Notification of issue, conversion or payment up of equity +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are issuing a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

VOTING EXCLUSION STATEMENTS

Item 2

In accordance with sections 250R and 250BD of the *Corporations Act 2001* (Cth) (“**Corporations Act**”), subject to paragraph 2, a vote must not be cast (in any capacity) on the resolution in Item 2 by or on behalf of a member of the Company’s key management personnel (“**KMP**”) (including the Directors) details of whose remuneration are included in the Remuneration Report or their closely related parties (such as close family members or any controlled entities), regardless of the capacity in which the votes are cast except that a vote may be cast on the resolution in Item 2 by a KMP, or a closely related party of a KMP if the vote is cast as a proxy appointed in writing that specifies how the proxy is to vote on the resolution in Item 2 and the vote is not cast on behalf of a KMP or their closely related parties.

If you appoint the Chairman of the 2020AGM as your proxy, and you do not direct your proxy how to vote on the resolution in Item 2 on the proxy form, you will be expressly authorising the Chairman of the 2020AGM to exercise your proxy, even though Item 2 is connected directly or indirectly with the remuneration of the Company’s KMP, which includes the Chairman.

Item 5

For the purpose of ASX Listing Rule 14.11, the Company will disregard any votes cast in favour of the resolution in Item 5 by any Director of **flexigroup** who is eligible to participate in the LTIP and an associate of any such person.  - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder.

Items 2 and 5

For the purpose of section 250BD of the Corporations Act:

- a vote must not be cast on a resolution in Item 2 or 5 by a KMP, or a closely related party of a KMP, acting as proxy, if their appointment does not specify the way the proxy is to vote on Item 2 or 5. However, this voting exclusion does not apply if the KMP is the Chairman of the 2020AGM acting as proxy and their appointment expressly authorises the Chairman of the 2020AGM to exercise the proxy even if that item is connected directly or indirectly with the remuneration of a member of the KMP; and
- if you appoint the Chairman of the 2020AGM as your proxy, and you do not direct your proxy how to vote on the resolution on the proxy form, you will be expressly authorising the Chairman of the 2020AGM to exercise your proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP, which includes the Chairman of the 2020AGM.

>> Explanatory Notes

On the business to be transacted at the FlexiGroup Limited 2020 Annual General Meeting

These Explanatory Notes have been prepared to help shareholders understand the business to be put to shareholders at the Annual General Meeting. These Explanatory Notes form part of the Notice of Annual General Meeting and should be read with the Notice of Annual General Meeting.

>> Ordinary Business

Item 1. Financial Report, Directors' Report and Auditor's Report

As required by section 317 of the Corporations Act, the Financial Report, Directors' Report and Auditor's Report of the Company for the financial year ended 30 June 2020 will be laid before the Annual General Meeting. Shareholders will be provided with the opportunity to ask questions or raise comments about the reports or on the management of the Company. Also, a reasonable opportunity will be given to shareholders to ask the Company's auditor questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the Financial Report and the independence of the auditor in relation to the conduct of the audit.

As there is no requirement for a formal resolution on this item, a resolution will not be put to the 2020AGM.

Item 2. Remuneration Report

Under the Corporations Act, the Company is required to include, in the Directors' Report, a detailed Remuneration Report setting out certain prescribed information relating to Directors' and executives' remuneration and submit this for adoption by ordinary resolution of shareholders at the Annual General Meeting or is available at the Company's website: www.flexigroup.com.au

The Company's Remuneration Report for the financial period ended 30 June 2020 is set out in the Directors' Report which forms part of the Company's 2020 Annual Report, a copy of which was provided to shareholders with this Notice of Annual General Meeting.

The Remuneration Report discusses matters including the remuneration policy of the Company, the remuneration paid to Directors and executives who are members of the Company's KMP, and the relationship between the remuneration of those Directors and executives and performance.

The vote on this resolution is advisory only and does not bind the Directors or the Company.

BOARD RECOMMENDATION

The Directors unanimously recommend that shareholders vote in favour of the resolution to adopt the Remuneration Report.

Item 3. Re-election of Christine Christian, AO

Under the provisions in the Company's Constitution relating to the re-appointment of Directors, Christine Christian AO will retire at the 2020AGM and offer herself for re-election.

Prior to her Board career, Christine was CEO of Dun & Bradstreet Australia and New Zealand from 1997 to 2012, Chairman of Dun & Bradstreet Consumer Credit Services and Executive Director of Dun & Bradstreet India.

