LiveTiles joins ServiceNow Partner Program

- LiveTiles joins the Partner Program of Nasdaq-listed digital workflow giant ServiceNow.
- ServiceNow works with over 6,900 enterprise customers and 80% of the Fortune 500.
- The deal builds new pipeline and diversifies the Company's enterprise pipeline strategy.

LiveTiles Limited (ASX:LVT) (LiveTiles or the Company), a global software company that empowers its users to create their own intelligent workplace experiences, is pleased to announce it has joined the ServiceNow Partner Program to deepen the functionality of LiveTiles products and reduce the complexity of the employee experience.

ServiceNow delivers digital workflows that create great experiences and unlock productivity. The company works with more than 6,900 enterprise customers, including 80% of the Fortune 500.

ServiceNow Partner Program

As part of the ServiceNow Partner Program, LiveTiles will now receive extensive support from ServiceNow to build on and integrate with its platform. LiveTiles will commence work on achieving certification that will be listed on the ServiceNow Application Store.

LiveTiles will also be integrating ServiceNow into our global sales and demo experience.

Strategy

LiveTiles is responding to an increasing number of customer requests to integrate with the ServiceNow platform to deepen the functionality of LiveTiles products.

By pursuing this integration, LiveTiles is excited by the opportunity to diversify its enterprise pipeline strategy by partnering with digital workflow leader ServiceNow. LiveTiles is also thrilled to be providing its existing customers with added functionality, resulting in a unique employee experience and greater customer retention.

LiveTiles Senior Vice President, Asia Pacific Owen Brandt said, "We're excited to join the ServiceNow Partner Program. We work with many enterprise organisations in both the public and private sector. With requests to integrate with the ServiceNow platform steady and increasing, the time is right for us to join the ServiceNow Partner Program.

"We're also excited to be working with the digital workflow leader to deliver enhanced product features and capabilities. This will open up new enterprise customer pipeline for LiveTiles."

This announcement has been authorised for release by the Board.
