360 Capital Group (ASX: TGP)

Evans Dixon Limited Takeover Offer by 360 Capital Group

Page 1 of 6

360 Capital Group (**360 Capital or TGP**) announces today that it has made a proposal via its wholly owned subsidiary, 360 Capital ED1 Pty Limited, to acquire via off-market takeover (**Offer**) all of the shares in Evans Dixon Limited (**Company or ED1**) that it does not already own for \$0.40 per ED1 Share plus one TGP stapled security for every four ED1 Shares or part thereof, less any dividends declared or paid after the date of this announcement (**Announcement Date**).

The Offer Price is valued at \$0.61 per share (**Offer Price**), based on the closing price of TGP stapled securities of \$0.835 on 26 October 2020.

360 Capital believes the Offer Price represents compelling value for ED1 shareholders. The Offer Price represents:

- 142% premium to the Company's most recently reported Net Tangible Assets
- 35% premium to the average price in which the Bidder purchased its last portion of its 19.55% stake, approximately 6 weeks ago
- 54% premium to the trading price shortly after the Company disclosed ASIC was taking corporate action against Dixon Advisory and Superannuation Services Limited (**Dixon Advisory**), a subsidiary of the Company.

The trading price of ED1 shares has decreased 79% since the Company's IPO in May 2018¹. 360 Capital believes that the Offer represents a compelling opportunity for the ED1 shareholders to exit their investment before any further value destruction, including arising as a result of the ongoing ASIC proceedings against Dixon Advisory.

360 Capital ED1 Pty Limited currently owns 19.55% of shares in Evans Dixon Limited.

Conditions and Pre-Conditions

The Offer is subject to the conditions outlined in Annexure A. The Offer is not subject to a minimum number of acceptances.

360 Capital notes that the Company has proposed, as resolution 6 at its upcoming AGM on 11 November 2020, for shareholders to approve certain amendments to the Company's Options/Rights Plan (**Resolution 6**). As a pre-condition to making the Offer (**Pre-Condition**), 360 Capital requires that either the Company withdraws Resolution 6 from consideration by shareholders at the AGM or that Resolution 6 is voted on, but not passed, by shareholders at the AGM.

¹ Based on the ED1 IPO share price of \$2.50 and the closing price of ED1 shares of \$0.52 on 26 August 2020, the day before 360 Capital Group acquired its initial stake.

This action is required because 360 Capital believes that Resolution 6 enables the Company to materially increase the control that management personnel have over the Company. 360 Capital is concerned that concentrating ownership in the hands of management personnel will be adverse to shareholders and, amongst other things, will reduce liquidity and the attractiveness of the Company as an investment. 360 Capital is generally supportive of incentivising employees but does not consider this resolution to be appropriate in the context of the Offer.

Financing

360 Capital has cash available and the ability to issue its securities to finance the acquisition. 360 Capital retains its discretion to obtain finance from alternative sources to fund the cash component of the Offer Price. The Offer is not subject to any condition that financing be obtained.

360 Capital is being advised by Clayton Utz as legal advisors, and Aitken Murray Capital Partners and Cambridge Investment Partners as financial advisors.

Authorised for release by, Tony Pitt, Managing Director.