Christine is currently a director of Lonsec Fiscal Group, the Victorian Managed Insurance Authority, MaxCap Group and New York based Powerlinx Inc. She is Deputy President and board member of the State Library of Victoria and a member of the La Trobe University Council.

Prior to submitting herself for re-election, Ms Christian acknowledged to the Company that she would have sufficient time to properly fulfil her duties to the Company.

BOARD RECOMMENDATION

The Directors (with Ms Christian abstaining) recommend that shareholders vote in favour of the election of Ms Christian as a Director.

>> Special Business

Item 4. Approval of change of Company name

The Board is recommending that the Company name be changed to reflect the simplification and transformation of the historic **flexigroup** business – which has grown over the years through organic and inorganic means – into a business which will leverage the Group's most recognised brand, **hummm**.

The Board believes the leadership position created under the **hummm** brand has provided the appropriate catalyst to reconsider the Group's name and brand proposition.

The Company has a clear and differentiated proposition: interest-free buying power for everything, everywhere, and for everybody. The unification of our proposition – interest free instalment payments for consumers and SMEs – supports the unification of our product and corporate branding. Under one unified brand the Company can lead a new frontier and push into new and evolving solutions that will drive the way customers live, shop and budget.

By delivering group brand awareness, and aligning all product brands, the Company can create resonance with customers and retailers, delivering multiple benefits to the Company and shareholders, whether through reduction in the costs of sale, or through driving revenue benefits from cross promoting all products to all retailers and customers via a unified app and seller portal. The **hummm** ecosystem is powered by a common credit and insights engine enabling the Company to continually enhance and adapt our platform.

Under the humm Group Limited banner the Company aims to deliver one strong, clear and simple proposition to our customers and partners across Australia, New Zealand and Ireland. A new name will simplify our story to customers, retailers and clarify our significant market position.

BOARD RECOMMENDATION

The Directors unanimously recommend that shareholders vote in favour of the resolution to adopt the new company name of humm Group Limited.

Item 5. Approval of participation in the flexigroup Long Term Incentive Plan

Cancellation of existing Options and grant of FY21 LTI

In 2019, **flexigroup** implemented the new Transformation Incentive Plan (“**LTIP**”) for the CEO and key executives to support the Company’s growth and transformation which is critical to **flexigroup**’s strategy.

Under the LTIP, the CEO (and other eligible executives) was entitled to receive grants of Options to acquire shares in the Company, subject to meeting performance and service conditions.

Options under the LTIP were proposed to be granted to further align the CEO’s variable remuneration with share price growth and shareholders’ interests but did not provide the full benefits of share ownership (such as dividend and voting rights) unless and until the performance hurdles are met and the Options vest and are exercised.

At the 2019 AGM, shareholders approved a three year mega-grant of Options to the CEO and those Options were granted in December 2019 (“**2019 Options**”).

Due the impact of COVID-19 on market conditions and the Company’s share price, the Board no longer consider the 2019 Options to be an effective reward or retention mechanism for the executive team. Therefore, the Board intends to cancel the 2019 Options (for no consideration to the participants), and the cancellation takes effect whether or not shareholders approve this resolution.

Following a review of the LTIP and current economic landscape, the Board determined that an annual grant of options is a more effective approach, as it gives the Board flexibility to review and set target/s on an annual basis as circumstances change. In addition, setting measures and hurdles linked to a three-year award is extremely challenging in the current environment.

On that basis, for the FY21 grant to the CEO and key senior executives, the Board has determined that the Options will be granted subject to one performance measure based on satisfaction of a Share Price performance hurdle over a two-year performance period. In setting the target, the Board focused on the alignment with shareholders and rewarding executives based on an increase in the share price of **flexigroup**.

Approval of participation in the flexigroup Long Term Incentive Plan

Shareholders are being asked to approve the proposed grant of 2,000,000 Options under the **flexigroup** Long Term Incentive Plan (“**LTIP**”) to Ms James.

The Options are to be granted to Ms James to align the incentive with the strategic time horizon under the Company’s growth and transformation strategy. Options are proposed to be granted because they provide immediate share price exposure but do not provide shareholder entitlement (such as dividends and voting rights) until Options vest and are exercised.

The Board believes that the terms of the overall proposed remuneration, including the terms of the participation in the LTIP, are reasonable in **flexigroup**’s circumstances.

