley Company (and to the extent that such Morgan Stanley Company fails to deliver Equivalent Investments, to MSI plc) for the delivery of Equivalent Investments in accordance with paragraph I.2. No Morgan Stanley Company will be permitted to exercise its right of use in relation to any additional Client Investments at any time following the occurrence of a MSI plc Act of Insolvency.

- (ii) Where a Morgan Stanley Company borrows, lends or otherwise uses Hong Kong Securities any such borrowing, lending or use shall be effected by way of a loan of the relevant securities by the Client to the Morgan Stanley Company under the OSLA. The Morgan Stanley Company shall not be required to issue a Borrowing Request (as defined in the OSLA) in respect of any such loan made.
- (iii) MSI plc shall determine the Adjusted Value and the Equivalent Dollar Value of Investments used under I.1. on a daily basis. In valuing any Investments for the purposes of this paragraph I.1. MSI plc shall rely on the value given by any reputable pricing source and, in the absence of any such value or (if MSI plc determines that such value is, in its reasonable opinion, inaccurate), such value as MSI plc reasonably determines.

I.2. Redelivery of Used Investments

The relevant Morgan Stanley Company or MSI plc on behalf of such Morgan Stanley Company may deliver, or procure the delivery of, Equivalent Investments to the Client under paragraph I.1. by causing such Investments to be transferred, appropriated or designated to the Account in which such Investments were held prior to such use or, if not possible to do so, or if an Event of Default has occurred, to such other Account or Accounts subject to the Security as it shall determine. Such Investments will upon such transfer, appropriation or designation become subject to all the provisions of this Agreement, including without limitation, those of Section J and this Section I.

J. SECURITY

J.1. Security

Charge: As continuing security for the payment and discharge of all Liabilities, the

Client charges to MSI plc for itself and as trustee for the other Morgan Stanley Companies by way of first fixed charge and assigns by way of security with full title guarantee and free from any adverse interest whatsoever:

- (i) all rights, title and interest of the Client in or in respect of Investments and other assets not falling within sub-paragraphs (ii) to (vi) below constituted by credits standing from time to time to any Account;
- (ii) all Investments which, or the certificates or documents of title to which, are for the time being deposited with or held by a Morgan Stanley Company;
- (iii) all other Investments and all rights, cash (including, without limitation, dividends) and property whatsoever which may from time to time be derived from, accrue on or be offered in respect of any Investments referred to in sub-paragraphs (i) and (ii) above, whether by way of Corporate Action or otherwise howsoever;
- (iv) all cash for the time being credited to any Account;
- (v) all rights of the Client arising in respect of any Investments or cash referred to in sub-paragraphs (i) to (iv) above, including, without limitation, any rights against any custodian, banker or other person;
- (vi) all rights of the Client under this Agreement and the Customer Documents (including those existing after any netting or set off of amounts owed under such Customer Documents) including, without limitation, all rights of the Client to delivery of Equivalent Investments and Equivalent Securities;
- (vii) all sums of money held by any Morgan Stanley Company for the Client, the benefit of all accounts in which any such money may from time to time be held and all the Client's rights, title and interest under any trust relating to such money or to such accounts as aforesaid,

but, in each case, so that the covenants implied by the Law of Property (Miscellaneous Provisions) Act 1994 in the charges contained in or created pursuant to this Agreement are construed with the omission of (A) the words "other than any charges, encumbrances or rights which that person does not and could not reasonably be expected to know about" in section 3(1) of that Act; and (B) section 6(2) of that Act.

J.2. Withdrawals

- J.2.1.** The Client may request Morgan Stanley (either orally, in writing or by electronic transmission and either expressly or impliedly) to deliver

cash and/or Investments from an Account to a third party. Such request is subject to the provisions of the Security and this Agreement. If Morgan Stanley permits delivery of such cash and/or Investments from an Account to a third party then, on the relevant delivery being made, the relevant cash and/or Investments shall be automatically released from the Security.

J.2.2. Permitting any withdrawal of Investments and/or cash from an Account, or a series of such withdrawals, will not commit Morgan Stanley to permit any other withdrawals from the Accounts.

J.3. Supplemental Provisions Relating to the Security

J.3.1. Continuing Security: The Security is continuing and will extend to the ultimate balance of all the Liabilities, regardless of any intermediate payment or discharge in whole or in part.

J.3.2. Security Unaffected: The Security is in addition to any other security, guarantee or indemnity now or subsequently held by Morgan Stanley in respect of the Liabilities and the Security is not in any way prejudiced by any other such security, guarantee or indemnity. Morgan Stanley may at any time and without reference to the Client give up, deal with, vary, exchange or abstain from perfecting or enforcing any other such security, guarantee or indemnity at any time and discharge any party thereto, and realise the same as it thinks fit without in any way affecting or prejudicing the Liabilities or the Security. The Client acknowledges that the Security shall not in any way be affected by the level of Margin required pursuant to Section G.

J.3.3. Further Assurance: For the purpose of perfecting or enforcing the Security, if MSI plc so requests at any time or times the Client will promptly execute and sign all such transfers, assignments, powers of attorney, further assurances or other documents and do all such other acts and things as may reasonably be required to realise the Security or vest any of it in MSI plc or to its order or to a purchaser or transferee or to perfect or preserve the rights and interests of MSI plc and the other Morgan Stanley Companies in respect of the Security (including, without limitation, the institution and conduct of legal proceedings) or for the exercise by Morgan Stanley of all or any of the powers, authorities and discretions conferred on Morgan Stanley by this Agreement. The Client hereby by way of security irrevocably appoints each Morgan Stanley Company severally as its attorney to execute any such transfers, assignments, powers of attorney, further assurances or other documents and do all such other acts and things as aforesaid for the purpose of perfecting or enforcing the

Security, or attempting to do so. The Client hereby ratifies and confirms and agrees to ratify and confirm the exercise or purported exercise by a Morgan Stanley Company of the power of attorney.

J.3.4. Law of Property Act: Sections 93 (restriction of right of consolidation) and 103 (restriction of right of sale) of the Law of Property Act 1925 will not apply to this Agreement. The Liabilities will become due for the purposes of section 101 of the Law of Property Act 1925, and the statutory power of sale and of appointing a receiver which are conferred on the Morgan Stanley Companies under that Act (as varied or extended by this Agreement) and all other powers shall be deemed to arise immediately after execution of this Agreement.

J.3.5. Avoidance of Payments: If Morgan Stanley reasonably determines that any payment received or recovered by Morgan Stanley may be avoided or invalidated after the Liabilities have been discharged in full, and after any facility which might give rise to such Liabilities has been terminated, this Agreement (and the Security created thereby) will remain in full force and effect and Morgan Stanley will not be obliged to release any cash or Investments charged under the Security until the expiry of such period as Morgan Stanley shall reasonably determine.

J.3.6. No Release: No payment which may be avoided or adjusted under any law, including any enactment relating to bankruptcy or insolvency, and no release, settlement or discharge given or made by Morgan Stanley on the faith of any such assurance, security or payment, shall prejudice or affect the right of Morgan Stanley to recover the Liabilities from the Client or to enforce the Security to the full extent of the Liabilities.

J.3.7. Negative Pledge: The Client will not create or have outstanding any mortgage, pledge, lien, hypothecation, security interest or other charge or encumbrance, or any other agreement or arrangement having the same economic effect, over or in respect of the present or future Charged Assets (other than for any security created under the Customer Documents).

J.3.8. Continuation of Accounts: At any time following (i) Morgan Stanley receiving notice (either actual or otherwise) of any subsequent security interest affecting any assets subject to the Security or (ii) the occurrence of any Act of Insolvency in respect of the Client, Morgan Stanley may open a new Account in the Client's name (whether or not Morgan Stanley permits any existing Account to continue). If Morgan Stanley does not open such a new Account, Morgan Stanley will nevertheless be treated as if Morgan Stanley had done so at the time, as the case may be, when the notice was received or deemed to have been received of

the subsequent security interest or at the time of the Act of Insolvency. No cash or Investments thereafter paid into any Account, whether new or continuing, shall discharge or reduce the amount receivable pursuant to this Agreement.

J.3.9 Protection of Third Parties: No purchaser from, or other person dealing with, Morgan Stanley shall be concerned to enquire whether any of the powers exercised or purported to be exercised has arisen or become exercisable, whether the Liabilities remain outstanding or as to the propriety or validity of the exercise or purported exercise of any power; and the title of such a purchaser and the position of any such person shall not be impeachable by reference to any of those matters and the protections contained in sections 104 to 107 of the Law of Property Act 1925 shall apply to any person purchasing from or dealing with Morgan Stanley.

J.3.10 Receipts: The receipt of Morgan Stanley shall be an absolute and a conclusive discharge to a purchaser and shall relieve the purchaser of any obligation to see to the application of any moneys paid to or by the direction of Morgan Stanley.

J.3.11 Construction: In paragraphs J.3.9. and J.3.10. "purchaser" includes any person acquiring for money or money's worth any security interest over, or any other interest or right whatsoever in relation to the Charged Assets.

J.3.12 Certificate of Borrowings: For all purposes, including any legal proceedings, a certificate by any officer of MSI plc as to the sums and/or liabilities for the time being due to or incurred by MSI plc shall be conclusive in absence of manifest error.

J.4. Enforcement

J.4.1 Enforceability: Without prejudice to Morgan Stanley's rights under paragraphs J.5., K.1. and K.2., on or at any time after the occurrence of an Event of Default in relation to the Client and without prior notice or demand on the Client, MSI plc (for itself and as agent, or as the case may be, trustee on behalf of the other Morgan Stanley Companies) may enforce the Security and exercise all the powers and rights of a mortgagee conferred by statute or otherwise and (without prejudice to the generality of the foregoing) may (i) appropriate, sell or otherwise dispose of all the title to and interest in any asset subject to the Security or (as MSI plc may elect and without prejudice to any later exercise of this power) the whole or part of the equitable interest divested of the legal title for such consideration (which may comprise or include Investments), upon such terms and generally in such manner as MSI plc may, in its sole and absolute discretion, think fit provided that (a) where Morgan Stanley sells or disposes

of any such assets Morgan Stanley shall use its reasonable endeavours to obtain a fair value where reasonably obtainable in the circumstances; and (b) where Morgan Stanley appropriates assets pursuant to this paragraph J.4.1. the value given to such assets shall be the Net Value (such appropriated assets being treated as Receivable Investments for this purpose); and (ii) apply all or any part of any cash credited to an Account or the value of any appropriated assets towards the discharge of the Liabilities upon such terms and generally in such manner as MSI plc may, in its sole and absolute discretion, think fit.

J.4.2 Application of Net Proceeds: The net proceeds of any enforcement will be applied towards discharge of the Liabilities in such order as MSI plc in its sole discretion shall determine. Subject to paragraph J.3.5, the Client will be entitled to any balance remaining after the unconditional and irrevocable discharge of all Liabilities. In the event of a shortfall, the Client will immediately on demand pay to each relevant Morgan Stanley Company the balance remaining due to it.

J.4.3 Other Means of Enforcement: If the Client fails to discharge any Liabilities when due, Morgan Stanley may, but is not bound to, resort to any other reasonable means of obtaining discharge at any time and in any manner or order it thinks fit, without thereby affecting the Security.

J.4.4 Suspense Account: Morgan Stanley may, for the purpose of enabling it to maximise its recoveries in any actual or potential winding-up, dissolution or analogous proceeding relating to the Client, or prior to the application of any amounts, credit any amounts received or recovered by it in exercise of its rights under this Agreement (including Section P) to, and require the same to be paid to it for crediting to, an interest bearing suspense account for so long and in such manner as it may determine.

J.4.5 PPSA disappplied: The provisions of the PPSA specified in paragraphs (a) to (r) inclusive of section 115 of the PPSA will not apply in relation to any Charged Assets the subject of a security interest established under or contemplated by this Agreement, to the extent that this is permitted by the relevant paragraph of section 115 of the PPSA in relation to that provision.

J.4.6 PPSA exclusion of notice requirement: To the extent not prohibited by the PPSA, the Client waives its right to receive any notice otherwise required to be given by Morgan Stanley under section 157 (verification statements) or any other provision of the PPSA.

J.5. Limited Close-Out

J.5.1. Termination: Without prejudice to Morgan Stanley's rights under paragraph K.1. and K.2., or under paragraph J.4.1., on or at any time after the occurrence of an Event of Default in relation to the Client, MSI plc may serve a notice to the Client (a "**Termination Notice**") (and so that MSI plc may serve one or more Termination Notices at any time while an Event of Default is continuing) whereupon all or such of the following as may be specified in the Termination Notice shall occur:

- (i) the Settlement Facility will be terminated and all Equivalent Securities that the Client is required to deliver under paragraph B.2.(v) will be immediately deliverable;
- (ii) all Equivalent Investments in respect of which the Client has a right of delivery under paragraph I.2. will be deliverable;
- (iii) such outstanding Exchange-Traded Derivatives Transactions as may be specified in the Termination Notice will be terminated in accordance with the terms of the MNA;
- (iv) such outstanding FX Transactions as may be specified in the Termination Notice will be terminated,

so that the performance of the respective obligations of the parties with respect to all such payments and deliveries shall be effected only in accordance with paragraphs J.5.2. to J.5.3. below.

J.5.2. Amounts Determined. MSI plc will establish as at the date on which the Termination Notice was served:

- (i) the Default Market Value of all Equivalent Securities and Equivalent Investments to be delivered by or to the Client under paragraph J.5.1(i) and (ii);
- (ii) the Liquidation Amount in respect of all Exchange-Traded Derivatives Transactions terminated under paragraph J.5.1 (iii); and
- (iii) the Loss of each party in respect of all FX Transactions terminated under paragraph J.5.1(iv).

J.5.3. Netting: On the basis of the amounts so established, an account shall be taken (as at the date on which the Termination Notice was served) of what is due from each party to the other under paragraph J.5.2. and the amounts due from one party shall be set off against the amounts due from the other and only the balance of account shall be payable by the party having the claim valued at the lower amount pursuant to the foregoing. Any such balance shall be payable by that party on demand by the other party. For the purposes of

this calculation, all sums not denominated in U.S. Dollars shall be converted to U.S. Dollars at the then current market exchange rates. Paragraphs K.2.1.(ii) and (iii) shall apply in respect of any amount payable under this paragraph as if references in those paragraphs to the Termination Amount were a reference to the amount payable under this paragraph.

J.5.4 The provisions of J.5.1 to J.5.3. shall apply separately between each Morgan Stanley Company and the Client as if such Morgan Stanley Company were party to a separate agreement with the Client in all respects identical to this Agreement.

K. EARLY TERMINATION, NETTING AND SET OFF

The provisions of paragraphs K.1. and K.2. shall apply separately between each Morgan Stanley Company and the Client as if such Morgan Stanley Company were party to a separate agreement with the Client in all respects identical to this Agreement.

K.1. Early Termination

K.1.1. Early Termination: (i) Upon or following the occurrence of an Event of Default, without prejudice to any other rights hereunder or under any transaction, contract or law, or (ii) following the occurrence of an MSI plc Act of Insolvency, the relevant Morgan Stanley Company may by notice to the Client in the case of (i), or the Client may by notice to MSI plc in the case of (ii) (in either case a "**Close-Out Notice**"), declare that the provisions of paragraphs K.1.2. to K.1.4. and K.2. will apply.

K.1.2. Service of Close-Out Notice:

(i) Service of a Close-Out Notice under paragraph K.1.1. by a Morgan Stanley Company shall constitute an immediate event of default or termination event (howsoever the same are described) under such Customer Documents as may be specified in the Close-Out Notice (each such Customer Document being a "**Designated Customer Document**"), whether or not the Event of Default in question would otherwise constitute an event of default or termination event under any such Designated Customer Document and without the need for the service of a separate notice under any such Designated Customer Document, but so that the service of a Close-Out Notice in respect of one Customer Document shall not prevent Morgan Stanley from serving a Close-Out Notice in respect of any other Customer Document at any time.

(ii) Service of a Close-Out Notice by the Client shall constitute an Event of Default under this Agreement in respect of MSI plc (but in respect of no other Morgan Stanley Company) and this

Agreement shall be a “Designated Customer Document” for the purposes of paragraphs K.1.3. and K.1.4..

K.1.3. No Further Payments or Deliveries: No further payments or deliveries under the Designated Customer Documents in respect of outstanding Transactions will be required to be made, but without prejudice to the other provisions of the Designated Customer Documents, and:

- (i) all outstanding Transactions under the Designated Customer Documents (other than Exchange-Traded Derivatives Transactions and FX Transactions entered into under this Agreement) will, to the extent possible, be terminated immediately in accordance with their terms and any Transactions under the Designated Customer Documents will be dealt with in accordance with the relevant default, close out or termination provisions of any such Designated Customer Document;
- (ii) where this Agreement is a Designated Customer Document, the Loan will be immediately repayable;

K.1.4 Amounts Determined: Where this Agreement is a Designated Customer Document, the amount of the Loan to be repaid by the Client shall be determined by MSI plc. The Non-Defaulting Party will establish as at the date of the Default Event:

K.3. Other Rights

K.3.1. Pre-condition to Payment and Deliveries: As a separate and further protection to Morgan Stanley, the Client agrees that where the Client has failed to provide Margin demanded pursuant to paragraph G.1. or otherwise failed to perform its obligations under any Transactions or otherwise under this Agreement (whether or not the Security is enforceable or being enforced) any obligation Morgan Stanley may have to pay or repay any money or deliver or redeliver any asset (whether as Margin or otherwise) otherwise than under and in accordance with paragraphs K.1. and K.2. will be conditional upon there being no Liabilities.

K.3.2. Set-off: As between each Morgan Stanley Company and the Client, whether or not an Event of Default has occurred, any Liabilities

owed to that Morgan Stanley Company will, at that Morgan Stanley’s Company’s option (and without prior notice to the Client), be reduced by its set-off against any amount(s) payable (whether or not then due and owing) to the Client by that Morgan Stanley Company under the Customer Documents (and any such amount(s) payable by that Morgan Stanley Company will be discharged to the extent it is so set-off). Morgan Stanley will give notice to the Client after any set off is effected under this paragraph.

K.3.3. Combination of Accounts: As between each Morgan Stanley Company and the Client, a Morgan Stanley Company may, at any time following an Event of Default, without notice to the Client combine, consolidate or merge all or any of the Accounts with that Morgan Stanley Company with any Liabilities owed to that Morgan Stanley Company and may set off any amount standing to the credit of any such Accounts in or towards satisfaction of any of the Client’s Liabilities to that Morgan Stanley Company. Each Morgan Stanley Company may do so notwithstanding that the balances on such Accounts and the Liabilities may not be expressed in the same currency and a Morgan Stanley Company is hereby authorised to effect any necessary conversions in accordance with paragraph K.4..

K.3.4 Transfers between Morgan Stanley Companies: Each Morgan Stanley Company is authorised by the Client in its discretion at any time and from time to time to transfer any money or investments held by the Morgan Stanley Company for the Client’s account to or to the order of any other Morgan Stanley Company for the purpose of, or with a view to, application thereof in discharge of any Liabilities due from the Client to such other Morgan Stanley Company, or in order to meet any obligation of the Client to provide Margin in relation to such Liabilities.

K.4. Conversion

The Client agrees that Morgan Stanley may at any time for the purposes of reducing or determining a Liability, giving effect to the provisions of paragraphs K.3.2. or K.3.3., converting a payment received in a currency other than that in which it was due, or otherwise, (i) convert any Liabilities owed or cash held in one currency into another currency using Morgan Stanley’s current exchange rates or other reasonable rates as Morgan Stanley deems appropriate in good faith and/or (ii) convert any obligation to deliver non-cash property into an obligation to deliver cash in such amount as is determined by Morgan Stanley as appropriate in good faith, save that, where the delivery obligation is owed by MSI plc, MSI plc shall not be able to exercise the right to convert in this paragraph K.4. following an MSI plc Act of Insolvency provided always that this shall be without prejudice to the operation of the set-off provisions set out in paragraphs K.1., K.2. and K.3..

L. LIMITATION OF LIABILITY**L.1. Limitation of Liability**

L.1.1. Limitation of Exclusions: Nothing in this Agreement will exclude or restrict any duty or liability to any extent prohibited by the FCA Rules or PRA Rules that Morgan Stanley may have to the Client under the regulatory system (as defined in the FCA Rules and PRA Rules).

L.1.2. Limitation of Liability: (i) Morgan Stanley and its employees and officers will not be liable for any loss, cost, charge, fee, expense, damage or liability resulting from any act or omission made in connection with this Agreement or the services provided hereunder (including, without limitation, the provision of any Software). In particular, but without limitation, Morgan Stanley will not be liable for any loss of, or any failure to insure, Investments or for the quality, quantity, condition or delivery of Investments or the correctness, validity, sufficiency or genuineness of any of the documents relating to Investments. This exclusion does not apply where such loss results directly from the negligence, wilful default or fraud of Morgan Stanley or its employees or officers. Morgan Stanley and its employees and officers will not in any circumstances be liable for any consequential loss, damage or liability (including but not limited to loss of profit) regardless of whether it is aware of the likelihood of such loss, damage or liability; (ii) without limiting the foregoing, Morgan Stanley shall have no liability whether in contract, tort (including negligence) or otherwise for any loss, cost, charge, fee, expenses, damage or liability resulting from the provision of any Software.

L.1.3. No Liability for Others: Morgan Stanley accepts the same level of responsibility for any nominee company controlled by it as for its own acts under this Agreement. Subject to this, Morgan Stanley will not be liable to the Client for the solvency, acts or omissions of any party in whose control any of the Client's assets (or documentation relating thereto) may be held or through whom any Transactions may be effected or any bank with whom Morgan Stanley maintains any bank account or any other party with whom Morgan Stanley deals or transacts business or who is appointed by Morgan Stanley in good faith on the Client's behalf, provided that, in the case of sub-custodians, this exclusion of liability shall not apply to loss which is directly caused by a breach of MSI plc's obligations in relation to the selection and monitoring of sub-custodians set out in paragraph A.2.1 and provided further that this exclusion shall not extend to any sub-custodian who is an Affiliate. For the purposes

of this paragraph L.1.3., "control" has the same meaning as set out in the FCA Rules and PRA Rules.

L.2. Force Majeure

Morgan Stanley will not be liable to the Client for any delay in performance, or for the non-performance, of any of its obligations under this Agreement by reason of any cause beyond its reasonable control, or for any loss, costs, charges, fees, expenses, damage or liabilities caused by the occurrence of any contingency beyond its reasonable control. These records shall be prima facie evidence of any orders/Instructions or communications monitored or recorded and shall be admissible as such in any legal proceedings. The Client will not use, file, or cite as a reason for objecting to the admission of Morgan Stanley's records as evidence in any legal proceedings because they are not originals, are not in writing or are documents produced by a computer. Morgan Stanley will retain records in accordance with its operational procedures, which may change from time to time in its absolute discretion. The Client should keep adequate records in accordance with applicable laws and regulations and should not rely on Morgan Stanley to comply with its record keeping obligations.

M.3. Entire Agreement; Remedies Cumulative

M.3.1. Entire Agreement: The Customer Documents constitute the entire agreement of the parties with respect to the subject matter thereof and supersede all prior oral and written communications.

M.3.2. Remedies Cumulative: Morgan Stanley's rights under this Agreement are cumulative, may be exercised as often as it considers appropriate and are in addition to its rights

under general law. Any failure to exercise or any delay in exercising any such rights will not operate as a waiver or variation of that or any other such right and any defective or partial exercise of any such rights will not preclude any other or further exercise of that or any other right.

M.4. Severability

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction will not invalidate or render unenforceable such provision in any other jurisdiction.

M.5. Exclusion of Equities

Without prejudice to Morgan Stanley's rights under any other paragraph in this Agreement, each party undertakes to pay any amount payable and to deliver any assets that are deliverable under this Agreement on the due date regardless of any right of equity, set-off (other than any contractual right of set off) or counterclaim that it may have or allege against the other party.

M.6. Power to Return Equivalent Investments

The Client agrees that if Morgan Stanley re-transfers or re-delivers Investments to the Client, these do not need to be the identical Investments originally deposited, charged or transferred, to Morgan Stanley, and the Client will accept Equivalent Investments.

M.7. Data Protection and Client Information

M.7.1 MSI plc shall, in connection with the Customer Documents and all transactions thereunder comply (where applicable) with the Data Protection Laws.

M.7.2 The Client shall comply with and observe the Data Protection Laws and ensure that it has obtained all necessary consents for MSI plc to process any personal data in connection with the Customer Documents and all transactions thereunder.

M.7.3 Morgan Stanley, its Associated Firms and/or other persons acting on its or their behalf may process and use information relating to the Client, its Accounts, Investments or Transactions and/or the relationship governed by this Agreement ("Client Information") to tailor, administer and operate services in accordance with the Customer Documents and Transactions thereunder (including tailoring Investments or marketing specific products of interest, authorising or confirming Transactions and for billing purposes); to help Morgan Stanley understand and continue to develop the services it is able to provide to the Client and clients generally; in the course of

the operational support and development of their businesses; to carry out credit, money laundering and conflict checks and for fraud prevention purposes (and this may include consideration of information regarding political affiliations and criminal offences committed or alleged to have been committed); to exercise and defend Morgan Stanley's legal rights; and in order to comply with legal and regulatory obligations and requests anywhere in the world (including reporting to and being audited by national and international regulatory enforcement or exchange bodies and complying with court orders or subpoenas).

M.7.4 Morgan Stanley, its Associated Firms and/or other persons on its or their behalf, may in connection with the Customer Documents and all Transactions thereunder collect Client Information (a) directly from the Client; (b) through its Agents; and (c) from other information sources.

M.7.5 Morgan Stanley's and its Associated Firms' processing and use of Client Information may include disclosure of Client Information between Morgan Stanley and its Associated Firms; to third parties processing Client Information on behalf of Morgan Stanley or its Associated Firms or otherwise providing it or them with professional or other services; to the Client's investment manager, investment advisor, auditor, administrator or other advisors or Agents; to third parties such as investors, potential investors, settlement agents, overseas banks, Exchanges or Clearing Houses to whom information is disclosed in the course of providing services to the Client under this Agreement; to credit reference, fraud prevention and other similar agencies, and other financial institutions, with whom information is shared for credit and money laundering checking and fraud prevention purposes; to persons to whom Morgan Stanley assigns or novates its rights or obligations under this Agreement; and to national and international regulatory, enforcement or exchange bodies or courts anywhere in the world as required by applicable law or regulations or at their request. Disclosure may involve overseas storage and other overseas transfer, processing and use of Client Information, and disclosure to these third parties, including in or to countries or territories which do not offer the same level of protection of personal information as is enjoyed within the European Economic Area.

M.7.6 Before providing Morgan Stanley, an Associated Firm or any other person on its behalf with any information regarding an individual in connection with this Agreement, the Client should ensure that the individual (i) knows that the Client will be providing his or her information to Morgan Stanley or the Associated Firm; (ii) has the information set out in paragraphs M.2 and M.7.3 to M.7.5

above regarding the collection, use, processing, disclosure and overseas transfer of his or her information and the possibility of monitoring or recording of his or her communications; and (iii) is aware that he or she has rights of access to, and correction of, his or her personal information held by Morgan Stanley and its Associated Firms, that, if he or she wishes to exercise either of these rights, he or she can do so by written request to the Compliance Officer at MSI plc or the appropriate contact at the Associated Firm and that, in the case of a request for access to personal information, Morgan Stanley and its Associated Firms reserve the right to charge an appropriate fee.

M.8. Amendment

Morgan Stanley may amend or supplement the arrangements with the Client by sending supplemental or revised Customer Documents or by written agreement. Where an amendment or supplement is necessitated by a change of applicable law, regulation, rule, order or directive this may take effect immediately or otherwise as Morgan Stanley may specify. Any other amendment or supplement will, unless Morgan Stanley has received the Client's written objection, take effect twenty-one days after despatch or if twenty-one days is impracticable in the circumstances such shorter time (not being less than ten business days) as Morgan Stanley may specify, and will apply in respect of any commitment, Transaction or contract entered into by Morgan Stanley and the Client after that date. Any alteration which the Client may wish to make to the Customer Documents must be agreed by Morgan Stanley in writing.

M.9. Complaints

If the Client has a complaint about MSI plc it should raise the complaint in the first instance with the MSI plc employee acting for it. If the Client is not satisfied with the response of the employee (or if the Client prefers not to raise the matter with the employee) it may raise the matter with MSI plc's Compliance Officer.

M.10. E-Commerce

The Client acknowledges and agrees that unless expressly included in this Agreement and any relevant terms of use issued from time to time by Morgan Stanley the requirements of the E-Commerce Directive (00/31/EC) as implemented in the United Kingdom are excluded to the extent permissible by law.

M.11. U.S. Regulations

Notwithstanding anything to the contrary stated or implied in this Agreement, Morgan Stanley shall not be required to take any action or refrain from taking any action in connection with any Transaction or otherwise in relation to any Customer Document that would constitute non-compliance with or result in penalties under the laws of the United States (including, for the avoidance of

doubt, the U.S. laws restricting participation in or compliance with certain foreign boycotts, directly or indirectly, as contained in the U.S. Export Administration Act of 1979 and the U.S. Internal Revenue Code, as such laws are amended from time to time) or that would place Morgan Stanley or any Associated Firm in a position of non-compliance with such laws.

N. ASSIGNMENT AND TERMINATION

N.1. Assignment

N.1.1. Successors and Assigns: The obligations under this Agreement bind, and the rights will be enforceable by, the parties and their respective successors and permitted assigns.

N.1.2. Novation to Associated Firms: Each Morgan Stanley Company (the "**Transferor**") may at any time by delivering to the Client a written substitution notice ("the **Substitution Notice**") cause all or any part of its rights, benefits and/or obligations under this Agreement to be transferred to any other Associated Firm (the "**Transferee**") provided that (i) where the Client is listed on the Irish Stock Exchange the Associated Firm is regulated as a broker by a regulator recognised by the Irish Stock Exchange and has a specified credit rating (as defined by the listing requirements and procedures for investment funds of the Irish Stock Exchange); or (ii) in any other case, the Associated Firm has a credit standing similar to that of the Transferor or is supported by a guarantee from a company with a similar credit standing to the Transferor. Upon delivery of a Substitution Notice to the Client, to the extent that in the Substitution Notice the Transferor seeks to cause all or any part of its rights and/or obligations hereunder to be novated, the Client and the Transferor will be released from further obligations to each other hereunder in respect of those rights and/or obligations so novated and, to the extent that they have been novated in accordance with this paragraph, their respective rights and obligations against each other will be cancelled, and the Client and the Transferee will acquire the same rights and assume the same obligations between themselves as they would have had, had the Transferee been an original party hereto instead of the Transferor, with the rights and/or the obligations acquired or assumed by it as a result of such novation. The Client hereby irrevocably authorises Morgan Stanley as its attorney to acknowledge such Substitution Notice on the Client's behalf.

N.1.3 Except in respect of *de minimis* sums transferred in accordance with the Client Money Rules (where the Client's consent is not required), the Client agrees that MSI plc may transfer to another person, as part of a transfer

of business to that person, any client money balances, provided that:

- (a) The sums transferred will be held for the Client by the person to whom they are transferred in accordance with the Client Money Rules; or
- (b) If not held in accordance with (a), MSI plc will exercise all due skill, care and diligence in assessing whether the person to whom the client money is transferred will apply adequate measures to protect these sums.

N.1.4. Assignment: The Client may not assign, transfer or enter into any sub-participation or subordination with respect to any of its rights, benefits and/or obligations under this Agreement, any Transaction or any contract entered into under this Agreement or declare a trust of any such rights without the prior written consent of Morgan Stanley. The Client's obligations may not, without the prior written consent of Morgan Stanley, be performed by anybody else. Any purported assignment, transfer, sub-participation, subordination, declaration of trust or performance of obligations without such consent will be invalid.

N.2. Termination

N.2.1. Power to Terminate: Any party can terminate this Agreement by giving at least 5 Notice Business Days prior written notice. If one or more Morgan Stanley Companies terminates this Agreement as between themselves and the Client that will not (unless any such termination is expressed to be on behalf of all Morgan Stanley Companies) operate as a termination in respect of any other Morgan Stanley Company.

N.2.2. Illegality: Without prejudice to the generality of N.2.1. or any other rights under the Customer Documents, Morgan Stanley reserves the right immediately to terminate any or all of the Customer Documents (including but not limited to this Agreement) or immediately cease to provide any or all of the services provided hereunder without notice if it determines in its discretion that it has become unlawful under any applicable law for Morgan Stanley or the Client to perform any or all of its respective obligations under the Customer Documents, including, without limitation, as a result of the application or any violation of ERISA.

N.2.3. Effect of Termination: Termination of this Agreement will not affect outstanding rights or the Liabilities. Any termination will be without prejudice to the Security and Morgan Stanley's continuing rights to all Margin. This Agreement will apply to the Liabilities until all Liabilities have been finally, unconditionally and irrevocably discharged. After the unconditional and irrevocable discharge of all Liabilities and the termination of this Agreement and subject to Morgan Stanley's

continuing rights as aforesaid, Morgan Stanley shall deliver or cause to be delivered to the Client or to its order any remaining monies and Investments held by Morgan Stanley.

N.2.4. Survival: Termination of this Agreement will not affect any provision of this Agreement that is intended to survive termination, including, without limitation, those provisions (i) creating the Security in Morgan Stanley's favour and (ii) granting any indemnity in favour of Morgan Stanley.

N.2.5. Agency: Subject to paragraph N.2.1. the Client will not terminate any appointment (whether express or implied) of Morgan Stanley as its agent for the purposes of this Agreement without the prior written consent of Morgan Stanley.

N.2.6. Third Party Rights:

- (i) Subject to the terms of this sub-paragraph, a person who is not a party to this Agreement has no right under the Contract (Rights of Third Parties) Act 1999 to enforce any term of this Agreement (but this shall not affect any right or remedy of any person which exists or is available apart from that Act).
- (ii) Without prejudice to any rights that a Morgan Stanley Company has as party to this Agreement or otherwise or any rights that an Associated Firm has pursuant to this Agreement, such a Morgan Stanley Company or Associated Firm, as the case may be, may enforce the terms of this Agreement in accordance with its terms and the provisions of the Contract (Rights of Third Parties) Act 1999.
- (iii) The parties do not require the consent of any third party to rescind or vary this Agreement.

O. GOVERNING LAW AND JURISDICTION

O.1. Governing Law: Unless otherwise agreed in writing, this Agreement and all Transactions entered into hereunder and any non-contractual obligations arising out of or in relation to this Agreement or such Transactions will be governed by, and construed in accordance with, English law.

O.2. Jurisdiction: MSI plc and the Client each hereby submit to the exclusive jurisdiction of the courts of England in respect of any suit, action or proceeding (including claims for set-off and counterclaim) which may arise out of or in connection with the creation, validity, effect, interpretation or performance of, or the legal relationships established by this Agreement or otherwise arising out of or in connection with this Agreement or (unless otherwise agreed in writing) any Transaction

entered into thereunder including, without limitation, disputes relating to any non-contractual obligations.

O.3. Inconvenient Forum: MSI plc and the Client hereby waive trial by jury and waive any objections on the grounds of venue or forum non conveniens or any similar grounds.

O.4. Immunity: To the extent that the Client may be entitled in any jurisdiction to claim for itself or for its property or assets immunity from service of process, jurisdiction, suit, judgement, execution, attachment or legal process in respect of its obligations or to the extent that in any such jurisdiction there may be attributed to it or its property or assets such immunity (whether or not claimed) the Client hereby waives such immunity to the fullest extent under the laws of such jurisdiction.

O.5. ERISA Transactions: In the event that any transactions pursuant to the Customer Documents become regulated under ERISA, Morgan Stanley and the Client hereby agree to submit to the jurisdiction of the New York courts with regard to any disputes or claims arising in connection with such transactions.

P. GUARANTEE AND INDEMNITY

P.1. Guarantee

In consideration of the Client undertaking on the terms of this Section P to indemnify each Morgan Stanley Company, and of each of the other guarantees contained in this Section P, each Morgan Stanley Company unconditionally guarantees to, and covenants with, each other Morgan Stanley Company that it will be liable hereunder to pay to any other Morgan Stanley Company any Liabilities from time to time owing to any of the Morgan Stanley Companies (whether or not due and payable and whether or not demand shall have been made on the Client therefor) PROVIDED ALWAYS THAT the liability of each Morgan Stanley Company hereunder shall be limited to an amount equal to the aggregate net amount owing from that Morgan Stanley Company to the Client on the date of the demand on that Morgan Stanley Company hereunder (including any amounts standing to the credit of the Client in any Account(s) maintained by that Morgan Stanley Company) after deducting all Liabilities of the Client to that Morgan Stanley Company (whether or not due and payable at the date of demand and whether or not demand for payment of such Liabilities shall then have been made on that Morgan Stanley Company).

P.2. Sole Principal Debtor

As between the Morgan Stanley Companies, but without affecting the Client's obligations, each Morgan Stanley Company will be liable to each of the other Morgan Stanley Companies as if it were the sole principal debtor and not merely a surety. Accordingly, no Morgan Stanley

Company will be discharged, nor will its liability be affected by anything which would not discharge it or affect its liability if it were the sole principal debtor (including (i) any time, indulgence, concession, waiver or consent at any time given to the Client by any Morgan Stanley Company, (ii) any amendment or supplement to any Customer Document, or to any security or other guarantee, (iii) the making or absence of any demand on the Client for payment, (iv) the enforcement or absence of enforcement of any Customer Documents, or of any other security or guarantee, (v) the taking, existence or release of any security or other guarantee, (vi) the occurrence of any Act of Insolvency in respect of the Client, (vii) the illegality, invalidity or unenforceability of or any defect in any provision of any Customer Document or any of the Client's obligations under them, (viii) any reorganisation or change in the constitution of the Client, or (ix) any other event which would, but for this provision, constitute a legal or equitable discharge of a guarantee).

P.3. Obligations Continuing

The obligations of each Morgan Stanley Company under this Section P are, and will remain, in full force and effect by way of continuing security until the Customer Documents have been terminated and each of the Morgan Stanley Companies has irrevocably received or recovered all amounts payable under the Customer Documents. Furthermore, the obligations of each Morgan Stanley Company hereunder are additional to, and not instead of, any security or other guarantee at any time existing in favour of any of the Morgan Stanley Companies and may be enforced without first having recourse to the Client, any other person, any security or any other guarantee.

P.4. Indemnification

P.4.1. Indemnity: The Client irrevocably undertakes and covenants to each Morgan Stanley Company that it will indemnify the Morgan Stanley Company on demand against any Claims relating to or arising out of this Section P. For the avoidance of doubt, the Client hereby acknowledges and confirms that its obligation to indemnify each Morgan Stanley Company pursuant to this P.4.1. will arise as soon as a liability (including any contingent liability) is incurred by a Morgan Stanley Company pursuant to this Section P, and accordingly that the obligation to indemnify a Morgan Stanley Company shall arise whether or not a Morgan Stanley Company has paid any amounts to any other Morgan Stanley Company pursuant to this Section P, and whether or not such other Morgan Stanley Company has made a demand on the Client. For the avoidance of doubt, the Client's indemnity obligations shall be Liabilities secured by and subject to the provisions of this Agreement.

P.4.2. Clawback: In the event that any amount is paid by a Morgan Stanley Company under the guarantee set out in paragraph P.1. and all or part of the corresponding amount payable to that Morgan Stanley Company by the Client pursuant to the indemnity set out in paragraph P.4.1. becomes repayable by such Morgan Stanley Company (the amount of such repayment being the “**Repayment**”) then, whichever Morgan Stanley Company received the guarantee payment, shall pay to that Morgan Stanley Company the amount of such Repayment, and an amount equal to such Repayment will fall due from the Client to that Morgan Stanley Company.

9. Representations and Warranties. Each time You use the Services and with respect to each Electronic Transaction, You hereby represent and warrant that:

(a) You have the power and authority (including under any applicable investment restrictions or guidelines and on behalf of any party for whom You are using the Services) to enter into and perform Your obligations under this Schedule, and this Schedule is Your legal, valid, binding and enforceable obligation.

(b) Any Orders submitted by You are and shall comply with this Schedule, any applicable Customer Document, Applicable Law and Rules.

(c) All securities, commodities, futures, currencies, derivatives thereon and any other instruments that You offer and sell using the Services shall be free and clear of any liens, mortgages, encumbrances or restrictions of any kind (including legends or restrictions on transfer), both when they are offered or sold and upon their delivery at settlement.

(d) You are not and shall not be, at any time when You offer, buy or sell any security using the Services, an “affiliate” of the issuer thereof or, in the case of convertible or exchangeable securities, the issuer of the underlying security.

(e) Each representation and warranty made by You under any Rules shall be deemed to have been made for the benefit of Morgan Stanley.

(f) You shall not introduce, nor permit any person to introduce into the Services, any code, malicious or hidden mechanisms that would impair the operation of the Services or of Morgan Stanley’s computers or other devices or software, or would permit other users access to the Services, nor shall You use the Services to gain any unauthorised access to any computer system.

10. DISCLAIMER OF WARRANTIES. THE SERVICES ARE PROVIDED “AS IS”, AND MORGAN STANLEY, ITS AFFILIATES AND THE VENDORS DISCLAIM ALL REPRESENTATIONS, WARRANTIES AND IMPLIED TERMS, WHETHER IN LAW, TORT, FACT OR CONTRACT, INCLUDING WITHOUT LIMITATION (I) WITH RESPECT TO THE ACCURACY, COMPLETENESS OR TIMELINESS OF THE SERVICES OR ANY PART THEREOF; OR (II) THAT THE SERVICES OR ANY PART THEREOF SHALL BE UNINTERRUPTED OR ERROR FREE; AND (III) THOSE OF NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE RELATING TO THE SERVICES OR ANY PART THEREOF. ANY HYPERLINK TO ANOTHER SITE IS NOT AND DOES NOT IMPLY AN ENDORSEMENT, INVESTIGATION, VERIFICATION OR MONITORING BY MORGAN STANLEY, ITS AFFILIATES AND THE VENDORS OF ANY INFORMATION ON THAT SITE.

11. LIMITATION OF LIABILITY. TO THE FULLEST EXTENT PERMITTED BY LAW, IN NO EVENT SHALL MORGAN STANLEY, ITS AFFILIATES OR THE VENDORS OR THEIR RESPECTIVE OFFICERS, DIRECTORS, OWNERS, AGENTS AND EMPLOYEES (THE “MORGAN STANLEY PARTIES”) HAVE ANY LIABILITY TO YOU OR ANY OTHER PERSON FOR ANY INDIRECT, CONSEQUENTIAL OR SPECIAL LOSSES, COSTS, LIABILITIES OR DAMAGES OF ANY KIND, INCLUDING DIRECT OR INDIRECT LOSS OF PROFITS (TOGETHER, “COSTS”), ARISING OUT OF, OR IN CONNECTION WITH, THIS AGREEMENT OR THE PERFORMANCE OR BREACH OF THIS AGREEMENT, OR YOUR OR ANY OTHER PERSON’S USE OF, OR INABILITY TO USE, THE SERVICES. THESE LIMITATIONS SHALL APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER BASED ON STATUTE EQUITY OR ARISING IN CONTRACT, INDEMNITY, WARRANTY, STRICT LIABILITY OR TORT (INCLUDING NEGLIGENCE), AND REGARDLESS OF WHETHER ANY MORGAN STANLEY PARTY KNOWS OR HAS REASON TO KNOW OF THE POSSIBILITY OF SUCH DAMAGES. NOTWITHSTANDING ANY OTHER PROVISIONS OF THIS AGREEMENT AND WITHOUT PREJUDICE TO THE FOREGOING AND TO CLAUSE 10 ABOVE, THE MAXIMUM AGGREGATE LIABILITY OF THE MORGAN STANLEY PARTIES FOR DIRECT LOSS (WHETHER UNDER STATUTE, OR ARISING IN EQUITY, CONTRACT, TORT (INCLUDING NEGLIGENCE) OR INDEMNITY, WARRANTY, STRICT LIABILITY OR OTHERWISE) UNDER THIS AGREEMENT AND WITH RESPECT TO THE SERVICES SHALL NOT EXCEED THE AMOUNT OF FEES PAID BY YOU IN CONNECTION WITH THE SPECIFIC TRANSACTION GIVING RISE TO SUCH LOSS OR DAMAGE, UNLESS CAUSED DIRECTLY BY THE WILLFUL DEFAULT OR FRAUD OF THE MORGAN STANLEY PARTIES. THIS LIMITATION OF LIABILITY IS IN ADDITION TO ANY OTHER LIMITATION PROVIDED IN ANY APPLICABLE ACCOUNT AGREEMENT OR RULES.

12. Your Indemnification Obligations. You agree to indemnify, defend and hold harmless the Morgan Stanley Parties from and against any and all losses, liabilities, judgments, arbitration awards, settlements, expenses, damages and costs, including attorneys’ fees and disbursements, as incurred by any of them arising in any manner out of or relating to Your use of, or inability to use, the Services or any breach or alleged breach by You of this Schedule. You shall co-operate with the Morgan Stanley Parties as fully as reasonably required in the defence of any third party claim subject to these indemnity provisions. Morgan Stanley reserves the right to assume the exclusive defence and control of any matter otherwise subject to indemnification by You. You shall not in any event settle any matter without the prior written consent of Morgan Stanley. This indemnity is in addition to any other indemnity provided in any applicable Customer Document or Rules.

13. Governing Law; Injunctive Relief. This Schedule, its enforcement, and any dispute arising out of or relating to the subject matter of this Schedule (including any non-contractual obligations relating thereto) shall be governed by the laws of England, and the parties irrevocably consent to the exclusive jurisdiction of the courts of England for any such disputes. You acknowledge that any breach or threatened breach by You of any provision of this Schedule may cause Morgan Stanley or its affiliates or the Vendors irreparable injury and damage and, therefore, that any such breach or threatened breach may be enjoined through injunctive proceedings in addition to any other rights and remedies that may be available to Morgan Stanley or its affiliates or the Vendors at law or in equity.

14. Notice. Any notices or other communications required or permitted to be given or delivered under this Schedule by Morgan Stanley to You shall be provided through the Services, by e-mail, by facsimile (with confirmation of receipt) or in writing to the address provided by You, which You are solely responsible for updating as necessary. Any notices or other communications under this Schedule by You to Morgan Stanley shall be provided in writing to Morgan Stanley & Co. International plc., 25 Cabot Square, Canary Wharf, London E14 4QA, England, Attention: Legal and Compliance Division, or as otherwise specified in writing, and, if the name of an affiliated entity appears on the signature line below, to that entity

at the address provided below as well. Notices transmitted electronically (e-mail or fax or phone) shall be effective upon transmission, provided that such notice is properly addressed; all other notices shall be effective upon receipt.

15. Assignment; Waiver. You may not assign, sublicense, delegate, subcontract or otherwise transfer Your rights, duties and obligations under this Schedule to a third party without Morgan Stanley's express written consent. Any instrument purporting to make an assignment or other transfer in violation of this provision shall be null and void. Any forbearance or delay on the part of either party hereto in enforcing any provision of this Schedule or any of its rights hereunder shall not be construed as a waiver of such provision or of a right to enforce the same for such occurrence or any future occurrence.

16. Termination. Morgan Stanley may terminate or suspend this Schedule with respect to any Service immediately, with or without cause, upon notice to You. You may terminate this Schedule, with or without cause, upon at least one day's written notice in non-electronic form to Morgan Stanley. Notwithstanding any such termination or suspension, this Schedule shall remain in effect in respect of any other Service to which You continue to have access. This Schedule shall remain in effect with respect to any Orders placed or Electronic Transactions initiated prior to effectiveness of any termination, and neither party shall be relieved of any payment or other obligation that accrued prior to termination. Sections 2, 4, 5 and 9-19 shall survive the termination of this Schedule.

17. Privacy and Cookies. Morgan Stanley, its affiliates and Vendors may process personal data as part of and/or in connection with the Services. This includes using cookies and similar technology to collect information about Your use of our Services and Your preferences. To find out more information about how Morgan Stanley processes personal data and uses cookies and how to reject cookies, see Morgan Stanley's Privacy & Cookies Policy at http://www.morganstanley.com/privacy_pledge.html. By accessing or using the Services you consent to Morgan Stanley, its affiliates and Vendors processing your personal data and using cookies as further detailed in Morgan Stanley's Privacy & Cookies Policy. You acknowledge and agree that if You choose to reject cookies, some or all parts of the Services may not function properly or may not be accessible.

18. E-commerce Directive. Unless expressed otherwise in an individual product or Service's terms of use, no contracting or transaction information required by the E-Commerce Directive, as implemented under applicable law, will be provided in relation to business to business contracts concluded electronically as a result of Your use of the Services.

19. Miscellaneous. This Schedule, together with any applicable Customer Documents, constitutes the entire agreement between You and Morgan Stanley with respect to the Services. Solely in connection with an Electronic Transaction, in the event of any conflict between this Schedule and any Customer Document, the terms of this Schedule shall prevail. Any cause of action with respect to the Services must be commenced within one year after the claim or cause of action arises. If for any reason a court of competent jurisdiction finds any provision of this Schedule, or portion thereof, to be unenforceable, that provision shall be enforced to the maximum extent permissible so as to effect the intent of this Schedule, and the remainder of this Schedule shall continue in full force and effect. The rights and remedies of the parties hereunder are cumulative and are in addition to, and not in lieu of, all rights and remedies available at law and in equity. Except as expressly agreed in writing between us or provided in this Schedule, this Agreement and the Customer Documents do not create any rights under the Contracts (Rights of Third Parties) Act 1999, save that each of Morgan Stanley's affiliates shall be entitled to benefit from and to enforce any benefit under this Agreement as if such benefit has been expressly granted to that affiliate.

20. Foreign Exchange Trading. To the extent that You use the Services for the purposes of FX Trading, the following shall apply:

A. Services. The Services contemplated by this Section 20 include (i) services currently known as FX Trading and the foreign exchange functionality provided on Passport (formerly TradeXL) both accessible through Morgan Stanley's Client Link and (ii) any other foreign exchange service as may be offered to You by Morgan Stanley directly or through third parties, each of which shall be deemed a Vendor for purposes of this Schedule.

(a) Client Link. In connection with your use of Morgan Stanley's Client Link, Section 4, entitled "Placement of Orders; Objections", and Section 8, entitled "E-mail, Chat and Instant Messaging", of this Schedule are qualified by the following terms:

(i) For purposes of Section 4(a), FX Trading will only accept market orders as "Orders"; the foreign exchange functionality on Passport will accept market orders, requests for quotes, and dealable quotes as "Orders". We reserve the right to change the parameters established for foreign exchange dealable quotes provided on Passport at any time and without notice to you.

(ii) In the event of any inconsistency with respect to the terms of an Electronic Transaction between either a Notice of Execution or daily reports of Electronic Transactions accessible through Client Link and a confirmation, the terms of the confirmation for the relevant Electronic Transaction shall prevail.

(iii) Notwithstanding the provisions set forth in Section 4(d), You may not cancel any Orders that you submit through Morgan Stanley Client Link. Morgan Stanley Client Link does not accept on-line cancellation requests.

(iv) For purposes of Section 4(e), You will be able to access through Morgan Stanley Client Link daily reports of all Electronic Transactions executed prior to the close of business on each business day on which You execute Electronic Transactions through such Service. You shall be deemed to have accepted the terms of all such Electronic Transactions unless You object to them by contacting Morgan Stanley by telephone by the close of trading on such business day.

(v) Notwithstanding the terms of Section 8, Morgan Stanley may agree in advance to accept Orders from You that are sent to Morgan Stanley by e-mail or instant messaging. With respect to any Orders submitted to Morgan Stanley by e-mail or instant messaging, You agree to accept all risk related to the possibility that Your Order may be delayed, corrupted, or otherwise fail to reach Morgan Stanley in a timely manner in the form in which it was transmitted by You. In addition, You acknowledge that Morgan Stanley will act upon Orders that we receive from You by e-mail or instant messaging only after such Orders have been reviewed and approved by an authorised person of Morgan Stanley, who shall then, subject to the instructions contained in Your message, submit the trade for execution. You further acknowledge that Orders received by e-mail or instant messaging are subject to the rules contained in Section 4 of this Schedule, including our ability to cancel such Orders in whole or in part for any reason.

(b) Third Party Foreign Exchange Services. Section 4, entitled “Placement of Orders; Objections”, shall be qualified in its entirety by the terms of any user guide and/or product information governing the use of a third party foreign exchange service, which terms shall govern Your use of such third party service to transact with Morgan Stanley to the extent that such terms may conflict with the provisions set forth in this Schedule. In the event that the terms of this Schedule that govern what rights Morgan Stanley may assert in connection with Your use of any third party foreign exchange service are inconsistent with any third party beneficiary terms contained in the customer or user agreement that You have executed directly with a Vendor governing Your use of such third party service, the terms of this Schedule shall prevail.

B. Scope of Use. You shall be permitted to use the Services to enter into foreign exchange transactions with Morgan Stanley, and to access any information and content that Morgan Stanley and/or any Vendor may provide on, through or in connection with the relevant Services (“Service Data”).

C. Service Fees. There are currently no service fees payable by You to Morgan Stanley for use of the Services.

D. Additional Software Provided. Morgan Stanley is not providing you with any additional software in order to use the Services.

SCHEDULE II – TERMS RELATING TO EXCHANGE-TRADED DERIVATIVES

The terms in this Schedule (consisting of Parts A, B, C, D and E) will apply if the Client trades exchange-traded derivatives with or through Morgan Stanley. Any capitalised term used in this Schedule and not otherwise defined shall have the meaning given to it in the Agreement.

PART A – DEALING

1. SERVICES

1.1 The services covered by this Schedule are dealing and clearing services in financial and commodity options, futures and contracts for differences traded on or under the Rules of an Exchange.

Morgan Stanley

2. BASIS OF DEALING

2.1 Some futures and options Exchanges only allow dealings between members of the Exchange. If Morgan Stanley is not a member of a particular Exchange, Morgan Stanley will need to use an intermediate broker who is a member to execute a Transaction for the Client on that Exchange.

2.2 Many futures and options Exchanges require members to deal with each other as principal. Morgan Stanley will always deal as principal on an Exchange or with an intermediate Broker, unless the Rules of the Exchange actually require Morgan Stanley to trade as the Client's agent. This means that to give the Client the benefit of the contract Morgan Stanley have entered into on Exchange or with an intermediate Broker (the "**Exchange Contract**") Morgan Stanley will enter into a contract with the Client which is identical in all respects with the Exchange Contract except that it will be between the Client and Morgan Stanley (the "**Client Contract**").

2.3 Accordingly, when Morgan Stanley carries out a Transaction for the Client, Morgan Stanley will make or place an Exchange Contract on the floor of the relevant market (by open outcry on the floor of, or on an automated trading system administered by, a futures and options Exchange) or with or through an intermediate Broker, and an equivalent Client Contract will come into existence. The Client and Morgan Stanley will have equivalent rights and obligations under the Client Contract that Morgan Stanley and Morgan Stanley's counterparty have under the Exchange Contract.

2.4 Where permitted by the Rules Morgan Stanley may take the opposite side of a client order or otherwise enter into cross trades with or for the Client.

3. CLIENT INSTRUCTIONS AND ACTIONS

3.1 At maturity delivery obligations will (or, in the case of an option, will if it is exercised) arise. Frequently those trading for investment purposes will not wish to make or receive delivery of the underlying Investment or asset but prefer to take any profit or loss in cash, which can be achieved by closing out the contract. Subject to the requirements of the Agreement, the Rules and any further requirements Morgan Stanley notifies to the Client, the Client may at any time before the time for performance of a Client Contract request Morgan Stanley to close out the corresponding Exchange Contract or, if a purchased option, to exercise that option. If the closing out of the Exchange Contract results in a sum of money being due to the Exchange, Clearing House or Broker by Morgan Stanley, Morgan Stanley will notify the Client of that amount which will be immediately payable by the Client to Morgan Stanley under the corresponding Client Contract.

3.2 To enable Morgan Stanley to settle, deliver or, in the case of options, exercise or allocate an Exchange Contract the Client will give Morgan Stanley such instructions and take such action as Morgan Stanley reasonably requires. So that Morgan Stanley can communicate such instructions to the relevant Exchange, Clearing House or Broker, or take any other action that is necessary to effect such instructions, the Client must give Morgan Stanley the Client's instructions within any time limit Morgan Stanley notifies to the Client.

3.3 If the Client fails to give Morgan Stanley any instructions or to take any actions that Morgan Stanley has required pursuant to paragraph 3.2 of this Schedule, Morgan Stanley may: (i) close out any relevant open positions; (ii) make or receive delivery of any underlying Investment or asset; and (iii) take action to cover, reduce or eliminate any potential losses or liabilities in respect of the relevant Exchange Contract, on such terms and in such manner as Morgan Stanley, in acting in a commercially reasonable manner, deems necessary or appropriate. For the avoidance of doubt Morgan Stanley shall not be under any obligation to exercise rights under this paragraph 3.3.

3.4 The Client must decide whether or not to exercise any option. Morgan Stanley will not be responsible to the Client for the consequences of failing to exercise an option if Morgan Stanley does not receive sufficiently clear and timely instructions from the Client in relation to the exercise of such option.

4. ALLOCATION

4.1 If the relevant Exchange, Clearing House or Broker does not allocate Exchange Contracts at maturity directly to a specific account Morgan Stanley may allocate those Exchange Contracts at random or, exercising Morgan Stanley's commercially reasonable discretion, in a way that is equitable as between clients. If dealings on Morgan Stanley's own account are involved at the same time, then Morgan Stanley will allocate such Exchange Contracts to all of Morgan Stanley's clients first and Morgan Stanley will receive no allocation until all relevant Client Contracts have been satisfied.

5. DELIVERY TO THE CLIENT

5.1 Subject to the terms of the Agreement and provided that the Client has fulfilled all of the Client's obligations under the Agreement, when Morgan Stanley receives any sums and/or Investments or other assets under an Exchange Contract Morgan Stanley will pay such sums and/or deliver such Investments or other assets to the Client under the corresponding Client Contract after deduction of any Taxes or other charges.

6. ALTERATION OF CONTRACTS

6.1 If the relevant Exchange, Clearing House or Broker requires any terms or conditions of an Exchange Contract to be altered, Morgan Stanley may take such actions as Morgan Stanley, in Morgan Stanley's commercially reasonable discretion, consider necessary or desirable to comply with such requirements or to avoid or mitigate loss resulting from such alteration. All actions taken by Morgan Stanley will be binding on the Client, and the Client agrees that any alteration will be deemed to be incorporated into the corresponding Client Contract. Morgan Stanley will notify the Client of any alteration (in advance, where this is reasonably practicable).

Morgan Stanley

7. MARKET INTERVENTION

7.1 Exchange and Clearing House Rules contain broad powers in the event of the default of a member or other adverse situation which may, for example, involve the Exchange or Clearing House exercising rights of set-off, closing out, ceasing to recognise or refusing to clear any contract (including an Exchange Contract). The Client agrees that if an Exchange or Clearing House exercises its powers Morgan Stanley may take such action with respect to any affected Exchange Contracts and related Client Contracts as Morgan Stanley, in its commercially reasonable discretion, considers necessary or desirable and any such action will be binding on the Client. Morgan Stanley will not be liable to the Client in respect of any relevant Client Contract to the extent that a corresponding Exchange Contract is affected by the exercise of powers by an Exchange or Clearing House. This will not affect the Client's obligations and liabilities in respect of the relevant Client Contract.

8. MARGIN

8.1 The Client will pay or deliver Margin in accordance with the terms of the Agreement.

8.2 Where Cash is transferred to the Client's Listed Derivatives Account ("Cash Margin") in accordance with paragraph A.4.2 of the Agreement, such Cash Margin shall be treated by MSI plc as client money (as defined in the Client Money Rules). Among other things, this requires MSI plc to hold client money in an account at an approved bank or in a qualifying money market fund (as defined in the Client Money Rules). For the avoidance of doubt, any money that is transferred to MSI plc on a title transfer basis under the terms of this Agreement is not client money as defined by the Client Money Rules.

Cash treated by MSI plc as client money will be held in an account at an approved bank or unless the Client notifies MSI plc otherwise in writing may be placed by MSI plc in a qualifying money market fund. If MSI plc provides custody of units in such qualifying money market funds MSI plc will do so in accordance with the FCA's custody rules and not in accordance with the Client Money Rules and accordingly MSI plc shall not be liable for any restriction on redemption or diminution in value of such units in a qualifying money market fund.

MSI plc may also allow another third party (for example, an exchange, market, intermediate broker, OTC counterparty or clearing house) to hold or control client money in order to effect one or more Transactions through or with that person or to satisfy the Client's obligation to provide collateral in respect of a Transaction. MSI plc has no responsibility for any acts or omissions of any third party to whom it passes money received from the Client. The third party to whom MSI plc passes money may hold it in an omnibus account and it may not be possible to separate such money from MSI plc's money, or the third party's money. The Client agrees and acknowledges that where MSI plc allows a third party to hold or control client money, this may involve a transfer of full ownership of the money to that third party, in which case the Client will no longer have a proprietary claim to such money and the transferee may deal with it in its own right. In the event of insolvency or other analogous proceedings in relation to that third party, MSI plc will only have an unsecured claim against the third party on behalf of the Client and MSI plc's other clients, and the Client will be exposed to the risk that the money received by MSI plc from the third party is insufficient to satisfy the claims of the Client and all other clients with claims in respect of the relevant account.

MSI plc may pass client money to a person who is located outside the United Kingdom. In such circumstances the legal and regulatory regime applying to the bank, intermediate broker, settlement agent or OTC counterparty will be different from that of the United Kingdom and, in the event of failure of the bank, intermediate broker, settlement agent or OTC counterparty, this money may be treated in a different manner from that which would apply if the money was held by a bank, intermediate broker, settlement agent or OTC counterparty in the United Kingdom. Where this is necessary to provide the services you have requested under this Agreement, the Client requests MSI plc to deposit its client money with such third parties.

MSI plc may pass client money to an exchange or clearing house, inside or outside the United Kingdom. Certain exchanges or clearing houses may not acknowledge the notice which MSI plc is required to serve on them which confirms that they have no right of set-off or counterclaim between MSI plc's client accounts and any other accounts that MSI plc may maintain with them. In such circumstances the Client's money might not be protected as effectively where an acknowledgement is provided.

MSI plc is required to limit the client money that it deposits or holds with relevant group entities (as defined in the FCA Rules) so that those funds do not at any point in time exceed 20 per cent of the balance on (1) all of MSI plc's general client bank accounts (as defined in the FCA Rules) considered in aggregate; (2) each of its designated client bank accounts (as defined in the FCA Rules); and (3) each of its designated client fund accounts (as defined in the FCA Rules).

Where MSI plc agrees to effect transactions, in a jurisdiction outside the United Kingdom, then it may need to appoint a settlement agent to undertake those transactions. In order to meet the settlement obligations to the relevant Exchange or Clearing House, MSI plc will need to pass the Client's money or Investments to a settlement agent in that jurisdiction. In that event the Client's money might not be protected as effectively when held by such a settlement agent as if it were held in a client bank account in the United Kingdom. The Client should note that in the event of a shortfall arising on the money available to meet the claims of segregated clients the Client's claim will be restricted to the money held in MSI plc's client bank accounts in respect of transactions carried on through that settlement agent and to any money received from the settlement agent relating to those transactions.

Morgan Stanley

The Client agrees that MSI plc may, in its sole discretion, decide to pay away to a registered charity of MSI plc's choice any money that MSI plc holds for you as client money and, accordingly, release it from its client bank account(s) and cease to treat the Client's money as client money if there has been no movement in the Client's balance for a period of six years (notwithstanding any payments or receipts of charges, interest or similar items) and MSI plc has been unable to contact the Client having taken reasonable steps in accordance with the Client Money Rules to trace the Client and return the money. MSI plc undertakes to make good any valid claim against released balances.

9. MORGAN STANLEY'S POWERS

9.1 Without prejudice to Morgan Stanley's rights under the Agreement, following an Event of Default Morgan Stanley may (with prior notice to the Client if this is practicable) take such steps as Morgan Stanley, in its absolute discretion, consider necessary or desirable to comply with, perform or cancel any of Morgan Stanley's obligations to the relevant Exchange, Clearing House or Broker in respect of any Exchange Contract, including:

- (a) buying or selling the Investment or asset underlying the Exchange Contract;
- (b) buying or selling futures or options contracts;
- (c) opening new long or short positions in order to establish a spread or straddle;
- (d) applying any Margin;
- (e) cancelling, terminating or otherwise liquidating any Transaction; and/or
- (f) setting off any obligation of Morgan Stanley's against an obligation of the Client's.

Any amounts that Morgan Stanley incurs in exercising rights under this paragraph 9 will be immediately due by the Client to Morgan Stanley and Morgan Stanley may apply any Margin, including realising Margin, in satisfaction of the Client's liability.

9.2 Morgan Stanley may convert any funds realised under this paragraph 9 at such rate and into such currencies as Morgan Stanley may reasonably consider appropriate.

9.3 The Client agrees that following an Event of Default Morgan Stanley will not be obliged to deliver to the Client under any Client Contract the underlying Investment or asset or any money received or receivable on closing out until the Client have satisfied or discharged all of the Client's liabilities to Morgan Stanley under the Agreement.

10. TERMINATION

10.1 Termination of the Agreement will be without prejudice to our rights to Margin and the relevant terms of the Agreement will continue to apply until all Exchange Contracts and matching Client Contracts have been closed out, settled or delivery effected and all liabilities in respect of such contracts discharged.

11. REPRESENTATIONS

The Client represents, warrants and undertakes that:

- (a) any orders or instructions given by it to MSI plc in respect of exchange traded derivatives transactions pursuant to this Agreement will represent speculative transactions as defined in the CFTC Rule 1.3(z); and
- (b) if the Client is domiciled in the United States of America the Client shall only enter into non-US futures transactions and non-US CFTC approved listed options with MSI plc pursuant to this Agreement.

The representations and warranties contained in this clause 11 shall be deemed to be repeated each time an order or instruction is given by the Client under this Agreement.

The Futures and Options Association is an industry association. It publishes the following form of Master Netting Agreement which provides for the close-out and netting of the parties’ obligations under exchange-traded derivatives contracts.

IT IS HEREBY AGREED AS FOLLOWS:

1. Scope of this Agreement

- 1.1** Unless otherwise agreed in writing by the Parties in Annex 1 of this MNA or otherwise and subject to the next sentence, this MNA and the particular terms agreed by the Parties govern each Transaction (as defined in Annex 1 of this MNA) entered into or outstanding between any two Designated Offices of the Parties on or after the date of execution of this MNA. In the case of Transactions within paragraph (i), (ii), (iii) or (iv) of the definition of “Transaction” in clause 13 of this MNA, this MNA governs only those Transactions where the Exchange mentioned in such definition is a Specified Exchange.
- 1.2** This MNA, the particular terms of, and applicable to, each and every Transaction governed by this MNA, the annexes to this MNA and all amendments to any of such items shall together constitute a single agreement between the Parties. The Parties acknowledge that all Transactions governed by this MNA, which are entered into on or after the date of execution of this MNA, are entered into in reliance upon the fact that all such items constitute a single agreement between the Parties.
- 1.3** All defined terms in this MNA shall have the meaning given to them in Clause 13 of this MNA.

2. Settlement and Exchange of Clearing Organisation Rules

- 2.1** Unless a Liquidation Date has occurred or has been effectively set, a Party shall not be obliged to make any payment or delivery scheduled to be made by that Party under a Transaction governed by this MNA for so long as an Event of Default or Potential Event of Default with respect to the other Party has occurred and is continuing.
- 2.2** Unless otherwise agreed in writing by the Parties, if the Parties enter into any Transaction governed by this MNA to close out any existing Transaction between the Parties then their obligations under such Transactions shall automatically and immediately be terminated upon entering into the second Transaction, except for any settlement payment due from one Party to the other in respect of such closed-out Transactions.
- 2.3** This MNA shall not be applicable to any Transaction to the extent that action which conflicts with or overrides the provisions of this agreement has been started in relation to that Transaction by a relevant Exchange or clearing organisation under applicable rules or laws and is continuing.

3. Representations, Warranties and Covenants

- 3.1** Each Party represents and warrants to the other Party as of the date of execution of this MNA and, in the case of the representation and warranty in (v) of this Clause 3.1 of MNA relating to the entering into of Transactions, as of the date of entering into each Transaction governed by this MNA that: (i) it has authority to enter into this agreement; (ii) the person entering into the agreement on its behalf has been duly authorised to do so; (iii) this agreement and the obligations created under this agreement are binding upon it and enforceable against it in accordance with their terms (subject to applicable principles of equity) and do not and will not violate the terms of any agreements to which such Party is bound; (iv) no Event of Default or Potential Event of Default has occurred and is continuing

Morgan Stanley

with respect to it; and (v) it acts as principal and sole beneficial owner (and not as trustee) in entering into this MNA and each and every Transaction governed by this MNA.

4 Termination and Liquidation

4.1 If, at any time:

- (i) a Party fails to make any payment when due under or to make or take delivery of any property when due under, or to observe or perform any other provision of, this MNA (including any Transaction governed by this MNA) and such failure continues for two business days after notice of non-performance has been given by the other Party to the defaulting Party;
- (ii) a Party commences a voluntary case or other procedure seeking or proposing liquidation, reorganisation, an arrangement or composition, a freeze or moratorium, or other similar relief with respect to itself or to its debts under any bankruptcy, insolvency, regulatory, supervisory or similar law (including any corporate or other law with potential application to an insolvent Party), or seeking the appointment of a trustee, receiver, liquidator, conservator, administrator, custodian, examiner or other similar official (each a "Custodian") of it or any part of its assets; or takes any corporate action to authorise any of the foregoing; and, in the case of a reorganisation, arrangement or composition, the other Party does not consent to the proposals;
- (iii) an involuntary case or other procedure is commenced against a Party seeking or proposing liquidation, reorganisation, an arrangement or composition, a freeze or moratorium, or other similar relief with respect to it or its debts under any bankruptcy, insolvency, regulatory, supervisory or similar law (including any corporate or other law with potential application to an insolvent Party) or seeking the appointment of a Custodian of it or any part of its assets and such involuntary case or other procedure either (a) has not been dismissed within five days of its institution or presentation or (b) has been dismissed within such period but solely on the grounds of an insufficiency of assets to cover the costs of such case or other procedure;

- (ix) any event of default (however described) occurs under any terms of business in place between the Parties or any other event specified for these purposes in Annex 1 of this MNA or otherwise occurs,

THEN the other Party (the “**Non-Defaulting Party**”) may exercise its rights under Clause 4.2 of MNA, except that, if so agreed in writing by the Parties (whether by specifying as such in Annex 1 hereto or otherwise), in the case of the occurrence of any Event of Default specified in paragraph (ii) or (iii) above the provisions of Clause 4.3 of MNA shall apply.

- 4.2 Subject to Clause 4.3 of this MNA, at any time following the occurrence of an Event of Default, the Non-Defaulting Party may, by notice to the Defaulting Party, specify a Liquidation Date for the termination and liquidation of Transactions in accordance with the provisions of Clause 4.4 of this MNA.
- 4.3 If the Parties have so agreed, the date of the occurrence of any Event of Default specified in paragraph (ii) or (iii) of Clause 4.1 of this MNA shall automatically constitute a Liquidation Date, without the need for any notice by either Party and to the intent that the provisions of Clause 4.4 of this MNA shall then apply.
- 4.4 Upon the occurrence of a Liquidation Date:
 - (i) neither Party shall be obliged to make any further payments or deliveries under any Transactions governed by this MNA which would, but for this Clause, have fallen due for performance on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount;
 - (ii) the Non-Defaulting Party shall (on, or as soon as reasonably practicable after, the Liquidation Date) determine (discounting if appropriate), in respect of each Transaction governed by this MNA, its total cost, loss or, as the case may be, gain, in each case expressed in the Non-Defaulting Party’s Base Currency (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position), as a result of the termination, pursuant to this MNA, of each payment or delivery which would otherwise have been required to be made under such Transaction (assuming satisfaction of each applicable condition precedent and having due regard to, if appropriate, such market quotations published on, or official settlement prices set by, a relevant Exchange or clearing organisation as may be available on, or immediately preceding, the date of calculation); and
 - (iii) the Non-Defaulting Party shall treat each cost or loss to it, determined as above, as a positive amount and each gain by it, so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Non-Defaulting Party’s Base Currency (the “**Liquidation Amount**”).
- 4.5 If the Liquidation Amount determined pursuant to Clause 4.4 of this MNA is a positive amount, the Defaulting Party shall pay it to the Non-Defaulting Party and if it is a negative amount, the Non-Defaulting Party shall pay it to the Defaulting Party. The Non-Defaulting Party shall notify the Defaulting Party of the Liquidation Amount, and by which Party it is payable, immediately after the calculation of such amount.
- 4.6 Unless the Parties specify otherwise in Annex 1 of this MNA or otherwise, where termination and liquidation occurs in accordance with Clause 4.4 of this MNA, the Non-Defaulting Party shall also be entitled, at its discretion, to apply the provisions of Clause 4.4 to any other Transactions entered into between the Parties which are then outstanding, as if each such Transaction were a Transaction governed by this MNA.
- 4.7 The amount payable by one Party to the other Party pursuant to the provisions of Clause 4.5 of this MNA, or any applicable laws or regulations, shall be paid in the Non-Defaulting Party’s Base Currency by the close of business on the business day following the completion of the termination and liquidation under Clause 4.4 of this MNA, or any laws or regulations having a similar effect, (converted as required by applicable law into any other currency, any costs of such conversion to be borne by, and (if applicable) deducted from any payment to, the Defaulting Party). Any such amount which is not paid on the due date therefore shall bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11.00 a.m. (London time) (or, if no such rate is available, at such reasonable rate as the Non-Defaulting Party may select) plus 1% per annum, for each day for which such amount remains unpaid.
- 4.8 For the purpose of any calculation hereunder, the Non-Defaulting Party may convert amounts denominated in any other currency into the Non-Defaulting Party’s Base Currency at such rate prevailing at the time of the calculation as it shall reasonably select.
- 4.9 The Non-Defaulting Party’s rights under this Clause 4 of this MNA shall be in addition to, and not in limitation or exclusion of, any other rights which the Non-Defaulting Party may have (whether by agreement, operation of law or otherwise).

5 Set-Off

Without prejudice to any other right or remedy which it may have, either Party may, on or after the occurrence of a Liquidation Date and the determination of the Liquidation Amount, set off any amount owing by it (whether actual or contingent, present or future and including, if applicable and with out limitation, the Liquidation Amount and any amount due and payable on or before the Liquidation Date but remaining unpaid) to the other Party against any amount owing by such other Party (whether actual or contingent, present or future and including, if applicable and without limitation, the Liquidation Amount and any amount due and payable before the Liquidation Date but remaining unpaid) to the first Party.

6 Currency Indemnity

If a Party (the first Party) receives or recovers any amount in respect of an obligation of the other Party (the second Party) in a currency other than that in which such amount was payable, whether pursuant to a judgement of any court or otherwise, the second Party shall indemnify and hold harmless the first Party from and against any cost (including costs of conversion) and loss suffered by the first Party as a result of receiving such amount in a currency other than the currency in which it was due.

7. Assignments and Transfers

Neither Party may assign, charge or otherwise transfer or purport to assign, charge or otherwise transfer its rights or obligations under this agreement (including the Transactions governed by this MNA) or any interest therein without the prior written consent of the other Party, and any purported assignment, charge or transfer in violation of this Clause shall be void.

8. Notices

Unless otherwise specified, any notice, instruction or other communication given in accordance with this Clause shall be effective upon receipt.

9. Termination, Waiver and Partial Invalidity

9.1 Either of the Parties hereto may terminate this agreement at any time by seven days' prior notice to the other Party and termination shall be effective at the end of such seventh day; provided, however, that any such termination shall not affect any then outstanding Transactions governed by this MNA, and the provisions of this agreement shall continue to apply until all the obligations of each Party to the other under this MNA (including the Transactions governed by this MNA) have been fully performed.

9.2 A Party may waive any right, power or privilege under this MNA only by (and to the extent of) an express statement in writing.

9.3 If, at any time, any provision of this MNA is or becomes illegal, invalid or unenforceable in any respect under the law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions of this MNA nor the legality, validity or enforceability of such provision under the law of any other jurisdiction shall in any way be affected or impaired thereby.

10. Time of Essence

Time shall be of the essence in this MNA.

11. Payments

12.1 These terms and any non-contractual obligations relating thereto shall be governed by, and construed in accordance with, the laws of England and Wales.

12.2 With respect to any Proceedings, each Party irrevocably (i) agrees that the courts of England shall have exclusive jurisdiction to determine any Proceedings and irrevocably submits to the jurisdiction of the English courts and (ii) waives any objection which it may have at any time to the bringing of any Proceedings in any such court and

Morgan Stanley

agrees not to claim that such Proceedings have been brought in an inconvenient forum or that such court does not have jurisdiction over such Party.

- 12.3** Each Party irrevocably waives to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar ground from (i) suit, (ii) jurisdiction of any courts, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgement) and (v) execution or enforcement of any judgement to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees to the extent permitted by applicable law that it will not claim any such immunity in any Proceedings. Each Party consents generally in respect of any Proceedings to the giving of any relief or the issue of any process in connection with such Proceedings, including, without limitation, the making, enforcement or execution against any property whatsoever of any order or judgement which may be made or given in such Proceedings.

Pursuant to the exclusion of liability provisions contained in the LIFFE Rules, as amended from time to time by General Notice, the Client understand that business on the LIFFE market (the “**LIFFE Exchange**”) operated by LIFFE Administration and Management (“**LIFFE**”) may from time to time be suspended, restricted or closed for such period as may be determined in the interests of maintaining a fair and orderly market in accordance with the Rules of LIFFE. Furthermore, failures or malfunction of LIFFE communications or equipment, market facilities or the ATS central processing system, or software provided by LIFFE may result in Morgan Stanley being hindered in or prevented from entering into contracts in the terms of Exchange Contracts, or may result in errors in orders or in contracts in the terms of Exchange Contracts. Morgan Stanley and LIFFE wish to draw the following exclusion of liability to the Client’s attention:

Unless otherwise expressly provided in the Rules of LIFFE or in any other agreement to which LIFFE is party, Morgan Stanley and LIFFE shall not be liable to the Client for any loss, damage, injury or delay, whether direct or indirect, arising from any of the circumstances described above or any failure of some or all market facilities or from any act or omission of LIFFE, its officers, employees, agents or representatives under the Rules of LIFFE or pursuant to the LIFFE’s obligations under statute or from any breach of contract by or any negligence howsoever arising of LIFFE, its officers, employees, agents or representatives.

