**ASX Release**  
**1 December 2020**

## **R&D TAX REFUND OF \$1.6M**

Agrimin Limited (**ASX: AMN**) ("**Agrimin**" or "**the Company**") is pleased to advise it has received a tax refund of \$1.6 million under the Research and Development ("**R&D**") Tax Incentive program in relation to R&D expenditure incurred for the Mackay Potash Project during the year ended 30 June 2020.

This tax refund includes overseas R&D expenditure that is eligible under the Company's successful Overseas Finding application which was approved by the Australian Government's Department of Industry, Science, Energy and Resources in October 2019.

Mark Savich, CEO of Agrimin said: "This R&D tax refund is the result of substantial work completed as part of the Definitive Feasibility Study, particularly in relation to the industry leading on-lake pilot pond trial which successfully reached steady-state operations. This refund is appreciated support from the Australian Government."

This ASX Release is authorised for market release by Agrimin's Board.

**About Agrimin**

Based in Perth, Agrimin Limited is a leading fertiliser development company focused on the development of its 100% owned potash projects in Western Australia. Agrimin is aiming to be a global supplier of speciality potash fertilisers to both traditional and emerging value-added markets. Agrimin's shares are traded on the Australian Securities Exchange (ASX: AMN).

**Forward-Looking Statements**

This ASX Release may contain certain “forward-looking statements” which may be based on forward-looking information that are subject to a number of known and unknown risks, uncertainties, and other factors that may cause actual results to differ materially from those presented here. Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. Forward-looking information includes exchange rates; the proposed production plan; projected brine concentrations and recovery rates; uncertainties and risks regarding the estimated capital and operating costs; uncertainties and risks regarding the development timeline, including the need to obtain the necessary approvals. For a more detailed discussion of such risks and other factors, see the Company’s Annual Reports, as well as the Company’s other ASX Releases. Readers should not place undue reliance on forward-looking information. The Company does not undertake any obligation to release publicly any revisions to any forward-looking statement to reflect events or circumstances after the date of this ASX Release, or to reflect the occurrence of unanticipated events, except as may be required under applicable securities laws.