The Directors recommend that shareholders vote in favour of the resolution in Item 5 on the basis that the overall proposed remuneration for Ms James, which includes Ms James’ participation in the LTIP, the grant of Options to Ms James under the LTIP and the provision of benefits to Ms James on the terms described in these Explanatory Notes:

- is reasonable having regard to the circumstances of the Company;
- is in the best interests of the Company as a whole; and
- is consistent with the Company’s remuneration policy, in particular the Company’s policy of linking remuneration to achievement, and the objective of attracting and retaining highly skilled executives and Directors.

The ASX Corporate Governance Council’s Corporate Governance Principles and Recommendations (4th edition) note that equity-based remuneration can be an effective form of remuneration for executives.

The ASX Listing Rules (“**Listing Rules**”) and the Corporations Act set out a number of regulatory requirements which must be satisfied (which are summarised below). However, as Ms James is not a director of the Company, no shareholder approval is required under the ASX Listing Rules in order to grant Options to Ms James. However, shareholder approval is being sought in any event for the proposed grant of Options for transparency and as a matter of good corporate governance.

If approval is not obtained from Shareholders, then the Board will consider whether to proceed with the grant or make the grant on different terms.

Key terms of the Options grant

The terms of the Options that will be granted to Ms James (subject to shareholder approval) are set out below.

The \$2.00 share price target is tested using a 20 trading-day VWAP.</p> <p>If the \$2.00 share price target is met during FY21, half of the eligible Options (25% of the total Options) will vest immediately upon meeting the target and the remaining half of the eligible Options (25% of the total Options) will vest at the end of the performance period, subject to Ms James' continued employment.</p> <p>If early vesting occurs, the remaining 50% of the total Options will be tested at the end of the original performance period and vest to the extent that the Share Price hurdle is achieved in accordance with the above vesting schedule.</p>	Share price at the end of the performance period	% of Options that vest	< \$1.50	Nil	\$1.50 to \$2.00	33-50%	\$2.00 to \$2.50	50-100%	> \$2.50	100%

TERM	DETAIL
Vesting and Exercise of Options	<p>To the extent that Options vest, either at the end of the performance period or earlier in FY21 where the \$2.00 share price target is achieved by 30 June 2021, the Options that vest become exercisable.</p> <p>Upon exercise and payment of the exercise price, the relevant number of Shares will be allocated to the Participant, and no further trading restrictions will apply to the Shares (subject to the Company's Trading Policy).</p> <p>The Board retains discretion to settle Options using new-issue or market purchased shares, or in cash, or by providing the 'net' number of Shares (in which case Ms James will receive the number of Shares equal to the value of Shares that would have received upon exercise of Options less the total Exercise Price payable).</p>
Cessation of employment	<p>If Ms James ceases employment with the Company prior to the vesting of Options, the treatment of the Options will depend on the circumstances of cessation.</p> <p>Where Ms James ceases employment prior to the vesting of Options due to resignation or termination for cause, all of her unvested Options will lapse at cessation.</p> <p>Where Ms James ceases employment for any other reason prior to the vesting of Options, a pro-rata number of Options (which reflects the portion of the performance period served) will stay "on-foot" post-cessation and will be tested against the performance hurdle at the end of the performance period and may vest at the original vesting date.</p> <p>To the extent the \$2.00 share price target is achieved in FY21, 25% of the total Options (which would otherwise be subject only to Ms James' continued employment) would also stay "on-foot" and would vest at the original vesting date (but would not be subject to the performance hurdle).</p> <p>If Options do not vest at the end of the performance period, they will lapse (no re-testing occurs).</p> <p>After ceasing employment, to the extent any Options subsequently vest, Ms James will have 60 days following vesting to exercise the vested Options.</p> <p>Cessation following the vesting</p> <p>If Ms James ceases employment and holds vested Options, Ms James will have 60 days following cessation, or until the Expiry Date (if earlier), to exercise her Options.</p> <p>Board discretion</p> <p>The Board retains discretion to determine an alternate treatment, including to accelerate vesting of the Options. The accelerated vesting of Options under the LTIP in connection with the cessation of employment will constitute a termination benefit under the Corporations Act. The value of any such benefit cannot be ascertained as at the date of this Notice of Meeting. The value of the benefit will depend on:</p> <ul style="list-style-type: none"> • the number of Options granted and held by Ms James in accordance with the LTIP; • the number of Options held by Ms James which the Board determines should vest; and • the Company's share price at the time such Options are exercised, and Shares are acquired. <p>Key matters, events or circumstances which will, or are likely to, affect the calculation of the value of any accelerated vesting of Options include:</p> <ul style="list-style-type: none"> • the financial performance of the Company; • the personal performance of Ms James; • the number of years of Ms James' service with the Company; • the circumstances in which Ms James leaves the Company; • the proportion of the Performance Period served by Ms James as at the date her employment ceases; and • performance against the vesting conditions as at the date Ms James' employment ceases.
Change of Control	<p>The Board retains discretion to determine the treatment of unvested Options with respect to a Change of Control. Where the Board does not exercise its discretion, the Plan Rules provide a default treatment for a pro-rata number of the unvested Options to vest and become exercisable based on the proportion of the vesting period that has passed at the time of the event and the extent to which the Performance Conditions have been satisfied at that time.</p>