LIFFE's Block Trade Facility (Summary of LIFFE General Notice 1384)

10. BLOCK TRADE FACILITY

The Client represents and warrants to Morgan Stanley that the Client fully understand the Block Trading Facility and its implications, issued under cover of LIFFE General Notice 1384 and amended from time to time. On the basis of this representation and warranty and the information which Morgan Stanley have about the Client's expertise and knowledge, Morgan Stanley hereby give the Client notice that Morgan Stanley shall treat the Client as a Wholesale Client (as defined in the Block Trade Trading Procedures) and that Morgan Stanley may conduct Block Trades on the Client's behalf using LIFFE's Block Trading Facility.

- The Block Trade Facility (the "Facility") was introduced by LIFFE to enable LIFFE members and their clients to arrange business of significant size alongside the LIFFE CONNECT™ central order book, at a price consistent with fair

Morgan Stanley

market value for a transaction of that nature, and submit such business to the LIFFE Exchange via LIFFE CONNECT for authorisation during the normal trading hours of the contract concerned. LIFFE will designate those contracts eligible for execution as Block Trades from time to time and will prescribe minimum volume thresholds for each, which are subject to change from time to time by LIFFE General Notice.

- LIFFE members must ensure that any Block Trade price quoted satisfies fair market value principles.
- LIFFE will require justification of any trades negotiated at apparently abnormal levels and will reserve the right to refuse to register any such trades. LCH reserves the right to make an additional intra-day margin call in respect of any Block Trade submitted for registration.
- There are no restrictions upon members entering into Block Trades (provided that the member seeking to register the trade has the requisite trading right). However, only Wholesale Clients (i.e. those with sufficient knowledge, expertise and understanding of the implications of the Facility) will be able to participate. Before a non-member may participate, the member is required to satisfy himself that the client meets these criteria and to notify the client in writing, in advance, that he is to be treated as a Wholesale Client. Following authorisation, the Block Trade will be published on LIFFE CONNECT™ and via Quote Vendors.

PART D - A GUIDE TO THE STRUCTURE AND MARKET TERMINOLOGY OF THE LONDON METAL EXCHANGE

Introduction and Purpose

This section is designed to provide clients trading on the London Metal Exchange (“**LME**”) with an overview of the structure of the LME, market terminology, and a guide to how its members execute orders. It is not a comprehensive trading guide, nor a complete guide to market terminology. Clients should always ensure that their requirements are explained in detail to the member responsible for order execution.

The LME

Principal Nature

There are two types of contracts traded on the LME - Exchange Contracts and Client Contracts. Exchange Contracts are contracts between clearing members of the LME. Client Contracts are contracts between clients and ring dealing members (“**RDM**”), or associate broker clearing members (“**ABCM**”), or associate broker members (“**ABM**”)¹. Only RDMs, ABCMs and ABMs may issue Client Contracts. Statements that they issue to clients must state clearly ‘**THIS IS AN LME REGISTERED CLIENT CONTRACT**’. Contract criteria pertaining to LME contracts, including metal/plastics

¹ For the purposes of this notice these categories of members will be referred to as LME members, members or by the appropriate abbreviation.

Morgan Stanley

specifications, acceptable currencies, prompt dates, option strike prices for metals etc are detailed in the LME rulebook and appropriate notices.

Exchange Contracts are traded between members, **matched** in the LME matching and clearing system (“**LMEMS**”) and margined by LCH.Clearnet (“**LCH**”). Client Contracts are **registered** at the LCH but margining arrangements are left to members to agree with their customers (subject to LME rules).

All LME contracts are between parties acting as principals. This prevents any party entering into an LME Contract as agent for someone else but does not prevent an agent effecting a contract between two parties if the resulting LME contract is between disclosed parties, each acting as a principal. It is an essential requirement of an LME Client Contract that one party must be an RDM, ABCM or ABM. MSI plc is an ABCM. A list of members is available from the LME and on the LME website: www.lme.com. A principal relationship does not mean that members do not take on quasi-fiduciary responsibilities when they effect trades for customers. In particular, if a member undertakes to deliver a particular service, for example deal a specific number of lots ‘in the Ring’ (see below), then it should take care to ensure that it complies with all the terms of such a transaction.

In respect of Exchange Contracts, an LME broker buying metal or plastic under an Exchange Contract from another LME broker cannot do so as agent for his client. Where an LME broker buys metal or plastic under an Exchange Contract with a view to selling that metal or plastic to his client, this is achieved by entering into a back-to-back Client Contract with the client. Brokers and customers can agree the conditions that apply to their Client Contracts. For example, a client may make it a condition of his Client Contract that the broker must enter into a back-to-back Exchange Contract for the metal or plastic being bought or sold. This does not make the client a party to the Exchange Contract but does create additional duties and obligations owed by the broker under the Client Contract.

Clients should be clear about conditions that apply to their Client Contracts and about the obligations and duties that the broker owes as a result of those conditions.

Brokers should be clear about the duties and obligations they owe as a result of conditions attaching to their Client Contracts. They should also be clear about the duties they owe to their clients under the FCA’s conduct of business rules.

Dual Capacity

LME members may act both in the capacity of market maker and broker. They may act in a particular manner depending on a number of circumstances, including the size of the order, the liquidity of the market at the time the order was placed, and, not least, the client’s instructions. Client orders may be filled directly from a member’s ‘book’ or following the purchase/sale of metal or plastic in the LME market. Furthermore, client orders may be offset, amalgamated, broken-up or netted for execution. These methodologies apply equally to orders whether any resulting exchange contract is effected in the ring, in the inter-office market, or on LME Select.

Clients with specific order requirements must make these known to the member at the time the order is placed. Clients wishing to know how their order was executed should request such information from the member.

Trading on the LME

Trading takes place on the LME by open outcry in the rings and kerbs, between members in the inter-office, and over the Exchange’s electronic trading system LME Select.

Open Outcry

Historically, during ring and kerb sessions, the majority of client business reflects prices traded in the open outcry sessions. Clients can follow the market activity by monitoring quoted and traded prices disseminated via the LME market data system (MDS), or by listening to the simultaneous floor commentary provided by member(s). The MDS publishes prices traded during ring and kerb times on price vendor information services such as Reuters.

Members can continue to ‘make a market’ on request to a client whilst the ring and kerb sessions are in operation, although this is entirely at the member’s discretion. Alternatively, the client can decide whether to place an order using the ‘order styles’ mentioned below.

Inter-office

Inter-office trading is conducted between members by telephone or by electronic means. On contacting an LME member for a quote, clients will usually be provided with the member’s current bid and offer. The client may trade on this quote, or call another member in an attempt to improve the quote, or wait and monitor prices on the LME market data system, or leave an order with a member. If an order cannot be filled from the member’s book, it may be executed via a back-to-back Exchange Contract agreed via a telephone deal with another member or executed via an electronic trading system.

LME Select

Morgan Stanley

LME Select allows members to trade LME futures Contracts in metals and plastics, traded options and Traded Average Price Option contracts (TAPOs), and an index future and option. MSI plc also offers an order routing facility to clients via an Application Protocol Interface (API) which allows them to view Select prices, execute trades, and place resting orders. All trading on LME Select is in US dollars.

LME Select replaces neither inter-office trading nor trading in the ring. Depending on the time of day, it is possible for members to deal by telephone or electronically in the inter-office market, by LME Select, or in the rings. Clients should specify which mechanism their broker should use to effect an order, where they have a preference.

Firm prices of the best bid and offer available on LME Select, the total volumes available at these prices, and the price and volume of each trade transacted are distributed to and displayed in real time by information vendors. Only LME Select prices are displayed, not those of other third party electronic trading system providing LME prices. Only RDMs and ABCMs are eligible to become LME Select Participants and to have direct access to the system. Clients may effect back-to-back client contracts based upon prices available on LME Select, whether on the telephone or via electronic order-routing systems.

Order Styles

Ring

Client orders are not traded in the rings or kerbs, so an order using the term 'in/on/during the ring/kerb' will be executed on the basis of the prices traded/quoted during the particular session. If a client requires their order to be 'shown' or traded across the ring/kerb then they should make this requirement known to their executor, who may or may not accept this as a term of the order. The equivalent Exchange Contract for a client order may not replicate its terms. As the client is **not** a party to any Exchange Contracts i.e. those traded in open outcry between members in the ring/kerb sessions, in specifying ring/kerb, the client is merely identifying a pricing mechanism. A member which undertakes to match a price traded in the ring/kerb is not necessarily undertaking that it will trade during that ring/kerb, only that it may do so. However, a client may place an order with the specific request that the member trades an Exchange Contract replicating its order in the ring. In such circumstance the RDM can only trade this order by open outcry in the ring.

If a client trades at the prevailing market quote proffered in the ring/kerb, their executor is not necessarily obliged to effect an Exchange Contract at the same price. This can lead to situations where the client has traded at the prevailing market quote, without that same price trading in open outcry across the floor of the Exchange. However, if the instructions from the client are to achieve a specific price i.e. close of ring 2, then this is the price that should be given, if that specific order is accepted.

Market

In normal circumstances a market order is one executed on a timely basis at the prevailing market price. As mentioned above, at certain times of the business day, trading is taking place simultaneously in the ring or kerb, on LME Select, and in the inter-office market. Traditionally, when open outcry trading is in course, the market is defined by activity within the ring/kerb. At other times, the market is split between inter-office trading and trading on LME Select. During inter-office sessions, indicative quotes are available on the MDS and firm prices available on LME Select and the LME Select page on information vendors' systems. The indicative prices might not be available to all parties.

Best

Order styles on the LME using the word 'best' confer some discretion upon the members when executing the order, requiring them to use their 'best endeavours' on the client's behalf. The extent of the discretion is fixed by the terms of the order. This type of order is distinct from 'best execution' as defined by the FCA.

Best orders may be executed both in rings/kerbs, inter-office and on LME Select. Inter-office trades rely upon the members' skill in determining the level of the market at any particular time. Best orders received during ring/kerb times may not result in the client receiving the 'best' price achieved during the session if the price improves after the member has booked the metal or plastic intended to fill the order. At any given time, the best price on LME Select will be displayed on the system and by the information vendors. Clients should be aware that depending on market conditions, the best price may move during the period from when the order was placed and when it was executed.

Close

Most orders placed 'on the close' are for either the close of the second ring (official LME prices) or the second kerb (closing prices). Both these prices are demonstrable because of the publication of official and closing prices. Closing prices of other sessions are harder to determine, although the LME does also publish unofficial prices which are established at the close of the fourth ring. In all circumstances, clients and members need to agree the style of execution i.e. bid/ask, mean or traded price. Members may not always be able to guarantee execution (price or volume) due to prevailing market conditions. A closing price on LME Select is the last price traded before the system closes.

Morgan Stanley

Open

Clients placing orders to trade on the opening of a market session must provide clear instructions to the LME member which indicate how this order should be activated i.e. basis the opening bid/ask or basis the first trade in the session. Clients will also need to inform their executor of their requirements if the executor is unable to fill the order basis the 'opening' price in its entirety due to market constraints such as insufficient liquidity. Clients may place orders with members for LME Select that can be placed into the system for activation when the market opens.

Resting Orders

When placing resting orders such as 'good til cancelled' ('GTC', or any derivations thereof) or stop loss orders, clients should ensure that they are in agreement with their executor's definition of the 'trigger' point of the order. Usually, this is interpreted as being the point when the order price is seen to be trading in the market, but it is possible to request the order be activated when the order level is either bid or asked as appropriate, via the prevailing market quote. Stop loss orders become market orders when a trade, or a bid or an offer triggers the stop, with members then executing the order at the current market price.

It is possible for a client not to receive a 'fill' on a resting order despite the 'trigger' point being 'touched'. This could be due to a number of circumstances such as order priority, illiquidity, prevailing market conditions etc. Whatever the reason, the executor should be able to provide the client with a full explanation of why it was unable to fill the order.

Clients should be aware that resting orders might be activated during periods of illiquidity in the market. As previously mentioned this could result in the trade not being filled, or for 'stop' orders, a worse fill than anticipated ('slippage'). Clients should ensure the executor is fully aware of their requirements regarding the execution of an order, and adheres to any limitations, especially if the client is not in contact with the market/member when the trigger point is reached.

It is possible for clients to ask members to place resting orders in LME Select. Where the broker has an order routing system into Select, clients will be able place orders more directly. The system accepts GTC and Good for Day ("DAY") orders. DAY orders are automatically deleted from the system at close of trading.

Conclusion

The above order styles do not represent all possible methods of order execution on the LME. Members and clients should ensure that orders are communicated in meaningful terms that deliver the required execution in accordance with LME rules.

The Rules require Hong Kong licensed or registered persons to ascertain and record identifying details of the ultimate person(s) (*i.e.*, the beneficial owner(s)) for whom a transaction is processed (except as provided below) as well as the person(s) who give(s) instructions in relation to the transaction (these details together, the “**Client Information**”). Under the Rules, as Hong Kong licensed persons, **MSAL** and **MSS** are required to provide such Client Information to the Hong Kong Regulators within two business days of their request. **MSAL** and **MSS** are expected to have a system in place whereby the required information can be provided to the Hong Kong Regulators within the required time frame. In exceptional market circumstances, the information may have to be available very shortly after the request.

MSAL and **MSS** understand that if a Client acts for third parties as an agent, that Client might not wish to disclose such Client Information to **MSAL** or **MSS**. The Hong Kong Regulators have recognised this and have introduced a policy whereby **MSAL** and **MSS** can comply with the Rules if you agree to provide the Client Information to the Hong Kong Regulators directly.

In accordance with the Rules, counterparties who undertake transactions through the Morgan Stanley Companies in securities or futures contracts listed or traded on one of the Hong Kong exchanges, or in derivatives of such instruments, agree to conduct transactions on the following basis:

Where a Morgan Stanley Company agrees that a trade will be undertaken on a principal basis, Morgan Stanley may put capital at risk. With regard to trades where a guaranteed price has been agreed, each Morgan Stanley Company may realize a profit or loss on the principal transactions entered into to offset the risk of the guarantee and that gain or loss will be allocated to such Morgan Stanley Company’s account.

In order to efficiently and effectively achieve the Client’s trading objectives, unless the Client instructs otherwise, each Morgan Stanley Company may access internal sources of liquidity including, without limitation, crossing against any of the following: (i) client order flow, (ii) client facilitation or market making books, or (iii) a proprietary trading strategy. In these circumstances, such Morgan Stanley Companies may be trading as agent, principal or both agent and principal.

Morgan Stanley puts great emphasis on client order handling and endeavour to achieve the best available terms for clients in accordance with accepted client instructions. In certain circumstances, Morgan Stanley Companies may work orders alongside other client or internal orders, fairly allocating executions between orders. Wherever possible this will be discussed with the Client in advance, and where required, such Morgan Stanley Companies will obtain prior approval. Where a Morgan Stanley Company is engaged to execute client orders in international markets, such Morgan Stanley Companies may execute transactions through one or more of its foreign affiliates or through unaffiliated third parties. The foreign affiliate or unaffiliated third party may act in a principal or agency capacity. Further information regarding any charges levied by that foreign affiliate or third party will be provided upon written request.

5.6 Material Interests

Neither our prime brokerage relationship nor the services MSAL, MSS and each Morgan Stanley Company provide nor any other matter will give rise to any fiduciary or equitable duties which would prevent or hinder us or each Morgan Stanley Company, in transactions with or for the Client or in other services provided to the Client, acting as market maker/dealer or broker, principal or agent, doing business with or for you whether for our or its own account or between ourselves and/or with affiliates, connected customers, and/or other customers or investors, and generally acting as provided in this Notice.

MSAL, MSS and each Morgan Stanley Company are entitled to enter into any transaction for or with the Client or provide any service to the Client notwithstanding that any of MSAL, MSS or a Morgan Stanley Company has or may have a material interest in the transaction or any resulting transaction or a relationship which gives rise to a conflict of interest. However, in any such case we may in our absolute discretion decline to act.

Morgan Stanley

5.7 Agreement

In dealing or continuing to deal with MSAL, MSS or any Morgan Stanley company, the Client is taken to have agreed to, and undertakes on a continuing basis to comply with, the terms set out in this Schedule IV. The terms of this Schedule IV shall supplement and amend the agreement (to the extent inconsistent) and shall apply to all transactions effected through MSAL, MSS or with any Morgan Stanley Company.

5.8 Notice of Change

Morgan Stanley may rely on the accuracy and completeness of all information provided to any Morgan Stanley Company. The Client will notify Morgan Stanley from time to time of any material changes to the information provided by the Client to Morgan Stanley, including, but not limited to, investment objectives and financial situation.

6 **Position Limit and Large Open Position Reporting Requirements for Options and Futures Traded on the Hong Kong Exchanges**

The Hong Kong regulatory regime imposes position limit and reportable position requirements for stock options and futures contracts traded on the SEHK and on the HKFE.

These requirements are set out in the Hong Kong Securities and Futures (Contracts Limits and Reportable Positions) Rules (as amended) (the “**Hong Kong Rules**”) made by the SFC under the SFO. The Hong Kong Rules impose monitoring and reporting obligations with regard to large open positions. For the purposes of the Hong Kong Rules, a client is the person who is ultimately responsible for originating instructions the Client receives for transactions, i.e. the transaction originator.

Further guidance on the Hong Kong Rules and what they require is set out in the SFC’s Guidance Note on Position Limits and Large Open Position Reporting Requirements. Copies of the Hong Kong Rules and Guidance Note can be downloaded from the SFC’s website (www.sfc.hk).

Purpose of the Hong Kong Rules

The purpose of the Hong Kong Rules is to avoid potentially destabilizing market conditions arising from an over-concentration of futures/options positions accumulated by a single person or group of persons acting in concert, and to increase market transparency.

Some of the major requirements of the Hong Kong Rules and Guidance Note are summarised below. However, the Client should review the Hong Kong Rules and Guidance Note in their entirety, and consult with the Client’s legal counsel in order to ensure that the Client has a full understanding of the Client’s obligations in connection with trading in Hong Kong.

Please note that the Hong Kong Rules make the Client responsible for ensuring that the Client complies with the Hong Kong Rules. Section 8 of the Hong Kong Rules makes it a criminal offence not to comply with the Hong Kong Rules (subject to a maximum fine of HK\$100,000 and imprisonment for up to 2 years).

In 2004, the SFC investigated 6 breaches of the Hong Kong Rules, including a breach by a non-Hong Kong fund manager which was referred to the fund manager’s overseas regulator. It should be noted that the SFC has expressly stated that it is not sympathetic to claims by overseas persons that they are not aware of the Hong Kong restrictions, and that a failure to trade within the limits or make reports reflects badly on a firm’s internal control measures (which might itself lead to disciplinary action).

Position Limits

The Hong Kong Rules say that the Client may not hold or control futures contracts or stock options contracts in excess of the prescribed limit, unless the Client has obtained the prior authorisation of the Hong Kong regulators. For example, the prescribed limit for Hang Seng Index futures and options contracts and Mini-Hang Seng Index futures and options contracts is 10,000 long or short position delta limit for all contract months combined, provided the position delta for the Mini-Hang Seng Index futures contracts or Mini-Hang Seng Index options contracts shall not at any time exceed 2,000 long or short for all contract months combined. For many futures contracts and stock options contracts, the position limit is set at 5,000 contracts for any one contract/expiry month.

The prescribed limit for each contract traded on the Hong Kong exchanges is set out in the Hong Kong Rules.

Reportable Positions

Morgan Stanley

If the Client holds or controls an open position in futures contracts or stock options contracts in excess of the specified level, the Hong Kong Rules require the Client to report that position in writing to the relevant Hong Kong exchange (i) within one day (ignoring Hong Kong public holidays and Saturdays) of first holding or controlling that position, and (ii) on each succeeding day on which the Client continues to hold or control that position.

The specified reporting level for each contract traded on the Hong Kong exchanges is set out in the Hong Kong Rules. The report must state:

- (a) the number of contracts held or controlled in respect of the position in each relevant contract month; and
- (b) if the position is held or controlled for a client, the identity of the client, and the number of contracts held or controlled for such person in respect of the reportable position in each relevant contract month.

Scope of the Hong Kong Rules

The Client should note:

- (a) The prescribed limits and reportable position requirements apply to all positions held or controlled by any person, including positions in any account(s) that such person controls, whether directly or indirectly. The SFC takes the view that a person is regarded as having control of positions if, for example, the person is allowed to exercise discretion to trade or dispose of the positions independently without the day-to-day direction of the owner of the positions. (Section 4 of the Hong Kong Rules and Para. 2.6 of the Guidance Note).
- (b) If a person holds or controls positions in accounts at more than one intermediary, the Hong Kong Rules require him to aggregate the positions for the purposes of applying the prescribed limits and reportable position requirements. (Para. 6.1 of the Guidance Note).
- (c) The person holding or controlling a reportable position in accounts at more than one intermediary has the sole responsibility to notify the relevant exchange of the reportable position. The person may request its intermediary to submit the notice of the reportable position. If a firm agrees to submit the notice on his behalf, the person should provide to the firm its total positions held at other intermediaries so that the firm can submit the notice of the reportable position. Alternatively, the person should ask all of his intermediaries to report the positions in each of the accounts separately to the exchange, even if the positions in the individual accounts do not reach the reportable level. (Paras. 4.6 and 6.2 of the Guidance Note).
- (d) Where the Client is holding a reportable position for the Client's client, the Hong Kong Rules state that the Client must disclose the identity of the client. The SFC's view is that, for the purposes of the Hong Kong Rules, a client is the person who is ultimately responsible for originating the transaction instructions - i.e., the transaction originator. (Para. 6.4 of the Guidance Note).

The Hong Kong Rules apply separately to the positions held by each of the underlying clients of an omnibus account, except where the omnibus account operator has discretion over the positions in which case the account operator must also aggregate these positions with his own positions. Positions held by different underlying clients should not be netted off for purposes of calculating and reporting reportable positions or determining compliance with the prescribed limits. (Para. 6.8 of the Guidance Note).

HONG KONG RISK DISCLOSURE STATEMENT

This Risk Disclosure is provided in accordance with the Code of Conduct for Persons Licensed by or Registered with the Securities and Futures Commission of Hong Kong.

(a) RISK OF SECURITIES TRADING

The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. It is as likely that losses will be incurred rather than profit made as a result of buying and selling securities.

(b) RISK OF TRADING FUTURES AND OPTIONS

The risk of loss in trading futures contracts or options is substantial. In some circumstances, you may sustain losses in excess of your initial margin funds. Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily avoid loss. Market conditions may make it impossible to execute such orders. You may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, your position may be liquidated. You will remain liable for any resulting deficit in your account. You should therefore study and understand futures contracts and options before you trade and carefully consider whether such trading is suitable in the light of your own financial position and investment objectives. If you trade options you should inform yourself of exercise and expiration procedures and your rights and obligations upon exercise or expiry.

(c) RISK OF TRADING IN LEVERAGED FOREIGN EXCHANGE CONTRACTS

The risk of loss in leveraged foreign exchange trading can be substantial. You may sustain losses in excess of your initial margin funds. Placing contingent orders, such as "stop-loss" or "stop-limit" orders, will not necessarily limit losses to the intended amounts. Market conditions may make it impossible to execute such orders. You may be called upon at short notice to deposit additional margin funds. If the required funds are not provided within the prescribed time, your position may be liquidated. You will remain liable for any resulting deficit in your account. You should therefore carefully consider whether such trading is suitable in light of your own financial position and investment objectives.

(d) RISK OF TRADING GROWTH ENTERPRISE MARKET STOCKS

Growth Enterprise Market (GEM) stocks involve a high investment risk. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. GEM stocks may be very volatile and illiquid.

You should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Current information on GEM stocks may only be found on the internet website operated by The Stock Exchange of Hong Kong Limited. GEM Companies are usually not required to issue paid announcements in gazetted newspapers.

You should seek independent professional advice if you are uncertain of or have not understood any aspect of this risk disclosure statement or the nature and risks involved in trading of GEM stocks.

(e) RISKS OF CLIENT ASSETS RECEIVED OR HELD OUTSIDE HONG KONG

Client assets received or held by a licensed person outside Hong Kong are subject to the applicable laws and regulations of the relevant overseas jurisdiction which may be different from the Securities and Futures Ordinance (Cap. 571) and the rules made thereunder. Consequently, such client assets may not enjoy the same protection as that conferred on client assets received or held in Hong Kong.

(f) RISK OF PROVIDING AN AUTHORITY TO REPLEDGE YOUR SECURITIES COLLATERAL ETC.

There is risk if you provide the licensed or registered person with an authority that allows it to apply your securities or securities collateral pursuant to a securities borrowing and lending agreement, repledge your securities collateral for financial accommodation or deposit your securities collateral as collateral for the discharge and satisfaction of its settlement obligations and liabilities.

Morgan Stanley

If your securities or securities collateral are received or held by the licensed or registered person in Hong Kong, the above arrangement is allowed only if you consent in writing. Moreover, unless you are a professional investor, your authority must specify the period for which it is current and be limited to not more than 12 months. If you are a professional investor, these restrictions do not apply.

Additionally, your authority may be deemed to be renewed (i.e. without your written consent) if the licensed or registered person issues you a reminder at least 14 days prior to the expiry of the authority, and you do not object to such deemed renewal before the expiry date of your then existing authority.

You are not required by any law to sign these authorities. But an authority may be required by licensed or registered persons, for example, to facilitate margin lending to you or to allow your securities or securities collateral to be lent to or deposited as collateral with third parties. The licensed or registered person should explain to you the purposes for which one of these authorities is to be used.

If you sign one of these authorities and your securities or securities collateral are lent to or deposited with third parties, those third parties will have a lien or charge on your securities or securities collateral. Although the licensed or registered person is responsible to you for securities or securities collateral lent or deposited under your authority, a default by it could result in the loss of your securities or securities collateral.

A cash account not involving securities borrowing and lending is available from most licensed or registered persons. If you do not require margin facilities or do not wish your securities or securities collateral to be lent or pledged, do not sign the above authorities and ask to open this type of cash account.

(g) **RISK OF PROVIDING AN AUTHORITY TO HOLD MAIL OR TO DIRECT MAIL TO THIRD PARTIES**

If you provide a licensed person with an authority to hold mail or to direct mail to third parties, it is important for you to promptly collect in person all contract notes and statements of your account and review them in detail to ensure that any anomalies or mistakes can be detected in a timely fashion.

(h) **RISK OF MARGIN TRADING**

The risk of loss in financing a transaction by deposit of collateral is significant. You may sustain losses in excess of your cash and any other assets deposited as collateral with the licensed or registered person. Market conditions may make it impossible to execute contingent orders, such as "stop-loss" or "stop-limit" orders. You may be called upon at short notice to make additional margin deposits or interest payments. If the required margin deposits or interest payments are not made within the prescribed time, your collateral may be liquidated without your consent. Moreover, you will remain liable for any resulting deficit in your account and interest charged on your account. You should therefore carefully consider whether such a financing arrangement is suitable in light of your own financial position and investment objectives.

(i) **RISK OF TRADING NASDAQ-AMEX SECURITIES AT THE STOCK EXCHANGE OF HONG KONG LIMITED**

The securities under the Nasdaq-Amex Pilot Program (PP) are aimed at sophisticated investors. You should consult your dealer and become familiarised with the PP before trading in the PP securities. You should be aware that the PP securities are not regulated as a primary or secondary listing on the Main Board or the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited.

- “Business Day” means any day other than Saturday or Sunday on which banking institutions are open for business in New York, New York.
- “Contract” means all transactions, contracts or agreements between Morgan Stanley and the undersigned, including securities purchase or sale contracts, agreements to lend cash or securities, commodity and currency contracts, forward contracts, repurchase agreements, swap agreements or any other derivative or financial transactions, without regard to the form of such agreement, which may include oral agreements or agreements confirmed or signed by only one party to the agreement and agreements entered into or signed by Morgan Stanley on behalf of the undersigned.
- “Collateral” means cash, securities, commodities, other financial assets, investment property and other property and assets (including all security entitlements in respect thereof, all income and profits thereon, all dividends, interest and other payments and distributions with respect thereto and all proceeds from any of the foregoing) which

from time to time may be deposited or credited to any account of the undersigned with Morgan Stanley, be held or carried by Morgan Stanley for the undersigned, be due from Morgan Stanley to the undersigned, or be delivered to or in Morgan Stanley's possession or control for any purpose, including safekeeping.

- "Obligation" means any obligation or liability of a party arising at any time, whether or not fixed, matured or contingent, including any obligation related to the purchase, sale, loan, clearing, custody or financing of any securities, currencies, instruments, property or other assets under or in connection with any Contract, any requirement to make a margin payment or satisfy margin requirements, or any obligation to pay damages, costs or expenses.
- "Prime Brokerage Regulations" means the requirements applicable to prime brokerage activities set out in the no-action letter of the Division of Market Regulation of the SEC dated January 25, 1994, as such letter may be amended, modified or supplemented from time to time, regarding the performance of prime brokerage services, and any other relevant regulations of the Securities and Exchange Commission or other governmental authorities or self-regulatory organizations.
- "SEC" means the United States Securities and Exchange Commission.

2. **APPLICABLE RULES AND REGULATIONS.** All transactions and activities under this Agreement shall be subject to the rules and regulations of all U.S. federal, state and local, and if applicable, non-U.S., laws, rules and regulations, including any regulations or interpretations issued by governmental authorities, self-regulatory organizations, exchanges, markets, clearing organizations or settlement systems, in each case as in effect from time to time (collectively, "Applicable Law").

3. **SHORT AND LONG SALES.** The undersigned agrees that when placing any sell order, the undersigned will appropriately designate it as "long" or as "short" as required by Applicable Law. The undersigned will designate a sale as "long" only if the securities being sold are securities then owned by the undersigned and may be sold without restriction and such securities are either in the undersigned's account at Morgan Stanley or will be delivered to Morgan Stanley in deliverable form, without undue inconvenience or expense to Morgan Stanley by settlement date.

4. **COMPLIANCE WITH PRIME BROKERAGE REGULATORY REQUIREMENTS.** The undersigned hereby acknowledges that it understands the Prime Brokerage Regulations and with the related provisions of this Agreement, and hereby undertakes to comply with the Prime Brokerage Regulations as in effect at any time and with the related provisions of this Agreement. The undersigned will inform Morgan Stanley promptly if this undertaking is not satisfied. Without limiting the foregoing, the undersigned agrees that it shall maintain in its account with Morgan Stanley at all times a minimum net equity in cash and securities as agreed upon, but in no event less than that required by the Prime Brokerage Regulations. The undersigned further agrees that, in the event its account falls below this minimum net equity, it shall bring its account into compliance in accordance with the Prime Brokerage Regulations.

5. **MORGAN STANLEY AS PRIME BROKER.** In connection with any transaction where Morgan Stanley acts as the undersigned's prime broker:

- (a) The undersigned maintains brokerage accounts with a number of other brokers ("Executing Brokers") and, from time to time, will place orders to be executed by one or more Executing Brokers. The undersigned agrees to give Morgan Stanley notice of the names of all Executing Brokers with whom the undersigned intends to place orders (which Executing Brokers must be acceptable to Morgan Stanley). Morgan Stanley is authorized to enter into a prime brokerage agreement of the type described in the Prime Brokerage Regulations (a "Form 150") with all current or future Executing Brokers, to set up an account for the undersigned's benefit at any Executing Broker and to provide or obtain any information necessary to establish or maintain a prime brokerage relationship. The undersigned acknowledges that Morgan Stanley shall have no obligation to accept for clearance and settlement any order or transaction as prime broker from any Executing Broker with which Morgan Stanley has not entered into a Form 150 with respect to the undersigned's account at Morgan Stanley. The undersigned will use its best efforts to assure that such Executing Brokers comply with the terms set forth in the relevant Form 150. The undersigned

acknowledges that as between Morgan Stanley and any Executing Broker, the Executing Broker will be acting as an agent of the undersigned, and not as Morgan Stanley's agent, for the purpose of carrying out the undersigned's instructions with respect to the purchase, sale and settlement of securities.

- (b) The undersigned shall advise Morgan Stanley on trade date of the details of all transactions effected by any Executing Broker on the undersigned's behalf (the "Trade Data"). The undersigned authorizes Morgan Stanley to acknowledge, affirm, settle and clear all such transactions on the basis of the Trade Data. All such transactions shall be for the sole account and risk of the undersigned, and Morgan Stanley shall have no responsibility or liability to the undersigned, any Executing Broker or any other third party with respect to such transactions. The undersigned agrees to pay all fees agreed upon with the Executing Brokers and to make any necessary arrangements with the appropriate Executing Broker concerning the payment of any such fees, including the deduction of any such amounts from commissions charged by the Executing Brokers.
- (c) Morgan Stanley shall send to the undersigned a notification of each trade placed with any Executing Broker based on the Trade Data provided to Morgan Stanley by the undersigned. Any trade notifications issued by Morgan Stanley as prime broker shall indicate the name of the Executing Broker involved and such other information required by the Prime Brokerage Regulations. If the undersigned has instructed the Executing Broker to send trade confirmations to the undersigned in care of Morgan Stanley, Morgan Stanley agrees that electronic versions of such confirmations will be available to the undersigned without charge upon request to Morgan Stanley.
- (d) The undersigned understands that Morgan Stanley will not clear or settle any transaction for the undersigned if: (i) sufficient funds or securities, as necessary, are not maintained in an account with Morgan Stanley or if the undersigned has not made other arrangements for settlement that are satisfactory to Morgan Stanley; (ii) the undersigned does not maintain, and does not have at the settlement of the transaction, at least the minimum net equity required by the Prime Brokerage Regulations in its account with Morgan Stanley, or (iii) a condition exists that would require Morgan Stanley to disaffirm on a non-discretionary basis, as defined in the Form 150. Morgan Stanley's customer account records may reflect transactions as settled as of the projected settlement date (sometimes referred to as contractual settlement). Morgan Stanley does not guarantee settlement, however, and therefore reserves the right to reverse transaction settlement entries in the event of a settlement failure.
- (e) The undersigned agrees to comply with Morgan Stanley's requirements relating to short sales, including the requirement that no short sale may be effected through an Executing Broker unless the undersigned has first confirmed with Morgan Stanley that the securities are available for delivery. Such confirmation does not guarantee that the securities will be available for delivery on settlement date or that the securities will be available to support a short sale for any particular period of time. Accordingly, the short sale may fail on settlement date or the undersigned may be asked to cover its short sale at any time, and undersigned will be responsible for any Obligations that arise therefrom.
- (f) Morgan Stanley is authorized to try to resolve any unmatched trade reports received from any Executing Broker. However, the undersigned is responsible for the ultimate resolution of these trades and reports. Morgan Stanley shall have no responsibility or liability with respect to Trade Data not correctly transmitted to it on a timely basis by the undersigned, any Executing Broker, any market, exchange or clearing house, or any other person or entity.
- (g) In the event the undersigned's account falls below the minimum net equity required by the Prime Brokerage Regulations, the undersigned authorizes Morgan Stanley to notify promptly all Executing Brokers of such event. If the undersigned fails to bring such account into compliance with the minimum net equity, the undersigned further agrees that Morgan Stanley may, without notice to the undersigned, disaffirm, DK or decline to affirm, clear and settle any transaction effected by an Executing Broker on the undersigned's behalf. Except as provided in the following paragraph, the undersigned understands that if Morgan Stanley takes such action with respect to any transaction of the undersigned, Morgan Stanley shall do so for all transactions of the undersigned that day. In any such case, Morgan Stanley shall send a cancellation notification to the undersigned and the undersigned understands that the undersigned must

settle outstanding trades directly with the relevant Executing Broker and authorizes Morgan Stanley to provide the Executing Broker with any information necessary to settle such trades. The undersigned further agrees that Morgan Stanley will not be bound to make any investigation into the facts surrounding any transaction to which the undersigned is a party and that, immediately upon notice to the undersigned and, if required, to the Executing Brokers, Morgan Stanley may cease acting as prime broker for the undersigned.

- (h) If the undersigned's account is managed on a discretionary basis by a third party (an "Adviser"), the undersigned authorizes Morgan Stanley to commingle the undersigned's prime brokerage transactions with those of other accounts of its Adviser ("sub-accounts"), in accordance with the instructions of its Adviser, for order placement and clearance in bulk. The undersigned understands that no part of any transaction may be allocated to any sub-account where such sub-account's net equity is below the minimum levels established by the Prime Brokerage Regulations and, should any sub-account's net equity fall below the minimum levels established by the Prime Brokerage Regulations, Morgan Stanley would be required to disaffirm the entire transaction. The undersigned agrees that, should such an event occur, its Adviser may resubmit the bulk trade to the Executing Broker so as to exclude those sub-accounts with a net equity deficiency or, if permissible, re-allocate the entire prime brokerage transaction to other sub-accounts. The undersigned understands that such reallocation must be communicated to Morgan Stanley within any required deadlines.

6. CURRENCY CONTRACTS. If the box entitled "Additional Provisions Related to Currency Contracts" appearing at the end of this Agreement is checked, the undersigned, from time to time, may enter into spot and/or forward currency Contracts with Morgan Stanley in connection with the settlement of other Contracts or otherwise as the undersigned and Morgan Stanley may agree. The undersigned acknowledges that Morgan Stanley is under no obligation to enter into any currency Contracts with, or on behalf of, the undersigned, and further agrees to furnish to Morgan Stanley such documentation to indicate capacity and authority as Morgan Stanley may reasonably request prior to entering into any such Contracts. Each currency Contract entered into under this Agreement shall constitute an "FX Transaction", as such term is defined in the 1998 FX and Currency Option Definitions, including Annex A thereto, as published by the International Swaps and Derivatives Association, Inc., EMTA, and The Foreign Exchange Committee (as may be amended, the "FX Definitions"), and shall be subject to the terms in this Section 6 as well as those set forth in the "Additional Provisions Related to Currency Contracts" box. Any confirmation, whether created by an exchange of facsimiles, SWIFT messages, or electronic messages on an electronic messaging or matching system, between Morgan Stanley and the undersigned relating to an FX Transaction, whether or not it is expressed to be, shall constitute a confirmation and, unless Morgan Stanley and the undersigned expressly agree otherwise, will be deemed to incorporate the FX Definitions. Notwithstanding the foregoing, Morgan Stanley shall have the right to convert currencies in connection with the exercise of Morgan Stanley's rights under Section 8 below in such manner as it may determine.

7. SECURITY INTEREST AND LIEN. The undersigned grants to each Morgan Stanley Entity a continuing first priority security interest in and lien upon and assigns to each Morgan Stanley Entity all of its rights, title and interests to any and all Collateral, as security for the payment, performance and discharge of all Obligations of the undersigned to Morgan Stanley, irrespective of whether or not Morgan Stanley has made advances in connection with such Collateral, the number of accounts the undersigned has with Morgan Stanley or which particular Morgan Stanley Entity holds such Collateral. The undersigned and Morgan Stanley each acknowledge and agree that each Morgan Stanley Entity that holds Collateral does so both for itself and also as an agent and bailee for all other Morgan Stanley Entities which may be secured parties under any Contract. The undersigned hereby irrevocably: (i) consents to each Morgan Stanley Entity, with respect to any account maintained by the undersigned with such Morgan Stanley Entity, entering into any agreement to comply with entitlement orders and instructions originated by any other Morgan Stanley Entity without further consent of the undersigned, (ii) ratifies any such existing agreement, and (iii) agrees that each Morgan Stanley Entity is a third-party beneficiary of such consent and ratification. The undersigned and Morgan Stanley agree that each item of Collateral held in or credited to any account maintained by any Morgan Stanley Entity will be treated as "financial asset" under Article 8 of the Uniform Commercial Code as in effect in the State of New York (the "UCC"), and that any account of the undersigned maintained by any Morgan Stanley Entity shall be treated as a "securities account" under Article 8 of the UCC. In the event of a breach or default by the undersigned, Morgan Stanley shall have in addition to the rights and remedies provided in this Agreement, all rights and remedies available to a secured creditor under the UCC and any other

Applicable Law. All Collateral delivered to Morgan Stanley shall be free and clear of all prior liens, claims and encumbrances and the undersigned will not cause or allow any of the Collateral to be subject to any liens, security interests, mortgages or encumbrances of any nature other than the security interest created in Morgan Stanley's favor. Furthermore, Collateral consisting of securities shall be delivered in good deliverable form (or Morgan Stanley shall have the unrestricted power to place such securities in good deliverable form) in accordance with the requirements of the primary market for these securities. The undersigned shall execute such documents and take such other action as Morgan Stanley shall reasonably request in order to perfect its rights with respect to any such Collateral. In addition, the undersigned appoints Morgan Stanley as the undersigned's attorney-in-fact to act on the undersigned's behalf to sign, seal, execute and deliver all documents, and do all such acts as may be required, to realize upon any of Morgan Stanley's rights in the Collateral.

8. **RIGHTS OF MORGAN STANLEY.** Upon the occurrence of an Event of Default (as defined below), Morgan Stanley may, in its discretion, cancel any outstanding orders for the purchase or sale of any securities, currencies, commodities or other property, foreclose, collect, sell or otherwise liquidate any Collateral and apply the proceeds therefore to satisfy any of the undersigned's Obligations, buy-in any securities, currencies, commodities or other property which any account of the undersigned may be short, and take any other action permitted by law or in equity to protect, preserve or enforce Morgan Stanley's rights or to reduce any risk to any Morgan Stanley Entity of loss or delay. Any such sale, purchase or cancellation may be made on any exchange or other market where such business is then usually transacted, or at public auction or private sale, without advertising or notice of the time or place of sale to the undersigned, and without prior tender, demand or call of any kind upon the undersigned, all of which are expressly waived. Morgan Stanley may purchase the whole or any part thereof free from any right of redemption and the undersigned shall remain liable to Morgan Stanley for any deficiency; it being understood that a prior tender, demand or call of any kind from Morgan Stanley, or prior notice from Morgan Stanley, of the time and place of such sale or purchase shall not be considered a waiver of Morgan Stanley's right to sell or buy any securities, commodities, or other property or asset held by Morgan Stanley, or which the undersigned may owe to Morgan Stanley. In addition, Morgan Stanley may at any time in connection with its rights under this Section 8 without prior notice to the undersigned apply or transfer any and all Collateral interchangeably between Morgan Stanley Entities in connection with accounts in which the undersigned has an interest. Each of the following events shall constitute an "Event of Default" hereunder: (a) the undersigned's death or incompetency (if applicable); (b) a breach, repudiation, occurrence of a termination event or default (or similar event however so described) by the undersigned of this Agreement or any other Contract; (c) any misrepresentation of any statement by the undersigned when made or deemed to be made or repeated; (d) the failure of the undersigned to fulfill or discharge any of its Obligations, including the failure to make any payment or delivery or to satisfy margin requirements; (e) the occurrence of a Bankruptcy Event; (f) the levy of an attachment against any property or asset in any account of the undersigned; (g) the failure by the undersigned to give adequate assurance of due performance pursuant to this Agreement; or (h) the determination that such action is necessary for Morgan Stanley's protection.

9. **REPAYMENT OF OBLIGATIONS; ADEQUATE ASSURANCES.** Unless otherwise expressly agreed in writing, all debit balances, other extensions of credit, loans or other Obligations to Morgan Stanley are repayable or terminable upon demand by Morgan Stanley. Upon receipt of notice from Morgan Stanley, which may be given orally, you shall immediately transfer to Morgan Stanley such Collateral as Morgan Stanley may require in connection with any Obligation. If at any time Morgan Stanley has reasonable grounds to doubt the undersigned's performance of any of the undersigned's Obligations, Morgan Stanley may demand, and the undersigned shall give within twenty-four hours or any reasonable shorter period of time Morgan Stanley specifies, adequate assurance of due performance. The giving of adequate assurance of performance may require the delivery by the undersigned to Morgan Stanley of additional Collateral. Any failure by the undersigned to give such adequate assurance of due performance shall constitute an independent, material default under the terms of all Contracts and Morgan Stanley may terminate, liquidate or accelerate any and all Contracts and exercise any right under or with respect to any security relating to any Contract and any right to net or set off payments which may arise under any Contract or other agreement or under Applicable Law.

10. **EXPENSES AND OTHER CHARGES.** The undersigned agrees to pay Morgan Stanley, or its designee, any fees, commissions and charges with respect to the undersigned's activities with Morgan Stanley, including:

- (a) Morgan Stanley's fees, commissions, markups and other charges with respect to the execution of transactions, fails, buy-ins, conversion costs or the maintenance of positions or other related services;

- (b) any fees, fines, penalties or other charges imposed by any authority or body described in Section 2 of this Agreement or any court or authority of competent jurisdiction on any account opened or transaction executed for or with the undersigned, except any such charges as may be imposed due to Morgan Stanley's gross negligence or willful misconduct;
- (c) any charges with respect to any of the undersigned's transactions, including buy-ins, and applicable taxes or interest on any of the foregoing, together with Morgan Stanley's costs and reasonable attorney's fees incurred in collecting any such debit balance.

11. **NETTING AND SET OFF RIGHTS.** Morgan Stanley shall have the right, at any time and from time to time, to set off any Obligations of Morgan Stanley to the undersigned against any Obligations of the undersigned to Morgan Stanley, and to foreclose on any Collateral for the purpose of satisfying the Obligations of the undersigned to Morgan Stanley. The undersigned acknowledges that the fulfillment by Morgan Stanley of its Obligations to the undersigned is contingent upon there being no breach, repudiation, misrepresentation or default by the undersigned which has occurred and is continuing under this Agreement or any Contract. The rights and remedies granted under this Section 11 are in addition to any other rights and remedies which arise under any Contract or under Applicable Law.

12. **MAINTENANCE OF THE UNDERSIGNED'S COLLATERAL.** Subject to the requirements of Applicable Law, the undersigned authorizes Morgan Stanley, from time to time and without further notice to the undersigned, to carry any such Collateral in Morgan Stanley's general accounts, or to loan, pledge, hypothecate, re-hypothecate, sell or otherwise use any and all Collateral, separately or in combination with the property of others for any amounts due to Morgan Stanley or for a greater sum, and without Morgan Stanley's retaining in its possession or control a like amount of similar property. **THE UNDERSIGNED ACKNOWLEDGES THAT MORGAN STANLEY'S LOAN, REPO, PLEDGE, HYPOTHECATION, RE-HYPOTHECATION, SALE OR OTHER USE OF THE COLLATERAL MAY INCLUDE THE TRANSFER TO MORGAN STANLEY OR A THIRD PARTY OF ALL ATTENDANT RIGHTS OF OWNERSHIP, INCLUDING THE RIGHT TO VOTE ANY SECURITIES OR EXERCISE ANY CORPORATE ACTION RIGHTS.**

13. **FAILURE OF DELIVERY.** If the undersigned directs Morgan Stanley to make any delivery of any security, commodity or other property or asset for its account for any reason and the undersigned fails to deliver that item to Morgan Stanley in the time, place and manner required, or if Morgan Stanley is unable to borrow the security, or in the case of a recall, Morgan Stanley is unable to re-borrow the security, the undersigned authorizes Morgan Stanley to borrow or purchase that item (or to be deemed to have made such purchase at the market value of the time of such deemed purchase) in such manner and time as Morgan Stanley in its sole discretion determines to be commercially reasonable. The undersigned agrees to be responsible for any consequent loss which Morgan Stanley may suffer and any related costs, premiums and losses to which Morgan Stanley may be subject.

14. **CONFIRMATIONS, STATEMENTS AND OTHER COMMUNICATIONS.** Trade notifications, account statements of the undersigned and any other communication issued by Morgan Stanley shall be conclusive and binding if not objected to within five days after transmittal by Morgan Stanley to the undersigned by mail, electronic communication, or any other agreed means. Morgan Stanley may send communications to the undersigned at the address maintained by Morgan Stanley in its records or such other addresses that are provided to Morgan Stanley in writing from time to time. All communications, whether by mail, electronic communication, or any other agreed means, shall be deemed to have been given to the undersigned personally as of the date sent, whether actually received or not.

15. **NO OBLIGATION.** The undersigned agrees that Morgan Stanley shall be under no obligation whatsoever to enter into any Contract with, or on behalf of, the undersigned.

16. **PROVISION OF INFORMATION.** (a) From time to time, Morgan Stanley may provide or make available to the undersigned, or to others acting with or on behalf of the undersigned, research, opinions and other information, including portfolio analyses and reports, regarding securities, commodities, other financial assets, and market participants or events. The undersigned acknowledges that such information is provided, unless Morgan Stanley agrees in writing otherwise, without regard to the undersigned's personal financial situation, investment

objectives or other circumstances and that the provision by Morgan Stanley of such information to the undersigned, whether sent directly or made readily accessible, and whether in writing, in electronic form or the subject of a taping, broadcast or narrowcast, does not imply that any asset or transaction discussed therein is suitable in light of the undersigned's particular circumstances. The undersigned agrees that no such information will be the primary basis of any investment decision by the undersigned. While all information produced by Morgan Stanley is based on sources believed to be reliable, the undersigned acknowledges that Morgan Stanley does not guarantee or warrant the accuracy, reliability or timeliness of such information. Further, all information and opinions are current only as of the time provided, and are subject to rapid change without prior notice. The undersigned also acknowledges that Morgan Stanley may take positions in financial instruments discussed in the information provided the undersigned (which positions may be inconsistent with the information provided), may execute transactions for others in those instruments and may provide investment banking and other services to the issuers of those instruments. From time to time, Morgan Stanley also may provide or make available to the undersigned, or to others acting with or on behalf of the undersigned, information regarding parties that might provide goods or services to the undersigned, including but not limited to fund administrators ("Vendors"). While all information produced by Morgan Stanley is based on sources believed to be reliable, the undersigned acknowledges that Morgan Stanley does not guarantee or warrant the accuracy, reliability or timeliness of such information, or the quality of goods or services provided by any Vendors. The undersigned agrees to indemnify and hold Morgan Stanley harmless from and against any and all losses, claims, damages and liabilities arising out of or relating to, actions or omissions by the Vendors, Morgan Stanley's provision or making available of such information, or the undersigned's selection or use of such Vendors.

(b) The undersigned hereby instructs Morgan Stanley to provide electronic access to data relating to the undersigned to such third parties as are specified by the undersigned from time to time (the "Access"). Such Access shall be provided by Morgan Stanley as advised by the undersigned to Morgan Stanley from time to time. The undersigned hereby acknowledges that Morgan Stanley reserves the right to terminate such Access at any time. In the event that the undersigned wishes to have Morgan Stanley cease providing the Access, Morgan Stanley shall do so provided Morgan Stanley is given 14 days prior written notice by the undersigned, such notice to be sent to such address of Morgan Stanley as specified in the Agreement. The undersigned hereby acknowledges that the Access will allow the third party to view Morgan Stanley reports and systems that may contain the undersigned's data compiled and processed by the Morgan Stanley Portfolio Accounting ("MSPA") or other risk or reporting systems maintained by Morgan Stanley. These reports are prepared for informational purposes only, and do not reflect the official books and records of Morgan Stanley. The undersigned acknowledges that Morgan Stanley makes no representation regarding the accuracy and/or completeness of the information contained in such reports and they should not be relied on for accounting, audit, tax and/or legal purposes. Morgan Stanley assumes no duty to update the information contained in the reports. These reports may contain information that has been provided and/or modified by the undersigned and/or its agents and for which Morgan Stanley is not responsible. The undersigned acknowledges that in the case of any discrepancy between the reports and applicable customer statements, the undersigned and any interested third parties should rely on the applicable customer statements.

17. **USE OF THE INTERNET.** Undersigned agrees that the Internet is not a secure network and that any communications transmitted over the Internet may, among other things, be intercepted or accessed by unauthorized or unintended parties and may not remain confidential, or that such transmissions may not arrive in a complete, unaltered or timely manner, and the undersigned assumes the risk arising therefrom.

18. RESOLUTION OF DISPUTES. ANY DISPUTE BETWEEN THE UNDERSIGNED AND A MORGAN STANLEY ENTITY THAT IS REGISTERED AS A BROKER-DEALER WITH THE U.S. SECURITIES AND EXCHANGE COMMISSION ARISING OUT OF, RELATING TO OR IN CONNECTION WITH MORGAN STANLEY'S BUSINESS, ANY TRANSACTION BETWEEN US OR THIS AGREEMENT SHALL BE DETERMINED, AT THE ELECTION OF THE UNDERSIGNED, BY LITIGATION IN A COURT WITH PROPER JURISDICTION OR BY ARBITRATION. SHOULD THE UNDERSIGNED CHOOSE TO PROCEED BY ARBITRATION, UNDERSIGNED AND MORGAN STANLEY AGREE TO FOLLOW THE PROCEDURES, AND ABIDE BY THE REQUIREMENTS, LISTED IN SECTION 19 BELOW. SHOULD THE UNDERSIGNED CHOOSE TO PROCEED BY LITIGATION, UNDERSIGNED AND MORGAN STANLEY AGREE TO FOLLOW THE PROCEDURES, AND ABIDE BY THE REQUIREMENTS, LISTED IN SECTION 20 BELOW.

19. IF THE UNDERSIGNED CHOOSES ARBITRATION, THE UNDERSIGNED ACKNOWLEDGES THAT:

- **ARBITRATION AWARDS ARE GENERALLY FINAL AND BINDING; A PARTY'S ABILITY TO HAVE A COURT REVERSE OR MODIFY AN ARBITRATION AWARD IS VERY LIMITED.**
- **THE PARTIES ARE GIVING UP THE RIGHT TO SUE EACH OTHER IN COURT, INCLUDING THE RIGHT TO A TRIAL BY JURY, EXCEPT AS PROVIDED BY THE RULES OF THE ARBITRATION FORUM IN WHICH A CLAIM IS FILED.**
- **THE ABILITY OF THE PARTIES TO OBTAIN DOCUMENTS, WITNESS STATEMENTS AND OTHER DISCOVERY IS GENERALLY MORE LIMITED IN ARBITRATION THAN IN COURT PROCEEDINGS.**
- **THE ARBITRATORS DO NOT HAVE TO EXPLAIN THE REASON(S) FOR THEIR AWARD UNLESS, IN AN ELIGIBLE CASE, A JOINT REQUEST FOR AN EXPLAINED DECISION HAS BEEN SUBMITTED BY ALL PARTIES TO THE PANEL AT LEAST 20 DAYS PRIOR TO THE FIRST SCHEDULED HEARING DATE.**
- **THE PANEL OF ARBITRATORS MAY INCLUDE A MINORITY OF ARBITRATORS WHO WERE OR ARE AFFILIATED WITH THE SECURITIES INDUSTRY.**
- **THE RULES OF SOME ARBITRATION FORUMS MAY IMPOSE TIME LIMITS FOR BRINGING A CLAIM IN ARBITRATION. IN SOME CASES, A CLAIM THAT IS INELIGIBLE FOR ARBITRATION MAY BE BROUGHT IN COURT.**
- **THE RULES OF THE ARBITRATION FORUM IN WHICH THE CLAIM IS FILED, AND ANY AMENDMENTS THERETO, SHALL BE INCORPORATED INTO THIS AGREEMENT.**
- **ANY ARBITRATION SHALL BE CONDUCTED BEFORE FINRA. THE AWARD OF THE ARBITRATORS, OR THE MAJORITY OF THEM, SHALL BE FINAL AND JUDGMENT UPON THE AWARD RENDERED MAY BE ENTERED IN ANY STATE OR FEDERAL COURT HAVING JURISDICTION. NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED AS CONSENT BY MORGAN STANLEY TO AN AWARD OF PUNITIVE DAMAGES.**

NO PERSON SHALL BRING A PUTATIVE OR CERTIFIED CLASS ACTION TO ARBITRATION, NOR SEEK TO ENFORCE ANY PRE-DISPUTE ARBITRATION AGREEMENT AGAINST ANY PERSON WHO, IF THE UNDERSIGNED HAS INITIATED IN COURT A PUTATIVE CLASS ACTION, IS A MEMBER OF A PUTATIVE CLASS WHO HAS NOT OPTED OUT OF THE CLASS WITH RESPECT TO ANY CLAIMS ENCOMPASSED BY THE PUTATIVE CLASS ACTION UNTIL:

- (i) THE CLASS CERTIFICATION IS DENIED;**
- (ii) THE CLASS IS DECERTIFIED; OR**
- (iii) THE UNDERSIGNED IS EXCLUDED FROM THE CLASS BY THE COURT.**

SUCH FORBEARANCE TO ENFORCE AN AGREEMENT TO ARBITRATE SHALL NOT CONSTITUTE A WAIVER OF ANY SUCH RIGHTS UNDER THIS AGREEMENT EXCEPT TO THE EXTENT STATED HEREIN.

20. IF THE UNDERSIGNED CHOOSES LITIGATION IN COURT. (A) UNLESS THE PARTIES OTHERWISE AGREE IN WRITING WHEN ANY DISPUTE ARISES, LITIGATION MUST BE INSTITUTED IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF

NEW YORK OR THE SUPREME COURT OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY. THE UNDERSIGNED IRREVOCABLY CONSENTS TO THE JURISDICTION OF EITHER OF THOSE COURTS AND (B) ANY RIGHT TO TRIAL BY JURY WITH RESPECT TO ANY CLAIM OR ACTION IS HEREBY WAIVED BY ALL PARTIES TO THIS AGREEMENT.

21. APPLICABLE LAW AND ENFORCEABILITY. THIS AGREEMENT, ANY CONTRACT, THEIR ENFORCEMENT AND ANY DISPUTE BETWEEN US, WHETHER ARISING OUT OF OR RELATING TO THE UNDERSIGNED'S ACCOUNTS OR OTHERWISE, SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, EXCLUDING ITS CONFLICT OF LAW RULES. The provisions of this Agreement shall be continuous, shall cover individually and collectively all accounts which the undersigned may open or reopen with Morgan Stanley and shall inure to the benefit of Morgan Stanley's present and any successor organizations, irrespective of any change at any time in the personnel thereof and of the assigns of Morgan Stanley's present organizations or any successor organizations. This Agreement shall be binding upon the undersigned and the estate, executors, administrators, trustees, agents, officers, directors and assigns of the undersigned.

22. MODIFICATION AND WAIVER. The undersigned agrees that Morgan Stanley may modify the terms of this Agreement at any time upon prior written notice. If the modifications are unacceptable, the undersigned agrees to notify Morgan Stanley in writing within twenty days of the transmittal of such written notice. Morgan Stanley may then terminate any or all of the undersigned's accounts. The undersigned also agrees that any transactions or Contracts entered into after such notification shall be subject to the modifications. The undersigned may not modify this Agreement without Morgan Stanley's written consent. To the extent this Agreement is inconsistent with any other agreement between us, the provisions of this Agreement shall govern. Morgan Stanley's failure to enforce this Agreement or any of its terms, or any continued course of such conduct on Morgan Stanley's part, shall not be considered a waiver of any of Morgan Stanley's rights.

23. AUTHORIZED INSTRUCTIONS. (a) The undersigned authorizes Morgan Stanley to accept instructions by telephone, facsimile transmission, electronic mail, electronically, in writing or any other method that undersigned and Morgan Stanley may agree to use, including but not limited to any instructions set forth in any letter of authorization delivered by the undersigned to Morgan Stanley. The undersigned also agrees (i) to be bound by all instructions that Morgan Stanley believes are authorized, regardless of the means by which those instructions have been transmitted to Morgan Stanley, and (ii) that Morgan Stanley shall not be liable for any loss, cost or expense for acting upon instructions that Morgan Stanley believed to be authorized.

(b) To the extent that the undersigned instructs Morgan Stanley to transfer cash, securities or other assets via any electronic method, including but not limited to Morgan Stanley's Interactive Cash Entry system, and is provided with user identifications, passwords, authentication codes or other security devices or procedures (collectively, "Passwords"), the undersigned is solely responsible for maintaining the confidentiality of its Passwords and for preventing unauthorized use of the Passwords. The undersigned agrees that Morgan Stanley may rely on any transmissions, instructions, information or other communications attributable to the Passwords, whether or not such communications are sent by the undersigned, and that all such communications shall be attributable to and binding upon the undersigned. The undersigned shall notify Morgan Stanley immediately upon learning or suspecting that any Password has or may have become known to a party who may not be authorized. Promptly after Morgan Stanley's acknowledgement of such notice, the relevant Password will be terminated. The undersigned represents that any instructions it provides to Morgan Stanley are correct, and acknowledges that Morgan Stanley will not check or monitor the instruction on behalf of the undersigned before it is sent to the relevant agent bank.

24. SEVERABILITY. If any provision of this Agreement is or becomes inconsistent with any applicable present or future law, rule or regulation, that provision will be deemed modified or, if necessary, rescinded in order to comply with the relevant law, rule or regulation. All other provisions of this Agreement will continue and remain in full force and effect. To the extent that this Agreement is not enforceable as to any Contract, this Agreement shall remain in full force and effect and be enforceable in accordance with its terms as to all other Contracts. To the extent this Agreement contains any provision which is inconsistent with provisions in any other Contract or agreement between us, or of which the undersigned is a beneficiary, the provisions of this Agreement shall control with respect to transactions contemplated hereunder.

25. **EXTRAORDINARY EVENTS.** The undersigned agrees that Morgan Stanley will not be liable for any loss caused, directly or indirectly, by government restrictions, exchange or market rulings, suspension of trading, war (whether declared or undeclared), terrorist acts, insurrection, riots, fires, flooding, strikes, failure of utility services, central clearinghouses, depositories or unaffiliated agent banks, or accidents, adverse weather or other events of nature (including earthquakes, hurricanes and tornadoes) or other events or conditions beyond Morgan Stanley's control. In the event that any communications network, data processing system, operational system or computer system Morgan Stanley uses or relies upon, regardless of ownership, is impaired or rendered inoperable, Morgan Stanley will not be liable to the undersigned for any loss, liability, claim, damage or expense resulting, directly or indirectly, from such impairment or inoperability.

The undersigned acknowledges that certain of its assets may be held inside or outside the United States by unaffiliated agent banks, central clearinghouses and securities depositories. Morgan Stanley shall not be liable to the undersigned for any loss, liability or expense incurred by the undersigned in connection with these arrangements except to the extent that any such loss, liability or expense results from Morgan Stanley's gross negligence or willful misconduct.

27. **TAXES.** Any and all payments or crediting of amounts by or on account of the undersigned shall be made free and clear of and without deduction or withholding for or on account of any taxes, levies, imposts, duties, charges, assessments or fees of any nature, including interest, penalties and additions thereto that are imposed by any taxing authority ("Taxes") unless a deduction or withholding is required by law; provided that if any Taxes are deducted or withheld, then (i) the sum payable shall be increased as necessary so that after making all such deductions or withholdings (including deductions or withholdings applicable to additional sums payable under this Section) Morgan Stanley receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (ii) the undersigned shall make or cause to be made such deductions or withholdings in the minimum amount required by law and (iii) the undersigned shall timely pay or cause to be paid the full amount deducted or withheld to the relevant taxing authority within the time allowed and in accordance with Applicable Law. Morgan Stanley is hereby authorized to withhold Taxes from any payment or crediting of amounts or delivery made hereunder and remit such Taxes to the relevant taxing authorities to the extent required in the reasonable judgment of Morgan Stanley. The undersigned shall provide Morgan Stanley with any forms, documentation or information reasonably requested by Morgan Stanley in order to reduce or eliminate withholding Taxes on payments made to the undersigned with respect to this Agreement. In addition to the remedies provided by Section 11 of this Agreement and without prejudice to Morgan Stanley's rights under Section 28 of this Agreement, the undersigned shall promptly indemnify Morgan Stanley for the full amount of any Taxes and Other Taxes paid by Morgan Stanley, on or with respect to any payment or crediting of amounts or delivery by or on account of any obligation of the undersigned (including Taxes and Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant taxing authority. A certificate as to the amount of such payment delivered to the undersigned shall be conclusive absent manifest error. Morgan Stanley's rights and protections under this paragraph shall survive the termination of any transaction or this Agreement.

The

undersigned also agrees that Morgan Stanley shall have no responsibility for the undersigned's compliance with Applicable Law and that Morgan Stanley shall not be liable for delays in the transmission of orders or instructions due to the breakdown or failure of transmission or communication facilities or any other cause beyond Morgan Stanley's control, including any mistake, error, negligence or misconduct of any exchange, association or clearing house or their respective officers, directors, employees or agents, nor any failure by any such exchange, association or clearing house to enforce its rules or regulations. Morgan Stanley's rights and protections under this paragraph shall survive the termination of any transaction or this Agreement. Each of the parents, subsidiaries, affiliates, divisions, officers, directors, employees and agents of each Morgan Stanley Entity shall be entitled to enforce the provisions of this Section as if it were a party hereto.

29. **ASSIGNMENTS.** Neither party may assign any of its rights or obligations under this Agreement without the express written consent of the other party, except that MSCO may, with notice to the undersigned, assign any of its rights or obligations to any other Morgan Stanley Entity that is registered as a broker-dealer with the SEC.

30. **REPRESENTATIONS AND WARRANTIES.** The undersigned hereby represents and warrants as of the date hereof, which representations and warranties will be deemed repeated on each date on which a transaction or Contract is effected for any of the undersigned's accounts, or any securities or other property if delivered to or from any such account, that:

- (f) The undersigned has full power and authority to execute and deliver this Agreement and to perform and observe the provisions thereof.
- (g) The execution, delivery and performance of this Agreement has been or will be, prior to entering into the Agreement, duly authorized by all necessary internal action and do not or will not contravene any requirement of law or any contractual restrictions or agreement binding on or affecting the undersigned or its assets.

- (h) This Agreement has been or will be at the time it is entered into properly executed and delivered by the undersigned and constitutes and will constitute a legal, valid and binding obligation enforceable in accordance with its terms.
- (i) The undersigned will promptly furnish to Morgan Stanley appropriate financial statements or similar documents ("Financial Information") upon Morgan Stanley's request and any other information as Morgan Stanley may reasonably request. - (j) No one that is not a party to this Agreement has any interest in any account of the undersigned with Morgan Stanley. The undersigned owns the Collateral assigned, or to be assigned, to Morgan Stanley under each Contract free and clear of any lien, claims, encumbrances and transfer restrictions. Upon Morgan Stanley obtaining possession or control of the Collateral or upon the filing of appropriate financing statements, Morgan Stanley will have, as security for the undersigned's Obligations, a perfected first-priority security interest in the Collateral. No further filings or recordings with any governmental body, agency or official are necessary to create or perfect the security interest in the Collateral.

ADDITIONAL PROVISIONS RELATED TO CURRENCY CONTRACTS

1. COLLATERAL. Pursuant to Section 30(a), the undersigned shall at all times maintain with Morgan Stanley Collateral in the amount and form of cash and securities acceptable to Morgan Stanley in order to secure the obligations of the undersigned under all open FX Transactions entered into under Section 6 (the “Margin Requirement”). Morgan Stanley shall settle all FX Transactions with the undersigned on a secured basis only, such that Morgan Stanley’s payment obligations to the undersigned under the terms of an FX Transaction shall be made (a) prior to the receipt of the undersigned’s counterpayment thereunder only to the extent that the amount by which Collateral posted by the undersigned exceeds the Margin Requirement is greater than such counterpayment or the U.S. Dollar equivalent thereof, or (b) after Morgan Stanley has confirmed receipt of the undersigned’s counterpayment.

In addition, if (i) Applicable Law requires Morgan Stanley to exchange variation margin with its counterparties with respect to certain FX Transactions, or Morgan Stanley determines as a commercial matter that it will, in its reasonable discretion, exchange variation margin with its counterparties with respect to certain FX Transactions, and (ii) the undersigned enters into such FX Transactions with Morgan Stanley hereunder (“Applicable FX Transactions”), then the following terms shall apply:

- (a) Collateral Account. Morgan Stanley shall establish a separate collateral account on its books and records (the “FX Collateral Account”) in order to process the daily bilateral exchange of Collateral (in the form of USD cash) between the FX Collateral Account and your prime brokerage account at Morgan Stanley (the “PB Account”) in connection with the Applicable FX Transactions.
- (b) Transfers. On each Business Day, Morgan Stanley shall calculate the value of the Applicable FX Transactions using such methods, procedures, rules, inputs and data sources that it deems appropriate in its commercially reasonable discretion. To the extent there are unrealized gains on the Applicable FX Transactions, Morgan Stanley shall credit the equivalent amount in USD cash to the PB Account, and make a corresponding debit in the FX Collateral Account. To the extent there are unrealized losses on the Applicable FX Transactions (and to the extent consistent with Applicable Law), Morgan Stanley shall debit the equivalent amount in USD cash from the PB Account, and make a corresponding credit in the FX Collateral Account.
- (c) Interest. The undersigned will pay interest on debits from, and will receive interest on credits to, the FX Collateral Account, at such rates as are established by Morgan Stanley from time to time.

2. LIQUIDATION. If an Event of Default occurs, Morgan Stanley, in addition to the rights enumerated in Section 8, shall have the right, to terminate and liquidate any or all outstanding FX Transactions between the parties. Morgan Stanley shall achieve such liquidation by (A) closing out each relevant FX Transaction and reasonably determining in good faith (i) market damages equal to the difference between the market value and the contract value of such FX Transaction and (ii) a settlement payment in an amount equal to the net amount of such damages; and (B) setting off the settlement payment, if any, that Morgan Stanley owes to the undersigned as a result of such liquidation and all Collateral or Collateral held by or for Morgan Stanley against the settlement payment that the undersigned owes to Morgan Stanley as a result of such liquidation, so that all such amounts are netted to a single liquidated amount payable in U.S. Dollars by one party to the other party, as appropriate. Morgan Stanley may, without limiting its rights hereunder, also set off amounts that the undersigned owes to any Morgan Stanley Entity under any other Obligations or owed by any Morgan Stanley Entity to the undersigned. Any amounts owed by the parties hereunder shall accrue interest or be discounted at such rates as Morgan Stanley shall determine.

3. FORCE MAJEURE EVENTS. (a) If a Force Majeure Event (as defined below) occurs with respect to any Deliverable FX Transaction and is still in effect, then (but subject to clause (b) below) either party may, by notice to the other party on any day or days after the Waiting Period (as defined below) expires, require the close-out and liquidation of the Obligations under any or all of the Affected FX Transactions (as defined below) in accordance with the provisions of Section 2 of these Additional Provisions Related to Currency Contracts and, Morgan Stanley shall perform the calculation required under such Section 2 in respect of all Affected FX Transactions which either party determines to liquidate. If a party elects to so liquidate less than all Affected FX Transactions, it may liquidate additional Affected FX Transactions on a later day or days if the relevant Force Majeure Event is still in effect.

(d) If the Settlement Date of a Deliverable FX Transaction which is an Affected FX Transaction under clause (a) above falls during the Waiting Period of the relevant Force Majeure Event, then such Settlement Date will be deferred to the first Business Day (or the first day which, but for such event, would have been a Business Day) after the end of that Waiting Period (or, in the case of split settlement, the first Local Banking Day (as defined below) or the first day which, but for such event, would have been a Local Banking Day, after the end of the Waiting Period). Compensation for this deferral shall be at then current market rates as determined in a commercially reasonable manner by Morgan Stanley under clause (a).

(e) If a Force Majeure Event has occurred, the Affected Party shall promptly give notice thereof to the other party. If an event occurs that would otherwise constitute both a Force Majeure Event and an event that would give Morgan Stanley rights under Section 8, that event will be treated as a Force Majeure Event.

(f) For purposes herein, "Force Majeure Event", on any day determined as if such day were a Settlement Date of a Deliverable FX Transaction (even if it is not), means (i) either party, by reason of force majeure or act of state, is prevented from or hindered or delayed in delivering or receiving, or it is impossible to deliver or receive, any currency in respect of an Obligation hereunder, and which event is beyond the control of such party and which such party, with reasonable diligence, cannot overcome, or (ii) it is unlawful for either party to deliver or receive a payment of any currency in respect of an Obligation hereunder. A party whose delivery or receipt of currency has been or would be so prevented, hindered or delayed or made unlawful or impossible is an "Affected Party", and a Deliverable FX Transaction under which performance has been or would be so prevented, hindered or delayed or made unlawful or impossible is an "Affected FX Transaction". Notwithstanding anything to the contrary in this Agreement or the FX Definitions, circumstances that may give rise, contractually or under law, to an illegality, impossibility or other force majeure event with respect to the Reference Currency of a Non-Deliverable FX Transaction shall have no effect on such transaction; provided, however, that such Non-Deliverable FX Transaction will be subject to such Disruption Events or Disruption Fallbacks as set forth in the relevant confirmations.

(g) For purposes herein, "Waiting Period", in respect of a Force Majeure Event, means the first three days after such event occurs which are Business Days or which, but for such event, would have been Business Days.

(h) For purposes herein, "Local Banking Day" means (i) for any currency, a day on which commercial banks effect deliveries of that currency in accordance with the market practice of the relevant foreign exchange market, and (ii) for any party, a day in the location of the applicable office of such party on which commercial banks in that location are not authorized or required by law to close.

Margin Disclosure Document

Morgan Stanley is required to furnish this document to non-institutional accounts¹ to provide some basic facts about purchasing securities on margin, and to describe the risks involved with trading securities in a margin account. You should carefully review this document and the margin agreement governing your account.² If you have any questions, please consult with your account representative.

When you purchase securities, you may pay for the securities in full or you may borrow part of the purchase price from us. If you choose to borrow funds from Morgan Stanley, you will open a margin account with us. The securities in your account are the Firm's collateral for the loan to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan. As a result, the Firm can take action such as issuing a margin call and/or selling securities or other assets in any of your accounts held with the Firm in order to maintain the required equity in the account.

It is important that you fully understand the risks in trading securities in margin. These risks include, but are not limited to the following:

- **You can lose more funds than you deposit in the margin account.**
A decline in the value of securities that are purchased on margin may require you to provide additional funds to the Firm to avoid the forced sale of those securities or other securities or assets in your account(s).
- **The Firm can force the sale of securities or other assets in your account(s).**
If the equity in your account falls below the maintenance margin requirements or the Firm's higher "house" requirements, the Firm can sell the securities or other assets in any of your accounts held at the Firm to cover the margin deficiency. You will also be responsible for any short fall in the account after such a sale.
- **The Firm can sell your securities or other assets without contacting you.**
While Morgan Stanley may attempt to notify you of margin calls, we are not required to do so. Furthermore, even if we contacted you and provided a specific date by which you can meet a margin call, we can still take necessary steps to protect our financial interests, including immediately selling the securities without notice to you.
- **You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold to meet a margin call.**
Because the securities are collateral for the margin loan, the Firm has the right to decide which securities to sell in order to protect its interests.
- **The Firm can increase its "house" maintenance margin requirements at any time and is not required to provide you with advanced written notice.**
These changes in Firm policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may require us to liquidate or sell securities in your account(s).
- **You are not entitled to an extension of time on a margin call.**
While an extension of time to meet a margin requirement may be available to you under certain conditions, you do not have the right to the extension.

¹Non-institutional accounts are defined as other than: (1) a bank, savings and loan association, insurance company, or registered investment company; (2) an investment adviser registered either with the SEC under section 203 of the Investment Advisors Act of 1940 or with a state securities commission (or agency or office performing similar functions); or (3) any other entity (whether a natural person, corporation, partnership, trust, or otherwise) with total assets of at least \$50 million. If you do not meet this definition, Morgan Stanley is not required to send this notice to you.

²In the event of any conflict between this document and any agreements that you have with Morgan Stanley, the latter will govern.

MARGIN CUSTOMER ONLY

CREDIT CHARGE AND MARGIN INFORMATION

Dear Customer:

We wish to inform you of certain procedures regarding interest charges on credit extended for the financing of margin and other securities transactions.

Interest charges and determination of debit balance. Interest will be charged on the net debit balance (as described below) in your account which is comprised of all credit extended to or maintained for your account by us for the purpose of purchasing, carrying or trading in any security or otherwise. Extension or maintenance of credit is governed by, and loan value is based on Regulation T of the board of Governors of the Federal Reserve System and any exchange or self-regulatory agency to whose jurisdiction we are subject. Each extension of credit creates or increases the debit balance upon which interest is charged. Interest will be computed on the net debit balance in your account across all types marked daily to market.

Net debit balances used for interest purposes. The net debit balance is calculated daily to include the credit extended to you across your cash or margin account and 5% of the market value in the short account as that value relates to the sale of non-U.S. securities. In effect, the interest is calculated off the total cash balance in your account (including short sale proceeds) minus 100% of the short market value of your U.S. securities and 105% of the short market value of your non-U.S. securities. Both of these short market values are rounded up to the nearest nickel.

Interest rate. The annual rate of interest charged on your daily net debit balance consists of the base rate as agreed upon between us, which may be a published rate (such as Fed Funds) or the Prime Broker Rate. The daily determination of the Prime Broker Rate is at our sole discretion and may be affected by such rates as those published by The Wall Street Journal, The New York Times and other sources recognized in the industry to be reliable indications of comparable rates for such loans.

Any change in the base rates will result in a corresponding change in the interest rate charged in your account which change will be made without notice to you. However, should we find it necessary to increase the interest rate for any other reason, you will be given at least thirty days written notice prior to such change. The percentages that are added to our base rate may be varied in individual situations at our discretion. Each affected customer will receive prior notification thereof.

What your monthly statement will show. Your monthly statement will show all debit and credit entries for the period and the dates of such entries, the actual debit balance upon which interest is computed, the daily interest rates, the beginning and ending dates of the interest period, the opening and closing interest balances for the period, and the total interest charged for the period. Your net debit balance includes interest charged to your account from prior interest periods which you have not paid.

Interest, which is calculated daily and usually posted on the first Business Day of the following month, is reflected in the monthly statement of account. You should retain the previous monthly statement in order to verify the amount of interest payable on your account.

The following example is presented for the purpose of more clearly stating the method by which interest is computed using the daily net debit balance for the interest period.

HOW TO COMPUTE INTEREST

<u>From</u>	<u>To</u>	<u>Net Debit</u> <u>(Credit)</u>	<u>Effective</u> <u>Rate</u>	<u>Number</u> <u>of Days</u>	<u>Total Interest</u>
7/1	7/10	\$ 10,000	7.00%	10	\$19.44
7/11	7/28	\$ 30,000	6.25%	18	\$93.74
7/29	7/30	(\$50,000)	5.75%	2	(\$15.97)
7/31		(\$100,000)	5.50%	<u>1</u>	<u>(\$15.27)</u>
	Total:			<u>31</u>	<u>\$81.94</u>

Mark to the market. Where the aggregate market value of short positions increases, the balance in the short account type will be increased accordingly by crediting that account and debiting the margin account. Such entries which are processed periodically and commonly referred to as “mark to the market” affect the balance in the margin account. For interest purposes, this balance is adjusted daily for the mark to market on the short securities, as described above. Should the aggregate market value of the short positions later decrease, we would mark the account to the market to reflect the decrease.

