About Netwealth

Netwealth is a financial services company listed on the Australian Stock Exchange (ASX: NWL). Netwealth was created with an entrepreneurial spirit to challenge the conventions of Australia's financial services.

We are a technology company, a superannuation fund and an administration business. Above all we exist to inspire people to see wealth differently and discover a brighter future.

Founded in 1999, Netwealth is one of the fastest growing wealth management businesses in Australia.

We are rated No.1 by our clients for providing exceptional service and independent researchers continue to rate our technology as best in class*.

Our financial products are:

- superannuation including accumulation and retirement income products;
- investor directed portfolio services for self-managed super and non-super investments;
- managed accounts; and
- managed funds.

Netwealth's digital platform supports how our financial products are delivered to market. For instance, via the platform, financial intermediaries and clients can invest and manage a wide array of domestic and international products.

The platform is built, developed and maintained by Netwealth's technology team. It is continuously enhanced using feedback from financial intermediaries, clients and other users and receives wide industry recognition as having market-leading functionality.

Supporting our financial products and technology platform is a significant investment in our people and resources to administer support, risk and governance and our custodial services.

This document has been authorised for release by CFO and Company Secretary, Mr Grant Boyle.
