## Appointment of Non-executive Director

The Directors of Harris Technology are pleased to announce the appointment of Mr Guy Polak as a director of Harris Technology effective 1 April 2021.

Mr Polak is a skilled retail professional with over 25 years of experience within the industry, specialising in sales, wholesale, distribution, buying, sourcing, merchandising and ownership. In 2014, Guy was promoted to Head of Buying at Catch Group where he reported directly to the CEO. Guy transformed and grew the buying department introducing structure and buying principles that made Catch.com.au the premium destination for all branded products across major consumer categories. The growth and success of the buying department ensured Catch.com.au had a unique advantage over its competitors which was a strong attraction for the Wesfarmers acquisition of Catch.com.au in 2019.