Other Charges. Separate interest charges may be made and debit balances can arise from payments we make to you before the regular settlement date, or from your failure to pay for securities purchased in either a cash or margin account by settlement date.

Liens, additional collateral and general policies. On all securities which this firm or any affiliate has or at any time may hold or carry for you (either individually or jointly with others) or which may be deposited with us for any purpose, including safekeeping, we, as pledgee, have a general lien for the discharge of all your obligations to Morgan Stanley & Co. LLC (“Morgan Stanley”), however arising, irrespective of the number of accounts you maintain with Morgan Stanley or its affiliates. You will be required to deposit collateral in accordance with the rules and regulations of the Federal Reserve system, the New York Stock Exchange, Inc., or any other self-regulatory agency under whose jurisdiction we fall. Morgan Stanley has established “house” margin policies which generally require the maintenance of equity in your account above that required by applicable rules. Accordingly, Morgan Stanley may but need not, require you to deposit additional collateral as Morgan Stanley, in its sole discretion, determines is needed as security for your obligations to Morgan Stanley. In determining whether to require additional collateral, Morgan Stanley reviews each account individually and considers factors such as, but not limited to, marketability and volatility in relation to securities held, concentrations in particular issues, current market conditions, frequency of activity, size of account and length of time the account has been open. Although in your monthly statement Morgan Stanley may base the value of certain securities on pricing information supplied by outside pricing services¹, Morgan Stanley reserves the right in its sole discretion to value your securities at any time and without prior notice by reference to prices that reflect current market conditions obtained directly from our trading desks that deal in the securities, or from other sources. International Swap Dealers Association, Inc.

MASTER AGREEMENT

dated as of

..... and

have entered and/or anticipate entering into one or more transactions (each a “Transaction”) that are or will be governed by this Master Agreement, which includes the schedule (the “Schedule”), and the documents and other confirming evidence (each a “Confirmation”) exchanged between the parties confirming those Transactions.

Accordingly, the parties agree as follows: —

1. Interpretation

- (a) **Definitions.** The terms defined in Section 14 and in the Schedule will have the meanings therein specified for the purpose of this Master Agreement.
- (b) **Inconsistency.** In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purpose of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this “Agreement”), and the parties would not otherwise enter into any Transactions.

2. Obligations

- (a) **General Conditions.**
 - (i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.
 - (ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.
 - (iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting.** If on any date amounts would otherwise be payable:—

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) **Deduction or Withholding for Tax.**

(i) **Gross-Up.** All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will:—

- (1) promptly notify the other party ("Y") of such requirement;
- (2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and
- (4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:—

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) **Liability.** If: —

- (1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);
- (2) X does not so deduct or withhold; and
- (3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

(e) **Default Interest; Other Amounts.** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3. Representations

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement) that:—

(a) **Basic Representations.**

- (i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;
- (ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorise such execution, delivery and performance;
- (iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
- (iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and
- (v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

(e) **Payer Tax Representation.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.

(f) **Payee Tax Representations.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(f) is accurate and true.

4. Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:—

(a) **Furnish Specified Information.** It will deliver to the other party or, in certain cases under subparagraph (iii) below, to such government or taxing authority as the other party reasonably directs:—

(i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;

(ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorisations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) **Tax Agreement.** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) **Payment of Stamp Tax.** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated,

organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting for the purpose of this Agreement is located (“Stamp Tax Jurisdiction”) and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party’s execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an “Event of Default”) with respect to such party:—

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) **Credit Support Default.**

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document;

(iv) **Misrepresentation.** A representation (other than a representation under Section 3(e) or (f)) made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) **Default under Specified Transaction.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross Default.** If “Cross Default” is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however

described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) **Bankruptcy**. The party, any Credit Support Provider of such party or any applicable Specified Entity of such party: —

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption**. The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer: —

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events**. The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, a Tax Event if the event is specified in (ii) below or a Tax Event Upon Merger if the event is specified in (iii) below, and, if specified to be applicable, a Credit Event

Upon Merger if the event is specified pursuant to (iv) below or an Additional Termination Event if the event is specified pursuant to (v) below:—

- (i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b)) for such party (which will be the Affected Party): —
- (1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or
 - (2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction;
- (ii) **Tax Event.** Due to (x) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (y) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Payment Date (1) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));
- (iii) **Tax Event Upon Merger.** The party (the “Burdened Party”) on the next succeeding Scheduled Payment Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Indemnifiable Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets to, another entity (which will be the Affected Party) where such action does not constitute an event described in Section 5(a)(viii);
- (iv) **Credit Event Upon Merger.** If “Credit Event Upon Merger” is specified in the Schedule as applying to the party, such party (“X”), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or
- (v) **Additional Termination Event.** If any “Additional Termination Event” is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).
- (c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

6. Early Termination

(a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the “Defaulting Party”) has occurred and is then continuing, the other party (the “Non-defaulting Party”) may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, “Automatic Early Termination” is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) **Right to Terminate Following Termination Event.**

(i) **Notice.** If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) **Transfer to Avoid Termination Event.** If either an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, excluding immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party’s policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) **Two Affected Parties.** If an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iv) **Right to Terminate.** If: —

(1) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality under Section 5(b)(i)(2), a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

either party in the case of an Illegality, the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then

continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) ***Effect of Designation.***

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(e) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) ***Calculations.***

(i) ***Statement.*** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) ***Payment Date.*** An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment) in the Termination Currency, from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) ***Payments on Early Termination.*** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss", and a payment method, either the "First Method" or the "Second Method". If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method", as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) ***Events of Default.*** If the Early Termination Date results from an Event of Default: —

(1) ***First Method and Market Quotation.*** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party over (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party.

(2) ***First Method and Loss.*** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) ***Second Method and Market Quotation.*** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the

Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) *Second Method and Loss*. If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events**. If the Early Termination Date results from a Termination Event: —

(1) *One Affected Party*. If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) *Two Affected Parties*. If there are two Affected Parties: —

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (II) the Termination Currency Equivalent of the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) **Adjustment for Bankruptcy**. In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) **Pre-Estimate**. The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

7. Transfer

Subject to Section 6(b)(ii), neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that: —

- (a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and
- (b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

8. Contractual Currency

(a) **Payment in the Contractual Currency.** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the “Contractual Currency”). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in a reasonable manner and in good faith in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) **Judgments.** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purposes of such judgment or order and the rate of exchange at which such party is able, acting in a reasonable manner and in good faith in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party. The term “rate of exchange” includes, without limitation, any premiums and costs of exchange payable in connection with the purchase of or conversion into the Contractual Currency.

(c) **Separate Indemnities.** To the extent permitted by applicable law, these indemnities constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) **Evidence of Loss.** For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9. Miscellaneous

- (a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.
- (b) **Amendments.** No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.
- (c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.
- (d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.
- (e) **Counterparts and Confirmations.**
- (i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.
- (ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.
- (f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.
- (g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

10. Offices; Multibranch Parties

- (a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to the other party that, notwithstanding the place of booking office or jurisdiction of incorporation or organisation of such party, the obligations of such party are the same as if it had entered into the Transaction through its head or home office. This representation will be deemed to be repeated by such party on each date on which a Transaction is entered into.
- (b) Neither party may change the Office through which it makes and receives payments or deliveries for the purpose of a Transaction without the prior written consent of the other party.
- (c) If a party is specified as a Multibranch Party in the Schedule, such Multibranch Party may make and receive payments or deliveries under any Transaction through any Office listed in the Schedule, and the Office through which it makes and receives payments or deliveries with respect to a Transaction will be specified in the relevant Confirmation.

11. Expenses

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document

to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

12. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic messaging system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:—

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;
- (iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or
- (v) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

(b) **Change of Addresses.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

13. Governing Law and Jurisdiction

(a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:—

- (i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and
- (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(c) **Service of Process.** Each party irrevocably appoints the Process Agent (if any) specified opposite its name in the Schedule to receive, for it and on its behalf, service of process in any Proceedings. If for any

reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and within 30 days appoint a substitute process agent acceptable to the other party. The parties irrevocably consent to service of process given in the manner provided for notices in Section 12. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by law.

(d) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

“Additional Termination Event” has the meaning specified in Section 5(b).

“Affected Party” has the meaning specified in Section 5(b).

“Affiliate” means, subject to the Schedule, in relation to any person, any entity controlled, directly or indirectly, by the person, any entity that controls, directly or indirectly, the person or any entity directly or indirectly under common control with the person. For this purpose, “control” of any entity or person means ownership of a majority of the voting power of the entity or person.

“Change in Tax Law” means the enactment, promulgation, execution or ratification of, or any change in or amendment to, any law (or in the application or official interpretation of any law) that occurs on or after the date on which the relevant Transaction is entered into.

“consent” includes a consent, approval, action, authorisation, exemption, notice, filing, registration or exchange control consent.

“Credit Support Document” means any agreement or instrument that is specified as such in this Agreement.

“Credit Support Provider” has the meaning specified in the Schedule.

“Default Rate” means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the relevant payee (as certified by it) if it were to fund or of funding the relevant amount plus 1% per annum.

“Defaulting Party” has the meaning specified in Section 6(a).

“Early Termination Date” means the date determined in accordance with Section 6(a) or 6(b)(iv).

“Event of Default” has the meaning specified in Section 5(a) and, if applicable, in the Schedule.

“Illegality” has the meaning specified in Section 5(b).

“Indemnifiable Tax” means any Tax other than a Tax that would not be imposed in respect of a payment under this Agreement but for a present or former connection between the jurisdiction of the government or taxation authority imposing such Tax and the recipient of such payment or a person related to such recipient (including, without limitation, a connection arising from such recipient or related person being or having been a citizen or resident of such jurisdiction, or being or having been organised, present or engaged in a trade or business in such jurisdiction, or having or having had a permanent establishment or fixed place of business in such jurisdiction, but excluding a connection arising solely from such recipient or related person having executed, delivered, performed its obligations or received a payment under, or enforced, this Agreement or a Credit Support Document).

“law” includes any treaty, law, rule or regulation (as modified, in the case of tax matters, by the practice of any relevant governmental revenue authority) and **“lawful”** and **“unlawful”** will be construed accordingly.

“Local Business Day” means, subject to the Schedule, a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) (a) in relation to any obligation under Section 2(a)(i), in the place(s) specified in the relevant Confirmation or, if not so specified, as otherwise agreed by the parties in writing or determined pursuant to provisions contained, or incorporated by reference, in this Agreement, (b) in relation to any other payment, in the place where the relevant account is located and, if different, in the principal financial centre, if any, of the currency of such payment, (c) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), in the city specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place where the relevant new account is to be located and (d) in relation to Section 5(a)(v)(2), in the relevant locations for performance with respect to such Specified Transaction.

“Loss” means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, the Termination Currency Equivalent of an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party’s legal fees and out-of-pocket expenses referred to under Section 11. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

“Market Quotation” means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the “Replacement Transaction”) that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have

been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

“Non-default Rate” means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the Non-defaulting Party (as certified by it) if it were to fund the relevant amount.

“Non-defaulting Party” has the meaning specified in Section 6(a).

“Office” means a branch or office of a party, which may be such party’s head or home office.

“Potential Event of Default” means any event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default.

“Reference Market-makers” means four leading dealers in the relevant market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among such dealers having an office in the same city.

“Relevant Jurisdiction” means, with respect to a party, the jurisdictions (a) in which the party is incorporated, organised, managed and controlled or considered to have its seat, (b) where an Office through which the party is acting for purposes of this Agreement is located, (c) in which the party executes this Agreement and (d) in relation to any payment, from or through which such payment is made.

“Scheduled Payment Date” means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

“Set-off” means set-off, offset, combination of accounts, right of retention or withholding or similar right or requirement to which the payer of an amount under Section 6 is entitled or subject (whether arising under this Agreement, another contract, applicable law or otherwise) that is exercised by, or imposed on, such payer.

“Settlement Amount” means, with respect to a party and any Early Termination Date, the sum of: —

(a) the Termination Currency Equivalent of the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party’s Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

“Specified Entity” has the meanings specified in the Schedule.

“Specified Indebtedness” means, subject to the Schedule, any obligation (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money.

“Specified Transaction” means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

“Stamp Tax” means any stamp, registration, documentation or similar tax.

“Tax” means any present or future tax, levy, impost, duty, charge, assessment or fee of any nature (including interest, penalties and additions thereto) that is imposed by any government or other taxing authority in respect of any payment under this Agreement other than a stamp, registration, documentation or similar tax.

“Tax Event” has the meaning specified in Section 5(b).

“Tax Event Upon Merger” has the meaning specified in Section 5(b).

“Terminated Transactions” means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if “Automatic Early Termination” applies, immediately before that Early Termination Date).

“Termination Currency” has the meaning specified in the Schedule.

“Termination Currency Equivalent” means, in respect of any amount denominated in the Termination Currency, such Termination Currency amount and, in respect of any amount denominated in a currency other than the Termination Currency (the “Other Currency”), the amount in the Termination Currency determined by the party making the relevant determination as being required to purchase such amount of such Other Currency as at the relevant Early Termination Date, or, if the relevant Market Quotation or Loss (as the case may be), is determined as of a later date, that later date, with the Termination Currency at the rate equal to the spot exchange rate of the foreign exchange agent (selected as provided below) for the purchase of such Other Currency with the Termination Currency at or about 11:00 a.m. (in the city in which such foreign exchange agent is located) on such date as would be customary for the determination of such a rate for the purchase of such Other Currency for value on the relevant Early Termination Date or that later date. The foreign exchange agent will, if only one party is obliged to make a determination under Section 6(e), be selected in good faith by that party and otherwise will be agreed by the parties.

“Termination Event” means an Illegality, a Tax Event or a Tax Event Upon Merger or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

“Termination Rate” means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

“Unpaid Amounts” owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii)) to such party under Section 2(a)(i) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market

value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. Such amounts of interest will be calculated on the basis of daily compounding and the actual number of days elapsed. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the Termination Currency Equivalents of the fair market values reasonably determined by both parties.

2002 MASTER AGREEMENT

dated as of [To be specified at execution]

**MORGAN STANLEY & CO.
INTERNATIONAL PLC**

and

[Counterparty Name]

have entered and/or anticipate entering into one or more transactions (each a “Transaction”) that are or will be governed by this 2002 Master Agreement, which includes the schedule (the “Schedule”), and the documents and other confirming evidence (each a “Confirmation”) exchanged between the parties or otherwise effective for the purpose of confirming or evidencing those Transactions. This 2002 Master Agreement and the Schedule are together referred to as this “Master Agreement”.

Accordingly, the parties agree as follows:—

1. Interpretation

- (a) **Definitions.** The terms defined in Section 14 and elsewhere in this Master Agreement will have the meanings therein specified for the purpose of this Master Agreement.
- (b) **Inconsistency.** In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement, such Confirmation will prevail for the purpose of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this “Agreement”), and the parties would not otherwise enter into any Transactions.

2. Obligations

- (a) **General Conditions.**
 - (i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.
 - (ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.

(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other condition specified in this Agreement to be a condition precedent for the purpose of this Section 2(a)(iii).

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the Scheduled Settlement Date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting of Payments.** If on any date amounts would otherwise be payable:—

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by which the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount and payment obligation will be determined in respect of all amounts payable on the same date in the same currency in respect of those Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or any Confirmation by specifying that "Multiple Transaction Payment Netting" applies to the Transactions identified as being subject to the election (in which case clause (ii) above will not apply to such Transactions). If Multiple Transaction Payment Netting is applicable to Transactions, it will apply to those Transactions with effect from the starting date specified in the Schedule or such Confirmation, or, if a starting date is not specified in the Schedule or such Confirmation, the starting date otherwise agreed by the parties in writing. This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) **Deduction or Withholding for Tax.**

(i) **Gross-Up.** All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will—

- (1) promptly notify the other party ("Y") of such requirement;
- (2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and

(4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:—

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, after a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) **Liability.** If:—

(1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);

(2) X does not so deduct or withhold; and

(3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

3. Representations

Each party makes the representations contained in Sections 3(a), 3(b), 3(c), 3(d), 3(e) and 3(f) and, if specified in the Schedule as applying, 3(g) to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement). If any “Additional Representation” is specified in the Schedule or any Confirmation as applying, the party or parties specified for such Additional Representation will make and, if applicable, be deemed to repeat such Additional Representation at the time or times specified for such Additional Representation.

(a) **Basic Representations.**

(i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing;

(ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorize such execution, delivery and performance;

- (iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
- (iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and
- (v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).
- (b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.
- (c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it, any of its Credit Support Providers or any of its applicable Specified Entities any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.
- (d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.
- (e) **Payer Tax Representation.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.
- (f) **Payee Tax Representations.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(f) is accurate and true.
- (g) **No Agency.** It is entering into this Agreement, including each Transaction, as principal and not as agent of any person or entity.

4. Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:—

- (a) **Furnish Specified Information.** It will deliver to the other party or, in certain cases under clause (iii) below, to such government or taxing authority as the other party reasonably directs:—
- (i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;
- (ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorisations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply With Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) **Tax Agreement.** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) **Payment of Stamp Tax.** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated, organised, managed and controlled or considered to have its seat, or where an Office through which it is acting for the purpose of this Agreement is located (“Stamp Tax Jurisdiction”), and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party’s execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes (subject to Sections 5(c) and 6(e)(iv)) an event of default (an “Event of Default”) with respect to such party:—

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 9(h)(i)(2) or (4) required to be made by it if such failure is not remedied on or before the first Local Business Day in the case of any such payment or the first Local Delivery Day in the case of any such delivery after, in each case, notice of such failure is given to the party;

(ii) **Breach of Agreement; Repudiation of Agreement.**

(1) Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 9(h)(i)(2) or (4) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied within 30 days after notice of such failure is given to the party; or

(2) the party disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, this Master Agreement, any Confirmation executed and delivered by that party or any

Transaction evidenced by such a Confirmation (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(iii) ***Credit Support Default.***

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document, or any security interest granted by such party or such Credit Support Provider to the other party pursuant to any such Credit Support Document, to be in full force and effect for the purpose of this Agreement (in each case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(iv) ***Misrepresentation.*** A representation (other than a representation under Section 3(e) or 3(f)) made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) ***Default Under Specified Transaction.*** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:—

(1) defaults (other than by failing to make a delivery) under a Specified Transaction or any credit support arrangement relating to a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, such default results in a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction;

(2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment due on the last payment or exchange date of, or any payment on early termination of, a Specified Transaction (or, if there is no applicable notice requirement or grace period, such default continues for at least one Local Business Day);

(3) defaults in making any delivery due under (including any delivery due on the last delivery or exchange date of) a Specified Transaction or any credit support arrangement relating to a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, such default results in a liquidation of, an acceleration of obligations under, or an early termination of, all transactions outstanding under the documentation applicable to that Specified Transaction; or

(4) disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, a Specified Transaction or any credit support arrangement relating to a Specified Transaction that is, in either case, confirmed or evidenced by a document or other confirming evidence executed and delivered by that party, Credit Support Provider or Specified Entity (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross-Default.** If “Cross-Default” is specified in the Schedule as applying to the party, the occurrence or existence of:—

(1) a default, event of default or other similar condition or event (however described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) where the aggregate principal amount of such agreements or instruments, either alone or together with the amount, if any, referred to in clause (2) below, is not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments before it would otherwise have been due and payable; or

(2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments under such agreements or instruments on the due date for payment (after giving effect to any applicable notice requirement or grace period) in an aggregate amount, either alone or together with the amount, if any, referred to in clause (1) above, of not less than the applicable Threshold Amount;

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:—

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4)(A) institutes or has instituted against it, by a regulator, supervisor or any similar official with primary insolvency, rehabilitative or regulatory jurisdiction over it in the jurisdiction of its incorporation or organization or the jurisdiction of its head or home office, a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors’ rights, or a petition is presented for its winding-up or liquidation by it or such regulator, supervisor or similar official, or (B) has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors’ rights, or a petition is presented for its winding-up or liquidation, and such proceeding or petition is instituted or presented by a person or entity not described in clause (A) above and either (I) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (II) is not dismissed, discharged, stayed or restrained in each case within 15 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 15 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) above (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, or reorganizes, reincorporates or reconstitutes into or as, another entity and, at the time of such consolidation, amalgamation, merger, transfer, reorganization, reincorporation or reconstitution:—

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes (subject to Section 5(c)) an Illegality if the event is specified in clause (i) below, a Force Majeure Event if the event is specified in clause (ii) below, a Tax Event if the event is specified in clause (iii) below, a Tax Event Upon Merger if the event is specified in clause (iv) below, and, if specified to be applicable, a Credit Event Upon Merger if the event is specified pursuant to clause (v) below or an Additional Termination Event if the event is specified pursuant to clause (vi) below:—

(i) **Illegality.** After giving effect to any applicable provision, disruption fallback or remedy specified in, or pursuant to, the relevant Confirmation or elsewhere in this Agreement, due to an event or circumstance (other than any action taken by a party or, if applicable, any Credit Support Provider of such party) occurring after a Transaction is entered into, it becomes unlawful under any applicable law (including without limitation the laws of any country in which payment, delivery or compliance is required by either party or any Credit Support Provider, as the case may be), on any day, or it would be unlawful if the relevant payment, delivery or compliance were required on that day (in each case, other than as a result of a breach by the party of Section 4(b)):—

(1) for the Office through which such party (which will be the Affected Party) makes and receives payments or deliveries with respect to such Transaction to perform any absolute or contingent obligation to make a payment or delivery in respect of such Transaction, to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) for such party or any Credit Support Provider of such party (which will be the Affected Party) to perform any absolute or contingent obligation to make a payment or delivery which such party or Credit Support Provider has under any Credit Support Document relating to such Transaction, to receive a payment or delivery under such Credit Support Document or to comply with any other material provision of such Credit Support Document;

(ii) **Force Majeure Event.** After giving effect to any applicable provision, disruption fallback or remedy specified in, or pursuant to, the relevant Confirmation or elsewhere in this Agreement, by reason of force majeure or act of state occurring after a Transaction is entered into, on any day:—

(1) the Office through which such party (which will be the Affected Party) makes and receives payments or deliveries with respect to such Transaction is prevented from performing any absolute or contingent obligation to make a payment or delivery in respect of such Transaction, from receiving a payment or delivery in respect of such Transaction or from complying with any other material provision of this Agreement relating to such Transaction (or would be so prevented if such payment, delivery or compliance were required on that day), or it becomes impossible or

impracticable for such Office so to perform, receive or comply (or it would be impossible or impracticable for such Office so to perform, receive or comply if such payment, delivery or compliance were required on that day); or

(2) such party or any Credit Support Provider of such party (which will be the Affected Party) is prevented from performing any absolute or contingent obligation to make a payment or delivery which such party or Credit Support Provider has under any Credit Support Document relating to such Transaction, from receiving a payment or delivery under such Credit Support Document or from complying with any other material provision of such Credit Support Document (or would be so prevented if such payment, delivery or compliance were required on that day), or it becomes impossible or impracticable for such party or Credit Support Provider so to perform, receive or comply (or it would be impossible or impracticable for such party or Credit Support Provider so to perform, receive or comply if such payment, delivery or compliance were required on that day),

so long as the force majeure or act of state is beyond the control of such Office, such party or such Credit Support Provider, as appropriate, and such Office, party or Credit Support Provider could not, after using all reasonable efforts (which will not require such party or Credit Support Provider to incur a loss, other than immaterial, incidental expenses), overcome such prevention, impossibility or impracticability;

(iii) **Tax Event.** Due to (1) any action taken by a taxing authority, or brought in a court of competent jurisdiction, after a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (2) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Settlement Date (A) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 9(h)) or (B) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 9(h)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iv) **Tax Event Upon Merger.** The party (the “Burdened Party”) on the next succeeding Scheduled Settlement Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 9(h)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets (or any substantial part of the assets comprising the business conducted by it as of the date of this Master Agreement) to, or reorganizing, reincorporating or reconstituting into or as, another entity (which will be the Affected Party) where such action does not constitute a Merger Without Assumption;

(v) **Credit Event Upon Merger.** If “Credit Event Upon Merger” is specified in the Schedule as applying to the party, a Designated Event (as defined below) occurs with respect to such party, any Credit Support Provider of such party or any applicable Specified Entity of such party (in each case, “X”) and such Designated Event does not constitute a Merger Without Assumption, and the creditworthiness of X or, if applicable, the successor, surviving or transferee entity of X, after taking into account any applicable Credit Support Document, is materially weaker immediately after the occurrence of such Designated Event than that of X immediately prior to the occurrence of such Designated Event (and, in any such event, such party or its successor, surviving or transferee entity, as appropriate, will be the Affected Party). A “Designated Event” with respect to X means that:—

(1) X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets (or any substantial part of the assets comprising the business conducted by X as of the

date of this Master Agreement) to, or reorganizes, reincorporates or reconstitutes into or as, another entity;

(2) any person, related group of persons or entity acquires directly or indirectly the beneficial ownership of (A) equity securities having the power to elect a majority of the board of directors (or its equivalent) of X or (B) any other ownership interest enabling it to exercise control of X; or

(3) X effects any substantial change in its capital structure by means of the issuance, incurrence or guarantee of debt or the issuance of (A) preferred stock or other securities convertible into or exchangeable for debt or preferred stock or (B) in the case of entities other than corporations, any other form of ownership interest; or

(vi) **Additional Termination Event.** If any “Additional Termination Event” is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties will be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) **Hierarchy of Events.**

(i) An event or circumstance that constitutes or gives rise to an Illegality or a Force Majeure Event will not, for so long as that is the case, also constitute or give rise to an Event of Default under Section 5(a)(i), 5(a)(ii)(1) or 5(a)(iii)(1) insofar as such event or circumstance relates to the failure to make any payment or delivery or a failure to comply with any other material provision of this Agreement or a Credit Support Document, as the case may be.

(ii) Except in circumstances contemplated by clause (i) above, if an event or circumstance which would otherwise constitute or give rise to an Illegality or a Force Majeure Event also constitutes an Event of Default or any other Termination Event, it will be treated as an Event of Default or such other Termination Event, as the case may be, and will not constitute or give rise to an Illegality or a Force Majeure Event.

(iii) If an event or circumstance which would otherwise constitute or give rise to a Force Majeure Event also constitutes an Illegality, it will be treated as an Illegality, except as described in clause (ii) above, and not a Force Majeure Event.

(d) **Deferral of Payments and Deliveries During Waiting Period.** If an Illegality or a Force Majeure Event has occurred and is continuing with respect to a Transaction, each payment or delivery which would otherwise be required to be made under that Transaction will be deferred to, and will not be due until:—

(i) the first Local Business Day or, in the case of a delivery, the first Local Delivery Day (or the first day that would have been a Local Business Day or Local Delivery Day, as appropriate, but for the occurrence of the event or circumstance constituting or giving rise to that Illegality or Force Majeure Event) following the end of any applicable Waiting Period in respect of that Illegality or Force Majeure Event, as the case may be; or

(ii) if earlier, the date on which the event or circumstance constituting or giving rise to that Illegality or Force Majeure Event ceases to exist or, if such date is not a Local Business Day or, in the case of a delivery, a Local Delivery Day, the first following day that is a Local Business Day or Local Delivery Day, as appropriate.

(e) **Inability of Head or Home Office to Perform Obligations of Branch.** If (i) an Illegality or a Force Majeure Event occurs under Section 5(b)(i)(1) or 5(b)(ii)(1) and the relevant Office is not the Affected Party’s head or home office, (ii) Section 10(a) applies, (iii) the other party seeks performance of the relevant obligation or

compliance with the relevant provision by the Affected Party's head or home office and (iv) the Affected Party's head or home office fails so to perform or comply due to the occurrence of an event or circumstance which would, if that head or home office were the Office through which the Affected Party makes and receives payments and deliveries with respect to the relevant Transaction, constitute or give rise to an Illegality or a Force Majeure Event, and such failure would otherwise constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(1) with respect to such party, then, for so long as the relevant event or circumstance continues to exist with respect to both the Office referred to in Section 5(b)(i)(1) or 5(b)(ii)(1), as the case may be, and the Affected Party's head or home office, such failure will not constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(1).

6. Early Termination; Close-Out Netting

(a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the "Defaulting Party") has occurred and is then continuing, the other party (the "Non-defaulting Party") may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) **Right to Terminate Following Termination Event.**

(i) **Notice.** If a Termination Event other than a Force Majeure Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction, and will also give the other party such other information about that Termination Event as the other party may reasonably require. If a Force Majeure Event occurs, each party will, promptly upon becoming aware of it, use all reasonable efforts to notify the other party, specifying the nature of that Force Majeure Event, and will also give the other party such other information about that Force Majeure Event as the other party may reasonably require.

(ii) **Transfer to Avoid Termination Event.** If a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, other than immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party's policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) **Two Affected Parties.** If a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice of such occurrence is given under Section 6(b)(i) to avoid that Termination Event.

(iv) ***Right to Terminate.***

(1) If:—

(A) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(B) a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there are two Affected Parties, or the Non-affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, if the relevant Termination Event is then continuing, by not more than 20 days notice to the other party, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(2) If at any time an Illegality or a Force Majeure Event has occurred and is then continuing and any applicable Waiting Period has expired:—

(A) Subject to clause (B) below, either party may, by not more than 20 days notice to the other party, designate (I) a day not earlier than the day on which such notice becomes effective as an Early Termination Date in respect of all Affected Transactions or (II) by specifying in that notice the Affected Transactions in respect of which it is designating the relevant day as an Early Termination Date, a day not earlier than two Local Business Days following the day on which such notice becomes effective as an Early Termination Date in respect of less than all Affected Transactions. Upon receipt of a notice designating an Early Termination Date in respect of less than all Affected Transactions, the other party may, by notice to the designating party, if such notice is effective on or before the day so designated, designate that same day as an Early Termination Date in respect of any or all other Affected Transactions.

(B) An Affected Party (if the Illegality or Force Majeure Event relates to performance by such party or any Credit Support Provider of such party of an obligation to make any payment or delivery under, or to compliance with any other material provision of, the relevant Credit Support Document) will only have the right to designate an Early Termination Date under Section 6(b)(iv)(2)(A) as a result of an Illegality under Section 5(b)(i)(2) or a Force Majeure Event under Section 5(b)(ii)(2) following the prior designation by the other party of an Early Termination Date, pursuant to Section 6(b)(iv)(2)(A), in respect of less than all Affected Transactions.

(c) ***Effect of Designation.***

(i) If notice designating an Early Termination Date is given under Section 6(a) or 6(b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 9(h)(i) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date will be determined pursuant to Sections 6(e) and 9(h)(ii).

(d) **Calculations; Payment Date.**

(i) **Statement.** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including any quotations, market data or information from internal sources used in making such calculations), (2) specifying (except where there are two Affected Parties) any Early Termination Amount payable and (3) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation or market data obtained in determining a Close-out Amount, the records of the party obtaining such quotation or market data will be conclusive evidence of the existence and accuracy of such quotation or market data.

(ii) **Payment Date.** An Early Termination Amount due in respect of any Early Termination Date will, together with any amount of interest payable pursuant to Section 9(h)(ii)(2), be payable (1) on the day on which notice of the amount payable is effective in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default and (2) on the day which is two Local Business Days after the day on which notice of the amount payable is effective (or, if there are two Affected Parties, after the day on which the statement provided pursuant to clause (i) above by the second party to provide such a statement is effective) in the case of an Early Termination Date which is designated as a result of a Termination Event.

(e) **Payments on Early Termination.** If an Early Termination Date occurs, the amount, if any, payable in respect of that Early Termination Date (the “Early Termination Amount”) will be determined pursuant to this Section 6(e) and will be subject to Section 6(f).

(i) **Events of Default.** If the Early Termination Date results from an Event of Default, the Early Termination Amount will be an amount equal to (1) the sum of (A) the Termination Currency Equivalent of the Close-out Amount or Close-out Amounts (whether positive or negative) determined by the Non-defaulting Party for each Terminated Transaction or group of Terminated Transactions, as the case may be, and (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (2) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If the Early Termination Amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of Early Termination Amount to the Defaulting Party.

(ii) **Termination Events.** If the Early Termination Date results from a Termination Event:—

(1) **One Affected Party.** Subject to clause (3) below, if there is one Affected Party, the Early Termination Amount will be determined in accordance with Section 6(e)(i), except that references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and to the Non-affected Party, respectively.

(2) **Two Affected Parties.** Subject to clause (3) below, if there are two Affected Parties, each party will determine an amount equal to the Termination Currency Equivalent of the sum of the Close-out Amount or Close-out Amounts (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions, as the case may be, and the Early Termination Amount will be an amount equal to (A) the sum of (I) one-half of the difference between the higher amount so determined (by party “X”) and lower amount so determined (by party “Y”) and (II) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to Y. If the Early Termination Amount is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of the Early Termination Amount to Y.

(3) *Mid-Market Events.* If that Termination Event is an Illegality or a Force Majeure Event, then the Early Termination Amount will be determined in accordance with clause (1) or (2) above, as appropriate, except that, for the purpose of determining a Close-out Amount or Close-out Amounts, the Determining Party will:—

(A) if obtaining quotations from one or more third parties (or from any of the Determining Party's Affiliates), ask each third party or Affiliate (I) not to take account of the current creditworthiness of the Determining Party or any existing Credit Support Document and (II) to provide mid-market quotations; and

(B) in any other case, use mid-market values without regard to the creditworthiness of the Determining Party.

(iii) *Adjustment for Bankruptcy.* In circumstances where an Early Termination Date occurs because Automatic Early Termination applies in respect of a party, Early Termination Amount will be subject to such adjustments as are appropriate and permitted by applicable law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) *Adjustment for Illegality or Force Majeure Event.* The failure by a party or any Credit Support Provider of such party to pay, when due, any Early Termination Amount will not constitute an Event of Default under Section 5(a)(i) or 5(a)(iii)(1) if such failure is due to the occurrence of an event or circumstance which would, if it occurred with respect to payment, delivery or compliance related to a Transaction, constitute or give rise to an Illegality or a Force Majeure Event. Such amount will (1) accrue interest and otherwise be treated as an Unpaid Amount owing to the other party if subsequently an Early Termination Date results from an Event of Default, a Credit Event Upon Merger or an Additional Termination Event in respect of which all outstanding Transactions are Affected Transactions and (2) otherwise accrue interest in accordance with Section 9(h)(ii)(2).

(v) *Pre-Estimate.* The parties agree that an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks, and, except as otherwise provided in this Agreement, neither party will be entitled to recover any additional damages as a consequence of the termination of the Terminated Transactions.

(f) *Set-Off.* Any Early Termination Amount payable to one party (the "Payee") by the other party (the "Payer"), in circumstances where there is a Defaulting Party or where there is one Affected Party in the case where either a Credit Event Upon Merger has occurred or any other Termination Event in respect of which all outstanding Transactions are Affected Transactions has occurred, will, at the option of the Non-defaulting Party or the Non-affected Party, as the case may be ("X") (and without prior notice to the Defaulting Party or the Affected Party, as the case may be), be reduced by its set-off against any other amounts ("Other Amounts") payable by the Payee to the Payer (whether or not arising under this Agreement, matured or contingent and irrespective of the currency, place of payment or place of booking of the obligation). To the extent that any Other Amounts are so set off, those Other Amounts will be discharged promptly and in all respects. X will give notice to the other party of any set-off effected under this Section 6(f).

For this purpose, either the Early Termination Amount or the Other Amounts (or the relevant portion of such amounts) may be converted by X into the currency in which the other is denominated at the rate of exchange at which such party would be able, in good faith and using commercially reasonable procedures, to purchase the relevant amount of such currency.

If an obligation is unascertained, X may in good faith estimate that obligation and set off in respect of the estimate, subject to the relevant party accounting to the other when the obligation is ascertained.

Nothing in this Section 6(f) will be effective to create a charge or other security interest. This Section 6(f) will be without prejudice and in addition to any right of set-off, offset, combination of accounts, lien, right of retention or withholding or similar right or requirement to which any party is at any time otherwise entitled or subject (whether by operation of law, contract or otherwise).

7. Transfer

Subject to Section 6(b)(ii) and to the extent permitted by applicable law, neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that:—

(a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and

(b) a party may make such a transfer of all or any part of its interest in any Early Termination Amount payable to it by a Defaulting Party, together with any amounts payable on or with respect to that interest and any other rights associated with that interest pursuant to Sections 8, 9(h) and 11.

Any purported transfer that is not in compliance with this Section 7 will be void.

8. Contractual Currency

(a) **Payment in the Contractual Currency.** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the “Contractual Currency”). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in good faith and using commercially reasonable procedures in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) **Judgments.** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in clause (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purpose of such judgment or order and the rate of exchange at which such party is able, acting in good faith and using

commercially reasonable procedures in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party.

(c) **Separate Indemnities.** To the extent permitted by applicable law, the indemnities in this Section 8 constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) **Evidence of Loss.** For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9. Miscellaneous

(a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter. Each of the parties acknowledges that in entering into this Agreement it has not relied on any oral or written representation, warranty or other assurance (except as provided for or referred to in this Agreement) and waives all rights and remedies which might otherwise be available to it in respect thereof, except that nothing in this Agreement will limit or exclude any liability of a party for fraud.

(b) **Amendments.** An amendment, modification or waiver in respect of this Agreement will only be effective if in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system.

(c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.

(d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.

(e) **Counterparts and Confirmations.**

(i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission and by electronic messaging system), each of which will be deemed an original.

(ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation will be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes, by an exchange of electronic messages on an electronic messaging system or by an exchange of e-mails, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex, electronic message or e-mail constitutes a Confirmation.

(f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege

(g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

(h) ***Interest and Compensation.***

(i) ***Prior to Early Termination.*** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction:—

(1) ***Interest on Defaulted Payments.*** If a party defaults in the performance of any payment obligation, it will, to the extent permitted by applicable law and subject to Section 6(c), pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as the overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment (and excluding any period in respect of which interest or compensation in respect of the overdue amount is due pursuant to clause (3)(B) or (C) below), at the Default Rate.

(2) ***Compensation for Defaulted Deliveries.*** If a party defaults in the performance of any obligation required to be settled by delivery, it will on demand (A) compensate the other party to the extent provided for in the relevant Confirmation or elsewhere in this Agreement and (B) unless otherwise provided in the relevant Confirmation or elsewhere in this Agreement, to the extent permitted by applicable law and subject to Section 6(c), pay to the other party interest (before as well as after judgment) on an amount equal to the fair market value of that which was required to be delivered in the same currency as that amount, for the period from (and including) the originally scheduled date for delivery to (but excluding) the date of actual delivery (and excluding any period in respect of which interest or compensation in respect of that amount is due pursuant to clause (4) below), at the Default Rate. The fair market value of any obligation referred to above will be determined as of the originally scheduled date for delivery, in good faith and using commercially reasonable procedures, by the party that was entitled to take delivery.

(3) ***Interest on Deferred Payments.*** If:—

(A) a party does not pay any amount that, but for Section 2(a)(iii), would have been payable, it will, to the extent permitted by applicable law and subject to Section 6(c) and clauses (B) and (C) below, pay interest (before as well as after judgment) on that amount to the other party on demand (after such amount becomes payable) in the same currency as that amount, for the period from (and including) the date the amount would, but for Section 2(a)(iii), have been payable to (but excluding) the date the amount actually becomes payable, at the Applicable Deferral Rate;

(B) a payment is deferred pursuant to Section 5(d), the party which would otherwise have been required to make that payment will, to the extent permitted by applicable law, subject to Section 6(c) and for so long as no Event of Default or Potential Event of Default with respect to that party has occurred and is continuing, pay interest (before as well as after judgment) on the amount of the deferred payment to the other party on demand (after such amount becomes payable) in the same currency as the deferred payment, for the period from (and including) the date the amount would, but for Section 5(d), have been payable to (but excluding) the earlier of the date the payment is no longer deferred pursuant to Section 5(d) and the date during the deferral period upon which an Event of Default or Potential Event of Default with respect to that party occurs, at the Applicable Deferral Rate; or

(C) a party fails to make any payment due to the occurrence of an Illegality or a Force Majeure Event (after giving effect to any deferral period contemplated by clause (B) above), it will, to the extent permitted by applicable law, subject to Section 6(c) and for so long as the event or circumstance giving rise to that Illegality or Force Majeure Event

continues and no Event of Default or Potential Event of Default with respect to that party has occurred and is continuing, pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as the overdue amount, for the period from (and including) the date the party fails to make the payment due to the occurrence of the relevant Illegality or Force Majeure Event (or, if later, the date the payment is no longer deferred pursuant to Section 5(d)) to (but excluding) the earlier of the date the event or circumstance giving rise to that Illegality or Force Majeure Event ceases to exist and the date during the period upon which an Event of Default or Potential Event of Default with respect to that party occurs (and excluding any period in respect of which interest or compensation in respect of the overdue amount is due pursuant to clause (B) above), at the Applicable Deferral Rate.

(4) *Compensation for Deferred Deliveries.* If:—

(A) a party does not perform any obligation that, but for Section 2(a)(iii), would have been required to be settled by delivery;

(B) a delivery is deferred pursuant to Section 5(d); or

(C) a party fails to make a delivery due to the occurrence of an Illegality or a Force Majeure Event at a time when any applicable Waiting Period has expired,

the party required (or that would otherwise have been required) to make the delivery will, to the extent permitted by applicable law and subject to Section 6(c), compensate and pay interest to the other party on demand (after, in the case of clauses (A) and (B) above, such delivery is required) if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

(ii) **Early Termination.** Upon the occurrence or effective designation of an Early Termination Date in respect of a Transaction:—

(1) *Unpaid Amounts.* For the purpose of determining an Unpaid Amount in respect of the relevant Transaction, and to the extent permitted by applicable law, interest will accrue on the amount of any payment obligation or the amount equal to the fair market value of any obligation required to be settled by delivery included in such determination in the same currency as that amount, for the period from (and including) the date the relevant obligation was (or would have been but for Section 2(a)(iii) or 5(d)) required to have been performed to (but excluding) the relevant Early Termination Date, at the Applicable Close-out Rate.

(2) *Interest on Early Termination Amounts.* If an Early Termination Amount is due in respect of such Early Termination Date, that amount will, to the extent permitted by applicable law, be paid together with interest (before as well as after judgment) on that amount in the Termination Currency, for the period from (and including) such Early Termination Date to (but excluding) the date the amount is paid, at the Applicable Close-out Rate.

(iii) **Interest Calculation.** Any interest pursuant to this Section 9(h) will be calculated on the basis of daily compounding and the actual number of days elapsed.

10. Offices; Multibranch Parties

(a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to and agrees with the other party that, notwithstanding the place of booking or its jurisdiction of incorporation or organization, its obligations are the same in terms of recourse against it as if it had entered into the Transaction through its head or home office, except that a party will not have recourse to the head or home office of the other party in respect of any payment or delivery deferred pursuant to Section 5(d) for so long as the payment or delivery is so deferred. This representation and agreement will be deemed to be repeated by each party on each date on which the parties enter into a Transaction.

(b) If a party is specified as a Multibranch Party in the Schedule, such party may, subject to clause (c) below, enter into a Transaction through, book a Transaction in and make and receive payments and deliveries with respect to a Transaction through any Office listed in respect of that party in the Schedule (but not any other Office unless otherwise agreed by the parties in writing).

(c) The Office through which a party enters into a Transaction will be the Office specified for that party in the relevant Confirmation or as otherwise agreed by the parties in writing, and, if an Office for that party is not specified in the Confirmation or otherwise agreed by the parties in writing, its head or home office. Unless the parties otherwise agree in writing, the Office through which a party enters into a Transaction will also be the Office in which it books the Transaction and the Office through which it makes and receives payments and deliveries with respect to the Transaction. Subject to Section 6(b)(ii), neither party may change the Office in which it books the Transaction or the Office through which it makes and receives payments or deliveries with respect to a Transaction without the prior written consent of the other party.

11. Expenses

A Defaulting Party will on demand indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees, execution fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

12. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner described below (except that a notice or other communication under Section 5 or 6 may not be given by electronic messaging system or e-mail) to the address or number or in accordance with the electronic messaging system or e-mail details provided (see the Schedule) and will be deemed effective as indicated:—

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;
- (iii) if sent by facsimile transmission, on the date it is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date it is delivered or its delivery is attempted;
- (v) if sent by electronic messaging system, on the date it is received; or

- (vi) if sent by e-mail, on the date it is delivered,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication will be deemed given and effective on the first following day that is a Local Business Day.

- (b) **Change of Details.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system or e-mail details at which notices or other communications are to be given to it.

13. Governing Law and Jurisdiction

- (a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

- (b) **Jurisdiction.** With respect to any suit, action or proceedings relating to any dispute arising out of or in connection with this Agreement (“Proceedings”), each party irrevocably:—

“Close-out Amount” means, with respect to each Terminated Transaction or each group of Terminated Transactions and a Determining Party, the amount of the losses or costs of the Determining Party that are or would be incurred under then prevailing circumstances (expressed as a positive number) or gains of the Determining Party that are or would be realized under then prevailing circumstances (expressed as a negative number) in replacing, or in providing for the Determining Party the economic equivalent of, (a) the material terms of that Terminated Transaction or group of Terminated Transactions, including the payments and deliveries by the parties under Section 2(a)(i) in respect of that Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date (assuming satisfaction of the conditions precedent in

Section 2(a)(iii)) and (b) the option rights of the parties in respect of that Terminated Transaction or group of Terminated Transactions.

Any Close-out Amount will be determined by the Determining Party (or its agent), which will act in good faith and use commercially reasonable procedures in order to produce a commercially reasonable result. The Determining Party may determine a Close-out Amount for any group of Terminated Transactions or any individual Terminated Transaction but, in the aggregate, for not less than all Terminated Transactions. Each Close-out Amount will be determined as of the Early Termination Date or, if that would not be commercially reasonable, as of the date or dates following the Early Termination Date as would be commercially reasonable.

Unpaid Amounts in respect of a Terminated Transaction or group of Terminated Transactions and legal fees and out-of-pocket expenses referred to in Section 11 are to be excluded in all determinations of Close-out Amounts.

In determining a Close-out Amount, the Determining Party may consider any relevant information, including, without limitation, one or more of the following types of information:—

(i) quotations (either firm or indicative) for replacement transactions supplied by one or more third parties that may take into account the creditworthiness of the Determining Party at the time the quotation is provided and the terms of any relevant documentation, including credit support documentation, between the Determining Party and the third party providing the quotation;

(ii) information consisting of relevant market data in the relevant market supplied by one or more third parties including, without limitation, relevant rates, prices, yields, yield curves, volatilities, spreads, correlations or other relevant market data in the relevant market; or

(iii) information of the types described in clause (i) or (ii) above from internal sources (including any of the Determining Party's Affiliates) if that information is of the same type used by the Determining Party in the regular course of its business for the valuation of similar transactions.

The Determining Party will consider, taking into account the standards and procedures described in this definition, quotations pursuant to clause (i) above or relevant market data pursuant to clause (ii) above unless the Determining Party reasonably believes in good faith that such quotations or relevant market data are not readily available or would produce a result that would not satisfy those standards. When considering information described in clause (i), (ii) or (iii) above, the Determining Party may include costs of funding, to the extent costs of funding are not and would not be a component of the other information being utilized. Third parties supplying quotations pursuant to clause (i) above or market data pursuant to clause (ii) above may include, without limitation, dealers in the relevant markets, end-users of the relevant product, information vendors, brokers and other sources of market information.

Without duplication of amounts calculated based on information described in clause (i), (ii) or (iii) above, or other relevant information, and when it is commercially reasonable to do so, the Determining Party may in addition consider in calculating a Close-out Amount any loss or cost incurred in connection with its terminating, liquidating or re-establishing any hedge related to a Terminated Transaction or group of Terminated Transactions (or any gain resulting from any of them).

Commercially reasonable procedures used in determining a Close-out Amount may include the following:—

(1) application to relevant market data from third parties pursuant to clause (ii) above or information from internal sources pursuant to clause (iii) above of pricing or other valuation models that are, at the time of the determination of the Close-out Amount, used by the Determining Party in the regular course of its business in pricing or valuing transactions between the Determining Party and unrelated third parties that are similar to the Terminated Transaction or group of Terminated Transactions; and

Any references, (howsoever expressed) in this Agreement, the Rules, and/or any other agreement or communication between the Parties to an obligation to redeliver such Equivalent Collateral shall be construed accordingly. If the loan of Securities in respect of which such Collateral was provided has not been discharged when the Collateral is redelivered, the Assured Payment obligation generated on such redelivery shall be deemed to constitute a payment of money which shall be treated as Cash Collateral until the loan is discharged, or further Equivalent Collateral is provided later during that Business Day. This procedure shall continue daily where CGO Collateral is delivered-by-value for as long as the relevant loan remains outstanding.

This procedure shall continue when Collateral is delivered-by-value for as long as the relevant loan remains outstanding;
- (E) Where Cash Collateral is provided the sum of money so deposited may be adjusted in accordance with Clause 6(H). Subject to Clause 6(H)(ii), the Cash Collateral shall be repaid at the same time as Equivalent Securities in respect of the Securities borrowed are redelivered, and the Borrower shall not assign, charge, dispose of or otherwise deal with its rights in respect of the Cash Collateral. If the Borrower fails to comply with its obligations for such redelivery of Equivalent Securities the Lender shall have the right to apply the Cash Collateral by way of set-off in accordance with Clause 8.
- (F) The Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Collateral equivalent to any Collateral delivered to the Lender prior to the date on which the same would otherwise have been repayable or redeliverable **PROVIDED THAT** at the time of such repayment or redelivery the Borrower shall have delivered or delivers Alternative Collateral acceptable to the Lender.
- (G) (i) Where Collateral (other than Cash Collateral) is delivered in respect of which any Income may become payable, the Borrower shall call for the redelivery of Collateral equivalent to such Collateral in good time to ensure that such Equivalent Collateral may be delivered prior to any such Income becoming payable to the Lender, unless in relation to such Collateral the Parties are satisfied before the relevant Collateral is transferred that no tax will be payable to the UK Inland Revenue under Schedule 23A of the Income and Corporation Taxes Act 1988. At the time of such redelivery the Borrower shall deliver Alternative Collateral acceptable to the Lender.
- (ii) Where the Lender receives any Income in circumstances where the Parties are satisfied as set out in Clause 6(G)(i) above, then the Lender shall on the date on which the Lender receives such Income or on such date as the Parties may from time to time agree, pay and deliver a sum of money or property equivalent to such Income (with any such endorsements or assignments as shall be customary and appropriate to effect the delivery) to the Borrower and shall supply Appropriate Tax Vouchers (if any) to the Borrower.
- (H) Unless the Schedule to this Agreement indicates that Clause 6(I) shall apply in lieu of this Clause 6(H), or unless otherwise agreed between the Parties, the Value of the Collateral delivered to or deposited with the Lender or its nominated bank or depositary (excluding any Collateral repaid or redelivered under sub-Clauses (H)(ii) or (I)(ii) below (as the case may be) ("**Posted Collateral**")) in respect of any loan of Securities shall bear from day to day and at any time the same proportion to the Value of the Securities borrowed under such loan as the Posted Collateral bore at the commencement of such loan. - (I) Subject to Clause 6(J), unless the Schedule to this Agreement indicates that Clause 6(H) shall apply in lieu of this Clause 6(I), or unless otherwise agreed between the Parties:-
- (i) the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement shall equal the aggregate of the Required Collateral Values in respect of such loans;
 - (ii) if at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such loans, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess;
 - (iii) if at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such loans, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.
- (J) Where Clause 6(I) applies, unless the Schedule to this Agreement indicates that this Clause 6(J) does not apply, if a Party (the "**first Party**") would, but for this Clause 6(J), be required under Clause 6(I) to repay Cash Collateral, redeliver Equivalent Securities or provide further Collateral in circumstances where the other Party (the "**second Party**") would, but for this Clause 6(J), also be required to repay Cash Collateral or provide or redeliver Equivalent Collateral under Clause 6(I), then the Value of the Cash Collateral or Equivalent Collateral deliverable by the first Party ("**X**") shall be set-off against the Value of the Cash Collateral, or Equivalent Collateral or further Collateral deliverable by the second Party ("**Y**") and the only obligation of the Parties under Clause 6(I) shall be, where X exceeds Y, an obligation of the first Party, or where Y exceeds X, an obligation of the second Party, to repay Cash Collateral, redeliver Equivalent Collateral or to deliver further Collateral having a Value equal to the difference between X and Y.
- (K) Where Cash Collateral is repaid, Equivalent Collateral is redelivered or further Collateral is provided by a Party under Clause 6(H), the Parties shall agree to which loan or loans of Securities such repayment, redelivery or further provision is to be attributed and failing agreement it shall be attributed, as determined by the Party making such repayment, redelivery or further provision to the earliest outstanding loan and, in the case of a repayment or redelivery up to the point at which the Value of Collateral in respect of such loan is reduced to zero and, in the case of a further provision up to the point at which the Value of the Collateral in respect of such loan equals the Required Collateral Value in respect of such loan, and then to the next earliest outstanding loan up to the similar point and so on.

- (L) Where any Cash Collateral falls to be repaid or Equivalent Collateral to be redelivered or further Collateral to be provided under this Clause 6, it shall be delivered within the minimum period after demand specified in the Schedule or if no appropriate period is there specified within the standard settlement time for delivery of the relevant type of Cash Collateral, Equivalent Collateral or Collateral, as the case may be.

7. REDELIVERY OF EQUIVALENT SECURITIES

- (A) The Borrower undertakes to redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Borrowing Request. For the avoidance of doubt any reference herein or in any other agreement or communication between the Parties (howsoever expressed) to an obligation to redeliver or account for or act in relation to borrowed Securities shall accordingly be construed as a reference to an obligation to redeliver or account for or act in relation to Equivalent Securities.
- (B) Subject to Clause 8 hereof and the terms of the relevant Borrowing Request the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the standard settlement time for such Equivalent Securities on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower shall as hereinafter provided redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions. Simultaneously with the redelivery of the Equivalent Securities in accordance with such call, the Lender shall (subject to Clause 6(I), if applicable) repay any Cash Collateral and redeliver to the Borrower Collateral equivalent to the Collateral delivered pursuant to Clause 6 in respect of the borrowed Securities. For the avoidance of doubt any reference herein or in any other agreement or communication between the Parties (however expressed) to an obligation to redeliver or account for or act in relation to Collateral shall accordingly be construed as a reference to an obligation to redeliver or account for or act in relation to Equivalent Collateral.
- (C) If the Borrower does not redeliver Equivalent Securities in accordance with such call, the Lender may elect to continue the loan of Securities **PROVIDED THAT** if the Lender does not elect to continue the loan the Lender may by written notice to the Borrower elect to terminate the relevant loan. Upon the expiry of such notice the provisions of Clauses (8) (B) to (F) shall apply as if upon the expiry of such notice an Event of Default had occurred in relation to the Borrower (who shall thus be the Defaulting Party for the purposes of this Agreement) and as if the relevant loan were the only loan outstanding.
- (D) In the event that as a result of the failure of the Borrower to redeliver Equivalent Securities to the Lender in accordance with this Agreement a "buy-in" is exercised against the Lender then provided that reasonable notice has been given to the Borrower of the likelihood of such a "buy-in", the Borrower shall account to the Lender for the total costs and expenses reasonably incurred by the Lender as a result of such "buy-in".
- (E) Subject to the terms of the relevant Borrowing Request, the Borrower shall be entitled at any time to terminate a particular loan of Securities and to redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender's instructions. The Lender shall accept such redelivery and simultaneously therewith (subject to Clause 6(I) if applicable) shall repay to the Borrower any Cash Collateral or, as the case may be, redeliver Collateral equivalent to the Collateral provided by the Borrower pursuant to Clause 6 in respect thereof.

- (F) Where a TALISMAN short term certificate (as described in paragraph C of the Schedule) is provided by way of Collateral, the obligation to redeliver Equivalent Collateral is satisfied by the redelivery of the certificate to the Borrower or its expiry as provided for in the Rules applying to such certificate.
- (G) Where a Letter of Credit is provided by way of Collateral, the obligation to redeliver Equivalent Collateral is satisfied by the Lender redelivering for cancellation the Letter of Credit so provided, or where the Letter of Credit is provided in respect of more than one loan, by the Lender consenting to a reduction in the value of the Letter of Credit.

8. SET-OFF ETC.

- (A) On the date and time (the "**Performance Date**") that Equivalent Securities are required to be redelivered by the Borrower in accordance with the provisions of this Agreement the Lender shall simultaneously redeliver the Equivalent Collateral and repay any Cash Collateral held (in respect of the Equivalent Securities to be redelivered) to the Borrower. Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it simultaneously. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise) it shall notify the other party and unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party.
- (B) If an Event of Default occurs in relation to either Party, the Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the "**Performance Date**" for the purposes of this clause) and in such event:
 - (i) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party shall be established in accordance with Clause 8(C); and
 - (ii) on the basis of the Relevant Values so established, an account shall be taken (as at the Performance Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Performance Date.
- (C) For the purposes of Clause 8(B) the Relevant Value:-
 - (i) of any cash payment obligation shall equal its par value (disregarding any amount taken into account under (ii) or (iii) below);
 - (ii) of any securities to be delivered by the Defaulting Party shall, subject to Clause 8(E) below, equal the Offer Value thereof; and
 - (iii) of any securities to be delivered to the Defaulting Party shall, subject to Clause 8(E) below, equal the Bid Value thereof.

- (D) For the purposes of Clause 8(C), but subject to Clause 8(E) below, the Bid Value and Offer Value of any securities shall be calculated as at the Close of Business in the most appropriate market for securities of the relevant description (as determined by the Non-Defaulting Party) on the first Business Day following the Performance Date, or if the relevant Event of Default occurs outside the normal business hours of such market, on the second Business Day following the Performance Date (the "**Default Valuation Time**");
- (E) (i) Where the Non-Defaulting Party has following the occurrence of an Event of Default but prior to the Default Valuation Time purchased securities forming part of the same issue and being of an identical type and description to those to be delivered by the Defaulting Party and in substantially the same amount as those securities or sold securities forming part of the same issue and being of an identical type and description to those to be delivered by him to the Defaulting Party and in substantially the same amount as those securities, the cost of such purchase or the proceeds of such sale, as the case may be, (taking into account all reasonable costs, fees and expenses that would be incurred in connection therewith) shall be treated as the Offer Value or Bid Value, as the case may be, of the relevant securities for the purposes of this Clause 8.
- (ii) Where the amount of any securities sold or purchased as mentioned in (E)(i) above is not in substantially the same amount as those securities to be valued for the purposes Clause 8(C) the Offer Value or the Bid Value (as the case may be) of those securities shall be ascertained by dividing the net proceeds of sale or cost of purchase by the amount of the securities sold or purchased so as to obtain a net unit price and multiplying that net unit price by the amount of the securities to be valued.
- (F) Any reference in this Clause 8 to securities shall include any asset other than cash provided by way of Collateral.
- (G) If the Borrower or the Lender for any reason fail to comply with their respective obligations under Clauses 6(F) or 6(G) in respect of redelivery of Equivalent Collateral or repayment of Cash Collateral such failure shall be an Event of Default for the purposes of this Clause 8, and the person failing to comply shall thus be the Defaulting Party.
- (H) Subject to and without prejudice to its rights under Clause 8(A) either Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers waive its right under this Agreement in respect of simultaneous delivery and/or payment **PROVIDED THAT** no such waiver in respect of one transaction shall bind it in respect of any other transaction.
9. TAXATION
- (A) The Borrower hereby undertakes promptly to pay and account for any transfer or similar duties or taxes chargeable in connection with any transaction effected pursuant to or contemplated by this Agreement, and shall indemnify and keep indemnified the Lender against any liability arising in respect thereof as a result of the Borrower's failure to do so.

The Party acquiring such right, title and interest shall have no obligation to return or redeliver any of the assets so acquired but, in so far as any Securities are borrowed or any Collateral is delivered to such Party, such Party shall be obliged, subject to the terms of this Agreement, to redeliver Equivalent Securities or Equivalent Collateral as appropriate.

4.3 **Deliveries to be simultaneous unless otherwise agreed**

Where under the terms of this Agreement a Party is not obliged to make a delivery unless simultaneously a delivery is made to it, subject to and without prejudice to its rights under paragraph 8.6 such Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers waive its right under this Agreement in respect of simultaneous delivery and/or payment provided that no such waiver (whether by course of conduct or otherwise) in respect of one transaction shall bind it in respect of any other transaction.

4.4 **Deliveries of Income**

the case of Income being paid in respect of Collateral shall provide to the other Party, as the case may be, any endorsements or assignments as shall be customary and appropriate to effect the delivery of money or property equivalent to the type and amount of such Income to Lender, irrespective of whether Borrower received the same in respect of any Loaned Securities or to Borrower, irrespective of whether Lender received the same in respect of any Collateral.

5. **COLLATERAL**

5.1 **Delivery of Collateral on commencement of Loan**

Subject to the other provisions of this paragraph 5, Borrower undertakes to deliver to or deposit with Lender (or in accordance with Lender's instructions) Collateral simultaneously with delivery of the Securities to which the Loan relates and in any event no later than Close of Business on the Settlement Date. In respect of Collateral comprising securities, such Collateral shall be deemed to have been delivered by Borrower to Lender on delivery to Lender or as it shall direct of the relevant instruments of transfer, or in the case of such securities being held by an agent or within a clearing or settlement system, on the effective instructions to such agent or the operator of such system, which result in such securities being held by the operator of the clearing system for the account of the Lender or as it shall direct, or by such other means as may be agreed.

5.2 **Deliveries through payment systems generating automatic payments**

Unless otherwise agreed between the Parties, where any Securities, Equivalent Securities, Collateral or Equivalent Collateral (in the form of securities) are transferred through a book entry transfer or settlement system which automatically generates a payment or delivery, or obligation to pay or deliver, against the transfer of such securities, then:-

- (i) such automatically generated payment, delivery or obligation shall be treated as a payment or delivery by the transferee to the transferor, and except to the extent that it is applied to discharge an obligation of the transferee to effect payment or delivery, such payment or delivery, or obligation to pay or deliver, shall be deemed to be a transfer of Collateral or redelivery of Equivalent Collateral, as the case may be, made by the transferee until such time as the Collateral or Equivalent Collateral is substituted with other Collateral or Equivalent Collateral if an obligation to deliver other Collateral or redeliver Equivalent Collateral existed immediately prior to the transfer of Securities, Equivalent Securities, Collateral or Equivalent Collateral; and
- (ii) the party receiving such substituted Collateral or Equivalent Collateral, or if no obligation to deliver other Collateral or redeliver Equivalent Collateral existed immediately prior to the transfer of Securities, Equivalent Securities, Collateral or Equivalent Collateral, the party receiving the deemed transfer of Collateral or redelivery of Equivalent Collateral, as the case may be, shall cause to be made to the other party for value the same day either, where such transfer is a payment, an irrevocable payment in the amount of such transfer or, where such transfer is a

delivery, an irrevocable delivery of securities (or other property, as the case may be) equivalent to such property.

5.3 **Substitutions of Collateral**

Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Collateral equivalent to any Collateral delivered to Lender prior to the date on which the same would otherwise have been repayable or redeliverable provided that at the time of such repayment or redelivery Borrower shall have delivered or delivers Alternative Collateral acceptable to Lender and Borrower is in compliance with paragraph 5.4 or paragraph 5.5, as applicable.

5.4 **Marking to Market of Collateral during the currency of a Loan on aggregated basis**

Unless paragraph 1.3 of the Schedule indicates that paragraph 5.5 shall apply in lieu of this paragraph 5.4, or unless otherwise agreed between the Parties:-

- (i) the aggregate Market Value of the Collateral delivered to or deposited with Lender (excluding any Equivalent Collateral repaid or redelivered under Paragraphs 5.4(ii) or 5.5(ii) (as the case may be)) ("**Posted Collateral**") in respect of all Loans outstanding under this Agreement shall equal the aggregate of the Market Value of the Loaned Securities and the applicable Margin (the "**Required Collateral Value**") in respect of such Loans;
- (ii) if at any time on any Business Day the aggregate Market Value of the Posted Collateral in respect of all Loans outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such Loans, Lender shall (on demand) repay and/or redeliver, as the case may be, to Borrower such Equivalent Collateral as will eliminate the excess;
- (iii) if at any time on any Business Day the aggregate Market Value of the Posted Collateral in respect of all Loans outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such Loans, Borrower shall (on demand) provide such further Collateral to Lender as will eliminate the deficiency.

5.5 **Marking to Market of Collateral during the currency of a Loan on a Loan by Loan basis**

If paragraph 1.3 of the Schedule indicates this paragraph 5.5 shall apply in lieu of paragraph 5.4, the Posted Collateral in respect of any Loan shall bear from day to day and at any time the same proportion to the Market Value of the Loaned Securities as the Posted Collateral bore at the commencement of such Loan. Accordingly:

- (i) the Market Value of the Posted Collateral to be delivered or deposited while the Loan continues shall be equal to the Required Collateral Value;
- (ii) if at any time on any Business Day the Market Value of the Posted Collateral in respect of any Loan exceeds the Required Collateral Value in respect of such Loan,

Lender shall (on demand) repay and/or redeliver, as the case may be, to Borrower such Equivalent Collateral as will eliminate the excess; and

- (iii) if at any time on any Business Day the Market Value of the Posted Collateral falls below the Required Collateral Value, Borrower shall (on demand) provide such further Collateral to Lender as will eliminate the deficiency.

5.6 Requirements to redeliver excess Collateral

Where paragraph 5.4 applies, unless paragraph 1.4 of the Schedule indicates that this paragraph 5.6 does not apply, if a Party (the "**first Party**") would, but for this paragraph 5.6, be required under paragraph 5.4 to provide further Collateral or redeliver Equivalent Collateral in circumstances where the other Party (the "**second Party**") would, but for this paragraph 5.6, also be required to or provide Collateral or redeliver Equivalent Collateral under paragraph 5.4, then the Market Value of the Collateral or Equivalent Collateral deliverable by the first Party ("**X**") shall be set-off against the Market Value of the Collateral or Equivalent Collateral deliverable by the second Party ("**Y**") and the only obligation of the Parties under paragraph 5.4 shall be, where X exceeds Y, an obligation of the first Party, or where Y exceeds X, an obligation of the second Party to repay and/or (as the case may be) redeliver Equivalent Collateral or to deliver further Collateral having a Market Value equal to the difference between X and Y.

- 5.7 Where Equivalent Collateral is repaid or redelivered (as the case may be) or further Collateral is provided by a Party under paragraph 5.6, the Parties shall agree to which Loan or Loans such repayment, redelivery or further provision is to be attributed and failing agreement it shall be attributed, as determined by the Party making such repayment, redelivery or further provision to the earliest outstanding Loan and, in the case of a repayment or redelivery up to the point at which the Market Value of Collateral in respect of such Loan equals the Required Collateral Value in respect of such Loan, and then to the next earliest outstanding Loan up to the similar point and so on.

5.8 Timing of repayments of excess Collateral or deliveries of further Collateral

Where any Equivalent Collateral falls to be repaid or redelivered (as the case may be) or further Collateral is to be provided under this paragraph 5, unless otherwise agreed between the Parties, it shall be delivered on the same Business Day as the relevant demand. Equivalent Collateral comprising securities shall be deemed to have been delivered by Lender to Borrower on delivery to Borrower or as it shall direct of the relevant instruments of transfer, or in the case of such securities being held by an agent or within a clearing or settlement system on the effective instructions to such agent or the operator of such system which result in such securities being held by the operator of the clearing system for the account of the Borrower or as it shall direct or by such other means as may be agreed.

5.9 Substitutions and extensions of Letters of Credit

Where Collateral is a Letter of Credit, Lender may by notice to Borrower require that Borrower, on the Business Day following the date of delivery of such notice, substitute

Collateral consisting of cash or other Collateral acceptable to Lender for the Letter of Credit. Prior to the expiration of any Letter of Credit supporting Borrower's obligations hereunder, Borrower shall, no later than 10.30a.m. UK time on the second Business Day prior to the date such Letter of Credit expires, obtain an extension of the expiration of such Letter of Credit or replace such Letter of Credit by providing Lender with a substitute Letter of Credit in an amount at least equal to the amount of the Letter of Credit for which it is substituted.

6. **DISTRIBUTIONS AND CORPORATE ACTIONS**

6.1 **Manufactured Payments**

Where Income is paid in relation to any Loaned Securities or Collateral (other than Cash Collateral) on or by reference to an Income Payment Date Borrower, in the case of Loaned Securities, and Lender, in the case of Collateral, shall, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (the "**Relevant Payment Date**") pay and deliver a sum of money or property equivalent to the type and amount of such Income that, in the case of Loaned Securities, Lender would have been entitled to receive had such Securities not been loaned to Borrower and had been retained by Lender on the Income Payment Date, and, in the case of Collateral, Borrower would have been entitled to receive had such Collateral not been provided to Lender and had been retained by Borrower on the Income Payment Date unless a different sum is agreed between the Parties.

6.2 **Income in the form of Securities**

Where Income, in the form of securities, is paid in relation to any Loaned Securities or Collateral, such securities shall be added to such Loaned Securities or Collateral (and shall constitute Loaned Securities or Collateral, as the case may be, and be part of the relevant Loan) and will not be delivered to Lender, in the case of Loaned Securities, or to Borrower, in the case of Collateral, until the end of the relevant Loan, provided that the Lender or Borrower (as the case may be) fulfils their obligations under paragraph 5.4 or 5.5 (as applicable) with respect to the additional Loaned Securities or Collateral, as the case may be.

6.3 **Exercise of voting rights**

Where any voting rights fall to be exercised in relation to any Loaned Securities or Collateral, neither Borrower, in the case of Equivalent Securities, nor Lender, in the case of Equivalent Collateral, shall have any obligation to arrange for voting rights of that kind to be exercised in accordance with the instructions of the other Party in relation to the Securities borrowed by it or transferred to it by way of Collateral, as the case may be, unless otherwise agreed between the Parties.

6.4 **Corporate actions**

Where, in respect of any Loaned Securities or any Collateral, any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer, rights to receive securities or a certificate which may at a future date be exchanged for securities or other rights, including those requiring election by the holder for the time

being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option give written notice to the other Party that on redelivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.

7. RATES APPLICABLE TO LOANED SECURITIES AND CASH COLLATERAL

7.1 Rates in respect of Loaned Securities

In respect of each Loan, Borrower shall pay to Lender, in the manner prescribed in subparagraph 7.3, sums calculated by applying such rate as shall be agreed between the Parties from time to time to the daily Market Value of the Loaned Securities.

7.2 Rates in respect of Cash Collateral

Where Cash Collateral is deposited with Lender in respect of any Loan, Lender shall pay to Borrower, in the manner prescribed in paragraph 7.3, sums calculated by applying such rates as shall be agreed between the Parties from time to time to the amount of such Cash Collateral. Any such payment due to Borrower may be set-off against any payment due to Lender pursuant to paragraph 7.1.

7.3 Payment of rates

In respect of each Loan, the payments referred to in paragraph 7.1 and 7.2 shall accrue daily in respect of the period commencing on and inclusive of the Settlement Date and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrear by the relevant Party not later than the Business Day which is one week after the last Business Day of the calendar month to which such payments relate or such other date as the Parties shall from time to time agree.

8. REDELIVERY OF EQUIVALENT SECURITIES

8.1 Delivery of Equivalent Securities on termination of a Loan

Borrower shall procure the redelivery of Equivalent Securities to Lender or redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Loan on termination of the Loan. Such Equivalent Securities shall be deemed to have been delivered by Borrower to Lender on delivery to Lender or as it shall direct of the relevant instruments of transfer, or in the case of Equivalent Securities held by an agent or within a clearing or settlement system on the effective instructions to such agent or the operator of such system which result in such Equivalent Securities being held by the operator of the clearing system for the account of the Lender or as it shall direct, or by such other means as may be agreed. For the avoidance of doubt any reference in this Agreement or in any other agreement or communication between the Parties (howsoever

expressed) to an obligation to redeliver or account for or act in relation to Loaned Securities shall accordingly be construed as a reference to an obligation to redeliver or account for or act in relation to Equivalent Securities.

8.2 Lender's right to terminate a Loan

Subject to paragraph 10 and the terms of the relevant Loan, Lender shall be entitled to terminate a Loan and to call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the standard settlement time for such Equivalent Securities on the exchange or in the clearing organisation through which the Loaned Securities were originally delivered. Borrower shall redeliver such Equivalent Securities not later than the expiry of such notice in accordance with Lender's instructions.

8.3 Borrower's right to terminate a Loan

Subject to the terms of the relevant Loan, Borrower shall be entitled at any time to terminate a Loan and to redeliver all and any Equivalent Securities due and outstanding to Lender in accordance with Lender's instructions and Lender shall accept such redelivery.

8.4 Redelivery of Equivalent Collateral on termination of a Loan

On the date and time that Equivalent Securities are required to be redelivered by Borrower on the termination of a Loan, Lender shall simultaneously (subject to paragraph 5.4 if applicable) repay to Borrower any Cash Collateral or, as the case may be, redeliver Collateral equivalent to the Collateral provided by Borrower pursuant to paragraph 5 in respect of such Loan. For the avoidance of doubt any reference in this Agreement or in any other agreement or communication between the Parties (however expressed) to an obligation to redeliver or account for or act in relation to Collateral shall accordingly be construed as a reference to an obligation to redeliver or account for or act in relation to Equivalent Collateral.

8.5 Redelivery of Letters of Credit

Where a Letter of Credit is provided by way of Collateral, the obligation to redeliver Equivalent Collateral is satisfied by Lender redelivering for cancellation the Letter of Credit so provided, or where the Letter of Credit is provided in respect of more than one Loan, by Lender consenting to a reduction in the value of the Letter of Credit.

8.6 Redelivery obligations to be reciprocal

Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise) it shall notify the other party and unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform

its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party.

9. FAILURE TO REDELIVER

9.1 Borrower's failure to redeliver Equivalent Securities

- (i) If Borrower does not redeliver Equivalent Securities in accordance with paragraph 8.1 or 8.2, Lender may elect to continue the Loan (which Loan, for the avoidance of doubt, shall continue to be taken into account for the purposes of paragraph 5.4 or 5.5 as applicable) provided that if Lender does not elect to continue the Loan, Lender may either by written notice to Borrower terminate the Loan forthwith and the Parties' delivery and payment obligations in respect thereof (in which case sub-paragraph (ii) below shall apply) or serve a notice of an Event of Default in accordance with paragraph 14.
- (ii) Upon service of a notice to terminate the relevant Loan pursuant to paragraph 9.1(i):-
 - (a) there shall be set-off against the Market Value of the Equivalent Securities concerned such amount of Posted Collateral chosen by Lender (calculated at its Market Value) as is equal thereto;
 - (b) the Parties delivery and payment obligations in relation to such assets which are set-off shall terminate;
 - (c) in the event that the Market Value of the Posted Collateral set-off is less than the Market Value of the Equivalent Securities concerned Borrower shall account to Lender for the shortfall; and
 - (d) Borrower shall account to Lender for the total costs and expenses incurred by Lender as a result thereof as set out in paragraphs 9.3 and 9.4 from the time the notice is effective.

9.2 Lender's failure to Redeliver Equivalent Collateral

- (i) If Lender does not redeliver Equivalent Collateral in accordance with paragraph 8.4 or 8.5, Borrower may either by written notice to Lender terminate the Loan forthwith and the Parties' delivery and payment obligations in respect thereof (in which case sub-paragraph (ii) below shall apply) or serve a notice of an Event of Default in accordance with paragraph 14.
- (ii) Upon service of a notice to terminate the relevant Loan pursuant to paragraph 9.2(i):-
 - (a) there shall be set-off against the Market Value of the Equivalent Collateral concerned the Market Value of the Loaned Securities;
 - (b) the Parties delivery and payment obligations in relation to such assets which are set-off shall terminate;

- (c) in the event that the Market Value of the Loaned Securities held by Borrower is less than the Market Value of the Equivalent Collateral concerned Lender shall account to Borrower for the shortfall; and
- (d) Lender shall account to Borrower for the total costs and expenses incurred by Borrower as a result thereof as set out in paragraphs 9.3 and 9.4 from the time the notice is effective.

9.3 **Failure by either Party to redeliver**

This provision applies in the event that a Party (the "**Transferor**") fails to meet a redelivery obligation within the standard settlement time for the asset concerned on the exchange or in the clearing organisation through which the asset equivalent to the asset concerned was originally delivered or within such other period as may be agreed between the Parties. In such situation, in addition to the Parties' rights under the general law and this Agreement where the other Party (the "**Transferee**") incurs interest, overdraft or similar costs and expenses the Transferor agrees to pay on demand and hold harmless the Transferee with respect to all such costs and expenses which arise directly from such failure excluding (i) such costs and expenses which arise from the negligence or wilful default of the Transferee and (ii) any indirect or consequential losses. It is agreed by the Parties that any costs reasonably and properly incurred by a Party arising in respect of the failure of a Party to meet its obligations under a transaction to sell or deliver securities resulting from the failure of the Transferor to fulfil its redelivery obligations is to be treated as a direct cost or expense for the purposes of this paragraph.

9.4 **Exercise of buy-in on failure to redeliver**

In the event that as a result of the failure of the Transferor to fulfil its redelivery obligations a "buy-in" is exercised against the Transferee, then the Transferor shall account to the Transferee for the total costs and expenses reasonably incurred by the Transferee as a result of such "buy-in".

10. **SET-OFF ETC**

10.1 **Definitions for paragraph 10**

In this paragraph 10:

"Bid Price" in relation to Equivalent Securities or Equivalent Collateral means the best available bid price on the most appropriate market in a standard size;

"Bid Value" subject to paragraph 10.5 means:-

- (a) in relation to Collateral equivalent to Collateral in the form of a Letter of Credit zero and in relation to Cash Collateral the amount of the currency concerned; and

"Offer Price" in relation to Equivalent Securities or Equivalent Collateral means the best available offer price on the most appropriate market in a standard size;

"Offer Value" subject to paragraph 10.5 means:-

- (a) in relation to Collateral equivalent to Collateral in the form of a Letter of Credit zero and in relation to Cash Collateral the amount of the currency concerned; and
- (b) in relation to Equivalent Securities or Collateral equivalent to all other types of Collateral the amount it would cost to buy such Equivalent Securities or Equivalent Collateral at the Offer Price at Close of Business on the relevant Business Day together with all costs, fees and expenses that would be incurred in connection therewith, calculated on the assumption that the aggregate thereof is the least that could reasonably be expected to be paid in order to carry out the transaction and adding thereto the amount of any interest, dividends, distributions or other amounts, in the case of Equivalent Securities, paid to Borrower and in respect of which equivalent amounts have not been paid to Lender and in the case of Equivalent Collateral, paid to Lender and in respect of which equivalent amounts have not been paid to Borrower, in accordance with paragraph 6.1 prior to such time in respect of such Equivalent Securities, Equivalent Collateral or the original Securities or Collateral held, gross of all and any tax deducted or paid in respect thereof;

10.2 **Termination of delivery obligations upon Event of Default**

Subject to paragraph 9, if an Event of Default occurs in relation to either Party, the Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the **"Termination Date"** for the purposes of this clause) so that performance of such delivery and payment obligations shall be effected only in accordance with the following provisions:

- (i) the Relevant Value of the securities which would have been required to be delivered but for such termination (or payment to be made, as the case may be) by each Party shall be established in accordance with paragraph 10.3; and

- (ii) on the basis of the Relevant Values so established, an account shall be taken (as at the Termination Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Termination Date.

