

## Appendix 2A

### Application for quotation of +securities

Information or documents not available now must be given to ASX as soon as available. Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are seeking quotation of a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

\*Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.

#### Part 1 – Entity and announcement details

## Elanor Investors Group – Deferred Short Term Incentive Plan

### Overview of the Plan

The Group established the Plan to enable a portion of employees annual short term incentive (STI) bonus to be delivered as a grant of Restricted Securities in the Group, which may vest subject to satisfaction of the relevant vesting conditions over the vesting period.

### Key terms of the Plan

Term	Detail
<b>Grant of Restricted Securities</b>	<p>The actual number of Restricted Securities that will be granted to participants is calculated by dividing the STI award outcome by the volume weighted average price (VWAP) of the Group's securities over the 5 trading days immediately prior to the date of grant.</p> <p>The Group may issue new Securities, procure the acquisition of securities on-market or transfer Securities from an employee share trust, in making the grant of Restricted Securities.</p>
<b>Entitlements</b>	<p>Each Restricted Security is a security in the Group that is subject to trading restrictions from the time of allocation until satisfaction of the vesting conditions set out below. Upon vesting, the securities will not be subject to any further restrictions, subject to compliance with the Securities Trading Policy that applies to the Group.</p> <p>Participants will be entitled to receive distributions and dividends on the Restricted Securities from the date of grant, including during the vesting period.</p> <p>Restricted Securities are non-transferable, except in limited circumstances or with the consent of the Board. Trading restrictions may be imposed either by way of a holding lock or through use of an employee share trust.</p>
<b>Date of grant</b>	As approved by the Board.
<b>Vesting period and conditions</b>	Restricted Securities will vest, and no longer be subject to trading restrictions, if participants remain employed by the Group until the end of the two year vesting period, which commences on the date the securities are granted.
<b>Price payable for securities</b>	No amount will be payable by participants in respect of the allocation of Restricted Securities, or upon lifting of the trading restrictions.
<b>Cessation of employment</b>	<p>Where a participant ceases employment with the Group prior to the Restricted Securities vesting, the treatment will depend on the circumstances of the cessation.</p> <p>Where employment ceases due to resignation or termination for cause (including gross misconduct), all unvested Restricted Securities will lapse at cessation.</p> <p>Where employment ceases for any other reason prior to vesting, all unvested Restricted Securities will generally continue on-foot and remain subject to restrictions (i.e. remain restricted until two years from grant).</p> <p>However, the Board has a broader discretion to apply any other treatment it deems appropriate in the circumstances (including that another number of Restricted Securities may vest either at cessation or at the end of the original vesting date, or that some or all of the Restricted Securities will be forfeited).</p>