TERM	DETAIL
Malus and Clawback	<p>The Board retains discretion to lapse a number or all of the Options, or request that Ms James repay an amount or transfer a certain number of Shares to the Company in certain circumstances, including:</p> <ul style="list-style-type: none"> • fraud, dishonesty, or gross misconduct; • bringing the Company into disrepute; • breaching obligations to the Company, including compliance with any Company Clawback Policy and any other applicable Company policy; • failure to perform any other act reasonably and lawfully requested; or • delivering strong Company performance in a manner which is unsustainable or involves unacceptably high risk, and results or is likely to result in a detrimental impact on Company performance.

Overview of Corporations Act requirements

Part 2D.2.2 of the Corporations Act provides that a company, its associates and any prescribed superannuation fund in connection with the company are prohibited from giving a person who holds a “managerial or executive office” a benefit in connection with their ceasing to hold an office or position of employment with the company unless shareholders approve the giving of the “benefit” or an exemption applies. “Benefit” is defined broadly in the Corporations Act to include most forms of valuable consideration.

Retirement benefits under the Corporations Act include a range of payments or benefits given in connection with a person ceasing to hold an office or position of employment (and whether or not contractually obliged to be given) including termination payments or other benefits such as an accelerated or automatic vesting of share-based payments at or due to a person ceasing to hold an office or position of employment.

BOARD RECOMMENDATION

The Directors unanimously recommend that shareholders vote in favour of the proposed grant of 2,000,000 Options under the **flexigroup** LTIP to Ms James.

>> Schedule 1: Summary of the LTIP Rules

The LTIP is part of the Company's remuneration strategy and is designed to align the interests of the Company's management and shareholders and assist the Company in the attraction, motivation and retention of executives. In particular, the LTIP is designed to provide relevant executives with an incentive for future performance thereby encouraging those executives to remain with the Company and contribute to the future performance of the Company.

Under the LTIP, eligible persons participating in the LTIP may be granted Options on terms and conditions determined by the Board from time to time. An Option is a right to acquire a Share, subject to the satisfaction of applicable vesting and/or exercise conditions.

A grant of Options is subject to both the LTIP Rules and the terms of the specific grant as determined by the Board. The Board is responsible for administering the LTIP in accordance with the LTIP Rules and the terms and conditions of specific grants of Options to participants in the LTIP.

Eligibility and Participation

The Board may determine which persons will be eligible to participate in the LTIP from time to time. Eligible persons may be invited to apply to participate in the LTIP. The Board may in its discretion accept such applications.

Options

A person participating in the LTIP ("**Executive**") may be granted Options on terms and conditions, including tenure conditions and performance hurdles, determined by the Board. The Board will determine the exercise price payable on exercise of a vested Option. The Board may also determine the exercise period of an Option.

Consideration for Grant

The Board may determine the amount (if any) payable for the grant of an Option from time to time.

Vesting

Following the satisfaction of the performance hurdles applying to an Option, the Option vests on, and becomes exercisable on or after, a date predetermined by the Board ("**Vesting Date**"), provided that the Executive remains employed by the Company as at that date.

Automatic and Accelerated Vesting

Unless the Board determines otherwise, early vesting (prior to the relevant Vesting Date) of a pro-rata number of Options will automatically occur if there is a change of control for the purposes of the LTIP Rules.

The Board may, in its discretion, decide to accelerate the vesting of all or part of the Options held by an Executive in specified circumstances including a takeover bid, scheme of arrangement, the death, total and permanent disablement, or cessation of employment for other reasons (e.g. retirement) of that Executive.