If the Bid Value is greater than the Offer Value, and the Non-Defaulting Party had delivered to the Defaulting Party a Letter of Credit, the Defaulting Party shall draw on the Letter of Credit to the extent of the balance due and shall subsequently redeliver for cancellation the Letter of Credit so provided.

If the Offer Value is greater than the Bid Value, and the Defaulting Party had delivered to the Non-Defaulting Party a Letter of Credit, the Non-Defaulting Party shall draw on the Letter of Credit to the extent of the balance due and shall subsequently redeliver for cancellation the Letter of Credit so provided.

In all other circumstances, where a Letter of Credit has been provided to a Party, such Party shall redeliver for cancellation the Letter of Credit so provided.

10.3 **Determination of delivery values upon Event of Default**

For the purposes of paragraph 10.2 the "**Relevant Value**":-

- (i) of any securities to be delivered by the Defaulting Party shall, subject to paragraph 10.5 below, equal the Offer Value of such securities; and
- (ii) of any securities to be delivered to the Defaulting Party shall, subject to paragraph 10.5 below, equal the Bid Value of such securities.

10.4 For the purposes of paragraph 10.3, but subject to paragraph 10.5, the Bid Value and Offer Value of any securities shall be calculated for securities of the relevant description (as determined by the Non-Defaulting Party) as of the first Business Day following the Termination Date, or if the relevant Event of Default occurs outside the normal business hours of such market, on the second Business Day following the Termination Date (the "**Default Valuation Time**");

10.5 Where the Non-Defaulting Party has following the occurrence of an Event of Default but prior to the close of business on the fifth Business Day following the Termination Date purchased securities forming part of the same issue and being of an identical type and description to those to be delivered by the Defaulting Party or sold securities forming part of the same issue and being of an identical type and description to those to be delivered by him to the Defaulting Party, the cost of such purchase or the proceeds of such sale, as the case may be, (taking into account all reasonable costs, fees and expenses that would be incurred in connection therewith) shall (together with any amounts owing pursuant to paragraph 6.1) be treated as the Offer Value or Bid Value, as the case may be, of the amount of securities to be delivered which is equivalent to the amount of the securities so bought or sold, as the case may be, for the purposes of this paragraph 10, so

that where the amount of securities to be delivered is more than the amount so bought or sold as the case may be, the Offer Value or Bid Value as the case may be, of the balance shall be valued in accordance with paragraph 10.4.

10.6 Any reference in this paragraph 10 to securities shall include any asset other than cash provided by way of Collateral.

10.7 **Other costs, expenses and interest payable in consequence of an Event of Default**

The Defaulting Party shall be liable to the Non-Defaulting Party for the amount of all reasonable legal and other professional expenses incurred by the Non-Defaulting Party in connection with or as a consequence of an Event of Default, together with interest thereon at the one-month London Inter Bank Offered Rate as quoted on a reputable financial information service ("**LIBOR**") as of 11.00 am, London Time, on the date on which it is to be determined or, in the case of an expense attributable to a particular transaction and where the parties have previously agreed a rate of interest for the transaction, that rate of interest if it is greater than LIBOR. The rate of LIBOR applicable to each month or part thereof that any sum payable pursuant to this paragraph 10.7 remains outstanding is the rate of LIBOR determined on the first Business Day of any such period of one month or any part thereof. Interest will accrue daily on a compound basis and will be calculated according to the actual number of days elapsed.

11. **TRANSFER TAXES**

Borrower hereby undertakes promptly to pay and account for any transfer or similar duties or taxes chargeable in connection with any transaction effected pursuant to or contemplated by this Agreement, and shall indemnify and keep indemnified Lender against any liability arising as a result of Borrower's failure to do so.

12. **LENDER'S WARRANTIES**

Each Party hereby warrants and undertakes to the other on a continuing basis to the intent that such warranties shall survive the completion of any transaction contemplated herein that, where acting as a Lender:

- (a) it is duly authorised and empowered to perform its duties and obligations under this Agreement;
- (b) it is not restricted under the terms of its constitution or in any other manner from lending Securities in accordance with this Agreement or from otherwise performing its obligations hereunder;
- (c) it is absolutely entitled to pass full legal and beneficial ownership of all Securities provided by it hereunder to Borrower free from all liens, charges and encumbrances; and
- (d) it is acting as principal in respect of this Agreement or, subject to paragraph 16, as agent and the conditions referred to in paragraph 16.2 will be fulfilled in respect of any Loan which it makes as agent.

13. **BORROWER'S WARRANTIES**

Each Party hereby warrants and undertakes to the other on a continuing basis to the intent that such warranties shall survive the completion of any transaction contemplated herein that, where acting as a Borrower:

- (a) it has all necessary licenses and approvals, and is duly authorised and empowered, to perform its duties and obligations under this Agreement and will do nothing prejudicial to the continuation of such authorisation, licences or approvals;
- (b) it is not restricted under the terms of its constitution or in any other manner from borrowing Securities in accordance with this Agreement or from otherwise performing its obligations hereunder;
- (c) it is absolutely entitled to pass full legal and beneficial ownership of all Collateral provided by it hereunder to Lender free from all liens, charges and encumbrances; and
- (d) it is acting as principal in respect of this Agreement.

14. **EVENTS OF DEFAULT**

14.1 Each of the following events occurring in relation to either Party (the "**Defaulting Party**", the other Party being the "**Non-Defaulting Party**") shall be an Event of Default for the purpose of paragraph 10 but only (subject to sub-paragraph (v) below) where the Non-Defaulting Party serves written notice on the Defaulting Party:-

- (i) Borrower or Lender failing to pay or repay Cash Collateral or deliver Collateral or redeliver Equivalent Collateral or Lender failing to deliver Securities upon the due date;
- (ii) Lender or Borrower failing to comply with its obligations under paragraph 5;
- (iii) Lender or Borrower failing to comply with its obligations under paragraph 6.1;
- (iv) Borrower failing to comply with its obligations to deliver Equivalent Securities in accordance with paragraph 8;
- (v) an Act of Insolvency occurring with respect to Lender or Borrower, an Act of Insolvency which is the presentation of a petition for winding up or any analogous proceeding or the appointment of a liquidator or analogous officer of the Defaulting Party not requiring the Non-Defaulting Party to serve written notice on the Defaulting Party;
- (vi) any representation or warranty made by Lender or Borrower being incorrect or untrue in any material respect when made or repeated or deemed to have been made or repeated;
- (vii) Lender or Borrower admitting to the other that it is unable to, or it intends not to, perform any of its obligations under this Agreement and/or in respect of any Loan;

- (viii) Lender (if applicable) or Borrower being declared in default or being suspended or expelled from membership of or participation in, any securities exchange or association or suspended or prohibited from dealing in securities by any regulatory authority;
 - (ix) any of the assets of Lender or Borrower or the assets of investors held by or to the order of Lender or Borrower being transferred or ordered to be transferred to a trustee (or a person exercising similar functions) by a regulatory authority pursuant to any securities regulating legislation, or
 - (x) Lender or Borrower failing to perform any other of its obligations under this Agreement and not remedying such failure within 30 days after the Non-Defaulting Party serves written notice requiring it to remedy such failure.
- 14.2 Each Party shall notify the other (in writing) if an Event of Default or an event which, with the passage of time and/or upon the serving of a written notice as referred to above, would be an Event of Default, occurs in relation to it.
- 14.3 The provisions of this Agreement constitute a complete statement of the remedies available to each Party in respect of any Event of Default.
- 14.4 Subject to paragraph 9.3 and 10.7, neither Party may claim any sum by way of consequential loss or damage in the event of failure by the other party to perform any of its obligations under this Agreement.

15. **INTEREST ON OUTSTANDING PAYMENTS**

In the event of either Party failing to remit sums in accordance with this Agreement such Party hereby undertakes to pay to the other Party upon demand interest (before as well as after judgment) on the net balance due and outstanding, for the period commencing on and inclusive of the original due date for payment to (but excluding) the date of actual payment, in the same currency as the principal sum and at the rate referred to in paragraph 10.7. Interest will accrue daily on a compound basis and will be calculated according to the actual number of days elapsed.

16. **TRANSACTIONS ENTERED INTO AS AGENT**

16.1 **Power for Lender to enter into Loans as agent**

Subject to the following provisions of this paragraph, Lender may (if so indicated in paragraph 6 of the Schedule) enter into Loans as agent (in such capacity, the "**Agent**") for a third person (a "**Principal**"), whether as custodian or investment manager or otherwise (a Loan so entered into being referred to in this paragraph as an "**Agency Transaction**").

16.2 **Conditions for agency loan**

A Lender may enter into an Agency Transaction if, but only if:-

- (i) it specifies that Loan as an Agency Transaction at the time when it enters into it;

- (ii) it enters into that Loan on behalf of a single Principal whose identity is disclosed to Borrower (whether by name or by reference to a code or identifier which the Parties have agreed will be used to refer to a specified Principal) at the time when it enters into the Loan or as otherwise agreed between the Parties; and
- (iii) it has at the time when the Loan is entered into actual authority to enter into the Loan and to perform on behalf of that Principal all of that Principal's obligations under the agreement referred to in paragraph 16.4(ii).

16.3 **Notification by Lender of certain events affecting the principal**

Lender undertakes that, if it enters as agent into an Agency Transaction, forthwith upon becoming aware:-

- (i) of any event which constitutes an Act of Insolvency with respect to the relevant Principal; or
- (ii) of any breach of any of the warranties given in paragraph 16.5 or of any event or circumstance which has the result that any such warranty would be untrue if repeated by reference to the then current facts;

it will inform Borrower of that fact and will, if so required by Borrower, furnish it with such additional information as it may reasonably request.

16.4 **Status of agency transaction**

- (i) Each Agency Transaction shall be a transaction between the relevant Principal and Borrower and no person other than the relevant Principal and Borrower shall be a party to or have any rights or obligations under an Agency Transaction. Without limiting the foregoing, Lender shall not be liable as principal for the performance of an Agency Transaction, but this is without prejudice to any liability of Lender under any other provision of this clause; and
- (ii) all the provisions of the Agreement shall apply separately as between Borrower and each Principal for whom the Agent has entered into an Agency transaction or Agency Transactions as if each such Principal were a party to a separate agreement with Borrower in all respects identical with this Agreement other than this paragraph and as if the Principal were Lender in respect of that agreement;

PROVIDED THAT

if there occurs in relation to the Agent an Event of Default or an event which would constitute an Event of Default if Borrower served written notice under any sub-clause of paragraph 14, Borrower shall be entitled by giving written notice to the Principal (which notice shall be validly given if given to Lender in accordance with paragraph 21) to declare that by reason of that event an Event of Default is to be treated as occurring in relation to the Principal. If Borrower gives such a notice then an Event of Default shall be treated as occurring in relation to the Principal at the time when the notice is deemed to be given; and

if the Principal is neither incorporated in nor has established a place of business in Great Britain, the Principal shall for the purposes of the agreement referred to in paragraph 16.4(ii) be deemed to have appointed as its agent to receive on its behalf service of process in the courts of England the Agent, or if the Agent is neither incorporated nor has established a place of business in Great Britain, the person appointed by the Agent for the purposes of this Agreement, or such other person as the Principal may from time to time specify in a written notice given to the other Party.

The foregoing provisions of this paragraph do not affect the operation of the Agreement as between Borrower and Lender in respect of any transactions into which Lender may enter on its own account as principal.

16.5 Warranty of authority by Lender acting as agent

Lender warrants to Borrower that it will, on every occasion on which it enters or purports to enter into a transaction as an Agency Transaction, have been duly authorised to enter into that Loan and perform the obligations arising under such transaction on behalf of the person whom it specifies as the Principal in respect of that transaction and to perform on behalf of that person all the obligations of that person under the agreement referred to in paragraph 16.4(ii).

17. TERMINATION OF THIS AGREEMENT

Each Party shall have the right to terminate this Agreement by giving not less than 15 Business Days' notice in writing to the other Party (which notice shall specify the date of termination) subject to an obligation to ensure that all Loans which have been entered into but not discharged at the time such notice is given are duly discharged in accordance with this Agreement.

18. SINGLE AGREEMENT

Each Party acknowledges that, and has entered into this Agreement and will enter into each Loan in consideration of and in reliance upon the fact that, all Loans constitute a single business and contractual relationship and are made in consideration of each other. Accordingly, each Party agrees:

- (i) to perform all of its obligations in respect of each Loan, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Loans; and
- (ii) that payments, deliveries and other transfers made by either of them in respect of any Loan shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Loan.

19. SEVERANCE

If any provision of this Agreement is declared by any judicial or other competent authority to be void or otherwise unenforceable, that provision shall be severed from the Agreement and the remaining provisions of this Agreement shall remain in full force and effect. The Agreement shall, however, thereafter be amended by the Parties in such

reasonable manner so as to achieve as far as possible, without illegality, the intention of the Parties with respect to that severed provision.

20. **SPECIFIC PERFORMANCE**

Each Party agrees that in relation to legal proceedings it will not seek specific performance of the other Party's obligation to deliver or redeliver Securities, Equivalent Securities, Collateral or Equivalent Collateral but without prejudice to any other rights it may have.

21. **NOTICES**

21.2 Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

22. **ASSIGNMENT**

Neither Party may charge assign or transfer all or any of its rights or obligations hereunder without the prior consent of the other Party.

23. **NON-WAIVER**

No failure or delay by either Party (whether by course of conduct or otherwise) to exercise any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise of any right, power or privilege preclude any other or

further exercise thereof or the exercise of any other right, power or privilege as herein provided.

24. **GOVERNING LAW AND JURISDICTION**

24.1 This Agreement is governed by, and shall be construed in accordance with, English law.

24.2 The courts of England have exclusive jurisdiction to hear and decide any suit, action or proceedings, and to settle any disputes, which may arise out of or in connection with this Agreement (respectively, "**Proceedings**" and "**Disputes**") and, for these purposes, each party irrevocably submits to the jurisdiction of the courts of England.

24.3 Each party irrevocably waives any objection which it might at any time have to the courts of England being nominated as the forum to hear and decide any Proceedings and to settle any Disputes and agrees not to claim that the courts of England are not a convenient or appropriate forum.

24.4 Each of Party A and Party B hereby respectively appoints the person identified in paragraph 5 of the Schedule pertaining to the relevant Party as its agent to receive on its behalf service of process in the courts of England. If such an agent ceases to be an agent of Party A or party B, as the case may be, the relevant Party shall promptly appoint, and notify the other Party of the identity of its new agent in England.

25. **TIME**

Time shall be of the essence of the Agreement.

26. **RECORDING**

The Parties agree that each may record all telephone conversations between them.

27. **WAIVER OF IMMUNITY**

Each Party hereby waives all immunity (whether on the basis of sovereignty or otherwise) from jurisdiction, attachment (both before and after judgement) and execution to which it might otherwise be entitled in any action or proceeding in the courts of England or of any other country or jurisdiction relating in any way to this Agreement and agrees that it will not raise, claim or cause to be pleaded any such immunity at or in respect of any such action or proceeding.

28. **MISCELLANEOUS**

28.1 This Agreement constitutes the entire agreement and understanding of the Parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.

28.2 The Party (the "**Relevant Party**") who has prepared the text of this Agreement for execution (as indicated in paragraph 7 of the Schedule) warrants and undertakes to the other Party that such text conforms exactly to the text of the standard form Global Master Securities Lending Agreement posted by the International Securities Lenders Association on its website on 7 May 2000 except as notified by the Relevant Party to the other Party in writing prior to the execution of this Agreement.

- 28.3 No amendment in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the Parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.
- 28.4 The obligations of the Parties under this Agreement will survive the termination of any Loan.
- 28.5 The warranties contained in paragraphs 12, 13, 16 and 28.2 will survive termination of this Agreement for so long as any obligations of either of the Parties pursuant to this Agreement remain outstanding.
- 28.6 Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.
- 28.7 This Agreement (and each amendment in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.
- 28.8 A person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any terms of this Agreement, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

2.5 The Parties confirm that introduction of and/or substitution (in place of an existing currency) of a new currency as the lawful currency of a country shall not have the effect of altering, or discharging, or excusing performance under, any term of the Agreement or any Loan thereunder, nor give a Party the right unilaterally to alter or terminate the Agreement or any Loan thereunder. Securities will for the purposes of this Agreement be regarded as equivalent to other securities notwithstanding that as a result of such introduction and/or substitution those securities have been redenominated into the new currency or the nominal value of the securities has changed in connection with such redenomination.

The Party acquiring such right, title and interest shall have no obligation to return or deliver any of the assets so acquired but, in so far as any Securities are borrowed by or any Collateral is delivered to such Party, such Party shall be obliged, subject to the terms of this Agreement, to deliver Equivalent Securities or Equivalent Collateral as appropriate.

4.3 **Deliveries to be simultaneous unless otherwise agreed**

Where under the terms of this Agreement a Party is not obliged to make a Delivery unless simultaneously a Delivery is made to it, subject to and without prejudice to its rights under paragraph 8.6, such Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers, waive its right under this Agreement in respect of simultaneous delivery and/or payment provided that no such waiver (whether by course of conduct or otherwise) in respect of one transaction shall bind it in respect of any other transaction.

4.4 **Deliveries of Income**

Subject to the other provisions of this paragraph 5, Borrower undertakes to deliver to or deposit with Lender (or in accordance with Lender's instructions) Collateral simultaneously with Delivery of the Securities to which the Loan relates and in any event no later than Close of Business on the Settlement Date.

5.2 Deliveries through securities settlement systems generating automatic payments

Unless otherwise agreed between the Parties, where any Securities, Equivalent Securities, Collateral or Equivalent Collateral (in the form of securities) are transferred through a book entry transfer or settlement system which automatically generates a payment or delivery, or obligation to pay or deliver, against the transfer of such securities, then:

- (a) such automatically generated payment, delivery or obligation shall be treated as a payment or delivery by the transferee to the transferor, and except to the extent that it is applied to discharge an obligation of the transferee to effect payment or delivery, such payment or delivery, or obligation to pay or deliver, shall be deemed to be a transfer of Collateral or delivery of Equivalent Collateral, as the case may be, made by the transferee until such time as the Collateral or Equivalent Collateral is substituted with other Collateral or Equivalent Collateral if an obligation to deliver other Collateral or deliver Equivalent Collateral existed immediately prior to the transfer of Securities, Equivalent Securities, Collateral or Equivalent Collateral; and
- (b) the Party receiving such substituted Collateral or Equivalent Collateral, or if no obligation to deliver other Collateral or redeliver Equivalent Collateral existed immediately prior to the transfer of Securities, Equivalent Securities, Collateral or Equivalent Collateral, the Party receiving the deemed transfer of Collateral or Delivery of Equivalent Collateral, as the case may be, shall cause to be made to the other Party for value the same day either, where such transfer is a payment, an irrevocable payment in the amount of such transfer or, where such transfer is a Delivery, an irrevocable Delivery of securities (or other property, as the case may be) equivalent to such property.

5.3 Substitutions of Collateral

Borrower may from time to time call for the repayment of Cash Collateral or the Delivery of Collateral equivalent to any Collateral delivered to Lender prior to the date on which the same would otherwise have been repayable or deliverable provided that at or prior to the time of such repayment or Delivery Borrower shall have delivered Alternative Collateral acceptable to Lender and Borrower is in compliance with paragraph 5.4 or paragraph 5.5, as applicable.

5.4 Marking to Market of Collateral during the currency of a Loan on aggregated basis

Unless paragraph 1.3 of the Schedule indicates that paragraph 5.5 shall apply in lieu of this paragraph 5.4, or unless otherwise agreed between the Parties:

- (a) the aggregate Market Value of the Collateral delivered to or deposited with Lender (excluding any Equivalent Collateral repaid or delivered under paragraphs 5.4(b) or 5.5(b) (as the case may be)) (***Posted Collateral***) in respect of all Loans outstanding under this Agreement shall equal the aggregate of the Market Value of Securities equivalent to the Loaned Securities and the applicable Margin (the ***Required Collateral Value***) in respect of such Loans;
- (b) if at any time on any Business Day the aggregate Market Value of the Posted Collateral in respect of all Loans outstanding under this Agreement together with: (i) all amounts due and payable by the Lender under this Agreement but which are unpaid; and (ii) if agreed between the parties and if the Income Record Date has occurred in respect of any Non-Cash Collateral, the amount or Market Value of Income payable in respect of such Non-Cash Collateral exceeds the aggregate of the

Required Collateral Values in respect of such Loans together with: (i) all amounts due and payable by the Borrower under this Agreement but which are unpaid; and (ii) if agreed between the parties and if the Income Record Date has occurred in respect of any securities equivalent to Loaned Securities, the amount or Market Value of Income payable in respect of such Equivalent Securities, Lender shall (on demand) repay and/or deliver, as the case may be, to Borrower such Equivalent Collateral as will eliminate the excess;

- (c) if at any time on any Business Day the aggregate Market Value of the Posted Collateral in respect of all Loans outstanding under this Agreement together with: (i) all amounts due and payable by the Lender under this Agreement but which are unpaid; and (ii) if agreed between the parties and if the Income Record Date has occurred in respect of any Non-Cash Collateral, the amount or Market Value of Income payable in respect of such Non-Cash Collateral falls below the aggregate of Required Collateral Values in respect of all such Loans together with: (i) all amounts due and payable by the Borrower under this Agreement but which are unpaid; and (ii) if agreed between the parties and if the Income Record Date has occurred in respect of Securities equivalent to any Loaned Securities, the amount or Market Value of Income payable in respect of such Equivalent Securities, Borrower shall (on demand) provide such further Collateral to Lender as will eliminate the deficiency;
- (d) where a Party acts as both Lender and Borrower under this Agreement, the provisions of paragraphs 5.4(b) and 5.4(c) shall apply separately (and without duplication) in respect of Loans entered into by that Party as Lender and Loans entered into by that Party as Borrower.

5.5 Marking to Market of Collateral during the currency of a Loan on a Loan by Loan basis

If paragraph 1.3 of the Schedule indicates this paragraph 5.5 shall apply in lieu of paragraph 5.4, the Posted Collateral in respect of any Loan shall bear from day to day and at any time the same proportion to the Market Value of Securities equivalent to the Loaned Securities as the Posted Collateral bore at the commencement of such Loan. Accordingly:

- (a) the Market Value of the Posted Collateral to be delivered or deposited while the Loan continues shall be equal to the Required Collateral Value;
- (b) if at any time on any Business Day the Market Value of the Posted Collateral in respect of any Loan together with: (i) all amounts due and payable by the Lender in respect of that Loan but which are unpaid; and (ii) if agreed between the parties and if the Income Record Date has occurred in respect of any Non-Cash Collateral, the amount or Market Value of Income payable in respect of such Non-Cash Collateral exceeds the Required Collateral Value in respect of such Loan together with: (i) all amounts due and payable by the Borrower in respect of that Loan; and (ii) if agreed between the parties and if the Income Record Date has occurred in respect of Securities equivalent to any Loaned Securities, the amount or Market Value of Income payable in respect of such Equivalent Securities, Lender shall (on demand) repay and/or deliver, as the case may be, to Borrower such Equivalent Collateral as will eliminate the excess; and
- (c) if at any time on any Business Day the Market Value of the Posted Collateral together with: (i) all amounts due any payable by the Lender in respect of that Loan; and (ii) if agreed between the parties and if the Income Record Date has occurred in respect of any Non-Cash Collateral, the amount or Market Value of Income payable in respect

of such Non-Cash Collateral falls below the Required Collateral Value together with:
(i) all amounts due and payable by the Borrower in respect of that Loan; and (ii) if agreed between the parties and if the Income Record Date has occurred in respect of Securities equivalent to any Loaned Securities, the amount or Market Value of Income payable in respect of such Equivalent Securities, Borrower shall (on demand) provide such further Collateral to Lender as will eliminate the deficiency.

5.6 Requirements to deliver excess Collateral

Where paragraph 5.4 applies, unless paragraph 1.4 of the Schedule indicates that this paragraph 5.6 does not apply, if a Party (the *first Party*) would, but for this paragraph 5.6, be required under paragraph 5.4 to provide further Collateral or deliver Equivalent Collateral in circumstances where the other Party (the *second Party*) would, but for this paragraph 5.6, also be required to or provide Collateral or deliver Equivalent Collateral under paragraph 5.4, then the Market Value of the Collateral or Equivalent Collateral deliverable by the first Party (*X*) shall be set off against the Market Value of the Collateral or Equivalent Collateral deliverable by the second Party (*Y*) and the only obligation of the Parties under paragraph 5.4 shall be, where X exceeds Y, an obligation of the first Party, or where Y exceeds X, an obligation of the second Party to repay and/or (as the case may be) deliver Equivalent Collateral or to deliver further Collateral having a Market Value equal to the difference between X and Y.

5.7 Where Equivalent Collateral is repaid or delivered (as the case may be) or further Collateral is provided by a Party under paragraph 5.6, the Parties shall agree to which Loan or Loans such repayment, delivery or further provision is to be attributed and failing agreement it shall be attributed, as determined by the Party making such repayment, delivery or further provision to the earliest outstanding Loan and, in the case of a repayment or delivery up to the point at which the Market Value of Collateral in respect of such Loan equals the Required Collateral Value in respect of such Loan, and then to the next earliest outstanding Loan up to the similar point and so on.

5.8 Timing of repayments of excess Collateral or deliveries of further Collateral

Where any Equivalent Collateral falls to be repaid or delivered (as the case may be) or further Collateral is to be provided under this paragraph 5, unless otherwise provided or agreed between the Parties, if the relevant demand is received by the Notification Time specified in paragraph 1.5 of the Schedule, then the delivery shall be made not later than the Close of Business on the same Business Day; if a demand is received after the Notification Time, then the relevant delivery shall be made not later than the Close of Business on the next Business Day after the date such demand is received.

5.9 Substitutions and extensions of Letters of Credit

Where Collateral is a Letter of Credit, Lender may by notice to Borrower require that Borrower, on the third Business Day following the date of delivery of such notice (or by such other time as the Parties may agree), substitute Collateral consisting of cash or other Collateral acceptable to Lender for the Letter of Credit. Prior to the expiration of any Letter of Credit supporting Borrower's obligations hereunder, Borrower shall, no later than 10.30 a.m. UK time on the second Business Day prior to the date such Letter of Credit expires (or by such other time as the Parties may agree), obtain an extension of the expiration of such Letter of Credit or replace such Letter of Credit by providing Lender with a substitute Letter of Credit in an amount at least equal to the amount of the Letter of Credit for which it is substituted.

6. DISTRIBUTIONS AND CORPORATE ACTIONS

6.1 In this paragraph 6, references to an amount of Income received by any Party in respect of any Loaned Securities or Non-Cash Collateral shall be to an amount received from the issuer after any applicable withholding or deduction for or on account of Tax.

6.2 **Manufactured payments in respect of Loaned Securities**

Where the term of a Loan extends over an Income Record Date in respect of any Loaned Securities, Borrower shall, on the date such Income is paid by the issuer, or on such other date as the Parties may from time to time agree, pay or deliver to Lender such sum of money or property as is agreed between the Parties or, failing such agreement, a sum of money or property equivalent to (and in the same currency as) the type and amount of such Income that would be received by Lender in respect of such Loaned Securities assuming such Securities were not loaned to Borrower and were retained by Lender on the Income Record Date.

6.3 **Manufactured payments in respect of Non-Cash Collateral**

Where Non-Cash Collateral is delivered by Borrower to Lender and an Income Record Date in respect of such Non-Cash Collateral occurs before Equivalent Collateral is delivered by Lender to Borrower, Lender shall on the date such Income is paid, or on such other date as the Parties may from time to time agree, pay or deliver to Borrower a sum of money or property as is agreed between the Parties or, failing such agreement, a sum of money or property equivalent to (and in the same currency as) the type and amount of such Income that would be received by Lender in respect of such Non-Cash Collateral assuming Lender:

- (a) retained the Non-Cash Collateral on the Income Record Date; and
- (b) is not entitled to any credit, benefit or other relief in respect of Tax under any Applicable Law.

6.4 **Indemnity for failure to redeliver Equivalent Non-Cash Collateral**

Unless paragraph 1.6 of the Schedule indicates that this paragraph does not apply, where:

- (a) prior to any Income Record Date in relation to Non-Cash Collateral, Borrower has in accordance with paragraph 5.3 called for the Delivery of Equivalent Non-Cash Collateral;
- (b) Borrower has given notice of such call to Lender so as to be effective, at the latest, five hours before the Close of Business on the last Business Day on which Lender would customarily be required to initiate settlement of the Non-Cash Collateral to enable settlement to take place on the Business Day immediately preceding the relevant Income Record Date;
- (c) Borrower has provided reasonable details to Lender of the Non-Cash Collateral, the relevant Income Record Date and the proposed Alternative Collateral;
- (d) Lender, acting reasonably, has determined that such Alternative Collateral is acceptable to it and Borrower shall have delivered or delivers such Alternative Collateral to Lender; and
- (e) Lender has failed to make reasonable efforts to transfer Equivalent Non-Cash Collateral to Borrower prior to such Income Record Date,

Lender shall indemnify Borrower in respect of any cost, loss or damage (excluding any indirect or consequential loss or damage or any amount otherwise compensated by Lender, including pursuant to paragraphs 6.3 and/or 9.3) suffered by Borrower that it would not have suffered had the relevant Equivalent Non-Cash Collateral been transferred to Borrower prior to such Income Record Date.

6.5 Income in the form of Securities

Where Income, in the form of securities, is paid in relation to any Loaned Securities or Collateral, such securities shall be added to such Loaned Securities or Collateral (and shall constitute Loaned Securities or Collateral, as the case may be, and be part of the relevant Loan) and will not be delivered to Lender, in the case of Loaned Securities, or to Borrower, in the case of Collateral, until the end of the relevant Loan, provided that the Lender or Borrower (as the case may be) fulfils its obligations under paragraph 5.4 or 5.5 (as applicable) with respect to the additional Loaned Securities or Collateral, as the case may be.

6.6 Exercise of voting rights

Where any voting rights fall to be exercised in relation to any Loaned Securities or Collateral, neither Borrower, in the case of Equivalent Securities, nor Lender, in the case of Equivalent Collateral, shall have any obligation to arrange for voting rights of that kind to be exercised in accordance with the instructions of the other Party in relation to the Securities borrowed by it or transferred to it by way of Collateral, as the case may be, unless otherwise agreed between the Parties.

6.7 Corporate actions

Where, in respect of any Loaned Securities or any Collateral, any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer, rights to receive securities or a certificate which may at a future date be exchanged for securities or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the delivery of Equivalent Securities or Equivalent Collateral, then Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option give written notice to the other Party that on delivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.

7. RATES APPLICABLE TO LOANED SECURITIES AND CASH COLLATERAL

7.1 Rates in respect of Loaned Securities

In respect of each Loan, Borrower shall pay to Lender, in the manner prescribed in subparagraph 7.3, sums calculated by applying such rate as shall be agreed between the Parties from time to time to the daily Market Value of the Loaned Securities.

7.2 Rates in respect of Cash Collateral

Where Cash Collateral is deposited with Lender in respect of any Loan, Lender shall pay to Borrower, in the manner prescribed in paragraph 7.3, sums calculated by applying such rates as shall be agreed between the Parties from time to time to the amount of such Cash

Collateral. Any such payment due to Borrower may be set-off against any payment due to Lender pursuant to paragraph 7.1.

7.3 Payment of rates

In respect of each Loan, the payments referred to in paragraph 7.1 and 7.2 shall accrue daily in respect of the period commencing on and inclusive of the Settlement Date and terminating on and exclusive of the Business Day upon which Equivalent Securities are delivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrears by the relevant Party not later than the Business Day which is the tenth Business Day after the last Business Day of the calendar month to which such payments relate or such other date as the Parties shall from time to time agree.

8. DELIVERY OF EQUIVALENT SECURITIES

8.1 Lender's right to terminate a Loan

Subject to paragraph 11 and the terms of the relevant Loan, Lender shall be entitled to terminate a Loan and to call for the delivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the standard settlement time for such Equivalent Securities on the exchange or in the clearing organisation through which the Loaned Securities were originally delivered. Borrower shall deliver such Equivalent Securities not later than the expiry of such notice in accordance with Lender's instructions.

8.2 Borrower's right to terminate a Loan

Subject to the terms of the relevant Loan, Borrower shall be entitled at any time to terminate a Loan and to deliver all and any Equivalent Securities due and outstanding to Lender in accordance with Lender's instructions and Lender shall accept such delivery.

8.3 Delivery of Equivalent Securities on termination of a Loan

Borrower shall procure the Delivery of Equivalent Securities to Lender or deliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Loan on termination of the Loan. For the avoidance of doubt any reference in this Agreement or in any other agreement or communication between the Parties (howsoever expressed) to an obligation to deliver or account for or act in relation to Loaned Securities shall accordingly be construed as a reference to an obligation to deliver or account for or act in relation to Equivalent Securities.

8.4 Delivery of Equivalent Collateral on termination of a Loan

On the date and time that Equivalent Securities are required to be delivered by Borrower on the termination of a Loan, Lender shall simultaneously (subject to paragraph 5.4 if applicable) repay to Borrower any Cash Collateral or, as the case may be, deliver Collateral equivalent to the Collateral provided by Borrower pursuant to paragraph 5 in respect of such Loan. For the avoidance of doubt any reference in this Agreement or in any other agreement or communication between the Parties (however expressed) to an obligation to deliver or account for or act in relation to Collateral shall accordingly be construed as a reference to an obligation to deliver or account for or act in relation to Equivalent Collateral.

8.5 Delivery of Letters of Credit

Where a Letter of Credit is provided by way of Collateral, the obligation to deliver Equivalent Collateral is satisfied by Lender delivering for cancellation the Letter of Credit so provided, or where the Letter of Credit is provided in respect of more than one Loan, by Lender consenting to a reduction in the value of the Letter of Credit.

8.6 Delivery obligations to be reciprocal

Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise) it shall notify the other Party and unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party until such arrangements to assure full delivery (or the appropriate payment as the case may be) are made.

9. FAILURE TO DELIVER

9.1 Borrower's failure to deliver Equivalent Securities

If Borrower fails to deliver Equivalent Securities in accordance with paragraph 8.3 Lender may:

- (a) elect to continue the Loan (which, for the avoidance of doubt, shall continue to be taken into account for the purposes of paragraph 5.4 or 5.5 as applicable); or
- (b) at any time while such failure continues, by written notice to Borrower declare that that Loan (but only that Loan) shall be terminated immediately in accordance with paragraph 11.2 as if (i) an Event of Default had occurred in relation to the Borrower, (ii) references to the Termination Date were to the date on which notice was given under this sub-paragraph, and (iii) the Loan were the only Loan outstanding. For the avoidance of doubt, any such failure shall not constitute an Event of Default (including under paragraph 10.1(i)) unless the Parties otherwise agree.

9.2 Lender's failure to deliver Equivalent Collateral

If Lender fails to deliver Equivalent Collateral comprising Non-Cash Collateral in accordance with paragraph 8.4 or 8.5, Borrower may:

- (a) elect to continue the Loan (which, for the avoidance of doubt, shall continue to be taken into account for the purposes of paragraph 5.4 or 5.5 as applicable); or
- (b) at any time while such failure continues, by written notice to Lender declare that that Loan (but only that Loan) shall be terminated immediately in accordance with paragraph 11.2 as if (i) an Event of Default had occurred in relation to the Lender, (ii) references to the Termination Date were to the date on which notice was given under this sub-paragraph, and (iii) the Loan were the only Loan outstanding. For the avoidance of doubt, any such failure shall not constitute an Event of Default (including under paragraph 10.1(i)) unless the Parties otherwise agree.

9.3 Failure by either Party to deliver

Where a Party (the *Transferor*) fails to deliver Equivalent Securities or Equivalent Collateral by the time required under this Agreement or within such other period as may be agreed between the Transferor and the other Party (the *Transferee*) and the Transferee:

- (a) incurs interest, overdraft or similar costs and expenses; or
- (b) incurs costs and expenses as a direct result of a Buy-in exercised against it by a third party,

then the Transferor agrees to pay within one Business Day of a demand from the Transferee and hold harmless the Transferee with respect to all reasonable costs and expenses listed in sub-paragraphs (a) and (b) above properly incurred which arise directly from such failure other than (i) such costs and expenses which arise from the negligence or wilful default of the Transferee and (ii) any indirect or consequential losses.

10. EVENTS OF DEFAULT

10.1 Each of the following events occurring and continuing in relation to either Party (the *Defaulting Party*, the other Party being the *Non-Defaulting Party*) shall be an Event of Default but only (subject to sub-paragraph 10.1(d)) where the Non-Defaulting Party serves written notice on the Defaulting Party:

- (a) Borrower or Lender failing to pay or repay Cash Collateral or to deliver Collateral on commencement of the Loan under paragraph 5.1 or to deliver further Collateral under paragraph 5.4 or 5.5;
- (b) Lender or Borrower failing to comply with its obligations under paragraph 6.2 or 6.3 upon the due date and not remedying such failure within three Business Days after the Non-Defaulting Party serves written notice requiring it to remedy such failure;
- (c) Lender or Borrower failing to pay any sum due under paragraph 9.1(b), 9.2(b) or 9.3 upon the due date;
- (d) an Act of Insolvency occurring with respect to Lender or Borrower, provided that, where the Parties have specified in paragraph 5 of the Schedule that Automatic Early Termination shall apply, an Act of Insolvency which is the presentation of a petition for winding up or any analogous proceeding or the appointment of a liquidator or analogous officer of the Defaulting Party shall not require the Non-Defaulting Party to serve written notice on the Defaulting Party (*Automatic Early Termination*);
- (e) any warranty made by Lender or Borrower in paragraph 13 or paragraphs 14(a) to 14(d) being incorrect or untrue in any material respect when made or repeated or deemed to have been made or repeated;
- (f) Lender or Borrower admitting to the other that it is unable to, or it intends not to, perform any of its obligations under this Agreement and/or in respect of any Loan where such failure to perform would with the service of notice or lapse of time constitute an Event of Default;
- (g) all or any material part of the assets of Lender or Borrower being transferred or ordered to be transferred to a trustee (or a person exercising similar functions) by a regulatory authority pursuant to any legislation;

- (h) Lender (if applicable) or Borrower being declared in default or being suspended or expelled from membership of or participation in, any securities exchange or suspended or prohibited from dealing in securities by any regulatory authority, in each case on the grounds that it has failed to meet any requirements relating to financial resources or credit rating; or
 - (i) Lender or Borrower failing to perform any other of its obligations under this Agreement and not remedying such failure within 30 days after the Non-Defaulting Party serves written notice requiring it to remedy such failure.
- 10.2 Each Party shall notify the other (in writing) if an Event of Default or an event which, with the passage of time and/or upon the serving of a written notice as referred to above, would be an Event of Default, occurs in relation to it.
- 10.3 The provisions of this Agreement constitute a complete statement of the remedies available to each Party in respect of any Event of Default.
- 10.4 Subject to paragraphs 9 and 11, neither Party may claim any sum by way of consequential loss or damage in the event of failure by the other Party to perform any of its obligations under this Agreement.

11. CONSEQUENCES OF AN EVENT OF DEFAULT

- 11.1 If an Event of Default occurs in relation to either Party then paragraphs 11.2 to 11.7 below shall apply.
- 11.2 The Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the ***Termination Date***) so that performance of such delivery and payment obligations shall be effected only in accordance with the following provisions.
- (a) The Default Market Value of the Equivalent Securities and Equivalent Non-Cash Collateral to be delivered and the amount of any Cash Collateral (including sums accrued) to be repaid and any other cash (including interest accrued) to be paid by each Party shall be established by the Non-Defaulting Party in accordance with paragraph 11.4 and deemed as at the Termination Date.
 - (b) On the basis of the sums so established, an account shall be taken (as at the Termination Date) of what is due from each Party to the other under this Agreement (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Non-Cash Collateral equal to the Default Market Value thereof) and the sums due from one Party shall be set off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the next following Business Day after such account has been taken and such sums have been set off in accordance with this paragraph. For the purposes of this calculation, any sum not denominated in the Base Currency shall be converted into the Base Currency at the spot rate prevailing at such dates and times determined by the Non-Defaulting Party acting reasonably.
 - (c) If the balance under sub-paragraph (b) above is payable by the Non-Defaulting Party and the Non-Defaulting Party had delivered to the Defaulting Party a Letter of Credit,

the Defaulting Party shall draw on the Letter of Credit to the extent of the balance due and shall subsequently deliver for cancellation the Letter of Credit so provided.

- (d) If the balance under sub-paragraph (b) above is payable by the Defaulting Party and the Defaulting Party had delivered to the Non-Defaulting Party a Letter of Credit, the Non-Defaulting Party shall draw on the Letter of Credit to the extent of the balance due and shall subsequently deliver for cancellation the Letter of Credit so provided.
- (e) In all other circumstances, where a Letter of Credit has been provided to a Party, such Party shall deliver for cancellation the Letter of Credit so provided.

11.3 For the purposes of this Agreement, the **Default Market Value** of any Equivalent Collateral in the form of a Letter of Credit shall be zero and of any Equivalent Securities or any other Equivalent Non-Cash Collateral shall be determined in accordance with paragraphs 11.4 to 11.6 below, and for this purpose:

- (a) the **Appropriate Market** means, in relation to securities of any description, the market which is the most appropriate market for securities of that description, as determined by the Non-Defaulting Party;
- (b) the **Default Valuation Time** means, in relation to an Event of Default, the close of business in the Appropriate Market on the fifth dealing day after the day on which that Event of Default occurs or, where that Event of Default is the occurrence of an Act of Insolvency in respect of which under paragraph 10.1(d) no notice is required from the Non-Defaulting Party in order for such event to constitute an Event of Default, the close of business on the fifth dealing day after the day on which the Non-Defaulting Party first became aware of the occurrence of such Event of Default;
- (c) **Deliverable Securities** means Equivalent Securities or Equivalent Non-Cash Collateral to be delivered by the Defaulting Party;
- (d) **Net Value** means at any time, in relation to any Deliverable Securities or Receivable Securities, the amount which, in the reasonable opinion of the Non-Defaulting Party, represents their fair market value, having regard to such pricing sources and methods (which may include, without limitation, available prices for securities with similar maturities, terms and credit characteristics as the relevant Equivalent Securities or Equivalent Collateral) as the Non-Defaulting Party considers appropriate, less, in the case of Receivable Securities, or plus, in the case of Deliverable Securities, all Transaction Costs incurred or reasonably anticipated in connection with the purchase or sale of such securities;
- (e) **Receivable Securities** means Equivalent Securities or Equivalent Non-Cash Collateral to be delivered to the Defaulting Party; and
- (f) **Transaction Costs** in relation to any transaction contemplated in paragraph 11.4 or 11.5 means the reasonable costs, commissions (including internal commissions), fees and expenses (including any mark-up or mark-down or premium paid for guaranteed delivery) incurred or reasonably anticipated in connection with the purchase of Deliverable Securities or sale of Receivable Securities, calculated on the assumption that the aggregate thereof is the least that could reasonably be expected to be paid in order to carry out the transaction.

11.4 If between the Termination Date and the Default Valuation Time:

- (a) the Non-Defaulting Party has sold, in the case of Receivable Securities, or purchased, in the case of Deliverable Securities, securities which form part of the same issue and are of an identical type and description as those Equivalent Securities or that Equivalent Collateral, (and regardless as to whether or not such sales or purchases have settled) the Non-Defaulting Party may elect to treat as the Default Market Value:
- (i) in the case of Receivable Securities, the net proceeds of such sale after deducting all Transaction Costs; provided that, where the securities sold are not identical in amount to the Equivalent Securities or Equivalent Collateral, the Non-Defaulting Party may, acting in good faith, either (A) elect to treat such net proceeds of sale divided by the amount of securities sold and multiplied by the amount of the Equivalent Securities or Equivalent Collateral as the Default Market Value or (B) elect to treat such net proceeds of sale of the Equivalent Securities or Equivalent Collateral actually sold as the Default Market Value of that proportion of the Equivalent Securities or Equivalent Collateral, and, in the case of (B), the Default Market Value of the balance of the Equivalent Securities or Equivalent Collateral shall be determined separately in accordance with the provisions of this paragraph 11.4; or
 - (ii) in the case of Deliverable Securities, the aggregate cost of such purchase, including all Transaction Costs; provided that, where the securities purchased are not identical in amount to the Equivalent Securities or Equivalent Collateral, the Non-Defaulting Party may, acting in good faith, either (A) elect to treat such aggregate cost divided by the amount of securities purchased and multiplied by the amount of the Equivalent Securities or Equivalent Collateral as the Default Market Value or (B) elect to treat the aggregate cost of purchasing the Equivalent Securities or Equivalent Collateral actually purchased as the Default Market Value of that proportion of the Equivalent Securities or Equivalent Collateral, and, in the case of (B), the Default Market Value of the balance of the Equivalent Securities or Equivalent Collateral shall be determined separately in accordance with the provisions of this paragraph 11.4;
- (b) the Non-Defaulting Party has received, in the case of Deliverable Securities, offer quotations or, in the case of Receivable Securities, bid quotations in respect of securities of the relevant description from two or more market makers or regular dealers in the Appropriate Market in a commercially reasonable size (as determined by the Non-Defaulting Party) the Non-Defaulting Party may elect to treat as the Default Market Value of the relevant Equivalent Securities or Equivalent Collateral:
- (i) the price quoted (or where more than one price is so quoted, the arithmetic mean of the prices so quoted) by each of them for, in the case of Deliverable Securities, the sale by the relevant market marker or dealer of such securities or, in the case of Receivable Securities, the purchase by the relevant market maker or dealer of such securities, provided that such price or prices quoted may be adjusted in a commercially reasonable manner by the Non-Defaulting Party to reflect accrued but unpaid coupons not reflected in the price or prices quoted in respect of such Securities;

- (ii) after deducting, in the case of Receivable Securities or adding in the case of Deliverable Securities the Transaction Costs which would be incurred or reasonably anticipated in connection with such transaction.

- 11.5 If, acting in good faith, either (A) the Non-Defaulting Party has endeavoured but been unable to sell or purchase securities in accordance with paragraph 11.4(a) above or to obtain quotations in accordance with paragraph 11.4(b) above (or both) or (B) the Non-Defaulting Party has determined that it would not be commercially reasonable to sell or purchase securities at the prices bid or offered or to obtain such quotations, or that it would not be commercially reasonable to use any quotations which it has obtained under paragraph 11.4(b) above the Non-Defaulting Party may determine the Net Value of the relevant Equivalent Securities or Equivalent Collateral (which shall be specified) and the Non-Defaulting Party may elect to treat such Net Value as the Default Market Value of the relevant Equivalent Securities or Equivalent Collateral.
- 11.6 To the extent that the Non-Defaulting Party has not determined the Default Market Value in accordance with paragraph 11.4, the Default Market Value of the relevant Equivalent Securities or Equivalent Collateral shall be an amount equal to their Net Value at the Default Valuation Time; provided that, if at the Default Valuation Time the Non-Defaulting Party reasonably determines that, owing to circumstances affecting the market in the Equivalent Securities or Equivalent Collateral in question, it is not reasonably practicable for the Non-Defaulting Party to determine a Net Value of such Equivalent Securities or Equivalent Collateral which is commercially reasonable (by reason of lack of tradable prices or otherwise), the Default Market Value of such Equivalent Securities or Equivalent Collateral shall be an amount equal to their Net Value as determined by the Non-Defaulting Party as soon as reasonably practicable after the Default Valuation Time.

Other costs, expenses and interest payable in consequence of an Event of Default

- 11.7 The Defaulting Party shall be liable to the Non-Defaulting Party for the amount of all reasonable legal and other professional expenses incurred by the Non-Defaulting Party in connection with or as a consequence of an Event of Default, together with interest thereon at such rate as is agreed by the Parties and specified in paragraph 10 of the Schedule or, failing such agreement, the overnight London Inter Bank Offered Rate as quoted on a reputable financial information service (**LIBOR**) as at 11.00 a.m., London time, on the date on which it is to be determined or, in the case of an expense attributable to a particular transaction and, where the Parties have previously agreed a rate of interest for the transaction, that rate of interest if it is greater than LIBOR. Interest will accrue daily on a compound basis.

Set-off

- 11.8 Any amount payable to one Party (the *Payee*) by the other Party (the *Payer*) under paragraph 11.2(b) may, at the option of the Non-Defaulting Party, be reduced by its set-off against any amount payable (whether at such time or in the future or upon the occurrence of a contingency) by the Payee to the Payer (irrespective of the currency, place of payment or booking office of the obligation) under any other agreement between the Payee and the Payer or instrument or undertaking issued or executed by one Party to, or in favour of, the other Party. If an obligation is unascertained, the Non-Defaulting Party may in good faith estimate that obligation and set off in respect of the estimate, subject to accounting to the other Party when the obligation is ascertained. Nothing in this paragraph shall be effective to create a charge or other security interest. This paragraph shall be without prejudice and in addition to

any right of set-off, combination of accounts, lien or other right to which any Party is at any time otherwise entitled (whether by operation of law, contract or otherwise).

12. TAXES

Withholding, gross-up and provision of information

- 12.1 All payments under this Agreement shall be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any Applicable Law.
- 12.2 Except as otherwise agreed, if the paying Party is so required to deduct or withhold, then that Party (*Payer*) shall:
- (a) promptly notify the other Party (*Recipient*) of such requirement;
 - (b) pay or otherwise account for the full amount required to be deducted or withheld to the relevant authority;
 - (c) upon written demand of Recipient, forward to Recipient documentation reasonably acceptable to Recipient, evidencing such payment to such authorities; and
 - (d) other than in respect of any payment made by Lender to Borrower under paragraph 6.3, pay to Recipient, in addition to the payment to which Recipient is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the amount actually received by Recipient (after taking account of such withholding or deduction) will equal the amount Recipient would have received had no such deduction or withholding been required; provided Payer will not be required to pay any additional amount to Recipient under this sub-paragraph (d) to the extent it would not be required to be paid but for the failure by Recipient to comply with or perform any obligation under paragraph 12.3.
- 12.3 Each Party agrees that it will upon written demand of the other Party deliver to such other Party (or to any government or other taxing authority as such other Party directs), any form or document and provide such other cooperation or assistance as may (in either case) reasonably be required in order to allow such other Party to make a payment under this Agreement without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document, or the provision of such cooperation or assistance, would not materially prejudice the legal or commercial position of the Party in receipt of such demand). Any such form or document shall be accurate and completed in a manner reasonably satisfactory to such other Party and shall be executed and delivered with any reasonably required certification by such date as is agreed between the Parties or, failing such agreement, as soon as reasonably practicable.

Stamp Tax

- 12.4 Unless otherwise agreed, Borrower hereby undertakes promptly to pay and account for any Stamp Tax chargeable in connection with any transaction effected pursuant to or contemplated by this Agreement (other than any Stamp Tax that would not be chargeable but for Lender's failure to comply with its obligations under this Agreement).
- 12.5 Borrower shall indemnify and keep indemnified Lender against any liability arising as a result of Borrower's failure to comply with its obligations under paragraph 12.4.

Sales Tax

- 12.6 All sums payable by one Party to another under this Agreement are exclusive of any Sales Tax chargeable on any supply to which such sums relate and an amount equal to such Sales Tax shall in each case be paid by the Party making such payment on receipt of an appropriate Sales Tax invoice.

Retrospective changes in law

- 12.7 Unless otherwise agreed, amounts payable by one Party to another under this Agreement shall be determined by reference to Applicable Law as at the date of the relevant payment and no adjustment shall be made to amounts paid under this Agreement as a result of:

- (a) any retrospective change in Applicable Law which is announced or enacted after the date of the relevant payment; or
- (b) any decision of a court of competent jurisdiction which is made after the date of the relevant payment (other than where such decision results from an action taken with respect to this Agreement or amounts paid or payable under this Agreement).

13. LENDER'S WARRANTIES

Each Party hereby warrants and undertakes to the other on a continuing basis to the intent that such warranties shall survive the completion of any transaction contemplated herein that, where acting as a Lender:

- (a) it is duly authorised and empowered to perform its duties and obligations under this Agreement;
- (b) it is not restricted under the terms of its constitution or in any other manner from lending Securities in accordance with this Agreement or from otherwise performing its obligations hereunder;
- (c) it is absolutely entitled to pass full legal and beneficial ownership of all Securities provided by it hereunder to Borrower free from all liens, charges and encumbrances; and
- (d) it is acting as principal in respect of this Agreement, other than in respect of an Agency Loan.

14. BORROWER'S WARRANTIES

Each Party hereby warrants and undertakes to the other on a continuing basis to the intent that such warranties shall survive the completion of any transaction contemplated herein that, where acting as a Borrower:

- (a) it has all necessary licences and approvals, and is duly authorised and empowered, to perform its duties and obligations under this Agreement and will do nothing prejudicial to the continuation of such authorisation, licences or approvals;
- (b) it is not restricted under the terms of its constitution or in any other manner from borrowing Securities in accordance with this Agreement or from otherwise performing its obligations hereunder;

- (c) it is absolutely entitled to pass full legal and beneficial ownership of all Collateral provided by it hereunder to Lender free from all liens, charges and encumbrances;
- (d) it is acting as principal in respect of this Agreement; and
- (e) it is not entering into a Loan for the primary purpose of obtaining or exercising voting rights in respect of the Loaned Securities.

15. INTEREST ON OUTSTANDING PAYMENTS

In the event of either Party failing to remit sums in accordance with this Agreement such Party hereby undertakes to pay to the other Party upon demand interest (before as well as after judgment) on the net balance due and outstanding, for the period commencing on and inclusive of the original due date for payment to (but excluding) the date of actual payment, in the same currency as the principal sum and at the rate referred to in paragraph 11.7. Interest will accrue daily on a compound basis and will be calculated according to the actual number of days elapsed. No interest shall be payable under this paragraph in respect of any day on which one Party endeavours to make a payment to the other Party but the other Party is unable to receive it.

16. TERMINATION OF THIS AGREEMENT

Each Party shall have the right to terminate this Agreement by giving not less than 15 Business Days' notice in writing to the other Party (which notice shall specify the date of termination) subject to an obligation to ensure that all Loans which have been entered into but not discharged at the time such notice is given are duly discharged in accordance with this Agreement.

17. SINGLE AGREEMENT

Each Party acknowledges that, and has entered into this Agreement and will enter into each Loan in consideration of and in reliance upon the fact that, all Loans constitute a single business and contractual relationship and are made in consideration of each other. Accordingly, each Party agrees:

- (a) to perform all of its obligations in respect of each Loan, and that a default in the performance of any such obligations shall constitute a default by it in respect of all Loans, subject always to the other provisions of the Agreement; and
- (b) that payments, deliveries and other transfers made by either of them in respect of any Loan shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Loan.

18. SEVERANCE

If any provision of this Agreement is declared by any judicial or other competent authority to be void or otherwise unenforceable, that provision shall be severed from the Agreement and the remaining provisions of this Agreement shall remain in full force and effect. The Agreement shall, however, thereafter be amended by the Parties in such reasonable manner so as to achieve as far as possible, without illegality, the intention of the Parties with respect to that severed provision.

19. SPECIFIC PERFORMANCE

Each Party agrees that in relation to legal proceedings it will not seek specific performance of the other Party's obligation to deliver Securities, Equivalent Securities, Collateral or Equivalent Collateral but without prejudice to any other rights it may have.

20. NOTICES

20.1 Any notice or other communication in respect of this Agreement may be given in any manner set forth below to the address or number or in accordance with the electronic messaging system details set out in paragraph 6 of the Schedule and will be deemed effective as indicated:

- (a) if in writing and delivered in person or by courier, on the date it is delivered;
- (b) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (c) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or
- (d) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or the receipt, as applicable, is not a Business Day or that communication is delivered (or attempted) or received, as applicable, after the Close of Business on a Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Business Day.

20.2 Either Party may by notice to the other change the address or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

21. ASSIGNMENT

21.1 Subject to paragraph 21.2, neither Party may charge, assign or otherwise deal with all or any of its rights or obligations hereunder without the prior consent of the other Party.

21.2 Paragraph 21.1 shall not preclude a party from charging, assigning or otherwise dealing with all or any part of its interest in any sum payable to it under paragraph 11.2(b) or 11.7.

22. NON-WAIVER

No failure or delay by either Party (whether by course of conduct or otherwise) to exercise any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege as herein provided.

23. GOVERNING LAW AND JURISDICTION

23.1 This Agreement and any non-contractual obligations arising out of or in connection with this Agreement shall be governed by, and shall be construed in accordance with, English law.

23.2 The courts of England have exclusive jurisdiction to hear and decide any suit, action or proceedings, and to settle any disputes or any non-contractual obligation which may arise out

of or in connection with this Agreement (respectively, *Proceedings* and *Disputes*) and, for these purposes, each Party irrevocably submits to the jurisdiction of the courts of England.

23.3 Each Party irrevocably waives any objection which it might at any time have to the courts of England being nominated as the forum to hear and decide any Proceedings and to settle any Disputes and agrees not to claim that the courts of England are not a convenient or appropriate forum.

23.4 Each Party hereby respectively appoints the person identified in paragraph 7 of the Schedule pertaining to the relevant Party as its agent to receive on its behalf service of process in the courts of England. If such an agent ceases to be an agent of a Party, the relevant Party shall promptly appoint, and notify the other Party of the identity of its new agent in England.

24. TIME

Time shall be of the essence of the Agreement.

25. RECORDING

The Parties agree that each may record all telephone conversations between them.

26. WAIVER OF IMMUNITY

Each Party hereby waives all immunity (whether on the basis of sovereignty or otherwise) from jurisdiction, attachment (both before and after judgment) and execution to which it might otherwise be entitled in any action or proceeding in the courts of England or of any other country or jurisdiction relating in any way to this Agreement and agrees that it will not raise, claim or cause to be pleaded any such immunity at or in respect of any such action or proceeding.

27. MISCELLANEOUS

27.1 This Agreement constitutes the entire agreement and understanding of the Parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.

27.2 The Party (the *Relevant Party*) who has prepared the text of this Agreement for execution (as indicated in paragraph 9 of the Schedule) warrants and undertakes to the other Party that such text conforms exactly to the text of the standard form Global Master Securities Lending Agreement (2010 version) posted by the International Securities Lending Association on its website except as notified by the Relevant Party to the other Party in writing prior to the execution of this Agreement.

27.3 Unless otherwise provided for in this Agreement, no amendment in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the Parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.

27.4 The Parties agree that where paragraph 11 of the Schedule indicates that this paragraph 27.4 applies, this Agreement shall apply to all loans which are outstanding as at the date of this Agreement and which are subject to the securities lending agreement or agreements specified in paragraph 11 of the Schedule, and such Loans shall be treated as if they had been entered into under this Agreement, and the terms of such loans are amended accordingly with effect from the date of this Agreement.

- 27.5 The Parties agree that where paragraph 12 of the Schedule indicates that this paragraph 27.5 applies, each may use the services of a third party vendor to automate the processing of Loans under this Agreement and that any data relating to such Loans received from the other Party may be disclosed to such third party vendors.
- 27.6 The obligations of the Parties under this Agreement will survive the termination of any Loan.
- 27.7 The warranties contained in paragraphs 13, 14 and 27.2 and in the Agency Annex will survive termination of this Agreement for so long as any obligations of either of the Parties pursuant to this Agreement remain outstanding.
- 27.8 Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.
- 27.9 This Agreement (and each amendment in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.
- 27.10 A person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any terms of this Agreement, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

The following provisions shall amend or supplement, as applicable, the terms of the Agreement:

It is further agreed that, where the securities which the Transferor failed to redeliver were part only of the aggregate number of securities required by the Transferee to meet its obligations under any such sale or delivery transaction, the Transferor shall only be required to pay to the Transferee the percentage of any such overdraft, financing and similar costs that relate to the proportion that such securities were of the aggregate number of required securities. - (n) South African Securities: Each Party undertakes that, where it is acting as Borrower and borrows South African Securities under the terms of this Agreement, it will (a) use best endeavours to effect delivery of those South African Securities within a period of ten (10) business days from the date of settlement of the delivery of those South African Securities from the Lender to it, and (b) redeliver Equivalent Securities to the Lender within a period of twelve (12) months from the date of settlement of the transfer of those South African Securities from the Lender to it. Where a Party fails to comply with the aforementioned obligations, and as a direct result the Lender becomes liable to pay stamp duty, securities transfer tax or similar transfer taxes in relation to the loan or redelivery or the relevant South African Securities to or from that Party as Borrower, that Party will promptly reimburse the Lender in relation to such taxes and for any associated penalties and interest. However, that Party will not be liable to the Lender for such taxes in the event that it has made the relevant South African Securities available for redelivery to the Lender but has been unable to effect such redelivery due to the wilful acts or omissions or the negligence of the Lender. For the purpose of the foregoing, “South African Securities” means listed securities as contemplated under the South African Securities Transfer Tax Act 2007, or any equivalent under replacement or equivalent legislation. Where a Party fails to comply with the aforementioned obligations, and as a direct result the other Party becomes liable to pay stamp duty, securities transfer tax or similar transfer taxes in relation to the loan or redelivery or the relevant Irish Securities to or from that Party, that Party will promptly reimburse the other Party in relation to such taxes and for any associated penalties and interest. However, that Party will not be liable to the other Party for such taxes in the event that it has made the relevant Irish Securities available for redelivery to the other Party but has been unable to effect such redelivery due to the wilful acts or omissions or the negligence of the other Party. For the purpose of the foregoing, “Irish Securities” means stock or marketable securities, “Non-Cash Collateral” means Collateral Stock and “Equivalent Securities” means Equivalent Stock, each as contemplated under the Irish Stamp Duties Consolidation Act 1999 (and the definition of “Equivalent Securities” in the Agreement shall be deemed so amended in relation to Irish Securities). The provisions of this paragraph shall be without prejudice to the provisions of paragraph 10.1 of the Agreement, and shall not be deemed to supplement or amend paragraph 10.1.

AGENCY ANNEX

1. TRANSACTIONS ENTERED INTO AS AGENT

1.1 Power for Lender to enter into Loans as agent

Subject to the following provisions of this paragraph, Lender may enter into Loans as agent (in such capacity, the *Agent*) for a third person (a *Principal*), whether as custodian or investment manager or otherwise (a Loan so entered into being referred to in this paragraph as an *Agency Loan*).

If the Lender has indicated in paragraph 8 of the Schedule that it may act as Agent, it must identify each Loan in respect of which it acts as Agent as an Agency Loan at the time it is entered into. If the Lender has indicated in paragraph 8 of the Schedule that it will always act as Agent, it need not identify each Loan as an Agency Loan.

1.2 Conditions for Agency Loan

A Lender may enter into an Agency Loan if, but only if:

- (a) it provides to Borrower, prior to effecting any Agency Loan, such information in its possession necessary to complete all required fields in the format generally used in the industry, or as otherwise agreed by Agent and Borrower (*Agreed Format*), and will use its best efforts to provide to Borrower any optional information that may be requested by the Borrower for the purpose of identifying such Principal (all such information being the *Principal Information*). Agent represents and warrants that the Principal Information is true and accurate to the best of its knowledge and has been provided to it by Principal;
- (b) it enters into that Loan on behalf of a single Principal whose identity is disclosed to Borrower (whether by name or by reference to a code or identifier which the Parties have agreed will be used to refer to a specified Principal) either at the time when it enters into the Loan or before the Close of Business on the next Business Day after the date on which Loaned Securities are transferred to the Borrower in the Agreed Format or as otherwise agreed between the Parties; and;
- (c) it has at the time when the Loan is entered into actual authority to enter into the Loan and to perform on behalf of that Principal all of that Principal's obligations under the agreement referred to in paragraph 1.5(b) below.

Agent agrees that it will not effect any Loan with Borrower on behalf of any Principal unless Borrower has notified Agent of Borrower's approval of such Principal, and has not notified Agent that it has withdrawn such approval (such Principal, an *Approved Principal*), with both such notifications in the Agreed Format.

Borrower acknowledges that Agent shall not have any obligation to provide it with confidential information regarding the financial status of its Principals; Agent agrees, however, that it will assist Borrower in obtaining from Agent's Principals such information regarding the financial status of such Principals as Borrower may reasonably request.

1.3 **Notification by Agent of certain events affecting any Principal**

Agent undertakes that, if it enters as agent into an Agency Loan, forthwith upon becoming aware:

- (a) of any event which constitutes an Act of Insolvency with respect to the relevant Principal; or
- (b) of any breach of any of the warranties given in paragraph 1.6 below or of any event or circumstance which results in any such warranty being untrue if repeated by reference to the then current facts,

it will inform Borrower of that fact and will, if so required by Borrower, furnish it with such additional information as it may reasonably request to the extent that such information is readily obtainable by Agent.

1.4 **Status of Agency Loan**

- (a) Each Agency Loan shall be a transaction between the relevant Principal and Borrower and no person other than the relevant Principal and Borrower shall be a party to or have any rights or obligations under an Agency Loan. Without limiting the foregoing, Agent shall not be liable as principal for the performance of an Agency Loan, but this is without prejudice to any liability of Agent under any other provision of this Annex; and

- (b) all the provisions of the Agreement shall apply separately as between Borrower and each Principal for whom the Agent has entered into an Agency Loan or Agency Loans as if each such Principal were a party to a separate agreement with Borrower in all respects identical with this Agreement other than this Annex and as if the Principal were Lender in respect of that agreement; provided that

- (i) if there occurs in relation to the Agent an Event of Default or an event which would constitute an Event of Default if Borrower served written notice under any sub-clause of paragraph 10 of the Agreement, Borrower shall be entitled by giving written notice to the Principal (which notice shall be validly given if given in accordance with paragraph 20 of the Agreement) to declare that by reason of that event an Event of Default is to be treated as occurring in relation to the Principal. If Borrower gives such a notice then an Event of Default shall be treated as occurring in relation to the Principal at the time when the notice is deemed to be given; and

- (ii) if the Principal is neither incorporated in nor has established a place of business in Great Britain, the Principal shall for the purposes of the agreement referred to in paragraph 1.5(b) above be deemed to have appointed as its agent to receive on its behalf service of process in the courts of England the Agent, or if the Agent is neither incorporated nor has established a place of business in Great Britain, the person appointed by the Agent for the purposes of this Agreement, or such other person as the Principal may from time to time specify in a written notice given to the other Party.

If Lender has indicated in paragraph 6 of the Schedule that it may enter into Loans as agent, the foregoing provisions of this paragraph do not affect the operation of the Agreement as between Borrower and Lender in respect of any Loans into which Lender may enter on its own account as principal.

1.5 **Warranty of authority by Lender acting as Agent**

Agent warrants to Borrower that it will, on every occasion on which it enters or purports to enter into a Loan as an Agency Loan, have been duly authorised to enter into that Loan and perform the obligations arising under such Loan on behalf of the Principal in respect of that Loan and to perform on behalf of the Principal all the obligations of that person under the agreement referred to in paragraph 1.5(b) above.

Master Securities Loan Agreement

1. Applicability.

From time to time the parties hereto may enter into transactions in which one party (“Lender”) will lend to the other party (“Borrower”) certain Securities (as defined herein) against a transfer of Collateral (as defined herein). Each such transaction shall be referred to herein as a “Loan” and, unless otherwise agreed in writing, shall be governed by this Agreement, including any supplemental terms or conditions contained in an Annex or Schedule hereto and in any other annexes identified herein or therein as applicable hereunder. Capitalized terms not otherwise defined herein shall have the meanings provided in Section 25.

2. Loans of Securities.

2.1 Subject to the terms and conditions of this Agreement, Borrower or Lender may, from time to time, seek to initiate a transaction in which Lender will lend Securities to Borrower. Borrower and Lender shall agree on the terms of each Loan (which terms may be amended during the Loan), including the issuer of the Securities, the amount of Securities to be lent, the basis of compensation, the amount of Collateral to be transferred by Borrower, and any additional terms. Such agreement shall be confirmed (a) by a schedule and receipt listing the Loaned Securities provided by Borrower to Lender in accordance with Section 3.2, (b) through any system that compares Loans and in which Borrower and Lender are participants, or (c) in such other manner as may be agreed by Borrower and Lender in writing. Such confirmation (the “Confirmation”), together with the Agreement, shall constitute conclusive evidence of the terms agreed between Borrower and Lender with respect to the Loan to which the Confirmation relates, unless with respect to the Confirmation specific objection is made promptly after receipt thereof. In the event of any inconsistency between the terms of such Confirmation and this Agreement, this Agreement shall prevail unless each party has executed such Confirmation.

2.2 Notwithstanding any other provision in this Agreement regarding when a Loan commences, unless otherwise agreed, a Loan hereunder shall not occur until the Loaned Securities and the Collateral therefor have been transferred in accordance with Section 15.

3. Transfer of Loaned Securities.

- 3.1 Unless otherwise agreed, Lender shall transfer Loaned Securities to Borrower hereunder on or before the Cutoff Time on the date agreed to by Borrower and Lender for the commencement of the Loan.
- 3.2 Unless otherwise agreed, Borrower shall provide Lender, for each Loan in which Lender is a Customer, with a schedule and receipt listing the Loaned Securities. Such schedule and receipt may consist of (a) a schedule provided to Borrower by Lender and executed and returned by Borrower when the Loaned Securities are received, (b) in the case of Securities transferred through a Clearing Organization which provides transferors with a notice evidencing such transfer, such notice, or (c) a confirmation or other document provided to Lender by Borrower.
- 3.3 Notwithstanding any other provision in this Agreement, the parties hereto agree that they intend the Loans hereunder to be loans of Securities. If, however, any Loan is deemed to be a loan of money by Borrower to Lender, then Borrower shall have, and Lender shall be deemed to have granted, a security interest in the Loaned Securities and the proceeds thereof.

4. Collateral.

- 4.1 Unless otherwise agreed, Borrower shall, prior to or concurrently with the transfer of the Loaned Securities to Borrower, but in no case later than the Close of Business on the day of such transfer, transfer to Lender Collateral with a Market Value at least equal to the Margin Percentage of the Market Value of the Loaned Securities.
- 4.2 The Collateral transferred by Borrower to Lender, as adjusted pursuant to Section 9, shall be security for Borrower's obligations in respect of such Loan and for any other obligations of Borrower to Lender hereunder. Borrower hereby pledges with, assigns to, and grants Lender a continuing first priority security interest in, and a lien upon, the Collateral, which shall attach upon the transfer of the Loaned Securities by Lender to Borrower and which shall cease upon the transfer of the Loaned Securities by Borrower to Lender. In addition to the rights and remedies given to Lender hereunder, Lender shall have all the rights and remedies of a secured party under the UCC. It is understood that Lender may use or invest the Collateral, if such consists of cash, at its own risk, but that (unless Lender is a Broker-Dealer) Lender shall, during the term of any Loan hereunder, segregate Collateral from all securities or other assets in its possession. Lender may Retransfer Collateral only (a) if Lender is a Broker-Dealer or (b) in the event of a Default by Borrower. Segregation of Collateral may be accomplished by appropriate identification on the books and records of Lender if it is a "securities intermediary" within the meaning of the UCC.
- 4.3 Except as otherwise provided herein, upon transfer to Lender of the Loaned Securities on the day a Loan is terminated pursuant to Section 6, Lender shall be obligated to transfer the Collateral (as adjusted pursuant to Section 9) to Borrower no later than the Cutoff Time on such day or, if such day is not a day on which a transfer of such Collateral may be effected under Section 15, the next day on which such a transfer may be effected.
- 4.4 If Borrower transfers Collateral to Lender, as provided in Section 4.1, and Lender does not transfer the Loaned Securities to Borrower, Borrower shall have the absolute right to the return of the Collateral; and if Lender transfers Loaned Securities to Borrower and

Borrower does not transfer Collateral to Lender as provided in Section 4.1, Lender shall have the absolute right to the return of the Loaned Securities.

- 4.5 Borrower may, upon reasonable notice to Lender (taking into account all relevant factors, including industry practice, the type of Collateral to be substituted, and the applicable method of transfer), substitute Collateral for Collateral securing any Loan or Loans; provided, however, that such substituted Collateral shall (a) consist only of cash, securities or other property that Borrower and Lender agreed would be acceptable Collateral prior to the Loan or Loans and (b) have a Market Value such that the aggregate Market Value of such substituted Collateral, together with all other Collateral for Loans in which the party substituting such Collateral is acting as Borrower, shall equal or exceed the agreed upon Margin Percentage of the Market Value of the Loaned Securities.
- 4.6 Prior to the expiration of any letter of credit supporting Borrower's obligations hereunder, Borrower shall, no later than the Extension Deadline, (a) obtain an extension of the expiration of such letter of credit, (b) replace such letter of credit by providing Lender with a substitute letter of credit in an amount at least equal to the amount of the letter of credit for which it is substituted, or (c) transfer such other Collateral to Lender as may be acceptable to Lender.

5. Fees for Loan.

- 5.1 Unless otherwise agreed, (a) Borrower agrees to pay Lender a loan fee (a "Loan Fee"), computed daily on each Loan to the extent such Loan is secured by Collateral other than cash, based on the aggregate Market Value of the Loaned Securities on the day for which such Loan Fee is being computed, and (b) Lender agrees to pay Borrower a fee or rebate (a "Cash Collateral Fee") on Collateral consisting of cash, computed daily based on the amount of cash held by Lender as Collateral, in the case of each of the Loan Fee and the Cash Collateral Fee at such rates as Borrower and Lender may agree. Except as Borrower and Lender may otherwise agree (in the event that cash Collateral is transferred by clearing house funds or otherwise), Loan Fees shall accrue from and including the date on which the Loaned Securities are transferred to Borrower to, but excluding, the date on which such Loaned Securities are returned to Lender, and Cash Collateral Fees shall accrue from and including the date on which the cash Collateral is transferred to Lender to, but excluding, the date on which such cash Collateral is returned to Borrower.
- 5.2 Unless otherwise agreed, any Loan Fee or Cash Collateral Fee payable hereunder shall be payable:
- (a) in the case of any Loan of Securities other than Government Securities, upon the earlier of (i) the fifteenth day of the month following the calendar month in which such fee was incurred and (ii) the termination of all Loans hereunder (or, if a transfer of cash in accordance with Section 15 may not be effected on such fifteenth day or the day of such termination, as the case may be, the next day on which such a transfer may be effected); and
 - (b) in the case of any Loan of Government Securities, upon the termination of such Loan and at such other times, if any, as may be customary in accordance with market practice.

Notwithstanding the foregoing, all Loan Fees shall be payable by Borrower immediately in the event of a Default hereunder by Borrower and all Cash Collateral Fees shall be payable immediately by Lender in the event of a Default by Lender.

6. Termination of the Loan.

- 6.1 (a) Unless otherwise agreed, either party may terminate a Loan on a termination date established by notice given to the other party prior to the Close of Business on a Business Day. The termination date established by a termination notice shall be a date no earlier than the standard settlement date that would apply to a purchase or sale of the Loaned Securities (in the case of a notice given by Lender) or the non-cash Collateral securing the Loan (in the case of a notice given by Borrower) entered into at the time of such notice, which date shall, unless Borrower and Lender agree to the contrary, be (i) in the case of Government Securities, the next Business Day following such notice and (ii) in the case of all other Securities, the third Business Day following such notice.
- (b) Notwithstanding paragraph (a) and unless otherwise agreed, Borrower may terminate a Loan on any Business Day by giving notice to Lender and transferring the Loaned Securities to Lender before the Cutoff Time on such Business Day if (i) the Collateral for such Loan consists of cash or Government Securities or (ii) Lender is not permitted, pursuant to Section 4.2, to Retransfer Collateral.
- 6.2 Unless otherwise agreed, Borrower shall, on or before the Cutoff Time on the termination date of a Loan, transfer the Loaned Securities to Lender; provided, however, that upon such transfer by Borrower, Lender shall transfer the Collateral (as adjusted pursuant to Section 9) to Borrower in accordance with Section 4.3.

7. Rights in Respect of Loaned Securities and Collateral.

- 7.1 Except as set forth in Sections 8.1 and 8.2 and as otherwise agreed by Borrower and Lender, until Loaned Securities are required to be redelivered to Lender upon termination of a Loan hereunder, Borrower shall have all of the incidents of ownership of the Loaned Securities, including the right to transfer the Loaned Securities to others. Lender hereby waives the right to vote, or to provide any consent or to take any similar action with respect to, the Loaned Securities in the event that the record date or deadline for such vote, consent or other action falls during the term of the Loan.
- 7.2 Except as set forth in Sections 8.3 and 8.4 and as otherwise agreed by Borrower and Lender, if Lender may, pursuant to Section 4.2, Retransfer Collateral, Borrower hereby waives the right to vote, or to provide any consent or take any similar action with respect to, any such Collateral in the event that the record date or deadline for such vote, consent or other action falls during the term of a Loan and such Collateral is not required to be returned to Borrower pursuant to Section 4.5 or Section 9.

8. Distributions.

- 8.1 Lender shall be entitled to receive all Distributions made on or in respect of the Loaned Securities which are not otherwise received by Lender, to the full extent it would be so entitled if the Loaned Securities had not been lent to Borrower.

