**MINERVA FUNDS MANAGEMENT LIMITED  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2018**

**1 REPORTING ENTITY**

Minerva Funds Management Limited (the "Company") is a limited company domiciled in Australia. The address of the Company's registered office is Level 16, 535 Bourke Street, Melbourne, Victoria 3000.

**2 BASIS OF PREPARATION**

The Company is a for profit entity for the purpose of preparing these financial statements.

**(a) Statement of compliance**

In the opinion of the directors, the Company is not a reporting entity because there are no users dependent on general purpose financial reports. The special purpose financial report has been prepared in accordance with the recognition and measurement aspects of all applicable Australian Accounting Standards adopted by the Australian Accounting Standards Board ("AASB") and the Corporations Act 2001.

The special purpose financial report has been prepared in accordance with the disclosure requirements of AASB 101 Presentation of Financial Statements, AASB 107 Statement of Cash Flows, AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors, AASB 1048 Interpretation and Application of Standards and AASB 1054 Australian Additional Disclosures.

The financial statements have been prepared on a going concern basis. The Company has a letter of support from the ultimate Australian parent entity which will provide support to the Company to pay its debts as and when they fall due if required.

The special purpose financial statements were approved by the Board of Directors on 20 September 2018.

**(b) Basis of measurement**

The financial statements have been prepared on the basis of historical cost except as otherwise stated.

**(c) Functional and presentation currency**

These financial statements are presented in Australian dollars, which is the Company's functional currency.

**(d) Use of estimates and judgements**

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are considered to be reasonable. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

**MINERVA FUNDS MANAGEMENT LIMITED**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 JUNE 2018**

**3 SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies set out below, have been applied consistently to all periods presented in these financial statements.

**(a) Non-derivative financial instruments**

Non-derivative financial instruments comprise receivables and payables.

Non-derivative financial instruments are recognised initially at fair value plus, for instruments not at fair value through the statement of profit or loss and other comprehensive income, any directly attributable transaction costs. Subsequent to initial recognition non-derivative financial instruments are measured at amortised cost using the effective interest method, less any impairment loss.

A financial instrument is recognised if the Company becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Company's contractual rights to the cash flows from the financial assets expire or if the Company transfers the financial asset to another party without retaining control or substantially all risks and rewards of the asset.

**(b) Share capital**

*Ordinary shares*

Ordinary shares are classified as equity. Incremental costs are directly attributable to issue of ordinary shares.

**(c) Impairment**

The Company assesses whether objective evidence of impairment exists for financial assets and where objective evidence exists, the financial asset is recognised at the present value of its future cash flows.

**(d) Investments**

Investments in controlled entities are recognised at cost and subject to impairment testing. Any diminution in the value of an investment due to impairment is recognised as a loss in the statement of profit or loss and other comprehensive income in the year in which it arises.

**(e) Income tax**

Income tax in the statement of profit or loss and other comprehensive income for the year comprises current tax. Income tax is recognised in the statement of profit or loss and other comprehensive income except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustments to tax payable in respect of previous years. Carried forward tax losses are not booked as deferred tax assets due to the uncertainty of their realisation.

**MINERVA FUNDS MANAGEMENT LIMITED  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2018**

**3 SIGNIFICANT ACCOUNTING POLICIES (cont.)**

**(f) New standards and interpretations not yet adopted**

The following standards, amendments to standards and interpretations have been identified as those which may impact the Company in the period of initial application. They are available for early adoption at 30 June 2018, but have not been applied in preparing this financial report. The Company has prepared its analysis of the transitional impact of the respective standards, including input from auditors and advisors. Where relevant the estimated impact of the adoption of these standards on the Company's equity as at 1 July 2018 is outlined below, otherwise the analysis is expected to be completed prior to the respective implementation dates.

**(i) AASB 9 Financial Instruments**

*Classification and measurement*

AASB 9 will replace existing financial instrument categories with new categories of Fair Value through Profit or Loss (FVPL), Fair Value through Other Comprehensive Income (FVOCI), and Amortised Cost. Financial assets (other than equity and derivatives) will be assessed and categorised based on their contractual cash flow characteristics and the business model for managing the assets. Accounting for financial liabilities remains unchanged, except that gains or losses on liabilities designated at FVPL (if any), arising from the Company's own credit risk, will be presented in other comprehensive income with no subsequent reclassification to the statement of profit or loss and other comprehensive income, unless an accounting mismatch in profit or loss would arise.

Upon adoption the Company does not expect significant changes to the classification or measurement of most financial assets and financial liabilities.

*Impairment of financial assets*

AASB 9 introduces an expected credit loss impairment model that replaces the existing incurred loss model and applies to all financial assets, except for those which are FVPL, and equity securities designated as at FVOCI, which are not subject to impairment assessment.

The Company does not expect any material financial impact due to the changes in the impairment model of financial assets.

*Transition*

AASB 9 is effective for annual reporting periods beginning on or after 1 January 2018, with early adoption permitted. The adoption of AASB 9 has no impact on the Company's opening balance of equity at 1 July 2018.

In our opinion, the accompanying Financial Report of the Company is in accordance with the *Corporations Act 2001*, including:

- Giving a true and fair view of the Company's financial position as at 30 June 2018 and of its financial performance for the year ended on that date; and
- Complying with *Australian Accounting Standards* to the extent described in Note 1 and the *Corporations Regulations 2001*.

- Statement of financial position as at 30 June 2018
- Statement of profit or loss and other comprehensive income, Statement of changes in equity, and Statement of cash flows for the year then ended;
- Notes including a summary of significant accounting policies; and
- Director's Declaration.

## Basis for opinion

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Company in accordance with the *Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with the Code.

## Emphasis of matter – basis of preparation and restriction on use and distribution

We draw attention to Note 1 to the Financial Report, which describe the basis of preparation. The Financial Report has been prepared for the purpose of fulfilling the Directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the Financial Report and this Auditor's Report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Our report is intended solely for the members of Minerva Funds Management Limited and should not be used by parties other than the members of Minerva Funds Management Limited. We disclaim any assumption of responsibility for any reliance on this report, or on the Financial Report to which it relates, to any person other than the members of Minerva Funds Management Limited or for any purpose other than that for which it was prepared.

## Other Information

Other Information is financial and non-financial information in Minerva Funds Management Limited's annual reporting which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express an audit opinion or any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

### Responsibilities of the Directors for the Financial Report

The Directors are responsible for:

- implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error; and
- assessing the Company's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Financial Report.

A further description of our responsibilities for the audit of the Financial Report is located at the *Auditing and Assurance Standards Board* website at: [http://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf).
