ASX Announcement (AMX)

MetroMap/LiDAR/3D/R&D product demonstration and strategy update

Aerometrex Limited (ASX: AMX) is pleased to invite investors to attend an online product demonstration and strategy session.

The session will be conducted by Aerometrex's Chief Executive Officer Mark Deuter, Chief Operating Officer David Byrne and key technical staff, and will take place at 11am (AEST) on Tuesday, 20 April 2021.

The presentation will be followed by a Q&A session.

Mark Deuter commented, "We are pleased to invite investors to join our product demonstration to learn about our rapidly scaling Metromap product. The session will showcase our technology, including our 2D, 3D and LiDAR products as well as the results of our R&D program. We expect that this will help investors understand the key use cases.

"The strategy update will provide investors with an understanding of where our business is heading and the vast potential for growth in our target markets".