- 8.2 Any cash Distributions made on or in respect of the Loaned Securities, which Lender is entitled to receive pursuant to Section 8.1, shall be paid by the transfer of cash to Lender by Borrower, on the date any such Distribution is paid, in an amount equal to such cash Distribution, so long as Lender is not in Default at the time of such payment. Non-cash Distributions that Lender is entitled to receive pursuant to Section 8.1 shall be added to the Loaned Securities on the date of distribution and shall be considered such for all purposes, except that if the Loan has terminated, Borrower shall forthwith transfer the same to Lender.
- 8.3 Borrower shall be entitled to receive all Distributions made on or in respect of non-cash Collateral which are not otherwise received by Borrower, to the full extent it would be so entitled if the Collateral had not been transferred to Lender.
- 8.4 Any cash Distributions made on or in respect of such Collateral, which Borrower is entitled to receive pursuant to Section 8.3, shall be paid by the transfer of cash to Borrower by Lender, on the date any such Distribution is paid, in an amount equal to such cash Distribution, so long as Borrower is not in Default at the time of such payment. Non-cash Distributions that Borrower is entitled to receive pursuant to Section 8.3 shall be added to the Collateral on the date of distribution and shall be considered such for all purposes, except that if each Loan secured by such Collateral has terminated, Lender shall forthwith transfer the same to Borrower.
- 8.5 Unless otherwise agreed by the parties:
- (a) If (i) Borrower is required to make a payment (a “Borrower Payment”) with respect to cash Distributions on Loaned Securities under Sections 8.1 and 8.2 (“Securities Distributions”), or (ii) Lender is required to make a payment (a “Lender Payment”) with respect to cash Distributions on Collateral under Sections 8.3 and 8.4 (“Collateral Distributions”), and (iii) Borrower or Lender, as the case may be (“Payor”), shall be required by law to collect any withholding or other tax, duty, fee, levy or charge required to be deducted or withheld from such Borrower Payment or Lender Payment (“Tax”), then Payor shall (subject to subsections (b) and (c) below), pay such additional amounts as may be necessary in order that the net amount of the Borrower Payment or Lender Payment received by the Lender or Borrower, as the case may be (“Payee”), after payment of such Tax equals the net amount of the Securities Distribution or Collateral Distribution that would have been received if such Securities Distribution or Collateral Distribution had been paid directly to the Payee.
 - (b) No additional amounts shall be payable to a Payee under subsection (a) above to the extent that Tax would have been imposed on a Securities Distribution or Collateral Distribution paid directly to the Payee.
 - (c) No additional amounts shall be payable to a Payee under subsection (a) above to the extent that such Payee is entitled to an exemption from, or reduction in the rate of, Tax on a Borrower Payment or Lender Payment subject to the provision of a certificate or other documentation, but has failed timely to provide such certificate or other documentation.
 - (d) Each party hereto shall be deemed to represent that, as of the commencement of any Loan hereunder, no Tax would be imposed on any cash Distribution paid to it with respect to (i) Loaned Securities subject to a Loan in which it is acting as

Lender or (ii) Collateral for any Loan in which it is acting as Borrower, unless such party has given notice to the contrary to the other party hereto (which notice shall specify the rate at which such Tax would be imposed). Each party agrees to notify the other of any change that occurs during the term of a Loan in the rate of any Tax that would be imposed on any such cash Distributions payable to it.

- 8.6 To the extent that, under the provisions of Sections 8.1 through 8.5, (a) a transfer of cash or other property by Borrower would give rise to a Margin Excess or (b) a transfer of cash or other property by Lender would give rise to a Margin Deficit, Borrower or Lender (as the case may be) shall not be obligated to make such transfer of cash or other property in accordance with such Sections, but shall in lieu of such transfer immediately credit the amounts that would have been transferable under such Sections to the account of Lender or Borrower (as the case may be).

9. Mark to Market.

- 9.1 If Lender is a Customer, Borrower shall daily mark to market any Loan hereunder and in the event that at the Close of Trading on any Business Day the Market Value of the Collateral for any Loan to Borrower shall be less than 100% of the Market Value of all the outstanding Loaned Securities subject to such Loan, Borrower shall transfer additional Collateral no later than the Close of Business on the next Business Day so that the Market Value of such additional Collateral, when added to the Market Value of the other Collateral for such Loan, shall equal 100% of the Market Value of the Loaned Securities.
- 9.2 In addition to any rights of Lender under Section 9.1, if at any time the aggregate Market Value of all Collateral for Loans by Lender shall be less than the Margin Percentage of the Market Value of all the outstanding Loaned Securities subject to such Loans (a "Margin Deficit"), Lender may, by notice to Borrower, demand that Borrower transfer to Lender additional Collateral so that the Market Value of such additional Collateral, when added to the Market Value of all other Collateral for such Loans, shall equal or exceed the Margin Percentage of the Market Value of the Loaned Securities.
- 9.3 Subject to Borrower's obligations under Section 9.1, if at any time the Market Value of all Collateral for Loans to Borrower shall be greater than the Margin Percentage of the Market Value of all the outstanding Loaned Securities subject to such Loans (a "Margin Excess"), Borrower may, by notice to Lender, demand that Lender transfer to Borrower such amount of the Collateral selected by Borrower so that the Market Value of the Collateral for such Loans, after deduction of such amounts, shall thereupon not exceed the Margin Percentage of the Market Value of the Loaned Securities.
- 9.4 Borrower and Lender may agree, with respect to one or more Loans hereunder, to mark the values to market pursuant to Sections 9.2 and 9.3 by separately valuing the Loaned Securities lent and the Collateral given in respect thereof on a Loan-by-Loan basis.
- 9.5 Borrower and Lender may agree, with respect to any or all Loans hereunder, that the respective rights of Lender and Borrower under Sections 9.2 and 9.3 may be exercised only where a Margin Excess or Margin Deficit exceeds a specified dollar amount or a specified percentage of the Market Value of the Loaned Securities under such Loans (which amount or percentage shall be agreed to by Borrower and Lender prior to entering into any such Loans).

- 9.6 If any notice is given by Borrower or Lender under Sections 9.2 or 9.3 at or before the Margin Notice Deadline on any day on which a transfer of Collateral may be effected in accordance with Section 15, the party receiving such notice shall transfer Collateral as provided in such Section no later than the Close of Business on such day. If any such notice is given after the Margin Notice Deadline, the party receiving such notice shall transfer such Collateral no later than the Close of Business on the next Business Day following the day of such notice.

10. Representations.

The parties to this Agreement hereby make the following representations and warranties, which shall continue during the term of any Loan hereunder:

- 10.1 Each party hereto represents and warrants that (a) it has the power to execute and deliver this Agreement, to enter into the Loans contemplated hereby and to perform its obligations hereunder, (b) it has taken all necessary action to authorize such execution, delivery and performance, and (c) this Agreement constitutes a legal, valid and binding obligation enforceable against it in accordance with its terms.
- 10.2 Each party hereto represents and warrants that it has not relied on the other for any tax or accounting advice concerning this Agreement and that it has made its own determination as to the tax and accounting treatment of any Loan and any dividends, remuneration or other funds received hereunder.
- 10.3 Each party hereto represents and warrants that it is acting for its own account unless it expressly specifies otherwise in writing and complies with Section 11.1(b).
- 10.4 Borrower represents and warrants that it has, or will have at the time of transfer of any Collateral, the right to grant a first priority security interest therein subject to the terms and conditions hereof.
- 10.5 (a) Borrower represents and warrants that it (or the person to whom it relends the Loaned Securities) is borrowing or will borrow Loaned Securities that are Equity Securities for the purpose of making delivery of such Loaned Securities in the case of short sales, failure to receive securities required to be delivered, or as otherwise permitted pursuant to Regulation T as in effect from time to time.
- (b) Borrower and Lender may agree, as provided in Section 24.2, that Borrower shall not be deemed to have made the representation or warranty in subsection (a) with respect to any Loan. By entering into any such agreement, Lender shall be deemed to have represented and warranted to Borrower (which representation and warranty shall be deemed to be repeated on each day during the term of the Loan) that Lender is either (i) an “exempted borrower” within the meaning of Regulation T or (ii) a member of a national securities exchange or a broker or dealer registered with the U.S. Securities and Exchange Commission that is entering into such Loan to finance its activities as a market maker or an underwriter.
- 10.6 Lender represents and warrants that it has, or will have at the time of transfer of any Loaned Securities, the right to transfer the Loaned Securities subject to the terms and conditions hereof.

11. Covenants.

- 11.1 Each party agrees either (a) to be liable as principal with respect to its obligations hereunder or (b) to execute and comply fully with the provisions of Annex I (the terms and conditions of which Annex are incorporated herein and made a part hereof).
- 11.2 Promptly upon (and in any event within seven (7) Business Days after) demand by Lender, Borrower shall furnish Lender with Borrower's most recent publicly-available financial statements and any other financial statements mutually agreed upon by Borrower and Lender. Unless otherwise agreed, if Borrower is subject to the requirements of Rule 17a-5(c) under the Exchange Act, it may satisfy the requirements of this Section by furnishing Lender with its most recent statement required to be furnished to customers pursuant to such Rule.

12. Events of Default.

All Loans hereunder may, at the option of the non-defaulting party (which option shall be deemed to have been exercised immediately upon the occurrence of an Act of Insolvency), be terminated immediately upon the occurrence of any one or more of the following events (individually, a "Default"):

- 12.1 if any Loaned Securities shall not be transferred to Lender upon termination of the Loan as required by Section 6;
- 12.2 if any Collateral shall not be transferred to Borrower upon termination of the Loan as required by Sections 4.3 and 6;
- 12.3 if either party shall fail to transfer Collateral as required by Section 9;
- 12.4 if either party (a) shall fail to transfer to the other party amounts in respect of Distributions required to be transferred by Section 8, (b) shall have been notified of such failure by the other party prior to the Close of Business on any day, and (c) shall not have cured such failure by the Cutoff Time on the next day after such Close of Business on which a transfer of cash may be effected in accordance with Section 15;
- 12.5 if an Act of Insolvency occurs with respect to either party;
- 12.6 if any representation made by either party in respect of this Agreement or any Loan or Loans hereunder shall be incorrect or untrue in any material respect during the term of any Loan hereunder;
- 12.7 if either party notifies the other of its inability to or its intention not to perform its obligations hereunder or otherwise disaffirms, rejects or repudiates any of its obligations hereunder; or
- 12.8 if either party (a) shall fail to perform any material obligation under this Agreement not specifically set forth in clauses 12.1 through 12.7, above, including but not limited to the payment of fees as required by Section 5, and the payment of transfer taxes as required by Section 14, (b) shall have been notified of such failure by the other party prior to the Close of Business on any day, and (c) shall not have cured such failure by the Cutoff Time on the next day after such Close of Business on which a transfer of cash may be effected in accordance with Section 15.

The non-defaulting party shall (except upon the occurrence of an Act of Insolvency) give notice as promptly as practicable to the defaulting party of the exercise of its option to terminate all Loans hereunder pursuant to this Section 12.

13. Remedies.

- 13.1 Upon the occurrence of a Default under Section 12 entitling Lender to terminate all Loans hereunder, Lender shall have the right, in addition to any other remedies provided herein, (a) to purchase a like amount of Loaned Securities (“Replacement Securities”) in the principal market for such Loaned Securities in a commercially reasonable manner, (b) to sell any Collateral in the principal market for such Collateral in a commercially reasonable manner and (c) to apply and set off the Collateral and any proceeds thereof (including any amounts drawn under a letter of credit supporting any Loan) against the payment of the purchase price for such Replacement Securities and any amounts due to Lender under Sections 5, 8, 14 and 16. In the event that Lender shall exercise such rights, Borrower’s obligation to return a like amount of the Loaned Securities shall terminate. Lender may similarly apply the Collateral and any proceeds thereof to any other obligation of Borrower under this Agreement, including Borrower’s obligations with respect to Distributions paid to Borrower (and not forwarded to Lender) in respect of Loaned Securities. In the event that (i) the purchase price of Replacement Securities (plus all other amounts, if any, due to Lender hereunder) exceeds (ii) the amount of the Collateral, Borrower shall be liable to Lender for the amount of such excess together with interest thereon at a rate equal to (A) in the case of purchases of Foreign Securities, LIBOR, (B) in the case of purchases of any other Securities (or other amounts, if any, due to Lender hereunder), the Federal Funds Rate or (C) such other rate as may be specified in Schedule B, in each case as such rate fluctuates from day to day, from the date of such purchase until the date of payment of such excess. As security for Borrower’s obligation to pay such excess, Lender shall have, and Borrower hereby grants, a security interest in any property of Borrower then held by or for Lender and a right of setoff with respect to such property and any other amount payable by Lender to Borrower. The purchase price of Replacement Securities purchased under this Section 13.1 shall include, and the proceeds of any sale of Collateral shall be determined after deduction of, broker’s fees and commissions and all other reasonable costs, fees and expenses related to such purchase or sale (as the case may be). In the event Lender exercises its rights under this Section 13.1, Lender may elect in its sole discretion, in lieu of purchasing all or a portion of the Replacement Securities or selling all or a portion of the Collateral, to be deemed to have made, respectively, such purchase of Replacement Securities or sale of Collateral for an amount equal to the price therefor on the date of such exercise obtained from a generally recognized source or the last bid quotation from such a source at the most recent Close of Trading. Subject to Section 18, upon the satisfaction of all obligations hereunder, any remaining Collateral shall be returned to Borrower.
- 13.2 Upon the occurrence of a Default under Section 12 entitling Borrower to terminate all Loans hereunder, Borrower shall have the right, in addition to any other remedies provided herein, (a) to purchase a like amount of Collateral (“Replacement Collateral”) in the principal market for such Collateral in a commercially reasonable manner, (b) to sell a like amount of the Loaned Securities in the principal market for such Loaned Securities in a commercially reasonable manner and (c) to apply and set off the Loaned Securities and any proceeds thereof against (i) the payment of the purchase price for such Replacement Collateral, (ii) Lender’s obligation to return any cash or other Collateral, and (iii) any amounts due to Borrower under Sections 5, 8 and 16. In such event, Borrower may treat the Loaned Securities as its own and Lender’s obligation to return a

like amount of the Collateral shall terminate; provided, however, that Lender shall immediately return any letters of credit supporting any Loan upon the exercise or deemed exercise by Borrower of its termination rights under Section 12. Borrower may similarly apply the Loaned Securities and any proceeds thereof to any other obligation of Lender under this Agreement, including Lender's obligations with respect to Distributions paid to Lender (and not forwarded to Borrower) in respect of Collateral. In the event that (i) the sales price received from such Loaned Securities is less than (ii) the purchase price of Replacement Collateral (plus the amount of any cash or other Collateral not replaced by Borrower and all other amounts, if any, due to Borrower hereunder), Lender shall be liable to Borrower for the amount of any such deficiency, together with interest on such amounts at a rate equal to (A) in the case of Collateral consisting of Foreign Securities, LIBOR, (B) in the case of Collateral consisting of any other Securities (or other amounts due, if any, to Borrower hereunder), the Federal Funds Rate or (C) such other rate as may be specified in Schedule B, in each case as such rate fluctuates from day to day, from the date of such sale until the date of payment of such deficiency. As security for Lender's obligation to pay such deficiency, Borrower shall have, and Lender hereby grants, a security interest in any property of Lender then held by or for Borrower and a right of setoff with respect to such property and any other amount payable by Borrower to Lender. The purchase price of any Replacement Collateral purchased under this Section 13.2 shall include, and the proceeds of any sale of Loaned Securities shall be determined after deduction of, broker's fees and commissions and all other reasonable costs, fees and expenses related to such purchase or sale (as the case may be). In the event Borrower exercises its rights under this Section 13.2, Borrower may elect in its sole discretion, in lieu of purchasing all or a portion of the Replacement Collateral or selling all or a portion of the Loaned Securities, to be deemed to have made, respectively, such purchase of Replacement Collateral or sale of Loaned Securities for an amount equal to the price therefor on the date of such exercise obtained from a generally recognized source or the last bid quotation from such a source at the most recent Close of Trading. Subject to Section 18, upon the satisfaction of all Lender's obligations hereunder, any remaining Loaned Securities (or remaining cash proceeds thereof) shall be returned to Lender.

13.3 Unless otherwise agreed, the parties acknowledge and agree that (a) the Loaned Securities and any Collateral consisting of Securities are of a type traded in a recognized market, (b) in the absence of a generally recognized source for prices or bid or offer quotations for any security, the non-defaulting party may establish the source therefor in its sole discretion, and (c) all prices and bid and offer quotations shall be increased to include accrued interest to the extent not already included therein (except to the extent contrary to market practice with respect to the relevant Securities).

13.4 In addition to its rights hereunder, the non-defaulting party shall have any rights otherwise available to it under any other agreement or applicable law.

14. Transfer Taxes.

All transfer taxes with respect to the transfer of the Loaned Securities by Lender to Borrower and by Borrower to Lender upon termination of the Loan and with respect to the transfer of Collateral by Borrower to Lender and by Lender to Borrower upon termination of the Loan or pursuant to Section 4.5 or Section 9 shall be paid by Borrower.

15. Transfers.

- 15.1 All transfers by either Borrower or Lender of Loaned Securities or Collateral consisting of “financial assets” (within the meaning of the UCC) hereunder shall be by (a) in the case of certificated securities, physical delivery of certificates representing such securities together with duly executed stock and bond transfer powers, as the case may be, with signatures guaranteed by a bank or a member firm of the New York Stock Exchange, Inc., (b) registration of an uncertificated security in the transferee’s name by the issuer of such uncertificated security, (c) the crediting by a Clearing Organization of such financial assets to the transferee’s “securities account” (within the meaning of the UCC) maintained with such Clearing Organization, or (d) such other means as Borrower and Lender may agree.
- 15.2 All transfers of cash hereunder shall be by (a) wire transfer in immediately available, freely transferable funds or (b) such other means as Borrower and Lender may agree.
- 15.3 All transfers of letters of credit from Borrower to Lender shall be made by physical delivery to Lender of an irrevocable letter of credit issued by a “bank” as defined in Section 3(a)(6)(A)-(C) of the Exchange Act. Transfers of letters of credit from Lender to Borrower shall be made by causing such letters of credit to be returned or by causing the amount of such letters of credit to be reduced to the amount required after such transfer.
- 15.4 A transfer of Securities, cash or letters of credit may be effected under this Section 15 on any day except (a) a day on which the transferee is closed for business at its address set forth in Schedule A hereto or (b) a day on which a Clearing Organization or wire transfer system is closed, if the facilities of such Clearing Organization or wire transfer system are required to effect such transfer.
- 15.5 For the avoidance of doubt, the parties agree and acknowledge that the term “securities,” as used herein (except in this Section 15), shall include any “security entitlements” with respect to such securities (within the meaning of the UCC). In every transfer of “financial assets” (within the meaning of the UCC) hereunder, the transferor shall take all steps necessary (a) to effect a delivery to the transferee under Section 8-301 of the UCC, or to cause the creation of a security entitlement in favor of the transferee under Section 8-501 of the UCC, (b) to enable the transferee to obtain “control” (within the meaning of Section 8-106 of the UCC), and (c) to provide the transferee with comparable rights under any applicable foreign law or regulation.

16. Contractual Currency.

- 16.1 Borrower and Lender agree that (a) any payment in respect of a Distribution under Section 8 shall be made in the currency in which the underlying Distribution of cash was made, (b) any return of cash shall be made in the currency in which the underlying transfer of cash was made, and (c) any other payment of cash in connection with a Loan under this Agreement shall be in the currency agreed upon by Borrower and Lender in connection with such Loan (the currency established under clause (a), (b) or (c) hereinafter referred to as the “Contractual Currency”). Notwithstanding the foregoing, the payee of any such payment may, at its option, accept tender thereof in any other currency; provided, however, that, to the extent permitted by applicable law, the obligation of the payor to make such payment will be discharged only to the extent of the amount of Contractual Currency that such payee may, consistent with normal banking

procedures, purchase with such other currency (after deduction of any premium and costs of exchange) on the banking day next succeeding its receipt of such currency.

- 16.2 If for any reason the amount in the Contractual Currency received under Section 16.1, including amounts received after conversion of any recovery under any judgment or order expressed in a currency other than the Contractual Currency, falls short of the amount in the Contractual Currency due in respect of this Agreement, the party required to make the payment will (unless a Default has occurred and such party is the non-defaulting party) as a separate and independent obligation and to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall.
- 16.3 If for any reason the amount in the Contractual Currency received under Section 16.1 exceeds the amount in the Contractual Currency due in respect of this Agreement, then the party receiving the payment will (unless a Default has occurred and such party is the non-defaulting party) refund promptly the amount of such excess.

17. ERISA.

Lender shall, if any of the Securities transferred to the Borrower hereunder for any Loan have been or shall be obtained, directly or indirectly, from or using the assets of any Plan, so notify Borrower in writing upon the execution of this Agreement or upon initiation of such Loan under Section 2.1. If Lender so notifies Borrower, then Borrower and Lender shall conduct the Loan in accordance with the terms and conditions of Department of Labor Prohibited Transaction Exemption 81-6 (46 Fed. Reg. 7527, Jan. 23, 1981; as amended, 52 Fed. Reg. 18754, May 19, 1987), or any successor thereto (unless Borrower and Lender have agreed prior to entering into a Loan that such Loan will be conducted in reliance on another exemption, or without relying on any exemption, from the prohibited transaction provisions of Section 406 of the Employee Retirement Income Security Act of 1974, as amended, and Section 4975 of the Internal Revenue Code of 1986, as amended). Without limiting the foregoing and notwithstanding any other provision of this Agreement, if the Loan will be conducted in accordance with Prohibited Transaction Exemption 81-6, then:

- 17.1 Borrower represents and warrants to Lender that it is either (a) a bank subject to federal or state supervision, (b) a broker-dealer registered under the Exchange Act or (c) exempt from registration under Section 15(a)(1) of the Exchange Act as a dealer in Government Securities.
- 17.2 Borrower represents and warrants that, during the term of any Loan hereunder, neither Borrower nor any affiliate of Borrower has any discretionary authority or control with respect to the investment of the assets of the Plan involved in the Loan or renders investment advice (within the meaning of 29 C.F.R. Section 2510.3-21(c)) with respect to the assets of the Plan involved in the Loan. Lender agrees that, prior to or at the commencement of any Loan hereunder, it will communicate to Borrower information regarding the Plan sufficient to identify to Borrower any person or persons that have discretionary authority or control with respect to the investment of the assets of the Plan involved in the Loan or that render investment advice (as defined in the preceding sentence) with respect to the assets of the Plan involved in the Loan. In the event Lender fails to communicate and keep current during the term of any Loan such information, Lender rather than Borrower shall be deemed to have made the representation and warranty in the first sentence of this Section 17.2.

17.3 Borrower shall mark to market daily each Loan hereunder pursuant to Section 9.1 as is required if Lender is a Customer.

17.4 Borrower and Lender agree that:

- (a) the term “Collateral” shall mean cash, securities issued or guaranteed by the United States government or its agencies or instrumentalities, or irrevocable bank letters of credit issued by a person other than Borrower or an affiliate thereof;
- (b) prior to the making of any Loans hereunder, Borrower shall provide Lender with (i) the most recent available audited statement of Borrower’s financial condition and (ii) the most recent available unaudited statement of Borrower’s financial condition (if more recent than the most recent audited statement), and each Loan made hereunder shall be deemed a representation by Borrower that there has been no material adverse change in Borrower’s financial condition subsequent to the date of the latest financial statements or information furnished in accordance herewith;
- (c) the Loan may be terminated by Lender at any time, whereupon Borrower shall deliver the Loaned Securities to Lender within the lesser of (i) the customary delivery period for such Loaned Securities, (ii) five Business Days, and (iii) the time negotiated for such delivery between Borrower and Lender; provided, however, that Borrower and Lender may agree to a longer period only if permitted by Prohibited Transaction Exemption 81-6; and
- (d) the Collateral transferred shall be security only for obligations of Borrower to the Plan with respect to Loans, and shall not be security for any obligation of Borrower to any agent or affiliate of the Plan.

18. Single Agreement.

Borrower and Lender acknowledge that, and have entered into this Agreement in reliance on the fact that, all Loans hereunder constitute a single business and contractual relationship and have been entered into in consideration of each other. Accordingly, Borrower and Lender hereby agree that payments, deliveries and other transfers made by either of them in respect of any Loan shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Loan hereunder, and the obligations to make any such payments, deliveries and other transfers may be applied against each other and netted. In addition, Borrower and Lender acknowledge that, and have entered into this Agreement in reliance on the fact that, all Loans hereunder have been entered into in consideration of each other. Accordingly, Borrower and Lender hereby agree that (a) each shall perform all of its obligations in respect of each Loan hereunder, and that a default in the performance of any such obligation by Borrower or by Lender (the “Defaulting Party”) in any Loan hereunder shall constitute a default by the Defaulting Party under all such Loans hereunder, and (b) the non-defaulting party shall be entitled to set off claims and apply property held by it in respect of any Loan hereunder against obligations owing to it in respect of any other Loan with the Defaulting Party.

19. APPLICABLE LAW.

THIS AGREEMENT SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE CONFLICT OF LAW PRINCIPLES THEREOF.

20. Waiver.

The failure of a party to this Agreement to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of this Agreement. All waivers in respect of a Default must be in writing.

21. Survival of Remedies.

All remedies hereunder and all obligations with respect to any Loan shall survive the termination of the relevant Loan, return of Loaned Securities or Collateral and termination of this Agreement.

22. Notices and Other Communications.

Any and all notices, statements, demands or other communications hereunder may be given by a party to the other by telephone, mail, facsimile, e-mail, electronic message, telegraph, messenger or otherwise to the individuals and at the facsimile numbers and addresses specified with respect to it in Schedule A hereto, or sent to such party at any other place specified in a notice of change of number or address hereafter received by the other party. Any notice, statement, demand or other communication hereunder will be deemed effective on the day and at the time on which it is received or, if not received, on the day and at the time on which its delivery was in good faith attempted; provided, however, that any notice by a party to the other party by telephone shall be deemed effective only if (a) such notice is followed by written confirmation thereof and (b) at least one of the other means of providing notice that are specifically listed above has previously been attempted in good faith by the notifying party.

23. SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL.

23.1 EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY (A) SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY UNITED STATES FEDERAL OR NEW YORK STATE COURT SITTING IN NEW YORK CITY, AND ANY APPELLATE COURT FROM ANY SUCH COURT, SOLELY FOR THE PURPOSE OF ANY SUIT, ACTION OR PROCEEDING BROUGHT TO ENFORCE ITS OBLIGATIONS HEREUNDER OR RELATING IN ANY WAY TO THIS AGREEMENT OR ANY LOAN HEREUNDER AND (B) WAIVES, TO THE FULLEST EXTENT IT MAY EFFECTIVELY DO SO, ANY DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT AND ANY RIGHT OF JURISDICTION ON ACCOUNT OF ITS PLACE OF RESIDENCE OR DOMICILE.

23.2 EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ANY RIGHT THAT IT MAY HAVE TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

24. Miscellaneous.

24.1 Except as otherwise agreed by the parties, this Agreement supersedes any other agreement between the parties hereto concerning loans of Securities between Borrower and Lender. This Agreement shall not be assigned by either party without the prior written consent of the other party and any attempted assignment without such consent shall be null and void. Subject to the foregoing, this Agreement shall be binding upon

and shall inure to the benefit of Borrower and Lender and their respective heirs, representatives, successors and assigns. This Agreement may be terminated by either party upon notice to the other, subject only to fulfillment of any obligations then outstanding. This Agreement shall not be modified, except by an instrument in writing signed by the party against whom enforcement is sought. The parties hereto acknowledge and agree that, in connection with this Agreement and each Loan hereunder, time is of the essence. Each provision and agreement herein shall be treated as separate and independent from any other provision herein and shall be enforceable notwithstanding the unenforceability of any such other provision or agreement.

- 24.2 Any agreement between Borrower and Lender pursuant to Section 10.5(b) or Section 25.37 shall be made (a) in writing, (b) orally, if confirmed promptly in writing or through any system that compares Loans and in which Borrower and Lender are participants, or (c) in such other manner as may be agreed by Borrower and Lender in writing.

25. Definitions.

- 25.6 “Business Day” shall mean, with respect to any Loan hereunder, a day on which regular trading occurs in the principal market for the Loaned Securities subject to such Loan, provided, however, that for purposes of determining the Market Value of any Securities hereunder, such term shall mean a day on which regular trading occurs in the principal market for the Securities whose value is being determined. Notwithstanding the

foregoing, (a) for purposes of Section 9, “Business Day” shall mean any day on which regular trading occurs in the principal market for any Loaned Securities or for any Collateral consisting of Securities under any outstanding Loan hereunder and “next Business Day” shall mean the next day on which a transfer of Collateral may be effected in accordance with Section 15, and (b) in no event shall a Saturday or Sunday be considered a Business Day.

If any new or different Security shall be exchanged for any Collateral by recapitalization, merger, consolidation or other corporate action, such new or different Security shall, effective upon such exchange, be deemed to become Collateral in substitution for the former Collateral for which such exchange is made. In the event that the holder of a Security is entitled to elect the type of distribution to be received from two or more alternatives, such election shall be made by Lender, in the case of a Distribution in respect of the Loaned Securities, and by Borrower, in the case of a Distribution in respect of Collateral.

26. Intent.

- 26.1 The parties recognize that each Loan hereunder is a “securities contract,” as such term is defined in Section 741 of Title 11 of the United States Code (the “Bankruptcy Code”), as amended (except insofar as the type of assets subject to the Loan would render such definition inapplicable).
- 26.2 It is understood that each and every transfer of funds, securities and other property under this Agreement and each Loan hereunder is a “settlement payment” or a “margin payment,” as such terms are used in Sections 362(b)(6) and 546(e) of the Bankruptcy Code.
- 26.3 It is understood that the rights given to Borrower and Lender hereunder upon a Default by the other constitute the right to cause the liquidation of a securities contract and the right to set off mutual debts and claims in connection with a securities contract, as such terms are used in Sections 555 and 362(b)(6) of the Bankruptcy Code.
- 26.4 The parties agree and acknowledge that if a party hereto is an “insured depository institution,” as such term is defined in the Federal Deposit Insurance Act, as amended (“FDIA”), then each Loan hereunder is a “securities contract” and “qualified financial

contract,” as such terms are defined in the FDIA and any rules, orders or policy statements thereunder (except insofar as the type of assets subject to the Loan would render such definitions inapplicable).

26.5 It is understood that this Agreement constitutes a “netting contract” as defined in and subject to Title IV of the Federal Deposit Insurance Corporation Improvement Act of 1991 (“FDICIA”) and each payment obligation under any Loan hereunder shall constitute a “covered contractual payment entitlement” or “covered contractual payment obligation,” respectively, as defined in and subject to FDICIA (except insofar as one or both of the parties is not a “financial institution” as that term is defined in FDICIA).

26.6 Except to the extent required by applicable law or regulation or as otherwise agreed, Borrower and Lender agree that Loans hereunder shall in no event be “exchange contracts” for purposes of the rules of any securities exchange and that Loans hereunder shall not be governed by the buy-in or similar rules of any such exchange, registered national securities association or other self-regulatory organization.

27. DISCLOSURE RELATING TO CERTAIN FEDERAL PROTECTIONS.

27.1 WITHOUT WAIVING ANY RIGHTS GIVEN TO LENDER HEREUNDER, IT IS UNDERSTOOD AND AGREED THAT THE PROVISIONS OF THE SECURITIES INVESTOR PROTECTION ACT OF 1970 MAY NOT PROTECT LENDER WITH RESPECT TO LOANED SECURITIES HEREUNDER AND THAT, THEREFORE, THE COLLATERAL DELIVERED TO LENDER MAY CONSTITUTE THE ONLY SOURCE OF SATISFACTION OF BORROWER’S OBLIGATIONS IN THE EVENT BORROWER FAILS TO RETURN THE LOANED SECURITIES.

27.2 LENDER ACKNOWLEDGES THAT, IN CONNECTION WITH LOANS OF GOVERNMENT SECURITIES AND AS OTHERWISE PERMITTED BY APPLICABLE LAW, SOME SECURITIES PROVIDED BY BORROWER AS COLLATERAL UNDER THIS AGREEMENT MAY NOT BE GUARANTEED BY THE UNITED STATES.

Annex I

Party Acting as Agent

This Annex sets forth the terms and conditions governing all transactions in which a party lending or borrowing Securities, as the case may be (“Agent”), in a Loan is acting as agent for one or more third parties (each, a “Principal”). Unless otherwise defined, capitalized terms used but not defined in this Annex shall have the meanings assigned in the Securities Loan Agreement of which it forms a part (such agreement, together with this Annex and any other annexes, schedules or exhibits, referred to as the “Agreement”) and, unless otherwise specified, all section references herein are intended to refer to sections of such Securities Loan Agreement.

- 1. Additional Representations and Warranties.** In addition to the representations and warranties set forth in the Agreement, Agent hereby makes the following representations and warranties, which shall continue during the term of any Loan: Principal has duly authorized Agent to execute and deliver the Agreement on its behalf, has the power to so authorize Agent and to enter into the Loans contemplated by the Agreement and to perform the obligations of Lender or Borrower, as the case may be, under such Loans, and has taken all necessary action to authorize such execution and delivery by Agent and such performance by it.
- 2. Identification of Principals.** Agent agrees (a) to provide the other party, prior to any Loan under the Agreement, with a written list of Principals for which it intends to act as Agent (which list may be amended in writing from time to time with the consent of the other party), and (b) to provide the other party, before the Close of Business on the next Business Day after agreeing to enter into a Loan, with notice of the specific Principal or Principals for whom it is acting in connection with such Loan. If (i) Agent fails to identify such Principal or Principals prior to the Close of Business on such next Business Day or (ii) the other party shall determine in its sole discretion that any Principal or Principals identified by Agent are not acceptable to it, the other party may reject and rescind any Loan with such Principal or Principals, return to Agent any Collateral or Loaned Securities, as the case may be, previously transferred to the other party and refuse any further performance under such Loan, and Agent shall immediately return to the other party any portion of the Loaned Securities or Collateral, as the case may be, previously transferred to Agent in connection with such Loan; *provided, however*, that (A) the other party shall promptly (and in any event within one Business Day of notice of the specific Principal or Principals) notify Agent of its determination to reject and rescind such Loan and (B) to the extent that any performance was rendered by any party under any Loan rejected by the other party, such party shall remain entitled to any fees or other amounts that would have been payable to it with respect to such performance if such Loan had not been rejected. The other party acknowledges that Agent shall not have any obligation to provide it with confidential information regarding the financial status of its Principals; Agent agrees, however, that it will assist the other party in obtaining from Agent’s Principals such information regarding the financial status of such Principals as the other party may reasonably request.
- 3. Limitation of Agent’s Liability.** The parties expressly acknowledge that if the representations and warranties of Agent under the Agreement, including this Annex, are true and correct in all material respects during the term of any Loan and Agent otherwise complies with the provisions of this Annex, then (a) Agent’s obligations under the Agreement shall not include a guarantee of performance by its Principal or Principals and (b) the other party’s remedies shall not include a right of setoff against obligations, if any, of Agent arising in other transactions in which Agent is acting as principal.

4. Multiple Principals.

- (a) In the event that Agent proposes to act for more than one Principal hereunder, Agent and the other party shall elect whether (i) to treat Loans under the Agreement as transactions entered into on behalf of separate Principals or (ii) to aggregate such Loans as if they were transactions by a single Principal. Failure to make such an election in writing shall be deemed an election to treat Loans under the Agreement as transactions on behalf of separate Principals.
- (b) In the event that Agent and the other party elect (or are deemed to elect) to treat Loans under the Agreement as transactions on behalf of separate Principals, the parties agree that (i) Agent will provide the other party, together with the notice described in Section 2(b) of this Annex, notice specifying the portion of each Loan allocable to the account of each of the Principals for which it is acting (to the extent that any such Loan is allocable to the account of more than one Principal), (ii) the portion of any individual Loan allocable to each Principal shall be deemed a separate Loan under the Agreement, (iii) the mark to market obligations of Borrower and Lender under the Agreement shall be determined on a Loan-by-Loan basis (unless the parties agree to determine such obligations on a Principal-by-Principal basis), and (iv) Borrower's and Lender's remedies under the Agreement upon the occurrence of a Default shall be determined as if Agent had entered into a separate Agreement with the other party on behalf of each of its Principals.
- (c) In the event that Agent and the other party elect to treat Loans under the Agreement as if they were transactions by a single Principal, the parties agree that (i) Agent's notice under Section 2(b) of this Annex need only identify the names of its Principals but not the portion of each Loan allocable to each Principal's account, (ii) the mark to market obligations of Borrower and Lender under the Agreement shall, subject to any greater requirement imposed by applicable law, be determined on an aggregate basis for all Loans entered into by Agent on behalf of any Principal, and (iii) Borrower's and Lender's remedies upon the occurrence of a Default shall be determined as if all Principals were a single Lender or Borrower, as the case may be.
- (d) Notwithstanding any other provision of the Agreement (including, without limitation, this Annex), the parties agree that any transactions by Agent on behalf of a Plan shall be treated as transactions on behalf of separate Principals in accordance with Section 4(b) of this Annex (and all mark to market obligations of the parties shall be determined on a Loan-by-Loan basis).

- 5. Interpretation of Terms.** All references to "Lender" or "Borrower," as the case may be, in the Agreement shall, subject to the provisions of this Annex (including, among other provisions, the limitations on Agent's liability in Section 3 of this Annex), be construed to reflect that (i) each Principal shall have, in connection with any Loan or Loans entered into by Agent on its behalf, the rights, responsibilities, privileges and obligations of a "Lender" or "Borrower," as the case may be, directly entering into such Loan or Loans with the other party under the Agreement, and (ii) Agent's Principal or Principals have designated Agent as their sole agent for performance of Lender's obligations to Borrower or Borrower's obligations to Lender, as the case may be, and for receipt of performance by Borrower of its obligations to Lender or Lender of its obligations to Borrower, as the case may be, in connection with any Loan or Loans under the Agreement (including, among other things, as Agent for each Principal in connection with transfers of securities, cash or other property and as agent for giving and receiving all notices under the Agreement). Both Agent and its Principal or Principals shall be deemed "parties" to the Agreement and all references to a "party" or "either party" in the Agreement shall be deemed revised accordingly (and any

Default by Agent under the Agreement shall be deemed a Default by Lender or Borrower, as the case may be).

Annex II

Market Value

Unless otherwise agreed by Borrower and Lender:

1. If the principal market for the Securities to be valued is a national securities exchange in the United States, their Market Value shall be determined by their last sale price on such exchange at the most recent Close of Trading or, if there was no sale on the Business Day of the most recent Close of Trading, by the last sale price at the Close of Trading on the next preceding Business Day on which there was a sale on such exchange, all as quoted on the Consolidated Tape or, if not quoted on the Consolidated Tape, then as quoted by such exchange.
2. If the principal market for the Securities to be valued is the over-the-counter market, and the Securities are quoted on The Nasdaq Stock Market ("Nasdaq"), their Market Value shall be the last sale price on Nasdaq at the most recent Close of Trading or, if the Securities are issues for which last sale prices are not quoted on Nasdaq, the last bid price at such Close of Trading. If the relevant quotation did not exist at such Close of Trading, then the Market Value shall be the relevant quotation on the next preceding Close of Trading at which there was such a quotation.
3. Except as provided in Section 4 of this Annex, if the principal market for the Securities to be valued is the over-the-counter market, and the Securities are not quoted on Nasdaq, their Market Value shall be determined in accordance with market practice for such Securities, based on the price for such Securities as of the most recent Close of Trading obtained from a generally recognized source agreed to by the parties or the closing bid quotation at the most recent Close of Trading obtained from such a source. If the relevant quotation did not exist at such Close of Trading, then the Market Value shall be the relevant quotation on the next preceding Close of Trading at which there was such a quotation.
4. If the Securities to be valued are Foreign Securities, their Market Value shall be determined as of the most recent Close of Trading in accordance with market practice in the principal market for such Securities.
5. The Market Value of a letter of credit shall be the undrawn amount thereof.
6. All determinations of Market Value under Sections 1 through 4 of this Annex shall include, where applicable, accrued interest to the extent not already included therein (other than any interest credited or transferred to, or applied to the obligations of, the other party pursuant to Section 8 of the Agreement), unless market practice with respect to the valuation of such Securities in connection with securities loans is to the contrary.
7. The determinations of Market Value provided for in this Annex shall apply for all purposes under the Agreement, except for purposes of Section 13 of the Agreement.

Annex III

Term Loans

This Annex sets forth additional terms and conditions governing Loans designated as “Term Loans” in which Lender lends to Borrower a specific amount of Loaned Securities (“Term Loan Amount”) against a pledge of cash Collateral by Borrower for an agreed upon Cash Collateral Fee until a scheduled termination date (“Termination Date”). Unless otherwise defined, capitalized terms used but not defined in this Annex shall have the meanings assigned in the Securities Loan Agreement of which it forms a part (such agreement, together with this Annex and any other annexes, schedules or exhibits, referred to as the “Agreement”).

1. The terms of this Annex shall apply to Loans of Equity Securities only if they are designated as Term Loans in a Confirmation therefor provided pursuant to the Agreement and executed by each party, in a schedule to the Agreement or in this Annex. All Loans of Securities other than Equity Securities shall be “Term Loans” subject to this Annex, unless otherwise agreed in a Confirmation or other writing.
2. The Confirmation for a Term Loan shall set forth, in addition to any terms required to be set forth therein under the Agreement, the Term Loan Amount, the Cash Collateral Fee and the Termination Date. Lender and Borrower agree that, except as specifically provided in this Annex, each Term Loan shall be subject to all terms and conditions of the Agreement, including, without limitation, any provisions regarding the parties’ respective rights to terminate a Loan.
3. In the event that either party exercises its right under the Agreement to terminate a Term Loan on a date (the “Early Termination Date”) prior to the Termination Date, Lender and Borrower shall, unless otherwise agreed, use their best efforts to negotiate in good faith a new Term Loan (the “Replacement Loan”) of comparable or other Securities, which shall be mutually agreed upon by the parties, with a Market Value equal to the Market Value of the Term Loan Amount under the terminated Term Loan (the “Terminated Loan”) as of the Early Termination Date. Such agreement shall, in accordance with Section 2 of this Annex, be confirmed in a new Confirmation at the commencement of the Replacement Loan and be executed by each party. Each Replacement Loan shall be subject to the same terms as the corresponding Terminated Loan, other than with respect to the commencement date and the identity of the Loaned Securities. The Replacement Loan shall commence on the date on which the parties agree which Securities shall be the subject of the Replacement Loan and shall be scheduled to terminate on the scheduled Termination Date of the Terminated Loan.
4. Borrower and Lender agree that, except as provided in Section 5 of this Annex, if the parties enter into a Replacement Loan, the Collateral for the related Terminated Loan need not be returned to Borrower and shall instead serve as Collateral for such Replacement Loan.
5. If the parties are unable to negotiate and enter into a Replacement Loan for some or all of the Term Loan Amount on or before the Early Termination Date, (a) the party requesting termination of the Terminated Loan shall pay to the other party a Breakage Fee computed in accordance with Section 6 of this Annex with respect to that portion of the Term Loan Amount for which a Replacement Loan is not entered into and (b) upon the transfer by Borrower to Lender of the Loaned Securities subject to the Terminated Loan, Lender shall transfer to Borrower Collateral for the Terminated Loan in accordance with and to the extent required under the Agreement, provided that no Default has occurred with respect to Borrower.

6. For purposes of this Annex, the term “Breakage Fee” shall mean a fee agreed by Borrower and Lender in the Confirmation or otherwise orally or in writing. In the absence of any such agreement, the term “Breakage Fee” shall mean, with respect to Loans of Government Securities, a fee equal to the sum of (a) the cost to the non-terminating party (including all fees, expenses and commissions) of entering into replacement transactions and entering into or terminating hedge transactions in connection with or as a result of the termination of the Terminated Loan, and (b) any other loss, damage, cost or expense directly arising or resulting from the termination of the Terminated Loan that is incurred by the non-terminating party (other than consequential losses or costs for lost profits or lost opportunities), as determined by the non-terminating party in a commercially reasonable manner, and (c) any other amounts due and payable by the terminating party to the non-terminating party under the Agreement on the Early Termination Date.

MSASL agrees to provide to you (**Client**) execution, clearing and settlement services on the terms and conditions set out below (**Terms**). Client will be taken to have consented to these Terms when Client first requests MSASL to provide any such service. These Terms replace all previous agreements and correspondence between Client and MSASL in relation to the subject matter of the Terms.

Options Market Transactions

If Client wishes to instruct MSASL to execute or clear any Options Market Transactions, Client must either: (i) sign a copy of these Terms and return an original to MSASL, (ii) confirm in writing to MSASL that Client agrees to be bound by these Terms (including Schedule 1), or (iii) execute and lodge (or previously executed and lodged) with ASX Clear a Wholesale Client Agreement as required under the ASX Exchange Rules. If Client wishes to collateralise Options Market Transactions with equities, Client will be required to sign the Registered Holder Collateral Cover Authorisation and be subject to the terms of the Master Priority Deed in addition to these Terms. Where the Client executes and lodges (or has executed and lodged) a Wholesale Client Agreement with ASX Clear, Client shall notify same to MSASL and (i) Client acknowledges that it is required under the Wholesale Client Agreement to give notice in writing to MSASL to effect termination of the Wholesale Client Agreement (termination will be effective upon receipt of the notice by MSASL), (ii) Client will inform MSASL immediately upon any changes or withdrawal of the lodged Wholesale Client Agreement with ASX Clear (such withdrawal does not terminate the Wholesale Client Agreement, termination can only be effected in accordance with (i)), and (iii) Client agrees that these Terms shall, together with the Wholesale Client Agreement, govern the relationship between Client and MSASL.

Futures Market Transactions

If Client wishes to instruct MSASL to execute or clear any Futures Market Transactions, Client must either (i) sign and return a copy of these Terms to MSASL and return an original to MSASL, or (ii) confirm in writing to MSASL that Client agrees to be bound by these Terms (including Schedule 1).

1 Services to be provided by MSASL

- 1.1 MSASL may provide to Client execution, clearing and settlement services and other Financial Services as MSASL and Client may agree from time to time and as permitted by MSASL's AFSL.
- 1.2 MSASL may decline to act for Client at any time without giving reasons and will not be liable for any Loss suffered by Client as a result. MSASL will promptly advise Client of its decision. Without limiting MSASL's rights under this clause, MSASL may decline to act for Client if Client ceases to be a Wholesale Client.
- 1.3 MSASL's related bodies corporate overseas may provide Financial Products and Financial Services to Client (including clearing and settlement services). Clause 27 sets out important disclosures about the Financial Products and Financial Services provided by such related bodies corporate.

2 Terms applicable to dealings

- 2.1 Subject to MSASL's Allocation Policy and the Best Execution Policy, MSASL may aggregate Client's orders with orders of other clients received at approximately the same time (as determined by MSASL), and that aggregation may operate on some occasions to Client's advantage and on other occasions to Client's disadvantage.
- 2.2 Any order where Client gives MSASL time and/or price and/or quantity discretion may be executed over the period that MSASL considers appropriate, unless otherwise instructed by Client.
- 2.3 To avoid duplicate executions of orders, Client must specifically notify MSASL to cancel any open order or day order when giving a superseding order. If this is not done or done after execution of the original order, Client is responsible for any obligations arising from the original order.

3 Client order procedures

- 3.1 The persons who are authorised by Client to place orders with MSASL under these Terms (Authorised Persons) must be notified by Client to MSASL, and Client may vary the Authorised Persons by written notice to MSASL. For the purposes of this clause, an order includes a variation, cancellation or verification of an order.
- 3.2 MSASL is not obliged to take any action if an order is not made by an Authorised Person nor to enquire as to the identity of any person if it has no reason to doubt that person is an Authorised Person. If MSASL receives an order in circumstances where it has no reason to doubt it was from an Authorised Person, that order is taken to be properly authorised by Client under these Terms and MSASL is not liable for any properly performed action or omission by MSASL in reliance on that order.
- 3.3 Client may place orders under these Terms with MSASL authorised representatives who comprise the MSASL Institutional Dealing Desk (IDD), as advised to Client from time to time, by any one or more of the following methods:
- (a) **Telephone.** An Authorised Person may place orders by telephone call to the IDD. MSASL will notify Client of the appropriate telephone numbers from time to time.
 - (b) **Fax.** An Authorised Person may place orders by facsimile transmission to the IDD. MSASL will notify Client of the appropriate facsimile numbers from time to time.
 - (c) **IOS.** An Authorised Person may place orders through the system known as IOS, if MSASL grants Client access to its IOS system. MSASL will provide Client an IOS password, and Client is responsible for its security.
 - (d) **Email.** An Authorised Person may place orders by email to the IDD. MSASL may require orders placed by email to be verified by telephone call to the Authorised Person before acting on the order.
 - (e) **Bloomberg.** An Authorised Person may place orders by Bloomberg to the IDD. MSASL may require orders placed by Bloomberg to be verified by telephone call to the Authorised Person before acting on the order.
- 3.4 MSASL may notify Client of additional terms and conditions applicable to any of the methods specified in Clause 3.3, and of additional methods by which orders can be placed (and their terms and conditions).

4 Direct to Market Electronic Trading

By submitting an order through MSASL's direct to market electronic trading infrastructure, you will be deemed to represent to us that you have: the requisite knowledge of the order entry system of MSASL and the applicable law and rules of the Australian market; understand the risks and obligations attached to the use of such a facility; and have the necessary skills, facilities and procedures to operate such a facility.

A guide has been prepared to assist users in understanding the applicable law and rules of the Australian market. Terms not defined in this guide are defined in the Market Integrity Rules or the relevant Exchange Rules. This guide is set out in Schedule 6.

5 Orders relating to sales

Client agrees that whenever Client places a sell order with MSASL, Client must notify MSASL as to which of the following categories of sale under the Corporations Act and Regulations Client's order relates:

- (a) **a long sale** - this refers to a sale of securities that Client already owns (i.e. that Client already beneficially owns or, if Client is a trustee, the trust already beneficially owns) at the time Client places the sale order with MSASL. Client's ownership must not have arisen because Client has borrowed the securities from a securities lender.
- (b) **a covered short sale** - this refers to a covered short sale of securities (i.e. a sale where Client has, at the time Client places the sale order with MSASL, a legally binding commitment from a securities lender to lend the securities to Client).

Client acknowledges that MSASL will not be permitted to execute Client's order unless Client has informed MSASL to which (if any) of those categories Client's sell order relates.

Client agrees that, each time Client places a sale order with MSASL and notifies MSASL of the relevant category of sale to which Client's sale order relates, Client will be taken to have warranted and represented to MSASL that the sale will meet the requirements and conditions of the particular category of sale under the Corporations Act and Regulations (as amended from time to time) so notified by Client.

If Client places a sale order with MSASL by telephone, Client may satisfy Client's disclosure obligations by advising MSASL whether Client's sale is a "long sale" or "covered short sale".

If Client places a sale order with MSASL through IOS, Client may satisfy Client's disclosure obligations by clicking on the mandatory fields provided through the IOS software to indicate whether Client's sale is a "long sale" or "covered short sale".

	Current system	Updated system

Client also agrees that if Client sells securities as a result of the exercise of an exchange traded call option sold by Client or an exchange traded put option bought by Client, Client must inform MSASL whether or not such a sale is made in reliance on paragraph 4 of ASIC Class Order [CO 08/764].

Client must notify MSASL of this:

- (a) if Client requests MSASL to exercise the option – at the time the request is made; or
- (b) otherwise – as soon as practicable after Client becomes aware that the option has been exercised.

6 ASIC Regulatory Data requirement

Client acknowledges that MSASL is required to provide Regulatory Data in Orders, Transactions and Trade Reports in accordance with requirements notified by ASIC under the Competition Market Integrity Rules.

Client agrees to provide MSASL with all information which MSASL may reasonably request for MSASL to comply with its Regulatory Data obligations.

7 Best Execution and Allocation Policies

7.1 MSASL notifies Client that:

- (a) MSASL has adopted a policy in relation to its best execution obligations under the Competition Market Integrity Rules. The Competition Market Integrity Rules require that MSASL provide a policy disclosure statement to its clients. The MSASL Best Execution Policy Disclosure Statement is set out in Schedule 3.
- (b) The policy adopted by MSASL in the allocation of transactions to fill orders placed with it as at the date of these Terms is set out in the MSASL Allocation Policy (**Client Order and Allocation Policy**) in Schedule 4.
- (c) MSASL may from time to time amend its best execution policy or its Client Order and Allocation Policy and notify Client of the amended policy. Notwithstanding Clause 21.4 of the Terms, such amendments will be effective immediately.
- (d) In relation to Crossings:
 - (i) if MSASL conducts Automated Client Order Processing (**ACOP**) and/or Automated Order Processing, Client's orders (automatic or given to MSASL) may match opposite orders in the Trading Platform with MSASL dealing as Principal within the meaning of ASX Market Integrity Rule and Chi-X Market Integrity Rule 3.2.5 (effectively crossing the Financial Product and entitling MSASL to brokerage, commission or other fees for the transaction, in the case of ACOP, potentially on both sides of the transaction); and
 - (ii) if MSASL deals as Principal, Client's orders may match opposite orders entered into the Trading Platform by MSASL dealing as Principal. Client orders may also be manually crossed by MSASL (acting as agent or as Principal).

- (e) Client agrees to MSASL dealing with Client as Principal as set out in Clauses 7.1 (d)(i) and (ii) or otherwise acting as Principal with Client and agrees to brokerage, commission or other fees being charged for those transactions.

7.2 Any currency conversion may be effected by or through MSASL or its related bodies corporate, who may profit in connection with that conversion. Details will be provided on request.

7.3 MSASL is under no obligation to provide research reports to Client and, if research reports are provided, Client might not receive them at the same time as MSASL's other clients.

7.4 All Financial Products or Financial Services provided to Client by MSASL are subject to the Corporations Act 2001 (Cth) (**Corporations Act**) and Corporations Regulations 2001 (Cth), and, in relation to Market Transactions, the Exchange Rules, directions, decisions and requirements of each Relevant Exchange, the ASX Clear Operating Rules, the ASX Settlement Operating Rules, the customs and usages of the Relevant Exchange, and the correction of errors and omissions (together, **Applicable Law**), but any obligations that would otherwise be implied or imposed by law or equity on MSASL in providing Financial Services or Financial Products to Client are excluded to the maximum extent possible.

7.5 Under the Exchange Rules, a Relevant Exchange may cancel or amend transactions. ASX may exercise this power if an Error Dispute, Dealing Dispute or Crossing Dispute has occurred and it has received a recommendation from the Dispute Governors Committee in relation to the transaction. Chi-X may exercise this power if a dispute has occurred and it has received a recommendation from the Review Committee in relation to the transaction. MSASL may cancel or amend transactions pursuant to or as contemplated by the Exchange Rules, practices and procedures of a Relevant Exchange or ASX Settlement, including, but not limited to, the obligation to maintain an orderly market, without Client's consent.

8 Disclosure Requirements in connection with MSASL's Crossing Systems

MSASL, a Crossing System operator, is required to provide to Client the Publicly Available Crossing System Information and the Non-Public Crossing System Information in relation to its Crossing System. This information is set out in Schedule 5.

9 Client acknowledgments

Client agrees:

- (a) to comply with these Terms and all Applicable Laws and other laws and the directions, decisions and requirements of a Relevant Exchange and the customs and usages of the Market. Copies of the Exchange Rules, ASX Clear Operating Rules and ASX Settlement Operating Rules can be inspected at MSASL's offices on request; and
- (b) not to do anything or act in any way that would breach or cause or result in MSASL or Client breaching any Applicable Law, including without limitation, not to place any order that would breach any Applicable Law in relation to:
- market manipulation, false trading, market rigging, fictitious transactions, wash trading or matching of orders;
 - insider trading;
 - front running;
 - fraud;
 - creation of a disorderly market or otherwise prejudicing the integrity or efficiency of the market; or
 - misleading or deceptive conduct.

10 Client representations

10.1 Client represents and warrants to MSASL that:

- (a) Client is, and will remain during the term of these Terms a Wholesale Client;
- (b) where Client is a body corporate, Client is (and will remain) duly incorporated under the laws of the place of its incorporation and has full power and authority to enter into these Terms and deal in financial products, and any person executing these Terms has full power and authority to execute these Terms on behalf of Client;
- (c) where Client is a partnership, Client has full power and authority to enter these Terms and to deal in financial products, and the person executing these Terms has full power and authority to execute these Terms on behalf of Client;
- (d) where Client is a natural person, Client has legal capacity to execute these Terms,

and in any of the above cases, where Client enters these Terms as trustee, Client has full power and authority as such trustee to enter these Terms and to deal in financial products and has the right to be indemnified out of the assets of the relevant trust in respect of all and any of its obligations and liabilities under these Terms.

11 Conflicts of interest

11.1 The relationship between Client and MSASL is described in these Terms. Neither that relationship nor the Financial Products or Financial Services MSASL provides nor any other matter will give rise to any fiduciary or equitable duties on the part of MSASL which would prevent or hinder MSASL from doing business with associates or persons connected with Client, or with other investors, regardless of the capacity in which MSASL is acting.

11.2 Regarding any transaction entered into for Client, MSASL or its related bodies corporate may have a relationship, arrangement or interest that is material in relation to the transaction. In that case, Client agrees that no further disclosure is required by MSASL unless disclosure is required by Applicable Law, and MSASL is entitled to retain any profit or benefit arising under the transaction for Client and under the relationship, arrangement or interest, as if no such relationship, arrangement or interest existed.

11.3 Neither MSASL nor any related body corporate will be obliged to disclose to Client or any other client the nature or extent of any interest, holding or position it or any related body corporate has in any investment unless it is obliged to do so by Applicable Law.

12 Indications of Interest

Morgan Stanley's "natural" IOIs represent expressions of client interest and genuine Morgan Stanley trading interest disseminated through electronic means. Therefore, resulting transactions may be executed on an agency cross basis, principal basis or a combination of these. Morgan Stanley's "non-natural" IOIs represent a more generalized willingness to transact.

13 Provision of information

13.1 Client will provide MSASL all information MSASL may reasonably request in relation to these Terms, including any person for whom Client is dealing with MSASL (for example, as ultimate beneficial owner of the investment dealt with through MSASL).

13.2 Client acknowledges that MSASL may provide information regarding Client and its dealings to any governmental or regulatory authority if, in MSASL's reasonable opinion, MSASL is required to do so by Applicable Law.

14 Confirmations

14.1 Client acknowledges that, because Client is a Wholesale Client, MSASL is not obliged to issue Client confirmations for each transaction under the Applicable Law and clause 7.4 of these Terms contains the disclosure required under ASX Market Integrity Rule and Chi-X Market Integrity Rule 3.4.3 to be given to Client if Wholesale Clients are not to be issued with confirmations for trades.

14.2 MSASL may give to Client confirmations on request by Client either electronically (by any means available, as requested by the Client) or in paper form by post. Client acknowledges and agrees that as no confirmation is required to be given by MSASL to Client under the Applicable Law, any confirmation issued to Client:

- (a) may not satisfy the requirements of the Applicable Law in relation to the requirements of a confirmation; and
- (b) may not be dispatched immediately to Client.

15 Client assets

15.1 Client will not be entitled to receive any interest on any money held by MSASL on behalf of Client. Interest is not paid on funds held in MSASL's trust account.

15.2 Client's Financial Products may be commingled with Financial Products carried for the account of other clients of MSASL, provided that MSASL records Client's separate entitlement in its books in accordance with Applicable Law. MSASL will be entitled to treat all Financial Products of the same class as fungible.

15.3 Any monies held on deposit with third parties for Client may not be covered by a compensation fund of a Relevant Exchange, such as the National Guarantee Fund or Chi-X Fidelity Fund.

16 Commissions and charges

16.1 MSASL will charge Client the commission agreed by Client and MSASL when MSASL begins providing Financial Products and Financial Services to Client under these Terms, and then as varied by agreement from time to time. Any commission charged by MSASL for a transaction may be more or less than commission charged to other clients in similar transactions.

16.2 MSASL may share commission or other charges with its related bodies corporate or third parties, and is not obliged to advise Client.

16.3 If Client defaults in paying any money to MSASL when due, interest will accrue at the rate of 2% p.a. above the base rate or prime rate of MSASL's principal bank (Prime Rate). If Client defaults in delivering

Financial Products when due, Client will reimburse MSASL for any cost incurred in supplying the required Financial Products plus interest at 2% p.a. above the Prime Rate. In each case interest will be payable for the period from the day on which payment or delivery was required to be made, until the day on which payment or delivery is made by Client in full.

17 Settlement of transactions

- 17.1 MSASL's obligation to settle transactions is conditional upon its receipt of all necessary documents, Financial Products or funds, as applicable.
- 17.2 Where MSASL acts as agent, MSASL's obligation to deliver documents to Client or to account for the proceeds of sale of Financial Products is conditional upon receipt by MSASL of deliverable documents or sale proceeds, as applicable, from the other party to the transaction.
- 17.3 Without limiting any right MSASL may have at law or otherwise and subject to Applicable Law, MSASL has a right of lien over all Financial Products held or controlled from time to time by MSASL or its related bodies corporate on Client's behalf, for all outstanding amounts payable by Client to MSASL or its related bodies corporate from time to time and which remain unpaid.
- 17.4 If Client fails to comply with its obligations to MSASL or its related bodies corporate in relation to these Terms, MSASL has the right, in addition to any rights conferred by the Applicable Law, at any time without prior notice to Client to:
- (a) charge an administration fee calculated by reference to the additional cost which may be incurred by MSASL as a result of Client's failure to settle;
 - (b) sell out any Financial Products purchased (and Client is fully responsible for any Loss in connection with such sale) and recover MSASL's costs in so acting;
 - (c) buy-in any Financial Products sold (and Client is fully responsible for any Loss in connection with such purchase) and recover MSASL's costs in so acting;
 - (d) apply any cash held by MSASL on Client's account or to which MSASL has access, or payments received for or from Client, in reduction of Client's liability to MSASL;
 - (e) combine and/or consolidate any of Client's accounts maintained by MSASL, and take whatever other action as MSASL in its sole discretion decides;
 - (f) cancel any incomplete transactions or suspend or withhold delivery of any money or Financial Products or liquidate any relevant Financial Products (and Client is fully responsible for any Loss in connection with such action) and recover MSASL's costs in so acting; and
 - (g) exercise any rights and powers set out in Schedule 1, if applicable,

and apply the proceeds against Client's obligations in order to discharge Client's liabilities to MSASL or its related bodies corporate, and to ensure compliance with Applicable Law.

In relation to any of the rights exercisable for the benefit of MSASL in the event of Client failing to comply with its obligations to MSASL or its related bodies corporate under these Terms, Client authorises MSASL and each of its directors and employees as Client's attorney to give instructions on behalf of Client in respect of Client's holdings of Financial Products in respect of which MSASL is the Controlling Participant and in respect of call deposit facilities or cash management trust accounts on which they are authorised to give instructions (including held or invested in the cash account), to enable MSASL to realise those Financial Products or funds and apply the proceeds in reduction of Client's liability to MSASL and to recover MSASL's costs in so acting.

If Client has not met its settlement obligations owed to MSASL in respect of a Market Transaction executed for Client by MSASL by the date which is 4 Business Days after the date on which that transaction was executed, it is MSASL's policy (and MSASL may be obliged under the ASX Settlement Operating Rules), without any notice to Client:

- (a) in the case of a purchase, to execute a Market Transaction to close out the failed purchase (by selling the relevant Financial Products); or
- (b) in the case of a sale, to execute a Market Transaction or enter into a securities lending arrangement to close out the failed sale (by buying-in or acquiring the relevant Financial Products),

and recover any resulting Loss from Client. MSASL reserves the right to take the above action before the 4th Business Day in its absolute discretion.

MSASL will not be liable to Client for any failure by MSASL to exercise (or any delay in the exercise by MSASL of) any right MSASL may have against Client, or any loss incurred by Client as a result of MSASL not exercising any of its rights against Client immediately, or at all, following any failure by Client to comply with Client's obligations.

The manner in which MSASL may exercise or not exercise, or the timing of or any delay in any exercise by MSASL of, any right of MSASL under this clause is not to be taken to be financial product advice by

MSASL to Client, and Client must not represent to any person that it is financial product advice by MSASL.

- 17.5 Title to Financial Products purchased by Client will pass only upon payment by Client of the full amount due for any transaction. Client agrees to pay the full amount payable for any transaction on the due date regardless of any right of equity, set-off or counterclaim which Client may have against MSASL or its related bodies corporate.

18 Taping conversations

MSASL may use voice recordings in connection with receiving orders or telephone instructions and related matters, including assessing the performance of its authorised representatives. Any recordings will be the property of MSASL and will be prima facie evidence of the orders, instructions or conversation recorded. Client agrees that those records will be admissible as evidence in any proceedings, and MSASL may provide the tapes on request to a Relevant Exchange or to ASIC. MSASL may retain those recordings for any period it considers necessary. MSASL may, for any of the above purposes (including proceedings) transcribe and make copies of the transcriptions of the tapes. If there is a dispute between Client and MSASL, Client has the right to listen to any recording of those conversations

19 Privacy

- 19.1 Client agrees that information about Client which MSASL holds and which is subject to the Privacy Act 1988 (Cth) (if any), may be used and disclosed in accordance with MSASL's then current Australian Privacy Policy. Upon registration of a Derivatives Market Contract with ASX Clear in the name of a Participant, Client acknowledges that MSASL incurs obligations to ASX Clear as principal, even though the Derivatives Market Contract may have been entered into on Client's instructions.

Client acknowledges that any benefit or right obtained by a Participant upon registration of a Derivatives Market Contract with ASX Clear by novation under the ASX Clear Operating Rules or any other legal result of registration is personal to MSASL and the benefit of that benefit, right or legal result does not pass to Client. Client has no rights, whether by way of subrogation or otherwise, against the relevant Approved Market Operator or Relevant Exchange or ASX Clear in relation to any dealings by MSASL (or any other Participant or Market Participant) in Derivatives Market Contracts and Derivatives CCP Contracts.

MSASL is not required to act in accordance with Client's instructions, where to do so would constitute a breach of any Applicable Law.

5. PARTICIPANT TAKING OPPOSITE POSITION [ASX Market Integrity Rules / ASX Clear Minimum Term 5]

Client acknowledges that MSASL may, in certain circumstances permitted under the Applicable Law, take the opposite position in a Derivatives Market Contract, either acting for another client or on its own account.

6. PARTICIPANT MAY CALL FOR FUNDS OR SECURITY [ASX Market Integrity Rules / ASX Clear Minimum Term 6]

- 6.1 MSASL may call for payment of money or the provision of other security (**MSASL Cover**) which MSASL considers, in its absolute discretion, appropriate in connection with the obligations incurred by MSASL in respect of Derivative Contracts entered into for the account of Client and Client shall pay or deliver such MSASL Cover by the time specified by MSASL. The time by which Client must pay any amount called or provide security is of the essence. If MSASL does not specify a time, Client must pay the amounts, or provide the relevant security, within 24 hours of the call for payment.
- 6.2 Client authorises MSASL to withdraw or otherwise apply funds or Financial Products held on Client's behalf to partially or fully satisfy such calls.
- 6.3 If Client makes cash or Financial Products available to MSASL as MSASL Cover (whether by delivery to MSASL or application by MSASL under these Terms), Client:
- (a) warrants that Client is legally entitled and authorised to do so, and that the MSASL Cover is free from all Encumbrances; and
 - (b) authorises MSASL to pay the money and/or make the Financial Products available to ASX Clear as Cover.
- 6.4 No interest is payable on moneys provided by Client to MSASL under this clause.
- 6.5 MSASL may itself provide money or other Financial Products to ASX Clear as Cover for its Clearing Obligations and MSASL will retain any interest it receives on such moneys.
- 6.6 MSASL may permit Client to provide Financial Products as security in accordance with these Terms, the Registered Holder Collateral Cover Authorisation and the Master Priority Deed. Client agrees that MSASL shall specify the minimum level of Financial Products to be held in the ASX Clear Subposition (as defined in the Master Priority Deed) at any time in its absolute discretion and Client acknowledges that MSASL's minimum requirement will likely exceed ASX Clear's minimum requirement. Client agrees to the order of priorities between ASX Clear's security under the Registered Holder Collateral Cover Authorisation and MSASL's security under these Terms as set out in the Master Priority Deed. MSASL and Client agree that any transfer, sale or realisation of Financial Products subject to the Registered Holder Collateral Cover Authorisation by ASX Clear under clause 5.3(a) of the Master Priority Deed will automatically release such Financial Products from MSASL's security under these Terms.

7. **DEFAULT [ASX Market Integrity Rules / ASX Clear Minimum Term 7]**

If:

- (a) Client fails to pay, or provide security for, amounts payable to MSASL or fails to perform any obligation arising pursuant to the exercise or settlement of a Derivatives Market Contract;
- (b) Client becomes bankrupt or enters into a composition or arrangement for the benefit of creditors or, being a company, a liquidator is appointed to Client or an administrator, receiver, receiver and manager or official manager is appointed over all or a part of Client's property or an encumbrancer or its agent takes possession of all or part of Client's property or Client enters into any scheme of arrangement with creditors under Part 5.1 of the Corporations Act;
- (c) Client makes any representation that is incorrect or misleading in any material way with the result that loss or damage is, or is likely to be, suffered by MSASL;
- (d) in the absence of Client making alternative arrangements, Client is at any time not contactable by MSASL immediately in order for MSASL to obtain instructions or call for payment of money or the provision of other security;
- (e) the conduct of Client is such that a reasonably prudent broker would be of the view that Client would be unable to comply with all Client's obligations under these Terms, including strict compliance with any time limits;
- (f) Client fails to complete a contract for the transfer of Underlying Financial Products following the exercise of an ETO;
- (g) a guarantee or other security provided by Client to MSASL is withdrawn or becomes ineffective and other replacement security acceptable to MSASL is not provided;
- (h) Client "fails to settle" for the purpose of these Terms; or
- (i) any other event occurs which MSASL and Client have agreed in these Terms constitutes a default,

(each a **Default**), MSASL may, in addition to any other rights which it may have against Client, without giving prior notice to Client, take any action, or refrain from taking action, which it considers reasonable in the circumstances in connection with Derivatives Market Contracts registered in the client account or otherwise entered into for the account of Client (including, without limitation, Derivatives CCP Contracts arising from those contracts) and, without limitation, MSASL may:

- (j) enter into one or more transactions to effect the close out of one or more Derivatives Market Contracts in accordance with the ASX Clear Operating Rules;
- (k) exercise one or more Derivatives Market Contracts in accordance with the ASX Clear Operating Rules;

- (l) take such other action as a reasonably prudent broker would take in the circumstances to protect the personal obligation of MSASL incurred when dealing on behalf of Client;
- (m) sell or cause to be sold:
 - (i) any or all of Client's property, including any MSASL Cover or other security lodged with MSASL (whether the property or security had been lodged with MSASL in connection with the terms of this Schedule or for any other reason) or held by MSASL or its related bodies corporate on behalf of Client or in a Holding in respect of which MSASL or a related body corporate of MSASL is the Controlling Participant;
 - (ii) any Financial Products held by MSASL in an account for Client or otherwise held (including any Financial Products in a Holding in respect of which MSASL or a related body corporate of MSASL is the Controlling Participant); and
 - (iii) any Financial Products held by a Controlling Participant in an account for Client under the Master Priority Deed, subject to the order of priorities set out therein;
- (n) exercise any other power, right or remedy which MSASL may have under these Terms or in law or equity;
- (o) exercise or cause to be exercised any other rights conferred by or perform any other obligations arising under any Applicable Law or these Terms in respect of any Derivatives Market Contracts or Derivatives CCP Contracts;
- (p) charge an administration fee calculated by reference to the additional cost which may be incurred by MSASL as a result of the Default;
- (q) apply any cash held by MSASL on Client's account or to which they have access or security (including any amount held or invested in the cash account or cash that is Secured Property (as defined in the Master Priority Deed)), or payments received from Client or in reduction of Client's liability to MSASL; or
- (r) cancel any of Client's unexecuted orders,

and Client must account to MSASL as if those actions were taken on the instructions of Client and, without limitation, is liable for any deficiency and is entitled to any surplus which may result.

In relation to any of the rights exercisable for the benefit of MSASL in the event of a Default, Client authorises MSASL and each of its directors and employees as Client's attorney to give instructions on behalf of Client in respect of Client's holdings of Financial Products in respect of which MSASL or a related body corporate of MSASL is the Controlling Participant and in respect of call deposit facilities or cash management trust accounts on which they are authorised to give instructions (including held or invested in the cash account), to enable MSASL to realise those Financial Products or funds and apply the proceeds in reduction of Client's liability to MSASL and to recover MSASL's costs in so acting.

Client must pay or reimburse MSASL any such administration fees and default charges (together with any GST payable on those amounts) immediately upon demand or at MSASL's option it may deduct such administration fees and default charges (and any GST) from any proceeds of sale, or proceeds from the close out or exercise of rights in relation to a Derivatives Market Contract, or other amounts otherwise payable to Client.

MSASL will not be liable to Client for any failure by MSASL to exercise (or any delay in the exercise by MSASL of) any power under this clause, or any loss incurred by Client as a result of MSASL not exercising any of its powers under this paragraph 7 immediately, or at all, following an event of default by Client.

8. COMMISSIONS AND FEES [ASX Market Integrity Rules / ASX Clear Minimum Term 8]

Client must pay to MSASL commissions, fees, taxes and charges in connection with dealings in derivatives for Client at the rates determined by MSASL from time to time and notified to Client in writing.

9. TAPE RECORDING OF CONVERSATIONS [ASX Market Integrity Rules / ASX Clear Minimum Term 9]

The Client acknowledges that MSASL may record telephone conversations between the Client and the Participant. If there is a dispute between the Client MSASL, the Client has the right to listen to any recording of those conversations.

10. APPOINTMENT OF ASX Clear AND OTHERS AS AGENT [ASX Market Integrity Rules / ASX Clear Minimum Term 10]

Client irrevocably appoints severally ASX Clear, and every director, manager and assistant manager for the time being of ASX Clear, at the option of ASX Clear (as applicable) to do all acts and execute all documents on Client's behalf for the purpose of exercising the powers conferred on ASX Clear under ASX Clear Clearing Rule 15 including, without limitation, the power to transfer or close out Derivatives Market Contracts if MSASL commits an event of default.

11. TERMINATION OF CLIENT AGREEMENT [ASX Market Integrity Rules / ASX Clear Minimum Term 11]

Either the Client or MSASL may terminate this Client Agreement by giving notice in writing to the other. Termination will be effective upon receipt of the notice by the other party.

12. EFFECT OF TERMINATION [ASX Market Integrity Rules / ASX Clear Minimum Term 12]

Termination does not affect the existing rights and obligations of Client or MSASL prior to termination. Upon termination of this Client Agreement, MSASL will close out all Derivatives CCP Contracts held by MSASL for the account of Client, unless, in accordance with a direction from Client, those contracts are transferred to another Participant in accordance with the Rules or the operating rules of an Approved Market Operator.

13./14. REVISED TERMS PRESCRIBED BY ASIC / ASX Clear [ASX Market Integrity Rules / ASX Clear Minimum Term 13 and 14]

If ASX Clear prescribes amended minimum terms for a derivatives client agreement for the purposes of the ASX Clear Operating Rules (**New Terms**), to the extent of any inconsistency between these Terms and the New Terms, the New Terms will override these Terms and apply as if Client and MSASL had entered into an agreement containing the New Terms. MSASL will provide a copy of the New Terms to Client as soon as practicable after ASX Clear prescribes the New Terms.

15. CLIENT FUNDS AND PROPERTY [ASX Market Integrity Rules / ASX Clear Minimum Term 15]

MSASL must deal with any money and property (other than property to which Division 3, Part 7.8 of the Corporations Act applies) paid or given to MSASL in connection with MSASL / Client relationship in accordance with the Corporations Act, the Market Integrity Rules and the ASX Clear Operating Rules. Client acknowledges that Client's monies and the monies of other clients of MSASL may be combined and deposited by MSASL in a trust account or clients' segregated account. Client acknowledges that all monies credited to Clients' segregated account maintained by MSASL may be used by MSASL to meet the default of any client of MSASL.

16. CHANGE OF PARTICIPANT [ASX Market Integrity Rules / ASX Clear Minimum Term 16]

If Client receives a Participant Change Notice from MSASL and the Participant Change Notice was received at least 20 Business Days prior to the date proposed in the Participant Change Notice for the change of Participant, Client is under no obligation to agree to the change of Participant, and may choose to do any of the things set out below.

Client may choose to terminate the terms in this Schedule in accordance with clause 23 or by giving instruction to MSASL, indicating that Client wishes to transfer its Derivatives Market Contracts to another Participant.

If Client does not take any action to terminate these Terms and does not give any other instructions to MSASL which would indicate that Client does not agree to the change of Participant then, on the Effective Date, the terms of this Schedule 1 will have been taken to be novated to the new Participant and will be binding on all parties as if on the Effective Date:

- (a) the new Participant is a party to the terms in this Schedule 1 in substitution for MSASL;
- (b) any rights of MSASL are transferred to the new Participant; and
- (c) MSASL is released by Client from any obligations arising on or after the Effective Date,

and Client will also be taken to have consented to and authorised:

- (d) the transfer to the new Participant of all Client's open Derivatives Market Contracts as at the Effective Date so that they will be registered with ASX Clear in the new Participant's name;
- (e) the payment or transfer to the new Participant (or a Controlling Participant or nominee nominated by the new Participant) on the Effective Date of all money and other security (including all MSASL Cover) provided to MSASL under these Terms before the Effective Date to be held by

the new Participant (or by the nominee or in a Holding in respect of which the new Participant (or another Controlling Participant nominated by the new Participant) is the Controlling Participant as the case may be) under paragraph 6 of this Schedule as novated,

and, if Client has executed before the Effective Date a Registered Holder Collateral Cover Authorisation under which Client authorised a Controlling Participant to reserve (or withdraw) Financial Products registered in Client's name in the ASX Clear Subposition as Collateral Cover for obligations in respect of Derivatives Market Contracts registered with ASX Clear in MSASL's name in a client account in respect of Client, Client is also taken to have appointed the new Participant and each director, secretary and officer of the new Participant for the time being as Client's attorney to complete and execute a Registered Holder Collateral Cover Authorisation under which Client authorises that Controlling Participant to reserve (or withdraw) Financial Products registered in Client's name in the ASX Clear Subposition as Collateral Cover for obligations in respect of Derivatives Market Contracts registered with ASX Clear in the new Participant's name in a Client Account in respect of Client.

The novation shall not take effect until Client has received a notice from the new Participant confirming that the new Participant consents to acting as MSASL for Client. The Effective Date may as a result be later than the date set out in MSASL Change Notice.

Client will be taken to have consented to the events referred to above by the doing of any act which is consistent with the novation of the terms in this Schedule to the new Participant (for example by giving an instruction to the new Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.

These Terms continue for the benefit of MSASL in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes the novation not binding or effective on the Effective Date, then the terms in this Schedule will continue for the benefit of MSASL until such time as the novation is effective, and the existing Participant will hold the benefit of the terms in this Schedule on trust for the new Participant.

Nothing in this paragraph 16 will prevent the completion of Derivatives Market Contracts or Derivatives CCP Contracts by MSASL where the obligation to complete those transactions or contracts arises before the Effective Date and the terms in this Schedule will continue to apply to the completion of those contracts, notwithstanding the novation of the terms in this Schedule to the new Participant under this paragraph 16.

