### Australian Family Lawyers expands to the Gold Coast

The Board of AF Legal Group Ltd (**ASX: AFL**) (**Company**) is pleased to announce its expansion with the opening of a new office on Queensland's Gold Coast (Bundall).

The Gold Coast has a population of over 600,000 residents and is the second most populous region in Queensland outside of Brisbane. Queensland's divorce rate is the highest in Australia and the establishment of an office on the Gold Coast is therefore a logical expansion enabling the Company to provide family law services to a larger addressable market.

"Our move to the Gold Coast is our fourth expansion across South East Queensland. With our acquisition of Nita Stratton Funk in June 2019 (Brisbane CBD), followed by our entry into the Sunshine Coast Market in June this year (Caloundra and Maroochydore) our presence on the Gold Coast (Bundall) now positions us as the only specialist family law firm to service clients in all these heavily populated markets" commented Grant Dearlove Executive Chairman.

The Board of AFL has approved this announcement.

Yours faithfully