Lapse

An unvested Option will lapse on the earliest of:

- (a) failure to satisfy the vesting conditions prior to the expiry of the exercise period applicable to that Option;
- (b) the expiry of the exercise period applicable to that Option;
- (c) an Executive breaching the prohibition against hedging Options;
- (d) the Executive ceasing to be employed by the Company in accordance with the terms of the grant and the Plan Rules;
- (e) a variation of capital event (such as a capital reorganisation, share split, etc) occurring in relation to the Company and the Board determining that unvested Options should lapse;
- (f) the Company disposing of a material business or asset and the Board determining that unvested Options should lapse;
- (g) a change of control occurring in relation to the Company and the Board determining that unvested Options should lapse; or
- (h) where, in the opinion of the Board, an Executive has obtained, or may obtain, an unfair benefit or has sustained, or may sustain, a loss as a result of an act of any person which constitutes fraud, dishonesty or breach of obligations (including, without limitation, a material misstatement of financial information) and the Board determining that unvested Options should lapse.

Where an Executive ceases to be an Employee of the Group and at that time holds vested Options, all vested Options must be exercised by the earlier of 60 days following cessation or the Option Expiry Date, or within such other period determined by the Board.

Where a Participant holds a vested Option at the date of a change of control, all vested Options must be exercised by the earlier of 60 days from the date of the change of control or the expiry date, or within such other period determined by the Board.

Exercise

Following the vesting date or the automatic or accelerated vesting of an Option, the vested Option may be exercised by the Executive subject to any exercise conditions and the payment of the exercise price (if any), and the Executive will then be allocated or issued Shares according to the number of Shares comprised in each vested Option exercised by the Executive. The Board retains discretion to settle Options using new-issue or market purchased shares, or in cash, or by providing the 'net' number of Shares (in which case Ms James will receive the number of Shares equal to the value of Shares that would have received upon exercise of Options less the total Exercise Price payable).

Delivery of Shares on Exercise of Vested Options

The Board has the discretion to have Shares issued or transferred to an Executive or to the Trustee (on behalf of an Executive) on the exercise of vested Options. Any Shares issued under the LTIP will rank equally with those Shares traded on ASX at the time of issue except for any rights attaching to those Shares by reference to a record date prior to the date of issue.

Malus and Clawback

The Board retains discretion to lapse a number or all of the Options, or request that a Participant repay an amount or transfer a certain number of Shares to the Company where, in the opinion of the Board, an Executive has obtained, or may obtain, an unfair benefit as a result of his or her act which constitutes fraud, or dishonest or gross misconduct in relation to the affairs of the Group or any Group Company, brings the Group or any Group Company into disrepute, is in breach of his or her obligations to the Group or any Group Company, including compliance with any Company Clawback Policy and any other applicable Company policy, constitutes a failure to perform any other act reasonably and lawfully requested of the Executive or has the effect of delivering strong Company performance in a manner which is unsustainable or involves unacceptably high risk, and results or is likely to result in a detrimental impact on Company performance following the end of a period.

Adjustment

In the event of any capital reorganisation by the Company (including any bonus issues and rights issues) or a change of control, an Executive's Options and the Shares allocated to the Executive on exercise of the Executive's Options, will be adjusted as set out in the LTIP Rules and otherwise in accordance with the Listing Rules. In general, it is intended that the Executive will not receive any advantage or disadvantage from such adjustment.

Restrictions on Transfer of Options

An Executive may not dispose of, deal in, or grant a security interest over any interest in, an Option without the prior consent of the Board, which may be given subject to such conditions as the Board sees fit in relation to the proposed dealing. The transfer or transmission of an Option is permitted where it is effected by force of law, on death of an Executive to the Executive's legal representative.

Administration of the LTIP

Any power or discretion of the Board conferred under the LTIP Rules may be delegated by the Board to a committee consisting of the Company's officers and/or employees, a related body corporate and/or a third party for such periods, and on such conditions, as the Board sees fit.

The Board may at any time, by written instrument, amend all or any of the provisions of the LTIP Rules including with retrospective effect. Any amendment to the LTIP Rules must not materially reduce the rights of any participant as those rights existed before the date of the amendment (with limited exceptions).

The Board may suspend or terminate the LTIP at any time. The suspension or termination of the LTIP must not prejudice the existing rights (if any) of Executives. The Board may also amend the LTIP Rules, provided that subject to specified exceptions, there is no reduction of the rights of Executives in respect of Shares allocated or Options granted under the LTIP prior to the date of such amendment.