Words and phrases used in the terms of this Schedule have the same meaning as in the Market Integrity Rules, the ASX Clear Operating Rules or the ASX Settlement Operating Rules, as the context requires.

17. CLIENT ACKNOWLEDGEMENT [ASX Clear Minimum Term 17]

Client acknowledges that it may only transact in OTC Options Market Transactions if it is not a U.S. person as that term is defined in Rule 902(k) of Regulation S under the Securities Act 1933 (United States).

18. FUTURES CONTRACTS

Client agrees that where MSASL receives a large order from Client in relation to Futures Market Contracts and there are insufficient opposite orders in the Central Orderbook at that time to satisfy that order, MSASL may withhold transmission of such order and solicit counterparties, disclose the relevant instructions and aggregate opposite orders from other clients and, unless Client notifies MSASL in writing to the contrary, Client will be taken to have consented to MSASL acting in accordance with this paragraph 18 each time Client places an order with MSASL to execute a Futures Market Transaction

SCHEDULE 3

BEST EXECUTION POLICY DISCLOSURE STATEMENT

Morgan Stanley Australia Securities Limited (**MSASL**) has a regulatory obligation to take reasonable steps to obtain the best outcome for clients when handling and executing client orders in Equity Market Products in accordance with the provisions of the Australian Securities & Investments Commission (**ASIC**) Market Integrity Rules (Competition in Exchange Markets) 2011 (**Competition Market Integrity Rules**).

We have established and implemented arrangements, including a Best Execution Policy (**Policy**), which are designed to allow us to meet our regulatory obligation to take reasonable steps to obtain the best outcome for our client orders (**Best Execution**). This Best Execution Policy Disclosure Statement (**Disclosure**) is a supplement to and should be read in conjunction with our Terms of Business. Please refer to our Terms of Business for the meaning of any capitalized terms not defined in this Disclosure.

Scope

Our Policy is applicable to our dealings for Wholesale Clients. In our Terms of Business you represent and warrant to us that you are a Wholesale Client and will remain so for the term of your relationship with us.

For Wholesale Clients, a range of factors may be relevant to determine the best outcome taking into account any specific instructions. Relevant factors may include price, cost, speed, likelihood of execution and any other relevant considerations (or combination of these considerations).

While we will take steps based on the resources available to us to satisfy our Best Execution obligations, we cannot guarantee that we will always be able to provide Best Execution of every order executed on your behalf, particularly where you give us specific instructions as to all or part of your order. If we execute an order through more than one transaction, then Best Execution in respect of that order should be assessed by reference to all the relevant transactions arising from the order, rather than in respect of each transaction separately.

Our commitment to provide you with Best Execution does not mean that we owe you any fiduciary responsibilities over and above the specific regulatory obligations placed upon us or as may be otherwise contracted between us.

Receipt of Order

As set out in our Terms of Business we may decline to accept instructions and orders from you. In our Policy and this Disclosure, a reference to an order or an instruction is to an order or instruction which we accept from you.

We may transmit an order received from you to our affiliate or another financial institution for execution. When we do this, we remain subject to the obligation to take reasonable steps to obtain the best possible outcome for you.

Specific Instructions

We may accept specific instructions from you as to how an order is to be executed (whether through our Direct Market Access service or otherwise). Specific instructions may be on an order-by-order basis or may be standing instructions. Any such specific instructions may not and will not be induced or encouraged by MSASL and must be solely at your instigation.

Depending on the nature of the specific instructions, such instructions may be inconsistent with our Best Execution obligations and our view of Best Execution. Where this is the case, we will take reasonable steps to handle and execute the relevant order in a manner which satisfies your instructions. However, you should note that if you provide us with a specific instruction, this may prevent us from following some or all of the steps in our Policy that are designed to obtain the best possible outcome for the execution of your orders. Giving us specific instructions as to execution may therefore adversely affect the execution outcome you receive.

Where you provide us with a specific instruction in relation to your entire order, or any particular aspect of your order, including selecting to execute on a particular venue, we will execute the order in accordance with your instructions. In following your instructions and our Policy, we will be deemed to have taken reasonable steps to provide the best possible outcome in respect of the order or aspect of the order covered by your specific instructions. We will however continue to comply with our Best Execution obligation for the remainder of the factors which are not covered by your specific instructions.

Any specific instructions you provide must be clear and unambiguous, in writing (whether in printed or electronic form) or provided verbally. To the extent that your specific instructions are not comprehensive, we will determine any non-specified components in accordance with our Policy. Therefore, if you require your order to be executed in a particular manner and not in accordance with our Policy, you must clearly state your desired method of execution when you place your order.

Direct Market Access

Where you use our Direct Market Access service and products, you may have the ability to customise your order by selecting certain parameters and strategies. In following your instructions and our Policy, we will be deemed to have taken all reasonable steps to provide Best Execution in respect of the order or aspect of the order covered by your specific instructions. For instance, if you submit your order via Direct Market Access systems and select the execution venue, we will treat that as a “specific instruction” to execute your order on that venue. We will however continue to comply with our best execution obligation for the remainder of the factors which are not covered by your specific instructions.

Execution Venues

For each Equity Market Product in which we execute orders on behalf of clients we have included in our Policy those venues (sources of liquidity) that we consider enable us to obtain Best Execution on a consistent basis.

In meeting our obligation to take reasonable steps to obtain Best Execution we may use one or more of the following venue types when executing an order on your behalf:

- (a) On an order book of a Relevant Exchange (as that term is defined in the MSASL Terms of Business) (including executing an order subject to the pre-trade transparency exception relating to Trades with Price Improvement).

MSASL is a Trading Participant of ASX Limited (**ASX**) and Chi-X Australia Pty Ltd (**Chi-X**). MSASL may execute client orders on ASX TradeMatch, ASX Centre Point, ASX PureMatch and Chi-X Australia Market.

As ASX PureMatch is a new execution venue, we will be taking a conservative approach where certain order flows will be progressively submitted to ASX PureMatch. This means that ASX PureMatch will not be an available execution venue for Best Execution within this time. Please contact your MSASL representative for details.

- (b) Under a pre-trade transparency exception in accordance with the Competition Market Integrity Rules and the operating rules of a Relevant Exchange.

Orders may be matched and reported to the order book of a Relevant Exchange as a Block Trade; Large Portfolio Trade; Trades with Price Improvement; Permitted Trades during Post-Trading hours period; Permitted Trades during the Pre-Trading hours period; and Out of Hours trades. The circumstances that this may occur, includes but is not limited to, price improvement, volume improvement and/or managing market impact.

- (c) Within MSASL’s internal Crossing System (MS POOL).

MS POOL is a certified Automated Client Order Processing System with ASIC in accordance with the ASIC Market Integrity Rules for the ASX execution venues and Chi-X Australia execution venue. It provides the ability for MSASL to match orders within the constraints of the relevant ASIC Market Integrity Rules and the operating rules of a Relevant Exchange, and to adhere to the appropriate reporting obligations.

We will assess which venues within this list are likely to provide the best possible outcome for our clients on a product-by-product basis. Please note, in assessing the order books of a Relevant Exchange, we are limited to only reviewing orders which are made transparent to the market (i.e. “lit” orders) as part of our overall assessment of the venues.

Where we are adversely affected by internal or external system failures, we will seek to provide Best Execution in accordance with our Policy on available execution venues.

In certain Equity Market Products, there may only be one execution venue, and in executing a trade in such circumstances, we will do so on that venue.

Differing Trading Hours

Where the trading hours differ between the order books of Relevant Exchanges, we will assess the market conditions and determine which order book of the Relevant Exchange is likely to provide the best possible outcome for our clients on a product-by-product basis. However, where your order is routed to MSASL’s smart order routing system and it is outside ASX TradeMatch’s continuous trading session, such order will be placed in ASX TradeMatch’s respective pre-open and closing auction periods.

Execution Factors

In the absence of specific instructions from you, we may consider the following factors to determine the manner in which your order will be executed:

Price;

Liquidity;

Market Impact;

Speed;

Likelihood of execution or settlement;

Size of your order;

Nature of your order; and

Any other consideration relevant to the efficient execution of your order.

We will determine the relative importance of each factor using the following criteria:

Your wholesale client status as defined in Chapter 7 of the Corporations Act 2001 (Cth);

The characteristics and nature of your order, including whether any specific instructions are given;

The characteristics of the Equity Market Products that are the subject of your order; and

The characteristics of the execution venues to which your order can be directed.

Ordinarily, price will merit a high relative importance in obtaining the best possible outcome for Wholesale Clients. In certain circumstances, for some client orders, Equity Market Products or markets, we, in our absolute discretion, may decide that other factors are more important in determining the best outcome in accordance with our Policy.

Please note that there may be trade-offs where certain execution factors are considered as having higher importance over others in obtaining the best outcome for a particular client. For example, if the likelihood of execution is considered the most important outcome, the trade-off may be price. Trade-offs may also occur where certain Equity Market Products are experiencing price volatility, timeliness of execution may be priority and where certain Equity Market Products are experiencing low liquidity, execution itself may constitute Best Execution.

Material Changes

This Disclosure and our Best Execution arrangements may change from time to time and such change will be effective immediately.

Any material change made to our Best Execution arrangements will be notified to you by electronic communication.

SCHEDULE 4

CLIENT ORDER AND ALLOCATION POLICY

1 Introduction

- 1.1 This Allocation Policy (**Policy**) sets out Morgan Stanley Australia Securities Limited (**MSASL**) policy with respect to executing client orders as defined in the Market Integrity Rules (**Orders**) and subsequent allocations of Financial Products in accordance with the Market Integrity Rules. This Schedule 4 should be read in conjunction with the Best Execution Policy Disclosure Statement contained in Schedule 3.

2 General principles

- 2.1 MSASL aims at all times to:
- (a) deal fairly and in due turn with:
 - (i) client Orders; and
 - (ii) client Order and an Order on its own account as defined in the Market Integrity Rules (**Own Account**);
 - (b) allocate sales and purchases fairly; and
 - (c) act in accordance with its client's reasonable instructions and in its client's best interests.
- 2.2 When entering Orders into the Trading Platform, MSASL adopts the following general principles, subject to the other provisions of this Policy:
- (a) Orders that do not involve the exercise of discretion by MSASL in relation to the time or price or quantity of the Order are entered into the Trading Platform in the sequence in which they are received, and otherwise as expeditiously as practicable;
 - (b) Orders of a client (which is not a Prescribed Person) that involve the exercise of discretion by MSASL in relation to the time or price or quantity of the Order (**Discretionary Orders**) then the Order will be entered in such a manner and at such a time that MSASL considers appropriate, in accordance with clause 2.1 and this Policy.
- 2.3 When allocating Market Transactions, MSASL adopts the following general principles, subject to the other provisions of this Policy:
- (a) allocation of Market Transactions resulting from individual Orders submitted to the Trading Platform are generally immediate and automatic, unless circumstances or instructions justify later or manual allocation; and
 - (b) Market Transactions executed pursuant to instructions (whether an Order of a client or an Order on its Own Account) are allocated in the sequence in which MSASL received those instructions, entered those instructions into the Trading Platform or the Market Transactions were effected.

3 Client instructions or agreement

- 3.1 MSASL may depart from the above general principles in accordance with this Policy, client instructions or an agreement reached with the client.

4 Principal trading

- 4.1 MSASL trades on its Own Account, including using Automated Order Processing.
- 4.2 As an institutional stockbroker, MSASL engages in Own Account transactions including principal facilitation business and principal transactions to hedge client over-the-counter (OTC) transactions. For example, in order to provide liquidity for a client, MSASL may, on its Own Account, take the other side of a trade with a client, in the expectation that MSASL (on its Own Account) is able to unwind its Own Account's position in the market (or in a subsequent separate Own Account transaction with another client). As another example, MSASL may enter into a client OTC transaction where the terms of the client OTC transaction may reflect MSASL's principal hedge position in the market, and the client is of the expectation that MSASL (on its Own Account) is able to trade the market position as if the trading is conducted on behalf of the client. In doing so, Own Account Orders may be given precedence over client Orders in such circumstances.
- 4.3 MSASL may execute Orders on the instruction of certain related companies, which in turn are placing those Orders on behalf of their clients. MSASL treats such Orders as client Orders for the purposes of this Policy, even though they are provided through a related company.
- 4.4 MSASL may act on its Own Account where the person placing the Order (for example a related company of MSASL), is not aware of any client Orders on the same terms, then in such a case the Order may be treated on the same basis as a client Order and the client may not be given precedence.
- 4.5 The terms of a Discretionary Order may be such that the Order will be entered into the Trading Platform or executed after some time has elapsed, or over a period of time through a number of separate trades (for example, an Order to achieve best price with discretion to execute over a whole day). Because of the nature

of such a Discretionary Order, Own Account Orders may be executed and filled before the entire Discretionary Order has been executed.

5 Automated Order Processing

5.1 Because Own Account Orders placed through Automated Order Processing are entered into the Trading Platform automatically, priority of client Orders cannot be assured at all times.

5.2 As a consequence of Automated Order Processing, client Orders may match opposite Orders in the Trading Platform entered by MSASL as principal, effectively crossing the stock and entitling MSASL to commission on both sides of the transaction.

6 Time of receipt of Orders

6.1 MSASL generally treats Orders received overnight or prior to the commencement of normal trading as having been received at the commencement of normal trading on a Relevant Exchange, irrespective of the actual time that the Order was received, and unexecuted Orders which have not remained in the Trading Platform overnight may also be treated as having been received at the commencement of normal trading on a Relevant Exchange.

6.2 Where Orders are received at approximately the same time they may be treated as having been received at the same time.

7 Aggregation of Orders

7.1 MSASL generally applies the following principles when aggregating Orders:

- (a) Orders received on similar terms may be aggregated with other Orders and entered jointly into the Trading Platform. MSASL may aggregate across the following types of Orders: Orders received at the same time; Orders received overnight or before the market opens; Orders received during normal trading; Orders received while there are outstanding Orders in the same Financial Product; Discretionary Orders; and where in each case, in MSASL's reasonable opinion it is appropriate to group them for execution;
- (b) Own Account Orders will only be aggregated with client Orders if MSASL believes that the client Orders will not be disadvantaged; and
- (c) Aggregating Orders may operate on some occasions to Client's advantage and on other occasions to Client's disadvantage.

7.2 In the case of aggregated Orders which are not completely filled, allocation will be: on a pro-rata basis according to the size of each Order; or on a one for one basis until the Orders are filled; or on another basis that MSASL reasonably believes is appropriate in accordance with this Policy. MSASL will take into account relevant factors such as the time of receipt of the Orders, their relative size and the liquidity of the market when determining allocations.

7.3 MSASL will advise a client its Order is being aggregated on request from the Client and may advise the number of Orders being aggregated. Size of the aggregated Order or comparative size of the client's Order may be indicated, however for regulatory or other reasons, MSASL may refuse to provide this information. The names of the other clients or size of Orders cannot be provided due to client confidentiality, unless the relevant clients have consented. MSASL retains absolute discretion not to provide this information, for regulatory or other reasons.

7.4 If a Client wishes to withdraw the balance of their Order after aggregation or increase or decrease their Order after the aggregated Order has been partially executed, then the withdrawal or change will not affect executions allocated to the Client up to the point of the withdrawal or change. In the case of a change, the subsequent participation of the client's Order will be increased or decreased in accordance with the change in size to the Order. Similarly, new Orders will only participate in executions effected after the Order was joined to the aggregated Order.

7.5 If a client generally consents to its Orders being aggregated, but does not wish a particular Order to be aggregated, the client must advise MSASL of this at the time of placing the particular Order.

7.6 If a client does not consent to any of its Orders being aggregated, it should notify MSASL in writing:
Post: **Level 39, The Chifley Tower, 2 Chifley Square, Sydney NSW 2000**;
Facsimile: (612) 9770 1164 (attn: Client's designated account representative);
Electronic Mail: (designated account representative email address)

8 General

- 8.1 This Policy is provided subject to MSASL's Terms of Business, and definitions used in the Terms of Business apply to this Policy, unless otherwise stated, and can be amended in accordance with the Terms of Business and the Market Integrity Rules. In the event of any inconsistency, this Policy prevails.
- 8.2 Placing Orders through MSASL constitutes Client's consent to this Policy. If Client does not consent, MSASL must be notified in writing.
- 8.3 MSASL may make small, reasonable adjustments to allocations where this will not have a material effect on Client's order and is not contrary to Client's instructions (for example to ensure shares allocated meet the marketable parcel requirements).

SCHEDULE 5

Morgan Stanley Australia Securities Limited Disclosure Requirements for Crossing Systems

Morgan Stanley Australia Securities Limited ("MSASL") is a Trading Participant of both the ASX Market and Chi-X Australia Market. MSASL, a Crossing System operator, has a regulatory obligation to provide clients with the Publicly Available Crossing System Information and a document containing the Non-Public Crossing System Information in relation to its Crossing System, MS POOL. We are required to provide this to you in accordance with the provisions of the Australian Securities & Investments Commission ("ASIC") Market Integrity Rules (Competition in Exchange Markets) 2011 ("Competition Market Integrity Rules").

MS POOL is a Crossing System within the meaning of the Competition Market Integrity Rules. Capitalized words and expressions have the same meaning they have in the Australian Corporations Act and respective ASIC Market Integrity Rules, as applicable.

PUBLICLY AVAILABLE CROSSING SYSTEM INFORMATION: MS POOL

Below is the website address where you can access the Publicly Available Crossing System Information.

<http://www.morganstanley.com/institutional-sales/mset-regulatory-communications.html>

NON-PUBLIC CROSSING SYSTEM INFORMATION: MS POOL

Below is the required Non-Public Crossing System Information for MS POOL.

Item 1: User Obligations

- MS POOL may be accessed directly, or as a venue through Morgan Stanley's selected algorithmic strategies. All market operator bound Orders including algorithmic slices pass through MS POOL en route to the Trading Platform for execution.
- Morgan Stanley Electronic Trading ("MSET") clients may access MS POOL via the MSET platform and associated standard FIX specifications. Other clients who place their Orders with an MSASL sales and trading representative do not require technical specifications.
- Users agree to be bound by any rules, conventions, regulations, user agreements, user guides or instructions related to accessing MS POOL or of any applicable law, rules or regulations of relevant regulatory authorities, market operators or trading systems through which users trade. Any Orders submitted shall not be submitted with the intention that, or being reckless as to whether, such Order has or is likely to have the effect of, creating a false or misleading market in a Financial Product; or of manipulating the market for any Financial Product.
- User access may be suspended or constrained if its behavior is contrary to the user obligation described herein.
- MSASL has controls and procedures in place that are designed to ensure the fair and orderly functioning of MS POOL. Inbound Orders into MS POOL must successfully pass MSASL's internal limit management systems (which consist of defined controls and filters) before they are accepted into MS POOL.
- MS POOL execution quality is monitored using an execution performance measurement framework. The performance measurement framework includes several metrics, including but not restricted to order resting time, pre-trade momentum, post-trade reversion, order size and price improvement.
- MS POOL is monitored in real-time by dedicated support teams of the Technology & Data Division. These members support the operations of MS POOL. Access to the live order book of MS POOL is restricted, except for members of these dedicated support teams, who will be immediately alerted in case of any issues with the technology infrastructure and are the primary contacts for any possible outages in MS POOL's performance. They have administrative control to suspend crossings as and when required, and will engage other infrastructure teams where necessary.

Item 2: Order Types

- For orders that users direct to MS POOL, only Day orders at Market, Limit, and Peg-Mid are accepted, and Immediate-or-Cancel ("IOC") orders are not accepted.
- Access to MS POOL is available directly or via Morgan Stanley's selected algorithmic strategies, which can access both lit and dark liquidity.

- By default, market operator bound Orders check with MS POOL for any crossing opportunities before being routed to the Trading Platform.
- Orders are eligible for crossing either with an Order on the opposite side on the Trading Platform or with an Order resting in MS POOL.
- Orders can also be executed or matched in MS POOL with Orders received from one or more other Crossing System operators. The other Crossing System operator from which MS POOL can receive Orders is:
 - Instinet Australia Pty Limited (ASIC Crossing System identifier: 2171)

Item 3: Operations

- MS POOL will only operate during the continuous trading session on ASX TradeMatch.
- Clients, traders and sales traders of Morgan Stanley and its affiliates can participate in MS POOL to maximize liquidity opportunities. As such orders may interact with flows from other agency and principal orders.
- Morgan Stanley (at its sole discretion) can designate a user of MS POOL as a “professional trader” by considering the nature and frequency of that user’s activities (or, for a new user, its anticipated activities) within MS POOL. All designated “professional trader” user will be advised of its “professional trader” MS POOL designation.
- All Orders (agency and principal) within MS POOL are subject to "price* / category** / size / time priority".

*Price is capped at Best Mid-Point for evaluating priority.

**Category rank orders in sequence by Agency, Principal only. Per ASIC guidelines, no further differentiation between Agency and Agency Professional Trader / Principal and Principal Professional Trader will be considered for matching priority.

- MS POOL provides the ability for Morgan Stanley to cross inbound Orders within the constraints of the licensed market operator’s crossing regulations and adhering to the appropriate reporting requirements. Orders will be executed on MS POOL within the national best bid and offer i.e. with price improvement or relying on other ASIC pre-trade transparency exceptions.
- MS POOL attempts to cross Orders within the published national best Bid and Offer, attempting Best Mid-Point where possible and within the user’s limit price (if applicable). If there is no bid and offer price or only one side of the order book exists (i.e. only the national best bid or the national best offer exists), Orders will not be crossed.
- Orders will be only accepted in MS POOL at the ASIC prescribed Tick Size or any possible midpoint prices (in accordance with ASIC's guidance). Orders which are not at the prescribed Tick Size or possible mid-point prices will be rounded down passively.
- MS POOL crossings may be reported to ASX TradeMatch and Chi-X Australia. Chi-X Australia will be the preferred Trading Platform. Only if a transaction cannot be reported on Chi-X Australia it may be reported to ASX TradeMatch.
- Users have the ability to opt-out from MS POOL entirely, or have the following order handling options on a per order basis:
 - Do not cross (i.e. do not cross in MS POOL)
 - Do not cross with principal Orders
 - Do not cross with Orders of Morgan Stanley designated professional traders (users classified as “professional traders” may not opt out from crossing with orders of other “professional traders”)
 - Do not cross at day high or day low
 - Cross at midpoint or better only
 - Minimum cross size
- Order cancellations are processed in due course in the sequence that they are received.
- Trade cancellations will be reviewed and managed on a case by case basis by MSASL Designated Trader Representatives (DTRs).
- Orders within MS POOL are purged at the end of each trading day.

- Access to the live order book of MS POOL is restricted, except for members of the dedicated support teams of the Technology & Data Division. As part of the daily responsibilities of the MSET sales and trading coverage team, MSET account managers have access to information related to Orders being executed within MS POOL, but have no transparency to the live MS POOL order book.
- MSASL has established controls designed to safeguard from potential conflicts of interests within the entity. Information barriers are in place to segregate information flow within the entity and to ensure client Order and trading information will not be used inappropriately. All MSASL employees are required to comply with guidelines designed to mitigate conflicts that may arise as a result of their various responsibilities. There are also established escalation procedures in place designed to resolve conflicts and ensure employees act in the best interests of clients.
- No Indications of Interest are transmitted from MS POOL.
- There are no liquidity commitments or benefits given to Morgan Stanley designated professional traders.
- In the event of outage with respect to the operation of MS POOL, MS POOL market operator bound Orders will continue to be routed to the market operator's Trading Platform or continue to be executed in the algorithmic trading engine respectively per users' instructions. For Orders solely resting in MS POOL, i.e. orders that do not route to the market operator's Trading Platform but only stay within the MS POOL order book for crossing opportunities, these Orders can be cancelled back to the users upon identifying system outages, or remain in MSPOOL based on users' instruction.
- For Orders which are cancelled back to the user, MSASL may send to the user a "Cancel on Open" FIX message.

Item 4: Fees

- Accessing MS POOL does not incur any additional fees to the standard commission negotiated on a client by client basis.

SCHEDULE 6
Morgan Stanley Australia Securities Limited
Authorised Persons Trading Guide

IMPORTANT NOTICE FOR AUTHORISED PERSONS

AUSTRALIA TRADING GUIDE

Introduction

The purpose of this guide is to provide clients who use the Morgan Stanley direct to market electronic trading infrastructure, with an overview of the applicable law and rules of the Australian market. Those persons who use the Morgan Stanley direct to market electronic trading infrastructure to trade on the ASX Market, Chi-X Australia Market and/or the ASX 24 Market are designated as “Authorised Persons”¹ for the purposes of the ASIC Market Integrity Rules (ASX Market and Chi-X Australia Market) and this guide.

Under the ASIC Market Integrity Rules for the ASX Market and Chi-X Australia Market, Morgan Stanley Australia Securities Limited (MSASL), in its capacity as a Trading / Market Participant, must have procedures in place to ensure that each Authorised Person has **demonstrated to MSASL knowledge of the order entry system of MSASL and of the Dealing Rules, directions, decisions and requirements of the Market Operator** relevant to the type of order submission facilities given to the Authorised Person by MSASL.

Under the ASIC Market Integrity Rules for the ASX 24 Market, MSASL, in its capacity as a Market Participant, must satisfy itself that each Authorised Person has the **necessary skills, facilities and procedures to operate such a facility**; each Authorised Person **understands the risks and obligations** attached to the use of such a facility; and ensure that each Order so placed by an Authorised Person, and any Order System **complies with the Rules**.

By submitting an order through MSASL’s direct to market electronic trading infrastructure, you will be deemed to represent to us that you have: the requisite knowledge of the order entry system of MSASL and the applicable law and rules of the Australian market; understand the risks and obligations attached to the use of such a facility; and have the necessary skills, facilities and procedures to operate such a facility.

This guide has been prepared to assist users in understanding the applicable law and rules of the Australian market. Terms not defined in this guide are defined in the ASIC Market Integrity Rules or the relevant Market Operators’ operating rules (“Rules”).

Please contact your Morgan Stanley Sales representative if you have any questions regarding the matters dealt with in this guide.

Fair and Orderly Market

The overarching purpose of the Rules is to protect the integrity of the Market

- The Australian market must remain fair and orderly
- Entry of orders into an Exchange must comply with the directions of that Exchange

You must not take advantage of Exchange system breakdowns or malfunctions or errors.

You must ensure that any trading via any Morgan Stanley’s direct market trading systems, do not interfere with either:

- (i) the efficiency and integrity of the market, or
- (ii) the proper functioning of the Exchange’s trading platform.

¹ As defined under the ASIC Market Integrity Rules (ASX Market and Chi-X Australia Market) – “means a person who: (a) is either (i) a client of MSASL; (ii) an agent of a client of MSASL; (iii) a Representative of MSASL; and (b) is permitted by MSASL to submit orders into MSASL’s system.”

Australia Core Trading Rules

Australia's regulatory regime seeks to ensure that markets for financial products are fair, orderly and transparent. Accordingly, the Market Misconduct provisions of the Australian Corporations Act, together with the ASIC Market Integrity Rules and Market Operators' Operating Rules, prohibit various types of trading and trading-related activities.

Below are some of the core trading rules and regulations applicable to the Australian market.

Market Manipulation

Market Manipulation is a criminal offence and involves transactions that are intended (or likely) to have the effect of creating or maintaining an "artificial price" (i.e. a price that does not reflect the genuine forces of supply and demand) for trading in financial products on a financial market in Australia.

Examples: instructions to repeatedly hit the highest bid or lift the lowest offer; instructions to buy/sell down to a specific price; stated intention to move the price of a financial product or the value of an index.

False Trading & Market Rigging

These are transactions that are intended (or likely) to create a false or misleading appearance of active trading with respect to the price of, or market for financial products in Australia. Such transactions are prohibited. In addition, there is a prohibition on using a device or entering into a fictitious or artificial transaction resulting in the price of a financial product fluctuating or being maintained, inflated or depressed.

Examples: transactions involving no change of beneficial ownership, transactions where parties act in concert simultaneously to place buy and sell orders thereby resulting in a trade (i.e. matched/pre-arranged trades); entering bids or offers with no intention to trade.

Circumstances – Order Entry

When considering whether an order might create a false or misleading appearance, ASIC requires that you consider the "circumstances" of the order, i.e.:

- Whether the order or execution of the order would be inconsistent with the history of or recent trading in the security (*Examples: large volumes/liquidity, pre-open patterns in open/close, price volatility (bid/ask behaviour)*);
- Whether the order or execution of the order would materially alter the market for or the price of the security [*"Material"* will depend upon the security (including history as above), the circumstances of the order and the current market conditions. *Examples: repetitive orders taking out the priority bid/ask to move the price*];
- The time the order is entered or any instructions concerning the time of entry of the order (*Examples: Pre-opens (open/close), options/futures expiry dates, month/year end*);
- Whether you or a related party have an interest in creating a false or misleading appearance of trading with respect to the market for, or the price of the security;
- Whether the order is accompanied by unusual settlement or delivery arrangements;
- Whether the order appears to be part of a series of orders which appear unusual having regard to the above (*Example: a series of aggressively priced orders which materially move the price, large orders with instructions to execute on a piecemeal and on-going basis*);
- Whether there appears to be a legitimate commercial reason for placing the order, unrelated to an intention to create a false and misleading appearance of trading (*NB: Orders with a legitimate commercial purpose may still be regarded as manipulative if they result in a false or misleading appearance*);
- Whether the transaction will involve no change of beneficial ownership;
- The frequency with which orders are placed;
- The volume of products which are the subject of each order placed; and
- The extent to which you or a related party amends or cancels an instruction to purchase or sell a product relative to the number of transactions executed.

Insider Trading

There is a general prohibition on trading in financial products, procuring others to trade in financial products or communicating information in relation to those financial products to others while in possession of inside information. In addition, it is a violation for an insider to pass on inside information, to a second party, for the purpose of enabling that party to trade on it (i.e. “tipping offence”). Those who receive information from an insider (i.e., “tippees”) are also prohibited from trading on such information.

Inside information is information which is generally not available but, if it were, a reasonable person would expect it to have a material effect on the price or value of a financial product.

In Australia the insider trading prohibitions automatically apply to any act that takes place within Australia, irrespective of where the company is located or whether or not the company is listed on a local exchange. It also applies to acts outside Australia where the company is incorporated or carries on business in Australia.

Short Selling

In Australia, only Long and Covered short sales are permitted (with limited exemptions). A sale is considered Long or Covered if the Seller has a presently exercisable and unconditional right to vest title in the securities in the Buyer.

A *presently exercisable and unconditional right* means the Seller has:

- title to the securities (i.e. a Long position) or
- borrowed the securities pursuant to a securities lending agreement, where the stock-lender has agreed unconditionally to the specific financial products (quantity and stock) lending transaction prior to the sale (i.e. a “Covered” short position).

You are obliged to provide Morgan Stanley at the time of placing your sell order electronically, whether the sale is a “Long Sale” or a “Covered Short Sale”. Please contact your Morgan Stanley Sales representative for instructions.

Please refer to the Australian Securities & Investments Commission Regulatory Guide 196 ([ASIC RG 196](#)) for further information on Short Selling in Australia.

Section 10

Facility Terms

Part A—General Terms

1. Preliminary

1.1 Agreement

This Agreement is entered into between the Issuer, the Lender, the Personal Guarantor (if applicable) and the person whose details are set out in the Confirmation as the person who will be entering into Transactions under this Agreement (you). This Agreement governs each Facility provided to you by UBS and each Transaction entered into between you and UBS pursuant to this Agreement.

1.2 Structure

This Part A applies in relation to each Transaction entered into between you and UBS.

Part B sets out the terms which apply to Loans.

Part C sets out the terms which apply to Options over Underlying Securities.

Part D sets out the terms which apply to Options over Underlying Indices.

Part E sets out the terms which apply to the Security Interest and Nominee arrangements.

Part F sets out the terms which apply to the Exercise and Sale Facility.

Part G sets out the terms of the Stock Borrow Agreement

Part H sets out the terms of the Distribution Agreement.

1.3 Transactions and Confirmations

- a) Subject to clause 1.3(b) below, UBS will give to you a Confirmation in respect of each Transaction. The terms of this Agreement apply to each Confirmation. This Agreement and each Confirmation constitute the terms of a Transaction.
- b) If you enter into an Option together with a loan and UBS specifies that they are Related Transactions in the Quote Sheet and Confirmation, then the Option will be a Related Option and the Loan will be a Related Loan and the terms of the Related Transactions and any variation or early unwind or termination to them must be consistent across the Related Transactions.
- c) If you are a Superannuation Fund investor you agree and acknowledge that your rights, obligations and interests under Related Transactions are a single arrangement for the purposes of the Agreement, and form a single chose in action which is indivisible, and your rights in respect of an Option or Loan (or Allocated Portfolio Loan Amount) which is a Related Transaction may not be severed from your rights in respect of the corresponding Related Loan or Related Option or separately dealt with in any way.
- d) To the extent of any inconsistency between the terms of this Agreement, the Confirmation, the Quote Sheet, and the PDS in respect of a Transaction, the order in which the documents shall prevail is:
 - i. the Confirmation;
 - ii. the Facility Terms set out in Section 10 of the PDS;
 - iii. the Quote Sheet; and
 - iv. the PDS.

2. Definitions and interpretation

2.1 Definitions

Terms in this Agreement have the meaning given to them in the glossary section of the PDS.

2.2 Rules for interpreting this Agreement

Headings are for convenience only, and do not affect interpretation. The following rules also apply in interpreting this Agreement, except where the context makes it clear that a rule is not intended to apply:

- a) A reference to:

- (i) legislation (including subordinate legislation) is to that legislation as amended, re-enacted or replaced, and includes any subordinate legislation issued under it;
 - (ii) the following terms shall be interpreted as though those terms have the meanings given to them in the PPSA:
 - (a) after-acquired property;

 - (iii) UBS means, where UBS AG is the Issuer and Lender, UBS AG and where UBSIA is the Issuer and Lender, UBSIA.
 - (iv) a document or agreement, or a provision of a document or agreement, is to that document, agreement or provision as amended, supplemented, replaced or novated;
 - (v) a party to this Agreement or to any other document or agreement includes a permitted substitute or a permitted assign of that party;
 - (vi) a person includes any type of entity or body of persons, whether or not it is incorporated or has a separate legal identity, and any executor, administrator or successor in law of the person; and
 - (vii) anything (including a right, obligation or concept) includes each part of it.
- (b) A singular word includes the plural, and vice versa.
 - (c) A word which suggests one gender includes the other genders.
 - (d) If a word is defined, another part of speech has a corresponding meaning.
 - (e) If an example is given of anything (including a right, obligation or concept), such as by saying it includes something else, the example does not limit the scope of that thing.

 - (g) Where an expression is defined anywhere in this Agreement, it has the same meaning throughout.
 - (h) A reference to "dollars" or "\$" is to an amount in Australian currency.
 - (i) Words defined in the GST Law have the same meaning in this Agreement.

2.3 Business Days

If the day on or by which a person must do something under this Agreement is not a Business Day:

- (a) if the act involves a payment that is due on demand, the person must do it on or by the next Business Day; and
- (b) in any other case, the person must do it on or by the previous Business Day.

3. Conditions precedent

3.1 Conditions precedent

UBS is under no obligation to enter into any Transaction with you unless:

- (a) you have completed and returned the Application Form, Quote Sheet, Adviser Fee Acknowledgement Form (if required by UBS) and any additional information requested by UBS in accordance with the directions set out in the PDS, Application Form and Quote Sheet and UBS has accepted your Application;
- (b) if any fees and charges relating to the Transaction are specified in the Quote Sheet as being payable on or before the Trade Date, you have paid to UBS those fees and charges;
- (c) UBS is satisfied that the Security Interest granted under clause 27 will provide effective security and control over the disposal or redemption of the Secured Property;
- (d) UBS is satisfied that all statements made in your Application Form and the representations and warranties set out in this Agreement are correct and will be correct on the Trade Date of the Transaction and on each day during the Term of the Transaction;
- (e) UBS has obtained all other documents, information or opinions relating to you and (if applicable) the Personal Guarantor which it requires in order to enter into the Transaction (including solicitors' certificates or statutory declarations in relation to the Personal Guarantor);
- (f) all of the Approved Securities selected by you are quoted on an Approved Exchange on the Trade Date;
- (g) UBS is satisfied that no Event of Default has occurred or is continuing, and that entry into the Transaction will not result in the occurrence of an Event of Default;
- (h) in relation to a Transaction involving Executive Options (for example, where the Exercise and Sale Facility is used to facilitate the exercise of Executive Options, or the Options Facility is used to hedge shares resulting from the exercise of Executive Options), you have provided all information and directions requested by UBS to enable it to perform due diligence and facilitate the exercise of the relevant Executive Options and the delivery of the resulting Approved Securities as directed by UBS;
- (i) where you hold Approved Securities and UBS requires those Approved Securities to become subject to the Security Interest, you have delivered to the Nominee (as directed by UBS) the number of Approved Securities specified by UBS in the Quote Sheet as Unrestricted Stock (non-Superannuation Fund investors only).

UBS may, in its absolute discretion, enter into a Transaction with you notwithstanding that the conditions precedent in this clause have not been satisfied.

3.2 Each of UBS's obligations under this Agreement is subject to the condition precedent that:

- (a) no Event of Default has occurred and is continuing in respect of you; and
- (b) no Early termination Date has occurred or been effectively designated in respect of the relevant Transaction.

4. Events of Default, early termination and change of law

- (xvii) anything else occurs which, in UBS's reasonable opinion, will have (or is likely to have) a material adverse impact on your, or your Personal Guarantor's, ability to meet its obligations under this Agreement;
- (xviii) any other event occurs which, with the giving of notice or the lapse of time or both, would constitute an Event of Default;
- (b) You undertake to UBS that you will immediately notify UBS of any fact or circumstance within your knowledge which has given rise or is likely to give rise to an Event of Default or a breach of any representation, warranty, statement, undertaking or other provision in this Agreement, the Application Form, the Quote Sheet or any other document in connection with this Agreement or required by UBS.

4.2 Consequences of Event of Default

- (a) If an Event of Default occurs, UBS may, without further notice to you and in its absolute discretion, do any one or more of the following:
 - (i) notify you that UBS's obligations under a Transaction are terminated, in which case UBS's obligations under the Transaction will terminate immediately and the date on which a Transaction is terminated is the Early Termination Date in respect of that Transaction;
 - (ii) notify you that all amounts which are, or may in the future become, payable by you to UBS under a Transaction including Break Costs (together, Outstanding Amount) are immediately due and payable, in which case all Outstanding Amounts shall become immediately due and payable by you;
 - (iii) exercise any of UBS's rights, and take any action permitted, under this Agreement, including without limitation, enforcing of UBS's Security Interest over Secured Property;
 - (iv) give any instructions to the Nominee in respect of any Underlying Securities necessary to effect dealings in the Underlying Securities.
 - (v) appoint a receiver in respect of any or all of the Secured Property;

- (vi) apply proceeds from the above towards the Amount Outstanding;
 - (vii) in respect of any or all Terminated Transactions, calculate the Early Termination Amount which will become immediately due and payable.
- (b) If an Event of Default relates to one Transaction only, or relates to one Allocated Portfolio Loan Amount of a Portfolio Principal Loan only, UBS may, in its absolute discretion, exercise its rights under this clause 4.2, in respect of that Transaction only or that Allocated Portfolio Loan Amount only or in respect of that Transaction, Allocated Portfolio Loan Amount and any Related Transaction, and the corresponding Security Interest and Secured Property. .

4.3 Early Termination Date and Consequences of early termination

- (a) If an Early Termination Date occurs in respect of a Transaction, UBS shall calculate the Early Termination Amount in respect of the Transaction and shall, as soon as reasonably practicable, give to you a statement specifying the Early Termination Amount.
- (b) If the Early Termination Amount is a positive number, you must pay to UBS the Early Termination Amount. If the Early Termination Amount is a negative number, UBS must pay the absolute value of the Early Termination Amount to you, subject to its right of set off under clause 8.14.
- (c) The Early Termination Amount shall be payable on the Business Day next following the date that notice of the Early Termination Amount is given to you.
- (d) If an Early Termination Date is specified in respect of a takeover of the issuer, the Early Termination Amount in respect of an Option will be calculated in accordance with the provisions in this Agreement, and without limitation, UBS may also use to calculate this amount the annualised share price volatility of the Underlying Security equal to either, at UBS's election:
 - (A) the average of the rolling 6 month share price volatility over the 20 Trading Days preceding the first announcement of the takeover bid, or
 - (B) if exchange traded options over the Underlying Securities are quoted on the primary securities exchange on which the Underlying Securities are listed, the annualized share price volatility of the Underlying Security implied from the exchange traded option that, in the opinion of UBS, is most appropriate taking into account the Strike Price, Maturity Date, Payment Level and Cap Level (if applicable) of the Option.

4.4 Increased costs

If:

- (a) there is an introduction of, or change in, an applicable law or regulatory requirement or its interpretation or administration by a government agency which:
 - (i) subjects UBS or any of its related bodies corporate to any Tax relating to this Agreement;
 - (ii) changes the basis of taxation of any payment due or to become due to UBS under, or in connection with, this Agreement;
 - (iii) imposes, modifies or deems applicable any capital, liquidity, reserve or prudential requirement or requires the making of any special deposit against or in relation to any assets or liabilities (actual or contingent) of, deposits with or for the account of, or loans by, UBS or any of its related bodies corporate; or
 - (iv) imposes on UBS or any of its related bodies corporate any other condition affecting this Agreement; and
- (b) the result is (directly or indirectly) to:
 - (i) increase the cost to UBS or any of its related bodies corporate of the provision or maintenance by UBS of any Transaction or the performance by UBS or the Nominee of its obligations under this Agreement;
 - (ii) reduce:
 - (A) the effective rate of return (on capital, property, deposits or otherwise) of UBS under this Agreement; or
 - (B) the amount of any payment received by UBS or the Nominee under any Transaction; or
 - (iii) require UBS or the Nominee or any of their related bodies corporate to make a payment or to forgo or suffer a reduction in return on or calculated by reference to any amount payable to UBS under this Agreement,
- (c) then UBS may provide a notice to you stating the nature of the relevant change and:

- (i) require you to indemnify UBS or the Nominee (as appropriate) in relation to, and pay to UBS or the Nominee on demand the amount that UBS claims is necessary to compensate UBS or the Nominee or any of its related bodies corporate, for the additional cost, reduction or payment, calculated from the day on which it was first incurred by UBS or the Nominee or the related body corporate;
- (ii) adjust the terms of any Transaction in order to compensate UBS or the Nominee (as appropriate) for the additional cost, reduction or payment, calculated from the day on which it was first incurred by UBS or the Nominee or the related body corporate; or
- (iii) terminate this Agreement.

4.5 Notice of change of law

If, in the opinion of UBS:

- (a) a law, regulation or directive or request (whether or not having the force of law) of any government agency not in effect at the date of this Agreement; or
- (b) an amendment after the date of this Agreement to, or a change after the date of this Agreement in the interpretation or application of, a law, regulation or a directive or request (whether or not having the force of law) of a government agency,

makes, or will make, it illegal in any jurisdiction for UBS to continue to be a party to a Transaction, UBS may give notice (a "Change of Law Notice") to you that it considers that this has happened or will happen.

4.6 Termination

If UBS terminates this Agreement in accordance with clause 4.4(c)(iii) or gives a Change of Law Notice under clause 4.5:

- (a) its obligations under the relevant Transaction will terminate on the date specified in the Change of Law Notice; and
- (b) the parties must settle the Early Termination Amount on the date notified by UBS.

5. Independent decisions and advice

5.1 Own judgment and reliance

You agree that you have relied, and will continue to rely, on your own judgment and that of your professional advisers as you consider necessary (if any) in deciding whether to utilise any Facility or to enter into any Transaction offered under this PDS, the tax treatment of using those Facilities or those Transactions and generally in relation to this Agreement and the transactions which it contemplates. Without limiting this:

- (a) you confirm that the fact that UBS may classify a security as an Approved Security is not a recommendation by UBS that you invest in, continue to hold or sell that security or enter into any Transaction in relation to it;
- (b) you will not rely on any statement or representation made, or purported to be made, by or on behalf of UBS in relation to the above matters; and
- (c) you acknowledge that:
 - (i) from time to time UBS and its Affiliates may have substantial long or short positions in, and may make a market in or otherwise buy or sell, instruments identical or economically related to Transactions entered into with you;
 - (ii) UBS may undertake proprietary trading activities, including hedging transactions related to the initiation or termination of a Transaction with you, that may adversely affect the market price, rate, index or other market factors underlying the Transaction entered into with you and consequently the value of that Transaction; and
 - (iii) UBS may have previously acted, and may currently or in future from time to time act as an adviser to an issuer of Approved Securities for which it may receive fees and commissions,
- (d) as a result of which potential conflicts of interests may arise, and you have considered the implications of such potential conflicts prior to entering into any Transaction.
- (e) You acknowledge that UBS does not act in any fiduciary capacity in relation to this Agreement or any Transaction.

5.2 Representation and Warranty

You represent and warrant to UBS on the date this Agreement is entered into, on the Trade Date for a Transaction and on each day during the Term of the Transaction that:

- (a) you are acting for your own account, and have made your own independent decisions to enter into this Agreement and that each Transaction is appropriate and proper for you, based upon your own judgment and upon advice from such advisers as you have considered necessary. You are not relying on any communication (written or oral) of UBS or any of its Affiliates as investment advice or as a recommendation to enter into this Agreement or any Transaction, it being understood that information and explanation relating to the terms and conditions of this Agreement in the PDS or otherwise shall not be considered investment advice or a recommendation by UBS to enter into this Agreement or any Transaction. No communication (written or oral) received from UBS shall be deemed to be an assurance or guarantee as to the expected results of this Agreement or any Transaction; and
- (b) you are capable of assessing the merits of and understand (on your own behalf or through independent professional advice), and accept, the terms, conditions and risks of this Agreement and the Transaction, and you are capable of assuming and assume, the risks of this Agreement and the Transaction.

6. Your representations and warranties

6.1 You represent and warrant to UBS on the date this Agreement is entered into, on the Trade Date for a Transaction and on each day during the Term of a Transaction that:

- (a) the execution and delivery of this Agreement and entry into any Transaction by you and the performance of your obligations under this Agreement and any Transaction do not and will not violate or conflict with:
 - (i) any law, rule or regulation applicable to you;
 - (ii) any order or judgment of any court or other agent of government applicable to you or any of your assets or any agreement or contractual restriction binding on or affecting you or any of your assets, including without limitation any agreement between you and:
 - (A) the issuer of the Underlying Securities;
 - (B) any underwriter in respect of the Underlying Securities; or
 - (C) security holders of the issuer of the Underlying Securities;
- (b) In respect of any Transaction which requires or may require the transfer of Underlying Securities, you have obtained all consents which may be required by law to enable you to:
 - (i) procure transfer of good title to the Underlying Securities to UBS or as UBS directs; or
 - (ii) accept a transfer of good title to the Underlying Securities from UBS,

in either case as required by the Transaction;

- (c) the transfer of any Underlying Securities:
 - (i) to UBS or as UBS directs; or
 - (ii) to you,

in either case as required in respect of a Transaction, will not result in you contravening any law to which you are subject;

- (d) provided you are not a Superannuation Fund, in relation to any Transaction in respect of which the Security Interest granted or acknowledged under clause 27 applies:
 - (i) at the Trade Date, Drawdown Date, Maturity Date and at all times until the Secured Obligations are discharged, you will have good beneficial title to the Secured Property free from any Security Interest or restriction on transfer, except as may be permitted under the Security Interest granted by you; and
 - (ii) any Secured Property that you are required to deliver to the Secured Party or the Nominee will be Unrestricted Stock;
- (e) you and your associates are not in possession of any material, non-public information regarding the Underlying Securities at the time of entering into the Transactions set out in this Confirmation and at the time of providing any instructions in respect of those Transactions, and that entry into the Transactions will not contravene any applicable law, or any contractual obligations applicable to you or your associates;

- (f) you do not “control” (as defined in section 50AA of the Corporations Act) the issuer of the Underlying Securities;
- (g) if you are an officer or employee of the issuer of the Underlying Securities, by entering into this Agreement or any Transaction or by exercising any right or performing any obligation under this Agreement or any Transaction, you will not contravene the policies of the issuer for dealing in Underlying Securities applicable to you and, if required, you have obtained the written approval of issuer to enter into this Agreement;
- (h) you have complied with and will comply with all applicable disclosure obligations in relation to your holding of Underlying Securities and your entry into the Transactions set out in this Confirmation (including but not limited to any applicable obligations imposed by the issuer of the Underlying Securities, the Australian Securities Exchange or under the Corporations Act 2001 (Cth)).
- (i) you have reviewed this Agreement, the PDS and associated documents to the extent you consider necessary, and you have sought independent advice regarding this Agreement and any Transaction, including advice on financial risk, legal and tax implications, which take into account your specific circumstances;
- (j) you have not relied in any way whatsoever on any statements made by, or purported to be made by, UBS or its related entities or any of their respective servants, agents, employees or representatives in relation to the PDS, this Agreement or any Transaction, other than as set out in this Agreement or the PDS, and acknowledge that UBS has not made any representation to you with regard to the suitability or appropriateness of this investment to your individual circumstances;
- (k) you have full authority, capacity and legal standing to enter into, and perform the obligations set out in this Agreement and any Transaction, and this Agreement constitutes your valid and legally binding obligations, enforceable against you in accordance with its terms;
- (l) no Event of Default has occurred or is continuing;
- (m) all statements, representations and warranties made in this Agreement, the Application Form and Quote Sheet or any other document in relation to this Agreement or required by UBS are true and correct;
- (n) you have disclosed in writing to UBS all facts relating to you, this Agreement, the Secured Property and all things in connection with this which are material to the assessment of the nature and amount of risk undertaken by UBS in entering into any Transaction and doing anything in connection with this Agreement or a transaction contemplated by it;
- (o) in the case of individual or individual trustee applicants—you will apply any credit or financial accommodation provided by UBS wholly or predominantly for business or investment purposes (or for both purposes). NOTE: you should not sign this Agreement unless credit or financial accommodation provided by UBS will be applied wholly or predominantly for business or investment purposes (or for both purposes). By signing this Agreement you may lose your protection under the Consumer Credit Code;
- (p) there are no actions, claims or demands pending the determination of which might reasonably be expected to have a material adverse effect on
 - (i) your ability to perform your obligations under this Agreement or any Transaction; or
 - (ii) the rights of UBS or the Nominee.

7. Personal Guarantee

7.1 Application of clause

- (a) UBS may require a Personal Guarantor to guarantee your obligations under this Agreement.
- (b) This clause applies to the Personal Guarantor.

7.2 Obligations guaranteed

In consideration of UBS making available a Facility to you or for your benefit, the Personal Guarantor hereby unconditionally and irrevocably guarantees to UBS the due and punctual performance of all of your obligations under this Agreement (as amended, extended or varied) and any Transaction (as amended, extended or varied) other than the payment of amounts in respect of which UBS’s recourse against you is limited under clause 11.

7.3 Consequences of your default

The Personal Guarantor undertakes to, and must pay any amount which you fail to pay under this Agreement on demand to, or as directed by, UBS.

7.4 Nature of obligations and enforcement

The Personal Guarantor's obligations under this Agreement are principal obligations and may be enforced against the Personal Guarantor without UBS first being required to exhaust any remedy it may have against you or enforce any Security Interest it may hold (including under the Security Interest granted under clause 27).

7.5 Continuity and preservation of Personal Guarantor's obligations

The guarantee in this clause 7 is a continuing guarantee. The Personal Guarantor's obligations under this Agreement are absolute, unconditional and irrevocable. The liability of the Personal Guarantor under this Agreement extends to, and is not affected by, any circumstance, act or omission which, but for this clause, might otherwise affect it at law or in equity.

7.6 Limitations on Personal Guarantor's rights

Until all moneys owing by you under, or in connection with, this Agreement have been paid in full, the Personal Guarantor may not exercise any right of subrogation to UBS and may not exercise any rights as surety in competition with UBS.

7.7 Indemnity from Personal Guarantor

For the consideration mentioned in clause 7.2, the Personal Guarantor (as primary obligor) unconditionally indemnifies UBS in full against, and must pay UBS on demand, the amount of, any loss that UBS may suffer because moneys owing by you under, or in connection with, this Agreement (in each case, subject to clause 11) are not recoverable from you for any reason or must be repaid by UBS to you or any bankruptcy or insolvency representative after they have been received by UBS.

8. Miscellaneous

8.1 Governing Law

This Agreement is governed by the law of New South Wales. The parties submit to the non-exclusive jurisdiction of the courts of New South Wales. Each party waives any objection to the venue of any procedures on the ground that they have been brought in an inconvenient forum.

8.2 Waiver

UBS will not be taken to have waived any right under this Agreement unless that waiver is in writing signed by two duly authorised signatories of UBS.

8.3 Severability

- (a) If any provision of this Agreement is determined to be void, invalid, illegal or unenforceable, then that provision will be deemed to have been deleted to the extent of that invalidity, illegality or unenforceability.
- (b) A deletion under paragraph (a) will not affect UBS's ability to enforce any other provision of this Agreement.

8.4 Variation

UBS may vary any term of this Agreement at any time in its discretion by 14 calendar days' written notification to you provided the variation is not unfair (as defined in Section 12BG of the ASIC Act). UBS may however vary any term the Agreement with immediate effect if required to comply with any law, regulation or regulatory policy or requirement. The variation will not take effect until UBS has notified you in writing of the amendment.

8.5 Automatic Extension Clause

- (a) Paragraphs (b), (c) and (d) may apply to you if you are the Holder of a Put Option, a Collar, a Step Collar or Put Spread Collar and the Option is subject to Physical Settlement and:
 - (i) at the Maturity Time of the Option, the Option is In The Money and a valid Exercise Notice has not been provided; or
 - (ii) at the Maturity Time of the Option, you are required to pay UBS a Second Premium Amount; or
 - (iii) paragraph (i) or (ii) is applicable, and you have not provided notice to UBS as required by clause 10.5(b) in respect of a Related Loan and you have not repaid the Related Loan by the Maturity Date.
- (b) If one or more of the situations described in paragraph (a) occur, and you inform UBS that at that time you are subject to trading restrictions such that you cannot deal in Underlying Securities then UBS may, in its absolute

discretion, decide to defer the Maturity Date of the Transaction until a later date (the "Deferred Maturity Date"). If you are still restricted from dealing in Underlying Securities on the Deferred Maturity Date then UBS may, in its absolute discretion, nominate a new Deferred Maturity Date. All settlements that would have occurred on the original Option Settlement Date would be deferred until 5 Business Days after the applicable Deferred Maturity Date (the "Deferred Settlement Date").

- (c) If UBS nominates a Deferred Maturity Date in accordance with paragraph (b) then on the Deferred Settlement Date, one or more of the following obligations will apply:
- (i) to the extent paragraph (a)(i) is applicable:
 - A. you must deliver to UBS the quantity of Underlying Securities that you would have delivered on the original Option Settlement Date and pay to UBS the cash value of dividends or distributions paid on the Underlying Securities which have dividend or distribution ex dates during the period from but excluding the original Maturity Date to and including the Deferred Maturity Date; and
 - B. UBS must pay you interest calculated at the overnight cash deposit rate on the Strike Price for the period from but excluding the original Option Settlement Date to and including the Deferred Settlement Date;
 - (ii) to the extent paragraph (a)(ii) is applicable:
 - A. you must pay the Second Premium Amount to UBS plus interest on that Second Premium Amount calculated at the overnight cash lending rate for the period from but excluding the original Option Settlement Date to and including the Deferred Settlement Date;
 - B. if the Second Premium Amount is payable because the Market Price on the original Maturity Date was greater than the Cap Level then UBS will calculate an amount equal to:
$$(\text{Market Price on Deferred Maturity Date} - \text{Market Price on original Maturity Date}) \times \text{Number of Options} \times (1 - \text{Participation Rate})$$
and you must pay this amount to UBS if it is a positive number or if this amount is a negative number then UBS must pay you the absolute value of the amount;
 - (iii) to the extent paragraph (a)(iii) is applicable, then in addition to your obligations under paragraphs (c)(i) and/or (c)(ii), the Maturity Date of the Loan will be deferred to any Deferred Maturity Date for the Related Option and you must repay the Loan Balance that was outstanding as at the original Maturity Date to UBS and pay interest on that Loan Balance for the period from and excluding the original Maturity to and including the Deferred Settlement Date at the same interest rate as the Interest Rate applicable to the Loan on its Drawdown Date.
- (d) If UBS nominates a Deferred Maturity Date in accordance with paragraph (b) then in addition to the consequences described in paragraph (c):
- (i) you must pay to UBS on the Deferred Settlement Date all costs incurred by UBS in deferring the settlement of the Transaction, including for example, the cost of maintaining its hedges, which may include stock borrow cost and the value of franking credit gross up payments; and
 - (ii) you must pay UBS a fee on the Deferred Settlement Date for deferring the settlement of the Transaction(s), equal to 1% of the Transaction Value of the Options as at the original Maturity Date; and
 - (iii) UBS will notify you that it has exercised its discretion to defer the Maturity Date, and will notify you of the Deferred Maturity Date, the amount of any interest payable under clause 8.5(c)(iii), and the fee payable under clause 8.5(d)(ii).
- (e) UBS will in good faith determine the costs, expenses, dividends or distributions, interest rates and other compensatory payments that are to be dealt with under this clause and its determinations will be final and conclusive and UBS shall have no liability to you or to any third party in relation to such determinations.
- (f) For the avoidance of doubt, UBS is not obliged to exercise its discretion to defer the Maturity Date under paragraph (b) nor is it required to seek your agreement to the extension. Furthermore, UBS' rights under this Agreement (such as its rights under the Security Interest granted under clause 27) are not modified or limited in any way by this clause.

8.6 Adjustment Events

Subject to clause 11, if an Adjustment Event occurs or is proposed to occur on or before the Maturity Date in respect of the Underlying Securities in relation to a Transaction, UBS may in its absolute discretion elect to take any one or more Adjustment Event Actions in respect of the Transaction. If, in the reasonable opinion of UBS, it is not possible to deal with the occurrence of the Adjustment Event by taking an Adjustment Event Action, UBS may early

terminate all or a portion of the Transaction and set an Early Termination Date. UBS will notify you of any proposed Adjustment Event Action before it takes the Adjustment Event Action or as soon as reasonably practicable after it takes the Adjustment Event Action and UBS will determine and notify you of the effective date of the Adjustment Event Action.

8.7 Fractional Underlying Securities and aggregation

UBS may, for the purpose of calculating an Adjustment Event Action, a Cash Settlement Amount or the number of Underlying Securities to be Physically Settled under an Option Transaction, determine values to be fractional units of Underlying Securities for each Option and aggregate fractional units of Underlying Securities to the nearest whole number for the purposes of settlement or adjustment of the Option Transaction.

8.8 Duty

You are liable for all stamp duty, transfer duty, mortgage duty or other similar Tax payable on or in connection with this Agreement and the transfer of any Approved Securities or Underlying Securities.

8.9 Payments and withholding tax

- (a) Unless otherwise provided in this Agreement or your Confirmation, you must make each payment due to UBS under this Agreement by authorising UBS to direct debit your nominated account as specified in your Application Form. UBS may, by exception, agree to accept a cheque or an electronic transfer of cleared funds to an account specified by UBS. All amounts payable on a due date are to be made without set-off, counterclaim or other deduction except as expressly approved by UBS. Time is of the essence in making all payments and failure to pay by the specified time will result in UBS immediately exercising its rights arising on default under this Agreement. UBS may charge a fee of \$100 if a direct debit from your nominated account fails and UBS is required to re-run the direct debit or process payment by some other method.
- (b) All payments by you under this Agreement must be made in full without any deduction or withholding in respect of tax or otherwise unless the deduction or withholding is required by law in which event you must pay such additional amounts as are necessary to ensure that UBS receives and retains the full amount it would have received if no deduction or withholding had been made.

8.10 Limitation of liability

UBS will not be liable to you for any error, omission or delay in carrying out your instructions, including instructions provided by a person acting or purporting to act on your behalf as your agent or IDPS Operator under this Agreement or any Transaction, nor will UBS have any responsibility for any resultant or consequential loss or damage to you or to any other party.

8.11 Indemnity

Subject to clause 11 if you are not a Superannuation Fund, you fully indemnify UBS against, and shall pay UBS on demand:

- (a) the amount of all funding costs, hedge unwind costs and any break costs including any costs, loss, liability, expenses or damages direct or indirect which UBS may incur in connection with any part of a Transaction being terminated prior to its scheduled Maturity Date (including without limitation any Early Termination Amount due from you), or any Drawdown Amount being repaid or becoming due for repayment other than on the relevant Repayment Date; and
- (b) the amount of all losses, liabilities, Costs and Taxes (including GST and legal expenses on a full indemnity basis) of UBS in connection with:
 - (i) the occurrence of any Event of Default;
 - (ii) any Transaction contemplated by this Agreement;
 - (iii) any Early Termination Amount;
 - (iv) the administration, enforcement or attempted enforcement or preservation or attempted preservation of any rights of UBS under this Agreement;
 - (v) the performance of any obligation under, any amendment to, or any consent, approval, waiver, release or discharge of or under, this Agreement;
 - (vi) any failure by you to make a drawdown under a Loan because of the non-satisfaction of any of the conditions precedent set out in clause 3; and

- (vii) any representation or warranty made by you under this Agreement being incorrect or misleading.

8.12 Continuing indemnity

The indemnity in this Agreement is a continuing indemnity, separate from the other obligations under this Agreement and will survive the termination of this Agreement.

8.13 GST

You must in respect of any Taxable Supply made by UBS or any other person under or in connection with this Agreement:

- (a) pay to UBS on demand an additional amount equal to the payable on that Taxable Supply, without deduction or set-off of any other amount;
- (b) make that payment as and when you must pay the other consideration for that Taxable Supply; and
- (c) indemnify UBS:
 - (i) from the GST on each Taxable Supply; and
 - (ii) against any damage or cost directly or indirectly arising from or caused by the failure by you to pay any amount as and when required by this clause.

8.14 Set off and netting

- (a) UBS may, without notice, set off any amount that is due and payable by UBS or its related entities to you under the Agreement or in relation to any one or more Transactions against any amount due and payable by you to UBS or its related entities under the Agreement or in relation to any one or more Transactions. If required by the LRBA Requirements, UBS' right of set off will be subject to the limited recourse specified in clause 11.
- (b) On each date on which an obligation to make a payment under this Agreement arises, UBS may, at its election, but subject always to clause 11, take an account of what is due between you and UBS on that date in respect of one or more Transactions so that the aggregate of all amounts due by UBS to you on that date is offset against the aggregate of all amounts due by UBS to you under those Transactions on that date. Unless UBS otherwise elects, only the party who is obliged to pay the greater of those aggregate amounts must make a payment on that date, in an amount equal to the difference between the two aggregate amounts.

8.15 Appointment of UBS and Approved Financial Adviser as agent

- (a) You irrevocably appoint UBS and each officer of UBS jointly and each of them severally as your agent to sign any document and do any other thing that UBS or the agent thinks is necessary or desirable to:
 - A. effect a drawdown under a Loan;
 - B. exercise your Executive Options in relation to a Transaction involving the Exercise and Sale Facility or in relation to a Transaction in respect of securities resulting from the exercise of Executive Options;
 - C. ensure that any Approved Securities or Underlying Securities are held by the Nominee as your nominee in accordance with this Agreement;
 - D. ensure that the Security Interest is as effective and enforceable as possible, including, without limitation, making any amendments to the terms of this Agreement or any other document and registering any charges PPS Security Interest on the PPS Register;
 - E. exercise any of UBS's rights under this Agreement, including to transfer any Underlying Securities to UBS (or the Nominee) or to a purchaser or to otherwise convey the Underlying Securities as UBS determines in accordance with the provisions of this Agreement;
 - F. do all things that are necessary or desirable for the conversion of any of your Approved Securities to the CHESS system;
 - G. do anything that the agent thinks ought be done in relation to the Agreement and any related documents, including to perfect any such documents or to make any such documents effective (including stamping and registering any relevant document);
 - H. execute any document which varies or amends the Agreement and any notices, consents and waivers required to be provided under the Agreement; and

- I. sign any document and do any other thing that the agent thinks is necessary or desirable under the Agreement.

In your Application Form, you may nominate your Approved Financial Adviser in which case your Approved Financial Adviser is authorised by you to enter into, vary, close out or otherwise give instructions in relation to any Transactions or any of the Facilities as your agent. If you do so, UBS is entitled to accept and act on the instructions of your Approved Financial Adviser without requiring any further proof, instructions or confirmation from you unless you have notified UBS in writing that you have revoked such authorisation.

You agree to ratify and confirm whatever an agent does under and in accordance with this clause and (subject to clause 11) to indemnify each agent against all liabilities incurred as a result of such action.

8.16 Notices

- (a) Unless expressly stated otherwise in this Agreement, all notices, consents, approvals, waivers and other communications in connection with this Agreement must be in writing, signed by the sender.
- (b) Notices must be:
 - (i) sent by prepaid ordinary post (airmail if appropriate), if to you, to the address set out or referred to in the Application Form and if to UBS, to the address set out in the PDS;
 - (ii) sent by fax, if to you, to the fax number set out or referred to in the Application Form and if to UBS, to the fax number set out in the PDS;
 - (iii) if sent electronically, sent to the email address or through the facility advised by UBS to you or you to UBS; or
 - (iv) given in any other way permitted by law.
- (c) However, if the intended recipient has notified a changed postal address or changed fax number, then the communication must be to that address or number.
- (d) Notices sent by post are taken to be received three Business Days after they are sent unless a later time is specified. Notices sent by fax are taken to be received if the sender receives a transmission receipt indicating the notice has been transmitted to the correct number without error. Notices sent electronically are taken to be received when sent in the absence of any error message or similar communication.

8.17 Entire Agreement

This Agreement constitutes the entire agreement between the parties in relation to its subject matter, provided however that to the extent that there is any inconsistency between this Agreement and your Confirmation, the Confirmation will prevail.

8.18 Further acts

You must do all acts and execute or sign all documents reasonably required by UBS to carry out and give effect to this Agreement and any Transaction, including without limitation the Application Form and Quote Sheet.

8.19 Rights

- (a) The rights and remedies in this Agreement are cumulative and do not exclude, and are in addition to, any rights or remedies provided by law.
- (b) UBS may exercise any rights it has under the terms of the Agreement as it sees fit and may vary or waive in the exercise of its rights in full or partially in its absolute discretion. Any determination made by UBS will be made in its sole discretion, acting in good faith and in a commercially reasonable manner and will be conclusive and binding on all parties, except in the case of manifest error.

8.20 Assignment

- (a) UBS may assign, novate or otherwise transfer all or any part of its rights, benefits or obligations under this Agreement (including without limitation, the Security Interest granted under clause 27) without notice to you and for this purpose may disclose information about you and this Agreement to a potential assignee, provided such assignment, novation or transfer is not unfair (as defined in Section 12BG of the ASIC Act).
- (b) You hereby agree that if requested by UBS, you will promptly execute any documentation required to give effect to an assignment, novation or transfer contemplated by clause 8.20(a).
- (c) You may not assign your rights under this Agreement without the prior written consent of UBS.

8.21 Time of essence

Time is of the essence with respect to each party's obligations under this Agreement.

8.22 Consent to telephone recording

You consent to the recording of any of your telephone conversations with UBS or the Nominee in relation to this Agreement.

8.23 Provisions which apply if you are a trustee (including a Superannuation Fund)

- (a) This clause 8.23 only applies if you enter into this Agreement as a trustee.
- (b) If you enter into the Agreement as a trustee, you acknowledge that this Agreement is binding on you in your capacity as trustee.
- (c) If anyone succeeds you as a trustee of the trust, you remain liable until, and you agree to ensure that, your successor executes whatever documents UBS requires to ensure that this Agreement is binding on your successor.
- (d) You represent and warrant as follows at the date UBS receives your Application Form, and on each day during the Term of any Transaction by reference to the facts subsisting on that date:
 - (i) you are the only trustee of the trust, and no step has been taken to remove you or to appoint another trustee;
 - (ii) you have provided UBS with a copy of the properly executed and stamped trust deed (including all amendments and variations to the trust deed), when requested to do so;
 - (iii) you have the power to sign this Agreement and to perform your obligations under this Agreement as trustee of the trust;
 - (iv) it is proper for you, as trustee, to execute this Agreement, and to do everything this Agreement contemplates that you will do and those things do or will benefit the beneficiaries of the trust;
 - (v) you are entitled to use the assets of the trust to meet all your obligations under this Agreement, ahead of the rights of any of the beneficiaries;
 - (vi) you must make sure that none of these representations is or becomes untrue in any way and you must immediately inform UBS if they do.
- (e) You must, when requested by UBS, immediately provide UBS with a copy of the trust deed (including all amendments to the trust deed).
- (f) You must not, without the prior written consent of UBS:
 - (i) cease to be the only trustee of the trust;
 - (ii) allow the trust to be terminated or wound up in any way;
 - (iii) provided you are not a Superannuation Fund, allow any part of the capital of the trust to be distributed in any way;
 - (iv) allow the terms of the trust to be amended in any way that derogates from the trustee's rights and powers to discharge its obligations under the Transactions;
 - (v) provided you are not a Superannuation Fund, allow any units to be issued, transferred, charged, redeemed or otherwise dealt with.
- (g) Provided you are not a Superannuation Fund, UBS's right to recover from you is not limited to the trust assets.
- (h) You must exercise any rights that you have against the trust assets or the beneficiaries if necessary for the purpose of paying any amount owing to UBS. Provided you are not a Superannuation Fund, UBS may exercise all the rights that you may have against the trust assets or the beneficiaries.
- (i) Provided you are not a Superannuation Fund, UBS may exercise the same rights and remedies against the trust assets as you could exercise against those assets if they were owned by you personally.
- (j) UBS's rights will not be modified or reduced because UBS is aware (or is treated as being aware) of an interest that anyone else has, or claims, under the trust or against any trust assets.

8.24 Acknowledgement of potential Break Costs

You acknowledge that UBS enters in arrangements to hedge its exposure to risk. Accordingly, you acknowledge that you may be required to pay Break Costs to UBS in the following circumstances:

- (a) an Event of Default occurs and you receive a notice from UBS under clause 10.5(a)(ii) requiring repayment of your Loan Balance before the Maturity Date or of any Drawdown Amount before the relevant Repayment Date or UBS elects to terminate any Transaction;
- (b) a Drawdown Amount is repaid before the relevant Repayment Date; or
- (c) a Transaction is terminated before the Maturity Date.

UBS will provide an indicative quote of the Break Costs if you request an early repayment of a Loan or a Drawdown Amount. If there is an early termination of an Option Transaction the Break Costs will be included in the Early Termination Amount, which the Issuer can provide you an indicative quote for.

Part B—Loan Facility

9. General

9.1 Facility Amount

- (a) If your Application is approved, UBS will, in its absolute discretion, determine the Facility Amount for your Loan.
- (b) You may request an increase in the Facility Amount from time to time and UBS may, in its absolute discretion, agree to such a request, in consideration of you paying the Facility Adjustment Fee to UBS or UBS increasing your Interest Rate requiring payment of an additional Interest Amount and/or (provided you are not a Superannuation Fund) delivering additional Secured Property to UBS. UBS may agree to such a request subject to conditions, including on condition that the Strike Price or Gap Value of relevant Option Transactions is also adjusted or that additional Secured Property is made subject to the Security Interest.
- (c) Any new Facility Amount will take effect from the date specified by UBS in writing.

9.2 Term

- (a) Unless extended or otherwise agreed in writing by UBS, the Term of any Principal Loan commences on the first Drawdown Date, and terminates on the Maturity Date.
- (b) Unless extended or otherwise agreed in writing by UBS, the term of any Supplementary Loan commences on the first Drawdown Date for that Supplementary Loan and terminates on the final Repayment Date for that Supplementary Loan (which may be the Maturity Date for the related Principal Loan).

9.3 Settlement Currency

The Settlement Currency for a Loan will be specified in the Confirmation. The Settlement Currency of the Loan must be the same as the Settlement Currency for any Option Transaction to which the Loan relates.

9.4 Purpose

You must primarily apply your Supplementary Loan (if applicable) to pay all or part of your Interest obligations under a Principal Loan but at UBS's discretion it may also be used to fund all or part of any of the Option Adviser Group Fee, the Adviser Group Fee, the Loan Establishment Fee and any Capital Contribution you need to make. It can be used for no other purpose.

If you are a Superannuation Fund, you must direct the Nominee to apply your Loan exclusively to acquire a single Underlying Security or a group of identical Underlying Securities, and to pay any Interest Amount in relation to the Loan for that Underlying Security or group of Underlying Securities, except under a Portfolio Principal Loan.

9.5 Interest Period

The Term of a Loan may be made up of one or more Interest Periods. Each Interest Period begins and ends on the dates set out in your Confirmation.

9.6 Loan Establishment Fee

The Loan Establishment Fee (if any) is payable by you on the date specified in your Confirmation.

9.7 Loan segmented into tranches

Each Loan is a separate Transaction. Each reference in this Agreement to a Loan is to each Loan separately. If you enter into multiple Loans, UBS will maintain sub accounts recording the balance of each Loan from time to time and records showing each other Transaction to which the Loan relates, and the relevant Secured Property.

9.8 Portfolio Principal Loan

A Principal Loan may further be designated a Portfolio Principal Loan. The Portfolio Principal Loan is a single Loan and the portion of the Portfolio Principal Loan that is applied towards the purchase of each parcel of Approved Securities is referred to as the "Allocated Portfolio Loan Amount" for that parcel of Approved Securities. One Interest Rate will apply to the single Portfolio Principal Loan.

9.9 Adjustment Event

Subject to clause 11, if an Adjustment Event occurs or is proposed to occur on or before the Maturity Date in respect of the Underlying Securities in relation to a Loan (or the parcel of Approved Securities corresponding to an Allocated Portfolio Loan Amount), UBS may in its absolute discretion elect to take any one or more Adjustment Event Actions in respect of the Loan or that Allocated Loan Amount. If, in the reasonable opinion of UBS, it is not possible to deal with the occurrence of the Adjustment Event by taking an Adjustment Event Action, UBS may early terminate all or a portion of the Loan and set an Early Termination Date. UBS will notify you of any proposed Adjustment Event Action before it takes the Adjustment Event Action or as soon as reasonably practicable after it takes the Adjustment Event Action and UBS will determine and notify you of the effective date of the Adjustment Event Action.

9.10 Variations

- (a) Subject to the LRBA Requirements (if applicable), you may request UBS to amend any of the terms of your Loan at any time before the Maturity Date.
- (b) If UBS agrees to your request a new Quote Sheet will need to be signed to implement the amendment and you will be supplied with a new Confirmation.
- (c) If you have a Related Option then any changes to terms of the Related Loan must be consistent with the terms of the Related Option, or corresponding changes will be made to the terms of the Related Option.
- (d) A change to the terms of your Loan may require payment to UBS including payments to reduce the Loan Balance or payment of additional Interest Amounts, or payments in relation to changes to the terms of any Related Option.

10. Drawdown and Interest

10.1 Drawdown Amounts

You may make one or more drawdowns of a Drawdown Amount by delivering a Drawdown Notice to UBS subject to the following:

- (a) at all times during the Term of a Loan, the aggregate of all Drawdown Amounts under the Principal Loan must not exceed the Principal Loan Facility Amount and the aggregate of all Drawdown Amounts under a Supplementary Loan must not exceed the Supplementary Loan Facility Amount for that Supplementary Loan and;
- (b) any initial Drawdown Amount drawn on the first Drawdown Date must be no less than the Minimum Initial Drawdown Amount;
- (c) each Drawdown Date specified in a Drawdown Notice must be a Business Day;
- (d) each Drawdown Amount must be at least A\$50,000 (unless otherwise agreed with UBS in writing); and
- (e) each Drawdown Amount must not exceed the then applicable Available Amount.

UBS may also draw down a Drawdown Amount under clause 10.3(b) for the payment of an Interest Amount on the Loan.

For the avoidance of doubt, your failure to satisfy any of these obligations or any waiver of these requirements by UBS does not in any way diminish your obligation to repay any Drawdown Amount on the Repayment Date or your obligation to pay Interest on any Drawdown Amount.

10.2 Interest Amounts

The Interest Amount payable on any Drawdown Amount during an Interest Period is calculated as:

$$DA \times IR \times (d / 365)$$

where:

“DA” is the Drawdown Amount;

“IR” is the Interest Rate applicable to that Drawdown Amount for that Interest Period; and

“d” is the number of days in the relevant Interest Period.

10.3 Payment of Interest Amounts

- (a) Each Interest Amount is payable on the Interest Payment Date specified by UBS for the relevant Interest Period.

- (b) Unless specified otherwise in your Confirmation, on each Interest Payment Date, you irrevocably direct UBS to draw down an amount equal to the Interest Amount under your Loan Facility and to apply the amount drawn down to meet your Interest obligations due on that Interest Payment Date.
- (c) For the avoidance of doubt, if your Loan is fully drawn or the Available Amount is less than the Interest Amount due then you are nonetheless liable for the Interest Amount and must pay the amount on the applicable Interest Payment Date to UBS out of your own funds.

10.4 Payment of Aggregate Payments

- (a) UBS may, in its discretion, combine the Loan Establishment Fee and the Interest Amount due on the Loan into one Aggregate Payment and specify the Aggregate Payment Date on which this Aggregate Payment must be made. The Aggregate Payment Date then becomes the Interest Payment Date for that Interest Amount under clause 10.3 of the Terms. UBS will specify that the Aggregate Payment will apply and the relevant Aggregate Payment Date in the Confirmation.
- (b) UBS may also specify that this Aggregate Payment may be payable in a number of Aggregate Payment Instalments in which case there will be more than one Aggregate Payment Date. UBS will specify the Aggregate Payment Date and the Aggregate Payment Instalment payable on each corresponding Aggregate Payment Date in the Confirmation.
- (c) On each Aggregate Payment Date an Aggregate Payment Instalment will be payable. The portion of the Aggregate Payment that remains unpaid at any point in time is referred to as the Unpaid Aggregate Payment Balance for the Loan. The Unpaid Aggregate Payment Balance will be reduced each time an Aggregate Payment Instalment is made.
- (d) If the investor is not a Superannuation Fund, UBS's recourse to the investor for any Unpaid Aggregate Payment Balance is at all times personal and unlimited and this recourse continues beyond the Maturity Date until the Unpaid Aggregate Payment Balance is reduced to zero.

10.5 Repayment

- (a) Subject to paragraph (b), you must repay each Drawdown Amount to UBS on the earlier of:
 - (i) the relevant Repayment Date(s); or
 - (ii) upon receipt of a notice from UBS requiring repayment following the occurrence of an Event of Default.
- (b) You must, at least five Business Days before the Maturity Date, by irrevocable notice in writing, inform UBS either that:
 - (i) you will repay the Loan Balance and any outstanding Interest to UBS on the Maturity Date; or
 - (ii) you will not repay the Loan Balance and/or any outstanding Interest and UBS may proceed on the Maturity Date to exercise its rights under the Security Interest or otherwise under this Agreement.
- (c) If UBS does not receive such a notice by the time required, UBS may exercise its rights under the Security Interest granted to it under clause 27 and this Agreement immediately.
- (d) Unless otherwise provided in this Agreement or your Confirmation, you must make each payment due to UBS under this Agreement by authorising UBS to direct debit your nominated account as specified in your Application Form. UBS may, by exception, agree to accept a cheque or an electronic transfer of cleared funds to an account specified by UBS. All amounts payable on a due date are to be made without set-off, counterclaim or other deduction except as expressly approved by UBS. Time is of the essence in making all payments and failure to pay by the specified time will result in UBS immediately exercising its rights arising on default under this Agreement. UBS may charge a fee of \$100 if a direct debit from your nominated account fails and UBS is required to re-run the direct debit or process payment by some other method.

10.6 Application of Distributions

- (a) You may specify in your Confirmation that distributions on Underlying Securities be applied to repay Drawdown Amounts, Interest Amounts or Aggregate Payments.
- (b) This election will apply up until the Maturity Date of your Loans and you will receive no distributions while you have an outstanding Drawdown Amount or Interest Amount.
- (c) Distributions applied in this way will cover any ordinary dividends paid on the Underlying Securities and received by the Nominee that have an ex date falling in the period from the Trading Day after the First Drawdown Date up to and including the Maturity Date.

- (d) The ordinary dividend will only be applied against the Drawdown Amount, Interest Amount or Aggregate Payment at or following the time it is received by the Nominee in cleared funds.
- (e) UBS will not refund of any prepaid Interest Amounts following a reduction of the Drawdown Amounts due only to the application of distributions.
- (f) Any Drawdown Amount or Interest Amount remaining after the application of all distributions must still be repaid on the scheduled Repayment Date or Interest Payment Date.
- (g) To the extent the Drawdown Amount, Interest Amount, Aggregate Payment or (where the Aggregate Payment is paid by instalments) the Unpaid Aggregate Payment Balance is reduced to zero after the application of the ordinary dividends, the excess will be paid to the investor within 5 Business Days of receipt by the Nominee.

10.7 Interest on overdue payments

- (a) If you fail to:
 - (i) repay all or part of a Drawdown Amount on the relevant Repayment Date; or
 - (ii) pay Interest as required by this Agreement,
- (b) then in addition to any other rights UBS may have, UBS may calculate interest on such outstanding amount from the respective due date up to the date of actual payment, at the Interest Rate then applicable to that Drawdown Amount plus 4% per annum.
- (c) Interest due under this provision, but unpaid, may be capitalised on the last day of each month, commencing from the first month in which the amount was due, whereupon it shall bear interest in accordance with this clause.

10.8 Early Repayment

- (a) You may, if permitted by your Confirmation and agreed by UBS, by giving at least 5 Business Days' prior written notice to UBS, repay all or part of a Drawdown Amount before the Repayment Date, provided that you pay all other amounts due to UBS under, or in connection with, this Agreement (or, for Superannuation Funds, the relevant Loan), including without limitation any Break Costs, at the time you make such repayment.
- (b) If the Loan is a Related Loan, on repayment of all or part of a Drawdown Amount before the Repayment Date, the Related Option will terminate (in full or in part) pro-rata with the repayment of the Drawdown Amount. If you are not a Superannuation then before the Drawdown Amount is repaid you may request in writing to UBS to keep the Related Options in place after the Drawdown Amount is repaid.

10.9 Draw down at Maturity

Provided that you are not a Superannuation Fund, in the absence of an early repayment or an Early Termination Date, if your Principal Loan Balance immediately prior to Maturity is less than the Facility Amount, you authorise UBS to draw down the Principal Loan to the Facility Amount and to first apply the funds to pay any amount that you owe under this Facility (other than the Principal Loan Balance) and then to advance any remaining amount as a Drawdown Amount to you immediately prior to Maturity.

11. Limited recourse

11.1 Limited recourse against you for repayment of Drawdown Amounts

- (a) If you have a Principal Loan that is not a Portfolio Principal Loan;

Subject to this clause 11, and (unless you are a Superannuation Fund) provided you have complied with your obligations under this Agreement, the recourse of UBS against you in respect of the Principal Loan Balance on the Maturity Date is limited to the amount which UBS can obtain by enforcing its rights in respect of the Secured Property securing the Principal Loan Balance. If you are a Superannuation Fund, the recourse of UBS against you in respect of your obligations under the Principal Loan (including repayment of the Principal Loan Balance on the Maturity Date) is limited to the amount which UBS can obtain by enforcing its rights in respect of the Secured Property securing the Principal Loan.
- (b) If you have a Principal Loan that is a Portfolio Principal Loan;

Subject to this clause 11, and provided you have complied with your obligations under this Agreement, unless you are a Superannuation Fund, the recourse of UBS against you in respect of an Allocated Portfolio Loan Amount on the Maturity Date is limited to the amount which UBS can obtain by enforcing its rights in respect

of the Secured Property securing the Allocated Portfolio Loan Amount. If you are a Superannuation Fund, the recourse of UBS against you in respect of your obligations under the Loan (including repayment of the Allocated Portfolio Loan Amount on the Maturity Date) is limited to the amount which UBS can obtain by enforcing its rights in respect of the Secured Property securing the Allocated Portfolio Loan Amount.

- (c) For the avoidance of doubt, provided you are not a Superannuation Fund, UBS's recourse against you at any other time and for all other amounts due under this Agreement are personal and unlimited.

11.2 Full recourse

Provided you are not a Superannuation Fund, the limitation in this clause 11 does not apply where:

- (a) Your loan is an Supplementary Loan;
- (b) an Early Termination Date occurs;
- (c) you or the Personal Guarantor have breached any provision of this Agreement;
- (d) a representation made or a warranty given by you or the Personal Guarantor under this Agreement was or becomes incorrect or misleading;
- (e) UBS has relied on a statement or some conduct of yours or the Personal Guarantor's which in UBS's opinion was false or misleading;
- (f) you and UBS agree and have stated in the Confirmation that the limitation will apply only in respect of a portion of the Facility Amount, such that if total drawdowns exceed this amount then UBS's recourse against you in respect of the excess is personal and unlimited; or
- (g) You have made an election under clause 12.5 and you have defaulted on any payments due to UBS.

11.3 Winding up

Notwithstanding anything in clauses 11.1 and 11.2, UBS may (provided you are not a Superannuation Fund) prove for the Loan Balance, any Drawdown Amount or any other amount owing to UBS under this Agreement and otherwise participate in your bankruptcy or insolvency if another creditor initiates those proceedings.

11.4 Limitations

Nothing in this clause 11:

- (a) releases you from your obligations under this Agreement;
- (b) provided you are not a Superannuation Fund, affects in any way whatsoever UBS's right to recover personally from you interest, Costs and Taxes under, or in connection with, this Agreement;
- (c) affects in any way whatsoever UBS's right to recover personally from you any Costs and Taxes incurred by UBS in respect of you other than under, or in connection with this Agreement;
- (d) prevents UBS from obtaining equitable relief under, or in connection with, this Agreement; or
- (e) provided you are not Superannuation Fund, affects in any way whatsoever the rights of UBS to apply any proceeds received by UBS on enforcement of the Security Interest granted under clause 27 against any amount payable under, or in connection with, this Agreement or any other agreement, including or interest, Costs and Taxes under, or in connection with, this Agreement.

11.5 LRBA Requirements

- (a) This clause 11.5 applies to Superannuation Funds only.
- (b) Each Loan will be administered in compliance with the LRBA Requirements and any provision of this Agreement which would otherwise cause the Loan to breach the LRBA Requirements may be, to the extent only that it breaches the LRBA Requirements, read down by UBS in its discretion and, if necessary to meet the LRBA Requirements, voided by UBS in its discretion.
- (c) If, after the commencement of a Loan, there is a change in the LRBA Requirements which is adverse to the interests of the Lender, as determined by the Lender in its absolute discretion:
 - (i) the Lender may, by notice to you, immediately terminate the Loan;
 - (ii) you must satisfy your obligations under the Loan as specified by the Lender in the termination notice; and

- (iii) subject to the LRBA Requirements, the Lender may otherwise take any action, and exercise any right, power or remedy under the Agreement as if an Event of Default had occurred, in such manner and order as the Lender may, in its absolute discretion determine.
- (d) Where the LRBA Requirements require the terms of this Agreement, the Security Trust Deed and the Nominee Deed will operate in respect of each Loan (and the corresponding Separate Trust, as that term is defined in the Security Trust Deed) individually, and not on an aggregated basis in respect of your Loans (and corresponding Separate Trusts) as a whole.

Part C—Options over Underlying Securities

12. General

This clause 12 applies to all Options over Underlying Securities transacted under this Agreement.

12.1 Number of Underlying Securities per Option

Each Option relates to the number of Underlying Securities set out in your Confirmation (usually one Underlying Security per Option, unless an Adjustment Event has occurred).

12.2 Exercise

- (a) An Option can only be exercised by delivery of a valid Exercise Notice by the Holder to the Provider before the Maturity Time. If no date and time is specified by which an Option must be exercised and if Automatic Exercise does not apply, then the Option is exercisable by the Holder only at the Maturity Time by service of a valid Exercise Notice to the Provider.
- (b) An Exercise Notice will be valid if and only if:
 - (i) the Holder has paid the First Premium Amount (if any);
 - (ii) the Holder has paid the Second Premium Amount (if any); and
 - (iii) the Exercise Notice has been received by UBS at least three Business Days before the Maturity Date.
- (c) Despite anything in clause 12.2(b), UBS may determine in its absolute discretion that an Exercise Notice is valid.
- (d) The Exercise Notice must be given in writing in a form acceptable to UBS.
- (e) UBS is not bound to accept an Exercise Notice given at a time when an Event of Default is subsisting.
- (f) Once delivered, an Exercise Notice is irrevocable.
- (g) Automatic Exercise is not applicable unless specified in your Confirmation. If Automatic Exercise is specified in your Confirmation, this election is irrevocable. If Automatic Exercise is specified, the Option will only be exercised if clauses 12.2(b)(i) and 12.2(b)(ii) are satisfied.
- (h) Partial exercise of an Option is not applicable unless specified in your Confirmation.
- (i) If you accept an offer by UBS under clause 12.5 in relation to an Option, then any purported Exercise Notice given after that time in relation to that Option will be void and of no effect.

12.3 Settlement and Transfer

- (a) Excluding Quanto Options and subject to paragraph (d), all Options will be physically settled when exercised, unless cash settlement otherwise applies under clause 12.6. Settlement of the transfer of the Underlying Securities will occur on the Option Settlement Date.
- (b) If and when a contract arises following the exercise of an Option in accordance with this Agreement, on the Option Settlement Date:
 - (i) you must pay all expenses relating to the transfer of the relevant Underlying Securities, including any stamp duty or similar tax or charge associated with the transfer of those securities;
 - (ii) the party acquiring the Underlying Securities must pay the Strike Price per Option exercised to the other party; and
 - (iii) the party disposing of Underlying Securities must transfer full legal and beneficial title to the Underlying Securities as Unrestricted Stock to the other party.
- (c) The transfer of Underlying Securities will be effected by way of a special crossing or an off market transfer at UBS's discretion. If Underlying Securities are to be transferred to UBS then UBS may specify the entity to accept such transfer.
- (d) If for any reason UBS is or reasonably believes it will be unable to freely sell all or any portion of the Underlying Securities to be transferred to it pursuant to the exercise of an Option, UBS has the right to require that an Option be Cash Settled. Such election shall be made by UBS no later than the close of business on the third Business Day prior to the Maturity Date. If UBS elects that an Option be Cash Settled, UBS will calculate the Market Price, any Second Premium Amount and the Cash Settlement Amount under clause 12.6 in a commercially reasonable manner.

12.4 Settlement Currency

- (a) All payments under an Option Transaction will be denominated in the Settlement Currency specified in the Confirmation.
- (b) If the Underlying Securities are denominated in Australian Dollars then this will also be the Settlement Currency.

12.5 Offer by UBS to acquire Underlying Securities

- (a) If the Underlying Securities are subject to the Security Interest granted to it under clause 27, UBS may by no later than 10:00am on the fourth Business Day prior to the Maturity Date offer in writing to acquire from you the Underlying Securities for each Option at the Market Price.
- (b) UBS acknowledges that you are not obliged to accept this offer but if you do accept it in writing by no later than 4:00pm on the third Business Day prior to the Maturity Date, then (subject to clause 11, if applicable) the parties will transact as follows (noting that this agreement to so transact will arise only at that time and not before):
 - (i) UBS will purchase the Underlying Securities from you and pay you the Market Price;
 - (ii) you will transfer full legal and beneficial title to the Underlying Securities to UBS as Unrestricted Stock;
 - (iii) UBS's obligation to pay the Market Price is set off against your obligation to pay any money to UBS under this Agreement (including without limitation any Second Premium Amount and all expenses of transfer, including any stamp duty or similar tax or charge associated with the transfer of the relevant Underlying Securities) such that UBS is obliged to pay to you only the excess (if any) of the Market Price over those amounts); and
 - (iv) the transfer of the Underlying Securities will occur on the Option Settlement Date and will be effected by way of a special crossing or an off-market transfer at UBS's discretion, to the entity specified by UBS as the entity to accept such transfer.

For Superannuation Funds, the transfer of the Underlying Securities under this paragraph (b) will fully discharge the Secured Obligations.

12.6 Cash settlement

- (a) If UBS makes a determination in accordance with clause 12.3(d), or UBS has not received any Exercise Notice from you prior to the Maturity Date and your Option is In-The-Money, Cash Settlement may apply
- (b) If Cash Settlement applies then the Provider must pay the Cash Settlement Amount to the Holder on the Cash Settlement Date, calculated as:
 - (i) For a Put Option, Put Spread Option, Collar and Put Spread Collar;
(Strike Price—Market Price at Maturity) x Number of Underlying Securities
 - (ii) For a Call Option and Call Spread Option;
(Market Price at Maturity—Strike Price) x Number of Underlying Securities
 - (iii) For a Step Collar;

$$\sum_{i=1}^n \text{Component Collar Strike Price}_i \text{ of Exercised Component Collar}_i \text{—Market Price at Maturity) x Number of Underlying Securities of Exercised Component Collar}_i$$

where n is the number of Exercised Component Collars of the Step Collar

- (c) In the case of a Put Spread Option, Call Spread Option, Put Spread Collar and Step Collar, if a Second Premium Amount is payable by you then that will be netted off against any Cash Settlement Amount before the net amount is paid to or by you in accordance with clause 8.14(b).

12.7 Early termination

The parties may by agreement terminate an Option prior to its scheduled Maturity Date. If this occurs, UBS will calculate the Early Termination Amount payable by one party to the other in accordance with clause 4.3, and settlement will occur on the Business Day next following the Early Termination Date. Any Early Termination Amount payable by you to the Provider of an Option will be further consideration for the offer made by the Provider, in accordance with clauses 13.2, 16.2, 17.2, 18.2, 19.2, 20.3 or 21.2, as applicable.

If the Option is a Related Option, on termination of the Option (in full or in part) the Related Loan will terminate on the Early Termination Date of the Option, and become immediately repayable, pro-rata with the termination of the Option.

12.8 Variations

- (a) You may request UBS to amend any of the terms of your Option Transaction at any time before the Maturity Date.
- (b) If UBS agrees to your request then a new Quote Sheet will need to be signed to implement the amendment and you will be supplied with a new Confirmation.
- (c) As a result of the amendment an Amendment Amount may become payable by you to UBS or to you from UBS and this will be notified to you in the Quote Sheet and Confirmation.
- (d) Any changes to the term of an Option may affect the terms of a Related Loan. The terms of a Related Loan must be amended so they are consistent with the new terms of the Related Option.

12.9 Adjustment Events

If an Adjustment Event occurs or is proposed to occur on or before the Maturity Date, UBS may in its absolute discretion elect to take anyone or more Adjustment Event Actions. If, in the reasonable opinion of UBS, it is not possible to deal with the occurrence of the Adjustment Event by taking an Adjustment Event Action, UBS may early terminate all or a portion of the Transaction and set an Early Termination Date. UBS will notify you of any proposed Adjustment Event Action before it takes the Adjustment Event Action or as soon as reasonably practicable after it takes the Adjustment Event Action and UBS will determine and notify you of the effective date of the Adjustment Event Action.

12.10 Market Disruption Events

Where a Market Disruption Event has occurred or is continuing in respect of an Underlying Security or, in the case of a Basket Option, a Component Security (each an "Affected Component") on a Valuation Date then UBS may reasonably determine in its discretion either:

- (a) to take action required to reflect any adjustment, change, substitution, delay, suspension, or other action taken in relation to its hedging arrangements; or
- (b) that the date for the determination or calculation in relation to that Affected Component or the Maturity Date is to be the first succeeding Scheduled Trading Day on which there is no Market Disruption Event in respect of the Affected Component, and the relevant date for the making of such calculation or determination for each , Underlying Security or Component Security that is not affected by the occurrence of a Market Disruption Event shall be the original scheduled date. However, if there is a Market Disruption Event in respect of an Affected Component on each of the 8 Scheduled Trading Days immediately following the original date that, but for the Market Disruption Event, would have been the date on which the determination or calculation was made or the Maturity Date, then:
 - (i) that 8th Scheduled Trading Day is to be taken to be the Maturity Date or the relevant date for the determination, payment, adjustment, amendment or calculation (as applicable) in respect of the Affected Component, despite the Market Disruption Event; and
 - (ii) UBS must on that 8th Scheduled Trading Day in good faith and in its discretion determine the relevant price of the Affected Component or other observation to be reached for the calculation or determination on that date taking into account such matters as UBS, in its sole discretion, sees fit, including but not limited to the method of determining the price of the Affected Component used in its risk hedges for the Transaction.

UBS must, as soon as is reasonably practicable (and in no event later than 5 Business Days after the original date that, but for the occurrence or existence of a Market Disruption Event, would have been a Valuation Date) notify you of the existence or occurrence of a Market Disruption Event (as applicable). Without limiting the obligation of UBS to notify the parties as set forth in the preceding sentence, failure of UBS to notify you of the occurrence of a Market Disruption Event will not affect the validity of the occurrence and effect of such Market Disruption Event.

If there is a Market Disruption Event affecting an Underlying Security or Component Security, during the term of a Transaction, then UBS may treat the Market Disruption Event as an Adjustment Event under clause 12.9 including to nominate the event as an Event of Default.

If an event is both a Market Disruption Event and an Adjustment Event, UBS may, acting in good faith and a commercially reasonable manner, determine whether to treat the event as either a Market Disruption Event or an Adjustment Event or both (if possible).

12.11 Basket Options

- (a) In a Basket Option, the Underlying Security will be the Basket specified in the Confirmation. Each Basket is treated as one Underlying Security. Each Basket is made up of a fixed number of each Component Security (the "Component Security Quantity") which is set out in the Confirmation.
- (b) The Market Price of the Basket is calculated as the sum of the multiples of the Market Price and the Component Security Quantity of each Component Security in the Basket. The Closing Price of the Basket at Maturity is the sum of the multiples of the Closing Prices on the Maturity Date and the Component Security Quantity of each Component Security in the Basket.
- (c) All provisions on exercise, settlement and transfer apply to the Basket in its entirety as the Underlying Security
- (d) Any early termination of a Basket Option must be in respect of a whole number of Baskets

Cash Collateral will not fall due for repayment until your obligations under the Put Option are satisfied in full. Until this time, Cash Collateral will not constitute a debt due from UBS to you, nor will you have any right to receive payment of these funds. 20.4 Deliverable Parcel and Aggregate Strike Price

For the purpose of this clause, such Component Collar is referred to as an "Exercised Component Collar".
- (c) The Aggregate Strike Price is the sum of the multiples of the number of Underlying Securities subject to Exercised Component Collars and the corresponding Component Collar Strike Price. Upon exercise of a Step Collar, the Deliverable Parcel will be transferred for the Aggregate Strike Price pursuant to the contract that arises under clause 20.1.

- (d) If an Aggregate Strike Price is payable by UBS and a Second Premium Amount is payable by the Holder then those amounts will be netted and the Provider will only be required to pay the Aggregate Strike Price less the Second Premium Amount upon settlement of the transfer of the Deliverable Parcel.

- (a) A Put Spread Collar is an irrevocable offer made by the Provider to the Holder to purchase the Underlying Securities at the Strike Price on the Maturity Date.

Part D—Options over Underlying Indices

22. General

This clause 22 applies to all Options over Underlying Indices transacted under this Agreement.

22.1 Number of Options

The Confirmation will specify the number of Options and the Underlying Index to which the Transaction relates.

22.2 Exercise

- (a) An Option can only be exercised by delivery of a valid Exercise Notice by the Holder to the Provider before the Maturity Time. If no date and time is specified by which an Option must be exercised and if Automatic Exercise does not apply, then the Option is exercisable by the Holder only at the Maturity Time by service of a valid Exercise Notice to the Provider.
- (b) An Exercise Notice will only be valid if:
 - (i) the Holder has paid the First Premium Amount (if any); and
 - (ii) the Exercise Notice has been received by UBS at least three Business Days before the Maturity Date.
- (c) The Exercise Notice must be given in writing in a form acceptable to UBS.
- (d) UBS is not bound to accept an Exercise Notice given at a time when an Event of Default is subsisting.
- (e) Once delivered, an Exercise Notice is irrevocable.
- (f) Automatic Exercise is not applicable unless specified in your Confirmation. If Automatic Exercise is specified in your Confirmation, this election is irrevocable.
- (g) Partial exercise of an Option is not applicable unless specified in your Confirmation.

22.3 Settlement

- (a) All Options will be Cash Settled when exercised.
- (b) The Cash Settlement Amount will be calculated by UBS based on the Units of Settlement Currency and the Index Multiplier specified in the Confirmation.
- (c) The Cash Settlement Amount will be paid on the Option Settlement Date specified in the Confirmation.

22.4 Settlement Currency

- (a) All payments under an Option Transaction will be denominated in the Settlement Currency specified in the Confirmation.
- (b) If the Underlying Index is denominated in Australian Dollars then this will also be the Settlement Currency.

22.5 Early termination

The parties may by agreement terminate an Option prior to its scheduled Maturity Date. If this occurs, UBS will calculate the Early Termination Amount payable by one party to the other, and settlement will occur on the third Business Day following the Early Termination Date. Any Early Termination Amount payable to the Provider of an Option will be further consideration for the offer made by the Provider, in accordance with clauses 23.2 and 24.2, as applicable.

22.6 Adjustment Events

Subject to clause 11, if an Adjustment Event occurs or is proposed to occur on or before the Maturity Date, UBS may in its absolute discretion elect to take any one or more Adjustment Event Actions in respect of the Option. If, in the reasonable opinion of UBS, it is not possible to deal with the occurrence of the Adjustment Event by taking an Adjustment Event Action, UBS may early terminate all or a portion of the Transaction and set an Early Termination Date. UBS will notify you of any proposed Adjustment Event Action before it takes the Adjustment Event Action or as soon as reasonably practicable after it takes the Adjustment Event Action and UBS will determine and notify you of the effective date of the Adjustment Event Action.

22.7 Market Disruption Events

Where a Market Disruption Event has occurred or is continuing in respect of an Underlying Index or, in the case of a Basket Option, a Component Index or a material number of securities which make up the Underlying Index or Component Index (each an "Affected Component") on a Valuation Date then UBS may reasonably determine in its discretion either:

- (a) to take action required to reflect any adjustment, change, substitution, delay, suspension, or other action taken in relation to its hedging arrangements; or
- (b) that the date for the determination or calculation in relation to that Affected Component or the Maturity Date is to be the first succeeding Scheduled Trading Day on which there is no Market Disruption Event in respect of the Affected Component, and the relevant date for the making of such calculation or determination for each Underlying Index or Component Index that is not affected by the occurrence of a Market Disruption Event shall be the original scheduled date. However, if there is a Market Disruption Event in respect of an Affected Component on each of the 8 Scheduled Trading Days immediately following the original date that, but for the Market Disruption Event, would have been the date on which the determination or calculation was made or the Maturity Date, then:
 - (i) that 8th Scheduled Trading Day is to be taken to be the Maturity Date or the relevant date for the determination, payment, adjustment, amendment or calculation (as applicable) in respect of the Affected Component, despite the Market Disruption Event; and
 - (ii) UBS must on that 8th Scheduled Trading Day in good faith and in its discretion determine the relevant price of the Affected Component or other observation to be reached for the calculation or determination on that date taking into account such matters as UBS, in its sole discretion, sees fit, including but not limited to the method of determining the price of the Affected Component used in its risk hedges for the Transaction.

UBS must, as soon as is reasonably practicable (and in no event later than 5 Business Days after the original date that, but for the occurrence or existence of a Market Disruption Event, would have been a Valuation Date) notify you of the existence or occurrence of a Market Disruption Event (as applicable). Without limiting the obligation of UBS to notify the parties as set forth in the preceding sentence, failure of UBS to notify you of the occurrence of a Market Disruption Event will not affect the validity of the occurrence and effect of such Market Disruption Event.

If there is a Market Disruption Event affecting an Underlying Index, Component Index, or a material number of securities which make up an Underlying Index or Component Index, during the term of a Transaction, then UBS may treat the Market Disruption Event as an Adjustment Event under clause 12.9 including to nominate the event as an Event of Default.

If an event is both a Market Disruption Event and an Adjustment Event, UBS may, acting in good faith and a commercially reasonable manner, determine whether to treat the event as either a Market Disruption Event or an Adjustment Event or both (if possible).

22.8 Basket Options

- (a) In a Basket Option, the Underlying Index will be the Basket specified in the Confirmation. Each Basket is made up of a fixed weight number of each Component Index (the "Component Index Weight") which is set out in this Confirmation.
- (b) The Index Level of the Basket is calculated as the sum of the multiples of the Index Level and the Component Index Weight of each Component Index in the Basket.
- (c) All provisions on exercise and settlement apply to the Basket in its entirety as the Underlying Index.
- (d) Any early termination of a Basket Option must be in respect of a whole number of Baskets.

22.9 Quanto Option

If the Settlement Currency is designated as Australian Dollars and the Underlying Index is denominated in a different currency to Australian Dollars then this will be designated a Quanto Option.

23. Index Put Option

where:

"Strike Level", "Number of Options", "Unit of Currency Settlement" and "Index Multiplier" are as specified in your Confirmation; and

"Index Level at Maturity" is the Index Level on the Maturity Date as published by the Index Provider.

- (b) You may only enter into an Index Call Option as a Holder.

24.2 First Premium Amount

The Holder must pay the First Premium Amount per Option to the Provider on the Premium Payment Date

24.3 Cash Settlement Amount

If the Index Level of the Underlying Index is above the Strike Level on the Maturity Date, the Provider must pay the Cash Settlement Amount to the Holder on the Cash Settlement Date calculated as:

$(\text{Index Level at Maturity} - \text{Strike Level}) \times \text{Number of Options} \times \text{Unit of Settlement Currency} \times \text{Index Multiplier}$

where:

"Strike Level", "Number of Options", "Unit of Currency Settlement" and "Index Multiplier" are as specified in your Confirmation; and

"Index Level at Maturity" is the Index Level on the Maturity Date as published by the Index Provider.

- (o) You irrevocably direct the Nominee, in the event that the Nominee considers (in its absolute discretion) that you may not be able to comply with paragraph (n), to deduct from any amount of income to which you are presently entitled or in which you have a vested and indefeasible interest (and apply towards any Tax that might be payable by the Nominee pursuant to Division 6D of Part III of the Tax Act) an amount equal to the "untaxed part" of the "net income" (each as defined in the Tax Act) of the Separate Trust multiplied by the rate specified in section 4 of the Taxation (Trustee Beneficiary Non-Disclosure Tax) Act 2007 (Cth).
- (p) UBS and the Nominee agree, the Nominee can continue to hold Underlying Securities as nominee subsequent to the release of the Security Interest. UBS or the Nominee may terminate this nominee arrangement at any time and transfer the Underlying Securities into an account in your name.

27. Security

- (a) If:
 - (i) you are not a Superannuation Fund to secure the due and punctual repayment to UBS of the Secured Moneys and the performance of the Secured Obligations, you hereby grant a Security Interest to UBS in respect of all of your right, title and interest in and to the Secured Property (including any Secured Property acquired in the future) which may, after the date of this Agreement, be held by you and subjected to this agreement or by the Nominee on trust for you under this Agreement; or
 - (ii) if you are a Superannuation Fund—you acknowledge and agree that to secure the due and punctual repayment to UBS of the Secured Moneys and the performance of the Secured Obligations, the Nominee will grant a Security Interest to UBS in respect of all of your right, title and interest in and to the Secured

Property which may, after the date of this Agreement, be held by the Nominee on trust for you under this Agreement, the Security Trust Deed and the Nominee Deed.

- (b) If you are not a Superannuation Fund, the Security Interest you grant to UBS is:
 - (i) a security interest (as defined in the PPSA) over all the Secured Property that is PPS Property; and
 - (ii) a fixed charge over all the Secured Property that are Non-PPS Property.
- (c) The Security Interests granted (or, if you are a Superannuation Fund, acknowledged) in this clause 27 are intended to take effect as a first ranking security except to the extent determined by law.
- (d) Nothing in this Agreement may be taken as an agreement that the PPS Security Interest granted (or, if you are a Superannuation Fund, acknowledged) in this clause 27 attaches later than the time contemplated by section 19(2) of the PPSA.
- (e) For the purposes of section 20(2)(b)(iii) of the PPSA, the PPS Security Interest granted (or, if you are a Superannuation Fund, acknowledged) in this clause 27 is in all of your present and after-acquired property (or, if you are a Superannuation Fund, the after-acquired property acquired by, and held by, the Nominee for you) excluding any property that does not form part of the Secured Property.
- (f) Clause 27(e) does not limit clause 27(a).
- (g) You acknowledge that the Secured Party has not agreed to subordinate its Security Interests in the Secured Property to any other interest in the Secured Property.

28. Possession

If you are not a Superannuation Fund, you must do anything required by the Secured Party to ensure that the Secured Party's Security Interest in any Marketable Security, instrument or security (negotiable or otherwise) is recorded by any relevant clearing house or securities depository and, in the case of a Marketable Security, on the records maintained by or on behalf of the relevant issuer, or on the records of any sponsor, nominee or agent that holds a Marketable Security for the Grantor;

29. Perfection by control

32. Change in name or other details

Provided you are not a Superannuation Fund,

- (i) you must provide at least 30 Business Days' prior notice of any change of your name, together with details of the proposed new name; and
- (ii) you must provide at least 30 Business Days' notice before anything happens in respect of you or any Secured Property that would cause any information in a financing statement in relation to PPS Security Interests granted in clause 27 to be different if it were re-registered;

33. Registration details

You must give the Secured Party all information that the Secured Party needs in order to ensure that any registration of the Security Interests granted in clause 27 on the PPS Register or any other register that the Secured Party chooses is, and remains, fully effective or perfected (or both), and that those Security Interests have the priority contemplated by clause 27; and

34. Giving effect to this document

You must do anything (including executing any transfer in blank or any other transfer or other document, and perfecting and protecting any Security Interest intended to be created by or pursuant to this document), and must ensure that your employees and agents do anything, that the Secured Party may reasonably require to:

- (i) give full effect to this document; or
- (ii) more fully secure the rights, remedies and powers of the Secured Party under this document or to enable the Secured Party to exercise those rights, remedies and powers.

 - (vi) attempt to change the Nominee arrangements or remove the Secured Property from the holder record established for the Nominee or from the Nominee's registered holding on an issuer sponsored sub-register (as applicable).
- (b) The Security Interest does not merge with or adversely affect, and is not adversely affected by:
 - (i) another Security Interest or right or remedy to which UBS is entitled at any time; or
 - (ii) a judgment or order that UBS obtains against you or any other person (that is, it can still exercise its rights under this Agreement as well as under the judgment or order).
- (c) The Nominee agrees to comply with any instruction given by you in relation to any Secured Property where it has the consent of the Secured Party in accordance with your directions in clause 26(h)(i).
- (d) The Nominee agrees that it must comply with instructions (including instructions to debit the account) given by the Secured Party in relation to the Secured Property without seeking your consent (or any person who has agreed to act on your behalf) in accordance with your directions in clause 26(h)(ii).
- (e) The Security Interest is a continuing security and will remain in full force and effect until all the Secured Obligations have been met and the whole of the Secured Moneys have been paid or satisfied in full notwithstanding any settlement of account, intervening payment or other matter or thing whatsoever until a final discharge of the Security Interest granted in clause 27 is given to you and will apply to the present and future balance of the Secured Money.
- (f) Your obligations under this clause are absolute, unconditional and irrevocable. Your liability under this clause extends to, and is not affected by, any circumstance, act or omission which, but for this clause, might otherwise affect it at law or in equity.

36. Enforcement

- (a) The Security Interests granted under clause 27 shall, at the option of the Secured Party, become enforceable (whether or not the Secured Obligations have become due or the Secured Moneys have become payable) at any time on or after the occurrence of any Event of Default.
- (b) Subject to the express provisions of this Agreement, a Security Interest granted under clause 27 may be enforced notwithstanding acceptance of any payment of Interest or any other payment after any default and

notwithstanding any previous or other default and without the necessity of any notice to or of any consent or concurrence on the part of you or any other person.

- (c) the Secured Party may exercise its rights under the Security Interest granted under clause 27 even if it has not commenced proceedings or enforced any other right against you, or any other entity or person.
- (d) You waive any right you may have to require the Secured Party to commence proceedings or enforce a right against you or any other person.

37. Contracting out of the PPSA

- (a) To the extent that Chapter 4 of the PPSA would otherwise apply to an enforcement by the Secured Party of any Security Interest in the Secured Property, the parties agree that the following provisions of the PPSA do not apply:
 - (a) to the extent that section 115(1) of the PPSA allows them to be excluded: sections 95, 118, 121(4), 125, 130, 132(3)(d), 132(4), 135, 138B(4), 142 and 143; and

38. Powers of the Secured Party on enforcement

- (a) At any time after a Security Interest granted under clause 27 becomes enforceable and from time to time thereafter while the relevant Event of Default is continuing and has not been waived in writing by the Secured Party, the Secured Party will have full power, without your consent, to do all or any of the following:
 - (i) sell (whether by public auction, private arrangement or both and whether on market or off market or both) or redeem all or part of the Secured Property, and exercise any other right that the law gives to a party in the position of the Secured Party, without giving you prior notice of the sale or other action taken by it;
 - (ii) receive any dividends or other income payable in respect of any of the Secured Property and deal with the Secured Property in the same way as you could do if the Secured Property were not Secured including exercise any option or other right that you have in relation to the Secured Property;

 - (iv) register all or any part of the Secured Property in the name of the Secured Party; and
 - (v) do anything which the Secured Party considers necessary or desirable for any of these purposes; or
 - (vi) delegate to any person any of the powers conferred upon the Secured Party by this clause.
- (b) Notwithstanding anything in this clause, UBS may be required by law to give notice before exercising some of the rights mentioned in this clause or may have obligations imposed by law about what it must do when doing some of these things. However, to the extent that these requirements and obligations can be excluded or limited by agreement, they are so excluded or limited.
- (c) You irrevocably authorise the Nominee to accept and act in accordance with any instructions or directions from the Secured Party in connection with the exercise of any of its rights under this Agreement.

 - (i) remove any such receiver and in case of the removal, retirement or death of any such receiver appoint another as a replacement; and
 - (ii) fix the remuneration of any such receiver.
- (b) Subject to paragraph (c), every receiver appointed in exercise of the power conferred by this clause, unless and until the Secured Party by notice to you and to the receiver requires that such receiver acts as agent of the Secured Party, will be your agent and you alone will be responsible for the receiver's acts and defaults and remuneration.
- (c) The power to appoint a receiver under this clause may be exercised notwithstanding that at the time when the Security Interest granted under clause 27 becomes enforceable or at the time when such an appointment is made, an order may have been made or a resolution may have been passed for the winding up of you and notwithstanding that a receiver appointed in those circumstances may not, or may not in some respects, act as your agent.
- (d) The receiver will have full power without any consent on your part to do all or any of the following:
 - (i) perform all or any one or more of the acts and activities described in clause 37; and

- (c) In applying any moneys towards satisfaction of the Secured Moneys your account will be credited only with so much of the money available for the purpose as is actually received by the Secured Party, such credit to date from the time of such receipt.
- (d) Any compensation which may become payable in respect of the Secured Property will at the option of the Secured Party be applicable in or towards repayment of the Secured Moneys. the Secured Party is empowered to make any claim for such compensation and alone to agree, compromise and settle any such claim and to execute any necessary assurances and releases in your name and the name of the Secured Party. 42. PPSA Confidentiality

- (b) The parties agree not to disclose information of the kind mentioned in section 275(1), except in the circumstances required by sections 275(7)(b) to (e). The Grantor must obtain the Secured Party's consent before authorising the disclosure of information under section 275(7)(c) or requesting information under section 275(7)(d). Nothing in this paragraph prevents any disclosure by the Secured Party that it believes is necessary to comply with its other obligations under the PPSA.
- (c) To the extent that it is not inconsistent with clause 42(b) constituting a "confidentiality agreement" for the purposes of section 275(6)(a), the Grantor agrees that the Secured Party may disclose information of the kind mentioned in section 275(1) to the extent that the Secured Party is not doing so in response to a request made by an "interested person" (as defined in section 275(9)) pursuant to section 275(1).

43. Authority to register and waiver of right to receive verification statements

You acknowledge that the Secured Party may, at your cost, register one or more financing statements in relation to its Security Interests. 44. Further Assurance

Part F—Exercise and Sale Facility

45. Interpretation

Notwithstanding the use of expressions such as “borrow”, “lend”, etc., which are used to reflect terminology used in the market for transactions of the kind provided for in this Part F, title to the Underlying Securities “borrowed” or “lent” provided in accordance with this Agreement shall pass from one party to another as provided for in this Agreement.

46. Loan of Securities

- (a) Where UBS accepts an Application by you to use the Exercise and Sale Facility, which acceptance will be at UBS's absolute discretion, UBS will lend to you, and you will borrow from UBS, the number of Underlying Securities specified in the Quote Sheet on the terms of this Agreement (the Lent Securities). If you are an employee or officer of a Company and the Underlying Securities for the Transaction are issued by that Company, then you must give written instructions to proceed (your Financial Adviser and/or IDPS Operator cannot).
- (b) Without limiting the discretion referred to in paragraph (a), UBS may refuse to accept an Application to use the Exercise and Sale Facility where the company issuing the Executive Options has not confirmed the following in writing to UBS (which confirmation may be sought by UBS at any time):
 - (i) that you own the specified number of Executive Options;
 - (ii) that the Executive Options are fully vested and presently exercisable by you;
 - (iii) that the Executive Options and Underlying Securities from their exercise are not subject to security interests or other encumbrances;
 - (iv) that you have all permission required by the company employee trading policy to exercise the Executive Options;
 - (v) that the company employee trading policy permits the use of the Facilities described in this PDS;
 - (vi) that there is no company imposed trading blackout which would restrict you from exercising the Executive Options or using the Facilities described in this PDS at the time you want to use them;
 - (vii) the timetable for exercise of the Executive Options and share allotment; and
 - (viii) the payment instructions for the Executive Option exercise price payment.

47. Delivery, Sale and Exercise

- (a) By agreeing to borrow the Lent Securities, you authorise and instruct UBS to:
 - (i) deliver or procure the delivery of the Lent Securities to you and to execute and deliver all necessary documents and give all necessary instructions to ensure that all right, title and interest in any Lent Securities shall pass from UBS to you; and
 - (ii) sell the Lent Securities on your behalf in accordance with your instructions, the Corporations Act, the ASX Operating Rules and standard market practice.
- (b) From the proceeds of the sale of the Lent Securities made in accordance with clause 47(a)(ii), you authorise UBS to:
 - (i) deduct and retain brokerage on the proceeds of the sale plus any GST payable in connection with that brokerage, calculated at the rate specified by UBS for your Stock Loan;
 - (ii) deduct and retain any outstanding fees or charges payable to it pursuant to clause 51;
 - (iii) in accordance with the exercise instructions for the Executive Options, make a payment for the total exercise price of such number of Executive Options you instruct, or if there are not sufficient funds for such number after deducting the amounts in this clause 47, the maximum number for which there are sufficient funds, and do all other things necessary to exercise the Executive Options; and
 - (iv) pay the balance (if any) to you upon repayment of the Stock Loan under clause 58.
- (c) By giving such instructions, you agree to do all things necessary, including completing any exercise notice in respect of the Executive Options, to facilitate the exercise of the Executive Options, and you authorise UBS to complete any blanks in, or make any amendments to, that exercise notice.

48. Redelivery of Equivalent Securities

- (a) Subject to clause 47(b), on the earlier of:
- (i) the date that the Underlying Securities issued to you pursuant to the exercise of the Executive Options are granted official quotation by ASX;
 - (ii) the date that is 5 Business Days after receipt of written notice from UBS requiring redelivery; and
 - (iii) 360 days after the date of delivery by UBS of the Lent Securities to you,
- you must deliver, or procure the delivery of Equivalent Securities, to UBS or as it directs and execute and deliver all necessary documents and give all necessary instructions to ensure that all right, title and interest in any Equivalent Securities shall pass from you to UBS.
- (b) Notwithstanding paragraph (a), you may deliver or procure the delivery of Equivalent Securities to UBS or as it directs at an earlier time, in which case you will be taken to have satisfied your obligations under paragraph (a), provided that you give UBS 24 hours prior notice of such delivery.

49. Distributions

- (a) Unless otherwise agreed, where any dividend or other distribution (whether in property or money) is made or paid in relation to any Lent Securities and the record date of the dividend or distribution is a date occurring during the term of the Stock Loan, you will, on the date determined by UBS, pay and deliver to UBS the dividend or distribution, or a sum of money equivalent (or property identical) to the same to UBS.
- (b) UBS may, at its discretion, determine that you must pay an additional amount up to the value of any franking credits allocated (or under section 202-65 of the Income Tax Assessment Act 1997, taken to have been allocated) to the dividend or distribution. Without limiting this discretion, UBS may make this determination where UBS incurs equivalent costs in hedging its obligations under the Stock Loan. UBS undertakes to use reasonable endeavours to borrow stock offshore to minimise any such costs.
- (c) Subject to paragraph (d), where in respect of any Lent Securities, any rights relating to the conversion, subdivision, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Lent Securities, become exercisable prior to the redelivery of the Equivalent Securities then you must deliver Equivalent Securities in such form as will arise if the right is exercised as determined by UBS.
- (d) Notwithstanding paragraph (c), where in respect of any Lent Securities the relevant Issuer issues any right or option in respect of the Lent Securities during the term of the Stock Loan, you must deliver or make available to UBS on the date determined by UBS:
- (i) the right, or option; or
 - (ii) an identical right or option; or
 - (iii) a payment equal to the value to UBS of the right or option (as determined by UBS in its discretion),
- together with any such endorsements or assignments as shall be customary and appropriate.
- (e) If you are required to make any payment to acquire or exercise any right or option which you are obliged to acquire or exercise under the provisions of this clause 49, UBS must indemnify you for the amount of any such payment.
- (f) In the case of a conversion, subdivision or consolidation of the Lent Securities, the securities into which the Lent Securities have been converted, subdivided or consolidated will be taken to be Equivalent Securities with respect to the relevant Stock Loan, without prejudice to any other right a party may have under this Agreement.
- (g) If:
- (i) an event of a kind specified in this clause 49 occurs, and UBS considers that any of the provisions of this clause 49 are not appropriate in any particular situation; or
 - (ii) an event occurs which is not dealt with in this clause 49 which UBS considers should have been dealt with,
- UBS may:
- (iii) make, or refrain from making, any adjustment to the Lent Securities as UBS considers appropriate, and determine the effective date of such adjustment; or
 - (iv) require you to re-deliver the Equivalent Securities.

50. Collateral

50.1 UBS (or one of its related bodies corporate) may retain as collateral, the net proceeds of the sale of the Lent Securities made in accordance with clause 47(a)(ii) until Equivalent Securities are redelivered in accordance with clause 48. No interest will be payable on the net proceeds of the sale when they are so retained by UBS (or its related bodies corporate).

51. Arrangement Fee

- (a) The cost of borrowing Underlying Securities under this Agreement is the Arrangement Fee specified by UBS in the Quote Sheet or otherwise notified to you. This cost will usually comprise one or more of the following:
- (i) a fixed fee;
 - (ii) any costs incurred by UBS to unwind your Stock Loan where Executive Options cannot be exercised immediately and unconditionally;
 - (iii) a per annum fee calculated on the Closing Price of the Lent Securities for each day of the Term of the Stock Loan; and/or
 - (iv) a per annum fee calculated on the Closing Price of the Lent Securities on the day they were lent to you.
- (b) For the purposes of section 26BC(3)(d) of the Income Tax Assessment Act (Cth) 1936 the “notifiable consideration” in respect of the Stock Loan under this Part F is dissected as follows:
- (i) a fee—the Arrangement Fee as set out in the Quote Sheet and Confirmation or otherwise notified to you.
 - (ii) an adjustment—if made under clause 49(g) and notified to you; and
 - (iii) other consideration—your obligations to pay the amounts and/or to deliver the property set out in clauses 48 and 49.
- (c) You must pay UBS all GST, or other applicable or similar taxes, that UBS is liable (either directly or indirectly) to pay for any supply under or in connection with a Stock Loan.

52. Assignment

UBS must not dispose of (by transfer, declaration of trust or otherwise), the right to receive any part of the total consideration receivable under the Stock Loan, being the right to redelivery of the Equivalent Securities under clause 48 and the notifiable consideration referred to in clause 51.

53. Executive Share Plans

If, instead of exercising Executive Options, you instruct UBS to apply the sale proceeds under clause 46 towards the making of a payment to the issuer of the Executive Options or a third party that would result in Underlying Securities being issued, transferred or released to you, then references in this Part F to exercising Executive Options will be amended to refer to the making of a cash payment to the issuer or relevant third party, and the references to exercise price and exercise notice for Executive Options will be taken as references to the payment of the requisite funds to the issuer or relevant third party and the notice(s) that need to be provided with the payment in order to procure the issuance, transfer or release of Underlying Securities to you.

Part G—Stock Borrow Agreement

54. Application

- (a) This Part G will only apply to a Transaction if noted in your Confirmation.
- (b) Notwithstanding the use of expressions such as “borrow”, “lend”, etc., which are used to reflect terminology used in the market for transactions of the kind provided for in this Part G, title to the Underlying Securities “borrowed” or “lent” provided in accordance with this Agreement shall pass from one party to another as provided for in this Agreement.

55. Borrowing Underlying Securities

- (a) In consideration of UBS entering into a Transaction with you, you agree that you will, upon the giving of notice by UBS, lend to UBS Underlying Securities that are comprised in the Secured Property (the Borrowed Securities) in such number as is required by UBS on the terms of the Stock Borrow Agreement set out in this Part G.
- (b) UBS may use the Borrowed Securities for any purpose and is not required to provide any collateral to you in relation to the Borrowed Securities.
- (c) UBS must notify you where it has borrowed Borrowed Securities from you.

56. Delivery of Underlying Securities

You shall deliver or procure the delivery of the requested number of Underlying Securities to UBS together with appropriate instruments of transfer (where necessary) duly stamped (where necessary) and such other instruments (if any) as may be requisite to vest title thereto in UBS. You will execute and deliver all necessary documents and give all necessary instructions to ensure that all right, title and interest in any Underlying Securities borrowed shall pass from you to UBS.

57. Distributions and Voting

- (a) Unless otherwise agreed, where any dividend or other distribution (whether in property or money) is made or paid in relation to any Borrowed Securities and the record date of the dividend or distribution is a date on which such Borrowed Securities are on loan to UBS, UBS will, on the date determined by UBS, pay and deliver to you the dividend or distribution, or a sum of money equivalent (or property identical) to the same to you.
- (b) If the record date for the dividend or distribution occurs whilst Underlying Securities are on loan to UBS, and had you been the holder of the Underlying Securities on the relevant record date you would have received a franked distribution (including a franked distribution that flows indirectly to you) in respect of the Underlying Securities, then provided you are an Australian resident as defined in section 6(1) of the Income Tax Assessment Act 1936 and you and UBS have not otherwise agreed that you will not receive any compensation for loss of franking credits, then UBS must either:
 - (i) if section 216-10 of the Income Tax Assessment Act 1997 applies, give you a statement in the form approved by the Commissioner of Taxation for the purposes of section 216-30 of the Income Tax Assessment Act 1997 setting out such information in relation to that distribution as is required by the approved form; or
 - (ii) pay to you an amount equal to the franking credit allocated (or under section 202-65 of the Income Tax Assessment Act 1997, taken to have been allocated) to the dividend or distribution.
- (c) Subject to paragraph (d), where in respect of any Borrowed Securities any rights relating to the conversion, subdivision, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Borrowed Securities, become exercisable prior to the redelivery of the Equivalent Securities then, on redelivery of Equivalent Securities UBS will deliver Equivalent Securities in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as specified by UBS.
- (d) Notwithstanding paragraph (c), where in respect of any Borrowed Securities the relevant Issuer issues any right or option in respect of the Borrowed Securities, UBS must deliver or make available to you on the date determined by UBS:
 - (i) the right, or option; or
 - (ii) an identical right or option; or

- (iii) a payment equal to the value to you of the right or option (as determined by UBS in its discretion);
- together with any such endorsements or assignments as shall be customary and appropriate.
- (e) If UBS is required to make any payment to acquire or exercise any right or option which it is obliged to acquire or exercise under the provisions of this clause 57 you must indemnify UBS for the amount of any such payment.
 - (f) If a call in respect of Borrowed Securities that are not fully paid is announced to the ASX by the relevant Issuer, then UBS will notify you of the call. On receipt of such notification, you must pay to UBS the amount referred to in such call in respect of the Borrowed Securities no later than 5 Business Days before the date that is the last day that payment for the call can be made, in which case the Borrowed Securities, as adjusted for the call amount having been paid, will be taken to be Equivalent Securities with respect to the relevant Stock Loan, without prejudice to any other right a party may have under this Agreement.
 - (g) In the case of a conversion, subdivision or consolidation of the Borrowed Securities, the securities into which the Borrowed Securities have been converted, subdivided or consolidated will be taken to be Equivalent Securities with respect to the relevant Stock Loan, without prejudice to any other right a party may have under this Agreement.
 - (h) If:
 - (i) an event of a kind specified in this clause 57 occurs, and UBS considers that any of the provisions of this clause 57 are not appropriate in any particular situation; or
 - (ii) an event occurs which is not dealt with in this clause 57 which UBS considers should have been dealt with,

 - (j) Neither you nor the Nominee may exercise voting rights in respect of the Borrowed Securities.

58. Early termination and Cash Settlement of Stock Loan

Notwithstanding any other provision in these terms, UBS may, if it is not able to access Equivalent Securities or is not able to access Equivalent Securities at a reasonable cost or price (determined by UBS) to meet its redelivery obligation under the Stock Borrow Agreement, nominate an early termination of the Stock Loan. Upon such early termination, UBS may, instead of redelivering Equivalent Securities pay you an amount equal to the number of Borrowed Securities multiplied by the price at which those Underlying Securities are able to be sold at that time (as determined by UBS in its absolute discretion) (the "Stock Loan Cash Settlement Amount").

You agree that upon payment of the Stock Loan Cash Settlement Amount, all of UBS's obligations under the Stock Loan are extinguished and you shall have no further claim against UBS in respect of that Stock Loan.

For the avoidance of doubt, you acknowledge that UBS's election to cash settle the Stock Loan as provided herein does not constitute an Event of Default or a breach of the Facility Terms, and if UBS makes the election to cash settle the Stock Loan in accordance with paragraph (a), you are not entitled to demand specific performance or any other legal or equitable remedy in respect of the redelivery of Equivalent Securities.

59. Redelivery of Equivalent Securities

- (a) UBS undertakes to redeliver Equivalent Securities to you at the time agreed in the notice provided under clause 55(a).
- (b) UBS also undertakes to redeliver Equivalent Securities at such times, in such number and in such manner as to enable you to comply with your obligations and to exercise your rights pursuant to the terms of any other Transaction between you and UBS under the Agreement. For the avoidance of doubt, and without limitation, UBS undertakes to redeliver Equivalent Securities to you:

- (i) where the Borrowed Securities secured your obligations under a Loan—immediately before the Maturity Date for the Loan;
 - (ii) where the Borrowed Securities secured your obligations under an Option—immediately before the Maturity Date for the Option;
 - (iii) where an Early Termination Date (including as a result of an Event of Default occurring) occurs in relation to a Transaction secured by the Borrowed Securities—immediately before the Early Termination Date.
- (c) You may provide notice to UBS on any Business Day that you require any or all of the Equivalent Securities to be redelivered, in which case UBS must redeliver the Equivalent Securities specified in the notice to you in not less than the time in which transactions in the Equivalent Securities are customarily settled in accordance with the ASX Operating Rules.

- (b) Notwithstanding anything else in this Agreement, UBS indemnifies you for all brokerage, charges and stamp duty incurred by you as a result of UBS borrowing Borrowed Securities under the Stock Borrow Agreement.

62. Observance of procedures

Each party will, in taking an action that may be required in accordance with this Stock Borrow Agreement observe the procedures and timetable applied by the ASX Operating Rules (if and to the extent applicable) and, further, will observe any agreement (oral or otherwise) as to the time for delivery or redelivery of any money, Borrowed Security or Equivalent Security entered into pursuant to this Stock Borrow Agreement.

 - (ii) irrevocably authorise and direct the Nominee to obtain the Secured Party's consent before acting on your instructions under, or in respect of, the Stock Borrow Agreement;

- (ii) irrevocably authorise and direct the Nominee to act in accordance with any directions of the Secured Party, without seeking your consent, for any purpose under, or in respect of, the Stock Borrow Agreement, even if the directions contradict instructions that you have given or will give later in relation to the Stock Borrow Agreement;
- (iii) in respect of any Secured Property that is a right under a Stock Borrow Agreement, you acknowledge that the Secured Party is able to initiate sending instructions by which the right under a Stock Borrow Agreement can be exercised, transferred or otherwise dealt with.

Part H—Distribution Agreement

64. Agreement to adjust

- (a) This agreement will only apply to a Transaction if noted in your Confirmation.
- (b) If this agreement applies to a Transaction, each party agrees to make the payments or adjustments referred to in clause 65 to account for differences between each Actual Distribution Amounts and each Assumed Distribution Amount, in consideration for the other party agreeing the same. The Actual Distribution Amounts and Assumed Distribution Amounts will be specified in your Confirmation.
- (c) UBS will also specify the basis of determining the Actual Distribution Amounts and Assumed Distribution Amounts used in the adjustment calculations in your Confirmation, as either Cash Basis or Gross Basis for each of these amounts.
- (d) If Cash Basis is specified as the basis of calculating an amount then that Actual Distribution Amount or Assumed Distribution Amount will be determined without regard to any franking credits.
- (e) If Gross Basis is specified as the basis of calculating an Actual Distribution Amount then that amount will be calculated as the cash distribution amount per Underlying Security declared by the Company plus the value of any franking credits actually attaching to that distribution. If Gross Basis is specified as the basis of calculating an Assumed Distribution Amount then that amount will be calculated as the Assumed Distribution Amount specified by UBS in your Confirmation plus the value of assumed franking credits potentially attaching to that distribution.

65. Adjustment Payments

- (a) If this agreement applies to a Transaction and UBS has not specified in the Quote Sheet or Confirmation that clause 66 is applicable, then the parties will make the payments set out in either paragraph (i) or (ii) to each other to account for the difference between the Assumed Distribution Amount and the Actual Distribution Amount for each dividend or distribution declared with an ex-date falling within the Term of the Transaction. For the avoidance of doubt, if no dividend or distribution is declared by the Company in respect of an Assumed Ex-Date then the Differential Value will be calculated on the assumption that the Actual Distribution is zero and the Differential Value (if any) will be payable within 5 Business Days of the Assumed Ex-Date.
 - (i) If a dividend or distribution is declared and you have purchased a Put Option, a Put Spread, a Collar, a Step Collar or a Put Spread Collar, or you have sold a Call Option, or you have a limited recourse loan not secured against an Option position, or UBS has specified that this clause 65(a)(i) will apply to your Transaction, then:
 - (A) if the Assumed Distribution Amount is greater than the Actual Distribution Amount, UBS will pay you an amount in cash equal to the Differential Value for that dividend or distribution within 5 Business Days following the distribution payment date declared by the Company; or
 - (B) if the Assumed Distribution Amount is less than the Actual Distribution Amount, you will pay to UBS an amount in cash equal to the Differential Value for that dividend or distribution within 5 Business Days following the distribution payment date declared by the Company; or
 - (ii) If a dividend or distribution is declared and you have purchased a Call Option, a Call Spread or you have sold a Put Option, then:
 - (A) if the Assumed Distribution Amount is less than the Actual Distribution Amount, UBS will pay you an amount in cash equal to the Differential Value for that dividend or distribution within 5 Business Days following the distribution payment date declared by the Company; or
 - (B) if the Assumed Distribution Amount is greater than the Actual Distribution Amount, you will pay to UBS an amount in cash equal to the Differential Value for that dividend or distribution within 5 Business Days following the distribution payment date declared by the Company.

In each case as an adjustment to the purchase price of the Option.

- (b) If the Company declares a cash dividend or distribution with an ex-date that occurs during the Term of the Transaction and it is not an Assumed Distribution, then you will be required to pay a Differential Value to UBS in respect of that dividend or distribution, calculated on the assumption that the Assumed Distribution Amount is zero and the calculation basis for the Actual Distribution Amount is as specified in the Confirmation for other Actual Distribution Amounts as an adjustment to the purchase price of the Option.
- (c) Where Underlying Securities are held by UBS or the Nominee on your behalf, you hereby irrevocably direct UBS or the Nominee to withhold an amount equal to any payment due from you under this clause prior to paying you the balance (if any) of a cash distribution received on the Underlying Securities. You further direct that the amount withheld be paid immediately to UBS to meet your obligations under this clause.

66. UBS adjustment of transaction terms

UBS may specify in a Quote Sheet or Confirmation that this clause 66 will apply instead of clause 65. If that is the case, then UBS may adjust the Strike Price, Cap Level(s), Payment Level(s), the Participation Rates, the number of Underlying Securities per Option, the Facility Amount, the description of Underlying Securities and/or any other term of a Transaction as it reasonably determines appropriate to account for:

- (a) the Company declaring any special dividends or special distributions with ex-dates falling within the Term of the Transaction; or
- (b) any difference between Actual Distribution Amounts and Assumed Distribution Amounts with ex-dates falling within the Term of the Transaction.

- a) Subject to clause 1.3(b) below, UBS will give to you a Confirmation in respect of each Transaction. The terms of this Agreement apply to each Confirmation. This Agreement and each Confirmation constitute the terms of a Transaction.
- b) If you enter into an Option together with a loan and UBS specifies that they are Related Transactions in the Quote Sheet and Confirmation, then the Option will be a Related Option and the Loan will be a Related Loan and the terms of the Related Transactions and any variation or early unwind or termination to them must be consistent across the Related Transactions.
- c) If you are a Superannuation Fund investor you agree and acknowledge that your rights, obligations and interests under Related Transactions are a single arrangement for the purposes of the Agreement, and form a single chose in action which is indivisible, and your rights in respect of an Option or Loan (or Allocated Portfolio Loan Amount) which is a Related Transaction may not be severed from your rights in respect of the corresponding Related Loan or Related Option or separately dealt with in any way.
- d) To the extent of any inconsistency between the terms of this Agreement, the Confirmation, the Quote Sheet, and the PDS in respect of a Transaction, the order in which the documents shall prevail is:
 - i. the Confirmation;
 - ii. the Facility Terms set out in Section 10 of the PDS;
 - iii. the Quote Sheet; and
 - iv. the PDS.

- (xvii) anything else occurs which, in UBS's reasonable opinion, will have (or is likely to have) a material adverse impact on your, or your Personal Guarantor's, ability to meet its obligations under this Agreement;
- (xviii) any other event occurs which, with the giving of notice or the lapse of time or both, would constitute an Event of Default;
- (b) You undertake to UBS that you will immediately notify UBS of any fact or circumstance within your knowledge which has given rise or is likely to give rise to an Event of Default or a breach of any representation, warranty, statement, undertaking or other provision in this Agreement, the Application Form, the Quote Sheet or any other document in connection with this Agreement or required by UBS.

4.2 Consequences of Event of Default

- (a) If an Event of Default occurs, UBS may, without further notice to you and in its absolute discretion, do any one or more of the following:
 - (i) notify you that UBS's obligations under a Transaction are terminated, in which case UBS's obligations under the Transaction will terminate immediately and the date on which a Transaction is terminated is the Early Termination Date in respect of that Transaction;
 - (ii) notify you that all amounts which are, or may in the future become, payable by you to UBS under a Transaction including Break Costs (together, Outstanding Amount) are immediately due and payable, in which case all Outstanding Amounts shall become immediately due and payable by you;
 - (iii) exercise any of UBS's rights, and take any action permitted, under this Agreement, including without limitation, enforcing of UBS's Security Interest over Secured Property;
 - (iv) give any instructions to the Nominee in respect of any Underlying Securities necessary to effect dealings in the Underlying Securities.
 - (v) appoint a receiver in respect of any or all of the Secured Property;

- (vi) apply proceeds from the above towards the Amount Outstanding;
 - (vii) in respect of any or all Terminated Transactions, calculate the Early Termination Amount which will become immediately due and payable.
- (b) If an Event of Default relates to one Transaction only, or relates to one Allocated Portfolio Loan Amount of a Portfolio Principal Loan only, UBS may, in its absolute discretion, exercise its rights under this clause 4.2, in respect of that Transaction only or that Allocated Portfolio Loan Amount only or in respect of that Transaction, Allocated Portfolio Loan Amount and any Related Transaction, and the corresponding Security Interest and Secured Property. .

4.3 Early Termination Date and Consequences of early termination

- (a) If an Early Termination Date occurs in respect of a Transaction, UBS shall calculate the Early Termination Amount in respect of the Transaction and shall, as soon as reasonably practicable, give to you a statement specifying the Early Termination Amount.
- (b) If the Early Termination Amount is a positive number, you must pay to UBS the Early Termination Amount. If the Early Termination Amount is a negative number, UBS must pay the absolute value of the Early Termination Amount to you, subject to its right of set off under clause 8.14.
- (c) The Early Termination Amount shall be payable on the Business Day next following the date that notice of the Early Termination Amount is given to you.
- (d) If an Early Termination Date is specified in respect of a takeover of the issuer, the Early Termination Amount in respect of an Option will be calculated in accordance with the provisions in this Agreement, and without limitation, UBS may also use to calculate this amount the annualised share price volatility of the Underlying Security equal to either, at UBS's election:
 - (A) the average of the rolling 6 month share price volatility over the 20 Trading Days preceding the first announcement of the takeover bid, or
 - (B) if exchange traded options over the Underlying Securities are quoted on the primary securities exchange on which the Underlying Securities are listed, the annualized share price volatility of the Underlying Security implied from the exchange traded option that, in the opinion of UBS, is most appropriate taking into account the Strike Price, Maturity Date, Payment Level and Cap Level (if applicable) of the Option.

4.4 Increased costs

If:

- (a) there is an introduction of, or change in, an applicable law or regulatory requirement or its interpretation or administration by a government agency which:
 - (i) subjects UBS or any of its related bodies corporate to any Tax relating to this Agreement;
 - (ii) changes the basis of taxation of any payment due or to become due to UBS under, or in connection with, this Agreement;
 - (iii) imposes, modifies or deems applicable any capital, liquidity, reserve or prudential requirement or requires the making of any special deposit against or in relation to any assets or liabilities (actual or contingent) of, deposits with or for the account of, or loans by, UBS or any of its related bodies corporate; or
 - (iv) imposes on UBS or any of its related bodies corporate any other condition affecting this Agreement; and
- (b) the result is (directly or indirectly) to:
 - (i) increase the cost to UBS or any of its related bodies corporate of the provision or maintenance by UBS of any Transaction or the performance by UBS or the Nominee of its obligations under this Agreement;
 - (ii) reduce:
 - (A) the effective rate of return (on capital, property, deposits or otherwise) of UBS under this Agreement; or
 - (B) the amount of any payment received by UBS or the Nominee under any Transaction; or
 - (iii) require UBS or the Nominee or any of their related bodies corporate to make a payment or to forgo or suffer a reduction in return on or calculated by reference to any amount payable to UBS under this Agreement,
- (c) then UBS may provide a notice to you stating the nature of the relevant change and:

- (i) require you to indemnify UBS or the Nominee (as appropriate) in relation to, and pay to UBS or the Nominee on demand the amount that UBS claims is necessary to compensate UBS or the Nominee or any of its related bodies corporate, for the additional cost, reduction or payment, calculated from the day on which it was first incurred by UBS or the Nominee or the related body corporate;
- (ii) adjust the terms of any Transaction in order to compensate UBS or the Nominee (as appropriate) for the additional cost, reduction or payment, calculated from the day on which it was first incurred by UBS or the Nominee or the related body corporate; or
- (iii) terminate this Agreement.

4.5 Notice of change of law

If, in the opinion of UBS:

- (a) a law, regulation or directive or request (whether or not having the force of law) of any government agency not in effect at the date of this Agreement; or
- (b) an amendment after the date of this Agreement to, or a change after the date of this Agreement in the interpretation or application of, a law, regulation or a directive or request (whether or not having the force of law) of a government agency,

makes, or will make, it illegal in any jurisdiction for UBS to continue to be a party to a Transaction, UBS may give notice (a "Change of Law Notice") to you that it considers that this has happened or will happen.

4.6 Termination

If UBS terminates this Agreement in accordance with clause 4.4(c)(iii) or gives a Change of Law Notice under clause 4.5:

- (a) its obligations under the relevant Transaction will terminate on the date specified in the Change of Law Notice; and
- (b) the parties must settle the Early Termination Amount on the date notified by UBS.

5. Independent decisions and advice

5.1 Own judgment and reliance

You agree that you have relied, and will continue to rely, on your own judgment and that of your professional advisers as you consider necessary (if any) in deciding whether to utilise any Facility or to enter into any Transaction offered under this PDS, the tax treatment of using those Facilities or those Transactions and generally in relation to this Agreement and the transactions which it contemplates. Without limiting this:

- (a) you confirm that the fact that UBS may classify a security as an Approved Security is not a recommendation by UBS that you invest in, continue to hold or sell that security or enter into any Transaction in relation to it;
- (b) you will not rely on any statement or representation made, or purported to be made, by or on behalf of UBS in relation to the above matters; and
- (c) you acknowledge that:
 - (i) from time to time UBS and its Affiliates may have substantial long or short positions in, and may make a market in or otherwise buy or sell, instruments identical or economically related to Transactions entered into with you;
 - (ii) UBS may undertake proprietary trading activities, including hedging transactions related to the initiation or termination of a Transaction with you, that may adversely affect the market price, rate, index or other market factors underlying the Transaction entered into with you and consequently the value of that Transaction; and
 - (iii) UBS may have previously acted, and may currently or in future from time to time act as an adviser to an issuer of Approved Securities for which it may receive fees and commissions,
- (d) as a result of which potential conflicts of interests may arise, and you have considered the implications of such potential conflicts prior to entering into any Transaction.
- (e) You acknowledge that UBS does not act in any fiduciary capacity in relation to this Agreement or any Transaction.

5.2 Representation and Warranty

You represent and warrant to UBS on the date this Agreement is entered into, on the Trade Date for a Transaction and on each day during the Term of the Transaction that:

- (a) you are acting for your own account, and have made your own independent decisions to enter into this Agreement and that each Transaction is appropriate and proper for you, based upon your own judgment and upon advice from such advisers as you have considered necessary. You are not relying on any communication (written or oral) of UBS or any of its Affiliates as investment advice or as a recommendation to enter into this Agreement or any Transaction, it being understood that information and explanation relating to the terms and conditions of this Agreement in the PDS or otherwise shall not be considered investment advice or a recommendation by UBS to enter into this Agreement or any Transaction. No communication (written or oral) received from UBS shall be deemed to be an assurance or guarantee as to the expected results of this Agreement or any Transaction; and
- (b) you are capable of assessing the merits of and understand (on your own behalf or through independent professional advice), and accept, the terms, conditions and risks of this Agreement and the Transaction, and you are capable of assuming and assume, the risks of this Agreement and the Transaction.

6. Your representations and warranties

6.1 You represent and warrant to UBS on the date this Agreement is entered into, on the Trade Date for a Transaction and on each day during the Term of a Transaction that:

- (a) the execution and delivery of this Agreement and entry into any Transaction by you and the performance of your obligations under this Agreement and any Transaction do not and will not violate or conflict with:
 - (i) any law, rule or regulation applicable to you;
 - (ii) any order or judgment of any court or other agent of government applicable to you or any of your assets or any agreement or contractual restriction binding on or affecting you or any of your assets, including without limitation any agreement between you and:
 - (A) the issuer of the Underlying Securities;
 - (B) any underwriter in respect of the Underlying Securities; or
 - (C) security holders of the issuer of the Underlying Securities;
- (b) In respect of any Transaction which requires or may require the transfer of Underlying Securities, you have obtained all consents which may be required by law to enable you to:
 - (i) procure transfer of good title to the Underlying Securities to UBS or as UBS directs; or
 - (ii) accept a transfer of good title to the Underlying Securities from UBS,

in either case as required by the Transaction;

- (c) the transfer of any Underlying Securities:
 - (i) to UBS or as UBS directs; or
 - (ii) to you,

in either case as required in respect of a Transaction, will not result in you contravening any law to which you are subject;

- (d) provided you are not a Superannuation Fund, in relation to any Transaction in respect of which the Security Interest granted or acknowledged under clause 27 applies:
 - (i) at the Trade Date, Drawdown Date, Maturity Date and at all times until the Secured Obligations are discharged, you will have good beneficial title to the Secured Property free from any Security Interest or restriction on transfer, except as may be permitted under the Security Interest granted by you; and
 - (ii) any Secured Property that you are required to deliver to the Secured Party or the Nominee will be Unrestricted Stock;
- (e) you and your associates are not in possession of any material, non-public information regarding the Underlying Securities at the time of entering into the Transactions set out in this Confirmation and at the time of providing any instructions in respect of those Transactions, and that entry into the Transactions will not contravene any applicable law, or any contractual obligations applicable to you or your associates;

- (f) you do not “control” (as defined in section 50AA of the Corporations Act) the issuer of the Underlying Securities;
- (g) if you are an officer or employee of the issuer of the Underlying Securities, by entering into this Agreement or any Transaction or by exercising any right or performing any obligation under this Agreement or any Transaction, you will not contravene the policies of the issuer for dealing in Underlying Securities applicable to you and, if required, you have obtained the written approval of issuer to enter into this Agreement;
- (h) you have complied with and will comply with all applicable disclosure obligations in relation to your holding of Underlying Securities and your entry into the Transactions set out in this Confirmation (including but not limited to any applicable obligations imposed by the issuer of the Underlying Securities, the Australian Securities Exchange or under the Corporations Act 2001 (Cth)).
- (i) you have reviewed this Agreement, the PDS and associated documents to the extent you consider necessary, and you have sought independent advice regarding this Agreement and any Transaction, including advice on financial risk, legal and tax implications, which take into account your specific circumstances;
- (j) you have not relied in any way whatsoever on any statements made by, or purported to be made by, UBS or its related entities or any of their respective servants, agents, employees or representatives in relation to the PDS, this Agreement or any Transaction, other than as set out in this Agreement or the PDS, and acknowledge that UBS has not made any representation to you with regard to the suitability or appropriateness of this investment to your individual circumstances;
- (k) you have full authority, capacity and legal standing to enter into, and perform the obligations set out in this Agreement and any Transaction, and this Agreement constitutes your valid and legally binding obligations, enforceable against you in accordance with its terms;
- (l) no Event of Default has occurred or is continuing;
- (m) all statements, representations and warranties made in this Agreement, the Application Form and Quote Sheet or any other document in relation to this Agreement or required by UBS are true and correct;
- (n) you have disclosed in writing to UBS all facts relating to you, this Agreement, the Secured Property and all things in connection with this which are material to the assessment of the nature and amount of risk undertaken by UBS in entering into any Transaction and doing anything in connection with this Agreement or a transaction contemplated by it;
- (o) in the case of individual or individual trustee applicants—you will apply any credit or financial accommodation provided by UBS wholly or predominantly for business or investment purposes (or for both purposes). NOTE: you should not sign this Agreement unless credit or financial accommodation provided by UBS will be applied wholly or predominantly for business or investment purposes (or for both purposes). By signing this Agreement you may lose your protection under the Consumer Credit Code;
- (p) there are no actions, claims or demands pending the determination of which might reasonably be expected to have a material adverse effect on
 - (i) your ability to perform your obligations under this Agreement or any Transaction; or
 - (ii) the rights of UBS or the Nominee.

7. Personal Guarantee

7.1 Application of clause

- (a) UBS may require a Personal Guarantor to guarantee your obligations under this Agreement.
- (b) This clause applies to the Personal Guarantor.

7.2 Obligations guaranteed

In consideration of UBS making available a Facility to you or for your benefit, the Personal Guarantor hereby unconditionally and irrevocably guarantees to UBS the due and punctual performance of all of your obligations under this Agreement (as amended, extended or varied) and any Transaction (as amended, extended or varied) other than the payment of amounts in respect of which UBS’s recourse against you is limited under clause 11.

7.3 Consequences of your default

The Personal Guarantor undertakes to, and must pay any amount which you fail to pay under this Agreement on demand to, or as directed by, UBS.

7.4 Nature of obligations and enforcement

The Personal Guarantor's obligations under this Agreement are principal obligations and may be enforced against the Personal Guarantor without UBS first being required to exhaust any remedy it may have against you or enforce any Security Interest it may hold (including under the Security Interest granted under clause 27).

7.5 Continuity and preservation of Personal Guarantor's obligations

The guarantee in this clause 7 is a continuing guarantee. The Personal Guarantor's obligations under this Agreement are absolute, unconditional and irrevocable. The liability of the Personal Guarantor under this Agreement extends to, and is not affected by, any circumstance, act or omission which, but for this clause, might otherwise affect it at law or in equity.

7.6 Limitations on Personal Guarantor's rights

Until all moneys owing by you under, or in connection with, this Agreement have been paid in full, the Personal Guarantor may not exercise any right of subrogation to UBS and may not exercise any rights as surety in competition with UBS.

7.7 Indemnity from Personal Guarantor

For the consideration mentioned in clause 7.2, the Personal Guarantor (as primary obligor) unconditionally indemnifies UBS in full against, and must pay UBS on demand, the amount of, any loss that UBS may suffer because moneys owing by you under, or in connection with, this Agreement (in each case, subject to clause 11) are not recoverable from you for any reason or must be repaid by UBS to you or any bankruptcy or insolvency representative after they have been received by UBS.

8. Miscellaneous

8.1 Governing Law

This Agreement is governed by the law of New South Wales. The parties submit to the non-exclusive jurisdiction of the courts of New South Wales. Each party waives any objection to the venue of any procedures on the ground that they have been brought in an inconvenient forum.

8.2 Waiver

UBS will not be taken to have waived any right under this Agreement unless that waiver is in writing signed by two duly authorised signatories of UBS.

8.3 Severability

- (a) If any provision of this Agreement is determined to be void, invalid, illegal or unenforceable, then that provision will be deemed to have been deleted to the extent of that invalidity, illegality or unenforceability.
- (b) A deletion under paragraph (a) will not affect UBS's ability to enforce any other provision of this Agreement.

8.4 Variation

UBS may vary any term of this Agreement at any time in its discretion by 14 calendar days' written notification to you provided the variation is not unfair (as defined in Section 12BG of the ASIC Act). UBS may however vary any term the Agreement with immediate effect if required to comply with any law, regulation or regulatory policy or requirement. The variation will not take effect until UBS has notified you in writing of the amendment.

8.5 Automatic Extension Clause

- (a) Paragraphs (b), (c) and (d) may apply to you if you are the Holder of a Put Option, a Collar, a Step Collar or Put Spread Collar and the Option is subject to Physical Settlement and:
 - (i) at the Maturity Time of the Option, the Option is In The Money and a valid Exercise Notice has not been provided; or
 - (ii) at the Maturity Time of the Option, you are required to pay UBS a Second Premium Amount; or
 - (iii) paragraph (i) or (ii) is applicable, and you have not provided notice to UBS as required by clause 10.5(b) in respect of a Related Loan and you have not repaid the Related Loan by the Maturity Date.
- (b) If one or more of the situations described in paragraph (a) occur, and you inform UBS that at that time you are subject to trading restrictions such that you cannot deal in Underlying Securities then UBS may, in its absolute

discretion, decide to defer the Maturity Date of the Transaction until a later date (the "Deferred Maturity Date"). If you are still restricted from dealing in Underlying Securities on the Deferred Maturity Date then UBS may, in its absolute discretion, nominate a new Deferred Maturity Date. All settlements that would have occurred on the original Option Settlement Date would be deferred until 5 Business Days after the applicable Deferred Maturity Date (the "Deferred Settlement Date").

- (c) If UBS nominates a Deferred Maturity Date in accordance with paragraph (b) then on the Deferred Settlement Date, one or more of the following obligations will apply:
- (i) to the extent paragraph (a)(i) is applicable:
 - A. you must deliver to UBS the quantity of Underlying Securities that you would have delivered on the original Option Settlement Date and pay to UBS the cash value of dividends or distributions paid on the Underlying Securities which have dividend or distribution ex dates during the period from but excluding the original Maturity Date to and including the Deferred Maturity Date; and
 - B. UBS must pay you interest calculated at the overnight cash deposit rate on the Strike Price for the period from but excluding the original Option Settlement Date to and including the Deferred Settlement Date;
 - (ii) to the extent paragraph (a)(ii) is applicable:
 - A. you must pay the Second Premium Amount to UBS plus interest on that Second Premium Amount calculated at the overnight cash lending rate for the period from but excluding the original Option Settlement Date to and including the Deferred Settlement Date;
 - B. if the Second Premium Amount is payable because the Market Price on the original Maturity Date was greater than the Cap Level then UBS will calculate an amount equal to:
$$(\text{Market Price on Deferred Maturity Date} - \text{Market Price on original Maturity Date}) \times \text{Number of Options} \times (1 - \text{Participation Rate})$$
and you must pay this amount to UBS if it is a positive number or if this amount is a negative number then UBS must pay you the absolute value of the amount;
 - (iii) to the extent paragraph (a)(iii) is applicable, then in addition to your obligations under paragraphs (c)(i) and/or (c)(ii), the Maturity Date of the Loan will be deferred to any Deferred Maturity Date for the Related Option and you must repay the Loan Balance that was outstanding as at the original Maturity Date to UBS and pay interest on that Loan Balance for the period from and excluding the original Maturity to and including the Deferred Settlement Date at the same interest rate as the Interest Rate applicable to the Loan on its Drawdown Date.
- (d) If UBS nominates a Deferred Maturity Date in accordance with paragraph (b) then in addition to the consequences described in paragraph (c):
- (i) you must pay to UBS on the Deferred Settlement Date all costs incurred by UBS in deferring the settlement of the Transaction, including for example, the cost of maintaining its hedges, which may include stock borrow cost and the value of franking credit gross up payments; and
 - (ii) you must pay UBS a fee on the Deferred Settlement Date for deferring the settlement of the Transaction(s), equal to 1% of the Transaction Value of the Options as at the original Maturity Date; and
 - (iii) UBS will notify you that it has exercised its discretion to defer the Maturity Date, and will notify you of the Deferred Maturity Date, the amount of any interest payable under clause 8.5(c)(iii), and the fee payable under clause 8.5(d)(ii).
- (e) UBS will in good faith determine the costs, expenses, dividends or distributions, interest rates and other compensatory payments that are to be dealt with under this clause and its determinations will be final and conclusive and UBS shall have no liability to you or to any third party in relation to such determinations.
- (f) For the avoidance of doubt, UBS is not obliged to exercise its discretion to defer the Maturity Date under paragraph (b) nor is it required to seek your agreement to the extension. Furthermore, UBS' rights under this Agreement (such as its rights under the Security Interest granted under clause 27) are not modified or limited in any way by this clause.

8.6 Adjustment Events

Subject to clause 11, if an Adjustment Event occurs or is proposed to occur on or before the Maturity Date in respect of the Underlying Securities in relation to a Transaction, UBS may in its absolute discretion elect to take any one or more Adjustment Event Actions in respect of the Transaction. If, in the reasonable opinion of UBS, it is not possible to deal with the occurrence of the Adjustment Event by taking an Adjustment Event Action, UBS may early

terminate all or a portion of the Transaction and set an Early Termination Date. UBS will notify you of any proposed Adjustment Event Action before it takes the Adjustment Event Action or as soon as reasonably practicable after it takes the Adjustment Event Action and UBS will determine and notify you of the effective date of the Adjustment Event Action.

8.7 Fractional Underlying Securities and aggregation

UBS may, for the purpose of calculating an Adjustment Event Action, a Cash Settlement Amount or the number of Underlying Securities to be Physically Settled under an Option Transaction, determine values to be fractional units of Underlying Securities for each Option and aggregate fractional units of Underlying Securities to the nearest whole number for the purposes of settlement or adjustment of the Option Transaction.

8.8 Duty

You are liable for all stamp duty, transfer duty, mortgage duty or other similar Tax payable on or in connection with this Agreement and the transfer of any Approved Securities or Underlying Securities.

8.9 Payments and withholding tax

- (a) Unless otherwise provided in this Agreement or your Confirmation, you must make each payment due to UBS under this Agreement by authorising UBS to direct debit your nominated account as specified in your Application Form. UBS may, by exception, agree to accept a cheque or an electronic transfer of cleared funds to an account specified by UBS. All amounts payable on a due date are to be made without set-off, counterclaim or other deduction except as expressly approved by UBS. Time is of the essence in making all payments and failure to pay by the specified time will result in UBS immediately exercising its rights arising on default under this Agreement. UBS may charge a fee of \$100 if a direct debit from your nominated account fails and UBS is required to re-run the direct debit or process payment by some other method.
- (b) All payments by you under this Agreement must be made in full without any deduction or withholding in respect of tax or otherwise unless the deduction or withholding is required by law in which event you must pay such additional amounts as are necessary to ensure that UBS receives and retains the full amount it would have received if no deduction or withholding had been made.

8.10 Limitation of liability

UBS will not be liable to you for any error, omission or delay in carrying out your instructions, including instructions provided by a person acting or purporting to act on your behalf as your agent or IDPS Operator under this Agreement or any Transaction, nor will UBS have any responsibility for any resultant or consequential loss or damage to you or to any other party.

8.11 Indemnity

Subject to clause 11 if you are not a Superannuation Fund, you fully indemnify UBS against, and shall pay UBS on demand:

- (a) the amount of all funding costs, hedge unwind costs and any break costs including any costs, loss, liability, expenses or damages direct or indirect which UBS may incur in connection with any part of a Transaction being terminated prior to its scheduled Maturity Date (including without limitation any Early Termination Amount due from you), or any Drawdown Amount being repaid or becoming due for repayment other than on the relevant Repayment Date; and
- (b) the amount of all losses, liabilities, Costs and Taxes (including GST and legal expenses on a full indemnity basis) of UBS in connection with:
 - (i) the occurrence of any Event of Default;
 - (ii) any Transaction contemplated by this Agreement;
 - (iii) any Early Termination Amount;
 - (iv) the administration, enforcement or attempted enforcement or preservation or attempted preservation of any rights of UBS under this Agreement;
 - (v) the performance of any obligation under, any amendment to, or any consent, approval, waiver, release or discharge of or under, this Agreement;
 - (vi) any failure by you to make a drawdown under a Loan because of the non-satisfaction of any of the conditions precedent set out in clause 3; and

- (vii) any representation or warranty made by you under this Agreement being incorrect or misleading.

8.12 Continuing indemnity

The indemnity in this Agreement is a continuing indemnity, separate from the other obligations under this Agreement and will survive the termination of this Agreement.

8.13 GST

You must in respect of any Taxable Supply made by UBS or any other person under or in connection with this Agreement:

- (a) pay to UBS on demand an additional amount equal to the payable on that Taxable Supply, without deduction or set-off of any other amount;
- (b) make that payment as and when you must pay the other consideration for that Taxable Supply; and
- (c) indemnify UBS:
 - (i) from the GST on each Taxable Supply; and
 - (ii) against any damage or cost directly or indirectly arising from or caused by the failure by you to pay any amount as and when required by this clause.

8.14 Set off and netting

- (a) UBS may, without notice, set off any amount that is due and payable by UBS or its related entities to you under the Agreement or in relation to any one or more Transactions against any amount due and payable by you to UBS or its related entities under the Agreement or in relation to any one or more Transactions. If required by the LRBA Requirements, UBS' right of set off will be subject to the limited recourse specified in clause 11.
- (b) On each date on which an obligation to make a payment under this Agreement arises, UBS may, at its election, but subject always to clause 11, take an account of what is due between you and UBS on that date in respect of one or more Transactions so that the aggregate of all amounts due by UBS to you on that date is offset against the aggregate of all amounts due by UBS to you under those Transactions on that date. Unless UBS otherwise elects, only the party who is obliged to pay the greater of those aggregate amounts must make a payment on that date, in an amount equal to the difference between the two aggregate amounts.

8.15 Appointment of UBS and Approved Financial Adviser as agent

- (a) You irrevocably appoint UBS and each officer of UBS jointly and each of them severally as your agent to sign any document and do any other thing that UBS or the agent thinks is necessary or desirable to:
 - A. effect a drawdown under a Loan;
 - B. exercise your Executive Options in relation to a Transaction involving the Exercise and Sale Facility or in relation to a Transaction in respect of securities resulting from the exercise of Executive Options;
 - C. ensure that any Approved Securities or Underlying Securities are held by the Nominee as your nominee in accordance with this Agreement;
 - D. ensure that the Security Interest is as effective and enforceable as possible, including, without limitation, making any amendments to the terms of this Agreement or any other document and registering any charges PPS Security Interest on the PPS Register;
 - E. exercise any of UBS's rights under this Agreement, including to transfer any Underlying Securities to UBS (or the Nominee) or to a purchaser or to otherwise convey the Underlying Securities as UBS determines in accordance with the provisions of this Agreement;
 - F. do all things that are necessary or desirable for the conversion of any of your Approved Securities to the CHESS system;
 - G. do anything that the agent thinks ought be done in relation to the Agreement and any related documents, including to perfect any such documents or to make any such documents effective (including stamping and registering any relevant document);
 - H. execute any document which varies or amends the Agreement and any notices, consents and waivers required to be provided under the Agreement; and

- I. sign any document and do any other thing that the agent thinks is necessary or desirable under the Agreement.

In your Application Form, you may nominate your Approved Financial Adviser in which case your Approved Financial Adviser is authorised by you to enter into, vary, close out or otherwise give instructions in relation to any Transactions or any of the Facilities as your agent. If you do so, UBS is entitled to accept and act on the instructions of your Approved Financial Adviser without requiring any further proof, instructions or confirmation from you unless you have notified UBS in writing that you have revoked such authorisation.

You agree to ratify and confirm whatever an agent does under and in accordance with this clause and (subject to clause 11) to indemnify each agent against all liabilities incurred as a result of such action.

8.16 Notices

- (a) Unless expressly stated otherwise in this Agreement, all notices, consents, approvals, waivers and other communications in connection with this Agreement must be in writing, signed by the sender.
- (b) Notices must be:
 - (i) sent by prepaid ordinary post (airmail if appropriate), if to you, to the address set out or referred to in the Application Form and if to UBS, to the address set out in the PDS;
 - (ii) sent by fax, if to you, to the fax number set out or referred to in the Application Form and if to UBS, to the fax number set out in the PDS;
 - (iii) if sent electronically, sent to the email address or through the facility advised by UBS to you or you to UBS; or
 - (iv) given in any other way permitted by law.
- (c) However, if the intended recipient has notified a changed postal address or changed fax number, then the communication must be to that address or number.
- (d) Notices sent by post are taken to be received three Business Days after they are sent unless a later time is specified. Notices sent by fax are taken to be received if the sender receives a transmission receipt indicating the notice has been transmitted to the correct number without error. Notices sent electronically are taken to be received when sent in the absence of any error message or similar communication.

8.17 Entire Agreement

This Agreement constitutes the entire agreement between the parties in relation to its subject matter, provided however that to the extent that there is any inconsistency between this Agreement and your Confirmation, the Confirmation will prevail.

8.18 Further acts

You must do all acts and execute or sign all documents reasonably required by UBS to carry out and give effect to this Agreement and any Transaction, including without limitation the Application Form and Quote Sheet.

8.19 Rights

- (a) The rights and remedies in this Agreement are cumulative and do not exclude, and are in addition to, any rights or remedies provided by law.
- (b) UBS may exercise any rights it has under the terms of the Agreement as it sees fit and may vary or waive in the exercise of its rights in full or partially in its absolute discretion. Any determination made by UBS will be made in its sole discretion, acting in good faith and in a commercially reasonable manner and will be conclusive and binding on all parties, except in the case of manifest error.

8.20 Assignment

- (a) UBS may assign, novate or otherwise transfer all or any part of its rights, benefits or obligations under this Agreement (including without limitation, the Security Interest granted under clause 27) without notice to you and for this purpose may disclose information about you and this Agreement to a potential assignee, provided such assignment, novation or transfer is not unfair (as defined in Section 12BG of the ASIC Act).
- (b) You hereby agree that if requested by UBS, you will promptly execute any documentation required to give effect to an assignment, novation or transfer contemplated by clause 8.20(a).
- (c) You may not assign your rights under this Agreement without the prior written consent of UBS.

8.21 Time of essence

Time is of the essence with respect to each party's obligations under this Agreement.

8.22 Consent to telephone recording

You consent to the recording of any of your telephone conversations with UBS or the Nominee in relation to this Agreement.

8.23 Provisions which apply if you are a trustee (including a Superannuation Fund)

- (a) This clause 8.23 only applies if you enter into this Agreement as a trustee.
- (b) If you enter into the Agreement as a trustee, you acknowledge that this Agreement is binding on you in your capacity as trustee.
- (c) If anyone succeeds you as a trustee of the trust, you remain liable until, and you agree to ensure that, your successor executes whatever documents UBS requires to ensure that this Agreement is binding on your successor.
- (d) You represent and warrant as follows at the date UBS receives your Application From, and on each day during the Term of any Transaction by reference to the facts subsisting on that date:
 - (i) you are the only trustee of the trust, and no step has been taken to remove you or to appoint another trustee;
 - (ii) you have provided UBS with a copy of the properly executed and stamped trust deed (including all amendments and variations to the trust deed), when requested to do so;
 - (iii) you have the power to sign this Agreement and to perform your obligations under this Agreement as trustee of the trust;
 - (iv) it is proper for you, as trustee, to execute this Agreement, and to do everything this Agreement contemplates that you will do and those things do or will benefit the beneficiaries of the trust;
 - (v) you are entitled to use the assets of the trust to meet all your obligations under this Agreement, ahead of the rights of any of the beneficiaries;
 - (vi) you must make sure that none of these representations is or becomes untrue in any way and you must immediately inform UBS if they do.
- (e) You must, when requested by UBS, immediately provide UBS with a copy of the trust deed (including all amendments to the trust deed).
- (f) You must not, without the prior written consent of UBS:
 - (i) cease to be the only trustee of the trust;
 - (ii) allow the trust to be terminated or wound up in any way;
 - (iii) provided you are not a Superannuation Fund, allow any part of the capital of the trust to be distributed in any way;
 - (iv) allow the terms of the trust to be amended in any way that derogates from the trustee's rights and powers to discharge its obligations under the Transactions;
 - (v) provided you are not a Superannuation Fund, allow any units to be issued, transferred, charged, redeemed or otherwise dealt with.
- (g) Provided you are not a Superannuation Fund, UBS's right to recover from you is not limited to the trust assets.
- (h) You must exercise any rights that you have against the trust assets or the beneficiaries if necessary for the purpose of paying any amount owing to UBS. Provided you are not a Superannuation Fund, UBS may exercise all the rights that you may have against the trust assets or the beneficiaries.
- (i) Provided you are not a Superannuation Fund, UBS may exercise the same rights and remedies against the trust assets as you could exercise against those assets if they were owned by you personally.
- (j) UBS's rights will not be modified or reduced because UBS is aware (or is treated as being aware) of an interest that anyone else has, or claims, under the trust or against any trust assets.

8.24 Acknowledgement of potential Break Costs

You acknowledge that UBS enters in arrangements to hedge its exposure to risk. Accordingly, you acknowledge that you may be required to pay Break Costs to UBS in the following circumstances:

- (a) an Event of Default occurs and you receive a notice from UBS under clause 10.5(a)(ii) requiring repayment of your Loan Balance before the Maturity Date or of any Drawdown Amount before the relevant Repayment Date or UBS elects to terminate any Transaction;
- (b) a Drawdown Amount is repaid before the relevant Repayment Date; or
- (c) a Transaction is terminated before the Maturity Date.

UBS will provide an indicative quote of the Break Costs if you request an early repayment of a Loan or a Drawdown Amount. If there is an early termination of an Option Transaction the Break Costs will be included in the Early Termination Amount, which the Issuer can provide you an indicative quote for.

Part B—Loan Facility

9. General

9.1 Facility Amount

- (a) If your Application is approved, UBS will, in its absolute discretion, determine the Facility Amount for your Loan.
- (b) You may request an increase in the Facility Amount from time to time and UBS may, in its absolute discretion, agree to such a request, in consideration of you paying the Facility Adjustment Fee to UBS or UBS increasing your Interest Rate requiring payment of an additional Interest Amount and/or (provided you are not a Superannuation Fund) delivering additional Secured Property to UBS. UBS may agree to such a request subject to conditions, including on condition that the Strike Price or Gap Value of relevant Option Transactions is also adjusted or that additional Secured Property is made subject to the Security Interest.
- (c) Any new Facility Amount will take effect from the date specified by UBS in writing.

9.2 Term

- (a) Unless extended or otherwise agreed in writing by UBS, the Term of any Principal Loan commences on the first Drawdown Date, and terminates on the Maturity Date.
- (b) Unless extended or otherwise agreed in writing by UBS, the term of any Supplementary Loan commences on the first Drawdown Date for that Supplementary Loan and terminates on the final Repayment Date for that Supplementary Loan (which may be the Maturity Date for the related Principal Loan).

9.3 Settlement Currency

The Settlement Currency for a Loan will be specified in the Confirmation. The Settlement Currency of the Loan must be the same as the Settlement Currency for any Option Transaction to which the Loan relates.

9.4 Purpose

You must primarily apply your Supplementary Loan (if applicable) to pay all or part of your Interest obligations under a Principal Loan but at UBS's discretion it may also be used to fund all or part of any of the Option Adviser Group Fee, the Adviser Group Fee, the Loan Establishment Fee and any Capital Contribution you need to make. It can be used for no other purpose.

If you are a Superannuation Fund, you must direct the Nominee to apply your Loan exclusively to acquire a single Underlying Security or a group of identical Underlying Securities, and to pay any Interest Amount in relation to the Loan for that Underlying Security or group of Underlying Securities, except under a Portfolio Principal Loan.

9.5 Interest Period

The Term of a Loan may be made up of one or more Interest Periods. Each Interest Period begins and ends on the dates set out in your Confirmation.

9.6 Loan Establishment Fee

The Loan Establishment Fee (if any) is payable by you on the date specified in your Confirmation.

9.7 Loan segmented into tranches

Each Loan is a separate Transaction. Each reference in this Agreement to a Loan is to each Loan separately. If you enter into multiple Loans, UBS will maintain sub accounts recording the balance of each Loan from time to time and records showing each other Transaction to which the Loan relates, and the relevant Secured Property.

9.8 Portfolio Principal Loan

A Principal Loan may further be designated a Portfolio Principal Loan. The Portfolio Principal Loan is a single Loan and the portion of the Portfolio Principal Loan that is applied towards the purchase of each parcel of Approved Securities is referred to as the "Allocated Portfolio Loan Amount" for that parcel of Approved Securities. One Interest Rate will apply to the single Portfolio Principal Loan.

9.9 Adjustment Event

Subject to clause 11, if an Adjustment Event occurs or is proposed to occur on or before the Maturity Date in respect of the Underlying Securities in relation to a Loan (or the parcel of Approved Securities corresponding to an Allocated Portfolio Loan Amount), UBS may in its absolute discretion elect to take any one or more Adjustment Event Actions in respect of the Loan or that Allocated Loan Amount. If, in the reasonable opinion of UBS, it is not possible to deal with the occurrence of the Adjustment Event by taking an Adjustment Event Action, UBS may early terminate all or a portion of the Loan and set an Early Termination Date. UBS will notify you of any proposed Adjustment Event Action before it takes the Adjustment Event Action or as soon as reasonably practicable after it takes the Adjustment Event Action and UBS will determine and notify you of the effective date of the Adjustment Event Action.

9.10 Variations

- (a) Subject to the LRBA Requirements (if applicable), you may request UBS to amend any of the terms of your Loan at any time before the Maturity Date.
- (b) If UBS agrees to your request a new Quote Sheet will need to be signed to implement the amendment and you will be supplied with a new Confirmation.
- (c) If you have a Related Option then any changes to terms of the Related Loan must be consistent with the terms of the Related Option, or corresponding changes will be made to the terms of the Related Option.
- (d) A change to the terms of your Loan may require payment to UBS including payments to reduce the Loan Balance or payment of additional Interest Amounts, or payments in relation to changes to the terms of any Related Option.

10. Drawdown and Interest

10.1 Drawdown Amounts

You may make one or more drawdowns of a Drawdown Amount by delivering a Drawdown Notice to UBS subject to the following:

- (a) at all times during the Term of a Loan, the aggregate of all Drawdown Amounts under the Principal Loan must not exceed the Principal Loan Facility Amount and the aggregate of all Drawdown Amounts under a Supplementary Loan must not exceed the Supplementary Loan Facility Amount for that Supplementary Loan and;
- (b) any initial Drawdown Amount drawn on the first Drawdown Date must be no less than the Minimum Initial Drawdown Amount;
- (c) each Drawdown Date specified in a Drawdown Notice must be a Business Day;
- (d) each Drawdown Amount must be at least A\$50,000 (unless otherwise agreed with UBS in writing); and
- (e) each Drawdown Amount must not exceed the then applicable Available Amount.

UBS may also draw down a Drawdown Amount under clause 10.3(b) for the payment of an Interest Amount on the Loan.

For the avoidance of doubt, your failure to satisfy any of these obligations or any waiver of these requirements by UBS does not in any way diminish your obligation to repay any Drawdown Amount on the Repayment Date or your obligation to pay Interest on any Drawdown Amount.

10.2 Interest Amounts

The Interest Amount payable on any Drawdown Amount during an Interest Period is calculated as:

$$DA \times IR \times (d / 365)$$

where:

“DA” is the Drawdown Amount;

“IR” is the Interest Rate applicable to that Drawdown Amount for that Interest Period; and

“d” is the number of days in the relevant Interest Period.

10.3 Payment of Interest Amounts

- (a) Each Interest Amount is payable on the Interest Payment Date specified by UBS for the relevant Interest Period.

- (b) Unless specified otherwise in your Confirmation, on each Interest Payment Date, you irrevocably direct UBS to draw down an amount equal to the Interest Amount under your Loan Facility and to apply the amount drawn down to meet your Interest obligations due on that Interest Payment Date.
- (c) For the avoidance of doubt, if your Loan is fully drawn or the Available Amount is less than the Interest Amount due then you are nonetheless liable for the Interest Amount and must pay the amount on the applicable Interest Payment Date to UBS out of your own funds.

10.4 Payment of Aggregate Payments

- (a) UBS may, in its discretion, combine the Loan Establishment Fee and the Interest Amount due on the Loan into one Aggregate Payment and specify the Aggregate Payment Date on which this Aggregate Payment must be made. The Aggregate Payment Date then becomes the Interest Payment Date for that Interest Amount under clause 10.3 of the Terms. UBS will specify that the Aggregate Payment will apply and the relevant Aggregate Payment Date in the Confirmation.
- (b) UBS may also specify that this Aggregate Payment may be payable in a number of Aggregate Payment Instalments in which case there will be more than one Aggregate Payment Date. UBS will specify the Aggregate Payment Date and the Aggregate Payment Instalment payable on each corresponding Aggregate Payment Date in the Confirmation.
- (c) On each Aggregate Payment Date an Aggregate Payment Instalment will be payable. The portion of the Aggregate Payment that remains unpaid at any point in time is referred to as the Unpaid Aggregate Payment Balance for the Loan. The Unpaid Aggregate Payment Balance will be reduced each time an Aggregate Payment Instalment is made.
- (d) If the investor is not a Superannuation Fund, UBS's recourse to the investor for any Unpaid Aggregate Payment Balance is at all times personal and unlimited and this recourse continues beyond the Maturity Date until the Unpaid Aggregate Payment Balance is reduced to zero.

10.5 Repayment

- (a) Subject to paragraph (b), you must repay each Drawdown Amount to UBS on the earlier of:
 - (i) the relevant Repayment Date(s); or
 - (ii) upon receipt of a notice from UBS requiring repayment following the occurrence of an Event of Default.
- (b) You must, at least five Business Days before the Maturity Date, by irrevocable notice in writing, inform UBS either that:
 - (i) you will repay the Loan Balance and any outstanding Interest to UBS on the Maturity Date; or
 - (ii) you will not repay the Loan Balance and/or any outstanding Interest and UBS may proceed on the Maturity Date to exercise its rights under the Security Interest or otherwise under this Agreement.
- (c) If UBS does not receive such a notice by the time required, UBS may exercise its rights under the Security Interest granted to it under clause 27 and this Agreement immediately.
- (d) Unless otherwise provided in this Agreement or your Confirmation, you must make each payment due to UBS under this Agreement by authorising UBS to direct debit your nominated account as specified in your Application Form. UBS may, by exception, agree to accept a cheque or an electronic transfer of cleared funds to an account specified by UBS. All amounts payable on a due date are to be made without set-off, counterclaim or other deduction except as expressly approved by UBS. Time is of the essence in making all payments and failure to pay by the specified time will result in UBS immediately exercising its rights arising on default under this Agreement. UBS may charge a fee of \$100 if a direct debit from your nominated account fails and UBS is required to re-run the direct debit or process payment by some other method.

10.6 Application of Distributions

- (a) You may specify in your Confirmation that distributions on Underlying Securities be applied to repay Drawdown Amounts, Interest Amounts or Aggregate Payments.
- (b) This election will apply up until the Maturity Date of your Loans and you will receive no distributions while you have an outstanding Drawdown Amount or Interest Amount.
- (c) Distributions applied in this way will cover any ordinary dividends paid on the Underlying Securities and received by the Nominee that have an ex date falling in the period from the Trading Day after the First Drawdown Date up to and including the Maturity Date.

- (d) The ordinary dividend will only be applied against the Drawdown Amount, Interest Amount or Aggregate Payment at or following the time it is received by the Nominee in cleared funds.
- (e) UBS will not refund of any prepaid Interest Amounts following a reduction of the Drawdown Amounts due only to the application of distributions.
- (f) Any Drawdown Amount or Interest Amount remaining after the application of all distributions must still be repaid on the scheduled Repayment Date or Interest Payment Date.
- (g) To the extent the Drawdown Amount, Interest Amount, Aggregate Payment or (where the Aggregate Payment is paid by instalments) the Unpaid Aggregate Payment Balance is reduced to zero after the application of the ordinary dividends, the excess will be paid to the investor within 5 Business Days of receipt by the Nominee.

10.7 Interest on overdue payments

- (a) If you fail to:
 - (i) repay all or part of a Drawdown Amount on the relevant Repayment Date; or
 - (ii) pay Interest as required by this Agreement,
- (b) then in addition to any other rights UBS may have, UBS may calculate interest on such outstanding amount from the respective due date up to the date of actual payment, at the Interest Rate then applicable to that Drawdown Amount plus 4% per annum.
- (c) Interest due under this provision, but unpaid, may be capitalised on the last day of each month, commencing from the first month in which the amount was due, whereupon it shall bear interest in accordance with this clause.

10.8 Early Repayment

- (a) You may, if permitted by your Confirmation and agreed by UBS, by giving at least 5 Business Days' prior written notice to UBS, repay all or part of a Drawdown Amount before the Repayment Date, provided that you pay all other amounts due to UBS under, or in connection with, this Agreement (or, for Superannuation Funds, the relevant Loan), including without limitation any Break Costs, at the time you make such repayment.
- (b) If the Loan is a Related Loan, on repayment of all or part of a Drawdown Amount before the Repayment Date, the Related Option will terminate (in full or in part) pro-rata with the repayment of the Drawdown Amount. If you are not a Superannuation then before the Drawdown Amount is repaid you may request in writing to UBS to keep the Related Options in place after the Drawdown Amount is repaid.

10.9 Draw down at Maturity

Provided that you are not a Superannuation Fund, in the absence of an early repayment or an Early Termination Date, if your Principal Loan Balance immediately prior to Maturity is less than the Facility Amount, you authorise UBS to draw down the Principal Loan to the Facility Amount and to first apply the funds to pay any amount that you owe under this Facility (other than the Principal Loan Balance) and then to advance any remaining amount as a Drawdown Amount to you immediately prior to Maturity.

11. Limited recourse

11.1 Limited recourse against you for repayment of Drawdown Amounts

- (a) If you have a Principal Loan that is not a Portfolio Principal Loan;

Subject to this clause 11, and (unless you are a Superannuation Fund) provided you have complied with your obligations under this Agreement, the recourse of UBS against you in respect of the Principal Loan Balance on the Maturity Date is limited to the amount which UBS can obtain by enforcing its rights in respect of the Secured Property securing the Principal Loan Balance. If you are a Superannuation Fund, the recourse of UBS against you in respect of your obligations under the Principal Loan (including repayment of the Principal Loan Balance on the Maturity Date) is limited to the amount which UBS can obtain by enforcing its rights in respect of the Secured Property securing the Principal Loan.
- (b) If you have a Principal Loan that is a Portfolio Principal Loan;

Subject to this clause 11, and provided you have complied with your obligations under this Agreement, unless you are a Superannuation Fund, the recourse of UBS against you in respect of an Allocated Portfolio Loan Amount on the Maturity Date is limited to the amount which UBS can obtain by enforcing its rights in respect

of the Secured Property securing the Allocated Portfolio Loan Amount. If you are a Superannuation Fund, the recourse of UBS against you in respect of your obligations under the Loan (including repayment of the Allocated Portfolio Loan Amount on the Maturity Date) is limited to the amount which UBS can obtain by enforcing its rights in respect of the Secured Property securing the Allocated Portfolio Loan Amount.

- (c) For the avoidance of doubt, provided you are not a Superannuation Fund, UBS's recourse against you at any other time and for all other amounts due under this Agreement are personal and unlimited.

11.2 Full recourse

Provided you are not a Superannuation Fund, the limitation in this clause 11 does not apply where:

- (a) Your loan is an Supplementary Loan;
- (b) an Early Termination Date occurs;
- (c) you or the Personal Guarantor have breached any provision of this Agreement;
- (d) a representation made or a warranty given by you or the Personal Guarantor under this Agreement was or becomes incorrect or misleading;
- (e) UBS has relied on a statement or some conduct of yours or the Personal Guarantor's which in UBS's opinion was false or misleading;
- (f) you and UBS agree and have stated in the Confirmation that the limitation will apply only in respect of a portion of the Facility Amount, such that if total drawdowns exceed this amount then UBS's recourse against you in respect of the excess is personal and unlimited; or
- (g) You have made an election under clause 12.5 and you have defaulted on any payments due to UBS.

11.3 Winding up

Notwithstanding anything in clauses 11.1 and 11.2, UBS may (provided you are not a Superannuation Fund) prove for the Loan Balance, any Drawdown Amount or any other amount owing to UBS under this Agreement and otherwise participate in your bankruptcy or insolvency if another creditor initiates those proceedings.

11.4 Limitations

Nothing in this clause 11:

- (a) releases you from your obligations under this Agreement;
- (b) provided you are not a Superannuation Fund, affects in any way whatsoever UBS's right to recover personally from you interest, Costs and Taxes under, or in connection with, this Agreement;
- (c) affects in any way whatsoever UBS's right to recover personally from you any Costs and Taxes incurred by UBS in respect of you other than under, or in connection with this Agreement;
- (d) prevents UBS from obtaining equitable relief under, or in connection with, this Agreement; or
- (e) provided you are not Superannuation Fund, affects in any way whatsoever the rights of UBS to apply any proceeds received by UBS on enforcement of the Security Interest granted under clause 27 against any amount payable under, or in connection with, this Agreement or any other agreement, including or interest, Costs and Taxes under, or in connection with, this Agreement.

11.5 LRBA Requirements

- (a) This clause 11.5 applies to Superannuation Funds only.
- (b) Each Loan will be administered in compliance with the LRBA Requirements and any provision of this Agreement which would otherwise cause the Loan to breach the LRBA Requirements may be, to the extent only that it breaches the LRBA Requirements, read down by UBS in its discretion and, if necessary to meet the LRBA Requirements, voided by UBS in its discretion.
- (c) If, after the commencement of a Loan, there is a change in the LRBA Requirements which is adverse to the interests of the Lender, as determined by the Lender in its absolute discretion:
 - (i) the Lender may, by notice to you, immediately terminate the Loan;
 - (ii) you must satisfy your obligations under the Loan as specified by the Lender in the termination notice; and

- (iii) subject to the LRBA Requirements, the Lender may otherwise take any action, and exercise any right, power or remedy under the Agreement as if an Event of Default had occurred, in such manner and order as the Lender may, in its absolute discretion determine.
- (d) Where the LRBA Requirements require the terms of this Agreement, the Security Trust Deed and the Nominee Deed will operate in respect of each Loan (and the corresponding Separate Trust, as that term is defined in the Security Trust Deed) individually, and not on an aggregated basis in respect of your Loans (and corresponding Separate Trusts) as a whole.

Part C—Options over Underlying Securities

12. General

This clause 12 applies to all Options over Underlying Securities transacted under this Agreement.

12.1 Number of Underlying Securities per Option

Each Option relates to the number of Underlying Securities set out in your Confirmation (usually one Underlying Security per Option, unless an Adjustment Event has occurred).

12.2 Exercise

- (a) An Option can only be exercised by delivery of a valid Exercise Notice by the Holder to the Provider before the Maturity Time. If no date and time is specified by which an Option must be exercised and if Automatic Exercise does not apply, then the Option is exercisable by the Holder only at the Maturity Time by service of a valid Exercise Notice to the Provider.
- (b) An Exercise Notice will be valid if and only if:
 - (i) the Holder has paid the First Premium Amount (if any);
 - (ii) the Holder has paid the Second Premium Amount (if any); and
 - (iii) the Exercise Notice has been received by UBS at least three Business Days before the Maturity Date.
- (c) Despite anything in clause 12.2(b), UBS may determine in its absolute discretion that an Exercise Notice is valid.
- (d) The Exercise Notice must be given in writing in a form acceptable to UBS.
- (e) UBS is not bound to accept an Exercise Notice given at a time when an Event of Default is subsisting.
- (f) Once delivered, an Exercise Notice is irrevocable.
- (g) Automatic Exercise is not applicable unless specified in your Confirmation. If Automatic Exercise is specified in your Confirmation, this election is irrevocable. If Automatic Exercise is specified, the Option will only be exercised if clauses 12.2(b)(i) and 12.2(b)(ii) are satisfied.
- (h) Partial exercise of an Option is not applicable unless specified in your Confirmation.
- (i) If you accept an offer by UBS under clause 12.5 in relation to an Option, then any purported Exercise Notice given after that time in relation to that Option will be void and of no effect.

12.3 Settlement and Transfer

- (a) Excluding Quanto Options and subject to paragraph (d), all Options will be physically settled when exercised, unless cash settlement otherwise applies under clause 12.6. Settlement of the transfer of the Underlying Securities will occur on the Option Settlement Date.
- (b) If and when a contract arises following the exercise of an Option in accordance with this Agreement, on the Option Settlement Date:
 - (i) you must pay all expenses relating to the transfer of the relevant Underlying Securities, including any stamp duty or similar tax or charge associated with the transfer of those securities;
 - (ii) the party acquiring the Underlying Securities must pay the Strike Price per Option exercised to the other party; and
 - (iii) the party disposing of Underlying Securities must transfer full legal and beneficial title to the Underlying Securities as Unrestricted Stock to the other party.
- (c) The transfer of Underlying Securities will be effected by way of a special crossing or an off market transfer at UBS's discretion. If Underlying Securities are to be transferred to UBS then UBS may specify the entity to accept such transfer.
- (d) If for any reason UBS is or reasonably believes it will be unable to freely sell all or any portion of the Underlying Securities to be transferred to it pursuant to the exercise of an Option, UBS has the right to require that an Option be Cash Settled. Such election shall be made by UBS no later than the close of business on the third Business Day prior to the Maturity Date. If UBS elects that an Option be Cash Settled, UBS will calculate the Market Price, any Second Premium Amount and the Cash Settlement Amount under clause 12.6 in a commercially reasonable manner.

12.4 Settlement Currency

- (a) All payments under an Option Transaction will be denominated in the Settlement Currency specified in the Confirmation.
- (b) If the Underlying Securities are denominated in Australian Dollars then this will also be the Settlement Currency.

12.5 Offer by UBS to acquire Underlying Securities

- (a) If the Underlying Securities are subject to the Security Interest granted to it under clause 27, UBS may by no later than 10:00am on the fourth Business Day prior to the Maturity Date offer in writing to acquire from you the Underlying Securities for each Option at the Market Price.
- (b) UBS acknowledges that you are not obliged to accept this offer but if you do accept it in writing by no later than 4:00pm on the third Business Day prior to the Maturity Date, then (subject to clause 11, if applicable) the parties will transact as follows (noting that this agreement to so transact will arise only at that time and not before):
 - (i) UBS will purchase the Underlying Securities from you and pay you the Market Price;
 - (ii) you will transfer full legal and beneficial title to the Underlying Securities to UBS as Unrestricted Stock;
 - (iii) UBS's obligation to pay the Market Price is set off against your obligation to pay any money to UBS under this Agreement (including without limitation any Second Premium Amount and all expenses of transfer, including any stamp duty or similar tax or charge associated with the transfer of the relevant Underlying Securities) such that UBS is obliged to pay to you only the excess (if any) of the Market Price over those amounts); and
 - (iv) the transfer of the Underlying Securities will occur on the Option Settlement Date and will be effected by way of a special crossing or an off-market transfer at UBS's discretion, to the entity specified by UBS as the entity to accept such transfer.

For Superannuation Funds, the transfer of the Underlying Securities under this paragraph (b) will fully discharge the Secured Obligations.

12.6 Cash settlement

- (a) If UBS makes a determination in accordance with clause 12.3(d), or UBS has not received any Exercise Notice from you prior to the Maturity Date and your Option is In-The-Money, Cash Settlement may apply
- (b) If Cash Settlement applies then the Provider must pay the Cash Settlement Amount to the Holder on the Cash Settlement Date, calculated as:
 - (i) For a Put Option, Put Spread Option, Collar and Put Spread Collar;
(Strike Price—Market Price at Maturity) x Number of Underlying Securities
 - (ii) For a Call Option and Call Spread Option;
(Market Price at Maturity—Strike Price) x Number of Underlying Securities
 - (iii) For a Step Collar;

$$\sum_{i=1}^n \text{Component Collar Strike Price}_i \text{ of Exercised Component Collar}_i \text{—Market Price at Maturity) x Number of Underlying Securities of Exercised Component Collar}_i$$

where n is the number of Exercised Component Collars of the Step Collar

- (c) In the case of a Put Spread Option, Call Spread Option, Put Spread Collar and Step Collar, if a Second Premium Amount is payable by you then that will be netted off against any Cash Settlement Amount before the net amount is paid to or by you in accordance with clause 8.14(b).

12.7 Early termination

The parties may by agreement terminate an Option prior to its scheduled Maturity Date. If this occurs, UBS will calculate the Early Termination Amount payable by one party to the other in accordance with clause 4.3, and settlement will occur on the Business Day next following the Early Termination Date. Any Early Termination Amount payable by you to the Provider of an Option will be further consideration for the offer made by the Provider, in accordance with clauses 13.2, 16.2, 17.2, 18.2, 19.2, 20.3 or 21.2, as applicable.

If the Option is a Related Option, on termination of the Option (in full or in part) the Related Loan will terminate on the Early Termination Date of the Option, and become immediately repayable, pro-rata with the termination of the Option.

12.8 Variations

- (a) You may request UBS to amend any of the terms of your Option Transaction at any time before the Maturity Date.
- (b) If UBS agrees to your request then a new Quote Sheet will need to be signed to implement the amendment and you will be supplied with a new Confirmation.
- (c) As a result of the amendment an Amendment Amount may become payable by you to UBS or to you from UBS and this will be notified to you in the Quote Sheet and Confirmation.
- (d) Any changes to the term of an Option may affect the terms of a Related Loan. The terms of a Related Loan must be amended so they are consistent with the new terms of the Related Option.

12.9 Adjustment Events

If an Adjustment Event occurs or is proposed to occur on or before the Maturity Date, UBS may in its absolute discretion elect to take any one or more Adjustment Event Actions. If, in the reasonable opinion of UBS, it is not possible to deal with the occurrence of the Adjustment Event by taking an Adjustment Event Action, UBS may early terminate all or a portion of the Transaction and set an Early Termination Date. UBS will notify you of any proposed Adjustment Event Action before it takes the Adjustment Event Action or as soon as reasonably practicable after it takes the Adjustment Event Action and UBS will determine and notify you of the effective date of the Adjustment Event Action.

12.10 Market Disruption Events

Where a Market Disruption Event has occurred or is continuing in respect of an Underlying Security or, in the case of a Basket Option, a Component Security (each an "Affected Component") on a Valuation Date then UBS may reasonably determine in its discretion either:

- (a) to take action required to reflect any adjustment, change, substitution, delay, suspension, or other action taken in relation to its hedging arrangements; or
- (b) that the date for the determination or calculation in relation to that Affected Component or the Maturity Date is to be the first succeeding Scheduled Trading Day on which there is no Market Disruption Event in respect of the Affected Component, and the relevant date for the making of such calculation or determination for each Underlying Security or Component Security that is not affected by the occurrence of a Market Disruption Event shall be the original scheduled date. However, if there is a Market Disruption Event in respect of an Affected Component on each of the 8 Scheduled Trading Days immediately following the original date that, but for the Market Disruption Event, would have been the date on which the determination or calculation was made or the Maturity Date, then:
 - (i) that 8th Scheduled Trading Day is to be taken to be the Maturity Date or the relevant date for the determination, payment, adjustment, amendment or calculation (as applicable) in respect of the Affected Component, despite the Market Disruption Event; and
 - (ii) UBS must on that 8th Scheduled Trading Day in good faith and in its discretion determine the relevant price of the Affected Component or other observation to be reached for the calculation or determination on that date taking into account such matters as UBS, in its sole discretion, sees fit, including but not limited to the method of determining the price of the Affected Component used in its risk hedges for the Transaction.

UBS must, as soon as is reasonably practicable (and in no event later than 5 Business Days after the original date that, but for the occurrence or existence of a Market Disruption Event, would have been a Valuation Date) notify you of the existence or occurrence of a Market Disruption Event (as applicable). Without limiting the obligation of UBS to notify the parties as set forth in the preceding sentence, failure of UBS to notify you of the occurrence of a Market Disruption Event will not affect the validity of the occurrence and effect of such Market Disruption Event.

If there is a Market Disruption Event affecting an Underlying Security or Component Security, during the term of a Transaction, then UBS may treat the Market Disruption Event as an Adjustment Event under clause 12.9 including to nominate the event as an Event of Default.

If an event is both a Market Disruption Event and an Adjustment Event, UBS may, acting in good faith and a commercially reasonable manner, determine whether to treat the event as either a Market Disruption Event or an Adjustment Event or both (if possible).

12.11 Basket Options

- (a) In a Basket Option, the Underlying Security will be the Basket specified in the Confirmation. Each Basket is treated as one Underlying Security. Each Basket is made up of a fixed number of each Component Security (the "Component Security Quantity") which is set out in the Confirmation.
- (b) The Market Price of the Basket is calculated as the sum of the multiples of the Market Price and the Component Security Quantity of each Component Security in the Basket. The Closing Price of the Basket at Maturity is the sum of the multiples of the Closing Prices on the Maturity Date and the Component Security Quantity of each Component Security in the Basket.
- (c) All provisions on exercise, settlement and transfer apply to the Basket in its entirety as the Underlying Security
- (d) Any early termination of a Basket Option must be in respect of a whole number of Baskets
- (e) In addition to the effect of Adjustment Events specified in clause 12.9, UBS may also take into account the effect of the Adjustment Events on the Basket and make such adjustments to the terms of the transaction as it considers appropriate including without limitation amending the Basket composition (which may involve removal or replacement of the affected Component Security), Component Security Quantity, the number of Underlying Securities, the Strike Price, Cap Level, Payment Level and Maturity Date.

12.12 Quanto Options

- (a) If the Settlement Currency is designated as Australian Dollars and the Underlying Security is denominated in a different currency to Australian Dollars then this will be designated a Quanto Option.
- (b) All Quanto Options will be Cash Settled when exercised.
- (c) The Cash Settlement Amount will be calculated by UBS in accordance with the formulas in clauses 14.2 and 16.2 below (as applicable) and paid on the Option Settlement Date specified in the Confirmation.

13.3 Collateral

- (a) This clause 13.3 applies if you enter into a Put Option as Provider.
- (b) UBS may require you to pay an amount of money in cleared funds to UBS as collateral (Cash Collateral), by specifying that in the Quote Sheet or otherwise giving you notice in writing of that requirement. UBS may at any time following the entry into a Put Option require you to provide further Cash Collateral, by giving you notice in writing. You must comply with such a request within 24 hours of the request being made by UBS.
- (c) Cash Collateral secures the performance of your obligations under the Put Option. Cash Collateral will not fall due for repayment until your obligations under the Put Option are satisfied in full. Until this time, Cash Collateral will not constitute a debt due from UBS to you, nor will you have any right to receive payment of these funds. If there is an Event of Default, UBS may apply the Cash Collateral to discharge or reduce any payment obligations under the Put Option and otherwise exercise its rights of set-off under clause 8.14.
- (d) You will be entitled to interest on any Cash Collateral held by UBS at a cash deposit rate specified by UBS in your Confirmation. Interest will be paid in arrears on the earlier of the Maturity Date or the last day of each 12 month period during the Term of the Option (the first period commencing on, and including, the Trade Date).
- (e) UBS will deposit Cash Collateral received by it under this clause 13.3 in a client segregated account maintained for the purposes of Chapter 7.8 of the Corporations Act. You acknowledge that monies in the

client segregated account are pooled with money of other clients of UBS and that under section 981D of the Corporations Act, UBS may use such monies to meet obligations incurred by UBS in connection with margining, guaranteeing, securing, transferring, adjusting or settling dealings in derivatives by UBS (including dealings on behalf of persons other than you).

Upon exercise of a Step Collar, the Deliverable Parcel will be transferred for the Aggregate Strike Price pursuant to the contract that arises under clause 20.1.

- (d) If an Aggregate Strike Price is payable by UBS and a Second Premium Amount is payable by the Holder then those amounts will be netted and the Provider will only be required to pay the Aggregate Strike Price less the Second Premium Amount upon settlement of the transfer of the Deliverable Parcel.

Part D—Options over Underlying Indices

22. General

This clause 22 applies to all Options over Underlying Indices transacted under this Agreement.

22.1 Number of Options

The Confirmation will specify the number of Options and the Underlying Index to which the Transaction relates.

22.2 Exercise

- (a) An Option can only be exercised by delivery of a valid Exercise Notice by the Holder to the Provider before the Maturity Time. If no date and time is specified by which an Option must be exercised and if Automatic Exercise does not apply, then the Option is exercisable by the Holder only at the Maturity Time by service of a valid Exercise Notice to the Provider.
- (b) An Exercise Notice will only be valid if:
 - (i) the Holder has paid the First Premium Amount (if any); and
 - (ii) the Exercise Notice has been received by UBS at least three Business Days before the Maturity Date.
- (c) The Exercise Notice must be given in writing in a form acceptable to UBS.
- (d) UBS is not bound to accept an Exercise Notice given at a time when an Event of Default is subsisting.
- (e) Once delivered, an Exercise Notice is irrevocable.
- (f) Automatic Exercise is not applicable unless specified in your Confirmation. If Automatic Exercise is specified in your Confirmation, this election is irrevocable.
- (g) Partial exercise of an Option is not applicable unless specified in your Confirmation.

22.3 Settlement

- (a) All Options will be Cash Settled when exercised.
- (b) The Cash Settlement Amount will be calculated by UBS based on the Units of Settlement Currency and the Index Multiplier specified in the Confirmation.
- (c) The Cash Settlement Amount will be paid on the Option Settlement Date specified in the Confirmation.

22.4 Settlement Currency

- (a) All payments under an Option Transaction will be denominated in the Settlement Currency specified in the Confirmation.
- (b) If the Underlying Index is denominated in Australian Dollars then this will also be the Settlement Currency.

22.5 Early termination

The parties may by agreement terminate an Option prior to its scheduled Maturity Date. If this occurs, UBS will calculate the Early Termination Amount payable by one party to the other, and settlement will occur on the third Business Day following the Early Termination Date. Any Early Termination Amount payable to the Provider of an Option will be further consideration for the offer made by the Provider, in accordance with clauses 23.2 and 24.2, as applicable.

22.6 Adjustment Events

Subject to clause 11, if an Adjustment Event occurs or is proposed to occur on or before the Maturity Date, UBS may in its absolute discretion elect to take any one or more Adjustment Event Actions in respect of the Option. If, in the reasonable opinion of UBS, it is not possible to deal with the occurrence of the Adjustment Event by taking an Adjustment Event Action, UBS may early terminate all or a portion of the Transaction and set an Early Termination Date. UBS will notify you of any proposed Adjustment Event Action before it takes the Adjustment Event Action or as soon as reasonably practicable after it takes the Adjustment Event Action and UBS will determine and notify you of the effective date of the Adjustment Event Action.

22.7 Market Disruption Events

Where a Market Disruption Event has occurred or is continuing in respect of an Underlying Index or, in the case of a Basket Option, a Component Index or a material number of securities which make up the Underlying Index or Component Index (each an "Affected Component") on a Valuation Date then UBS may reasonably determine in its discretion either:

- (a) to take action required to reflect any adjustment, change, substitution, delay, suspension, or other action taken in relation to its hedging arrangements; or
- (b) that the date for the determination or calculation in relation to that Affected Component or the Maturity Date is to be the first succeeding Scheduled Trading Day on which there is no Market Disruption Event in respect of the Affected Component, and the relevant date for the making of such calculation or determination for each Underlying Index or Component Index that is not affected by the occurrence of a Market Disruption Event shall be the original scheduled date. However, if there is a Market Disruption Event in respect of an Affected Component on each of the 8 Scheduled Trading Days immediately following the original date that, but for the Market Disruption Event, would have been the date on which the determination or calculation was made or the Maturity Date, then:
 - (i) that 8th Scheduled Trading Day is to be taken to be the Maturity Date or the relevant date for the determination, payment, adjustment, amendment or calculation (as applicable) in respect of the Affected Component, despite the Market Disruption Event; and
 - (ii) UBS must on that 8th Scheduled Trading Day in good faith and in its discretion determine the relevant price of the Affected Component or other observation to be reached for the calculation or determination on that date taking into account such matters as UBS, in its sole discretion, sees fit, including but not limited to the method of determining the price of the Affected Component used in its risk hedges for the Transaction.

UBS must, as soon as is reasonably practicable (and in no event later than 5 Business Days after the original date that, but for the occurrence or existence of a Market Disruption Event, would have been a Valuation Date) notify you of the existence or occurrence of a Market Disruption Event (as applicable). Without limiting the obligation of UBS to notify the parties as set forth in the preceding sentence, failure of UBS to notify you of the occurrence of a Market Disruption Event will not affect the validity of the occurrence and effect of such Market Disruption Event.

If there is a Market Disruption Event affecting an Underlying Index, Component Index, or a material number of securities which make up an Underlying Index or Component Index, during the term of a Transaction, then UBS may treat the Market Disruption Event as an Adjustment Event under clause 12.9 including to nominate the event as an Event of Default.

If an event is both a Market Disruption Event and an Adjustment Event, UBS may, acting in good faith and a commercially reasonable manner, determine whether to treat the event as either a Market Disruption Event or an Adjustment Event or both (if possible).

- (c) All provisions on exercise and settlement apply to the Basket in its entirety as the Underlying Index.
- (d) Any early termination of a Basket Option must be in respect of a whole number of Baskets.

22.9 Quanto Option

If the Settlement Currency is designated as Australian Dollars and the Underlying Index is denominated in a different currency to Australian Dollars then this will be designated a Quanto Option.

where:

"Strike Level", "Number of Options", "Unit of Currency Settlement" and "Index Multiplier" are as specified in your Confirmation; and

where:

- (b) If you are not a Superannuation Fund, the Security Interest you grant to UBS is:
 - (i) a security interest (as defined in the PPSA) over all the Secured Property that is PPS Property; and
 - (ii) a fixed charge over all the Secured Property that are Non-PPS Property.
- (c) The Security Interests granted (or, if you are a Superannuation Fund, acknowledged) in this clause 27 are intended to take effect as a first ranking security except to the extent determined by law.
- (d) Nothing in this Agreement may be taken as an agreement that the PPS Security Interest granted (or, if you are a Superannuation Fund, acknowledged) in this clause 27 attaches later than the time contemplated by section 19(2) of the PPSA.
- (e) For the purposes of section 20(2)(b)(iii) of the PPSA, the PPS Security Interest granted (or, if you are a Superannuation Fund, acknowledged) in this clause 27 is in all of your present and after-acquired property (or, if you are a Superannuation Fund, the after-acquired property acquired by, and held by, the Nominee for you) excluding any property that does not form part of the Secured Property.
- (f) Clause 27(e) does not limit clause 27(a).
- (g) You acknowledge that the Secured Party has not agreed to subordinate its Security Interests in the Secured Property to any other interest in the Secured Property.

28. Possession

If you are not a Superannuation Fund, you must do anything required by the Secured Party to ensure that the Secured Party's Security Interest in any Marketable Security, instrument or security (negotiable or otherwise) is recorded by any relevant clearing house or securities depository and, in the case of a Marketable Security, on the records maintained by or on behalf of the relevant issuer, or on the records of any sponsor, nominee or agent that holds a Marketable Security for the Grantor;

32. Change in name or other details

Provided you are not a Superannuation Fund,

- (i) you must provide at least 30 Business Days' prior notice of any change of your name, together with details of the proposed new name; and
- (ii) you must provide at least 30 Business Days' notice before anything happens in respect of you or any Secured Property that would cause any information in a financing statement in relation to PPS Security Interests granted in clause 27 to be different if it were re-registered;

33. Registration details

You must give the Secured Party all information that the Secured Party needs in order to ensure that any registration of the Security Interests granted in clause 27 on the PPS Register or any other register that the Secured Party chooses is, and remains, fully effective or perfected (or both), and that those Security Interests have the priority contemplated by clause 27; and

34. Giving effect to this document

You must do anything (including executing any transfer in blank or any other transfer or other document, and perfecting and protecting any Security Interest intended to be created by or pursuant to this document), and must ensure that your employees and agents do anything, that the Secured Party may reasonably require to:

- (i) give full effect to this document; or

- (b) The Security Interest does not merge with or adversely affect, and is not adversely affected by:
 - (i) another Security Interest or right or remedy to which UBS is entitled at any time; or
 - (ii) a judgment or order that UBS obtains against you or any other person (that is, it can still exercise its rights under this Agreement as well as under the judgment or order).
- (c) The Nominee agrees to comply with any instruction given by you in relation to any Secured Property where it has the consent of the Secured Party in accordance with your directions in clause 26(h)(i).
- (d) The Nominee agrees that it must comply with instructions (including instructions to debit the account) given by the Secured Party in relation to the Secured Property without seeking your consent (or any person who has agreed to act on your behalf) in accordance with your directions in clause 26(h)(ii).
- (e) The Security Interest is a continuing security and will remain in full force and effect until all the Secured Obligations have been met and the whole of the Secured Moneys have been paid or satisfied in full notwithstanding any settlement of account, intervening payment or other matter or thing whatsoever until a final discharge of the Security Interest granted in clause 27 is given to you and will apply to the present and future balance of the Secured Money.
- (f) Your obligations under this clause are absolute, unconditional and irrevocable. Your liability under this clause extends to, and is not affected by, any circumstance, act or omission which, but for this clause, might otherwise affect it at law or in equity.

36. Enforcement

- (b) Subject to the express provisions of this Agreement, a Security Interest granted under clause 27 may be enforced notwithstanding acceptance of any payment of Interest or any other payment after any default and

notwithstanding any previous or other default and without the necessity of any notice to or of any consent or concurrence on the part of you or any other person.

- (c) the Secured Party may exercise its rights under the Security Interest granted under clause 27 even if it has not commenced proceedings or enforced any other right against you, or any other entity or person.
- (d) You waive any right you may have to require the Secured Party to commence proceedings or enforce a right against you or any other person.

37. Contracting out of the PPSA

- (a) To the extent that Chapter 4 of the PPSA would otherwise apply to an enforcement by the Secured Party of any Security Interest in the Secured Property, the parties agree that the following provisions of the PPSA do not apply:
 - (a) to the extent that section 115(1) of the PPSA allows them to be excluded: sections 95, 118, 121(4), 125, 130, 132(3)(d), 132(4), 135, 138B(4), 142 and 143; and

- (a) At any time after a Security Interest granted under clause 27 becomes enforceable and from time to time thereafter while the relevant Event of Default is continuing and has not been waived in writing by the Secured Party, the Secured Party will have full power, without your consent, to do all or any of the following:
 - (i) sell (whether by public auction, private arrangement or both and whether on market or off market or both) or redeem all or part of the Secured Property, and exercise any other right that the law gives to a party in the position of the Secured Party, without giving you prior notice of the sale or other action taken by it;

- (b) The parties agree not to disclose information of the kind mentioned in section 275(1), except in the circumstances required by sections 275(7)(b) to (e). The Grantor must obtain the Secured Party's consent before authorising the disclosure of information under section 275(7)(c) or requesting information under section 275(7)(d). Nothing in this paragraph prevents any disclosure by the Secured Party that it believes is necessary to comply with its other obligations under the PPSA.
- (c) To the extent that it is not inconsistent with clause 42(b) constituting a "confidentiality agreement" for the purposes of section 275(6)(a), the Grantor agrees that the Secured Party may disclose information of the kind mentioned in section 275(1) to the extent that the Secured Party is not doing so in response to a request made by an "interested person" (as defined in section 275(9)) pursuant to section 275(1).

 - (vii) the timetable for exercise of the Executive Options and share allotment; and
 - (viii) the payment instructions for the Executive Option exercise price payment.

47. Delivery, Sale and Exercise

 - (ii) sell the Lent Securities on your behalf in accordance with your instructions, the Corporations Act, the ASX Operating Rules and standard market practice.
- (b) From the proceeds of the sale of the Lent Securities made in accordance with clause 47(a)(ii), you authorise UBS to:
 - (i) deduct and retain brokerage on the proceeds of the sale plus any GST payable in connection with that brokerage, calculated at the rate specified by UBS for your Stock Loan;
 - (ii) deduct and retain any outstanding fees or charges payable to it pursuant to clause 51;
 - (iii) in accordance with the exercise instructions for the Executive Options, make a payment for the total exercise price of such number of Executive Options you instruct, or if there are not sufficient funds for such number after deducting the amounts in this clause 47, the maximum number for which there are sufficient funds, and do all other things necessary to exercise the Executive Options; and
 - (iv) pay the balance (if any) to you upon repayment of the Stock Loan under clause 58.
- (c) By giving such instructions, you agree to do all things necessary, including completing any exercise notice in respect of the Executive Options, to facilitate the exercise of the Executive Options, and you authorise UBS to complete any blanks in, or make any amendments to, that exercise notice.

- (i) the date that the Underlying Securities issued to you pursuant to the exercise of the Executive Options are granted official quotation by ASX;
 - (ii) the date that is 5 Business Days after receipt of written notice from UBS requiring redelivery; and
 - (iii) 360 days after the date of delivery by UBS of the Lent Securities to you,
- you must deliver, or procure the delivery of Equivalent Securities, to UBS or as it directs and execute and deliver all necessary documents and give all necessary instructions to ensure that all right, title and interest in any Equivalent Securities shall pass from you to UBS.
- (b) Notwithstanding paragraph (a), you may deliver or procure the delivery of Equivalent Securities to UBS or as it directs at an earlier time, in which case you will be taken to have satisfied your obligations under paragraph (a), provided that you give UBS 24 hours prior notice of such delivery.

49. Distributions

- (a) Unless otherwise agreed, where any dividend or other distribution (whether in property or money) is made or paid in relation to any Lent Securities and the record date of the dividend or distribution is a date occurring during the term of the Stock Loan, you will, on the date determined by UBS, pay and deliver to UBS the dividend or distribution, or a sum of money equivalent (or property identical) to the same to UBS.
- (b) UBS may, at its discretion, determine that you must pay an additional amount up to the value of any franking credits allocated (or under section 202-65 of the Income Tax Assessment Act 1997, taken to have been allocated) to the dividend or distribution. Without limiting this discretion, UBS may make this determination where UBS incurs equivalent costs in hedging its obligations under the Stock Loan. UBS undertakes to use reasonable endeavours to borrow stock offshore to minimise any such costs.
- (c) Subject to paragraph (d), where in respect of any Lent Securities, any rights relating to the conversion, subdivision, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Lent Securities, become exercisable prior to the redelivery of the Equivalent Securities then you must deliver Equivalent Securities in such form as will arise if the right is exercised as determined by UBS.
- (d) Notwithstanding paragraph (c), where in respect of any Lent Securities the relevant Issuer issues any right or option in respect of the Lent Securities during the term of the Stock Loan, you must deliver or make available to UBS on the date determined by UBS:
- (i) the right, or option; or
 - (ii) an identical right or option; or
 - (iii) a payment equal to the value to UBS of the right or option (as determined by UBS in its discretion),
- together with any such endorsements or assignments as shall be customary and appropriate.
- (e) If you are required to make any payment to acquire or exercise any right or option which you are obliged to acquire or exercise under the provisions of this clause 49, UBS must indemnify you for the amount of any such payment.
- (f) In the case of a conversion, subdivision or consolidation of the Lent Securities, the securities into which the Lent Securities have been converted, subdivided or consolidated will be taken to be Equivalent Securities with respect to the relevant Stock Loan, without prejudice to any other right a party may have under this Agreement.
- (g) If:
- (i) an event of a kind specified in this clause 49 occurs, and UBS considers that any of the provisions of this clause 49 are not appropriate in any particular situation; or
 - (ii) an event occurs which is not dealt with in this clause 49 which UBS considers should have been dealt with,
- UBS may:
- (iii) make, or refrain from making, any adjustment to the Lent Securities as UBS considers appropriate, and determine the effective date of such adjustment; or
 - (iv) require you to re-deliver the Equivalent Securities.

50. Collateral

50.1 UBS (or one of its related bodies corporate) may retain as collateral, the net proceeds of the sale of the Lent Securities made in accordance with clause 47(a)(ii) until Equivalent Securities are redelivered in accordance with clause 48. No interest will be payable on the net proceeds of the sale when they are so retained by UBS (or its related bodies corporate).

51. Arrangement Fee

- (a) The cost of borrowing Underlying Securities under this Agreement is the Arrangement Fee specified by UBS in the Quote Sheet or otherwise notified to you. This cost will usually comprise one or more of the following:
- (i) a fixed fee;
 - (ii) any costs incurred by UBS to unwind your Stock Loan where Executive Options cannot be exercised immediately and unconditionally;
 - (iii) a per annum fee calculated on the Closing Price of the Lent Securities for each day of the Term of the Stock Loan; and/or
 - (iv) a per annum fee calculated on the Closing Price of the Lent Securities on the day they were lent to you.
- (b) For the purposes of section 26BC(3)(d) of the Income Tax Assessment Act (Cth) 1936 the “notifiable consideration” in respect of the Stock Loan under this Part F is dissected as follows:
- (i) a fee—the Arrangement Fee as set out in the Quote Sheet and Confirmation or otherwise notified to you.
 - (ii) an adjustment—if made under clause 49(g) and notified to you; and
 - (iii) other consideration—your obligations to pay the amounts and/or to deliver the property set out in clauses 48 and 49.
- (c) You must pay UBS all GST, or other applicable or similar taxes, that UBS is liable (either directly or indirectly) to pay for any supply under or in connection with a Stock Loan.

52. Assignment

UBS must not dispose of (by transfer, declaration of trust or otherwise), the right to receive any part of the total consideration receivable under the Stock Loan, being the right to redelivery of the Equivalent Securities under clause 48 and the notifiable consideration referred to in clause 51.

53. Executive Share Plans

If, instead of exercising Executive Options, you instruct UBS to apply the sale proceeds under clause 46 towards the making of a payment to the issuer of the Executive Options or a third party that would result in Underlying Securities being issued, transferred or released to you, then references in this Part F to exercising Executive Options will be amended to refer to the making of a cash payment to the issuer or relevant third party, and the references to exercise price and exercise notice for Executive Options will be taken as references to the payment of the requisite funds to the issuer or relevant third party and the notice(s) that need to be provided with the payment in order to procure the issuance, transfer or release of Underlying Securities to you.

Part G—Stock Borrow Agreement

54. Application

- (a) This Part G will only apply to a Transaction if noted in your Confirmation.
- (b) Notwithstanding the use of expressions such as “borrow”, “lend”, etc., which are used to reflect terminology used in the market for transactions of the kind provided for in this Part G, title to the Underlying Securities “borrowed” or “lent” provided in accordance with this Agreement shall pass from one party to another as provided for in this Agreement.

55. Borrowing Underlying Securities

- (a) In consideration of UBS entering into a Transaction with you, you agree that you will, upon the giving of notice by UBS, lend to UBS Underlying Securities that are comprised in the Secured Property (the Borrowed Securities) in such number as is required by UBS on the terms of the Stock Borrow Agreement set out in this Part G.
- (b) UBS may use the Borrowed Securities for any purpose and is not required to provide any collateral to you in relation to the Borrowed Securities.
- (c) UBS must notify you where it has borrowed Borrowed Securities from you.

56. Delivery of Underlying Securities

You shall deliver or procure the delivery of the requested number of Underlying Securities to UBS together with appropriate instruments of transfer (where necessary) duly stamped (where necessary) and such other instruments (if any) as may be requisite to vest title thereto in UBS. You will execute and deliver all necessary documents and give all necessary instructions to ensure that all right, title and interest in any Underlying Securities borrowed shall pass from you to UBS.

57. Distributions and Voting

- (a) Unless otherwise agreed, where any dividend or other distribution (whether in property or money) is made or paid in relation to any Borrowed Securities and the record date of the dividend or distribution is a date on which such Borrowed Securities are on loan to UBS, UBS will, on the date determined by UBS, pay and deliver to you the dividend or distribution, or a sum of money equivalent (or property identical) to the same to you.
- (b) If the record date for the dividend or distribution occurs whilst Underlying Securities are on loan to UBS, and had you been the holder of the Underlying Securities on the relevant record date you would have received a franked distribution (including a franked distribution that flows indirectly to you) in respect of the Underlying Securities, then provided you are an Australian resident as defined in section 6(1) of the Income Tax Assessment Act 1936 and you and UBS have not otherwise agreed that you will not receive any compensation for loss of franking credits, then UBS must either:
 - (i) if section 216-10 of the Income Tax Assessment Act 1997 applies, give you a statement in the form approved by the Commissioner of Taxation for the purposes of section 216-30 of the Income Tax Assessment Act 1997 setting out such information in relation to that distribution as is required by the approved form; or
 - (ii) pay to you an amount equal to the franking credit allocated (or under section 202-65 of the Income Tax Assessment Act 1997, taken to have been allocated) to the dividend or distribution.
- (c) Subject to paragraph (d), where in respect of any Borrowed Securities any rights relating to the conversion, subdivision, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Borrowed Securities, become exercisable prior to the redelivery of the Equivalent Securities then, on redelivery of Equivalent Securities UBS will deliver Equivalent Securities in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as specified by UBS.
- (d) Notwithstanding paragraph (c), where in respect of any Borrowed Securities the relevant Issuer issues any right or option in respect of the Borrowed Securities, UBS must deliver or make available to you on the date determined by UBS:
 - (i) the right, or option; or
 - (ii) an identical right or option; or

- (iii) a payment equal to the value to you of the right or option (as determined by UBS in its discretion);
- together with any such endorsements or assignments as shall be customary and appropriate.
- (e) If UBS is required to make any payment to acquire or exercise any right or option which it is obliged to acquire or exercise under the provisions of this clause 57 you must indemnify UBS for the amount of any such payment.
 - (f) If a call in respect of Borrowed Securities that are not fully paid is announced to the ASX by the relevant Issuer, then UBS will notify you of the call. On receipt of such notification, you must pay to UBS the amount referred to in such call in respect of the Borrowed Securities no later than 5 Business Days before the date that is the last day that payment for the call can be made, in which case the Borrowed Securities, as adjusted for the call amount having been paid, will be taken to be Equivalent Securities with respect to the relevant Stock Loan, without prejudice to any other right a party may have under this Agreement.
 - (g) In the case of a conversion, subdivision or consolidation of the Borrowed Securities, the securities into which the Borrowed Securities have been converted, subdivided or consolidated will be taken to be Equivalent Securities with respect to the relevant Stock Loan, without prejudice to any other right a party may have under this Agreement.
 - (h) If:
 - (i) an event of a kind specified in this clause 57 occurs, and UBS considers that any of the provisions of this clause 57 are not appropriate in any particular situation; or
 - (ii) an event occurs which is not dealt with in this clause 57 which UBS considers should have been dealt with,
 UBS may:
 - (iii) make, or refrain from making, any adjustment to the Borrowed Securities as UBS considers appropriate, and determine the effective date of such adjustment; or
 - (iv) re-deliver the Equivalent Securities.
 - (i) If, pursuant to this Agreement, UBS may require you to take any action in respect of any Securities (including pay any call, instalments or other monies, acquire or dispose of rights, sell, dispose, redeem, make any adjustment to or otherwise deal with Securities) those rights will apply equally to the manner in which you exercise your rights pursuant to any Stock Loan, with the intent that the Equivalent Securities will be adjusted in an equivalent manner to the way in which the corresponding Securities would have been adjusted in the event that they were not Borrowed Securities.
 - (j) Neither you nor the Nominee may exercise voting rights in respect of the Borrowed Securities.

58. Early termination and Cash Settlement of Stock Loan

Notwithstanding any other provision in these terms, UBS may, if it is not able to access Equivalent Securities or is not able to access Equivalent Securities at a reasonable cost or price (determined by UBS) to meet its redelivery obligation under the Stock Borrow Agreement, nominate an early termination of the Stock Loan. Upon such early termination, UBS may, instead of redelivering Equivalent Securities pay you an amount equal to the number of Borrowed Securities multiplied by the price at which those Underlying Securities are able to be sold at that time (as determined by UBS in its absolute discretion) (the "Stock Loan Cash Settlement Amount").

You agree that upon payment of the Stock Loan Cash Settlement Amount, all of UBS's obligations under the Stock Loan are extinguished and you shall have no further claim against UBS in respect of that Stock Loan.

For the avoidance of doubt, you acknowledge that UBS's election to cash settle the Stock Loan as provided herein does not constitute an Event of Default or a breach of the Facility Terms, and if UBS makes the election to cash settle the Stock Loan in accordance with paragraph (a), you are not entitled to demand specific performance or any other legal or equitable remedy in respect of the redelivery of Equivalent Securities.

59. Redelivery of Equivalent Securities

- (a) UBS undertakes to redeliver Equivalent Securities to you at the time agreed in the notice provided under clause 55(a).
- (b) UBS also undertakes to redeliver Equivalent Securities at such times, in such number and in such manner as to enable you to comply with your obligations and to exercise your rights pursuant to the terms of any other Transaction between you and UBS under the Agreement. For the avoidance of doubt, and without limitation, UBS undertakes to redeliver Equivalent Securities to you:

- (i) where the Borrowed Securities secured your obligations under a Loan—immediately before the Maturity Date for the Loan;
 - (ii) where the Borrowed Securities secured your obligations under an Option—immediately before the Maturity Date for the Option;
 - (iii) where an Early Termination Date (including as a result of an Event of Default occurring) occurs in relation to a Transaction secured by the Borrowed Securities—immediately before the Early Termination Date.
- (c) You may provide notice to UBS on any Business Day that you require any or all of the Equivalent Securities to be redelivered, in which case UBS must redeliver the Equivalent Securities specified in the notice to you in not less than the time in which transactions in the Equivalent Securities are customarily settled in accordance with the ASX Operating Rules.
- (d) UBS may at any time terminate a particular Stock Loan and redeliver the Equivalent Securities due and outstanding to you under the Stock Borrow Agreement.

60. Stock Borrow Fee and Notifiable consideration

- (a) On the drawdown date of each Stock Loan, UBS may pay you a Stock Borrow Fee. Unless otherwise specified, no Stock Borrow Fee is payable.
- (b) UBS may reduce the premium payable by you in respect of an Option or the Interest Amount payable by you under a Loan by an amount equal to any Stock Borrow Fee.
- (c) For the purposes of section 26BC(3)(d) of the Income Tax Assessment Act (Cth) 1936 the “notifiable consideration” in respect of the Stock Borrow Agreement under this Part G is:
- (i) a fee—where applicable, the Stock Borrow Fee
 - (ii) an adjustment—if made under clause 57
 - (iii) other consideration—where applicable, a reduction in the premium payable by you in respect of an Option or the Interest Amount payable by you in respect of the Loan as set out in your Confirmation.
 - (iv) other consideration—UBS's obligations to pay the amounts and/or to deliver the property set out in clauses 57 and 59.

61. Securities Owner Warranty

- (a) You agree that you will not dispose of (by transfer, declaration of trust or otherwise) your right to receive any part of the total consideration to be given by UBS under this Stock Borrow Agreement being the right to redelivery of the Equivalent Securities under clause 59 and the notifiable consideration in clause 60.
- (b) Notwithstanding anything else in this Agreement, UBS indemnifies you for all brokerage, charges and stamp duty incurred by you as a result of UBS borrowing Borrowed Securities under the Stock Borrow Agreement.

62. Observance of procedures

Each party will, in taking an action that may be required in accordance with this Stock Borrow Agreement observe the procedures and timetable applied by the ASX Operating Rules (if and to the extent applicable) and, further, will observe any agreement (oral or otherwise) as to the time for delivery or redelivery of any money, Borrowed Security or Equivalent Security entered into pursuant to this Stock Borrow Agreement.

63. Security Interest

- (a) The Borrowed Securities are released from the Security Interest granted under clause 27 upon transfer of those Borrowed Securities pursuant to a Stock Borrow Agreement.
- (b) By entering into a Stock Borrow Agreement you do not breach any of your obligations under this Agreement.
- (c) For the avoidance of doubt, any Equivalent Securities redelivered to you pursuant to a Stock Borrow Agreement form part of the Secured Property, in accordance with the terms of this Agreement.
- (d) By entering into a Stock Borrow Agreement you:
- (i) acknowledge that the Nominee will hold your rights under the Stock Borrow Agreement for you and that those rights will form part of the Secured Property;
 - (ii) irrevocably authorise and direct the Nominee to obtain the Secured Party's consent before acting on your instructions under, or in respect of, the Stock Borrow Agreement;

- (ii) irrevocably authorise and direct the Nominee to act in accordance with any directions of the Secured Party, without seeking your consent, for any purpose under, or in respect of, the Stock Borrow Agreement, even if the directions contradict instructions that you have given or will give later in relation to the Stock Borrow Agreement;
- (iii) in respect of any Secured Property that is a right under a Stock Borrow Agreement, you acknowledge that the Secured Party is able to initiate sending instructions by which the right under a Stock Borrow Agreement can be exercised, transferred or otherwise dealt with.

Part H—Distribution Agreement

64. Agreement to adjust

- (a) This agreement will only apply to a Transaction if noted in your Confirmation.
- (b) If this agreement applies to a Transaction, each party agrees to make the payments or adjustments referred to in clause 65 to account for differences between each Actual Distribution Amounts and each Assumed Distribution Amount, in consideration for the other party agreeing the same. The Actual Distribution Amounts and Assumed Distribution Amounts will be specified in your Confirmation.
- (c) UBS will also specify the basis of determining the Actual Distribution Amounts and Assumed Distribution Amounts used in the adjustment calculations in your Confirmation, as either Cash Basis or Gross Basis for each of these amounts.
- (d) If Cash Basis is specified as the basis of calculating an amount then that Actual Distribution Amount or Assumed Distribution Amount will be determined without regard to any franking credits.
- (e) If Gross Basis is specified as the basis of calculating an Actual Distribution Amount then that amount will be calculated as the cash distribution amount per Underlying Security declared by the Company plus the value of any franking credits actually attaching to that distribution. If Gross Basis is specified as the basis of calculating an Assumed Distribution Amount then that amount will be calculated as the Assumed Distribution Amount specified by UBS in your Confirmation plus the value of assumed franking credits potentially attaching to that distribution.

65. Adjustment Payments

- (a) If this agreement applies to a Transaction and UBS has not specified in the Quote Sheet or Confirmation that clause 66 is applicable, then the parties will make the payments set out in either paragraph (i) or (ii) to each other to account for the difference between the Assumed Distribution Amount and the Actual Distribution Amount for each dividend or distribution declared with an ex-date falling within the Term of the Transaction. For the avoidance of doubt, if no dividend or distribution is declared by the Company in respect of an Assumed Ex-Date then the Differential Value will be calculated on the assumption that the Actual Distribution is zero and the Differential Value (if any) will be payable within 5 Business Days of the Assumed Ex-Date.
 - (i) If a dividend or distribution is declared and you have purchased a Put Option, a Put Spread, a Collar, a Step Collar or a Put Spread Collar, or you have sold a Call Option, or you have a limited recourse loan not secured against an Option position, or UBS has specified that this clause 65(a)(i) will apply to your Transaction, then:
 - (A) if the Assumed Distribution Amount is greater than the Actual Distribution Amount, UBS will pay you an amount in cash equal to the Differential Value for that dividend or distribution within 5 Business Days following the distribution payment date declared by the Company; or
 - (B) if the Assumed Distribution Amount is less than the Actual Distribution Amount, you will pay to UBS an amount in cash equal to the Differential Value for that dividend or distribution within 5 Business Days following the distribution payment date declared by the Company; or
 - (ii) If a dividend or distribution is declared and you have purchased a Call Option, a Call Spread or you have sold a Put Option, then:
 - (A) if the Assumed Distribution Amount is less than the Actual Distribution Amount, UBS will pay you an amount in cash equal to the Differential Value for that dividend or distribution within 5 Business Days following the distribution payment date declared by the Company; or
 - (B) if the Assumed Distribution Amount is greater than the Actual Distribution Amount, you will pay to UBS an amount in cash equal to the Differential Value for that dividend or distribution within 5 Business Days following the distribution payment date declared by the Company.

In each case as an adjustment to the purchase price of the Option.

- (b) If the Company declares a cash dividend or distribution with an ex-date that occurs during the Term of the Transaction and it is not an Assumed Distribution, then you will be required to pay a Differential Value to UBS in respect of that dividend or distribution, calculated on the assumption that the Assumed Distribution Amount is zero and the calculation basis for the Actual Distribution Amount is as specified in the Confirmation for other Actual Distribution Amounts as an adjustment to the purchase price of the Option.
- (c) Where Underlying Securities are held by UBS or the Nominee on your behalf, you hereby irrevocably direct UBS or the Nominee to withhold an amount equal to any payment due from you under this clause prior to paying you the balance (if any) of a cash distribution received on the Underlying Securities. You further direct that the amount withheld be paid immediately to UBS to meet your obligations under this clause.

66. UBS adjustment of transaction terms

UBS may specify in a Quote Sheet or Confirmation that this clause 66 will apply instead of clause 65. If that is the case, then UBS may adjust the Strike Price, Cap Level(s), Payment Level(s), the Participation Rates, the number of Underlying Securities per Option, the Facility Amount, the description of Underlying Securities and/or any other term of a Transaction as it reasonably determines appropriate to account for:

- (a) the Company declaring any special dividends or special distributions with ex-dates falling within the Term of the Transaction; or
- (b) any difference between Actual Distribution Amounts and Assumed Distribution Amounts with ex-dates falling within the Term of the Transaction.
